COUNCIL AS A WHOLE

In the matter to receive a report on a possible relocation of the County Health Center, currently located at 38th Street and Bissell Avenue, to the Doctors Hospital campus on Vale Road in the City of San Pablo; and provide direction to staff as necessary. City Manager, Bill Lindsay, and County Supervisor, John Gioia, gave an overview of the matter. In September 2007, staff was directed to hold a community workshop in order to evaluate site locations for a new community health center and to receive community input. The overall consensus was that the preferred location for the County Health Center was on 23rd Street and Bissell Avenue. Subsequently, the City, Redevelopment Agency, and County staff met with the master developer and broker and were advised that the proposed acquisition of the site on 23rd Street and Bissell Avenue could not occur in a timely manner to correspond with the requested development timeline for the proposed Lowe’s. County staff analysis concluded that the Doctor’s Medical Center campus in San Pablo was the preferred site alternative for the County’s new health center in West County. Relocating the health center at the Doctor’s Hospital site would increase the viability of Doctor’s Hospital and maintain its operations and services such as x-ray and laboratory testing would be shared. Naomi Williams, Corky Booze, and Jackie Thompson gave comments. Councilmember Viramontes asked why the health center is planned to relocate on a known fault line. Supervisor Gioia replied that the new facility will be seismically safe and the Doctor’s Hospital is planned to be seismically retrofit between now and the year 2020. A motion was made by Councilmember Viramontes, seconded by Councilmember Thurmond, that staff research and pursue funding for shuttle service from Richmond to Doctor’s Medical Center from regional transportation funding for 2009-2010, by the unanimous vote of the Council.

RESOLUTIONS

In the matter to adopt a resolution approving the Fiscal Year 2008/2009 Annual Operating Budget. Mayor McLaughlin stated that she previously removed the Park Steward positions from the budget because she didn’t want layoffs to occur in the Paratransit Department. This matter will be discussed again at a council meeting in July. The City Manager and staff will prepare cost breakdown and organizational structure information. Jim Goins, Finance Director gave an overview of the proposed budget. Corky Booze, Myrtle Braxton- Ellington, and Debbie Landshoff gave comments. Mayor McLaughlin asked how the budget cuts will affect Parks and Landscaping’s operations. Yader Bermudez, Recreation and Park’s Park Director, replied that with the savings made from recently purchased equipment, other contracted services, such as rental of portable restrooms for the parks, should not be affected. A motion was made by Councilmember Viramontes to approve the 2008-2009 Annual Operating Budget, including all budget checklist items and adding revised non-profit emergency grant criteria. Councilmember Lopez clarified that the emergency non-profit grant funding is only to be included in the 2008-2009 budget and a new request would have to be made for any subsequent years. Councilmember Bates suggested that a couple of
workshops be conducted with the Planning Commission regarding the General Plan and does not support adding more money for additional meetings to the contract with Moore, Iacofoano, and Goltsman, (MIG), the general plan consulting firm. Mayor McLaughlin stated that discussions regarding the Public Health Element, Climate Change Element, and Change Areas still need to be discussed with the Planning Commission in order for them to make recommendations to the City Council. Councilmember Butt stated that the money to pay for this contract amendment would come from the Planning Department’s comprehensive planning fees, not from the general fund and the Planning Committee is required by law to review and make recommendation on the general plan. A motion was made by Councilmember Viramontes, seconded by Councilmember Rogers to approve the 2008-2009 Annual Operating Budget, including all budget checklist items and adding the revised non-profit emergency grant criteria and excluding Item #7 regarding the removal of the $150,000 allocation for additional scope of work from the General Plan, passed by the following vote: Ayes: Councilmembers Butt, Lopez, Rogers, Sandhu, Thurmond, Viramontes, Vice Mayor Marquez, and Mayor McLaughlin. Noes: Councilmember Butt. Abstentions: None. Absent: None. Discussion ensued.

Councilmember Butt read from California Government Code Section 65354, which reads: “The Planning Commission shall make a written recommendation on the adoption or on an amendment of the General Plan”. Richard Mitchell, Planning Director, stated that the additional funding for the General Plan is for requested meetings that were unanticipated and out of the scope of what was previously approved. Mr. Mitchell reiterated that the General Plan will cost approximately $3million to complete, but $750,000 worth of grants have been obtained with the help of MIG. A motion was made by Councilmember Rogers, seconded by Councilmember Butt, to approve the $150,000 with the understanding that no additional amendments be requested. $120,000 would be used for additional community meetings and the remaining $30,000 is for meetings with the Planning Commission. Some of the community meetings have already occurred. Councilmember Viramontes, seconded by Councilmember Bates, made a substitute motion, that only four additional meetings be funded in the amount of $28,000. (Mayor McLaughlin changed her “yes” vote to a “no” on the adoption of the budget). Councilmember Bates made an amendment to limit to two additional meetings and two workshops. Councilmember Viramontes accepted the amendment. Councilmember Rogers made a friendly amendment to approve $75,000 and do the best that can be done to finalize the General Plan process. Councilmember Viramontes did not accept the amendment. City Manager, Bill Lindsay, stated that this matter be reviewed and discussed at the Finance Committee meeting of June 20th, where this matter has been agendized. At this point, the $150,000 has been approved in the budget; however, the funds have not been approved to fund the proposed $150,000 contract amendment with MIG. A substitute motion was made by Councilmember Rogers to approve $75,000 for MIG to complete the general plan process. The motion died for lack of a second. A motion was made by Councilmember Marquez, seconded by Councilmember Rogers, to rescind the prior vote on the adoption of the budget, passed by the
following vote: **Ayes:** Councilmembers Bates, Lopez, Rogers, Sandhu, Viramontes, and Vice Mayor Marquez.

**Noes:** Councilmembers Butt and Mayor McLaughlin.  
**Abstentions:** None.  
**Absent:** None.  

A motion was made by Councilmember Rogers, seconded by Councilmember Marquez, to approve $50,000.  Councilmembers Rogers and Marquez withdrew their motion.  A motion was made by Councilmember Viramontes, seconded by Councilmember Lopez, called for the question.  A motion was made by Councilmember Rogers, seconded by Councilmember Marquez, to approve $50,000.  Councilmember Viramontes made an amendment that there be only four additional meetings funded.  Mr. Mitchell stated that he would like to return with more information to determine if four meetings will be sufficient to complete the process.  Councilmember Rogers did not accept the amendment.  A substitute motion was made by Councilmember Viramontes, seconded by Councilmember Bates, to approve $30,000.  Councilmember Viramontes withdrew her motion.  A motion was made by Mayor McLaughlin, seconded by Councilmember Butt, to approve a $150,000 contract amendment for MIG, which failed by the following vote: **Ayes:** Mayor McLaughlin, Councilmembers Butt and Thurmond.  
**Noes:** Councilmembers Bates and Rogers.  
**Abstentions:** None.  
**Absent:** None.  

The motion to approve $50,000 to MIG for the completion of the General Plan Update was passed by the following vote: **Ayes:** Councilmembers Butt, Lopez, Rogers, Sandhu, Thurmond, Viramontes, and Vice Mayor Marquez.  
**Noes:** Councilmembers Bates and Mayor McLaughlin.  
**Abstentions:** None.  
**Absent:** None.  

In the matter to adopt a resolution in support of the Brief of Amici Curiae from the National League of Cities which was filed in support of the County of San Diego.  Scott Dickey, Interim City Attorney, stated that the Ninth Circuit is currently reviewing the constitutionality of a Wireless Telecommunications Ordinance drafted by the County of San Diego.  The League of California Cities has filed amicus curiae brief in support of the City of San Diego’s position.  The resolution endorses all arguments set forth in the brief and supports the League and supports the League of California Cities’ efforts to preserve local control over zoning and planning with respect to wireless telephone facilities.  Andrew Olmstead and Robin Carpenter gave comments on the matter.  The resolution will be supplemented with a letter brief explaining the City of Richmond’s position and concerns.  A motion was made by Councilmember Bates, seconded by Councilmember Viramontes, approved Resolution No. 69-08, by the following vote: **Ayes:** Councilmembers Bates, Butt, Lopez, Rogers, Sandhu,

In the matter to adopt a resolution in support of renewing the West Contra Costa unified School District’s (WCCUSD) Parcel Tax. Councilmember Thurmond gave an overview of the matter. The WCCUSD’s parcel tax will soon expire and must be renewed. The WCCUSD will not only incur a financial loss as a result of the proposed decrease in State funding, but it will also suffer the loss of funding from the parcel tax. Dr. Bruce Harter, School Superintendent, made a presentation and stated that revenue from this parcel tax is imperative to avoid significant budget cuts, enhance core subjects, support libraries, retain qualified teachers, counselors, and custodial staff; computer training and athletic programs; and maintain reduce class sizes for students. Audrey Miles, Naomi Williams, Linda Salinas, Tom Waller, Corky Booze, Gail Mendes, Myrtle Braxton-Ellington, Genoveva Calloway, Janet Ceja-Orozco, Supervisor John Gioia, and Rev. Chief Magnus stated that the proposed amendment would give appellants an additional opportunity to appeal the merits of Code Enforcement administrative citations by allowing an appeal of the Hearing Officer’s determination to the Public Safety Committee. This process requires the recipients to request an appeal within 14 days from the date of the administrative citation. The appeal is conducted by a hearing officer and any further appeal must be heard by the court. A motion was made by Councilmember Bates, seconded by Councilmember Rogers, approved first reading of said ordinance, by the unanimous vote of the Council.

In the matter to introduce first reading of an ordinance establishing a temporary moratorium on the acceptance, processing and approval of applications to locate massage establishments within the City of Richmond until regulations and criteria can be developed for this use. Richard Mitchell stated that during 2007 and 2008, the Planning and Building Services Department received five applications regarding the location of massage establishments in the City of Richmond. Three of these applications were for locations on San Pablo Avenue in the Richmond Annex neighborhood council area. The current provisions of the Zoning Ordinance do not adequately address the issues that can arise from the proliferation and concentration of massage establishments. A motion was made by Councilmember Lopez, seconded by Councilmember Thurmond, accepted first reading of said ordinance, approved a 60-day moratorium and directed staff to return to the City Council with recommended changes to the ordinance within 60-days. Discussion ensued. Councilmember Sandhu asked if there have been any

Individuals that are known to be engaged in prostitution have been seen frequenting some of the massage establishments. There is currently one open investigation and several others will be opened.
