Approve summary notes of the Finance Standing Committee meeting held on June 20,
    2008

OUTCOME:

A motion was made by Councilmember Lopez, seconded by Councilmember Rogers
    approved the summary notes.
Acknowledged receipt of the Public Works Audit Report as prepared by Kevin W. Harper, CPA for Fiscal Year 2008

- Belinda Mitchell, Finance Department stated that the Finance Department entered into a competitive bid process to establish a pool of auditors. From this pool, Kevin W. Harper was selected to perform an audit of Public Works.

- Mr. Kevin Harper stated that the major findings have been that for several years, the lack of management employees has resulted in management and policy issues not being addressed, lack of job prioritization, lack of coordination with other divisions, lack of communication with Department and City senior management and with other departments. Many recommendations and actions were given.

OUTCOME:

A motion was made by Councilmember Butt, seconded by Councilmember Lopez, accepted the report and requested that quarterly reports be made to the Finance Standing Committee on the progress of the implementation of the recommended actions.

Discuss & consider approval of the amended Pre-Development Agreement with Auto Warehousing Company (AWC)

- Jim Matzorkis, Port Executive Director, stated that the Port of Richmond and Auto Warehousing Company (AWC) have been engaged in a co-marketing effort with American Honda Motors for their Northern California and Southwest Regions vehicle distribution for the past several months. On April 15, 2008, the City and AWC entered into a Pre-Development Services Agreement in order for the parties to evaluate and consider a possible modification of the premises.

- Councilmember Lopez asked if the City will incur any additional risk with this amended agreement. Attorney, Carlos Privat replied that from this point until the EIR is certified, the City has no risk.

OUTCOME:

A motion was made by Councilmember Lopez, seconded by Councilmember Rogers recommended approval.

Discuss & consider recommending approval of a contract with Anacomp, Inc. for a three-year term for a total amount not to exceed $300,000 for the term of the contract for Scanning, Indexing and Micrographics Services

- Diane Holmes, City Clerk, stated that the proposed contract will be “piggybacked” onto the competitively bid County of San Diego’s agreement. There is a large inventory of onsite files and in 2009 staff will relocate to the Civic Center City Hall and it will be necessary to store a majority of each
department’s onsite files electronically and scanning services are needed to convert hard copy documents into electronic form.

OUTCOME:

A motion was made by Councilmember Lopez, seconded by Councilmember Rogers recommended approval.

Discuss & consider approval of a three-year contract with Visible Strategies effective August 1, 2008, in an amount not to exceed $110,000 for the implementation, servicing and annual subscription of see-it™, a software system designed to support staff in the collection, analysis and reporting of City goals, strategies and performance measures

- Jim Richman, Finance Department, stated that this can be used as both an internal tool to drive strategy development and consensus building and an external tool to provide transparency to stakeholders and to measure progress using key indicators.

- Councilmember Lopez asked how effective the system will be and if it will be utilized as intended and to its capacity. Mr. Richman replied that the system is very user friendly and easy to update information into.

OUTCOME:

A motion was made by Councilmember Rogers, seconded by Councilmember Lopez recommended approval.

Discuss & consider recommending approval of contract amendment No. 2 with the Community Housing Development Corporation of North Richmond to increase the payment limit by $212,209 for an amount not to exceed $358,354 for the 2008 and 2009 calendar years

Discuss & consider recommending approval of a contract with Sally Swanson Architects to conduct a City-wide accessibility study and produce a transition plan for increasing disabled accessibility where necessary in an amount not to exceed $157,500

- Bruce Soublet, Assistant City Attorney, stated that this study requires a review of every sidewalk and intersection, every building, every facility, and all property within the City, as well as all services provided by every department in the City. Sally Swanson will not be providing architectural services, but merely performing an analysis of ADA compliance.

- Councilmember Butt stated that State and Federal Law states that these types of procurements are made based on qualifications and then a price is negotiated.

- Councilmember Rogers stated that there can be potential legal issues regarding this matter and would like to have a more in depth discussion about this in closed session. There is already an item on the closed session to discuss ADA compliance issues and this item can be discussed at that time also.

OUTCOME:

A motion was made by Councilmember Rogers, seconded by Councilmember Lopez, recommended that this matter be discussed further.
