PUBLIC MEETING INFORMATION

Function of a Public Meeting: A public meeting is intended to inform the public of proposals and to enable members of the public to present relevant information and viewpoints before Historic Preservation Commission action. When the Commission reviews a specific development proposal, the Commission will hear public comments before voting on a recommendation to the Design Review Board or Planning Commission.

Speaker Registration: Persons wishing to speak on a particular item on the agenda shall file a speaker form with Planning and Building Services Department staff PRIOR to the Commission’s consideration of the item. Once discussion of the agenda item begins, only those persons who have previously submitted speaker forms will be permitted to speak on the item. Speakers will be called to address the Commission after the project applicant has made a presentation. Anyone who wishes to address the Commission on a topic that is not on the agenda and is relevant to the Commission’s purpose may file a speaker form with Planning and Building Services Department staff at any time during the meeting and will be called to address the Commission during the Public Forum portion of the meeting.

Agenda Order: At the discretion of the Commission, items on the agenda may not be heard in the order they appear on the agenda.

Consent Calendar Items: In order to allow the Commission to complete their reviews within the time they have offered to serve, applications that are considered routine will be placed on the consent calendar with a staff recommendation to approve, conditionally approve, continue or hold the item over to a date certain. The Commission may act in one motion to adopt the staff recommendations on those items. Before voting on the consent calendar, the Chair will ask if any members of the public wish to speak on any of the items on the consent calendar. If you wish to speak on an item on the consent calendar, you need to rise and request that it be removed from the consent calendar. The item will then be discussed in the numerical order in which it appears. Items for which the recommendation is to hold the item over may not be removed from the consent calendar by members of the public. Staff and Commission members may also remove items from the consent calendar.

Public Meeting Procedure:
(1) Chair opens the meeting;
(2) City staff identifies project being reviewed and presents a preliminary analysis;
(3) Applicant explains proposal for up to five minutes;
(4) Members of the Public wishing to speak have up to two minutes each to express their viewpoint;
(5) Applicant may respond to specific allegations made for up to two minutes;
(6) The Commission may ask follow-up questions of any of the speakers;
(7) Hearing is closed;
(8) City staff presents its summary and recommendations;
(9) The Commission discusses the application and votes to recommend approval, approval in modified form, or denial of the application;
(10) The Chair informs the audience of the Commission’s action.

If all items are not completed by 9:00 pm, the items remaining will be continued to the next meeting unless the Commission votes to extend the meeting.
