NOTICE TO PUBLIC

Function of a Public Hearing: A public hearing enables the public to present relevant information, opinions and arguments on proposed Commission actions. A public hearing also informs the interested public about specific details of a proposal.

Speaker Registration: Persons wishing to speak on a particular item on the agenda shall file a speaker form with Planning staff PRIOR to the Planning Commission’s consideration of the item on the agenda. Once the discussion of the agenda item begins, no person shall be permitted to speak on the item other than those persons who have submitted their names to Planning staff. Your name will be called when the item is announced for discussion.

Consent Calendar: Items designated "CC" on the agenda will be considered immediately following the approval of minutes. No item that is being recommended by staff for denial will be placed on the Consent Calendar. CC items are considered routine and may be acted upon collectively by one motion adopting the Planning Department’s recommendation to approve, conditionally approve, or recommend approval to the City Council, unless a member of the public, the Commission, or its staff asks to remove an item to discuss it. Such action on CC items shall be deemed to satisfy any public hearing requirement so long as no one wishes to speak on the item before the consent calendar is adopted by the Commission. Before the Commission votes on the consent calendar, the Chair will ask if any members of the public wish to remove any item from the consent calendar. If you wish to speak on an item marked “CC”, you should rise at this time and ask that the item be removed. The item will then be discussed later in the meeting in its numerical order on the agenda and you will have an opportunity to address the Commission on the item at that time.

Public Hearing Procedure: (1) Chair opens the hearing; (2) City staff explains the application and presents a preliminary analysis; (3) Applicant speaks; (4) Proponents speak; (5) Opponents speak; (6) Applicant and proponents may rebut; (7) Opponents may also rebut; (8) City staff presents its summary and recommendations; (9) Commission discussion; (10) Hearing is closed; (11) Commission votes to approve, deny, approve in a modified form, postpone, or take the application under advisement; (12) Chair informs the audience of the Commission's action, outlines the appeal procedure, and indicates when this action becomes final. In the normal application, the initial speakers pro and con are limited to 10 minutes and all additional speakers have 3 minutes. Rebuttal is limited to one 2-minute speaker, pro and con. If there are 10 or more speakers who have signed speaker forms prior to the announcement of a normal application agenda item, each speaker, after the initial speaker, shall be limited to two (2) minutes. In non-application items, all speakers after the initial staff presentation have 5 minutes. If the Commission finds that it will not have sufficient time in which to complete the agenda, the Commission may continue a portion of the agenda to a subsequent Commission meeting and will attempt for the benefit of the public in attendance to do this at an early hour. If all items are not completed by 11:00 p.m., the Commission will continue the remaining items to another meeting, unless time is extended by a two-thirds majority vote of the Commission. In any event, it is the intention of the Planning Commission to conclude all public meetings by midnight.

**Public Forum - Brown Act**

Anyone who wishes to address the Commission on a topic of interest that is not already on the agenda must inform the Planning Department staff in writing prior to the start of Planning Commission meeting. A three-minute-per-speaker time limit shall apply.
Function of a Public Hearing: A public hearing enables the public to present relevant information, opinions and arguments on proposed Commission actions. A public hearing also informs the interested public about specific details of a proposal.

Speaker Registration: Persons wishing to speak on a particular item on the agenda shall file a speaker form with Planning staff PRIOR to the Planning Commission’s consideration of the item on the agenda. Once the discussion of the agenda item begins, no person shall be permitted to speak on the item other than those persons who have submitted their names to Planning staff. Your name will be called when the item is announced for discussion.

Consent Calendar: Items designated "CC" on the agenda will be considered immediately following the approval of minutes. No item that is being recommended by staff for denial will be placed on the Consent Calendar. CC items are considered routine and may be acted upon collectively by one motion adopting the Planning Department’s recommendation to approve, conditionally approve, or recommend approval to the City Council, unless a member of the public, the Commission, or its staff asks to remove an item to discuss it. Such action on CC items shall be deemed to satisfy any public hearing requirement so long as no one wishes to speak on the item before the consent calendar is adopted by the Commission. Before the Commission votes on the consent calendar, the Chair will ask if any members of the public wish to remove any item from the consent calendar. If you wish to speak on an item marked “CC”, you should rise at this time and ask that the item be removed. The item will then be discussed later in the meeting in its numerical order on the agenda and you will have an opportunity to address the Commission on the item at that time.

Public Hearing Procedure: (1) Chair opens the hearing; (2) City staff explains the application and presents a preliminary analysis; (3) Applicant speaks; (4) Proponents speak; (5) Opponents speak; (6) Applicant and proponents may rebut; (7) Opponents may also rebut; (8) City staff presents its summary and recommendations; (9) Commission discussion; (10) Hearing is closed; (11) Commission votes to approve, deny, approve in a modified form, postpone, or take the application under advisement; (12) Chair informs the audience of the Commission's action, outlines the appeal procedure, and indicates when this action becomes final. In the normal application, the initial speakers pro and con are limited to 10 minutes and all additional speakers have 3 minutes. Rebuttal is limited to one 2-minute speaker, pro and con. If there are 10 or more speakers who have signed speaker forms prior to the announcement of a normal application agenda item, each speaker, after the initial speaker, shall be limited to two (2) minutes. In non-application items, all speakers after the initial staff presentation have 5 minutes. If the Commission finds that it will not have sufficient time in which to complete the agenda, the Commission may continue a portion of the agenda to a subsequent Commission meeting and will attempt for the benefit of the public in attendance to do this at an early hour. If all items are not completed by 11:00 p.m., the Commission will continue the remaining items to another meeting, unless time is extended by a two-thirds majority vote of the Commission. In any event, it is the intention of the Planning Commission to conclude all public meetings by midnight.
