**Measure U Presentation**
Antonio Banuelos, Revenue Manager, City of Richmond Finance Department

Measure U is proposing a one-half cent sales tax to maintain and enhance essential city services, such as public safety, public health and wellness programs, city youth programs and street paving.

Every year a Richmond Community Survey is given to Richmond residents and the following question is asked, “How important, if at all, are the following issues for the City to address?”

The top survey results for the year 2013 are as follow:
Reducing Crime 96%
Addressing blighted properties 86%
Improving street paving conditions 86%
Developing job training opportunities 86%
Improving environmental quality 84%
Improving street and pedestrian lighting 80%

Sales Tax Exemption:
Food products sold in grocery stores, prescription drugs and certain medical supplies, energy utilities, certain alternative energy devices and supplies.
