RESOLUTIONS

A proposed resolution declaring The Canvass of Returns and Results of the General Municipal Election held on November 7, 2006, was presented. Diane Holmes, City Clerk, stated that this resolution is one that the Council adopts after the canvass of the election is certified by the County Elections Office. The resolution confirms the final results of the November 7, 2006 election. Mike Ali, Juan Reardon, Ken Nelson, and Darnell Turner gave comments. Ken Nelson, President of the Richmond branch of the NAACP, and Mr. Turner stated that during the last election there were many residents that appeared to have been disenfranchised as a result of consolidation of polling places. Many residents were not able to vote and changes in polling place locations may have disproportionately impacted minority voters. Mr. Nelson and Mr. Turner asked that adoption of this resolution be postponed until the Department of Justice has completed its investigation of these allegations. Councilmember Bates stated that the entire voting process was flawed and he is requesting that this matter be placed on the Public Safety Committee agenda with a report from the County Clerk. City Attorney, John Eastman, stated that members of the Council cannot be sworn in without the certification of the resolution declaring the canvass of returns. On motion of Vice Mayor Viramontes, seconded by Councilmember Thurmond adopted Resolution No. 141-06 and asked that the County Clerk be sent a letter asking for him to appear before the Public Safety Committee to discuss the election problems during the last election and that the Public Safety Committee bring back a list of recommendations to the City Council to move forward for Election 2008 and protest the process that occurred during the last election, by the unanimous vote of the Council. COUNCIL AS A WHOLE

The following resolutions were presented: Approve the “Scenario B” phasing option for the Civic Center Project, which
would complete the renovation of the City Hall and the old Hall of Justice (HOJ), the Civic Plaza, and certain improvements to the Auditorium meeting rooms and foyer areas, including a new City Council Chamber in the Bermuda Room and direct staff to implement the approved phasing option. Steve Duran, Community & Economic Development Director, stated that staff is asking the Council to approve Phasing Scenario ‘B’ and the above noted resolutions. The phase 1A contract of the Civic Center Project is a $10.4 million contract, including: completion of construction documents for Phase 1A and 1B and schematic design for Phase 2 and seismic, demolition, and water intrusion work on City Hall and old Hall of Justice.
