*ESTABLISHING PAYMENT STANDARDS

A PHA may establish the payment standard amount for a unit size at any level between 90 percent and 110 percent of the published FMR for that unit size. HUD approval is not required to establish a payment standard amount in the range (basic range).

*The above listed payment standards includes all utilities and represents the maximum amount the contract rent may be for each bedroom size indicated. Once a Request for Tenancy Approval (RTA) has been received the Assisted Housing Manager will negotiate the contract rent with the owner. The rents offered will be based on comparable rents for the area and the condition of the unit submitted on the RTA.
