CLERK OF THE HOUSING AUTHORITY
THE POLICY ON REPORTING SALARY EXPENSE INCURRED BY EMPLOYEES ASSIGNED TO THE RICHMOND HOUSING AUTHORITY AND FUNDED WITH FEDERAL FUNDS

This policy governs the reporting of “time” for employees assigned to positions at the Richmond Housing Authority (RHA) and funded by the federal funds from the Section 8 Voucher Program and/or Low Income Public Housing Program.

1. The Executive Director shall consider the function/duties of each position in the context of the Section 8 or Public Housing program.

2. The Finance Director shall allocate the applicable percent of salary of each individual employee to the Section 8 or Public Housing program to reflect the true operating expense of each program.

3. If the Executive Director changes the function/duties of an employee such that the allocation between the Section 8 and Public Housing Program is no longer accurate, the allocation shall be revised at mid-year or at the beginning of the next Fiscal Year, whichever occurs first.

4. In the event the Executive Director changes the functions/duties of an employee, assigning the employee to perform duties for or on behalf of another city department or program:
   
   a. If the assignment is expected to last more than 90-days, a budget revision shall be approved, allocating the appropriate portion of salary to an appropriate source;

   b. If the assignment is short term (less than 90-days), the employee shall submit a functional time-sheet each payroll period, documenting the actual hours worked on non-RHA activities.
THE POLICY ON CITY INVOICES FOR SERVICES PROVIDED TO OR ON BEHALF OF THE RICHMOND HOUSING AUTHORITY

This policy governs charges against Richmond Housing Authority accounts for services provided to, or on behalf of the Housing Authority, initiated by the City of Richmond. The policy further sets forth how such actions/activities will be approved and funded.

RHA’s Executive Director or his/her designee shall:

1. As early as possible in the process, consult with the City Manager as to the need for the good(s)/service, and any special considerations in the best interest of the Housing Authority.

2. To the extent possible, perform a cost benefit analysis to ensure the cost is reasonable, and the expenditure is in best interest of the Housing Authority.

3. Review the procurement, and confirm it is in accordance with HUD procurement rules and RHA’s procurement policy.

4. Discuss options for cost-sharing with the City of Richmond.

5. Confirm that the good(s)/service has been received, and was satisfactory.

6. Determine the appropriate allocation of cost to the Section 8 and/or Public Housing program.
