Mayor and Members of the City Council:

This is the report for the week ending February 16, 2018.

1. **Meeting Notes**

   The next City Council meeting is scheduled for Tuesday, February 20\textsuperscript{th}, beginning with Closed Session at 5:00 PM, followed by a Special Meeting of the Richmond Housing Authority at 6:25 PM, and then by the Regular Meeting of the Richmond City Council at 6:30 PM. The agenda may be found by clicking this link: [Richmond City Council Agenda Packet](#).

2. **Community Warning System Alerts**

   As previously noted in the city manager's weekly report, the Richmond community has experienced several events during the past weeks that have necessitated the activation of the Contra Costa's Community Warning System (CWS). We thought it important to describe this system for readers, once again, and provide information regarding how it works.

   The CWS is an all-hazards integrated system designed to warn and inform residents about an emergency or disaster, and the protective action that residents need to take to stay safe. The system is managed by Contra Costa County, and can be activated at the request of designated City of Richmond staff when circumstances arise.

   Generally, alerts will fall into one of several categories:

   - Level 0: On-site systems turned on. This is for information only.
   - Level 1: Situation occurring on-site; no health impacts. This is for information only.
   - Level 2: Situation occurring on-site; yet, may impact individuals with respiratory issues. Recommend individuals with respiratory issues to stay indoors.
   - Level 3: Situation impacting off-site area(s); health issue impacts. Shelter-in-place. (In addition to phone & email alerts, sirens sound—see Fact Sheet).

   There are several ways residents can receive CWS Alerts. For more information and to register for alerts, please visit [www.cococws.us](http://www.cococws.us). For a fact sheet on the program,

3. **Sitio Web de la Ciudad de Richmond Ofrece Traducción**

La ciudad de Richmond tiene un botón de "Traducir pagina" en su página web principal bajo "SITE TOOLS" (véase la ilustración abajo). El botón "Translate Page" también se encuentra en la parte inferior de la página principal (véase la ilustración abajo). Individuos pueden traducir la página a otros idiomas; también pueden traducir más documentos, incluyendo los programas de Ayuntamiento en un idioma preferido.

4. **Chevron to Host “Virtual Town Meeting on February 22nd**

One of the elements of the environmental mitigations for the Chevron modernization project is for Chevron to hold an annual Town Hall to update the community concerning safety improvements that Chevron has made to implement the recommendations that arose out of the various investigations following the August 6, 2012 fire. Similar to the past two years, Chevron will hold a telephone town hall to fulfill this commitment.

This year’s telephone town hall will be held on Thursday, February 22nd at 6:30 PM. To sign up, please go to http://richmondtownhall.com/.

5. **New Richmond Business, Food Service Partners, to Receive $1,600,000 in State Incentives**
FoodService Partners (FSP) is a privately held company created in 1998 to design, build and operate high volume central production kitchens for the healthcare industry. FSP currently serves 33 hospitals and long-term care facilities in California and Virginia and another 15 in New York City. Out of its central production kitchen in South San Francisco, FSP produces and delivers all of the patient meals for 22 medical centers operated by one of the leading providers of quality health care in the country, a total of close to 7,000 meals a day. FSP also produces meals and meal components sold by retail outlets and catering companies in the Bay area and beyond.

In 2017, FoodService Partners leased a 102,000 square foot industrial building on Cutting Boulevard in Richmond to expand their growing food service business. They are investing $15 million at the facility to make it a state-of-the-art food preparation and distribution center, creating 225 new full-time union jobs over the next five years. FSP has already hired 20 full-time employees from Richmond, and is training them in their existing South San Francisco location. They have focused their hiring outreach through a partnership with RichmondWORKS, the City’s employment development arm of the City.

The City of Richmond Economic Development division and Employment and Training Department introduced FSP to the State of California sales tax and hiring credit incentives programs for businesses located in a State Designated Geographic Area (DGA) like Richmond. We recently learned that FSP has been awarded sales and use tax credits and new employment hiring credits totaling $1,600,000 from the following state departments and agencies:

- $750,000 Sales and Use Tax Abatement from California Energy and Transportation Finance Authority, based on the company purchasing $8,500,000 of qualified equipment and improvements tied to energy efficiency;

- $350,000 On The Job Training and Wages Reimbursement from the California Manufacturers and Technology Program - Employment Training Panel, based on a contract to hire 225 Richmond residents over five years; and

- $500,000.00 - Sales and Use Tax Abatement from the State of California Franchise Tax Board - Go-Biz, California Competes.

The state programs are focused on hiring local residents, job training programs, wages and benefits, upward mobility in the company and all aspects of commitment for long term economic, social, environmental impacts and success in the community.

Congratulations to FoodService Partners, an outstanding local business partner, for receiving these well-earned business incentives.
For more information on the State’s hiring credits and sales tax incentives, contact Janet L. Johnson, Economic Development Administrator at (510) 307-8131 or janet_johnson@ci.richmond.ca.us.

6. RichmondWORKS Accelerating Career Through Essential Skills (ACES) Academy

Looking After Firefighter Health: Diesel Exhaust Filter Systems

Studies have shown that inhaling vehicle exhaust fumes can cause or contribute to serious illnesses (emphysema, cancer, heart attack, and stroke) and even death for firefighters who work and eat and sleep in the firehouse. The exhaust from engines burning diesel fuel is a complex mixture of gases and fine particulates, and contains harmful substances that can disperse into our firehouses. Exhaust residue adheres to walls and other surfaces, and becomes embedded in clothing and furniture, where it might be absorbed through the skin.
Over the last three years, the Richmond Fire Department (RFD) has completed the installation of diesel filter systems for all of its fire companies and spare apparatus. The goal is to prevent and reduce inhalation exposures to our firefighters, including their living and sleeping areas, in compliance with the National Fire Protection Association standard.

8. **City Manager Chronicles**

I have listed below some of the topics for meetings that I attended during the past week in the hope that it provides an idea of the varied issues with which our organization deals routinely.

Meetings and events of note during the past week included:

- Attended the “kick-off” meeting for preparing the FY 2018-19 budget, organized by the Finance Department budget team and attended by department representatives;
- Met, together with Economic Development Manager Janet Johnson, with Sarah Walle of FoodService Partners (see item [4] above);
- Met, together with Employment and Training Director Sal Vaca, with representatives from the Building Trades to discuss development of a standard Project Labor Agreement for the City of Richmond;
- Met with representatives from HUD (US Department of Housing and Urban Development) Region 9 to discuss the Richmond Housing Authority status;
- Met with representatives from Sims Metal Management to discuss the recent fire at their facility;
- Met with West Contra Costa Unified School District (WCCUSD) Superintendent Matt Duffy and members of his staff, representatives from New West Development, Planning and Building Services Director Richard Mitchell, Planning
Manager Lina Velasco, and Senior Management Analyst LaShonda White, to discuss teacher housing incentive programs;

- Attended my monthly “check-in” meeting with WCCUSD Superintendent Matt Duffy;
- Met with Jaime Rojas, representing the National Association of Tobacco Outlets, along with Deputy City Attorney Shannon Moore, to discuss the proposed changes to Richmond’s tobacco retail regulations;
- Met with representatives from Laconia Development, along with Planning and Building Services Director Richard Mitchell, Planning Manager Lina Velasco, City Attorney Bruce Goodmiller, Deputy City Attorney Carlos Privat, and consultant Alan Wolken, to discuss the status of their project;
- Participated in a conference call with the West County city managers and RecycleMore Executive Director Stan Hakes to discuss the RecycleMore reserve policy study;
- Made a presentation to the Contra Costa Association of Realtors Marketing/ Education Committee regarding development activity in Richmond;
- Met, together with Finance Director Belinda Warner, with representatives from Barclay’s Bank to discuss the status of the City’s debt instruments;
- Participated in a conference call with consultants regarding Enhanced Infrastructure Financing Districts, along with Economic Development Manager Janet Johnson, Finance Director Belinda Warner, and Community and Economic Development Director Shasa Curl; and
- Met with staff from the City Manager’s office and Planning Department to discuss the City’s air quality monitoring systems.

These meetings were in addition to attending the regular management staff meeting, agenda planning, reviewing staff reports to the City Council, doing department head “check-ins,” having discussions on various personnel matters, and having short discussions with staff, community members, members of the press, etc.

9. **Fiscal Year 2018-2019 ECIA Grant Program Applications are Available**

In 2014, the Richmond City Council approved the Chevron Environmental and Community Investment Agreement (ECIA), which invests $90 million dollars into the Richmond community over 10-years. $6 million of those dollars have been set aside for a competitive grant program, designed for non-profits who serve Richmond in the areas of community, youth, and youth sports. The ECIA has grant awards that range from $2,500, up to $50,000.

Important changes have been made to the grant guidelines, especially the eligibility criteria, so please read them carefully. Of special note, organizations awarded grants of more than $10,000 in FY 17-18 and governmental entities are ineligible to apply in FY 18-19.

To kick-off this opportunity, the City has scheduled two (2) Information and Grant Writing Workshops* to be held on:
- Tuesday, February 20th, from 6:00 PM to 8:00 PM (Multi-purpose Room)
- Tuesday, February 27th, from 10:00 AM to 12:00 NOON (Council Chambers)

*Both events will be held at 440 Civic Center Plaza, Richmond 94804.

Please RSVP for the upcoming workshops at: https://fundraise.richmondfcf.org/richmond/events/richmond-ecia-capacity-building-workshops-2018/e168832

To access the ECIA Grant Application, Guidelines, and more check out the ECIA Grants webpage: www.ci.richmond.ca.us/eciagrannts

ServiceWorks Richmond – Volunteers Needed
ServiceWorks, in conjunction with the City of Richmond Community Services Department, Points of Light, AmeriCorps and Citi Foundation, is actively recruiting volunteers to assist with groundbreaking programming. The program’s primary goal is to engage young adults (16-24 years of age) and bring educational modules that drive skill building, volunteering, and success coaching as strategies to help address barriers to youth economic opportunity.

The program offers the opportunity for participants, also known as Service Scholars, to gain valuable college and career experience to which they may not have easy access. Through developing their own service projects and team exercises, Service Scholars will have the opportunity to gain a range of skills.

Volunteers are vital to the success of this program. We are looking for all who wish to make a positive impact on the lives of the youth within our community. Whether it is for a week, a day, or even just a few hours in a month, you can help empower the service scholars to face any obstacle that they may block their path towards sustainable community development.

ServiceWorks gives youth the keys to unlock their future; we are looking for volunteers who will give them the means to open the door.
Highlights

Black History Month Celebration
On Saturday, February 3rd, the Richmond Community Services Department hosted its annual Black History Month Celebration, honoring Richmond’s young, gifted, and talented youth. The celebration took place at the Richmond Auditorium and had a turnout of seventy-five people. The evening started with the Black National Anthem followed by dinner and a speech by Mr. Demnlus Johnson III. The celebration was packed with local talent ranging from Richmond High School’s majorettes and spoken word by Ms. Chisom Nwadike. The East Bay Center for the Performing Arts also performed West African drumming and dancing to grace the event. All the Richmond students received Kente Cloth for their dedication to learning and investing in their personal success.

Finally, Jerry Anderson, Jerold Hatchett, and Sims Thompson were awarded certificates of appreciation for their outstanding services to the Richmond Community. Congratulations!

For more information, please contact: Nicholas Delgado (510) 621-1834, or email: Nicholas_Delgado@ci.richmond.ca.us.
Valentine’s Day at Richmond Swim Center
This week we celebrated Valentine’s Day at RSC by wearing the heart-shaped antennae that one of our regular patrons brought to share with the lifeguards. Our big-hearted lifeguards willingly participated to the enjoyment of those who were at the pool.

Lifeguarding Class During Presidents’ Week Break
For those who have passed the pre-course test, new lifeguard candidates will begin learning the skills and information that is needed to get certified as a lifeguard. Our hope is that many of the candidates will be going through this training to eventually serve our community and work at the City of Richmond pools. The course begins February 16th and ends February 24th. Those who swim at the Richmond Swim
Center will likely see them in their “classroom” setting and occasionally practicing their in-water rescues.

Disabled People’s Recreation Center
Clients from the Adult Morning Program at Disabled People’s Recreation Center cooked up an amazing beef stroganoff. The day began with a short grocery trip to Safeway, prepping the kitchen, and cooking up a storm. After the delicious meal, they cleaned up and took a well-deserved break and reflected on their experiences from the day.

Later that Friday, the DPRC, along with Friends of Disabled Children Inc., hosted the annual Valentine’s Dance. Participants were lined up at 6:30 PM to come dance the night away with their friends and sweethearts. The music videos were so much fun to watch and dance to, and everyone had a great time.

KCRT DATANET OF THE WEEK
15. I-80 Central Avenue Operations Improvement Project (I-80 and Central Avenue)

Ghilotti Brothers removed and replaced two of the curb ramps on the south side of Central Avenue at Rydin Road, and installed two new curb ramps on the north side of Central Avenue at the I-80 interchange.

For more information, please visit the project webpage at: www.ccta.net/projects/project/36, or call Community Outreach Representative Jacqueline Majors at (510) 882-1603; or email: I80CentralAve@gmail.com

16. Engineering/CIP Departments

Engineering Projects:
The Richmond Ferry Project started with the driving of the pier piles, and clearing and grubbing of the existing parking lot.
The Carlson Boulevard Improvements Project is progressing well. Construction of ADA ramps along the corridor continues.
Streets Division:
Paving crews ground and paved 11th, 12th and 13th Streets from Chanslor Avenue to End South and worked from the outstanding pothole list in various locations around the City.
Street sweeping staff performed residential sweeping services for the second Monday through Wednesday, and third Thursday and Friday in the May Valley, Vista View, Clinton Hill I, Clinton Hill II, Clinton Hill III, Atchison Village, South Belding Woods, Santa Fe, Coronado, Marina Bay and Point Richmond neighborhood council areas.

    Signs and Lines repaired 13 signs and poles, installed 11 new signs, and installed raised pavement markers on Tewksbury Avenue in Point Richmond.

17. **Infrastructure Maintenance and Operations**

**Abatement:**
Abatement crews boarded up a private property, cleaned the sidewalks at the I-80/Central Underpass, removed a homeless encampment, continued removing tons of illegal dumping, and removed graffiti throughout the City.
Clean and Board-Up
Homeless Encampment Clean-up

Illegal Dumping
Code Enforcement:
The entire Department of Infrastructure Maintenance and Operations is extremely proud of our very own Code Enforcement Officer Kevin Tisdell. While at Civic Center Plaza, Officer Tisdell witnessed a tree and pick-up truck catch on fire. Officer Tisdell sprang into action and alerted several occupants of the apartment complex near the fire, assisting in their evacuation prior to the building catching fire. Thanks to his heroic act, no one was injured during the incident.
Code Enforcement Officer Souza received several complaints regarding illegal dumping in the Target parking lot. Officer Souza sent a notice of violation letter to the Target corporate office and the issue was quickly resolved.
Facilities Maintenance Division:
Carpenters completed furniture assembly at 440 Civic Center Plaza, re-keyed doors and cabinets in City Hall, and are now planning the re-keying of the YouthWorks area.
Painters continued with the painting of the exterior of the Dispatch Center and chalkboards for a Community Services Department project.
Stationary Engineers conducted daily building and pool checks, replaced a faucet in the Employment and Training building, repaired the ice machine at the Corporation Yard, fixed the dehumidifier and replaced air filters at the Recreation Complex, replaced the thermostat at the Shield Reid Community Center, issued keys for the Richmond Promise office area, cleared the Family Justice Center mechanical room, and repaired the refrigerator in the Human Resources area.

Utility Workers cleaned the carpets of the stairs in the Auditorium, set-up various rooms for events, completed set-up for the Council Chambers, and maintained 29 City-owned facilities.
Parks and Landscaping Division:
General maintenance crews weeded and trimmed around the Communications Center, picked up trash on the Greenway, removed infield grass and pitcher’s mound at Nicholl Park, repaired the irrigation at Rain Cloud Park, and built a new box to drag the baseball fields.
Dispatch Center Maintenance

*Hilltop District* crews continued maintenance around Hilltop Mall business area, completed irrigation installation at Vista Del Mar Park, started a planting project at Vista Del Mar Park, and started weed abatement on Blume Drive.

![Blume Drive](image)

Marina District crews used a tractor to remove vegetation along the beach area, moved mulch to planter beds, and continued weed abatement along the Bay Trail.
Feel free to contact me if you have any questions or comments about these or any other items of interest to you.

**Have a great week!**
