When Do I Call The Police?

Timely reporting saves lives.

Using Dispatch
- Report an emergency or crime in progress on a landline 911
- Report an emergency or crime in progress on a cell phone – Use the non-emergency line, (510) 233-1214 and press 0
- Report Suspicious Activity - Example: Someone peering into a car window (510) 233-1214
- Pre-program Dispatch in your cell phone.

When you get Dispatch
- If you speak another language, let the dispatcher know and you will be transferred to the language line.

Remain Calm as possible.

Information Most Often Needed by Police
- What Happened?
- When?
- Where?
- Anyone Injured?
- Vehicle Plate
- Vehicle Description
- Direction of Travel
- Description of Persons (including clothing and/or how many)

Anonymous Reporting
DIAL 911 or (510) 233-1214 press (0)

Tell the dispatcher, “I want to remain anonymous. I don't want an officer to come to my house.”

You may choose not to leave your name, but leave a contact number with the dispatcher, should the officer need more information.

Officers cannot arrest based on hearsay, so remember if you remain anonymous we may be more limited in some actions we can take.

Neighborhood Canvassing.
Please note, that often RPD will canvass the neighborhood after a crime and knock on doors. It does not mean they are singling you out for reporting.
We have noticed an increase in street robberies. The thieves appear to be looking for cellular phones, and electronics. The good news is by using good crime prevention practices, you can reduce the chances of being a victim of robbery.

While Walking

- Walk in lighted areas that are populated
- Be extra vigilant walking to or from BART
- Keep personal property in pockets not out where it is visible
- Don’t walk and text/talk on cell phones
- Avoid playing loud music in your headphones, preventing hearing
- Be aware of your surroundings

For Businesses

- Invest in good surveillance equipment and an alarm
- Pay attention and call the police when you see suspicious activity
- Vary your patterns, and have more than one person open and close
- Do NOT keep large amounts of cash on hand/in safes or registers
- Post signs that state, “Large quantities of cash are not stored on the premises”
- Post signs that state that surveillance is in effect

You can report anonymously. Call non-emergency (510) 233-1214 press #0 for suspicious activity, or call 911 for calls in progress.
Hemos notado un aumento en robos callejeros. Los ladrones parecen estar buscando teléfonos celulares y electrónicos. La buena noticia es que al utilizar buenas prácticas de prevención del delito, puede reducir las posibilidades de ser víctima de un robo.

Mientras camina

- Caminar en áreas iluminadas que están pobladas
- Sea más vigilante caminando hacia o desde BART
- Mantenga la propiedad personal en bolsillos, no donde sea visible
- No camine y envíe mensajes de texto o hable por teléfono celular
- Evite escuchar música a alto volumen en sus audífonos, evitando el escucha
- Ten cuidado a tu alrededor

Para negocios

- Invertir en un buen equipo de vigilancia y una alarma
- Presta atención y llama a la policía cuando veas actividad sospechosa
- Varíe su prototipo y haga que más de una persona abra y cierre
- NO guarde grandes cantidades de efectivo a mano / en cajas fuertes o registros
- Coloque carteles que indiquen que "grandes cantidades de efectivo no se almacenan en las instalaciones"
- Publicar carteles que indiquen que la vigilancia está en efecto

Puede informar anónimamente. Llamadas de no emergencia al (510) 233-1214, presione #0 para actividad sospechosa, o llame al 911 para llamadas en progreso.
Bridge Storage and ArtSpace will welcome artists and makers back when we launch in May as a co-working space. We will have space for remote office workers, artists and makers, plus the painting studio, wood shop or metal shop. We also have several meeting rooms for in-person meetings or video conferencing, and some opportunities for semi-private or private studio spaces. Stay tuned for more information! Bridge FilmSpace has launched, the East Bay’s newest filmmaking studio - a 30’ by 50’ stage with chroma key cyclorama. We are actively booking shoots in the studio and gearing up to offer film equipment rentals. The Bridge Gallery is taking bookings as a venue rental for private events May 2018 and beyond. The 2200 square foot space has natural light, track lighting, and includes amenities such as an a/v system, 8’ and 6’ tables, 30 folding chairs, plus a moveable seating area with couches, and more. If you’d like to rent the gallery for your private event, give us a call! For information on any of the above programs or services, please contact Iris AlRoy iris@bridgeartspace.com

As an agency, we are taking an active stance against sideshow activities, and we are encouraging residents to call our Communications Center when they see the aforementioned unsafe and illegal incidents. The Department has set up an email link to report these activities and send photos/videos of the cars involved via email to – RPDStopSpeed@Richmondpd.net
LIGHT 'EM UP, PAY UP.

ILLEGAL FIRE WORKS?
$1,000 and up.

Illegal fireworks are dangerous. They cause fires, injuries, and trauma to veterans and pets. Possession of illegal fireworks is a CRIME punishable by a $1,000 fine. Is it worth it?

Celebrate Responsibly. Visit legal displays.
