2. **Upcoming Events**

**PG&E Public Safety Power Shutoff (PSPS) and Fire Season**

Currently, we are in the midst of fire season until November 2019. To prevent potential wildland fires such as 2018’s Camp Fire in Butte County and the 2017 Northern California Wine Country Fires, Pacific Gas & Electric Company (PG&E) is educating the public on the potential for Public Safety Power Shutoffs.

**What is a Public Safety Power Shutoff (PSPS)?**

As part of PG&E’s Community Wildfire Safety Program, PSPS are precautionary measures to help reduce the risk of wildfires. If gusty winds and dry conditions, combined with a heightened fire risk, threaten a portion of the electric system service our community, it may be necessary for PG&E to turn off electricity in the interest of public safety.

For more information about PG&E’s Public Safety Power Shutoff program, visit: [PG&E Webpage Public Safety Power Shutoffs](#).

**Criteria for determining a public safety power shutoff:**

<table>
<thead>
<tr>
<th>While no single factor will drive a Public Safety Power Shutoff, some factors include:</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>A RED FLAG WARNING</strong> declared by the National Weather Service</td>
</tr>
<tr>
<td><strong>LOW HUMIDITY LEVELS</strong> generally 20% and below</td>
</tr>
<tr>
<td><strong>FORECASTED SUSTAINED WINDS GENERALLY ABOVE 25 MPH AND WIND GUSTS IN EXCESS OF APPROXIMATELY 45 MPH</strong>, depending on location and site-specific conditions such as temperature, terrain and local climate</td>
</tr>
<tr>
<td><strong>CONDITION OF DRY FUEL</strong> on the ground and live vegetation (moisture content)</td>
</tr>
<tr>
<td><strong>ON-THE-GROUND, REAL-TIME OBSERVATIONS</strong> from PG&amp;E’s WSOC and field observations from PG&amp;E crews</td>
</tr>
</tbody>
</table>

When the above criteria are met, PG&E will provide notification to power customers of a power shutoff:

- Forty-eight (48) hours prior to shut-off.
- Twenty-four (24) hours prior to the event
- One-hour (1) hour prior to a power shutoff event.

The reason for multiple notifications is due to rapidly changing conditions that may change the location of a power shutoff event.

**How do you prepare for a PSPS?**
California energy companies created a website our community can visit to learn how to prepare for power shutoffs, visit: PrepareforPowerDown website in which information is available in English, Spanish, Chinese, Vietnamese and Korean.

Preparedness steps include:

- Update your contact information with PG&E (pge.com/mywildfirealerts or call 1-866-743-6589)
- Plan for any medical needs
- Keep a hard copy of emergency phone numbers on hand
- Know how to manually open your garage door
- Build or restock your emergency kit
- Ensure any backup generators are ready to safely operate
- Designate an emergency meeting location
- Consider stay with a friend or relative, if necessary, during an outage.

**Consider Voting By Mail**

The Contra Costa County Elections Division is reaching out to voters who are currently registered as polling place voters. They are encouraging voters to consider the merits of requesting their ballot at home, as this may be a more convenient option for you. Part of the reason they are reaching out is that there is a new state law that took effect beginning this year that no longer requires postage for return ballot envelopes. Contra Costa County also has close to 40 ballot drop off boxes available countywide, including a dozen that will be available on a 24/7 basis. A permanent ballot drop off box will be located at Richmond City Hall - 450 Civic Center Plaza nearest the City Council Chambers parking lot.

Receiving your ballot by mail provides individuals with more flexibility than having to go to your set neighborhood polling place on just one day. It also allows individuals to vote comfortably wherever they choose and gives them more time to study the issues on increasingly-complex ballots at their leisure. There are a variety of ways to return a completed ballot envelope, including dropping it off at neighborhood polling place on Election Day.

The Contra Costa County Elections Division has made it easy to switch. Simply send an email to Ballot@vote.cccounty.us. Subject: “I want to Vote By Mail.” Please include your Name, Date of Birth, Residential Address and Mailing Address in the body of the email. You can also call the Contra Costa County Elections Division at (925) 335-7800 to make your request over the phone.

**Richmond Government Alliance on Race and Equity Community Forum**

On Tuesday, October 29, 2019, Richmond residents and community organizations were invited to provide input on the City of Richmond’s Racial Equity Plan draft. Members of the Richmond Government Alliance on Race and Equity (GARE) Team facilitated discussion groups on proposed action items to improve racial equity in Richmond. There were approximately 35 community members and leaders who came to share their unique experiences and insight through government and community collaboration. Two of our attendees included District Attorney Diana Becton and School Board Member Consuela Lara. Our City of Richmond team will continue to interface with the community to inform them of future events and next steps. A continued focus on providing communication, accessibility options, and joint efforts between the city and community will lead to a better understanding of how to achieve racial equity within Richmond. Visit [http://www.ci.richmond.ca.us/3701/GARE](http://www.ci.richmond.ca.us/3701/GARE) for information about GARE.
5. **City Manager's Chronicles**

The last few weeks, I described the City’s need to reorganize itself and noted that the matter would be heard by the City Council at its Tuesday meeting. Well, the Council did hear the item and largely encouraged the City Manager’s Office to go ahead with the plan as drafted and consolidate the city’s organization into eight departments. The support from the City Council for the program was gratifying, as has been the support from management and union leaders. So now the work begins!

As a starting point, we’ll need eight department heads. Some of those positions, namely Police, Fire, Information Technology, are already occupied. Five other department head positions, however, are not and will need appointments. To fill those jobs, the City will conduct an internal recruitment wherein any employee can apply. The final selection will be made by the City Manager.

The positions that will be open in the internal recruitment are:

- Deputy City Manager for Economic Development
- Deputy City Manager for Internal Services
- Director of Library and Community Services
- Director of Public Works
- Community Development Director
The recruitment will open next Wednesday, October 30th and close on Thursday, November 15th. Employees interested in applying must complete an **Internal Job Application Form** which is available from Donna Newton in the Human Resources Department. Interviews for the positions will take place in late November, with the goal to announce appointments before the year-end holidays.

If you have any questions, please send them my way via steven_falk@ci.richmond.ca.us.

**All Richmond Residents Invited to Participate in 2019 Survey Online**

Every two years since 2007, the City of Richmond conducts a community survey to help the City evaluate services, measure resident satisfaction with current services, and to help plan for Richmond’s future.

During the months of July and August 2019, 3,000 randomly selected households were asked to participate in the 2019 Richmond Community Survey. Residents who received a mail survey are encouraged to complete and return it as soon as possible or complete the survey online using the URL provided in the cover letter attached to your mail survey.

Richmond residents not randomly selected to participate in the survey still have an opportunity to have their opinions heard. The community-wide version of the survey is now available online at [http://bit.ly/2019richmond](http://bit.ly/2019richmond) in Spanish and English. The deadline to participate in the online opt-in survey is **Wednesday, November 13, 2019**.

Resident participation in the survey is very important and we look forward to hearing from you! Contact (510) 620-6828 if you have any questions or need a paper copy of the survey.

Career Coffee Chats – Mentor a Richmond Promise Scholar!

Richmond Promise invites you to become a part of our new career-exploration program, Career Coffee Chats! This program provides Richmond Promise Scholars and alumni access to professionals in their perspective fields to conduct informational interviews in order to gain industry knowledge, build a professional network, and discover potential internship and employment opportunities. In order to formally launch the program in December, our goal is to recruit at least 30 professionals who are interested in becoming available for informational interviews. There is no long-term commitment and individuals choose their own availability. The application can be found at bit.ly/RPCoffee. Feel free to share company-wide and with your networks!

Support the Richmond Promise at Promisenet 2019!

The Richmond Promise is thrilled to be hosting the PromiseNet 2019 national conference in partnership with Contra Costa Community College District and UC Berkeley Division of Equity and Inclusion.

The two-day conference, Bridges to Opportunity, held November 4th & 5th at UC Berkeley, will build on more than a decade of PromiseNet convenings and bring together hundreds of mission-aligned education and civic leaders, policy makers, practitioners, philanthropists, and researchers from across the country. Among many highlights, Mayor Butt will join regional Mayor’s including Mayor Libby Schaaf of Oakland, in the featured Day 1 plenary “Cities of Promise” moderated by the former Governor of Michigan, Jennifer Granholm.
Since the first PromiseNet was held in Kalamazoo in 2008 these gatherings have sparked ideas, energy and action to strengthen and build the Promise movement. We anticipate 400-500 attendees, including regional Promise initiatives such as Berkeley, Oakland, San Francisco, Stockton, and Richmond that collectively support thousands of Bay Area students through post-secondary degrees and into the workforce each year.

We hope to have strong Richmond and West County representation. Listen to this message from our Scholars, and confirm your spot and RSVP Today!
