- What are the determinants of health? Juliana Oronos (5 mins)
- Roadmaps to Health Clip (5 mins)
- Next Steps and Questions, All (10 mins)

**2005:** Richmond's Community Health and Wellness Element (HWE) is first conceived. Once completed, the HWE will become the first standalone element in a CA jurisdiction's General Plan that addresses the relationship between public health and the jurisdiction's social, economic, and physical environments

**2008:** City launches HWE implementation planning and pilots in Iron Triangle and Belding Woods neighborhoods. 4 focus areas identified: 1) citywide policy and systems implementation; 2) neighborhood improvement strategies; 3) data collection, indicators developments, and measurement of success; and 4) community engagement.

**July 2009:** City began planning with project partners to identify needs and opportunities for collaboration. Partners included Contra Costa Health Services, MIG, and PolicyLink

**Oct 2009:** First community workshops are held in pilot neighborhoods to get input on potential improvement projects, programs, and services that would address health outcomes

**April/May 2011:** The City releases report summarizing recommendations for selection of indicators and implementation of data and info tracking systems

**April 24, 2012:** Richmond City Council adopts the 2030 General Plan and the Health and Wellness Element

## City of Richmond Community Health & Wellness Element Implementation (2005-ongoing)

## Building Healthy Communities Initiative: Healthy Richmond Project (2010-2020)

**Spring 2009:** TCE selects Richmond as BHC project site; convenes a community-wide Steering Committee to manage planning process

**July 2009-Nov 2010:** Planning phase – Steering

Committee interviews hundreds of local stakeholders to explore health equity issues related to TCE's 10 outcomes; creates Logic Model focusing on 4 priorities:

- Families have improved access to a health home that support healthy behaviors
- Children and their families are safe from violence.
- School and neighborhood environments support improved health and healthy behaviors.
- Community health improvements are linked to economic development.

**Feb 2011:** LISC/Community Housing Development Corp. is chosen to serve as Hub Host

**Oct 2011:** Hub Steering Committee is convened; comprised of 25-members including community residents, CEOs, faith-based orgs, health systems, and public agencies and institutions

**May 2012:** HIAP subcommittee is convened; led by City of Richmond & Prof. Jason Corburn

**June 2012:** Health Equity Data, Training, and Report Card subcommittee is convened; led by CCHS

**Sept 2012:** FSCS subcommittee is convened; led by WCCUSD

**Oct 10, 2012:** FSCS resolution approved by WCCUSD Board

## Richmond Health Equity Partnership (Feb 2012-Jan 2014)

**Feb 2012:** TCE approves RHEP work plan. Objective: Develop a collaborative partnership between City of Richmond, Contra Costa Health Services, West Contra Costa Unified School District to advance health equity for children and families in Richmond through the development of a Health In All Policies (HIAP) strategy, Full-Service Community Schools (FSCS) strategy, and a Health Equity Report Card to create a model for duplication in other cities and areas of West Contra Costa County
