What are Community Schools?

Focus
- Academics
- Health and Social Services
- Youth and Community Development & Engagement

Purpose
- Improved Student Learning
- Stronger Families
- Healthier Communities

Community Schools
- Place
- Set of Partnerships
WCCUSD envisions a school district that:

• continuously sets and meets high expectations;
• embraces challenges and innovative solutions;
• supports its teachers and employees whole-heartedly;
• builds a community with shared values and buy-in; and
• above all, prepares every student to succeed in all facets of education and life.
Why Community Schools?

Conventional School Model
