**RICHMOND - ECIA COMMUNITY GRANT PROGRAM**  
**FY 2020-2021 GRANT APPLICATION GUIDELINES**

**ECIA BACKGROUND**

On July 29, 2014, the Richmond City Council approved the Chevron Environmental and Community Investment Agreement (ECIA), which will invest \$90 million dollars to the Richmond community over 10-years. The ECIA includes investments in community programs, a scholarship program, competitive community grants, community-based greenhouse gas reduction programs, and a photovoltaic solar farm.

The ECIA specifies the amount and disbursement timeline of Chevron's funding obligation, as well as funding allocations over a ten-year period (beginning in 2016) for the following programs:

- Scholarship program - \$35 million
- Electric City and Easy Go - \$18 million
- Roof-top solar, energy retrofit, zoning ordinance update - \$6.25 million
- Job training program - \$6 million
- **Competitive grant program - \$6 million**
- Transportation and transit programs - \$2.75 million
- Public safety programs - \$2 million
- Urban Forestry - \$2 million
- Free internet access - \$1 million
- Climate Action Plan - \$1 million

It is proposed that \$600,000 is allocated for the FY 2019-20 grant cycle.

It is the goal of the Richmond City Council to provide opportunities for organizations with varying capacities and financial needs to have access to ECIA grant funds. ECIA grant funds are awarded on an annual basis and therefore, organizations should not become reliant on this funding source. All Richmond-serving non-profit organizations are eligible to apply for funding; however, in an attempt to fund a variety of organizations, the City Council would like to allocate the majority of the available grant funding to organizations that have smaller annual budgets, greater needs for capacity building and limited staffing, and that might not have access to other forms of funding.

## **ELIGIBILITY REQUIREMENTS**

Organizations must meet the following conditions to be eligible to apply for a grant:

- Provide services focused on the community, youth and/or youth sports to Richmond and North Richmond residents
- Operate as a non-profit entity with 501(c)(3) tax status with current financial statements (i.e., Filed I.R.S. Form 990 or 990-N or current audited financials). Fiscal sponsors can be used.
- Provide services to Richmond residents (Richmond-serving)
  - A minimum of 80% of the organizations proposed grant-funded programs/services must be provided to Richmond residents. If awarded an ECIA grant, grant funds can only be spent serving Richmond residents.
- Did not receive an ECIA grant award of more than \$10,000 during the previous (FY 2019-20) ECIA grant cycle

## **FISCAL SPONSORSHIPS**

What types of organizations should utilize a fiscal sponsor?

- A non-governmental organization (sponsoree) that does not have 501(c)(3) tax status must utilize a fiscal sponsor to apply for this grant. It is the sole responsibility of the sponsoree to find an organization with 501(c)(3) tax status that is willing to serve as a fiscal sponsor.

What is fiscal sponsorship?

- Fiscal sponsorship allows organizations without 501(c)(3) tax status to apply for the ECIA grant, as well as other grants that require an organization to have such status.
- A fiscal sponsorship agreement should be entered into between the sponsoree and an organization that has 501(c)(3) tax status.
- The fiscal sponsorship agreement allows the sponsoree to raise tax-deductible contributions through grants and individual donations.
- Tax-deductible funds are given to the fiscal sponsor and restricted to the use of the sponsoree.

How does a fiscal sponsorship work for the ECIA grant process?:

- The fiscal sponsor will serve as the applicant. Fiscal sponsors will enter into a grant services agreement with the City of Richmond and must meet all requirements and submit all required documents.
- A signed agreement between the sponsoree and fiscal sponsor must be included in the submitted application. The organization actually implementing the program and performing the services will act as the sponsoree or fiscal sponsor's sub-grantee.
- Fiscal sponsors can also apply for grants.
- In addition to requesting funds for its own purposes, organizations may also act as a fiscal agent for other organizations.

## **COLLABORATING ORGANIZATIONS**

Through this grant program, the City strongly encourages applicants to collaborate with other organizations. Collaboration is a mutually beneficial relationship to meet a common goal. Collaboration can come in many forms, from information sharing to joint programming. It can help organizations reduce redundancy in service sectors, leverage resources, share strengths, and increase efficiencies.

For purposes of this grant, when partnering with another organization, the application and budget of the lead organization will be considered for review and determination of funding. Therefore, the partnering organization is free to apply independently for funding for another project or program.

If the successful implementation of your proposed ECIA grant-funded program is dependent on the collaboration with a governmental entity (i.e., state, county, city, school district, etc.), then a written agreement authorizing the collaborative relationship must accompany your grant application. At a minimum, the agreement should contain the following information: names of the government entity(ies) or agency(ies) which will participate in the collaboration, contact information for the partner(s), and a description of

the primary purpose of the collaboration. For example, if the implementation of your proposed program is contingent upon working at a school in the West Contra Costa County Unified School District or utilizing space at a Richmond recreation center, then a letter from the collaborating entity must agree to the proposed partnership.

## **APPLICATION REVIEW AND SELECTION PROCESS**

The City's overall objective is to award grants to highly qualified organizations that provide needed services to Richmond and North Richmond residents. Within this overall objective, it is also the City's intent that the selection process is fair and transparent. Applications will be evaluated and scored by a City Council-approved ECIA Grant Review Panel (Review Panel) consisting of no more than five (5) individuals residing in or employed in Richmond (not City of Richmond employees).

The selection process is divided into the following steps:

1. Applications are received by the due date.
2. All applications are reviewed in depth by City staff for responsiveness, completeness, and satisfaction of eligibility requirements. Based on this review, eligible claims will proceed to the application evaluation process.
3. All complete and eligible applications are forwarded to the Review Panel, which will review and score the applications using the criteria listed in the guidelines and make an award recommendation to City Council. The inability to adhere to the application requirements may impact an organization's overall scores. Grant awards can be less than the applicant's original request.
