SUBJECT: REGULATION REGARDING ESTABLISHMENT OF THE 2017 ANNUAL GENERAL ADJUSTMENT

STATEMENT OF THE ISSUE:

Section 11.100.070(b) of the Richmond Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance provides no later than June 30 each year, the Board shall announce the percentage by which Rent for eligible Rental Units will be generally adjusted effective September 1 of that year. Adoption of a regulation is necessary to establish the amount of the 2017 Annual General Adjustment applicable to those tenancies that were in effect as of September 1, 2016.

RECOMMENDED ACTION:

ADOPT Regulation 17-05, establishing the 2017 Annual General Adjustment in the amount of 3.4% for tenancies commencing prior to September 1, 2016 – Rent Program (Bill Lindsay 620-6512).

FISCAL IMPACT:

There is no fiscal impact to the City at this time.

DISCUSSION:

Background

As provided in Section 11.100.070(b)(1) of the Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance (“Ordinance”) the Annual General Adjustment is equal to one hundred percent (100%) of the percentage increase in the Consumer Price Index (All Urban Consumers, San Francisco-Oakland-San Jose region) as reported by
ITEM I-3

the U.S. Department of Labor, Bureau of Labor Statistics, for the 12-month period
ending as of March of the current year (Attachment 2).¹

No later than June 30 of each year, the Rent Board must announce the amount of the
Annual General Adjustment for the current year. This adjustment is the Maximum
Allowable Rent that may take effect September 1 of each year.

Calculation of the Maximum Allowable Rent

As written, Regulation 17-05 establishes a rent ceiling for Controlled Rental Units,
equivalent to the Base Rent plus all applicable Annual General Adjustments. As such,
landlords may choose to delay, or “bank” application of an Annual General Adjustment
for a particular year without losing the opportunity to use such an increase in the future.
The table below illustrates this concept, as well as the compounding effect of such
increases.

The “banking” concept is utilized in a number of other jurisdictions with rent control
policies, such as the City of Berkeley, East Palo Alto, Oakland, and Santa Monica; however, some cities, such as Los Angeles and West Hollywood, restrict application of the Annual General Adjustment policy to the current 12-month period (Attachment 3).

Requirement to Provide Excess Rent Refund

In addition, Regulation 17-05 requires any landlord who has received in excess of the
Maximum Allowable Rent after December 30, 2016, to provide a refund to the tenant in
the form of a cashier’s check. In the event a landlord is notified by the Rent Board of its
collection of excess rent, a refund must be provided and proof uploaded to the Rent Program website using the appropriate form at www.richmondrent.org within ten business days.

¹ Since the Consumer Price Index is not announced for the San Francisco-Oakland-San Jose region in
March, staff established utilization of the amount published in February.
² As defined in Section 11.100.070(a) of the Ordinance, the Base Rent is the rent in effect on July 21,
2015, or the first date rent was charged following July 21, 2015.
³ Reflects compounded Annual General Adjustment increases.
