AMENDED AND RESTATE MG REDEVELOPMENT PLAN FOR THE RICHMOND
MERGED REDEVELOPMENT PROJECT AREA

PART I. INTRODUCTION

A. OVERVIEW

This is the Amended and Restated Redevelopment Plan for the Richmond Merged Redevelopment Project Area (the "Amended Plan"). This Amended Plan consists of text (Part I through Part XIV), Boundary Map of the Richmond Merged Redevelopment Project Area (Exhibit A), Legal Descriptions of the Merged Project Area (Exhibits B-1 through B-9) and Land Use Map (Exhibit C).

This Amended Plan has been prepared by the Richmond Community Redevelopment Agency (the "Agency") pursuant to the Constitution of the State of California, the Community Redevelopment Law of the State of California (the "Redevelopment Law"), and all applicable laws and local ordinances.

The continuing redevelopment of the Richmond Merged Redevelopment Project Area as described in this Amended Plan conforms to the General Plan for the City of Richmond, as applied in accordance with local codes and ordinances.

B. BACKGROUND OF CONSTITUENT PLANS AND CONSTITUENT PROJECT AREAS

This Amended Plan amends, restates and consolidates into a single plan document, in their entirety nine redevelopment plans (collectively, the "Constituent Redevelopment Plan") previously adopted and amended by the City Council with respect to the nine redevelopment project areas (collectively, the "Constituent Project Areas") that together comprise the Richmond Merged Redevelopment Project Area (the "Merged Project Area"). Following is a brief history of the Constituent Project Areas that comprise the Merged Project Area, and the Constituent Redevelopment Plan that are hereby further amended, restated and consolidated in the form of this Amended Plan.

1. Eastshore Park Redevelopment Plan and Project Area

2. Potrero Redevelopment Plan and Project Area

3. Galvin Redevelopment Plan and Project Area

4. Harbor Gate Redevelopment Plan and Project Area

5. Hensley Redevelopment Plan and Project Area

The Redevelopment Plan for Project Area No. 8-A (Hensley Industrial District) (the “Hensley Plan”), establishing the Hensley Project Area, was adopted by the Richmond City

6. Downtown Redevelopment Plan and Project Area

7. Nevin Redevelopment Plan and Project Area

8. Harbour Redevelopment Plan and Project Area

The Redevelopment Plan for Project Area No. 11-A (Harbour) (the "Harbour Plan"), establishing the Harbour Project Area, was adopted by the Richmond City Council by Ordinance No. 10-75, adopted on June 9, 1975, as amended by Ordinance No. 64-86, adopted on

9. North Richmond Redevelopment Plan and Project Area

C. PURPOSE AND EFFECT OF PLAN

Among other matters, this Amended Plan:

1. increases the limit on the amount of tax increment revenue that the Agency may claim from the portions of the Merged Project Area subject to the current limit of $521.4 million to a proposed revised limit of $1.06 billion;

2. increases the limit on the principal amount of bonded indebtedness secured by tax increment revenue that may be outstanding at any time from the current 20% added area limit of the Nevin Project Area of $150 million and the current limit of $250 million on the remaining Merged Project Area to a revised combined limit of $1.61 billion;

3. extends the time limit for eminent domain authority over non-residential properties for up to 12 years, but no longer than the plan effectiveness limit for applicable Constituent Project Areas within the Merged Project Area that contain significant blight that cannot be eliminated without the use of eminent domain;

4. amends, restates, and consolidates the redevelopment plans for the nine Constituent Project Areas within the Merged Project Area into a single consolidated redevelopment plan for the Richmond Merged Redevelopment Project Area, which incorporates the applicable provisions from each of the current Constituent Redevelopment Plans; and

5. updates various text provisions from the Constituent Redevelopment Plans to conform to the current requirements of the Redevelopment Law.
This Amended Plan provides the Agency with powers, duties and obligations to implement the program generally formulated in this Amended Plan for the redevelopment, rehabilitation, and revitalization of the Merged Project Area. This Amended Plan does not present a specific plan or establish priorities for specific projects for the redevelopment, rehabilitation, and revitalization of any particular area within the Project Area. Instead, this Amended Plan presents a process and a basic framework within which specific development plans will be presented, priorities for specific projects will be established, and specific solutions will be proposed, and by which tools are provided to the Agency to fashion, develop, and proceed with such specific plans, projects, and solutions.

Many of the requirements contained in this Amended Plan are necessitated by and in accordance with statutory provisions in effect at the time of adoption of this Amended Plan. Such statutory provisions may be changed from time to time. In the event that any such statutory changes affect this Amended Plan's terms, and would be applicable to the Agency, the Merged Project Area, or this Amended Plan, the terms of this Amended Plan that are so affected shall be automatically superseded by such statutory changes, to the extent necessary to be in conformity with such statutory changes (and all other terms of the Amended Plan shall remain in full force and effect).

**PART II. GENERAL DEFINITIONS**

The definition of general terms contained in the Redevelopment Law shall govern the construction of this Amended Plan, unless more specific terms and definitions therefore are otherwise provided in this Amended Plan. In addition, the following specific definitions are used in this Amended Plan:

EE. "Planning Commission" means the Planning Commission of the City of Richmond, California.

FF. "Potrero Plan" means the Redevelopment Plan for the Redevelopment Project Area No. 1-C (Potrero), as further defined and described in Part I.B.2 of this Amended Plan, which is hereby further amended, restated, and consolidated with the other Constituent Redevelopment Plans in the form of this Amended Plan.

GG. "Potrero Project Area" means the area included within the boundaries of the Redevelopment Project Area No. 1-C (Potrero), as shown on the Boundary Map of Merged Project Area (Exhibit A) and described in the Potrero Area Legal Description (Exhibit B-2).

HH. "Project" means the redevelopment activities undertaken in or for the benefit of the Merged Project Area pursuant to this Amended Plan.

II. "Real Property" means land, including land under water and waterfront property; buildings, structures, fixtures and improvements on the land; property appurtenant to or used in connection with the land; and every estate, interest, privilege, easement, franchise and right in land, including but not limited to rights-of-way, terms of years and liens, charges or encumbrances by way of judgment, mortgages or otherwise and the indebtedness secured by such liens.

JJ. "Redevelopment Law" means the Community Redevelopment Law of the State of California (California Health and Safety Code Section 33000 et seq.).

KK. "State" means the State of California.

LL. "Zoning Ordinance" means the Zoning Ordinance of the City of Richmond, California, as it now exists or may hereafter be amended.

PART III. PROJECT AREA BOUNDARIES

The Merged Project Area consists of all properties within the boundaries of the Merged Project Area shown on the Boundary Map (Exhibit A) and described in the Legal Descriptions (Exhibits B-1 through B-9).
PART IV. REDEVELOPMENT GOALS AND OBJECTIVES

A. OVERVIEW OF GOALS AND OBJECTIVES

As emphasized throughout this document, the Amended Plan is designed to provide an effective set of legal and financial tools and techniques that will enable the City, the Agency, and the Richmond community to build upon the strengths of the Merged Project Area, including its historic, social and cultural resources and heritage, while overcoming its adverse physical and economic conditions, to achieve the fundamental goals of the General Plan as they relate to the Merged Project Area, as described below.

B. GOALS

The redevelopment goals for the Merged Project Area include:

1. The revitalization of areas suffering from economic hardship and underutilization.

2. The redevelopment, replanning, and/or redesign of areas that are stagnant, impaired or improperly utilized, which without redevelopment assistance could not be accomplished.

3. The protection and promotion of sound development and redevelopment of blighted areas.

4. The improvement of the general welfare of the citizens of the City by remedying adverse conditions through the implementation of corrective programs and activities.

5. The installation of new or the upgrading of existing public improvements, facilities and utilities in areas where public improvements, facilities and utilities are deficient.

6. The preservation, improvement and expansion of the community's supply of housing, including opportunities for low and moderate income households.

7. Smart growth that, with concern for long-term implications on the community and the region, focuses on coordinated, sustainable and transit oriented development designed to create more livable neighborhoods, stimulate economic activity, and provide more accessible land use patterns and efficient infrastructure investments.

C. OBJECTIVES

The objectives to achieve the redevelopment goals for the Merged Project Area include:

1. Facilitate the elimination of blighting influences and the correction of deficiencies, including, but not limited to, abnormally high building vacancies; abandoned, deteriorated and dilapidated buildings; underutilized land; depreciated property values; and deficient public improvements, facilities and utilities.
2. Assist with the removal of structurally substandard buildings to permit the return of land to economic use through new construction.

3. Facilitate rehabilitation of those structures that are culturally, historically, physically, and aesthetically worthy of rehabilitation, with emphasis on owner participation.

4. Assist with the abatement of environmental deficiencies including earthquake hazards, inadequate street and alley layout, incompatible land uses, lots of inadequate size, shape, or accessibility, hazardous materials, and site contamination.

5. Work with the private sector to stimulate private investment thereby improving the City's economic health, tax base and employment opportunities.

6. Facilitate the assembly and disposition of land to achieve more productive and more appropriate land uses.

7. Provide flexibility in redevelopment activities to respond readily and appropriately to evolving market conditions.

8. Assist with the implementation of applicable specific plans.

9. Encourage participation of residents, business persons, property owners, and community organizations in the redevelopment of the Project Area and the community enhancement and economic development that will follow.

10. To the extent feasible, retain existing residents and protect cultural diversity.

11. Provide public improvements needed to support other objectives of the Amended Plan, including but not limited to, sanitary and storm sewer facilities, traffic control devices, utility upgrading, streetscape improvements, and recreational and community facilities. Such improvements may be in any part of the Project Area, or beyond Project Area boundaries where found to be of primary benefit to the Project Area.

12. Enhance commercial, retail, research and development (R&D), and industrial development opportunities and increase employment and economic development opportunities, by stimulating private investment.

13. Support locally owned small businesses and local entrepreneurship.

14. Enhance public transit opportunities to and within the Merged Project Area to the extent feasible.

15. Assist with the expansion and upgrade of housing opportunities in the community to alleviate blighting conditions and improve the housing stock in a manner consistent with the Housing Element of the General Plan and the provisions of the Redevelopment Law.

16. Achieve the objectives described above in the most expeditious manner feasible.
The redevelopment goals and objectives set forth in this Part IV are subject to modification and refinement through the periodic adoption and amendment of the Agency's five-year implementation plans in accordance with Health and Safety Code Section 33490.

PART V. LAND USE REGULATIONS

A. OVERVIEW OF REGULATIONS

The City has adopted a General Plan which is in full conformance with the State requirements for general plans.

The permitted land uses, land use standards, development goals, objectives and policies, and other evaluation guidelines of this Amended Plan shall be those set forth in the General Plan, together with the specific redevelopment goals and objectives outlined in Part IV above (which are consistent with and serve to implement the more general goals and objectives of the General Plan). It is further intended that all provisions of the Zoning Ordinance, as it now exists or hereafter be amended, shall be applicable to developments in the Project Area, and that all development in the Project Area shall comply with all applicable state and local laws, codes and ordinances in effect from time to time in the City, in addition to any requirements of the Agency imposed pursuant to this Amended Plan.

Finally, the applicable City zoning and planning processes (including any moratoria or temporary development restrictions imposed by the City) shall continue to have full effect and shall continue to serve as the primary determinant for land use decisions in the Merged Project Area. Without limiting the generality of the foregoing, and subject to the following paragraph, the Planning Commission, the City Council, City departments, and other City boards and commissions shall perform the same functions for consideration and approval or disapproval of development applications, permits and other entitlements for properties within the Merged Project Area that are subject to this Amended Plan, as for properties outside the Merged Project Area that are not subject to this Amended Plan.

The City Council may, in its discretion through appropriate future legislation, amend applicable City planning or building codes and standards to provide for modified or streamlined processing of development applications within redevelopment project areas or other special zones. Any such amendment of City planning and building codes and standards shall thereafter apply to the processing of development applications in the Merged Project Area in accordance with the terms of such amendment.

B. PERMITTED LAND USES

As noted in the overview to this Amended Part, this Amended Plan adopts the land uses set forth in the General Plan as the permitted uses within the Project Area. It is intended that the land uses set forth in the General Plan now, or as they may hereafter be amended, shall be the land uses governing this Amended Plan.
C. LAND USE MAP: PUBLIC RIGHTS-OF-WAY

1. Land Use Map

The Land Use Map (Exhibit C) shows the current permitted land uses, major circulation routes and street layout, as well as the location of property proposed to be devoted to public purposes and open spaces within the Merged Project Area. The specific types of uses and activities (including size, height, and number of buildings and dwelling units) permitted or conditionally permitted in each land use category mapped on the Land Use Map are those types of uses and activities (including size, height and number of buildings and dwelling units) described in the General Plan for the relevant land use category. The land uses shown on the Land Use Map are drawn from the Land Use Element of the General Plan and shall be deemed to be automatically modified as the Land Use Element of the General Plan may be revised from time to time in order to maintain conformance of this Amended Plan with the General Plan, as provided in Sections A and B of this Part.

2. Public Streets and Rights-of-Way

All streets within the Merged Project Area may be widened, altered, or vacated for purposes of development of the Project. New streets may be created as appropriate, consistent with the General Plan. The anticipated configuration of streets and public rights-of-way within the Merged Project Area (including existing streets to be retained and their relationship to major public facilities) is shown on the Land Use Map (Exhibit C). These public rights-of-way may be used for vehicular and/or pedestrian traffic as well as for public improvements, public and private utilities, and activities typically found in public rights-of-way.

Additional public streets, alleys and easements may be created in the Merged Project Area as appropriate for proper development. Existing streets, alleys and easements may be abandoned, closed or modified as necessary for proper development of the Project.

Any changes in the existing interior or exterior street layout shall be in accordance with the General Plan, the objectives of this Amended Plan, and the City's design standards, and shall be effectuated in the manner prescribed by state and local law.

D. GENERAL CONTROLS AND LIMITATIONS

All real property in the Merged Project Area is hereby subject to the goals, objectives, policies, controls and requirements of this Amended Plan (which expressly incorporates the goals, objectives, policies, controls and requirements of the General Plan and the Zoning Ordinance). No real property shall be developed, rehabilitated, or otherwise changed after the date of adoption of the Amended Plan except in conformance with the provisions of this Amended Plan, the General Plan, the Zoning Ordinance, and all other applicable State and local laws and standards in effect from time to time.
1. **New Construction**

All new construction shall comply with all applicable State and local laws and standards in effect from time to time. Parking facilities shall be provided in accordance with the criteria set forth in the General Plan and the Zoning Ordinance, as they now exist or may hereafter be amended, and any additional standards adopted by the Agency pursuant to Part V.E below. All parking shall be paved and drained so that storm and surface water drainage from parcels will not cross public sidewalks. All parking spaces visible from the street shall be landscaped as necessary to prevent unsightly barren appearances. Off-street loading facilities, trash areas and any outdoor storage of materials approved by the City and/or Agency shall be adequately enclosed or screened by walls, landscaping, or other such enclosure consistent with the applicable City ordinances.

2. **Non-Conforming Uses**

The existence, continuation, renovation, repair, expansion, and replacement of nonconforming uses in the Merged Project Area shall be governed by applicable provisions of the General Plan, the Zoning Ordinance, as they now exist or may hereafter be amended, and all City land use regulations in effect from time to time.

3. **Rehabilitation**

Any structure within the Merged Project Area which will be retained as part of the Amended Plan shall not be altered, constructed, or rehabilitated unless it is done so in conformance with the General Plan, the Zoning Ordinance, all applicable codes, and any guidelines which may be adopted by the Agency to assist in the implementation of the Amended Plan. This conformity shall extend to the architectural character, the public spaces and other elements as required by the City and/or Agency.

4. **Open Space/Landscaping**

The standards for open space to be provided within the Merged Project Area are set forth in the General Plan and the Zoning Ordinance, as they now exist and may hereafter be amended, and are included as part of the goals and objectives of this Amended Plan. The precise amount of open space, if any, to be provided in the Merged Project Area will depend on the particular plans for development submitted by developers of private property in the Merged Project Area and approved by the City. Landscaping plans for development projects shall be submitted to the City for review and approval.

5. **Height and Bulk**

The height and bulk of structures shall be regulated as provided in the General Plan and the Zoning Ordinance, as they now exist or as they may hereafter be amended, and such additional standards as may be adopted by the Agency pursuant to Section E below.
6. **Density**

The maximum permitted density of development on any building site shall be regulated as provided in the General Plan and the Zoning Ordinance, as they now exist or may hereafter be amended, and such additional standards as may be adopted by the Agency pursuant to Section E below.

7. **Signs**

Exterior signs necessary for the identification of buildings and premises shall be as permitted by the General Plan and the Zoning Ordinance, as they now exist or may hereafter be amended, provided that they comply with any design criteria established for the Merged Project Area. The Agency may require that the complete sign program for a development and such additional standards as may be adopted by the Agency pursuant to Section E below be reviewed by the Agency staff, as well as the Planning Commission and any design review body, prior to the erection or installation of signs in any part of the Merged Project Area.

8. **Nondiscrimination and Nonsegregation**

As more fully set forth in Part VI below, there shall be no discrimination or segregation based on race, color, creed, religion, sex, sexual orientation, marital status, national origin, or ancestry permitted in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of property in the Merged Project Area.

9. **Resubdivision of Parcels**

After rehabilitation and development pursuant to this Amended Plan, no parcel in the Merged Project Area, including any parcel retained by a conforming owner or participant shall be subdivided without the approval of the City.

10. **Variances**

In the event the City grants a variance from applicable City land use regulations for development of a parcel within the Merged Project Area, such grant of variance shall be deemed to constitute a comparable variance from the land use standards of this Amended Plan without additional action by the Agency.

In addition, the Agency is authorized to permit variances from any development standards adopted by the Agency pursuant to Section E below or any affordable housing regulations or policy guidelines adopted by the Agency pursuant to Section H below. In order to permit such a variance the Agency must determine that:

a. The application of one or more of the provisions of such Agency development standards, regulations or policy guidelines would result in unnecessary hardship to the property owner;
b. There are exceptional circumstances or conditions applicable to the property or to the intended development of the property which do not apply generally to other properties having the same standards, restrictions and controls;

c. Permitting a variance from the limits, restrictions, or controls of such Agency development standards, regulations or policy guidelines will not be materially detrimental to the public welfare or injurious to property or improvements in the area;

d. Permitting a variance from the limits, restrictions or controls of such Agency development standards, regulations or policy guidelines will not be contrary to the objectives of this Amended Plan; and

e. The grant of variance by the Agency will not result in development that conflicts with applicable City land use resolutions and standards.

No such variance shall be granted which changes a basic land use pursuant to this Amended Plan or which permits other than a minor departure from the provisions of this Amended Plan. In permitting any variance, the Agency shall impose such conditions as are necessary to protect the public health, safety, and welfare and to assure compliance with the objectives of the Amended Plan.

E. ADOPTION OF ADDITIONAL STANDARDS FOR DEVELOPMENT

Within the limits, restrictions and controls established in the General Plan, the Zoning Ordinance, and this Amended Plan, the Agency is authorized to establish and adopt, by appropriate resolution, specific guidelines and/or standards for building heights, building coverage, design criteria, architectural character, landscaping character, sign character, traffic circulation ingress and egress, parking, and any other development and design control necessary to implement the Amended Plan. Such guidelines and/or standards may relate to both private and public areas within the Merged Project Area. No new development shall be constructed and no existing improvements shall be substantially modified, altered, repaired, or rehabilitated except in accordance with such adopted guidelines and/or standards for development. The Agency shall not approve plans which do not comply with any adopted guidelines and/or standards for development.

F. BUILDING PERMITS

No permit shall be issued for the construction of any new building or for any construction on an existing building in the Merged Project Area from the date of adoption of this Amended Plan until the application for such permit has been made and processed in a manner consistent with all City requirements.

The Agency is authorized to establish permit procedures and approvals in addition to those set forth above where required for the purposes of this Amended Plan. Where such additional procedures and approvals are established, a building permit shall be issued only after the applicant for same has been granted all approvals required by the City and the Agency at the time of application.
G. **DWELLING UNITS**

In compliance with the Health and Safety Code Section 33333(c), and as provided in Sections B, C.1 and D.6 of this Part V, the maximum number of dwelling units in the Merged Project Area shall be regulated as provided in the General Plan and the Zoning Ordinance, as they now exist or may hereafter be amended.

H. **AFFORDABLE HOUSING**

By regulation or policy adopted by the Agency from time to time, the Agency shall ensure compliance with the provisions of Health and Safety Code Section 33413(b) requiring that specified percentages of all new or rehabilitated dwelling units developed in the Merged Project Area be available at affordable housing cost to households in specified income categories. Such adopted Agency regulations and/or policy guidelines shall be applicable and enforceable by the City and the Agency under this Amended Plan with respect to parcels developed with new or rehabilitated residential structures in the Merged Project Area regardless of whether such parcels are developed with Agency assistance or participation.

I. **MITIGATION MEASURES**

By concurrent resolutions (City Council Resolution No. ___ /Agency Resolution No. ___; the "EIR Resolution") adopted in connection with certification of the Environmental Impact Report for the Redevelopment Plan for the Merged Project Area (the "EIR"), the City Council and the Agency adopted specified environmental mitigation measures (the "Mitigation Measures") to be implemented as part of the redevelopment plan to minimize potential adverse environmental impacts of the Amended Plan. The Mitigation Measures are based, in substantial part, on the mitigation measures identified in the EIR.

The City has determined that the EIR adequately addresses the significant and potentially significant environmental effects of the Amended Plan.

The Mitigation Measures are hereby incorporated into this Amended Plan by this reference and shall be implemented by the Agency, the City, or individual property owners/developers, as appropriate, in connection with public and private actions undertaken pursuant to this Amended Plan (including in connection with City land use approvals for developments in the Merged Project Area during the effectiveness of this Amended Plan).

Each individual public activity/improvement or private development action within the Merged Project Area and/or in furtherance of this Amended Plan that will require a discretionary approval by the Agency or the City will, at a minimum, be subject to a preliminary California Environmental Quality Act ("CEQA") review to determine if the activity, improvement or development action then requires preparation of a negative declaration, a mitigated negative declaration or a subsequent or supplemental environmental impact report in accordance with the applicable standards of CEQA and the CEQA guidelines.
PART VI. REDEVELOPMENT TECHNIQUES TO ACHIEVE PLAN OBJECTIVES

The development of the Project will be undertaken in accordance with the provisions of the Redevelopment Law. The Agency proposes to use the redevelopment techniques set forth in this Part VI and the Redevelopment Law to achieve the goals and objectives of the Amended Plan set forth in Part IV above.

A. PUBLIC IMPROVEMENTS

As more fully set forth in Health and Safety Code Sections 33445 and 33679, the Agency is authorized to install and construct or cause to be installed and constructed the public improvements and public utilities (within or outside the Merged Project Area) necessary to carry out this Amended Plan. Such public improvements and public utilities include, but are not limited to, the construction, expansion, rehabilitation or modernization of over-or underpasses, bridges, streets, curbs, gutters, sidewalks, public gateway and signage features, street lights, sewers, sewage treatment facilities, waste water or septic tank disposal areas, storm drains, flood control facilities, traffic signals, electrical and other energy distribution and generation systems, communication systems, fiber optic systems, fire fighting and public safety facilities, police and criminal justice facilities, educational facilities, community and civic centers, natural gas distribution systems, water treatment and distribution systems, other public buildings, parks, recreational facilities, playgrounds and open space areas, if any, off-street parking, plazas, landscaped areas, and undergrounding of existing utilities.

Without limiting the generality of the financing techniques available to the Agency under this Amended Plan as set forth in Part VII, Section A below, among the techniques the Agency may employ to cause the financing and construction, expansion, rehabilitation, or modernization of the above-referenced public improvements and public facilities is participation in payments to assessment districts, Mello-Roos community facility districts, or other similar districts established pursuant to applicable law to finance construction, expansion, rehabilitation, or modernization of such public improvements and public facilities.

It is anticipated that the following public improvements, including the costs of property acquisition, site preparation, design and construction, will be undertaken:

1. Streetscape improvements including basic street repair and repaving, additions of and upgraded street lights and traffic control systems and provision of streetscape amenities such as landscaping, banners, street furniture, gateways and medians.

2. Provision of and repair and replacement of curbs, gutter and sidewalks to benefit the Merged Project Area.

3. Upgrade of sewer, water and storm drain systems to benefit the Merged Project Area.

4. Provision and upgrade of utilities and communication facilities as needed to benefit the Merged Project Area, including undergrounding of all utilities.
5. Development of an off-street parking program and public parking facilities to assist development in the Merged Project Area.

6. Provision of a façade improvement program and a toxic remediation program.

7. Provision and upgrade of park, recreational and community facilities.

B. PROPERTY ACQUISITION

1. Acquisition of Real Property

Except as specifically limited herein (see paragraphs a., b., c., d. and e. below regarding limitations on the Agency's eminent domain power), the Agency may, but is not required to, acquire or obtain options to acquire all real property located in the Merged Project Area by gift, devise, exchange, purchase, eminent domain or any other lawful method whatsoever. The Agency may also acquire any other interest in real property less than a fee interest.

Since it is in the public interest and is necessary for the elimination of those conditions requiring redevelopment, the power of eminent domain may be employed by the Agency to acquire real property in the Merged Project Area. The power of eminent domain shall not be exercised, however, when the conditions described in either subdivision a. or b. or c. or d. or e. below exist:

a. The property in question is improved with one or more occupied residential structures; or

b. The property in question is owned by a public body and that public body has not consented to the exercise of the power of eminent domain by the Agency; or

c. The property in question is improved with a structure and, although not conforming to the Amended Plan, the Agency has determined that the property and the structure can so conform pursuant to an owner participation agreement and that the owner is faithfully performing under the terms of the owner participation agreement; or

d. The property in question is improved with a structure and, in the sole determination of the Agency; all of the following are true:

   (1) The property is not needed for those specific activities outlined in the Amended Plan, including for development by a master developer pursuant to Section C.2 below; and

   (2) The property is not needed for the development of replacement housing for those displaced by Agency activity, if any; and

   (3) The property is not needed for any other public improvement or facility; and
(4) The property is not needed to promote historical or architectural preservation; and

(5) The property is not needed to remove a blighting influence on surrounding properties which prevents achievement of the objectives of this Amended Plan; and

(6) The property is not needed for the elimination of environmental deficiencies including among other things, inadequate circulation, access or street layout, hazardous materials, incompatible and mixed uses, overcrowding and small parcel size; and

(7) The property is not needed for the removal of impediments to land development and disposition through assembly of land into appropriately sized and shaped parcels served by improved circulation and utilities.

e. The acquisition is prohibited by Section 19 of Article 1 of the California Constitution.

Notwithstanding the foregoing limitations, the Agency may, with the prior written consent of the affected property owner, use the power of eminent domain to acquire property within the Merged Project Area that is otherwise excluded from the exercise of the power of eminent domain to the extent allowed by applicable law.

The Agency must commence eminent domain proceedings with respect to any property which it intends to acquire within twelve (12) years of the date of adoption of the ordinance adopting the Amended Plan, provided that any such proceeding must be no later than the Amended Plan effectiveness time limit, as set forth in Part X, Section B below, applicable to such property.

The time limits set forth above for commencement of eminent domain proceedings may be extended only by further amendment of the Amended Plan. The Agency may acquire property by voluntary (e.g., non- eminent domain) means after the expiration of the time limit for eminent domain proceedings and prior to the expiration of the effectiveness of the Amended Plan with respect to the applicable portion of the Merged Project Area (as set forth in Part X, Section B below).

Prior to any acquisition through eminent domain the Agency shall adopt a resolution declaring a need to acquire any specific property and authorizing the acquisition by such method.

2. Acquisition of Personal Property

Generally, Personal Property shall not be acquired. However, where necessary in the execution of this Amended Plan, the Agency is authorized to acquire Personal Property in the Merged Project Area by any lawful means.
C. PARTICIPATION BY OWNERS AND BUSINESS TENANTS

1. Opportunities for Owners and Business Tenants

The Agency shall extend reasonable preferences to persons who own real property or are engaged in business in the Merged Project Area, to continue or re-enter in business within the Merged Project Area if they meet the requirements prescribed in this Amended Plan and the Owner Participation Rules which have been adopted by the Agency and are available for public inspection.

It is the intention of the Agency that owners of fee title to, or a long term leasehold interest in, parcels of real property within the Merged Project Area, where consistent with this Amended Plan and the Owner Participation Rules, be allowed to participate in this redevelopment by: retaining all or a portion of their properties; acquiring adjacent or other properties in the Merged Project Area; selling their properties to the Agency and purchasing other properties in the Merged Project Area; and upgrading and developing their properties in conformance with this Amended Plan and Owner Participation Rules.

The Agency may determine either on its own direction or pursuant to a request of a property owner that certain real property within the Merged Project Area does not conform to this Amended Plan, and the owner of such property shall be required to enter into an owner participation agreement with the Agency as more fully described in Section C.3 below. Criteria for an Agency determination of property non-conformance with this Amended Plan may include, without limitation, persistent vacancy or lack of use of the property for uses authorized under this Amended Plan, uses on the property that are inconsistent with the goals and objectives of this Amended Plan or with the permitted land uses under this Amended Plan, or existence of improvements or conditions on the property that do not meet the general controls and limitations set forth in Part V of this Amended Plan and/or the standards of any local, state or federal code or regulation (including, without limitation, the building code(s) of the City). Each real property in the Merged Project Area shall be considered to conform to this Amended Plan, until and unless the Agency has determined by resolution that such property does not conform to this Amended Plan.

The Agency may determine, either on its own direction or pursuant to a request of a property owner, that certain real property within the Merged Project Area conforms or substantially conforms to the requirements of this Amended Plan and that the owner of such property will, thereafter, be permitted to remain a conforming owner without a participation agreement with the Agency, provided, such owner continues to operate and use the real property within the requirements of this Amended Plan.

In the event a conforming owner desires to (a) construct any additional improvements or substantially alter or modify existing structures on any of the real property described above as conforming, or (b) acquire additional real property within the Merged Project Area, then the Agency may require such conforming owner to enter into a participation agreement with the Agency in the same manner as required for owners of non-conforming properties.
Any real property owned by a conforming owner outside of the designated conforming parcels and within the Merged Project Area shall be considered and treated in the same manner as real property owned by other owners, i.e., may be subject to a participation agreement with the Agency.

All of the provisions of this Section C.1 are subject to the provisions of Section C.2 below for the selection of a master developer or developers to develop parcels within the Merged Project Area.

2. **Rules for Participation Opportunities, Priorities and Preferences; Selection of Master Developers**

As more fully set forth in the Agency's adopted Owner Participation Rules (as such rules may be amended from time to time), in the event the Agency determines either on its own direction or pursuant to a request of a property owner that it is in the best interest of the Project that several parcels within the Merged Project Area be assembled and developed by a single property owner or other entity under a master developer plan, the Agency may select and designate a master developer for the parcels based on the proposed master developer's financial and technical ability to successfully undertake and complete the development program.

Any individual or other entity may apply to be selected as a master developer of two or more parcels in the Merged Project Area. Upon such application, the Agency shall determine whether it is desirable to designate a master developer for such parcels and whether the applicant or another individual or entity meets the qualification to serve as the master developer.

The rights of particular property owners and business tenants to participate in the redevelopment of their respective properties shall be subject to or limited by or eliminated by the inclusion of their property within a master development plan to be developed by another entity.

If the Agency determines that a particular parcel in the Merged Project Area shall not be included in a master development plan, then the owner of the parcel and business tenants may participate in the redevelopment of real property in accordance with the Owner Participation Rules adopted by the Agency. In general, the Owner Participation Rules provide that existing owners and business tenants within the Merged Project Area be given non-financial preference, as more fully described in the Owner Participation Rules, for re-entry into business within the redeveloped Merged Project Area. Owners will be required to submit proof to the Agency of their technical qualifications and financial ability to carry out their agreement with the Agency.

3. **Participation Agreements**

In the event the property owner is otherwise eligible pursuant to Section C.2 above to participate in the redevelopment of the real property, a property owner whose property is determined by the Agency to be a non-conforming property pursuant to Section C.1 above shall enter into a binding agreement with the Agency under which the property owner shall agree to rehabilitate, develop, or use the property in conformance with the Amended Plan and to be subject to the provisions hereof. Such agreement shall be prepared by the Agency after consultation with the property owner. Agreements will contain a list of minimum improvements.
to be made for the specific property to which it applies. In such agreements, participating
property owners who retain real property shall be required to join in the recodration of such
documents as are necessary in the determination of the Agency to make the provisions of this
Amended Plan applicable to their properties.

If an owner who is required to enter into an owner participation agreement fails or refuses
to enter into such agreement, or if such owner fails to perform any of the owner's obligations
under an owner participation agreement, the Agency is authorized, subject to the limitations on
the exercise of the power of eminent domain set forth in Section B.1 above, to acquire the real
property or any interest therein which, if acquired, may be sold or leased for rehabilitation or
development in accordance with this Amended Plan.

D. COOPERATION WITH PUBLIC BODIES

Certain public bodies are authorized by State law to aid and cooperate, with or without
consideration, in the planning, undertaking, construction, or operation of this Project. The
Agency shall seek the aid and cooperation of such public bodies and shall attempt to coordinate
this Amended Plan with the activities of such public bodies in order to accomplish the purposes
of redevelopment and the highest public good.

The Agency, by law, is not authorized to acquire real property owned by public bodies
without the consent of such public bodies. The Agency, however, will seek the cooperation of
all public bodies which own or intend to acquire property in the Merged Project Area. The
Agency shall have the right to impose on all public bodies the planning and design controls
contained in the Amended Plan to ensure that present uses and any future development by public
bodies conform to the requirements of this Amended Plan.

E. PROPERTY MANAGEMENT

During such time as real or personal property in the Merged Project Area is owned by the
Agency, such property shall be under the management and control of the Agency. Such property
may be rented or leased by the Agency pending its disposition.

The Agency shall comply with, and is authorized to exercise the rights and duties
contained in, Health and Safety Code Section 33401, which states:

"The agency may, in any year during which it owns property in a redevelopment
project that is tax exempt, pay directly to any city, county, city and county,
district, including, but not limited to, a school district, or other public corporation
for whose benefit a tax would have been levied upon the property had it not been
exempt, an amount of money in lieu of taxes that may not exceed the amount of
money the public entity would have received if the property had not been tax
exempt."
F. **RELOCATION OF DISPLACED PERSONS AND BUSINESSES**

As required by the California Relocation Assistance Act (Government Code Section 7260 et seq.), any relocation of persons and businesses as part of the Project will be subject to the following standards:

1. **Assistance in Finding Other Locations**

Currently, the Agency does not expect to displace any residents in the Merged Project Area. However, to the extent the Agency does displace any residents, businesses or others, the Agency shall assist persons (households, business entities and others) in finding other locations and facilities. There are areas of the City, other than the Merged Project Area, not generally less desirable in regard to public utilities and public and commercial facilities, and at rents or prices within the financial means of the families and persons displaced from the Merged Project Area, decent, safe and sanitary dwellings equal in number to the number of families and persons that may potentially be displaced and available to such displaced families and persons and reasonably accessible to their places of employment.

In order to carry out the Project with a minimum of hardship on any persons displaced from their homes by Agency actions pursuant to this Amended Plan, the Agency shall assist such individuals and families in finding housing that is decent, safe, sanitary, within their financial means, in reasonable and convenient locations, and otherwise suitable to their needs. The Agency is also authorized to provide housing outside the Merged Project Area for displaced persons.

2. **Relocation Payments**

The Agency may pay reasonable moving expenses to persons (including families, businesses and others) displaced by Agency actions pursuant to this Amended Plan. This provision is not intended to provide incentives for commercial and industrial businesses to move out of the Merged Project Area. The Agency may make such relocation payments for moving expenses where the Agency determines it is in the best interest of the Project and not to do so would create a hardship on the persons involved. The Agency may make such other payments as may be in the best interest of the Project and for which funds are available. The Agency shall make all relocation payments required by applicable law.

G. **DEMOLITION, CLEARANCE, AND SITE PREPARATION**

1. **Demolition and Clearance**

The Agency is authorized to demolish, clear, or move buildings, structures, and other improvements as necessary to carry out the purposes of this Amended Plan.

2. **Preparation of Building and Development Sites**

The Agency is authorized to prepare or cause to be prepared as development sites any real property in the Merged Project Area owned or acquired by the Agency.
3. Hazardous Waste Remediation and Removal

The Agency may take any actions which it determines are necessary and which are consistent with other State and federal laws to remedy or remove hazardous waste on, under or from property in the Merged Project Area in accordance with the requirements of Health and Safety Code Section 33459 - 33459.8, or any successor legislation.

H. REHABILITATION AND MOVING OF STRUCTURES; ASSISTANCE FOR CERTAIN PRIVATE IMPROVEMENTS

1. To the extent appropriate in carrying out the Amended Plan, the Agency is authorized to: (a) rehabilitate or cause to be rehabilitated any building or structure in the Merged Project Area acquired by the Agency; and (b) move or cause to be moved any building or other structure to a location within or outside the Merged Project Area.

2. For any rehabilitation Project, the Agency may take any action it determines necessary and consistent with local, State and federal law to provide for seismic retrofits as provided in Health and Safety Code Section 33420.1 and any successor statute.

3. The Agency may take such actions as it determines are necessary to remove graffiti from public and private property in the Merged Project Area pursuant to Health and Safety Code Section 33420.2 and any successor statute.

4. The Agency may establish a program under which it lends funds to owners or tenants for the purpose of rehabilitating commercial buildings or structures within the Merged Project Area pursuant to Health and Safety Code Section 33444.5 and any successor statute.

5. The Agency may assist in financing of facilities or capital equipment, including, but not necessarily limited to pollution control devices, for properties being developed or rehabilitated for industrial or manufacturing uses within the Merged Project Area pursuant to Health and Safety Code Section 33444.6 and any successor statute.

I. REPLACEMENT DWELLING UNITS

If any dwelling units housing persons and families of low or moderate income are destroyed or removed from the housing market as part of the Project, the Agency shall, within four (4) years of such destruction or removal, rehabilitate, develop, or construct, or cause to be rehabilitated, developed, or constructed, for rental or sale to persons and families of low or moderate income an equal number of replacement dwelling units at affordable housing costs as defined by Health & Safety Code Section 50052.5, within the territorial jurisdiction of the Agency, in accordance with all the provisions of the Redevelopment Law (Health & Safety Code Sections 33413 and 33413.5).
J. PROPERTY DISPOSITION AND DEVELOPMENT

1. General

For the purposes of this Amended Plan, the Agency is authorized to sell, lease, exchange, subdivide, transfer, assign, pledge, encumber by mortgage or deed of trust, or otherwise dispose of any interest in real property.

To the extent permitted by law and upon compliance with the notice and hearing requirements of the Redevelopment Law, the Agency is authorized to dispose of real property by negotiated leases or sales without public bidding.

All real property acquired by the Agency in the Merged Project Area shall be sold or leased for development for the uses permitted in the Amended Plan or shall be conveyed to a public entity, including, without limitation, the City, for uses permitted in the Amended Plan. Real property may be conveyed by the Agency to the City or any other public body without charge. Property containing buildings or structures rehabilitated by the Agency shall be offered for resale within one (1) year after completion of rehabilitation or an annual report concerning such property shall be published by the Agency as required by law.

The Agency shall reserve such powers and controls in the disposition and development documents as may be necessary to prevent transfer, retention, or use of property for speculative purposes and to insure that development is carried out pursuant to this Amended Plan.

2. Purchase and Development by Participants

Pursuant to the provisions of this Amended Plan and the Owner Participation Rules adopted by the Agency, the Agency may offer real property in the Merged Project Area for purchase and development by owner and business-tenant participants prior to or at the same time that real property is made available for purchase and development by persons who are not owners or business tenants in the Merged Project Area.

3. Purchase and Development Documents

To provide adequate safeguards, to insure that the provisions of this Amended Plan will be carried out, and to prevent the recurrence of blight, all real property sold, leased, or conveyed by the Agency, as well as all property subject to participation agreements, shall be made subject to the provisions of this Amended Plan by leases, deeds, contracts, agreements, declarations of restrictions, provisions of the Zoning Ordinance, as it now exists or hereafter be amended, conditional use permits, or other means. Where appropriate, as determined by the Agency, such documents or portions thereof shall be recorded in the office of the Recorder of the County.

The leases, deeds, contracts, agreements, and declarations of restrictions may contain restrictions, covenants, covenants running with the land, rights of reverter, conditions subsequent, equitable servitude, or any other provisions necessary to carry out this Amended Plan.
During the period of redevelopment in the Merged Project Area, the Agency shall ensure that the provisions of this Amended Plan and of other documents formulated pursuant to this Amended Plan are being observed, and that development in the Merged Project Area proceeds in accordance with development documents.

The Agency may require that development plans be submitted to it for review and approval. All development must conform to this Amended Plan and all applicable federal, State and local laws.

4. **Obligations to be Imposed on Redevelopers**

Purchasers of real property from the Agency shall be required to develop such property in accordance with the provisions of this Amended Plan. The Agency shall have the right to withhold transfer of title to the acquirer, user or developer of property in order to ensure fulfillment of this requirement. No building, sign or structure shall be constructed upon any part of such property unless architectural plans and specifications showing, among other things, the nature of such construction, parking, loading, surface treatment and landscaping, the location and orientation of the structure(s) on the building site and the grading plans for the building site to be built upon, shall be submitted to, reviewed, and approved in writing by the Agency, or unless the Agency has waived the requirements of this sentence. The Agency shall have the right to refuse to approve any such plans or specifications when in the opinion of the Agency such plans or specifications do not conform with the conditions and objectives of the Amended Plan, or to the design standards established by the Agency.

Acquirers, users or developers of real property within the Merged Project Area must commence the erection of any building, prosecute diligently the work thereon and complete it within such reasonable period of time as agreed upon with the Agency.

No acquirer, user, owner participant or developer shall resell, lease, sublease or otherwise dispose of real property in the Merged Project Area until the construction approved by the Agency has been completed, except with the prior written consent of the Agency.

Persons who are engaged in business in the Merged Project Area shall be granted non-financial preference by the Agency to re-enter in business within the Merged Project Area after redevelopment if they otherwise meet the requirements prescribed by the Amended Plan and the Agency's adopted Owner Participation Rules.

The acquirer, user, or owner shall be responsible for complying with all applicable federal, State and local laws, ordinances and codes, in effect from time to time.

5. **Personal Property Disposition**

For the purpose of this Amended Plan the Agency is authorized to sell, lease, exchange, transfer, assign, pledge, encumber, or otherwise dispose of personal property.
K. PREVENTION OF DISCRIMINATION

1. General

Property owners and developers shall comply with all federal, State and local laws, in effect from time to time prohibiting discrimination or segregation by reason of race, color, religion, creed, marital status, sex, sexual orientation, national origin or ancestry, in the sale, lease or occupancy of the property.

2. Conveyances by the Agency

Pursuant to the Redevelopment Law (Health & Safety Code Sections 33337 and 33435-33436), contracts entered into by the Agency relating to the sale, transfer or leasing of land, or any interest herein acquired by the Agency within the Merged Project Area shall contain the provisions of those Redevelopment Law sections in substantially the form set forth therein. Such contracts shall further provide that the provisions of the applicable Redevelopment Law sections shall be binding upon and shall obligate the contracting party or parties and any subcontracting party or parties and all other transferees under the instrument.

3. Other Contracts, Deeds and Leases for Conveyance of Merged Project Area Property

All deeds, leases or contracts for the sale, lease, sublease or other transfer of any land in the Merged Project Area shall contain the following nondiscrimination clauses as prescribed by the Redevelopment Law (Health & Safety Code Section 33435 and 33436):

In deeds, the following language shall appear:

"(1) Grantee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property herein conveyed, nor shall the grantee or any person claiming under or through the grantee, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the property herein conveyed. The foregoing covenant shall run with the land."

"(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior
citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

In leases, the following language shall appear:

"(1) Lessee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the premises herein leased nor shall the lessee or any person claiming under or through the lessee, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

"(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

In contracts, the following language shall appear:

"(1) There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the land."

"(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and
subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

4. Duration

The covenants in deeds, leases, and contracts from or with the Agency, with respect to prevention of discrimination, shall remain in effect in perpetuity.

L. IMPLEMENTATION PLAN

As part of the Agency's five (5)-year implementation plan required pursuant to Health and Safety Code Section 33490, the Agency shall establish objectives to be achieved within a specified time frame and performance measures for the elimination of blighting conditions, which objectives and performance measures may be qualitative and/or quantitative in nature as deemed appropriate by the Agency under the circumstances.

PART VII. METHODS FOR FINANCING THE PROJECT

A. GENERAL PROVISIONS

The Agency is authorized to finance the Project with financial assistance from the City, the State, the Federal Government, property tax increment, interest income, Agency notes and bonds, assessment district or special tax district revenues, or any other available source. Advances for survey and planning and operating capital for administration of the Project may come through loans from the City or other entities. The City may also supply additional assistance through City loans and grants for various public facilities and other redevelopment activities. As available, gas tax funds from the State and the City may be used toward the cost of the street system and related improvements. It is anticipated that there may also be some revenue accruing to the Project from interest earned on investments of Agency funds.

The Agency is hereby authorized to borrow funds, obtain advances, and create contractual indebtedness and other obligations in carrying out this Amended Plan, pursuant to applicable law. The principal and interest on such borrowed funds, advances and other obligations may be paid from tax increments or any other funds available to the Agency.

B. AFFORDABLE HOUSING FINANCING

Pursuant to the Redevelopment Law (Health and Safety Code Section 33334.2), a minimum of twenty percent (20%) of all tax increments allocated to the Agency shall be used for the purposes of improving and increasing the community's supply of quality affordable housing unless the Agency makes one or more of the findings specified in Health and Safety Code Section 33334.2(a) (the "Housing Fund Requirement").

Tax increment revenues allocated to the Agency and earmarked for housing purposes will be used to fund existing and new programs for housing development and rehabilitation in a manner consistent with the Housing Element of the City's General Plan, and/or other applicable
City housing policies, as they now exist or may hereafter be amended. The General Plan permitted land uses in the Merged Project Area allow for the development of affordable housing.

C. TAX INCREMENT

All taxes levied upon taxable property within the Merged Project Area each year by or for the benefit of the State, County, the City, any district, or other public corporation (hereinafter sometimes called "taxing agencies") after the effective date of the respective original adopting ordinances for each of the Constituent Project Areas (or subsequently added portions thereof, as applicable) comprising the Merged Project Area, shall be divided as follows:

1. That portion of the taxes which would be provided by the rate upon which the tax is levied each year by, or for, each of the taxing agencies upon the total sum of the assessed value of the taxable property in each of the Constituent Project Areas (or subsequently added portion thereof, as applicable) comprising the Merged Project Area, as shown upon the assessment roll used in connection with the taxation of such property by such taxing agency, last equalized prior to the effective date of the respective original adopting ordinances for each of the Constituent Project Areas (or subsequently added portion thereof, as applicable) comprising the Merged Project Area, shall be allocated to and when collected shall be paid to the respective taxing agencies as taxes by, or for, said taxing agencies as taxes on all other property are paid. For the purpose of allocating taxes levied by, or for, any taxing agency or agencies which did not include the territory of the Project on the effective date of such ordinance(s) but to which such territory has been annexed or otherwise included after such effective date, the assessment roll of the County last equalized on the effective date of said ordinance(s) shall be used in determining the assessed valuation of the taxable property in the Project on the effective date; and

2. Except as provided in Health and Safety Code Section 33670(e), that portion of the levied taxes each year in excess of such amount shall be allocated to and when collected shall be paid into a special fund of the Agency to pay the principal of and interest on loans, monies advanced to, or indebtedness (whether funded, refunded, assumed, or otherwise) incurred by the Agency to finance or refinance, in whole or in part, the Project. Unless and until the total assessed valuation of the taxable property in each Constituent Project Area (or subsequently added portion thereof, as applicable), exceeds the total assessed value of the taxable properties in the Constituent Project Area (or subsequently added portion thereof, as applicable), as shown by the last equalized assessment roll referred to in subdivision 1 above, all of the taxes levied and collected upon the taxable property in the constituent Project Area (or subsequently added portion thereof, as applicable), shall be paid into the funds of the respective taxing agencies. When said loans, advances, and indebtedness, if any, and interest thereon, have been paid, all moneys thereafter received from taxes upon the taxable property in the Merged Project Area shall be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

The portion of taxes described in subdivision 2 above may be irrevocably pledged by the Agency for the payment of the principal and the interest on money loaned, advanced, or any indebtedness (whether funded, refunded, assumed or otherwise) by the Agency to finance or refinance in whole or in part, the Project.
The Agency is authorized to make such pledges as to specific advances, indebtedness, and other obligations, as appropriate, in carrying out the Project.

The portion of taxes divided and allocated to the Agency pursuant to subdivision 2 above shall not exceed the following maximum amounts for each of the respective Constituent Project Areas comprising the Merged Project Area:

a. The maximum amount of One Billion Sixty Million Dollars ($1,060,000,000) with respect to the portions of the Merged Project Area adopted prior to January 1, 1994 (specifically, the Potrero, Galvin and North Richmond Project Areas, the areas designated in Exhibit B as the original areas of the Eastshore, Harbor Gate, Hensley, Downtown, Nevin, and Harbour Project Areas, and the area designated in Exhibit B as the 1980 area of the Hensley Project Area); and

b. With respect to the portion of the Merged Project Area adopted after January 1, 1994 (specifically, the area designated in Exhibit B as the 1995 area of the Harbor Gate Project Area, the areas designated in Exhibit B as the 1999 added areas of the Eastshore, Harbor Gate, Hensley, Downtown, Nevin, and Harbour Project Areas, and the area designated in Exhibit B as the 2005 area of the Nevin Project Area), no maximum amount is required by the Redevelopment Law and no maximum amount is stated in this Amended Plan.

D. BONDS

The Agency may issue its bonds for any corporate purpose or for the purpose of refunding bonds it has previously issued. The principal and interest payable on such bonds may be paid from:

1. the income and revenues of the Project;
2. the tax increment funds allocated to the Agency;
3. the Agency's revenues generally;
4. any contributions or other financial assistance from the state or local government;
5. repayment of loans or other form of indebtedness to the Agency;
6. private parties;
7. any other source permitted by law; or
8. any combination of the above sources.

The amount of bonded indebtedness to be repaid in whole or part from the allocation of taxes described in subdivision 2 of Section C above which can be outstanding at any one time for the Merged Project Area shall not exceed, except by amendment of this Amended Plan, One Billion Six Hundred Ten Million Dollars ($1,610,000,000).
E. **OTHER LOANS, GRANTS AND ADVANCES**

Any other available loans, grants, or financial assistance from any other public or private source may be utilized by the Agency for purposes of the Project.

Among other financing techniques that may be employed to encourage private sector financial support for Merged Project Area redevelopment, the Agency may, consistent with the Redevelopment Law, facilitate the formation and financing of, and may cooperate with, community development financing institutions and land trusts involved in Merged Project Area redevelopment activities.

**PART VIII. ACTIONS BY THE CITY**

The City shall aid and cooperate with the Agency in carrying out this Amended Plan and shall take all actions necessary to ensure the continued fulfillment of the purposes of the Amended Plan to prevent the recurrence or spread in the area of conditions causing blight. Action by the City may include, but shall not be limited to, the following:

A. Acquisition of any real and personal property inside or outside the Merged Project Area required for public use; demolition and removal of structures on such acquired property; and preparation of such property for construction. The costs to the City of such acquisition, demolition and site preparation may be reimbursed by the Agency from Project revenues.

B. Construction of any public improvements serving the purposes of this Amended Plan. The costs to the City of such construction may be reimbursed by the Agency from Project revenues.

C. Establishment of an assessment district mechanism, to the extent permitted by applicable law including receipt of any required voter or property owner approval, to collect assessments, fees or other charges from property owners and developers within the Merged Project Area for purposes of Project financing.

D. Initiation and completion of proceedings for opening, closing, vacating, widening, or changing the grades of streets, alleys, and other public right-of-ways, as appropriate to carry out this Amended Plan.

E. Initiation and completion of proceedings necessary for changes and improvements in publicly-owned public utilities within or affecting the Merged Project Area.

F. Imposition wherever necessary (by subdivision approval, conditional use permits or other means) of appropriate controls, within the limits of this Amended Plan, upon parcels in the Merged Project Area to ensure their proper development and use.

G. Provision for administrative enforcement of this Amended Plan.
H. Imposition of conditions or other requirements upon parcels in the Merged Project Area to implement the regulations or policy guidelines adopted by the Agency pursuant to Part V.F of this Amended Plan in satisfaction of the requirements of Health and Safety Code Section 33413(b).

I. Performance of the above, and of all other functions and services relating to public health, safety, and physical development normally rendered by the City, in accordance with a schedule that will permit the development of the Merged Project Area to be commenced and carried to completion without unnecessary delay.

PART IX. ENFORCEMENT

The administrative enforcement of this Amended Plan or other documents implementing this Amended Plan shall be performed by the City and/or the Agency.

The provisions of this Amended Plan or other documents entered into pursuant to this Amended Plan may also be enforced by court litigation instituted by either the Agency and/or the City. Such remedies may include, but are not limited to, specific performance, damages, reentry, injunctions, or any other remedies appropriate to the purposes of this Amended Plan. In addition, any recorded provisions which are expressly for the benefit of owners of property in the Merged Project Area may be enforced by such owners.

The provisions of the Amended Plan do not in any way limit or restrict the City's authority or power to enforce any provisions of the General Plan, the Zoning Ordinance, as they now exist or may hereafter be amended, and any local land use regulations or any provisions of the municipal code.

PART X. DURATION OF THIS AMENDED PLAN AND RELATED TIME LIMITS

Except for any other authority in excess of the following limits that may from time to time be granted by the Redevelopment Law (which authority shall be deemed to be incorporated into the provisions of the Amended Plan by this reference and shall supersede the following limits), the following limits shall apply with respect to the Constituent Project Areas comprising the Merged Project Area:

A. DEBT INCURRENCE TIME LIMITS

The Agency shall not establish or incur loans, advances, or indebtedness to finance in whole or in part the Project for activities related to the various portions of the Merged Project Area beyond the following time limits:

1. With respect to the Potrero, Galvin and North Richmond Project Areas, the areas designated in Exhibit B as the original areas of the Eastshore, Harbor Gate, Hensley, Downtown, Nevin, and Harbour Project Areas, and the area designated in Exhibit B as the 1980 area of the Hensley Project Area, no such time limit is contained in this Amended Plan;
2. With respect to the area designated in Exhibit B as the 1995 area of the Harbor Gate Project Area, July 26, 2015;

3. With respect to the areas designated in Exhibit B as the 1999 areas of the Eastshore, Harbor Gate, Hensley, Downtown, Nevin, and Harbour Project Areas, July 13, 2019; and

4. With respect to the area designated in Exhibit B as the 2005 area of the Nevin Project Area, July 12, 2025.

Loans, advances, or indebtedness may be repaid over a period of time beyond the time limits set forth in this Part X.A, subject to the further provisions of Part X.C below. The time limits set forth in this Part X.A may be extended only by amendment of this Amended Plan. The time limits set forth in this Part X.A shall not prevent the Agency from incurring debt to be repaid for the Low and Moderate Income Housing Fund established pursuant to Health and Safety Code Section 33334.3 or establishing debt to comply with Health and Safety Code Section 33333.8. The time limits set forth in this Part X.A shall not prevent the Agency from refinancing, refunding, or restructuring indebtedness after the applicable time limit if the indebtedness is not increased and the time during which indebtedness is to be repaid is not extended beyond the time limit set forth in Part X.C below.

B. PLAN EFFECTIVENESS TIME LIMITS

The effectiveness of this Amended Plan (including, without limitation, the effectiveness of the Agency's land use controls for the applicable portions of the Merged Project Area under this Amended Plan) shall continue until, and shall expire upon, the following dates:

1. With respect to the Potrero and Galvin Project Areas and the areas designated in Exhibit B as the original areas of the Eastshore, Harbor Gate, Hensley and Downtown Project Areas, January 1, 2012;

2. With respect to the areas designated in Exhibit B as the original areas of the Nevin and North Richmond Project Areas, September 18, 2015;

3. With respect to the area designated in Exhibit B as the original area of the Harbour Project Area, June 9, 2018;

4. With respect to the area designated in Exhibit B as the 1980 area of the Hensley Project Area, March 31, 2023;

5. With respect to the area designated in Exhibit B as the 1995 area of the Harbor Gate Project Area, July 26, 2026;

6. With respect to the areas designated in Exhibit B as the 1999 areas of the Eastshore, Harbor Gate, Hensley, Downtown, Nevin and Harbour Project Areas, July 13, 2030; and
7. With respect to the area designated in Exhibit B as the 2005 area of the Nevin Project Area, July 12, 2035.

After expiration of this Amended Plan with respect to each applicable portion of the Merged Project Area, the Agency shall have no authority to act pursuant to the Amended Plan with respect to the portion of the Merged Project Area affected by such expiration, except to pay previously incurred indebtedness, to enforce existing covenants, contracts and other obligations, and to comply with Health and Safety Code Section 33333.8.

C. TAX INCREMENT RECEIPT AND DEBT REPAYMENT TIME LIMITS

The Agency shall not pay indebtedness or receive property taxes pursuant to Health and Safety Code Section 33670 with respect to the various portions of the Merged Project Area beyond the following time limits:

1. With respect to the Potrero and Galvin Project Areas and the areas designated in Exhibit B as the original areas of the Eastshore, Harbor Gate, Hensley and Downtown Project Areas, January 1, 2022;

2. With respect to the areas designated in Exhibit B as the original areas of the Nevin and North Richmond Project Areas, September 18, 2025;

3. With respect to the area designated in Exhibit B as the original area of the Harbour Project Area, June 9, 2028;

4. With respect to the area designated in Exhibit B as the 1980 area of the Hensley Project Area, March 31, 2033;

5. With respect to the area designated in Exhibit B as the 1995 area of the Harbor Gate Project Area, July 26, 2041;

6. With respect to the areas designated in Exhibit B as the 1999 areas of the Eastshore, Harbor Gate, Hensley, Downtown, Nevin and Harbour Project Areas, July 13, 2045; and

7. With respect to the area designated in Exhibit B as the 2005 area of the Nevin Project Area, July 12, 2050.

After expiration of this Amended Plan with respect to each applicable portion of the Merged Project Area, the Agency shall have no authority to act pursuant to the Amended Plan with respect to the portion of the Merged Project Area affected by such expiration, except as necessary to comply with Health and Safety Code Section 33333.8.
D. NON-DISCRIMINATION PROVISIONS

Notwithstanding any other time limitations set forth in this Part X, the nondiscrimination and nonsegregation provisions of this Amended Plan shall run in perpetuity, and the affordable housing covenants imposed by the Agency with respect to development, rehabilitation, and/or preservation of Project-related affordable housing (whether inside or outside the Merged Project Area) shall continue in effect for such period as may be determined and specified by the Agency.

PART XI. SEVERABILITY

If any provision, section, subsection, subdivision, sentence, clause or phrase of the Amended Plan is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portion or portions of the Amended Plan. In the event that any portion of the Merged Project Area shall be determined to have been invalidly or incorrectly included in the Merged Project Area that is the subject of this Amended Plan, such portion of the Merged Project Area shall be deemed severable from the remainder of the Merged Project Area and the remainder of the Merged Project Area shall remain fully subject to the provisions of this Amended Plan.

PART XII. PROCEDURE FOR AMENDMENT

This Amended Plan may be amended by means of the procedure established in the Redevelopment Law or by any other procedure hereafter established by law.

PART XIII. AUTHORITY OF THE AGENCY

To the extent legally permissible, the Agency is hereby authorized to undertake any redevelopment activity or exercise any power not already included herein, provided such action is not inconsistent with this Amended Plan.

ORIGINAL PROJECT AREA

LEGAL DESCRIPTION OF PROJECT AREA NO. 6-A (HARBOR GATE)

Approved Redevelopment Project Area No. 6-A (Harbor Gate) is situated within Redevelopment Area No. 6, in the City of Richmond, County of Contra Costa, State of California, and consists in all of that area bounded and described as follows:

Beginning on the eastern line of 34th Street (formerly Santa Rosa Avenue) distant thereon southerly 80 feet from the southern line of Seaver Avenue as said streets are shown on the map of Inner Harbor Business Blocks, filed November 16, 1912, in Book 8 of Maps, page 196, in the office of the County Recorder of Contra Costa County; thence westerly parallel with the southern line of Seaver Avenue to a point that is 30 feet easterly of the easterly line of 32nd Street (formerly Richmond Avenue) as shown on said map; thence southerly parallel with and 30 feet easterly of the eastern line of 32nd Street to an intersection with the eastern prolongation of the northern line of Griffin Avenue as shown on the map of Harbor Gate, filed March 31, 1912, in Book 8 of Maps, page 191, in the office of the County Recorder of Contra Costa County; thence westerly along said eastern prolongation and along the northern line of Griffin Avenue, as shown on said map to the eastern line of Owens Street as shown thereon; thence northerly along the eastern line of Owens Street to the northwest corner of Lot 35 in Block I, as shown on said map of Harbor Gate; thence westerly parallel with the northern line of Griffin Avenue to the west line of 27th Street (formerly 26th Street); as shown on the map of J. C. Owens Addition to the City of Richmond, filed February 6, 1912, in Book 6 of Maps, page 136, in the office of the County Recorder of Contra Costa County; thence northerly along the western line of 27th Street (formerly 26th Street); to a point from which the south line of Meeker Avenue bears North 0° 16' 27" West 750.81 feet distant; thence leaving the west line of 27th Street (formerly 26th Street); northerly along the arc of a curve to the left with a radius of 760.00
feet, the center of which bears South 89° 43' 33" west, to the dividing line between J.C. Owens Addition and Harbor Business Blocks, filed March 10, 1913, in Book 9 of Maps, page 213, in the office of the County Recorder of Contra Costa County; thence northerly along said dividing line to the center line of Hoffman Boulevard as established by the Division of Highways of the State of California; thence easterly along the center line of said Hoffman Boulevard to the southern line of County Road No. 9 as said road was set forth in the partition of the San Pablo Rancho; thence easterly along the southern line of said County Road No. 9 to its intersection with the northern prolongation of the eastern line of 37th Street (formerly Pullman Avenue) as shown on the map of Syndicate Tract, filed March 10, 1912, in Book 6 of Maps, page 143, in the office of the County Recorder of Contra Costa County; thence southerly along said prolongation and the easterly line of 37th Street to the southern line of Meeker Avenue as shown on said map; thence westerly along the southern line of Meeker Avenue to the eastern line of 34th Street (formerly Santa Rosa Avenue); thence southerly along the eastern line of 34th Street to the point of beginning.

EXCLUDING THE FOLLOWING PORTIONS

PARCEL ONE

"A parcel of land comprising all of Lot 13 and a portion of Lots 9, 10, 11 and 12 in Block 'F' as designated on the map entitled, 'Map of Syndicate Business Blocks, Contra Costa County, California, which map was filed on May 15, 1911 in Map Book 5 at page 107, Contra Costa County Records; said parcel of land being described as follows:

"Commencing at the southwesterly corner of said Lot 13; thence along the southerly line of said Lot N. 88° 40' 20" E., 100 feet to the southeasterly corner of said lot; thence along the easterly line of said Lots 12 and 13 N. 0° 12' 40" W., 48.12 feet to a curve to the left; thence from a tangent that bears N. 59° 23' 53" W., along said curve with a radius of 950 feet, through an angle of 6° 47' 49" a distance of 112.70 feet to the westerly line of said Lot 9; thence along the westerly line of said Lots 9, 10, 11, 12 and 13, S. 0° 12' 40" E., 101.93 feet to the point of commencement.

Containing 0.175 of an acre, more or less."
PARCEL TWO

"A parcel of land comprising all of Lot 37 and a portion of Lots 38, 1, and 2 in Block 'F' as designated on the map entitled 'Map of Syndicate Business Blocks, Contra Costa County, California', which map was filed on May 15, 1911 in Map Book 5 at page 107, Contra Costa County Records, said parcel being described as follows:

"Commencing at the southwesterly corner of said Lot 37, thence along the southerly line of said lot N. 88° 40' 20" E., 100.00 feet to the southeasterly corner of said lot; thence along the easterly line of said Lots 37 and 38 N. 0° 12' 40" W., 26.93 feet to a curve to the left; thence from "a tangent that bears N. 66° 11' 42" W., along said curve with a radius of 950 feet, through an angle of 6° 27' 12", a distance of 107.00 feet; to the westerly line of said Lot 1; thence along the westerly line of said Lots 1, 37 and 38 S. 0° 12' 40" E., 66.84 feet to the point of commencement.

Containing 0.110 of an acre."

PARCEL 3

"A parcel of land comprising a portion of lots 3, 4, 33, 34, 35 and 36, in Block 3 and a portion of lots 3, 4, 33 and 34 in Block 2 as shown on the Map entitled, Inner Harbor Business Blocks, as filed November 16, 1912, in the office of the Recorder of Contra Costa County, State of California, in Map Book 8, page 195, more particularly described as follows:

"Beginning at a point on the west line of 34th Street, formerly known as Santa Rosa Avenue, distant southerly from the northeast corner of Block 3, 55 feet; thence southerly along the west side of 34th Street, a distance of 25 feet, from said point of beginning, thence; westerly on a line parallel to and 80 feet south of the north line of Blocks 2 and 3, bearing N. 88° 45' E., to its point of intersection with a curve concave to the southeast and having a radius of 100 feet being tangent to a line 30 feet easterly and parallel to the east line of 32nd Street, formerly known as Richmond Avenue, thence; northeasterly along the arc of said curve to a point of tangency with a line parallel to and 55 feet south of the north line of Blocks 2 and 3, thence; easterly along said line to the point of beginning."

B-4-4
That certain real property in the City of Richmond, County of Contra Costa, State of California, described as follows:

Beginning at the Southeast corner of the Richmond - Pullman Tract, recorded December 6, 1994 1910 in Book 3 of Maps at Page 70, records of Contra Costa County, California;

thence North 89°47'03" West along the southerly line of said Richmond-Pullman Tract, said line also being the northerly line of Cutting Boulevard, 93.91 feet;

thence South 00°47'56" West 100.00 feet to the intersection of the southerly line of Cutting Boulevard and the westerly line of 31st Street, also being the northeast corner of the City of Pullmen, recorded January 21, 1910 in Book 2 of Maps at page 43, Records of Contra Costa County, California;

thence South 00°47'56" East, along the westerly line of South 31st Street 223.09 feet to the southerly line of Erlandson Street;

thence along said southerly line South 46°00'32" East, 1492.81 feet;

to a point on the northerly State of California right-of-way line as shown upon the State of California Department of Transportation Appraisal Drawing Numbers A-831.6, A-831.7, and A-831;

thence North 86°06'28" West, along said right-of-way line, 264.49 feet;

thence North 00°53'22" East, along said right-of-way line, 26.00 feet;

thence North 89°06'48" West, along said right-of-way line, 74.29 feet;

thence North 86°05'49" West, along said right-of-way line, 1135.66 feet;

thence South 00°47'56" West, along said right-of-way line, 30.90 feet;

thence North 86°05'47" West, along said right-of-way line, 502.48 feet;

thence North 74°04'50" West along said right-of-way line, 121.41 feet;

thence North 81°13'39" West along said right-of-way line, 297.30 feet;
thence North 80°21'02" West, along said right-of-way line, 127.83 feet to a point on a tangent curve to the right:

thence, westerly along said curve having a radius of 425 feet, through a central angle of 05°01'43", a distance of 37.30 feet:

thence North 65°56'56" West, along said right-of-way line, 91.36 feet;

thence North 43°54'44" West, along said right-of-way line, 254.72 feet, to a point on a non-tangent curve to the right, said curve having a center which bears North 01°06'48" West, 46 feet:

thence westerly along said curve and along said right-of-way line, through a central angle of 84°44'10" a distance of 76.06 feet;

thence North 43°54'44" West, along said right-of-way line, 159.37 feet;

thence South 64°18'42" West, along said right-of-way line, 67.15 feet to the beginning of a tangent curve to the right:

thence along said curve, being the said right-of-way line, having a radius of 51 feet, through a central angle of 126°09'26", a distance of 112.29 feet to a point of reverse curve;

thence along a curve to the left, also being the said right-of-way line, having a radius of 42 feet, through a central angle of 54°22'52", a distance of 39.86 feet;

thence North 43°54'44" West, along said right-of-way line, 92.02 feet:

thence leaving said North right-of-way line, North 01°02' West 132.88 feet to a point on the northerly line of Foothill Avenue, as shown on the map of El Cerrito Terrace, recorded April 04, 1912, in Book 6 of Maps, at page 147, Records of Contra Costa County, California;

thence North 69°49'16" East, along the northerly line of said Foothill Avenue, 87.42 feet to the southeast corner of Lot 66 of El Cerrito Terrace;

thence North 01°23'46" East, 259.23 feet to the Northwest corner of Lot 56 of said El Cerrito Terrace;

thence South 88°36'14" East, 12.00 feet to the southeast corner of lot 5, of said El Cerrito Terrace;
thence North 01°23'46" East, 200.00 feet to the northerly line of Cutting Boulevard;

thence North 01°23'46" East, 200.00 feet to the northeast corner of Lot 5, also being on the southerly line of Cutting Boulevard;

thence North 88°36'14" East, along said northerly line 37.00 feet to a point 12.00 feet east of the southeast corner of Lot 2 of Block 7 of Amended Map of Cerritos Addition to City of Richmond, recorded June 15, 1910, in Book 3 of Maps, at Page 55, Records of Contra Costa County, California;

thence along a line parallel with and 12.00 feet easterly of the western of Lot 21, North 01°23'46" East, 100.00 feet to the North line of said Lot 21;

thence North 88°36'14" West, along the northerly line of Lots 21 through 27, inclusive, and its westerly extension, 232.94 feet to the northeast corner of Lot 27 of block 34 of Well's Harbor Center Tract, recorded March 3, 1913, in Book 9 of Maps at Page 207, Records of Contra Costa County, California;

thence continuing South 88°36'14" West, along the northerly line of Lot 27, through 30, inclusive, 100 feet, to the northwest corner of said Lot 30;

thence North 01°01'56" West, 572.95 feet; thence South 88°29'44" East, 22.50 feet;

thence South 01°26'16" West, 562.00 feet to a point on a non-tangent curve on the northerly State of California right-of-way line as shown upon the State of California Department of Transportation Appraisal Drawing Numbers A-831.9 and A-831.10, said curve having a center which bears North 20°28'45" West, 80 feet;

thence along said northerly State of California right-of-way line, the following courses:

Westerly along said curve through a central angle of 22°02'49", a distance of 33.78 feet:

North 88°25'56" West, 490.00 feet; South 01°34'04" West, 58.00 feet, South 84°51'00" West, 410.72 feet; South 89°02'30" West, 588.79 feet; North 88°47'19" West, 95.75 feet and North 80°11'10" West 211.57 feet to the easterly line of South 15th Street;
thence along said easterly line of South 15th Street, North 1°26'16" East, 675.35 feet;

thence North 86°33'44" West, 3.00 feet; North 1°26'16" East, 352.96 feet to the southerly line of Cutting Boulevard;

thence South 88°33'44" East along the southerly line of Cutting Boulevard, 206.00 feet to the westerly line of South 16th Street, formerly Walnut Avenue as shown upon the maps of Griffin and Watrous addition to Richmond, recorded May 31, 1904 in Book F of maps, at page 138, recorded.

thence, N1°26'16" East 210.00 feet to the northwest corner of Lot 21 of Block 14 of Griffins and Watrous Addition; (F M 138);

thence, North 89°33'44" West, parallel with and 100 feet north of the northerly line of Cutting Boulevard, 2404.79 feet to a point on the northerly State of California right-of-way line as shown upon the State of California Department of Transportation Appraisal Map Drawing Numbers A-831.12, A-831.13, and A-831.14;

thence along said northerly State of California right-of-way line, the following courses:
