Housing Element

RICHMOND HOUSING ELEMENT WORKSHOP

Thursday, June 28, 2012, 6:00–8:00 PM

City Council Chambers
440 Civic Center Plaza
Richmond, CA 94804

Come help us plan Richmond's housing goals and policies!

The Housing Element is the blueprint for future housing development in the City. Learn about housing needs, conditions, and opportunities, and help us refine the goals, policies, and programs that will shape housing in our City.

The Richmond Housing Element will include:

- Evaluation of existing housing polices and programs;
- A housing needs assessment;
- Housing goals, policies, programs, and objectives;
- An inventory of potential sites for housing; and
- Analysis of any obstacles or constraints to housing production in Richmond.

If you cannot attend this workshop but would like to share your comments, please email them to hector_rojas@ci.richmond.ca.us or mail them to Hector Rojas, Associate Planner, at 450 Civic Center Plaza, PO Box 4046, Richmond, CA 94804-1630.

Technical Assistance Workshop

July 9, 2012

5:30pm - 8:00pm

Richmond Build III
Facility at 500 23rd
Street, Richmond,
CA

The workshop will consist of a short update on Site's Cleanup Action Plan, a brief overview of the Technical Assistance Services for Communities and to conduct a Technical Assistance Needs Assessment.

What is Healthy Richmond

The California Endowment (TCE), a statewide health foundation, is offering North Richmond and Iron Triangle residents, community leaders, leaders of community-based organizations and public agencies, and other stakeholders an unusual opportunity to work together to create a 10-year plan to build a healthier community.

What is Healthy Richmond?

It is one of 14 community efforts in California selected by TCE to improve health systems and address physical, social, and economic issues in order to support healthy living and healthy behavior. The goal is to achieve lasting changes in the health of
