Ready Together! Organize your Block for Disaster Preparedness Class

We can build community and resilience at the same time and have fun doing it. Join Community Emergency Response Team (CERT) Richmond for a free class called Ready Together! Organize Your Block for Disaster Preparedness.

In this 4-series class you'll learn how to support your community to be better prepared for a disaster. After an earthquake, people will come out in the street, and by taking this class, your block will have a plan of what to do next. This investment in your time will create community and can possibly save lives!

Meeting #1: Overview & Team Size

Overview of the program

Building community on your block

Deciding the size of your team, block gathering area, & area for special needs

Discussing a block map, including gas shutoffs

Meeting #2: Connecting with Neighbors

Reviewing maps

Ideas to connect with neighbors

Identifying neighbors with special needs

Getting neighbors involved

Meeting #3: Get your Team Together

Preparing for a block meeting or party

Reviewing & distributing resources for household preparedness

Creating a contacts, teams, & special needs list

Meeting #4: Incident Command Structure

Connecting to your Neighborhood CERT

Radio training

Explaining the Incident Command Structure

Reviewing resources to get your block team trained

All people who sign-up will get a packet of resources to help their block get organized. It will include steps on how to get individualized households prepared and a block emergency toilet plan. Your block will create a map of gas shut offs, know how to support community members with special needs, and have a plan of what to do after you have made sure your family is safe. **We encourage people to take this course with a household member or other neighbor.**

Two cohorts are forming now:

1. [Fourth Wednesdays: March 25th, April 22nd, & May 27th from 6:30 PM - 8:30 PM](#)
Richmond Public Library - Community Room, 325 Civic Center Plaza

2. [First Tuesdays: March 3rd, April 7th, May 5th, & June 2nd from 6:30 PM - 8:30 PM](#)
Richmond Public Library - Community Room, 325 Civic Center Plaza

If you are able to print out a [flyer](#) and share with others, that would help. Sharing this email with others or posting on social media is very much appreciated.

The Ready Together! class is taught in English. Bilingual community members are encouraged to take the course to help reach more of our community and, hopefully, some will go on to become trainers of this course. The block resources are available in English and Spanish. Please share with people in your community. We need your help to reach everyone.

CERT Richmond offers other classes including the CERT training at CERTRichmond.org.

Create community. Create a plan. Get Ready Together!

Ready Together!

Organize Your Block for Disaster Preparedness

Create community and a block disaster plan. You'll learn how to create a basic map of utilities and how to organize your block for a rapid response after a disaster. The first few hours immediately following a disaster are the golden hours where we can save the most lives and minimize damage to property. Please consider taking this course with one or more neighbors so you can work together to implement the program.

On February 27, 2020, the Literacy for Every Adult Program (LEAP) celebrated Black History Month by organizing a program-wide potluck that paid tribute to the beloved traditions of the “Griot”, an old historian who transmitted oral history from one generation to another through storytelling. We gathered and shared food, a cultural tradition that has been carried on for centuries.

In addition, LEAP surprised our oldest student, Winford Earl Boughton with a 91st birthday celebration along with our youngest student, Zeonta Johnson who just turned 19. Together we celebrated the “19-91” journey!

If you are interested in the LEAP program please contact us at 510-307-8084 or stop by at 440 Civic Center Plaza, Richmond, CA 94804.

City of Richmond Awarded \$4.1 million in Prop 68 grant!

The City of Richmond was awarded State Park Program (SPP) Proposition 68 grant funds for 2 projects. There were 478 applications were received requesting \$2.3 billion for the available \$254.9 million in this funding round. Statewide, 62 applications were selected with the average grant amount of \$4.1 million.

SPP funds are designed to create new parks and recreation opportunities in critically underserved communities across California. SPP embraces meaningful engagement with local residents where park designs represent each community's unique recreation needs and creativity.

The selected project in the City of Richmond was Boorman Park Revitalization: \$4,165,000

The new project consists of the following:

Construct new Recreational Features including: a multi-use trail with fitness stations, a small skate park, an athletic field, a basketball court, a fitness zone, children's play areas, and a community gathering area.

Construct new Major Support Amenities including: a public restroom, two parking lots (22 spaces), park beautification (artwork), a shade structure, park landscaping, wayfinding, and safety features.

Boorman Park is located in a community consisting of single family homes and is bordered by railroad tracks; single family homes, and existing manufacturing businesses. Based on a comprehensive, community-led city-wide state park survey, Boorman Park was selected as one of top priority parks that is in need to be renovated, partially due to the park's current site layout which creates community safety concerns and deters full park usage. Through a series of community meetings, the Community Services Department, and the Public Works Parks Division, along with community partners such as First Five of Contra Costa, West County Regional Group, and Healthy and Active Before 5, created the future design and usage of Boorman Park.

Officer Gary Lewis named RPAL Office of the Year

Congratulations to Officer Gary Lewis. Officer Lewis is the 2019 Richmond Police Activity League (RPAL) Officer of the year! Officer Lewis was selected for his work as a School Resource Officer and the respect and admiration he earned from thousands of Richmond youth during his time in schools and the various housing developments in the city. Gary also supported RPAL during many youth engagement activities and led several basketball camps at RPAL the last four years. Because of Gary's work with Richmond youth he is the 2019 Richmond PAL Officer of the Year. Congratulations Gary!

Drop-off boxes return to Contra Costa City Halls this month

Residents can save time with this vote-by-mail program!

Contra Costa residents will find it easier to vote in the upcoming March 3rd Presidential Primary Election, as the Contra Costa Elections Office and City Clerks countywide provide convenient Vote By Mail drop off locations, prior to and on Election Day.

The secure drop-off boxes will be in place at Contra Costa city halls, the county Administration Building in Martinez and some select community centers, senior centers and libraries starting the week of February 10th – just days after voters receive their permanent vote-by-mail ballots.

New to the drop off program is the addition of a dozen permanent drop off boxes that will be located outdoors. These secure boxes will be conveniently available to voters beyond normal business hours, including nights and weekends.

A full list of drop-box locations is available at <https://www.cocovote.us/ballot-drop-off/>.

The City of Richmond's permanent drop off box is located between 450 and 440 Civic Center Plaza, under the overpass in front of the Council Chamber's parking lot. Voters may also drop off ballots to a secure drop-off box in the City Clerk's Office, 450 Civic Center Plaza, Suite 300, from 8:30 A.M. to 5:00 P.M. Monday through Friday.

The distinguishable boxes inside buildings will be available during normal business hours. Postage is not required for any Vote By Mail return method.

City of Richmond Launches Transparent Richmond

The City of Richmond is excited to announce the launch of Transparent Richmond (www.transparentrichmond.org), a city-wide open data and performance reporting system. The open data platform currently spans 11 city departments and contains over 300 datasets, visualizations, and performance measures, many of which feature monthly, weekly or daily updates.

Transparent Richmond aims to accomplish the following:

- Improve the collective understanding of all city services
- Automate performance data to help track and meet budget and service goals

- Leverage evidence-based analysis to develop innovative solutions that improve the quality of city services

The city plans to add more datasets and visualizations over time and invites the community to propose additional information for the site. To nominate new data and visualizations, visit <https://www.transparentrichmond.org/nominate>.

Point Molate Mixed-Use Development Project Draft Subsequent Environmental Impact Report (SEIR) Available for Comment

Notice is hereby given that pursuant to the State of California Public Resources Code and the “Guidelines for Implementation of the California Environmental Quality Act of 1970” as amended to date, the City of Richmond Planning Division has prepared a Draft Subsequent Environmental Impact Report (SEIR) for a proposed mixed-use development project (Modified Project) on the former Point Molate Navy Fuel Depot and Winehaven Historic District Site (Point Molate Site or Project Site).

The Modified Project makes certain changes in land use and intensities to the Point Molate Mixed-Use Tribal Destination Resort and Casino Project (Casino Project) and alternatives analyzed in the Final Environmental Impact Report for the Point Molate Mixed-Use Tribal Destination Resort and Casino Project that was certified by the City in 2011 (2011 FEIR). These changes include, but are not limited to, the

elimination of the proposed casino, increasing allowable residential units and rehabilitating the buildings that contribute to the historic Winehaven District (similar to the rehabilitation in Alternative B1 of the 2011 FEIR).

The SEIR addresses the potential physical and environmental effects of the Modified Project per the requirements of the California Environmental Quality Act (CEQA), Public Resources Code [PRC] section 21000, et seq., and the CEQA Guidelines (Title 14, California Code of Regulations section 15000, et seq.). As the Lead Agency, the City will use the SEIR when considering discretionary approval of the Modified Project. Responsible Agencies, which are public agencies other than the City that have discretionary approval power over the Modified Project, also may rely on the SEIR prepared by the City when issuing approvals for the implementation of the Modified Project.

The Draft SEIR is available for review online at [Point Molate Mixed-Use Project](#). Copies are also available for review at the following locations:

Richmond Public Libraries:

- Main Branch 325 Civic Center Plaza, Richmond, CA 94804
- West Side Branch 135 Washington Avenue, Richmond, CA 94801 (Point Richmond)

City of Richmond Planning Division, City Hall, 450 Civic Center Plaza, Richmond, CA, 94804 (The Planning Division public counter is open Monday through Thursday from 8:30 A.M. to 4:00 P.M. and Friday from 8:30 A.M. to 12:30 P.M. A digital copy of all documents incorporated by reference and cited in the SEIR will also be available at the City of Richmond Planning Division.)

Public Review and Comment Period

The City invites comments on the SEIR in response to the Notice of Availability. Pursuant to CEQA Guidelines Section 15105(a), a minimum forty-five-day (45) public review period is required and shall commence on the date of this notice (February 21, 2020). Please mail or email your written comments on the Draft EIR no later than **5:00 P.M. on April 6, 2020** to:

Lina Velasco
Community Development Director
City of Richmond Planning Division
450 Civic Center Plaza-2nd Floor

Richmond, CA 94804

Contra Costa Census 2020 Training Workshops

The future of your community starts with Census 2020. The Census count comes once a decade, to account for every person in the United States. Not only does the count determine congressional districting, it also allocates critical funding for our communities including roads, affordable housing, schools, and parks.

Contra Costa County's Census 2020 Complete Count Steering Committee has been building a network of trusted messengers to increase awareness and motivate residents to respond to the 2020 Census. In order to get a complete count, it will require strong collaboration between the County, cities, and community partners. As part of this effort, the Committee has awarded Census Outreach and Assistance Grants totaling \$280,000 to about 55 organizations to ensure a complete and accurate count, and an additional \$70,000 in [Phase II](#) mini-grants that are available on a rolling basis through May 2020.

The Committee is hosting a series of Regional Census Training Workshops to better understand the importance of the Census, learn about outreach resources and tools, and how to help our community members complete the Census form. The Training Workshops are mandatory for Contra Costa County grantees and open to anyone interested in volunteering as a [Census Ambassador](#) to assist in census outreach and education in Contra Costa County.

The County's Census effort also focuses on "hard-to-count" Census Tracts, which amounts to 212,356 people in Contra Costa. Every person missed in the Census count is estimated to cost \$2,000 a year in lost federal funds. If Contra Costa County undercounts by 5%, we would lose \$1.1 billion over the next ten years.

Please join us at one of the workshops to become a trusted 2020 Census Ambassador:

Community Emergency Response Team (CERT) Spring 2020 Training Academy Open for Registration

The Richmond Fire Department conducts CERT training classes twice a year in English and Spanish. CERT training provides participants with basic skills and knowledge to safely respond to emergencies within their neighborhoods.

The CERT training topics include disaster preparedness, fire safety, basic disaster medicine, light search and rescue techniques, team organization, disaster psychology and homeland security information. The training culminates in an all-day drill giving CERT students the opportunity to apply their newly learned skills.

Registration is now open for the Spring 2020 CERT Training Academy. To earn a training completion certificate, participants must complete all CERT modules and the CERT Drill Day. Training dates are:

- Saturday, March 14th – Sunday, March 15th
- Saturday, April 18th – Sunday, April 19th
- CERT Drill Day is Saturday, May 9, 2010 (8:00 A.M. to 4:00 P.M.)

Class times are 8:30 A.M. to 4:30 P.M. each day unless otherwise noted.

Chief French participates in African American Police Chiefs Panel Discussion

On Wednesday February 19th, Chief French participated on a panel at the University of Southern California (USC). The panel featured four current and former African American Chiefs of Police to examine the racial challenges they experienced within the law enforcement culture to reach the highest rank at their agencies. The conversation explored issues such as racism within the profession and how departments are trying to build trust and legitimacy as national polarization increases. The panel was moderated by professor, Dr. Erroll Southers.

Officers take another firearm off the streets

On the night of February 21st, while conducting proactive patrols in the city's southern district, officers contacted an individual sitting in a car, illegally parked in a handicapped spot. After speaking with the suspect, he was removed from the vehicle. While stepping out, a loaded firearm fell from his waistband. The department is proud of the officers' continued efforts to make the city safer by taking guns off the streets.

Richmond kids take the wheel!

Officer Middleton takes time out of his busy day to entertain a couple of little ones. The kids had a great time playing with the gadgets in the police car and on his uniform. Some of the best times spent on the job are making kids happy.

RPAL Annual Luncheon

Chief French, along with RPD officers and sheriff deputies, served food at the Richmond Police Activities League (RPAL) Annual Luncheon. RPAL is doing a great job of supporting, uplifting and empowering our youth!
