**4. Community Development**

**Census 2020 is Underway! Don't miss being Counted!**

The future of our communities starts with Census 2020. The Census count comes once a decade, to count every person living in the United States. Not only does the count determine congressional districting, it is also used to allocate critical funding for our communities for roads, affordable housing, schools, parks, and healthcare – which has been proved to be so essential for everyone during COVID-19 pandemic.

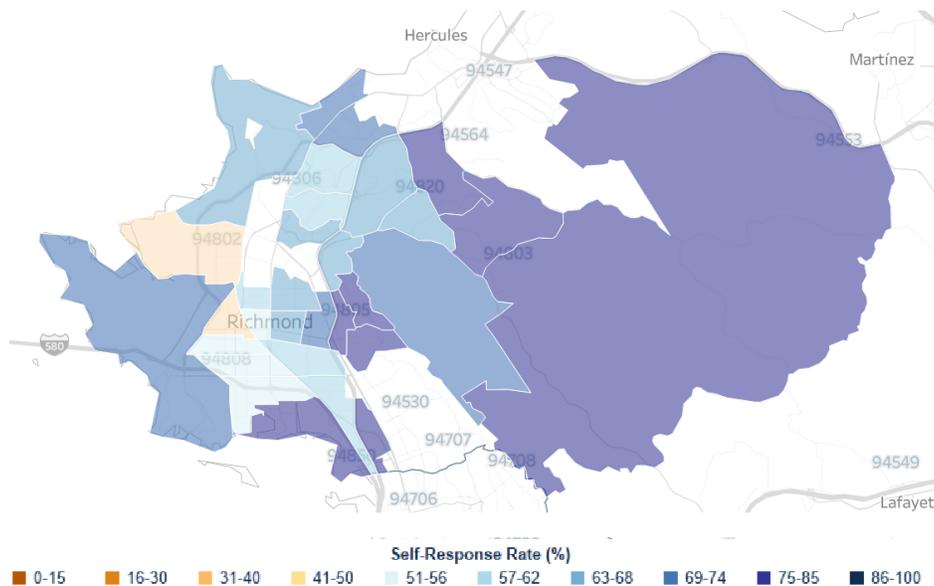

As of June 16, 2020, **63.9% of Richmond households have responded to Census 2020 –a 0.7% increase** compared to June 1st. **Two Richmond neighborhoods still have a self-response rate below 50%** - Iron Triangle (49.4%) and North Richmond, including Shields-Reid (47.3%).

**¡El Censo 2020 está sucediendo! ¡No olvide contarse!**

El futuro de nuestras comunidades empieza con el Censo 2020. El Censo se realiza una vez cada década, para contar a cada persona viviendo en los Estados Unidos. El conteo no solo define los distritos electorales, también se usa para determinar el presupuesto de nuestras comunidades incluyendo carreteras, vivienda accesible, escuelas, parques y acceso a la salud – algo que ha demostrado ser esencial para todas las personas durante la pandemia de COVID-19.

Al 16 de junio, **63.9% de los hogares han respondido al Censo 2020** en la Ciudad de Richmond – un **aumento de 0.7%** comparado con los datos del 1ro de junio. **Dos vecindarios de Richmond se encuentran aún debajo del 50% de respuesta** - Iron Triangle (49.4%) y North Richmond, incluyendo Sheilds-Reid (47.3%).

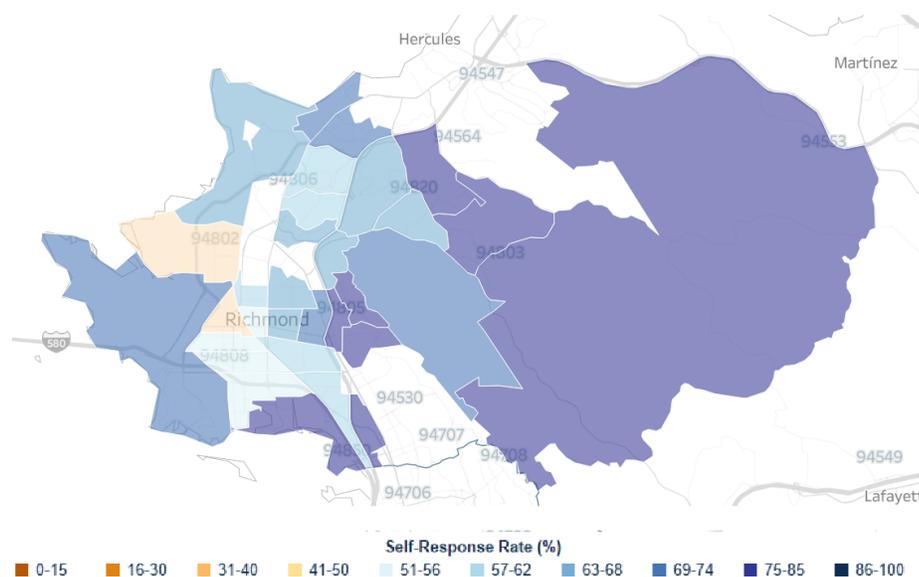

A continuación, se presenta una tabla con el porcentaje de respuesta de cada vecindario de la ciudad y el crecimiento de la tasa de respuesta en las últimas 2 semanas:

**Tabla 1. Porcentaje de respuesta del Censo 2020 por vecindario en la Ciudad de Richmond al 16 de junio.**

Si el Condado de Contra Costa no cuenta al 5% de la población, perdería aproximadamente \$1.1 mil millones de dólares de financiamiento en los siguientes 10 años.

## 5. **Fire Department**

The Richmond Fire Department takes every precaution to help protect you and your property from wildland fire. However, in a major wildland fire event, there simply may not be enough resources or firefighters to defend every home.

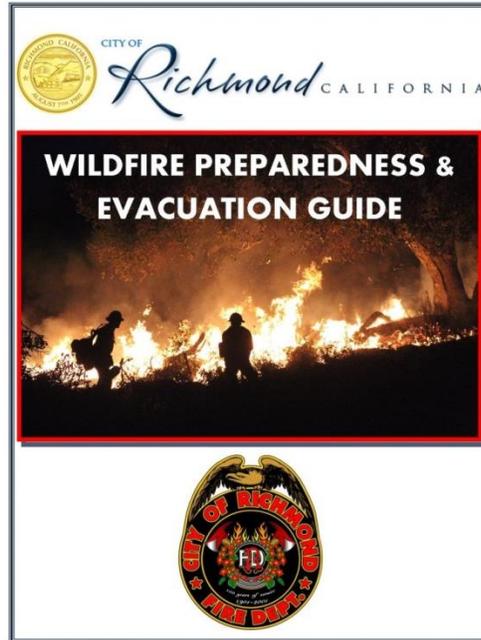

Successfully preparing for a wildland fire enables you to take personal responsibility to protect yourself, your family, and property. In this guide, we provide the tips and tools you need to prepare for a wildland fire threat, to have situational awareness when a fire starts, and to act early as directed by local officials.

This guide works in collaboration with other existing wildland fire public education efforts, but attempts to capture pertinent information into one document for your convenience. Additional resources are listed within this document for further information.

**You are a key leader to creating change.** You and the members of your community can take simple steps to increase your wildland fire preparedness. Your knowledge and actions may empower others to follow your lead, increasing their safety and potentially decreasing property loss and damage. Being prepared for a wildland fire is vital, as responders' resources can be spread thin quickly during a wildfire event. Taking advanced personal action can result in improved safety for all involved.

Fire is, and always has been, a natural occurrence. Hills, canyons, and forests burned periodically long before homes were built. Wildland fires are fueled by a build-up of dry vegetation and driven by seasonal hot and dry winds, called "Diablo winds." These winds can quickly spread wildfires, making them extremely dangerous and difficult to control. Many people have built homes in the wildland urban interface, or "WUI," without fully understanding the impact a wildfire may have on their lives. Few have adequately prepared their families and homes for a timely evacuation in the event of a wildland fire.

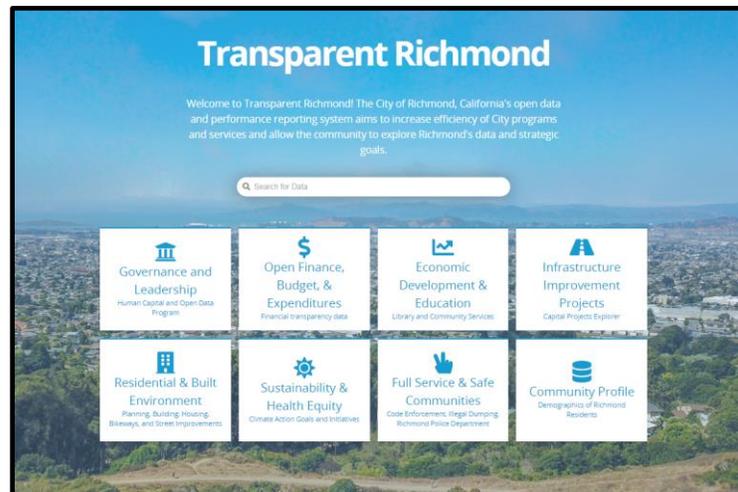

It is not a question of if the next major wildfire will occur, but when. Through advanced planning, understanding, and preparation, we can all be partners in the wildland fire solution. The tips on the following pages are designed to help create awareness and a safer environment for you, your family, and the Richmond Fire Department.

Richmond Public Library Launches Virtual Storytimes  
Message from Sheila Dickinson, Children's Services Librarian to Library patrons

We miss you all so much! But finally we just returned to the Main library to try & get ready for the day we can open again! We're not open yet but you can call us & we'll make up bags of books for you! There will be lots of changes at the library, some will be confusing. One good change is that we've started this new Facebook page & we will be posting storytimes, baby times, flannel board stories, bilingual stories, links you can use to find books or other kid/family information. And pretty soon we will start an online summer reading program & summer shows for fun! You can "like" & "follow" this page, it will get better every day while we figure it out. If you have a story you'd like us to read to you please let us know & we'll try our best to find it (or a favorite song or finger-play).

Thank you and stay safe, Love Sheila 🧡

## Recreation

### First Week of Camp ACHIEVE

On Monday, June 15, 2020, the Community Services Department kicked off their first Virtual Summer Camp. More than 80 children Zoomed in for morning announcements on our Camp Launchpad. After announcements, the campers went to virtual classrooms for grades 1 through 6 and one class for second language learners. This year's Camp Achieve will offer kids fun, education, and a place to pick up lunches and supplies to do all of their home activities at our local community centers: Parchester, May Valley, Shields Reid, Nevin, BTA and the Rec Complex. The camp is also supported by our partners West Contra Costa Ed Fund, East Bay Center for the Performing Arts, West County Reads, Spark Poetry, and many more. We hope that even in a pandemic, we want our students to be able to connect with us and continue their learning over the summer.
