5. **Community Development**

HOME-American Rescue Plan (HOME-ARP)

Contra Costa County needs your input on homelessness needs within your community.

The American Rescue Plan Act of 2021 appropriated \$5 billion to assist individuals or households who are homeless, at risk of homelessness, and other vulnerable populations, by providing rental housing, rental assistance, supportive services, and non-congregate shelter, to reduce homelessness and increase housing stability. In September 2021, HUD awarded the Contra Costa County HOME Consortium (which consists of Contra Costa County and the Cities of Antioch, Concord, Pittsburg, and Walnut Creek) **\$12,090,215** in HOME-ARP funds.

We invite you to share your thoughts by taking a survey.

The HOME-ARP survey is designed to gather information from stakeholders, affordable housing developers, and community members about homelessness needs in Contra Costa County and HOME-ARP projects being planned. The survey takes approximately 10 minutes to complete and will be available until **June 1, 2022**.

[English Survey](#)

La encuesta del programa HOME-ARP (en sus siglas en inglés) está diseñada para recopilar información de partes interesadas, los desarrolladores de viviendas asequibles y los miembros de la comunidad sobre las necesidades de las personas sin hogar en el Condado de Contra Costa y los proyectos de HOME-ARP que se están planificando. La encuesta tardará aproximadamente 10 minutos en completarse y estará disponible hasta el **1 de junio de 2022**.
