

Hi,

I am writing in support of permanent pickleball courts. I play every weekend at Booker T Anderson Park. I bring my own net. Sure would be nice to not have to lug and to set up equipment! Pickleball has become my saviour during Covid and for keeping me healthy today. It provides me with a social group. I'm 61 and it is something I hope to play well into my retirement years.

Thank you for your attention to this matter.

Park & Rec Commision,

I am a Richmond resident and I ask you to please approve without further delay the recommendation of 2 dedicated Pickleball courts at Booker T. Anderson park.

Thank you, Nora Lee

Hi, as a Richmond resident and pickleball player, I urge you to convert at least two of the tennis courts at BTA park to dedicated pickleball courts.

Jim Gierszewski
1645 Merced Street
Richmond

I live in Richmond Annex, and Anderson Park is the park in our city that is closest to our neighborhood.

I would definitely like to see dedicated permanent Pickle Ball courts at our park.

Thank you,

Fletcher

Fletcher Oakes

To whom it may concern,

Please consider putting permanent pickleball nets at BTA. I learned how to play PB just a year ago at BTA. I am also a tennis player, but there are plenty of tennis courts in and around Richmond. My husband also plays both tennis and PB and we are Richmond residents.

As you probably know, the equipment box was stolen, so now when we play we must bring our own nets. I have never seen anyone play tennis on these courts but you can see many, many people playing PB.

Thank you for your consideration.
