Contra Costa Health to Transition its COVID Response

Contra Costa Health (CCH) is transitioning its COVID Response as local, state and federal public health emergencies come to an end.

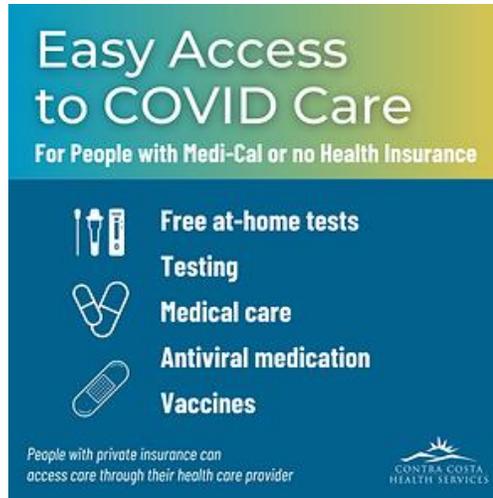

State testing sites and county-run COVID vaccination sites will close in March 2023. While official health emergencies are going away, we recognize that COVID is not. Contra Costa Health (CCH) will still be addressing COVID as part of its regular departmental operations in the future with a focus on equity.

Here are two key dates:

- **March 4:** Last day of operation for the two remaining [state test-to-treat sites](#) in Pleasant Hill and Antioch. CCH continues to offer [free home test kits](#) to anyone who needs them through CCH's [online form](#) or our call center, 1(833) 829-2626. Home test kits are also available free online via the [federal government](#) and at [several locations throughout the community](#), including our health centers and [county-run libraries](#).
- **March 31:** The three [county-run mass vaccination sites](#) in Antioch, Concord and Richmond will close. People can still get vaccines through their regular healthcare providers and local pharmacies. The uninsured and Medi-Cal patients will still be able to access free COVID vaccines at CCH's [health centers](#), [pop-up vaccine clinics](#) and CCH's weekly [immunization-only clinics](#), which will soon be offering evening hours to provide better access to working people.

The state and county-level emergency public health declarations ended on Feb. 28, while the federal emergency declaration ends on May 11.

For more information, see CCH's [Easy Access to Care handout](#) or read our [COVID-19 transition plan](#).

Contra Costa County Monkeypox Updates

Contra Costa Health Services, along with the California Department of Public Health (CDPH) and other agencies, are monitoring a growing outbreak of Monkeypox (MPX) cases in the United States and California. Visit the CDPH [MPX tracking page](#) for the latest information about confirmed or suspected cases of MPX in the county.

While it is good to stay alert about any emerging public health outbreaks, the current risk of getting MPX in the public is very low, outside of certain activities that increase the chance of exposure.

Please visit the [Contra Costa Health Monkeypox](#) webpage for more information.

Upcoming Pop-Up MPX Vaccine Clinics

Contra Costa County Health will be holding mobile MPX vaccine clinics at the locations and times below. Flu vaccine and COVID vaccine/boosters are also available at these clinics. Walk-ins welcome! First and second doses of Jynneos vaccine available to those eligible.

The information for the next pop-up clinics are listed below:

- This event is rain or shine. In any circumstance, including inclement weather, it will be the host's purview to cancel or proceed. The garage sale map will not reflect any cancelations received after the registration deadline. If a garage sale host is not present when you arrive, you would simply move on to the next location.

Small Business Administration (SBA) press release: SBA Tops \$25 Million in Disaster Assistance Loans for Severe Winter Storms, Flooding, Landslides and Mudslides

SACRAMENTO, Calif. – Director Tanya N. Garfield of the U.S. Small Business Administration’s Disaster Field Operations Center-West announced today that SBA has approved more than \$25.7 million in federal disaster loans for California businesses and residents impacted by severe winter storms, flooding, landslides, and mudslides that occurred Dec. 27, 2022 - Jan. 31, 2023. According to Garfield, SBA has approved \$3,474,600 for businesses and \$22,267,500 for residents to help rebuild and recover from this disaster.

“This financial milestone of approved loans marks the progress of recovery from these storms,” said Francisco Sanchez, Jr., Associate Administrator, Office of Disaster Recovery and Resilience. “Long-term recovery is an arduous process, and disaster survivors should know that we will continue to remain vigilant in serving these communities today and into the future to support them as they rebuild.”

“SBA’s disaster assistance employees are committed to helping businesses and residents rebuild as quickly as possible,” said Garfield. Businesses and residents in Alameda, Calaveras, Contra Costa, Mendocino, Merced, Monterey, Sacramento, San Joaquin, San Luis Obispo, San Mateo, Santa Barbara, Santa Cruz and Ventura counties who sustained damages are encouraged to register prior to the March 16, 2023, deadline with the Federal Emergency Management Agency at [disasterassistance.gov](https://www.disasterassistance.gov). “Don’t miss out on any assistance you may be entitled to by not registering for help. You don’t need to wait for your insurance to settle or obtain a contractor’s estimate,” she added.

SBA disaster loan borrowers have up to one year from the date of the note to begin making payments. In addition, interest does not begin to accrue until 12 months from the date of the initial loan disbursement and accrues only on the amount disbursed.

SBA continues to provide one-on-one assistance to disaster loan applicants at all the federal-state Disaster Recovery Centers, SBA Business Recovery Centers, SBA Disaster Loan Outreach Centers, and Local Assistance Centers throughout the affected areas to explain SBA’s disaster loan program and help business owners and residents close their approved disaster loans.

Businesses of all sizes and private nonprofit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. The SBA can also lend additional funds to help business and residents with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses and most private nonprofit organizations of all sizes, SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the

disaster. Economic injury assistance is available regardless of whether the business suffered any property damage. **The deadline to apply for economic injury is Oct. 16, 2023.**

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property.

Interest rates can be as low as 3.305 percent for businesses, 2.375 percent for private nonprofit organizations and 2.313 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by SBA and are based on each applicant's financial condition.

Applicants may apply online, receive additional disaster assistance information, and download applications at <https://disasterloanassistance.sba.gov/>.

Applicants may also call SBA's Customer Service Center at (800) 659-2955 or email disastercustomerservice@sba.gov for more information on SBA disaster assistance.

For people who are deaf, hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services. Completed applications should be mailed to U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Recently, U.S. SBA Administrator Isabella Casillas Guzman [announced a policy change](#) granting 12 months of no payments and 0% interest. This pertains to all disaster loans approved in response to disasters declared on or after September 21, 2022, through September 30, 2023. This covers SBA disaster loans currently available for Hurricane Fiona and Hurricane Ian. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay. Details are available through the SBA Disaster Assistance Customer Service Center at (800) 659-2955. Individuals with verbal or hearing impairments may dial 7-1-1 to access telecommunications relay services from 8:00 A.M. to 8:00 P.M. ET, Monday to Friday, or email: disastercustomerservice@sba.gov.

SBA Supera \$25 Millones en Préstamos por Desastre Aprobados por las Severas Tormentas Invernales, Inundaciones y Deslizamientos de Tierra y Lodo

SACRAMENTO, Calif. – Tanya N. Garfield, Directora del Centro de Desastres Regional del Oeste (Disaster Field Operations Center-West) de la Administración Federal de Pequeños Negocios (SBA por sus siglas en inglés), anunció hoy que SBA ha aprobado más de \$25.7 millones en préstamos federales de desastre para los negocios y residentes en el estado de California que se vieron afectados por las severas tormentas invernales, inundaciones y deslizamientos de tierra y lodo que ocurrieron del 27 de Diciembre de 2022 al 31 de Enero de 2023. Según Garfield, SBA ha aprobado \$3,474,600 para negocios y \$22,267,500 a residentes para ayudarlos a reconstruir y recuperarse de este desastre.

“Este logro financiero de préstamos aprobados muestra el progreso de la recuperación después de estas tormentas,” dijo Francisco Sánchez, Jr., Administrador Asociado de la Oficina de Recuperación y Resiliencia de SBA. “La recuperación a largo plazo es un proceso difícil, y los sobrevivientes del desastre deben saber que continuaremos atentos en servir a estas comunidades hoy y en el futuro para apoyarlas durante la reconstrucción.”

“El personal de la Oficina de Asistencia de Desastres de SBA está comprometido en ayudar a negocios y residentes a recuperarse lo antes posible,” dijo Garfield. Los negocios y residentes en los condados de Alameda, Calaveras, Contra Costa, Mendocino, Merced, Monterey, Sacramento, San Joaquín, San Luis Obispo, San Mateo, Santa Barbara, Santa Cruz y Ventura que sufrieron daños pueden registrarse con la Agencia Federal para el Manejo de Emergencias (FEMA por sus siglas en inglés) antes del 16 de Marzo de 2023 en www.disasterassistance.gov. “Si no se registra y solicita ayuda, podría dejar de recibir asistencia a la que puede tener derecho. No necesita esperar a recibir pago de su seguro o un estimado por parte de un contratista,” agregó.

Los prestatarios de préstamos por desastre de la SBA tienen hasta un año de la fecha del Pagaré para empezar a hacer pagos. Además, los intereses no comienzan a acumularse hasta 12 meses de la fecha del primer desembolso y se acumulan solamente sobre la cantidad desembolsada.

Representantes de SBA seguirán disponibles para asistir personalmente a los solicitantes en todos los Centros Locales de Asistencia federal-estatal, Centros de Recuperación por Desastre, Centros de Recuperación de Empresas de la SBA y Centros de Asistencia de Préstamos por Desastres de la SBA en todas las áreas afectadas para explicar el programa de préstamos por desastre de la SBA y ayudar a los propietarios de negocios y residentes a cerrar sus préstamos aprobados para desastres.

Los negocios de cualquier tamaño y las organizaciones sin fines de lucro privadas pueden solicitar préstamos hasta de \$2 millones para reparar o reemplazar sus bienes inmobiliarios dañados o destruidos, maquinaria y equipo, inventario y otros activos.

Además, SBA puede prestar fondos adicionales para ayudar con el costo de mejoras para proteger, prevenir o minimizar que el mismo tipo de daños no ocurran en el futuro.

Para los pequeños negocios y la mayoría de organizaciones sin fines de lucro privadas de todos tamaños, SBA ofrece Préstamos de Desastres para Pérdidas Económicas para ayudarles a cubrir necesidades de capital de trabajo causadas por el desastre. Estos préstamos están disponibles independientemente de si el negocio u organización sufrió algún daño físico en la propiedad. La fecha límite para solicitar un préstamo para pérdidas económicas es el 16 de Octubre de 2023.

Los préstamos de desastre disponibles para dueños de casas pueden ser hasta de \$200,000 para reparar o reemplazar bienes raíces dañados o destruidos. Dueños de casas e inquilinos pueden solicitar hasta \$40,000 para reparar o reemplazar su propiedad personal dañada o destruida.

Las tasas de interés de los préstamos pueden ser tan bajas hasta de 3.305 por ciento para negocios, 2.375 por ciento para organizaciones sin fines de lucro privadas y 2.313 por ciento para dueños de casas e inquilinos por plazos de hasta 30 años. Los montos y términos de los préstamos son establecidos por SBA y se basan en las condiciones financieras de cada solicitante.

Los interesados pueden llenar una solicitud en línea, recibir información adicional sobre asistencia de desastres y descargar la solicitud de préstamo en <https://disasterloanassistance.sba.gov/>. También pueden comunicarse al Centro de Servicio a Clientes para Asistencia de Desastres de SBA marcando (800) 659-2955 o enviando un correo electrónico a disastercustomerservice@sba.gov para obtener mayor información. Las personas con discapacidades auditivas o del habla, favor de marcar 7-1-1 para tener acceso al servicio de retransmisión de telecomunicaciones. Las solicitudes completadas en papel deben enviarse por correo a U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Recientemente, la Administradora de la SBA, Isabella Casillas Guzmán, [anunció un cambio de política](#) otorgando 12 meses sin pagos y 0% de interés. Esto se refiere a todos los préstamos por desastre aprobados en respuesta a desastres declarados a partir del 21 de Septiembre de 2022 hasta el 30 de Septiembre de 2023. Esto cubre los préstamos por desastre de la SBA actualmente disponibles para el Huracán Fiona y el Huracán Ian. Este cambio de política beneficiará a los sobrevivientes del desastre y los ayudará a disminuir el costo general de recuperación al reducir la cantidad de intereses acumulados que deben pagar. Los detalles están disponibles a través del Centro de Servicio al Cliente de Asistencia por Desastre de la SBA al (800) 659-2955. Las personas con discapacidades auditivas o del habla pueden marcar el 7-1-1 para acceder a los servicios de retransmisión de telecomunicaciones de 8:00 A.M. a 8:00 P.M. ET, de Lunes a Viernes, o envíe un correo electrónico a disastercustomerservice@sba.gov.

The Community Services, Recreation Division is in its second month of the Tiny Heroes classes for infants and toddlers at Shields-Reid and Nevin Community centers. The classes are running at Nevin on Mondays and Tuesdays, and Shields-Reid's are on Wednesdays and Thursdays. This program is to focus on the child's development. The classes help with their fine and gross motor skills, it exposes the children to interact with other children. The participants do art projects led by Richmond Recreation Leaders with the support of parents, and are introduced to the alphabet, numbers 1-10, and the

colors. This is not a preschool or a daycare, so the parents/guardians are always by their children.

FATS OILS & GREASE (FOG)

DO NOT POUR GREASE DOWN THE DRAIN! Grease continues to be a problem in the sanitary sewer system and the Richmond Wastewater Treatment Plant. Grease clogs pipes and can be detrimental to the function of the plant. It can also lead to sanitary sewer overflows (SSOs).

For more information about Fats, Oils, and Grease (FOG), please call (510) 620-6594.

GREASE ALERT!
Fats, Oils and Grease can clog our sewer pipes and can cause you **COSTLY** backups in your condo or apartment.

FIGHT F.O.G.
Fats, Oils & Grease can clog the sewer pipes in your area!

The City of Richmond was in your neighborhood working to keep the sewer lines clean, which helps prevent sewer overflows that can pollute our creeks, rivers, and groundwater. Help us fight future sewer backups in your area.

By following a few simple steps, you can help prevent sewer backups and spills:

1. Pour cooled fats, oils and grease into a covered, disposable container and throw it into your garbage can. Never pour fats, oils or grease down sink drains or toilets. COOL IT, CAN IT, TRASH IT.
2. Soak up remaining oils and grease with an absorbent material such as paper towels, and throw it into your garbage can.
3. Before you wash dishes, scrape food scraps, fats, oils and grease into your garbage can.
4. Use sink strainers to catch any remaining food waste while washing dishes.
