In compliance with California SB 901, AB 1054, and guidelines from the Office of Energy Infrastructure Safety (Energy Safety), the 2023-2025 WMP addresses PG&E's wildfire safety programs and initiatives focused on reducing the potential for catastrophic wildfires related to electrical equipment, reducing the potential for fires to spread, and containing the customer impact of EPSS/PSPS events.

- PG&E's 2023-2025 WMP filing is located at pge.com/wildfiremitigationplan.
- Public comments are due to the Office of Energy Infrastructure Safety by **May 26, 2023:**

- Comments from the public can be submitted directly to the Office of Energy Infrastructure Safety on their website at:
<https://efiling.energysafety.ca.gov/EFiling/DocketInformation.aspx?docketnumber=2023-2025-WMPs>.
- Following the public comment period, PG&E will then submit a consolidated reply by June 5, 2023.
- A draft decision on the WMP is expected to be issued in July 2023.
- For any questions about this process, please email the Office of Energy Infrastructure Safety at efiling@energysafety.ca.gov.

39th Senior Information Day & Health Fair

The Annual Senior Info Day, held on Wednesday, May 17th at the Richmond Memorial Auditorium, was a remarkable success thanks to the collaborative efforts of our Community Services - recreation team, Commission on Aging (COA), community vendors, and senior participants. The event, MC'd by Bryan Harris, a dedicated member of the COA and former member of our division, provided a valuable platform for seniors to gather essential information and resources.

With an impressive turnout of over 250 seniors, the event featured 45 vendors and 12 participant/guest performers, creating a vibrant and engaging atmosphere. We would like to extend our gratitude to Digit Sounds for providing top-notch audio and sound services, enhancing the overall experience for everyone in attendance.

In addition to the wealth of information available, the event included exciting door prizes, gift baskets, bags, and cards, as well as a 50/50 raffle. Attendees also enjoyed light and nutritious snack boxes comprising yogurt, granola, grapes, and cuties. It was truly heartwarming to witness seniors reconnecting and spending quality time with one another in person once again.

We would like to express our sincere appreciation to all those involved in the success of this event, including the dedicated individuals who assisted with set-up, logistics, finance, event planning, and execution. Your hard work and commitment to creating a memorable experience for our seniors are truly commendable. Thank you all for your invaluable contributions.

Fats, Oils & Grease can clog the sewer pipes in your area!

The City of Richmond was in your neighborhood working to keep the sewer lines clean, which helps prevent sewer overflows that can pollute our creeks, rivers, and groundwater. Help us fight future sewer backups in your area.

By following a few simple steps, you can help prevent sewer backups and spills:

1. Pour cooled fats, oils and grease into a covered, disposable container and throw it into your garbage can. Never pour fats, oils or grease down sink drains or toilets. **COOL IT, CAN IT, TRASH IT.**
2. Soak up remaining oils and grease with an absorbent material such as paper towels, and throw it into your garbage can.
3. Before you wash dishes, scrape food scraps, fats, oils and grease into your garbage can.
4. Use sink strainers to catch any remaining food waste while washing dishes.
