How To Report Illegal Fireworks

With the Fourth of July right around the corner, the Richmond Police Department (RPD) has collaborated with agencies across the county in an effort to combat the ongoing issue of illegal fireworks.

RPD is deploying additional personnel, whenever possible, to address the increased calls for service related to fireworks calls.

Below is a flyer with tips on how to make your call to the RPD Communications Center most effective for our officers. We encourage our residents to call RPD Dispatch at 510-233-1214 to report any illegal activity. Please call 911 if it is an emergency.

PG&E Low Income Program – Save with PG&E's CARE Program

The City Manager's Office, Economic Development, Environmental and Health Initiatives Division encourages Richmond residents to reduce their energy bill through PG&E's low-income assistance programs. CARE and FERA are PG&E discount programs that help eligible customers pay their energy bills. **Over 1.4 million**

customers are receiving a bill discount through these two programs. Simply complete the online CARE/FERA enrollment form and PG&E will let you know if you're eligible.

- **California Alternate Rates for Energy Program (CARE).** A monthly discount of 20% or more on gas and electricity. Participants qualify through income guidelines or if enrolled in certain public assistance programs.
- **Family Electric Rate Assistance Program (FERA).** A monthly discount of 18% on electricity only. Must be a household with three or more people. Participants qualify through income guidelines.

[APPLY ONLINE NOW](#)

Please note: Tenants of sub-metered residential facilities cannot apply through the CARE/FERA online application. Please use the [CARE/FERA Sub-metered Residential application](#).

Find mail-in forms plus Spanish, Chinese and Vietnamese applications under "Complete an application," at the following link: [Complete an application \(multiple languages\)](#).

To qualify for CARE:

- The PG&E bill must be in your name. (For sub-metered tenants, the energy bill from your landlord must be in your name.)
- You must live at the address to which the discount applies.
- Another person (besides your spouse) can't claim you as a dependent on an income tax return.
- You must not share an energy meter with another home.
- You must account for all sources of qualifying household income and meet the program income guidelines.
- You must notify PG&E if your household no longer qualifies for the CARE discount.
- After you enroll, you may need to provide proof of qualifying household income. You may also be required to participate in the Energy Savings Assistance Program.
- Your monthly electric usage must not exceed six times the Tier 1 allowance. This is the lowest-priced rate tier within PG&E's standard Tiered Base Plan.
- You must renew your eligibility every two years (or every four years if you're on a fixed income).
- Qualification is based on the total income of everyone living in the home or participation in qualifying public assistance programs.

Qualifying for CARE based on public assistance program participation

You may qualify for the CARE Program if you or someone in your household takes part in any of the following public assistance programs.

- Low Income Home Energy Assistance Program (LIHEAP)
- Women, Infants, and Children (WIC)
- CalFresh/SNAP (Food Stamps)

- CalWORKs (TANF) or Tribal TANF
- Head Start Income Eligible (Tribal Only)
- Supplemental Security Income (SSI)
- Medi-Cal for Families (Healthy Families A & B)
- National School Lunch Program (NSLP)
- Bureau of Indian Affairs General Assistance
- Medicaid/Medi-Cal (under age 65)
- Medicaid/Medi-Cal (age 65 and over)

Household Income Requirements for the CARE/FERA Program

Number of people in household	CARE	FERA
1-2	\$39,440 or less	Not eligible
3	\$49,720 or less	\$49,721-\$62,150
4	\$60,000 or less	\$60,001-\$75,000

Community Feedback Needed! – Waste Collection Services and Programs

The Economic Development, Environmental and Health Initiatives Division invites anyone who lives or works in Richmond to provide feedback regarding Richmond's solid waste collection programs and gaps in program offerings. All responses will inform and guide the City's approach as collection services for trash, recycling, and organics are reviewed prior to the agreement's expiration in 2025. The City's aim is to improve and promote sustainability, equity, and zero waste.

All eligible participants who complete the survey will be entered into a random drawing where 15 participants will be selected to receive \$50 gift cards. This survey is being conducted by an independent research firm. Your information and identity will remain protected and private and will not be shared, sold, or used for any other purpose.

Building Division

The Building Division is one of the four divisions within the Community Development Department. The Building Division is the lead in ensuring construction conforms to the California Building Standards Code, as adopted by the City. This includes reviewing construction plans prior to issuance of a building permit and conducting required inspections on construction projects after the building permit has been issued to ensure compliance with the code and the approved plans. Building Division staff also investigate habitability complaints and other building code violations, including work without permits. The primary focus of this division is protecting public health and safety.

Below is a summary of the Building Division's Activities for the month of May 2023:

- 423 Plan Checks Completed
- 411 Permits Issued
- 1074 Inspections Completed
- 45 Building Code Enforcement cases opened and followed up on.
- 18 Building Code Enforcement cases closed.

July Adult Craft Kit – Markers on Canvas

Take a break and spark some joy with this free adult craft kit! The kit comes with a pre-printed canvas and three colored markers (adding markers you already have is encouraged). To get started, unwrap the canvas; next, start coloring. It's that easy! Visit any Richmond Public Library location. Come by the Main Library (325 Civic Center Plaza), Bayview Branch (5100 Hartnett Ave.), or West Side Branch (135 Washington Ave.) to get a kit. For more information, call Adult Reference at (510) 620-6561. *Kits available while supplies last.*

Reading Buddies at the West Side Branch Library!

Do you want to practice your reading during the summer? Kids entering grades 1 through 6 are invited to read with a volunteer! Sign up for a 20-minute time slot Wednesdays, 2:00 PM to 3:30 PM. For more information or to sign up, call (510) 620-6567, check the [West Side Branch Facebook page](#), or email susan_white@ci.richmond.ca.us. We hope to see you soon!

A flyer for 'Reading Buddies' at the West Side Branch Library. The flyer has a yellow background. At the top, the words 'READING BUDDIES' are written in a large, bold, brown, arched font. Below this, the text reads: 'Read aloud with a volunteer! It's best to sign up for a 20-minute time slot but drop-ins are welcome'. In the center, there is a photograph of a woman with dark hair, wearing a green shirt, sitting at a table and reading a book to a young girl with dark hair, wearing a light blue shirt. Below the photo, the text says: 'Wednesdays 2:00 - 3:30 P.M. June 21 - August 2 For kids entering grades 1 to 6'. At the bottom, the library's name and address are listed: 'West Side Branch Library 135 Washington Ave, Richmond CA (510) 620-6567'. The Richmond Public Library logo, featuring a large 'R' and the tagline 'find everything', is at the bottom center. On the left and right sides of the bottom section, there are illustrations of stacks of colorful books.

Summer Swim Lessons

It's swim lesson season at the City of Richmond pools for children, teenagers, and adults. For those who are just starting, and those who are almost ready to join a team.

The Richmond Aquatic staff spend hours in the water to help each student in their classes progress through various skills. This Saturday is the last day of the June session for lessons at the Richmond Swim Center. The first week just finished of the two-week session at the Richmond Plunge. July 3rd is when registration begins for the next sessions at both pools.

For information about the lessons, visit the Aquatics webpage. To sign up for lessons, visit tinyurl.com/richmondrecreation.

Love Your Block In-Kind Sponsorship Program: Supplies for Volunteer Events

Are you looking to make a positive impact in Richmond through volunteer clean-up and beautification projects, but need supplies to make it happen? Look no further than the Love Your Block In-Kind Sponsorship Program! We're now accepting requests for sponsorships, with up to \$1,000 worth of supplies available for each recipient.

From trash bags to gardening and landscaping supplies, painting materials to personal protective equipment, and even drinks and snacks for volunteers, we've got you covered. To learn more about the program guidelines and to apply, visit www.richmondloveyourblock.org.

If you have any questions, our Love Your Block staff are here to help at 510-620-6563 or volunteer@ci.richmond.ca.us. Let's work together to make Richmond an even more beautiful place to live!

Funding for the Love Your Block In-Kind Sponsorship Program comes from a partnership between the Community Services and City Manager's Office, Economic Development.

The poster features a green background with a dark green arrow pointing right at the top. At the top left, there are logos for 'Love Your Block' (three houses), 'Richmond' (a blue arrow), 'I ❤️ RICHMOND' (a heart), and 'CSD' (a circular seal). The main title 'LOVE YOUR BLOCK IN-KIND SPONSORSHIP PROGRAM' is written in white on the dark green arrow. Below this, there are three items, each with a blue circular icon: 'APPLY NOW' (a blue circle with 'APPLY NOW' text), 'Volunteer clean-up and beautification events and projects only' (an icon of a trash can and shovel), and 'Up to \$1,000 in supplies per project' (an icon of a hand holding a heart). At the bottom left is a QR code, and at the bottom right is the text 'Scan the QR code for more information or visit www.richmondloveyourblock.org'.

Summer Camps

Our free summer camp for K-8th graders is in full swing and is the perfect summer experience for your kids. Running from June 12 to August 2023, this camp promises a day filled with endless fun and adventure from 10:00 A.M. to 4:00 P.M. Don't let your child miss out on this incredible opportunity!

We have four convenient locations available at Booker T. Anderson Community Center, Nevin Community Center, Shields-Reid Community Center, and Parchester Community Center. With multiple locations to choose from, finding the perfect fit for your child's needs is easier than ever.

Our camp offers a diverse range of activities, from sports to arts and crafts, ensuring there's something for everyone. This camp is more than just a chance for your child to have fun; it's an opportunity for them to make new friends, learn new skills, and create unforgettable memories that will last a lifetime.

Registration is open! For more information and to register your child, give us a call at 510-620-6793.

After-School Camps

We are thrilled to introduce our After-School Program, ELEVATE & ACHIEVE, starting from August 15, 2023, to May 31, 2024. Designed to provide an enriching experience for students, our program offers a range of engaging activities and academic support in a safe and nurturing environment.

ELEVATE takes place at May Valley Community Center and the Recreation Complex, while ACHIEVE will be hosted at the Shields-Reid Community Center, Nevin Community Center, and Parchester Community. ELEVATE is priced at \$100 per month for Richmond residents and \$125 per month for non-residents, while ACHIEVE is available for a monthly fee of \$20 for Richmond residents.

Our programs run from after-school until 6:00pm, Monday through Friday, ensuring that your child will have a structured and supportive environment during their after-school hours.

Registration is now open! Secure your child's spot in ELEVATE or ACHIEVE by registering online at tinyurl.com/richmondrecreation. For any questions or further assistance, please feel free to contact us at 510-620-6793.

Spaces are limited, so don't miss out on this incredible opportunity for your child's after-school enrichment. We look forward to welcoming your child to our program and providing them with an exceptional experience!

Fats Oils & Grease (FOG)

DO NOT POUR GREASE DOWN THE DRAIN! Grease continues to be a problem in the sanitary sewer system and the Richmond Wastewater Treatment Plant. Grease clogs pipes and can be detrimental to the function of the plant. It can also lead to sanitary sewer overflows (SSOs).

For more information about Fats, Oils, and Grease (FOG), please call 510-620-6594.

GREASE ALERT!
Fats, Oils and Grease can clog our sewer pipes and can cause you **COSTLY** backups in your condo or apartment.

FIGHT F.O.G.
Fats, Oils & Grease can clog the sewer pipes in your area!

The City of Richmond was in your neighborhood working to keep the sewer lines clean, which helps prevent sewer overflows that can pollute our creeks, rivers, and groundwater. Help us fight future sewer backups in your area.

By following a few simple steps, you can help prevent sewer backups and spills:

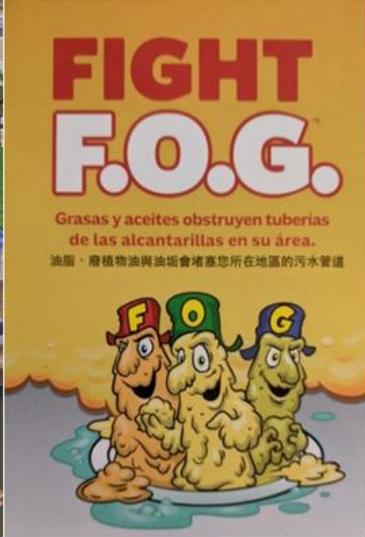

1. Pour cooled fats, oils and grease into a covered, disposable container and throw it into your garbage can. Never pour fats, oils or grease down sink drains or toilets. **COOL IT, CAN IT, TRASH IT.**
2. Soak up remaining oils and grease with an absorbent material such as paper towels, and throw it into your garbage can.
3. Before you wash dishes, scrape food scraps, fats, oils and grease into your garbage can.
4. Use sink strainers to catch any remaining food waste while washing dishes.

Sewer Lateral Grant Program

The City of Richmond's Water Resource Recovery Division administers the Sewer Lateral Grant Program. The program reimburses eligible homeowners in the Richmond Municipal Sewer District (RMSD No. 1) for some of the cost to replace their sewer lateral.

The program will reimburse applicants up to \$1,800 of the cost of a full sewer line replacement.

The program is open and accepting applications for the Fiscal Year 2022-2023 for sewer lateral work completed between 7/1/2022-6/30/2023.

For more information about the Sewer Lateral Grant Program, please visit www.ci.richmond.ca.us/2130/Sewer-Lateral-Grant-Program or call 510-620-6594.

Sewer Lateral Grant Program Application Guidelines

Application and copies of the required documents listed below must be submitted to:
Water Resource Recovery Division - 455 Civic Center Plaza, 2nd Floor, Richmond, CA 94804
Customer Name: Water@ci.richmond.ca.us

The City of Richmond recommends obtaining estimates from at least three (3) contractors.

Eligibility

- Parcels served by the City of Richmond Sanitary Municipal Sewer District.
- Sewer lateral replacement must be completed **BEFORE** applying for the Sewer Lateral Grant Program.
- A full line replacement must be completed.
- If you have previously received a Sewer Lateral Grant reimbursement, you will not be eligible to apply.

Required Documents

- City Lateral Grant Applications dated 6/30/2022 or newer will be accepted.
- Contractor's final paid in full invoice.
- Proof of payment (copy of canceled check, credit card receipt, or bank statement are accepted).
- Certificate of Lateral Compliance (issued by the City after encroachment permit inspections are approved).
- Grant Deed (change of ownership) taken place within last 3 months and/or if property is under a Trust.
- Tax-exempt organizations must submit proof of tax-exempt status.

Application

- Each fiscal year the City allocates sewer lateral grant funds to be awarded for private sewer lateral replacement.
- This program can be suspended at any time without prior or advanced notification or posting.
- Property owners are eligible for **ONE (1)** sewer lateral grant reimbursement award in a lifetime on a first come, first served basis until all sewer lateral funds are exhausted.
- Starting July 1, 2022 and ending June 30, 2023, the complete sewer lateral grant reimbursement amount is \$1,800 per application.
- Incomplete applications will **NOT** be accepted.
- Applications will be accepted via email and mail at this time. This is subject to change.
- No applications will be accepted after the sewer lateral grant funds are exhausted.
- Reimbursement may take approximately 4 weeks from the date the completed application is received and approved by the City.

High Priority Critical Improvements Projects

Location: Wastewater Treatment Plant – 601 Canal Blvd.

Background: The City of Richmond and Veolia Water (Veolia) are implementing High Priority Critical Improvements Projects at the City's Wastewater Treatment Plant (WWTP), which is managed and operated by Veolia. The purpose of the projects is to replace aging and unreliable infrastructure, improve treatment operating efficiency, comply with future discharge regulations, and improve the functionality of the existing WWTP. The projects are over 65% complete and are expected to be completed in the fourth quarter of 2023.

Update: During the last two weeks, Shimmick continued working on the Pista Grit by continuing the shoring in the grit loading area and working on the formwork for the beams and girders in the pump room. In the Screening Facility, Shimmick's electricians installed electrical conduit prior to concrete being poured. In the Scum Pump Station, Shimmick stripped the wall forms; and in the Aeration Basins, Shimmick worked on the air piping system in preparation for the fine bubble diffuser system installation.

Pista Grit: Shimmick is working on the formwork and rebar for the beams and girders in the pump room and the grit loading area.

Pista Grit: Shimmick is finalizing the shoring in the grit loading area and working on the edge forms on the west side of the structure.

Pista Grit: Shimmick is installing temporary handrail and working on the formwork for the beams and girders in the pump room and the grit loading area.

Screening Facility: Shimmick is moving material to work on the upper deck.

Screening Facility: Shimmick's electricians are installing electrical conduit prior to concrete being poured.

Screening Facility: Shimmick continues the top mat rebar installation.

Screening Facility: Carollo design engineers conduct a structural inspection.

Screening Facility: Shimmick is taping off the embed elements prior to concrete being poured.

Aeration Basin 3: (Top left) Shimmick is installing the 3W spraying piping for the scum collection system. (Top right) Shimmick is hoisting in a segment of air piping.

Aeration Basin 3B/C: Shimmick is working on the air piping system including the pipe, valves, actuators, flow meters, etc.

Aeration Basin 3A/B/C: Shimmick is working on the air piping system including the pipe, drop legs, valves, actuators, instruments, etc.

Aeration Basin 3B/C: Shimmick is working on the air piping system including the pipe, drop legs, valves, actuators, instruments, etc. (top left and bottom). The Contractor is also installing the 10" 3 water header in basin 3B (top right).

Aeration Basin 3A: Shimmick is installing the RAS piping in basin 3A.

New Electrical Building: During a planned shutdown (MOP), Shimmick's electricians are pulling and terminating wire in SB1 to power the new switchboard 5.

2022-23 Grade 5 RAA Line Replacement

Location: Multiple locations to be provided at a later date

Background: This new project replaces (21) Sewer Main pipeline segments within the City of Richmond and adds Manholes to improve access for future maintenance. The Sewer Mains are 4" - 18" diameter; the combined length of pipe to be replaced is 5,667 lineal feet. These pipes have multiple defects that need to be addressed to avoid future pipe failure, which could lead to sanitary sewer overflows.

Update: Eleven (11) prospective contractors attended the mandatory Pre-bid Meeting on October 26, 2022. On November 30, 2022, four (4) bids ranging from \$1,319,500 to \$2,543,000 were received; all bids were within the engineer's estimate and budget allotted for this project. The project is forecast to start in the second quarter of 2023 pending action by Richmond City Council.

Ferry Point Sewer Pump Station Replacement Project

Location: Dornan Drive and Brickyard Cove Road

Background: The Richmond Ferry Point Sewer Pump Station is located at Dornan Drive and Brickyard Cove Road. The project has been phased in four phases to allow for construction of the new facilities while keeping the existing pump station operational. During Phase 1, temporary road improvements were installed; Now in Phase 2; the new pump station wet wells, masonry, piping & equipment are being installed. In Phase 3, the new pump station will be placed into service, and Phase 4 will be the removal of the existing pump station and final road improvements. The project is expected to take approximately one year to complete.

Update: Thompson Builders Corporation mobilized to the site Tuesday January 17, 2023. After temporary traffic control was established, the Contractor excavated and set (3) precast concrete vaults. The Contractor has verified connections for the incoming gravity sewer lines and outgoing sewer force main. Sewer line routing alternatives that can be accomplished without disturbing the operation of the existing Lift Station are being explored. Excavation for masonry footings will start in March. Overall Project Completion is anticipated in Fourth Quarter 2023.

On call Contractor Bay Hawk, Inc. assists with USA markings to locate buried sewer mains (above) while Thompson Builders is potholing (below).

Marina Bay Parkway Force Main Extension Project

Location: Intersection at Pierson Ave and Marina Bay Parkway

Background: The Marina Bay Parkway Force Main Extension Project extends the existing Marina Bay Parkway force main to a new manhole at the intersection of Pierson Avenue and Marina Bay Parkway and installs a new gravity sewer pipeline from the Pierson/Jetty Drive intersection, across Marina Bay Parkway. This piping reconfiguration will eliminate sanitary sewer overflows that occur from depressed manholes located at the intersection of Marina Bay Parkway and Pierson Avenue.

Update: The project work was initially completed in December 2021. The Contractor returned in March 2022 to install a bolt down manhole frame and cover on the new manhole at the termination of the Force Main. The material for the manhole frame and cover was a long-lead item. Additional scope to alleviate ongoing sanitary sewer overflows (SSOs) by adding 991 LF of 8" gravity sewer main and three (3) new manholes with bolt down covers along 27th Street is slated to be on the City Council agenda in the near future.

Sodium Bisulfite (SBS) Facility Improvements Project

Location: Wastewater Treatment Plant – 601 Canal Blvd.

Background: The City of Richmond (COR) and West County Agency (WCA) entered into a Joint Powers Agreement (JPA) on July 27, 2020, to share the design and construction costs associated with the new Sodium Bisulfite Facility construction and system upgrade. During the design of the new SBS Facility, WCA and the COR agreed to upgrade the SHS mechanical, electrical, plumbing, instrumentation, and SCADA system, as well. Myers & Sons Construction, LLC is the Contractor. The SBS Facility Improvements Project includes the following major elements:

- New sodium bisulfite and sodium hypochlorite chemical metering and instrumentation systems to replace the existing chemical metering and instrumentation systems.
- Sodium bisulfite and sodium hypochlorite improvements include civil, structural, mechanical, electrical, instrumentation and SCADA system and facility improvements.
- Demolition of existing facilities for project improvements.

Update: Phase I is complete; the new SBS Facility is now in operation. It is anticipated that Phase II will start around April and May 2023, which will consist of the generator installation, as well as improvements made to the chemical induction mixer at the Chlorine Contact Basins and the updated instrumentation work at West County's metering vault.

SCADA Upgrade Project

Location: Wastewater Treatment Plant – 601 Canal Blvd.

The SCADA project (an acronym for Supervisory Control and Data Acquisition) will standardize, replace, and configure the existing SCADA Network communication, the majority of which is outdated, failing and has exceeded its useful life. An upgraded SCADA system is crucial to allow for Veolia Staff at the City of Richmond's Wastewater Treatment Plant to monitor and control processes locally and at remote locations, including remote telemetry of the City's lift stations.

Update: The Contractor is Calcon Systems, Inc. The project is 100% complete. Two conditions were discovered by Veolia and Calcon towards the end of Calcon's contract, and the City approved a change order to correct (repair) the battery backup power

systems to eliminate power failure conditions and repair blower communication faults. These two items do not affect the programming, which is complete. Due to backorder issues with equipment, some of the supplies will not be available until April 2023, so the Contractor's agreement has been extended through the end of June 2023. There are no cost implications to this supply issue.

Trash Capture Project, Bayview (currently in design)

Location: Bayview Ave

Background: In 2017, Caltrans and the City of Richmond collaborated to implement the Trash Capture Project. The Contech Engineered Solutions CDS system is a below-ground, flow-through treatment device that uses multiple treatment processes including swirl concentration and continuous deflective separation (CDS) to screen, separate and trap trash, debris, sediment, hydrocarbons, and other pollutants from stormwater runoff. Veolia Water, in conjunction with the City of Richmond, successfully installed four such devices in 2017, 2018, 2019 and 2021; another device is being installed in 2022 on Bayview.

Update: Design has reached 80% completion. The "End of the Pipe" location at the Bayview outfall has been determined to be the most feasible location for the new double chambered CDS units. Coordination with CalTrans and Environmental Studies and permitting are underway. Geotechnical drilling investigation (Miller Pacific); additional soil sampling (Questa) and Environmental field studies were completed in August 2022. Multiple coordination meetings with CalTrans ROW Program Managers and Regional Maintenance Managers have been conducted to address easement, encroachment and Right-Of-Way exceptions and permit coordination.

In October 2022, CalTrans asked that 100-year flood requirements be met. A follow-up meeting with CalTrans was held; the Hydraulic Section is willing to withdraw the 100-year flood requirements and allow a more typical 10-year flood requirement approach provided the EPA SWMM Hydraulic Modeling does not indicate adverse effects.

The most recent Design meeting was held Tuesday January 31, 2022. Updates were provided on Environmental Studies and Permitting; Design; Constructability and Encroachment Permitting Status. Permit applications are being finalized for submission for (3) Environmental Permits. The CalTrans Encroachment Permit application and additional project information package requested by CalTrans has been submitted. The next Design meeting will be Tuesday February 28, 2023.

Thank you for keeping up with the activities in the City of Richmond. Feel free to contact the City Manager's Office if you have any questions or comments about these or any other items of interest to you.
