The City's housing element was adopted on January 24, 2023. Technical modifications were authorized in Resolution No. 7-23 to obtain certification by HCD. Achieving this milestone will also allow staff to submit the Prohousing Designation application authorized by the City Council in July.

The Housing Element is part of the City's General Plan, and it identifies policies and programs to meet the housing needs of the City's current and future residents. Having a certified Housing Element will make Richmond eligible to seek federal, state, and regional funding sources that are not available to municipalities without a current Housing Element. Being eligible to apply for these additional resources will help the City realize its vision of an equitable, healthy, and resilient Richmond.

The City would like to thank its consultant team, comprised of Lisa Wise Consulting, Inc and Just Cities, LLC., all the City staff who supported this effort, and the many community members and organizations who participated in this process. Certification would not have been possible without the input from our non-profit/community-based organizations, housing developers, neighborhood leaders, residents, Planning Commission, and City Council.

## **Transportation**

Richmond Moves on Demand Shuttle is Coming to a Neighborhood near you! New Service Areas will launch on October 11, 2023.

On September 12, 2023, the Richmond City Council approved the Transportation Division to accept an additional funding award from the California Climate Investments Clean Mobility Options Voucher Pilot Program (CMO) in the amount of \$500,000. The

CMO program awarded the City \$1 million dollars to develop the on-demand electric shuttle program, to hire a transit operator (Via) and to provide services for two years. Since the Richmond Moves program launch, ridership and wait times have increased from 14 rides in April 2022 with an average wait time of 6 minutes to over 3600 rides and an average wait time of 18 minutes in August 2023. The Transportation and Via teams have been working diligently to secure additional funds to improve the service efficiencies, increase ride capacity, and to extend services citywide.

The additional CMO funds will be used to add two additional plug-in hybrid electric vans to the Richmond Moves fleet, to acquire electric vehicle charging equipment to support the vans, and to expand operations to include the communities of Belding Woods, North and East, as well as the University of California Berkeley Field Station. Stay tuned for more expansion updates!

Rides can be booked with the free Richmond Moves app, or by calling (510) 937-3657 for assistance by phone. The service operates Monday through Friday from 7 AM to 7 PM. Rides cost \$2 per trip and are free for seniors and students ages 13 to 18. For more information visit: <https://city.ridewithvia.com/richmond-moves> or call the Transportation Department at (510) 621-1718.

**Why do I have to walk to meet my driver?**

Richmond Moves is a shared ride service, meaning passengers might be getting picked up and dropped off throughout your ride. In order to keep things moving as quickly and efficiently as possible, we usually ask you to meet us at a nearby corner instead of right outside the address you entered — that way, the driver doesn't have to make any detours that could slow things down.

**Are wheelchair accessible vehicles available?**

Yes! Let us know you need a WAV by toggling the wheelchair icon in the app. You can also just give us a call.

Download the **Richmond Moves** app or call (510)-937-3657 to get started.

**¿Por qué tengo que caminar para encontrar a mi conductor?**

Richmond Moves es un servicio de transporte compartido, lo que significa que otros pasajeros podrán ser recogidos y dejados durante tu viaje. Para que las cosas avancen de manera más rápida y eficiente posible, generalmente pedimos que te encuentres con tu conductor en una esquina cercana en vez de justo en frente de la dirección que ingresaste — de esa manera, el conductor no tiene que hacer ningún desvío que podría retrasar los viajes.

**¿Hay vehículos aptos para sillas de ruedas disponibles?**

¡Sí! Informarnos que necesitas un vehículo apto para sillas de ruedas (WAV) activando el icono de la silla de ruedas en la aplicación. También puedes llamarnos.
