## MEETING PROCEDURES

**Function of a Public Hearing:** A public hearing is intended to inform the public of pending proposals and to enable members of the public to present relevant information and viewpoints before any Board action. The Board encourages community participation at its meetings and has established procedures that are intended to accommodate public input in a timely manner as follows.

**Speaker Registration:** Persons wishing to speak on a particular item on the agenda must file a speaker form with the staff prior to the Board's consideration of the item. Once discussion on the agenda item begins, only those persons who have previously submitted speaker forms will be permitted to speak on the item.

**Consent Calendar:** Applications that are considered routine by the Staff have been placed on the consent calendar with a recommendation to approve, conditionally approve, or continue the item to a certain date. The Board may act in one motion to adopt the staff recommendation(s) on those items.

Prior to voting on the consent calendar, the Chair will ask if any member of the public wishes to speak on any

of the items listed on the consent calendar. If you wish to speak, please rise and request that the agenda item be removed from the consent calendar. Items removed will be discussed in numerical order listed in the agenda.

### **Public Hearing Procedure**

1. Chair identifies the agenda item and explains any deviation from the standard speaker rules.
2. Staff presents a brief project summary and makes a preliminary recommendation.
3. Board members may ask questions of Staff regarding the proposal.
4. Chair opens the public hearing.
5. Applicant is invited to describe and explain the proposal ..... 5 minute limit.
6. Registered speakers ..... 2 minute limit.
7. Applicant may make rebuttal comments ..... 2 minute limit.
8. Board members may ask follow-up questions of the speakers at any time.
9. Staff presents a final summary and recommendation.
10. Board members discuss the proposal and vote either to close or to continue the public hearing to a specific date.
11. If the public hearing is closed, Board members further discuss the proposal and vote to approve, to approve with conditions, or to deny the application.
12. Chair informs the audience of the Board's action and appeal process.

**Appeals** Decisions of the Design Review Board may be appealed to the City Planning Commission within ten days. Appeals must be submitted to the Planning Department's office in writing and must indicate the reasons that the Board's action should be reversed.

**Legal Challenge Notice:** If you challenge a decision on any of the items on this agenda in court, you may be limited to only those issues you or someone else raised at any public hearing on the item challenged, or in written correspondence delivered to the public entity conducting the hearing at, or prior to, the public hearing.

**Meeting Time Limits:** If all the agenda items are not completed by **9:00 PM**, the remaining items shall be continued to the next regular meeting unless the Board votes to extend the meeting.
