MACDONALD AVENUE CORRIDOR TASK FORCE

Help shape the future of Macdonald Avenue!
Join the Corridor Task Force to collaborate on revitalization, equity, and sustainability efforts that benefit our community.

The Richmond City Council approved the establishment of the Macdonald Avenue Corridor Task Force on September 23, 2025, following a proposal by Mayor Eduardo Martinez and Councilmember Doria Robinson.

This limited duration, Brown Act-compliant body brings together direct stakeholders and key decision-makers with influence over the corridor. The primary mission of the Task Force is to deliver a comprehensive set of recommendations to the Richmond City Council for the revitalization of the Macdonald Avenue Corridor.

The Task Force serves as a collaborative forum to:

- Identify shared priorities
- Share diverse community and stakeholder perspectives
- Coordinate revitalization and development efforts

AmeriCorps Community Assessment Survey

The City of Richmond’s Office of Emergency Services (OES) is committed to building a stronger, safer, and more connected community. As a current host of two AmeriCorps Neighbor-to Neighbor (N2N) program volunteers, OES needs your help in supporting a brief, recently-launched AmeriCorps Community Assessment Survey to capture and better understand Richmond’s progress in social connection, climate awareness, and disaster preparedness.

Your input will also help inform future decisions for continued AmeriCorps volunteer engagement at local level through the timely assessment of real program impact, identifying service improvements, and analyzing future funding needs.

The AmeriCorps Community Assessment Survey is accessible in English and Spanish via the QR codes. Resident input will be received until Sunday, February 22, 2026.

Inspections in the Public Right-of-Way

Sidewalk improvements were completed in the 2000 block of Carlson Boulevard, where Jesse Concrete replaced a damaged section of walkway with new concrete. This upgrade creates a smoother, safer path for pedestrians and helps maintain the quality of our neighborhood streets. City staff was onsite to ensure the following work was in compliance with standards and regulations.

Sidewalk Replacement

City-wide Concrete Project Update – Americans with Disabilities Act Ramps

Status: 38% Construction Complete

Improvements are moving forward along 24th Street and 20th Street as contractor C. Overaa & Co. continues work to make our sidewalks safer and more accessible. Crews recently removed three older curb ramps, poured concrete for three brand-new ramps, and prepared three additional locations for upcoming reconstruction.

These upgrades are part of the City of Richmond's ongoing effort to improve pedestrian safety and accessibility at locations throughout the community.

Bay Trail Construction Arrives at Point Molate Beach Bark

Status: 15% Construction Complete

Starting February 20, 2026, construction of the Bay Trail officially rolls into the Point Molate Beach Bark area. Crews will begin preparing and clearing the future trail route as work gets underway.

Good news for park lovers and four-legged adventurers: Point Molate Beach Bark will remain open during construction. Visitors are welcome to continue enjoying the park while the contractor implements safety measures to keep the site secure. The new Bay Trail segment is expected to open to the public in late 2026 or early 2027, bringing an exciting new stretch of waterfront access to the community. Stay tuned for updates as this new pathway takes shape!

City staff continued interdepartmental coordination efforts last week, including collaboration with Public Works on an upcoming creek cleanup initiative aimed at improving local environmental conditions. Additionally, staff worked closely with Code Enforcement, the Fire Department, the Building Division, and the Planning Department on livestock and stable-related property matters. One property is being brought into compliance with applicable stable and livestock regulations, while another stable property was inspected and confirmed to be in full compliance.

Problems with Your Sanitary Sewer System?

Before you call a plumber, call the City's contracted operator, Veolia Water, at (510) 412-2001. They will come out to your home or business to ensure there is no issue with the City's sanitary sewer mainline. This service is free and available 24/7, year-round.

Sewer Lateral Grant Program

The City of Richmond's Water Resource Recovery Division administers the Sewer Lateral Grant Program. The program reimburses eligible homeowners in the Richmond Municipal Sewer District (RMSD No. 1) for some of the cost to replace their sewer lateral.

Before you have your sanitary sewer lateral replaced, we strongly encourage you to obtain more than one bid. You can find more information on our website:

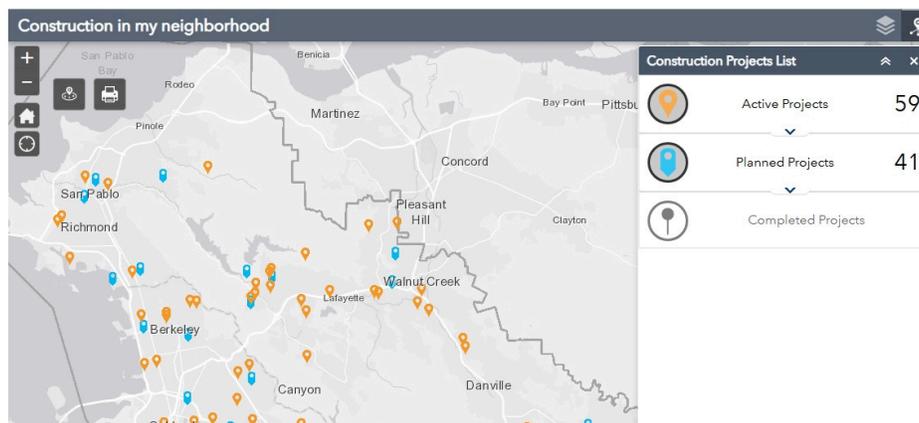

[Form & Handouts | Richmond, CA - Official Website](#)

The program will reimburse applicants up to \$1,800 of the cost of a full sewer line replacement. Funds will be dispersed as grants are received or until the funds are exhausted.

East Bay Municipal Utility District (EBMUD) Projects

Below is a table of locations where East Bay Municipal Utility District (EBMUD) will be working on the water system. These are not City of Richmond projects. If you have questions, please contact EBMUD at (510) 287-2708. You may also look up active projects at the following website:

[Construction in my neighborhood :: East Bay Municipal Utility District](#)

Fats, Oils & Grease (FOG)

DO NOT POUR GREASE DOWN THE DRAIN! Grease continues to be a problem in the sanitary sewer system and at the Richmond Wastewater Treatment Plant. Grease clogs pipes and can be detrimental to the function of the plant. It can also lead to sanitary sewer overflows (SSOs).

To help residents with our "From the Pan to the Can" campaign, we will be giving out free samples of "Fry-Away®" (see sample photo). This powder packet, when mixed with oil, solidifies the used oil into a solid that can then be easily disposed of in waste receptacles instead of down the drain.

These packets will be available at the Public Works Counter at Richmond City Hall (450 Civic Center Plaza, 2nd floor) for distribution. Please stop by and get your free sample and grease scraper today.

Thank you for keeping up with the activities in the City of Richmond. Feel free to contact the City Manager's Office if you have any questions or comments about these or any other items of interest to you.

Thank You!
