

Mayor and Members of the City Council:

This is the weekly report for the week ending September 19<sup>th</sup>, 2014.

## 1. Meeting Notes

The next City Council meeting is scheduled for Tuesday, September 23rd, beginning with Closed Session at 5:45 PM, followed by the regular Council agenda (with a combined Housing Authority agenda item) at 6:30 PM.

## 2. City Receives Grant for Digital Health Literacy

The Institute of Museum and Library Services (IMLS) just announced that the City of Richmond has been awarded a National Leadership Grant (NLG) in the amount of **\$249,314** for the Richmond Public Library. IMLS is the primary source of federal support for the nation's 123,000 libraries and 35,000 museums. Richmond's Digital Health Literacy Project was one of 51 projects funded out of 212 applications.

The Leadership Grant proposal was built on recommendations contained in the Building Blocks for Kids (BBK) report "Community Connections: A Road Map for Advancing Digital Literacy and Access in Richmond's Iron Triangle" that was prepared with the support of the previous 2012 IMLS-NLG planning grant.

Congressman George Miller sent the City his congratulations just prior to the announcement. He was pleased to learn that the funding will help implement the Richmond Digital Health Literacy Project. He noted that IMLS was impressed that the Project will provide low-income residents with tools and skills needed to access online information to improve their health.

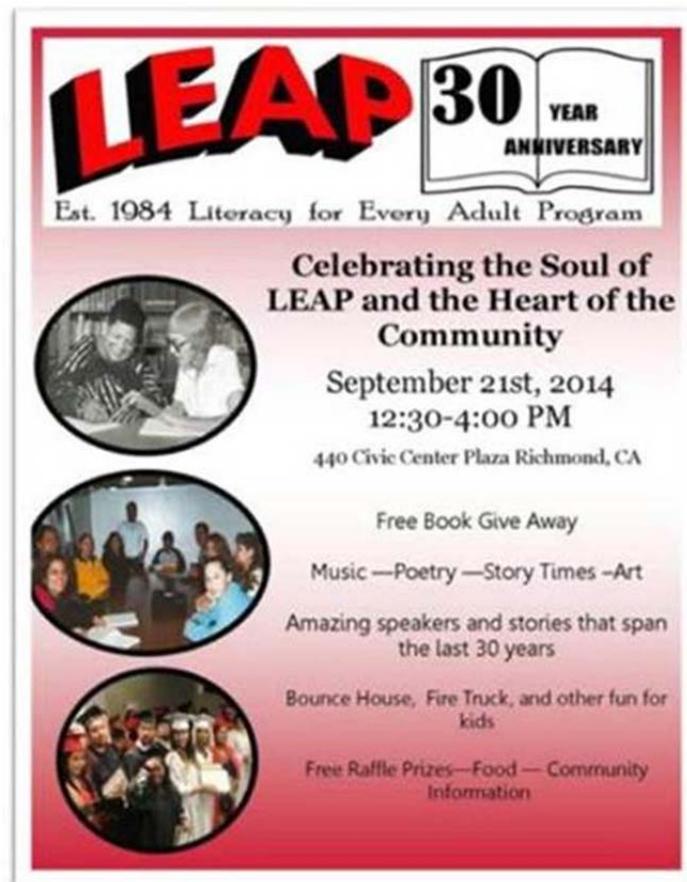

The Richmond Digital Health Literacy project will develop customized online health curricula, provide training to low-income residents in digital health literacy, and offer the opportunity for participants to obtain a refurbished laptop computer. As part of the City's grant-funded strategy to provide free Internet access for low income Richmond residents, the project also includes funding to provide free broadband and wireless antennae to participant residences and public computer centers.

The Library and Cultural Services Department acknowledges the following partners who are currently committed to be part of the collaborative project:

Brighter Beginnings, Building Blocks for Kids Collaborative, The California Endowment, Healthy Richmond, Internet Archive, ReliaTech, Richmond City Manager's Office, Richmond Employment and Training Department, Richmond Information Technology Department, and the Richmond Police Department

**3. LEAP's 30 Year Anniversary Celebration – Sunday, September 21<sup>st</sup> at 12:30 PM**

What do America Ferrera, Video Music Awards, TED, and Alex Trebek of Jeopardy have in common? Find out by joining LEAP on September 21<sup>st</sup> in a community celebration from 12:30 PM – 400 PM at 440 Civic Center Plaza.

**4. Port of Richmond Update**

This past week, the Port of Richmond hosted a delegation from Zhoushan, China, led by Jiang Jianguo, Chairman of their Municipal Committee (City Council). Jason Zhuang, who is now the Deputy Director of Zhoushan's Foreign Affairs Department, and long-time Richmond friend, was also in attendance. Richmond and Zhoushan

have a 21 year sister city relationship. Jim Matzorkis, Port Executive Director and Lucy Zhou, Port Marketing/Operations Manager hosted the group. On Wednesday, September 10<sup>th</sup>, the group attended the City Manager's Senior Staff Meeting, where introductions were exchanged and the City Manager presented them with gifts as a token of our commitment to the relationship with our sister city, and to show our appreciation for their long-term friendship.

## **5. Public Workshops on the Countywide Transportation Plan**

The Contra Costa Transportation Authority (CCTA) is updating the Countywide Transportation Plan (CTP), which is used to guide investments in transportation improvements in Contra Costa County. Examples of projects in Richmond that have been funded with CCTA's assistance include the Officer Bradley A. Moody Memorial Underpass, the Richmond BART Parking Structure, Richmond Parkway lighting upgrades, and local street repaving.

CCTA is holding several public workshops to solicit input on the transportation investments to include in the CTP, including two in West County:

- Saturday, September 20<sup>th</sup>, 1:30 PM at the Richmond Auditorium Bermuda Room, 403 Civic Center Plaza, Richmond
- Monday, September 22<sup>nd</sup>, 7:00 PM at the Hercules Community Center (gym) 2001 Refugio Valley Road, Hercules

Community members can also participate in the CTP planning process through a “telephone town hall” meeting on Tuesday, September 23<sup>rd</sup> at 6:00 PM by dialing (877) 229-8493 and entering pin number 1126642 at the prompt; or through the website [www.keepcontracostamoving.net](http://www.keepcontracostamoving.net).

## What do **YOU** want in Contra Costa?

BART? Buses? Bikes?  
Roads? Ferries?

The Contra Costa Transportation Authority (CCTA) improves our local transportation systems by planning and funding key projects, like the Caldecott Tunnel Fourth Bore, Highway 4 widening, and BART system extensions. We also help maintain local streets, reduce traffic congestion, and make Contra Costa safe for bicyclists and pedestrians. Our work gets you where you need to go!

CCTA is updating our Countywide Transportation Plan and we need your help! Tell us your vision for Contra Costa's Transportation Future and be part of the next Countywide Transportation Plan.

For more information on the Countywide Transportation Plan and CCTA, visit [www.CCTA.net](http://www.CCTA.net)

### There are four convenient ways you can participate:

## 6. Measure U Community Meetings

Registered Richmond voters will be asked to consider how to vote on Measure U, a one-half cent sales tax proposal that appears on the upcoming November 4<sup>th</sup> ballot. If approved, the additional revenue generated by Measure U will maintain and enhance essential city services, such as public safety, public health and wellness programs, city youth programs, and street paving. Information about Measure U can be found on the City's website at [www.ci.richmond.ca.us/Finance/MeasureU](http://www.ci.richmond.ca.us/Finance/MeasureU).

Several informational meetings are planned for both the public as well as community organizations, where City Staff will present information and answer questions regarding Measure U. Upcoming meetings open to the public are as follows:

- Wednesday, October 1<sup>st</sup> at 7:00 PM  
Recreation Complex  
3230 Macdonald Avenue  
Richmond, CA 94804
- Thursday, October 9<sup>th</sup> at 7:00 PM  
Hilltop Mall Community Room  
2200 Hilltop Mall Road 2<sup>nd</sup> Floor  
Richmond, CA 94806  
(Door entrance between JCPenney and Police Department Substation)

## 7. Richmond Confidential Profile of Fire Station #61

Several weeks ago, a group of University of California, Berkeley Journalism Students, working with the news website Richmond Confidential, profiled Fire Station #61 in Point Richmond. The fire crew on duty that day was Captain Mark Cisneros, Engineer Erin Perez, and Probationary Firefighter Alexander (A.J.) Schindler. The accompanying video link:

<http://richmondconfidential.org/2014/09/15/probationary-firefighter-gives-look-inside-richmond-fire-department/>

provides a first-hand look of life in the fire department through the eyes of one of our newest firefighters.

## 8. Officer Bradley A. Moody Memorial Underpass Project

The Bradley A. Moody Memorial Underpass Project involves the construction of a roadway underpass on Marina Bay Parkway between Meeker Avenue and Regatta Boulevard, and is intended to resolve long-standing access limitations to the Marina Bay area caused by frequent train crossings. In early September 2013, Marina Bay Parkway was closed to traffic. This closure is planned to remain in place until early May 2015.

During the week of September 15<sup>th</sup>, two additional concrete pours for retaining walls were completed, each of approximately 100 cubic yards. Additionally, rebar was placed for the third level of pump station walls, and work at the Jetty/Pierson intersection with Marina Bay Parkway continued.

For the week of September 22<sup>nd</sup>, a concrete pour for retaining walls is scheduled, as well as a pour for the third level of pump station walls. Also, utility relocation work near the Meeker intersection with Marina Bay Parkway will continue.

Crews will also be evaluating methods to restore power to several street lights on Marina Bay Parkway south of the project. These lights utilized power from a location

within the project that required demolition and are proposed to be energized by a new service to be installed as part of the project. The contractor has been directed to find a way to energize these lights in the interim, until the new service is installed.

For additional information and to be added to the project update contact list, please see the project website at [www.moodyup.com](http://www.moodyup.com). You can also follow the project on twitter: @moodyunderpass, or contact the project's public outreach coordinator Jacqueline Majors at (925) 949-6196.

## 9. Help Rebuild Parchester Park

We are less than two months away from rebuilding Parchester Village Park and we need your help! There are four ways you can contribute to the Parchester Park Project which are listed below.

- Volunteer on Build Day: Saturday, October 25<sup>th</sup> (all ages and skills welcome);
- Contribute a donation to the project from the wish list;
- Donate a monetary gift;
- Purchase the shoe "Petal" from Livie & Luca shoe company. (Livie and Luca are proud sponsors of the park project and 100% of the proceeds support the project.)

## **10. Code Enforcement Updates**

This past spring, the Code Enforcement Division received a complaint regarding a blighted property. An inspection was conducted and the property owner was notified that the deteriorating exterior needed to be replaced and/or painted. The property owner contacted Code Enforcement and expressed that she needed additional time to find a contractor to perform the work and the extension was granted. As a result of enforcement efforts, and as a result of the responsible actions by the property owner, the property has now been rehabilitated.

### Throwback Thursday Trivia: Featuring Richmond California History

Congratulations to Jim Pylant for his correct answer to this week's Trivia.

In 1912 Clark's confectionery store, which sold candy, ice cream and cream sodas, once stood on 805 Macdonald Ave. What sits there now is an empty lot right across the street from Kaiser Hospital. According to the Polk Directories, in the Richmond History Museum collection, Clarks Candy was owned by William L. Clark, husband to Nellie Clark. He lived above the store in the same building.

History provided by Melinda McCrary, Richmond History Museum.
