2. **City of Richmond 2015 Community Survey -- The**

**Deadline is Approaching and We Need your Feedback**

One of the best ways to improve Richmond's services is to ask the people that live here what they think. With this in mind, the City of Richmond is pleased to announce the 2015 Community Survey! During the past few weeks, you may have been notified that you have been selected to give input that will help the City improve the level of government services and the future of your community. Questionnaires were sent to a random sample of 3,000 Richmond residents, asking them to comment on the community's pressing needs and city services.

The purpose of the survey is to help City officials evaluate services, measure resident satisfaction with current services, and to help plan for Richmond's future. The results from the survey will be included in a final report available to all City officials, staff and residents.

If you were selected, ***please return the survey before the stated deadline.*** If you know someone that received one, ***please encourage them to fill it out and return it.*** Your input can help make the City of Richmond a better place to live, work and play. Feel free to contact the City Manager's Office with your questions at 510-620-6512.

#### **5. Hacienda Tenant Relocation Update**

In January 2015, the Richmond Housing Authority received approval from the United States Department of Housing and Urban Development for the disposition of the Hacienda public housing development and approval of

Tenant Protection Section 8 Vouchers to assist in the relocation of the residents. The Housing Authority has retained the professional firm of Autotemp to provide relocation assistance for the residents.

As of the week of May 4<sup>th</sup>, all but one household has participated in the interview process with Autotemp. Autotemp consultants are providing ongoing advisory assistance and referrals to the residents. To date, approximately 60% of the households have received their Notices of Eligibility and informational brochures. Currently five (5) households have found a replacement home; three have scheduled move-in dates in the month of May. Autotemp consultants are continuing to assist with application and claim processing.

A Draft Relocation Plan has been provided to the Housing Authority by Autotemp and was released for public comment on May 1, 2015. [Richmond Housing Authority Hacienda Relocation Plan](#). Autotemp consultants hand delivered the Relocation Plan Letters to all residents on Friday, May 1<sup>st</sup>. Autotemp consultants are continuing to provide ongoing advisory assistance and referrals to the residents.

Section 8 eligibility certification interviews have also been ongoing. As of the week of May 4<sup>th</sup>, ninety-seven (97) of the one hundred-and-one (101) residents have been interviewed.

Tenant Protection Section 8 Voucher briefings are being held weekly in the Hacienda Community Center. A voucher briefing explains the Section 8 program in detail to the residents, and gives the residents a chance to ask questions they may have about the program. At the conclusion of each briefing, the residents receive a Voucher Briefing Packet which includes a Request for Tenancy Approval and a Tenant Protection Voucher. As of the week of May 4<sup>th</sup>, sixty-two (62) vouchers have been issued. Four (4) Housing Quality Standards initial inspections have been scheduled for prospective Section 8 rental units, and two passed. Five (5) tenant requests to port out of the City of Richmond Housing Authority's jurisdiction have been processed. There have been two (2) resident relocations thus far.

## **6. Finance Department Highlight – New Business License Filings – April 2015**

There were a total of 58 new business licenses issued in April 2015, representing 116 new jobs. This is a 100% increase over the average number of new licenses issued during the previous two months, and is a result of the City's participation in the Franchise Tax Board (FTB)/City Business Tax Reciprocal Program. In late March, the City mailed letters to local businesses that filed tax statements with the FTB that do not have current business licenses. Although the deadline to pay the business tax was April 30<sup>th</sup>, the Business License Division reports that there are still a number of filings being received in May.

## **7. South Richmond Transportation Connectivity Plan (SRTCP) Draft Now Available**

In 2012, the City of Richmond was awarded a Community-Based Transportation Planning Grant from Caltrans (California Department of Transportation) to develop the South Richmond Transportation Connectivity Plan (Connectivity Plan). In coordination with the South Shoreline Specific Plan, the Connectivity Plan will identify key deficiencies in the local and regional transportation network and include specific recommendations to improve multi-modal connectivity between the City's Southern Shoreline and Central Richmond neighborhoods as well as adjacent communities including El Cerrito, Albany, and Berkeley.

The draft South Richmond Transportation Connectivity Plan (SRTCP) is now available. To access the draft report, please visit the project website at [www.ci.richmond.ca.us/srtcp](http://www.ci.richmond.ca.us/srtcp). Copies will also be available for review at the Richmond Main Library, 325 Civic Center Plaza, Richmond and the Planning Division counter located at 450 Civic Center Plaza, 2<sup>nd</sup> Floor, Richmond.

Please send comments on the draft to Lina Velasco, Senior Planner by June 1, 2015 via email at [Lina\\_Velasco@ci.richmond.ca.us](mailto:Lina_Velasco@ci.richmond.ca.us) or by mail at Planning Division, 450 Civic Center Plaza, Richmond, CA 94804.

## 8. Richmond Youth on Course Golf Program

As part of the Northern California Golf Association's Youth on Course golf program, 26 kids from the Richmond Youth on Course received certificates of completion of the 10-week Golf and Skills Clinic this week at their year-end awards reception. The weekly clinics and awards reception were held at the Richmond Country Club. In addition to golf instructions, each participant received a weekly 20-minute session on the etiquette of golf and received Youth on Course membership cards to play golf for \$5 or less at 140 golf courses throughout Northern California. Participants who are 14-18 years old are eligible to apply for two available Richmond Country Club internships and graduating seniors are eligible for Youth on Course college scholarships, which range from \$4,000 to \$10,000.

The participating partners are; the City Manager's Office, The Richmond Recreation Department, The Richmond PAL, The Richmond YMCA, and U.C. Berkeley golf team. U.C. Berkeley's golf coach, Steve Desimone has made a commitment to the

Richmond Youth on Course golf program. His commitment includes mandatory participation from his golf team as mentors and instructors at the program's weekly golf clinics.

The Richmond Youth on Course golf program is a unique partnership with Northern California Golf Association Foundation, the Richmond Country Club and the participating partners listed above. The Youth on Course golf program uses golf as a medium for teaching life skills to at-risk kids. In addition to learning the game of golf, the participants have to complete a class that teaches values like honesty, responsibility and perseverance. This is the fourth year of the Richmond program. Over the four year period, the average annual participants enrolled in the program are 25.

## **9. Officer Bradley A. Moody Memorial Underpass Project**

The Bradley A. Moody Memorial Underpass Project involves the construction of a roadway underpass on Marina Bay Parkway between Meeker Avenue and Regatta

Boulevard, and is intended to resolve long-standing access limitations to the Marina Bay area caused by frequent train crossings. In early September 2013, Marina Bay Parkway was closed to traffic. This closure is planned to remain in place through June 2015.

During the week of May 4<sup>th</sup>, crews continued construction of bridge tower column formwork and prepared the roadway subgrade for lean concrete base. Additionally, the pump station generator building walls were erected and sheathed, and fabrication of cable railings continued. For the week of May 11<sup>th</sup>, concrete will be poured for the bridge tower columns, and the lean concrete base will be poured. Electrical work in the generator building will proceed in advance of completing the roof of the generator building, and miscellaneous curb, gutter and sidewalk will be formed and poured.

For additional information and to be added to the project update contact list, please see the project website at [www.moodyup.com](http://www.moodyup.com). You can also follow the project on twitter: @moodyunderpass, or contact the project's Public Outreach Coordinator Jacqueline Majors at (925) 949-6196

## **17. Code Enforcement Updates**

### Santa Fe Neighborhood Clean-up

The Santa Fe neighborhood clean-up was conducted on Saturday May 2<sup>nd</sup>. The annual neighborhood cleanups encourage individuals to take greater responsibility for their neighborhood by focusing on beautification. The Code Enforcement Abatement team assisted the neighborhood by collecting eight (8) full dumpsters totaling 17.56 tons trash and unwanted items. Get involved with helping to beautify your neighborhood. The Code Enforcement Unit would love to work with your neighborhood to promote beautification, spirit and pride in your community.

## Blighted Property

A complaint was submitted to the Code Enforcement Unit regarding a severely blighted property located on Birmingham Drive. Further investigation showed that the property was owned by the Federal Government (HUD). It was determined that the property was occupied by illegally and trash was scattered all over the exterior of the property. A notice of violation and multiple citations were issued to compel compliance. As a result of our enforcement efforts the property owners successfully evicted the squatters; the property was cleaned and subsequently sold thereby stabilizing the neighborhood.
