

Mayor and Members of the City Council:

This is the report for the week ending March 9, 2018.

## 1. Meeting Notes

The next City Council meeting is scheduled for Tuesday, March 20<sup>th</sup>. Enjoy the next week off!

## 2. City Manager Transition

As discussed at last Tuesday's City Council meeting, I am planning to resign as City Manager of the City of Richmond as of July 31, 2018. This was an extremely difficult decision, as the work in Richmond continues to be both challenging and rewarding, and, as I know you all agree, the City seems poised to turn its great potential into brilliant reality in the very near future. Helping to achieve this reality will, however, be the responsibility of my successor in this position, as I now focus on a different phase in my life.

During the next five months, there are many tasks that I still need to undertake, not the least of which is helping to complete the City's fiscal year 2018-19 budget, and seeing that the current fiscal year ends with a strong balance sheet that will serve as the foundation for a strong financial future.

And while I have all of five months to thank those who have assisted me in my work in Richmond, I will start by acknowledging my wife, Meg, and my family for all of their support, and for tolerating the long work hours that took me outside my home far more than any of us would have liked.

I will also offer these limited thoughts and observations in this note, with more to come over the next few months:

- I am very grateful to the City Council that hired me to manage the City of Richmond in 2005, taking a chance on one whose experience in very different communities did not assure success in his new endeavor. Only Mayor Butt remains as a member of the City Council from this original group of nine councilmembers, and I hope that I have validated his part in my initial selection.

- I thank the individuals that joined the City Council over the years and worked with me, and, in particular, this current City Council. I believe that this group, because of their significant overlapping interests and values, has more potential to work together to achieve their shared community goals than any other with which I have worked in Richmond.
- I am extremely grateful to a very welcoming Richmond community, which has been incredibly supportive as I have spent thirteen years continuing to do my very best, but still, to this day, learning on the job. The unwavering belief in the future of Richmond by its residents is truly inspiring.
- I appreciate the expertise, dedication, and collegiality of the City's management team from whom I have received so much assistance.
- I will miss each day working with the staff members in the City Manager's office, who have provided consummate professional support to me and to the broader Richmond community in an always engaging and motivating manner.
- I appreciate the many City of Richmond employees who work so hard to provide quality services to residents of this community.

I look forward to working with all of you as I conclude my work in Richmond, and as you transition to your next city manager.

## 5. Women's History Month: Recognizing America's Women Firefighters

***Artist depiction of Molly Williams pulling the pumper wagon through the snow, and Ms. Molly Williams outfitted in her fire department uniform, circa 1818.***

Ms. Molly Williams is credited as being America's first woman firefighter, circa 1818. A former slave, Molly worked at Oceanus Fire Company # 11, in the Fire Department of the City of New York. Molly was a cook and performed tasks around the fire station. One day during the blizzard of 1818, Molly could hear the sounds of runners rattling their clacker and ringing their bells to alert everyone to a fire. Molly, knowing many of the firefighters could not respond because they were sick from the influenza outbreak, grabbed hold of the ropes used to drag the pumper wagon, and

made her way through the snow filled streets to the fire's location. Molly took her place alongside the men fighting the fire. From this point forward, Molly was known as a regular member of the Oceanus Fire Company #11.

The Richmond Fire Department welcomed its first woman firefighter in 1983. Ms. Laura Barnaby joined the fire department in November 1983 and rose to the rank of Fire Captain before her retirement in September 2011. Throughout her career, Captain Barnaby established herself as a steadfast and competent leader.

Today, the Richmond Fire Department has women serving in various capacities and ranks (Firefighter, Engineer, Captain, and Deputy Fire Marshal). Women have continued to make great contribution to the City of Richmond and its Fire Department.

### **11. Passengers Needed for Route 72, 72R & 72M Focus Group**

The Alameda County Transportation Commission (ACTC) is looking for thirty Route 72, 72R and/or 72M passengers to participate in one of two 90-minute focus groups where participants will discuss the kind of improvements they would like to see on San Pablo Avenue to make taking the bus safer and more reliable and convenient.

**Those selected to participate will receive a \$100 Clipper card.**

One meeting will be for passengers who board in the cities of San Pablo, Richmond or El Cerrito; the other is for those who catch the bus in Albany, Berkeley, Emeryville or Oakland. Both meetings will be accessible by the Route 72, 72R and/or 72M. ACTC is interested in talking with passengers from all cultures, but please be advised that the focus groups will be held in English.

- **Alameda County meeting: Tuesday, March 27, 2018, 6:00-7:30 PM** at a location served by the Route 72 & 72M (and 2 blocks from a 72R stop)

- **Contra Costa County meeting: Thursday, April 12, 2018, 6:30-8:00 PM** at a location served by the Route 72, 72M & 72R

These meetings are part of the San Pablo Avenue Corridor Project, an effort to develop long term and short-term concepts aimed at improving the safety and experience of all San Pablo Avenue users, from the City of San Pablo to Oakland. The feedback from these focus groups will help ensure that the project considers the needs of AC Transit passengers.

To ensure a diverse group of riders participating in the focus groups, the Commission is using a [brief survey](#) to help in selecting the 30 passengers who will participate, and will receive a \$100 Clipper card. **If you routinely ride the Route 72, 72R or 72M and are available the date and time of the applicable focus group, please take the survey at:**

### **Pasajeros de las Rutas 72, 72R y 72M**

**¡Pueden ganar \$100 ayudando a diseñar las futuras mejoras en San Pablo Avenue!**

Se necesitan treinta pasajeros de las rutas 72, 72R y/o 72M para participar en uno de los dos grupos de enfoque de 1.5 horas para que la Comisión de Transporte de Alameda County pueda saber que mejoras querría usted ver en San Pablo Avenue para hacer que subir al autobús sea más seguro, fiable y conveniente.

**Aquellos que sean seleccionados para participar recibirán una tarjeta Clipper de \$100.**

Una reunión será para pasajeros que se suben al autobús en las ciudades de San Pablo, Richmond o El Cerrito; la otra reunión para aquellos que se suben al autobús en Albany, Berkeley, Emeryville u Oakland. Ambas reuniones serán accesibles tomando la ruta 72, 72R y/o 72M.

- **Reunión de Alameda County: Martes 27 de marzo de 2018, 6:00-7:30 PM** en una ubicación que recibe servicio de la ruta 72 y 72M (y a 2 cuadras de una parada de 72R)
- **Reunión de Contra Costa County: Jueves 12 de abril de 2018, 6:30-8:00 PM** en una ubicación que recibe servicio de la ruta 72, 72M y 72R

Estas reuniones son parte del Proyecto del Corredor de San Pablo Avenue, un esfuerzo para desarrollar conceptos a corto y largo plazo que se enfocan en mejorar la seguridad y la experiencia de todos los usuarios de San Pablo Avenue, desde la Ciudad de San Pablo a Oakland. Las opiniones que oigamos en estos grupos de enfoque nos ayudarán a asegurar que el proyecto tiene en consideración las necesidades de los pasajeros de AC Transit.

Para asegurarnos de que oímos opiniones de un grupo diverso de viajeros, estamos usando una [BREVE ENCUESTA](#) para ayudarnos a seleccionar los 30 pasajeros que van a participar y recibir la tarjeta Clipper de \$100. **Si usted viaja en la ruta 72, 72R o 72M y está disponible para la fecha y hora del grupo de enfoque que aplique, por favor rellenar la encuesta en:** [https://www.surveymonkey.com/r/sanpabloave\\_focusgroup](https://www.surveymonkey.com/r/sanpabloave_focusgroup). Words on Wheels

On Friday, March 2, 2018, the Richmond Library's Words on Wheels program—the city's mobile book library—made its first stop at the Richmond Annex Senior Center to much delight. Anyone interested in borrowing books, CDs, and other materials can check out items through the mobile library like a regular library. All folks need is a library card. Library staff brought all the books inside the center, so mobility was not an issue.

The program will be back at the Annex on March 30<sup>th</sup> from 10:00 AM – 11:00 AM. Come by and check it out! We look forward to seeing you!

RICHMOND, CA 94804

@SERVICEWORKSRICHMOND

ServiceWorks, in conjunction with the City of Richmond Community Services Department, Points of Light, AmeriCorps and Citi Foundation, is actively recruiting volunteers to assist with groundbreaking programming. The program's primary goal is to engage young adults (16-24 years of age) and bring educational modules that drive skill building, volunteering, and success coaching as strategies to help address barriers to youth economic opportunity.

The program offers the opportunity for participants, also known as Service Scholars, to gain valuable college and career experience to which they may not have easy access. Through developing their own service projects and team exercises, Service Scholars will have the opportunity to gain a range of skills.

Volunteers are vital to the success of this program. We are looking for all who wish to make a positive impact on the lives of the youth within our community. Whether it is for a week, a day, or even just a few hours in a month, you can help empower the service scholars to face any obstacle that they may block their path towards sustainable community development.

ServiceWorks gives youth the keys to unlock their future; we are looking for volunteers who will give them the means to open the door.

For more information, please contact: Nicholas Delgado (510) 621-1834, or email: [Nicholas\\_Delgado@ci.richmond.ca.us](mailto:Nicholas_Delgado@ci.richmond.ca.us).

### **Highlights**

#### **Booker T. Anderson Baseball Fields**

Between February 10<sup>th</sup> and February 24<sup>th</sup>, 50 volunteers from Wheelhouse Academy (a Richmond business), Realm Charter School, and the More Than a Game organization worked over 20 hours to repair and refresh three baseball fields at Booker T. Anderson Park. They cut a new infield diamond, cleared two others of overgrown grass, laid new infield dirt over all fields, built new batters boxes by laying bricks, clay and new dirt, built new pitching mounds, and cleared areas of weeds and overgrowth. The fields are available for use by City, Wheelhouse Academy of Baseball, and Realm Charter School programs which serve the Richmond Community, including after-school programs, classes, clinics, camps, and Wheelhouse Academy's GameChangers College Development program designed to help motivate and create a path for Richmond kids to attend college through baseball.

Wheelhouse Academy's future plans, in partnership with the City of Richmond, include a Phase 2 field upgrade to include new lights, backstops, dugouts, batting cages, pitching bullpens, storage areas, and portable mounds. This would allow the park to be used for games and baseball tournaments bringing a renewed enthusiasm for baseball, improved quality of life value for the area, and much needed revenue to the Richmond community. It's A New Game!

The 15<sup>th</sup> Annual Chinese New Year Celebration

The City of Richmond Community Services Department held the 15<sup>th</sup> Annual Chinese New Year Celebration on Saturday, March 3<sup>rd</sup> at the Richmond Memorial Auditorium. The event featured characters from each of the 12 years of the Chinese zodiac, placed in various locations around the auditorium. The celebration included a dinner by Hong Kong Restaurant and performances from various entertainers throughout the evening. In addition to some regular Richmond Senior Center dance groups such as the San Bin Dancers, new performances for the year included the UC Berkeley Fei Tian Dancers, Compania Mexico Danza and the Center for Lao

Studies. As has been a tradition for many years, the White Crane Lion and Dragon Dance Association from San Francisco opened the evening's festivities with a wonderful lion and dragon dance.

The celebration also included some wonderful zumba and dance numbers from Yannet Torres and Oscar Solano. A number of costumed dogs provided some entertainment by tossing lucky red envelopes to the audience. The event culminated in a 50/50 drawing and lucky dog door prize. The estimated attendance for the evening was almost 420 participants.

Thank you everyone for making this event a huge success!
