

Mayor and Members of the City Council:

2. “The Year of the Bird” in Civic Center Plaza – a KCRT Production

Last week, I reported on the return of Rosie and Richmond, as well as “The Year of the Bird,” which was celebrated with artists adorning Civic Center Plaza with chalk art depicting various bird species.

The KCRT staff has prepared a terrific video, which not only chronicles “The Year of the Bird” event, but also showcases the production talent of KCRT staff. Check it out using the link below.

3. Stand Together Contra Costa

April's Contra Costa County Mayors Conference featured a presentation by Ali Saidi, Deputy Public Defender Immigration Attorney with the Office of the Contra Costa County Public Defender, who helped develop the Stand Together Contra Costa program, and now serves as the Director of Stand Together CoCo.

As described in its website (www.standtogethercontracosta.org), Stand Together Contra Costa is a rapid response, legal services, and community education project to support safety and justice for immigrant families in Contra Costa County. The program is a partnership between Contra Costa County, philanthropy, and community-based organizations, and provides culturally competent, no-cost rapid response support, legal defense services, and immigrant rights education and training to support families impacted by anti-immigrant policies and practices affecting Contra Costa County residents.

The mission of Stand Together Contra Costa is to ensure that all people in Contra Costa County, regardless of immigration status or ability to pay, are afforded the rights established by the United States Constitution, and are protected from actions or policies that result in disparate, discriminatory, or unlawful treatment.

The 24/7 Stand Together Contra Costa hotline works to provide culturally competent verification and legal observation of Immigration and Customs Enforcement (ICE) activity in Contra Costa County. As noted on the Stand Together website, "ICE enforcement activity in our community tears apart families while spreading an atmosphere of fear and mistrust of civic institutions and services. Stand Together Contra Costa will not only provide accurate information and verification regarding suspected ICE activity in Contra Costa County, but will also ensure that our immigrants and immigrant families have access to legal due process regardless of their ability to pay."

Stand Together Contra Costa will not only provide legal consultation and representation to those facing the complex system of immigration law, but will also provide community-based education, trainings, and workshops to ensure that Contra Costa's immigrant families have meaningful access to information about our civil rights while promoting more robust civic engagement with the many programs and services available in Contra Costa.

En Abril la Conferencia de Alcaldes del Condado de Contra Costa presentó una presentación de Ali Saidi, Abogada de Inmigración Defensor Público Adjunta con la Oficina del Defensor Público del Condado de Contra Costa, quien ayudó a desarrollar el programa Stand Together Contra Costa y ahora se desempeña como Directora de Stand Together CoCo .

Como se describe en su sitio web (www.standtogethercontracosta.org), Stand Together Contra Costa es un proyecto de respuesta rápida, servicios legales y educación comunitaria para apoyar la seguridad y la justicia para las familias inmigrantes en el condado de Contra Costa. El programa es una asociación entre el Condado de Contra Costa, filantropía y organizaciones comunitarias, y brinda apoyo de respuesta rápida culturalmente competente, sin costo, servicios de defensa legal y educación y capacitación en derechos de los inmigrantes para apoyar a las familias afectadas por políticas antiinmigrantes y prácticas que afectan a los residentes del Condado de Contra Costa.

La misión de Stand Together Contra Costa es garantizar que todas las personas en el Condado de Contra Costa, independientemente de su estatus migratorio o capacidad de pago, tengan los derechos establecidos por la Constitución de los Estados Unidos, y estén protegidos de acciones o políticas que resulten dispares, trato discriminatorio o ilegal.

La línea directa 24/7 Stand Together Contra Costa trabaja para proporcionar verificación culturalmente competente y observación legal de la actividad de Inmigración y Control de Aduanas (ICE) en el Condado de Contra Costa. Como se señaló en el sitio web de Stand Together Contra Costa, "la actividad de cumplimiento de ICE en nuestra comunidad separa a las familias a la vez que disemina una atmósfera de temor y desconfianza hacia las instituciones y servicios cívicos. Stand Together Contra Costa no solo proporcionará información precisa y verificación con respecto a la sospecha de actividad de ICE en el condado de Contra Costa, sino que también asegurará que nuestros inmigrantes y familias inmigrantes tengan acceso al debido proceso legal independientemente de su capacidad de pago."

Stand Together Contra Costa no solo brindará asesoramiento legal y representación a quienes enfrentan el complejo sistema de leyes de inmigración, sino que también brindará educación, capacitaciones y talleres basados en la comunidad para garantizar que las familias inmigrantes de Contra Costa tengan acceso significativo a la información sobre nuestros derechos mientras se promueve un compromiso cívico más sólido con los numerosos programas y servicios disponibles en Contra Costa.

Consulte lo siguiente para obtener más información sobre los programas de Stand Together o visite el sitio web en www.standtogethercontracosta.org.

4. Tennis Returns to MLK Park

The long dormant tennis courts at MLK Park reverberated with the sounds of over 230 joyous and rambunctious middle school youths as they began to develop and refine their tennis skills.

The evolving strategy of bringing tennis instruction to tennis courts in the vicinity of our Richmond schools took another big step forward. The Community Services

Department (CSD) partnered with the ever-active Richmond Tennis Association (RTA) to offer morning (PE class) instruction at the newly refurbished MLK courts.

Prior to last week, there weren't any tennis nets at MLK Park and the tennis courts were littered with trash, needles and debris. CSD staff (Tetteh and Jose Tirado) and a cadre of RTA volunteers (Garry and David Hurlbut, Mark Duccini, Gary Capra and Laura Imbong) spent a morning filling up numerous trash bags and clearing the tennis courts and the adjoining picnic areas of the trash.

Parks and Landscaping staff repaired the vandalized surrounding fence by patching over 10 breaks in the fence and temporary gates were installed to prevent tennis balls rolling out onto Cutting Boulevard. The weeds and high grass surrounding the courts were mowed.

Tennis net posts were purchased by a grant from USTA/RTA and installed along with nets from Parks and Landscaping over last weekend. Tennis equipment (i.e., rackets, balls, additional portable nets, etc.) was supplied by a collaboration among RTA, CSD and USTA.

The Richmond College Prep School walks their youth over to the courts during their PE periods on Monday and Tuesday. On Monday, the first class of 30 youths ran onto the courts at 8:30 AM to enjoy their first exposure to organized tennis instruction. Additional classes filled up the morning until 11:30 AM. CSD staff and 7 RTA volunteer instructors (Garry and David Hurlbut, Gary Capra, Laura Imbong, John Lee, Curtis Barnes and Burke Treidler) provided tennis instruction and many "high 5s" to the exuberant youths.

This is another great example of collaboration between the City of Richmond departments (CSD and Department of Infrastructure and Maintenance Operations (DIMO) Park and Landscaping Division) and the Richmond Tennis Association (RTA) to provide active and healthy lifestyle activity support and training to our Richmond youths.

6. San Pablo Avenue Complete Streets Project is Happening Now!

Construction on the San Pablo Avenue Complete Streets Project started this week, and is anticipated to last about five months. The project includes installation of new traffic signals at La Puerta Road and Robert Miller Drive, and installation of sidewalk, bicycle facilities, crosswalks, and lighting improvements along San Pablo Avenue from Rivers Street to La Puerta Road.

San Pablo Avenue will remain open to traffic in both directions at all times; however, for safety reasons, there will be times during construction when only one travel lane in each direction is available for vehicular traffic. Construction questions can be directed to the Construction Manager, Jaemin Park, at jpark@park-eng.com or (925) 818-3756.

SNACKS & REFRESHMENTS PROVIDED

Volunteers must be 16 years of age. We provide free training for volunteer positions. In exchange, we ask for at least 3 hour per week 3 month volunteer commitment.

ServiceWorks, in conjunction with the City of Richmond Community Services Department, Points of Light, AmeriCorps and Citi Foundation, is actively recruiting volunteers to assist with groundbreaking programming. The program's primary goal is to engage young adults (16-24 years of age) and bring educational modules that drive skill building, volunteering, and success coaching as strategies to help address barriers to youth economic opportunity.

The program offers the opportunity for participants, also known as Service Scholars, to gain valuable college and career experience to which they may not have easy access. Through developing their own service projects and team exercises, Service Scholars will have the opportunity to gain a range of skills.

Volunteers are vital to the success of this program. We are looking for all who wish to make a positive impact on the lives of the youth within our community. Whether it is for a week, a day, or even just a few hours in a month, you can help empower the service scholars to face any obstacle that they may block their path towards sustainable community development.

ServiceWorks gives youth the keys to unlock their future; we are looking for volunteers who will give them the means to open the door.

For more information, please contact: Nicholas Delgado (510) 621-1834, or email: Nicholas_Delgado@ci.richmond.ca.us.

Highlights

On April 7th, ServiceWorks hosted a very successful bootcamp! The community gathered to support six scholars who attended the ServiceWorks College and Career Readiness Bootcamp. Festivities began with a riveting speech from Vice Mayor Willis and a conversation with Community Services Director, Rochelle Monk. Following this, six scholars participated in multiple workshops featuring public

speaking, resume building, networking and a college and career panel. The scholars were also eligible for a college and career readiness door prize giveaway where the winner received a free tablet!

A portion of the curriculum featured creating blessing bags for the Bay Area Rescue Mission. Scholars constructed, personalized and delivered 90 blessing bags to the Bay Area Rescue Mission. Scholars also engaged with topics such as homelessness and sex trafficking. Throughout the course of the day, scholars engaged in a curriculum that gave them the skills needed to develop solutions to assist the greater Richmond community.

Altogether, the event had 20 community members and scholars participate. ServiceWorks is incredibly grateful for the community participants and is looking forward to continuing community enrichment.
