Ingrid Stephan Vice-President

Geri Veith Member at Large

Point Molate Alliance, in coalition with other local and regional individuals and organizations, is planning to put an initiative on the ballot to protect Point Molate from large private housing developments. The preference is a public park, with Winehaven left available for economic and cultural development.

CRANE CITY NURSERY, Business Approval Meeting:

Crane City Nursery, LLC. will be submitting an application for indoor commercial cannabis cultivation for 400 W. Ohio Avenue. They are seeking input to their plans and to answer any questions or concerns we may have as neighbors.

CRIME WATCH REPORT

Officer T. Kaiser gave us a crime report:

He reported that 11 regulars in the park don't show up anymore.

One person got shot on 2nd Street.

There were 19 homicides last year.

This year police will be concentrating on traffic.

He suggested doorbell cameras may help prevent crime.

Members of Atchison Village reported:

We need traffic undulations.

People running stop signs.

People camping in the park.

Please report crimes 233-1214. Call 911 for emergencies.
