STATEMENT OF THE ISSUE:

Section 11.100.060(m) of the Richmond Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance (“Measure L”) provides that, during the transition period before the Rent Board members are appointed and an Executive Director is hired, the City shall take whatever steps necessary to perform the duties of the Board and implement the purpose of the Ordinance. Accordingly, the preparation of an interim budget is necessary to account for the staffing, professional services contracts, and operating expenses required for startup and implementation. Staff is also recommending that the City Council authorize the City Manager to enter into a reimbursement agreement with the Rent Board so that any costs advanced by the City to the Rent Board may be recovered.

RECOMMENDED ACTION:

ADOPT a resolution approving the fiscal year 2016-17 Rent Board interim budget, and authorize the City Manager to enter into a reimbursement agreement with the Rent Board for any funds advanced by the City – City Manager’s Office (Bill Lindsay 620-6512).

FISCAL IMPACT:

Pursuant to Section 11.100.060(l)(1), all Landlords shall pay a business license fee if required by the Richmond Municipal Code in addition to a Residential Rental Housing Fee, which shall fund the budget. The Residential Rental Housing Fee and business license fee shall be charged and collected concurrently by City staff and the Rent
Board.\textsuperscript{1} Staff intends that the initial billing of the Residential Rental Housing Fee be within the first sixty days of calendar year 2017, which resulting cash flow will necessitate an advance of funds by the City to the Rent Board.

Because the Residential Rental Housing Fee shall be the Rent Board’s sole source of revenue for the foreseeable future, it is important to underscore the fact that the financial stability of the Board will depend on both the accuracy of the budget and fee payment compliance rates. If fee payment compliance rates are less than 100\%, the Rent Board will operate at a deficit. Finance Department staff estimate that the current business license fee compliance rate is approximately 80\%. If the City is only able to recover 80\% of Rent Board implementation costs, the City’s General Fund may need to temporarily advance funds to the Board for its operations. Based on the current budget, a 20\% advance may amount to approximately $198,000 for this seven-month period. Furthermore, City staff expect that compliance will be lower, not higher, with initial startup of the program.

As a result of cash flow requirements during program start-up, and because of uncertainty in revenue collection, staff recommends that the City Council authorize the City Manager to enter into a formal reimbursement agreement requiring the Board to repay any funds advanced by the City.

DISCUSSION:

Background

Section 11.100.060 of Measure L provides for the establishment of a Richmond Rent Board comprised of five Board Members appointed by the City Council. The Rent Board is provided a number of powers and duties, including but not limited to holding regularly scheduled meetings, issuing orders, rules, and regulations, conducting hearings, charging fees, making studies, reporting to the City Council on the status of rental housing, maintaining a searchable database of notices served to applicable rental units, and filing copies of relevant notices (refer to Section 11.100.060(e)(1-15). Implementation and administration of Measure L will therefore require that the City enter into multiple contracts for professional services, hire staff, and budget for outreach, meeting, and operational expenses. Each of these components is described in greater detail below.

This seven-month Rent Board Interim Budget provides a conservative estimate, based on research conducted by staff recently (and previously in 2015) of the expenses the City can expect to incur during the implementation and administration of the processes established in Measure L. The Interim Budget may form the basis for the levy of an Interim Residential Rental Housing Fee to allow the City to recover such costs, and shall be modified according to the volume and demand for services and labor experienced in the early phases of program administration.

\textsuperscript{1} Note that business license fees are billed on a calendar year schedule, unlike budgets, which are prepared and adopted on a fiscal year schedule.
Budget Components

The Rent Board Interim Budget is designed to support the implementation and administration of Measure L for the remainder of Fiscal Year 2016-17 (ending on June 30, 2017). The Interim Budget includes the following essential elements:

1. **Staffing and Personnel**

   The budget includes a basic short-term staffing plan that will be adjusted based on the needs of the program. The Interim Budget anticipates that an Executive Director will be hired by March 1, and will be supported by a proposed staffing plan that includes a Senior Management Analyst, Management Analyst II, Administrative Trainee, and Administrative Intern.

2. **Professional Service Contracts**

   The Rent Board’s lean staff support is likely to necessitate contracts with multiple professional service providers. The Interim Budget includes cost estimates for the following functions:

   - *Management Partners (consultants)* – to assist with program design, processes, and administration;
   - *Systems Administration and IT* – to support the IT requirements of the program, including the creation of a searchable database of all notices filed with the Board;
   - *Legal Aid* – to provide support to individuals who are not able to secure legal representation due to limited financial means or other barriers;
   - *Translation Services* – to ensure that all forms and notices are available in both English and Spanish, at a minimum;
   - *Mediation Services* – to provide a mediation option for Landlords and tenants to settle rent disputes and potentially reduce demands for formal hearings;
   - *Third Party Hearing Officers* – to ensure that hearings are administered equitably and in accordance with adopted Rent Board rules and procedures;
   - *Relocation Assistance* – to provide counseling support and services to tenants who must relocate following involuntary termination of tenancy (as prescribed in the Relocation Ordinance); and
   - *Outside Legal Counsel* – as necessary.

3. **Outreach, Operations, and Maintenance**

   The Interim Budget also includes the costs of departmental operations, including postage and mailing costs (for four mailings to Landlords, tenants, and the community at large), IT systems software to create the searchable database of notices filed with the Board, document copying and duplicating, Xerox rental, office
supplies, mileage, staff trainings and attendance at conferences, and other miscellaneous expenses.

4. Cost Pool

The cost pool covers budget items such as the physical space utilized at City Hall, general liability, and indirect service costs.

Residential Rental Housing Fee

City staff members anticipate that the refinement of the Interim Budget will inform the development of an Interim Residential Rental Housing Fee charged to Landlords of applicable units. While City staff members have researched staffing in other cities with recently adopted Rent Control and Just Cause for Eviction Ordinances, such as Santa Monica and Berkeley, the difference in Richmond’s demographics yields a currently unknown demand for services. Based on the volume of calls the City has received since the passage of Measure L in early November, City staff members anticipate that there may be significant demand for such services.2

The magnitude of the Residential Rental Housing Fee shall ultimately be a function of the following factors:

- The number of applicable units (City staff have preliminary estimates at this time);
- The demand for contractual services; and
- The amount of staff labor required to provide customer service.

Next Steps

City staff members recommend that the City Council adopt a resolution approving the Interim Budget with the understanding that it shall continue to be modified as demands for the program are better understood. In January 2017, City staff members shall return to the City Council with an amended budget and proposed Interim Fee, which may be charged to property owners as a special billing (the majority of Business License Fees are billed in October.)

Once the Executive Director is hired, City staff members recommend that they work with Management Partners, the consulting firm with which the City has contracted to provide management support services, to conduct a comprehensive fee study following direction from the newly appointed Rent Board. It is expected that this fee study may

2 Between the City Manager’s Office, City Council Office, and Housing and Community Development, the City has received approximately 45 inquiries per week regarding the Richmond Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance (Measure L) since early November. Many inquiries have been from individuals for which English is not the language spoken at home. The 2011-2015 American Community Survey estimates that 49.6 percent of Richmond residents who speak a language other than English speak English less than “very well,” and that 35 percent speak Spanish (Table S1601).
inform the Fiscal Year 2017-18 Rent Board Budget and associated Residential Rental Housing Fee adopted by the City Council.

Because of the possibility that the City will advance funds to the Rent Board, especially during the start-up phase of the work, the City Manager will also execute a reimbursement agreement with the Rent Board so that any costs advanced by the City to the Rent Board may be recovered.

CITY MANAGER’S OFFICE

DATE: December 20, 2016

TO: Mayor Butt and Members of the City Council

FROM: Bill Lindsay, City Manager

SUBJECT: ESTABLISHMENT OF THE 2016 ANNUAL GENERAL ADJUSTMENT FOR CONTROLLED RENTAL UNITS

STATEMENT OF THE ISSUE:

Section 11.100.070(b)(3) of the Richmond Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance ("Measure L") provides that, during the period between the effective date of the Ordinance and the first Annual General Adjustment announced September 1, Landlords of Controlled Rental Units are permitted to increase the Maximum Allowable Rent to include one Annual General Adjustment for September 2016. During the period before the Rent Board is appointed, the City is required to take necessary steps to implement the Ordinance, and staff recommends that the City Council approve the amount of the 2016 Annual General Adjustment.

RECOMMENDED ACTION:

ADOPT a resolution approving the 2016 Annual General Adjustment in accordance with Section 11.100.070(b)(3) of the Richmond Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance – City Manager’s Office (Bill Lindsay 620-6512).

FISCAL IMPACT:

There is no financial impact to the City.

DISCUSSION:

Background

Pursuant to Section 11.100.070(b)(3) of the Richmond Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance ("Ordinance"), for the period between
the effective date of the Ordinance and the first Annual General Adjustment announced September 1, Landlords of Controlled Rental Units are permitted to increase the Maximum Allowable Rent to include one Annual General Adjustment for September 2016.

Following establishment of the 2016 Annual General Adjustment, and in accordance with applicable state and local laws (including the 30-day state noticing requirement of a rent increase of 10 percent or less), Landlords of Controlled Rental Units shall be permitted to increase the Maximum Allowable Rent in an amount not to exceed three percent (3%).

Calculating the 2016 Annual General Adjustment

Section 11.100.070(b)(1) of the Ordinance provides that the Annual General Adjustment for Controlled Rental Units shall be equal to one-hundred (100) percent of the percentage increase in the Consumer Price Index (All Urban Consumers, San Francisco-Oakland-San Jose region) (“CPI”) as reported and published by the U.S. Department of Labor, Bureau of Labor Statistics, for the 12-month period ending as of March of the current year; however, the CPI for this region is not published in March. Rather, the CPI for the San Francisco-Oakland-San Jose region is published bimonthly, in February, April, June, August, October, and December.

To address this, City staff calculated the Annual General Adjustment as reported and published by the U.S. Department of Labor, Bureau of Labor Statistics, for the 12-month period ending as of February 2016 (Attachment 2). City staff will draft regulations to clarify this calculation that the Rent Board, once seated, or City Council, acting as the Rent Board, can adopt to avoid future confusion.

Amount of Annual General Adjustment

As shown in Attachment 2, and as summarized below, the percent change in the CPI for the 12-month period ending February 2016 is equal to three percent (3%).

The calculation of the 2016 Annual General Adjustment is as follows:

Difference: 7.69
Percent Change: 3.0%
Example calculation:

Starting Maximum Allowable Rent: $1,400  
Annual General Adjustment = $1,400*(0.03) = $42  
New Maximum Allowable Rent = $1,442  

Rent increases, including the increase permitted by the Annual General Adjustment, must be noticed in accordance with applicable State laws.

Example Scenario:

December 30, 2016: Ordinance takes effect

January 1, 2017: Maximum Allowable Rent = Base Rent on July 21, 2015 (or first date of tenancy thereafter)

**Landlord issues 30-day notice of rent increase on January 1, effective February 1**

February 1, 2017: Maximum Allowable Rent = Base Rent + 3% Annual General Adjustment

Community Engagement

City staff members are developing outreach materials, including a postcard, brochure, compliance letter, forms and notices, and a Rent Program website. Materials shall clearly state the amount of the 2016 Annual General Adjustment.

CITY OF RICHMOND RENT PROGRAM
INTERIM ADMINISTRATIVE POLICIES AND PROCEDURES

During the transition period before Board Members are appointed and an Executive Director is hired, the City shall take whatever steps necessary to perform the duties of the Board and implement the purpose of this Chapter (RMC 11.100.060(m))

I. Maximum Allowable Rent

   a) The Base Rent is the rent that was charged on July 21, 2015 or the first date that rent was charged for tenancies that began after July 21, 2015 (Section 11.100.070(a) on page 15 of Measure L).

   b) The Annual General Adjustment by which the Maximum Allowable Rent may be increased (equal to the Base Rent) for 2016 is 3.0%. The 2017 Annual General Adjustment will be announced by June 30, 2017 and effective September 1, 2017 (Section 11.100.070(b) on page 15 of Measure L). The Annual General Adjustment is calculated based on the change in the Consumer Price Index for the month of February for the San Francisco-Oakland-San Jose region.

   c) Rent collected in excess of the Maximum Allowable Rent following December 30, 2016 shall be refunded to the Tenant within ten (10) days of the date upon which the Landlord was made aware that the rent collected exceeded the Maximum Allowable Rent for Controlled Rental Units.

II. Just Cause for Eviction

   a) Just Cause for Eviction applies to all tenancies, with the exception of temporary rentals, small, second dwelling units, and unregulated rooms ONLY IF such units fit the description in Section 11.100.040 of Measure L (Section 11.100.040 on page 5 of Measure L).

   b) If a Landlord terminates a tenancy under a no-fault just cause for eviction (including substantial repairs, owner move-in, or withdrawal from the rental market) relocation payment must be provided to each tenant (Section 11.100.050(b) on page 10 of Measure L).
III. Filing Notices

   a) All notices of rent increase, changes in terms of tenancy, and termination of tenancy must be filed with the Rent Program according to the following Interim Noticing Procedure (Section 11.100.060(s)(1) on page 14 of Measure L):

      1. Enrollment of rental unit(s). Please use the online Enrollment form: Richmond Rent Program Enrollment.

      2. File notice of rent increase or change in terms of tenancy with Rent Program (NOTE: if serving notice of rent increase, Rent Program Guide must be provided with notice of rent increase). Please use the online AGA Notification form: Richmond Rent Program AGA Notification.

      3. Serve Notice to Tenant (Template provided)

      4. File Proof of Service with Rent Program (NOTE: you must attach a PDF copy of the notice provided to each Tenant with your Proof of Service). Please use the online Proof of Service form.

IV. Petitions

   a) No petition for an increase in the Maximum Allowable Rent may be filed if there is an outstanding citation or notice of violation of local housing, health or safety laws issued by a governmental agency. The hearing examiner or Rent Board may refuse to hold a hearing and/or grant a rent adjustment if an individual hearing has been held and decision made with regard to Maximum Allowable Rent within the previous twelve (12) months (11.100.070(c)).

V. Fee Payment Requirements

   a) In order to be granted an increase in the Maximum Allowable Rent through the petition process OR apply any Annual General Adjustment, landlords must be current on all business license, rental inspection, fire prevention, and residential rental housing fees.

VI. Permanent and Temporary Relocation Payment

   a) For termination of tenancy notices dated prior to December 30, 2016, but where the Landlord seeks to take action to recover possession of the Rental Unit following January 19, 2017, the Tenant shall be eligible for Temporary or Permanent Relocation Payment in accordance with the Relocation Payment Fee
Schedule approved by the City Council on December 20, 2016. Fifty percent (50%) of the Relocation Payment shall be due within 72 hours prior to the Tenant’s vacation of the rental unit, and the remaining fifty percent (50%) of the Relocation Payment shall be paid upon receiving confirmation that the Tenant has vacated the Rental Unit.

VII. **Legal Aid**

a) The Interim Rent Program does not provide legal advice. Each Landlord and Tenant is responsible for seeking the advice for legal counsel on any matters or documents related to the specific circumstances.
