

People of Richmond,

Visit DiegoRichmond.com.

My story:

Forty year resident. Limited resources and failing education system pushed me to gang life. By 19, I was jailed, shot, unemployed, and a father. At 20, realizing my future was prison or graveyard, I changed my ways and started a youth group in my Easter Hill neighborhood. It caught the attention of the West Contra Costa Unified School District and Richmond officials.

I've been RPD Crime Prevention Specialist, Healthy Start Director, Vice Chair of Parks and Recreation Commission, certified gang expert, business owner, founder of Richmond SOL, and current Police Commissioner. Also:

- MARRIED my high school sweetheart; we have 4 children.
- TRAVELED the world giving motivational presentations and trainings.
- RECEIVED awards from national foundations, California senate, Congress.
- Only community leader with proclamations from all four Mayors in the past 23 years.

Richmond has POTENTIAL but is suffering from PROBLEMS caused by disconnect between city officials and residents. In 2018, Richmond needs an **INDEPENDENT** leader, a **PUBLIC SERVANT** whose goal is doing the right thing for the people of Richmond.

My priorities for my city:

- Business Opportunities;
- Disadvantaged People;
- Housing Development;
- Safe, Clean Streets;
- Youth and Children.

I'll solicit resident input on matters before the Council votes. I'll schedule joint school board / city council meetings to FIND permanent solutions for school issues and FUND programs to help students graduate, attend trade school, sports academy, or college, and become union workers, professional athletes, and entrepreneurs.
