Don't be fooled!

- Measure H opens the floodgates to taxing all residents and businesses, not just the wealthier residents as proponents claim.
- It's another example of Richmond refusing to live within its means.
- Richmond already has a Documentary Transfer Tax greater than any in this County.
- Tell City Hall to balance its budget, just like every working family in Richmond.
- For Richmond to rely on "luxury real estate" or the "hot market" is foolish. Markets go up and down. **This tax is forever.**
