Focus Group Facilitation Training

July 22, 2020

Thank you to all community partners who attended July's Focus Group Facilitation Training! Over 20 community organization partners attended to take part in a training on focus group facilitation by Hatchuel Tabernik & Associates. The training was available for all interested community partners, including community partners interested in hosting a focus group with the Richmond Department of Children and Youth.

Topics which emerged during this training included, but were not limited to:

- An overview of the Community Needs Assessment and the purpose of focus groups
- The role of the facilitator
- Setting the tone and capturing data
- Virtual challenges and documenting the focus groups
- Next steps

Please be sure to visit www.richmondyouth.org for a recording of the training, future community meeting blogs, and information relating to the Community Needs Assessment process!
