

Family Recreation Swim Information

- All swimmers (and non-swimmer observers) must [register and pay in advance](#). No drop-ins or additional swimmers may be added upon arrival.
- **Arrive on time, since each session has a start and end time.** Coming late shortens your swim time, or could mean missing it entirely. You will not be allowed to come to a later swim time.
- Each swim session starts on the hour and ends on the 45. The facility must be cleared on the 50, so it is recommended that swimmers arrive and leave in their swimsuits.
- Please pre-shower before arrival. Locker rooms and showers are open. If you need to use the locker room or shower, it must be done within your allotted time.
- Appropriate swim attire (bathing suits) are required. No t-shirts, tank tops, shorts, etc. Rash guards/swim shirts are acceptable. Swim diapers must be worn on children under 4.
- Once swim reservation is made for Family Recreation Swim, there are NO REFUNDS, NO CREDITS, NO TRANSFERS, NO CANCELATIONS. There will be NO EXCEPTIONS, unless the swim session needs to be canceled.
- One adult required for every 2 children 8 & under.
- Adults must accompany children 8 & under into the water and be within arm's reach at all times.
- All patrons (ages 2+) must wear a mask and keep it on until getting into the water.
- Patrons will be checked in upon arrival and asked health screening questions.
- Follow all posted rules and verbal instructions by staff.
- No floatation devices will be allowed (this includes swim suits with floats sewn into it)
- Most Family Recreation Swim sessions will use the shallow end only. Saturday & Sunday afternoon sessions will have partial deep-end access for those who pass a swim test.
