Contractor's obligation to

indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an indemnified party.

- (b) If this Contract is not a contract for design professional services subject to California Civil Code Section 2782.8(a) or Contractor is not a design professional as defined in California Civil Code Section 2782.8(b)(2), Contractor shall indemnify, defend, and hold harmless the City, its officers, agents, employees and volunteers from any and all claims, suits, or actions of every name, kind and description, brought forth on account of injuries to or death of any person or damage to property arising from or connected with the willful misconduct, negligent acts, errors or omissions, ultra-hazardous activities, activities giving rise to strict liability, or defects in design by Contractor or any person directly or indirectly employed by, or acting as, the agent for Contractor in the performance of this Contract, including the concurrent or successive passive negligence of the City, its officers, agents, employees or volunteers.
- (c) It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Contractor shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, with counsel approved by the City, the City and its officers, agents, employees, and volunteers, immediately upon tender to Contractor of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination that persons other than Contractor are responsible for the claim does not relieve Contractor from its separate and distinct obligation to defend under this Section 15. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent counsel if Contractor asserts that liability is caused in whole, or in part, by the negligence or willful misconduct of an indemnified party.
- (d) The review, acceptance or approval of the Contractor's work or work product by any indemnified party shall not affect, relieve or reduce the Contractor's indemnification or defense obligations. This Section 15 survives completion of the services or the termination of this Contract. The provisions of this Section 15 are not limited by, and do not affect, the provisions of this Contract relating to insurance.
- (e) Acceptance of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability under this Section 15. This Section 15 shall apply whether or not such insurance policies are determined to be applicable to any such damages or claims for damages.

16. Safety. Contractor acknowledges that the City is committed to the highest standards of workplace safety. Contractor shall perform all work hereunder in full compliance with applicable local, state and federal safety requirements including but not limited to Occupational Safety and Health Administration requirements, and shall assume sole and complete

responsibility for the safety of Contractor's employees and any subContractor's employees. If a death, serious personal injury or substantial property damage occurs in connection with the performance of this Contract, Contractor shall immediately notify the City by telephone.

17. Insurance. Insurance requirements are set forth in Exhibit F to this Contract. Contractor shall abide by the insurance requirements set forth in said Exhibit F.
18. Non-Liability of Officials and Employees of the City. No official or employee of the City shall be personally liable for any default or liability under this Contract.
19. Compliance with Laws. Contractor shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals, with respect to this Contract, including without limitation environmental laws, employment discrimination laws and prevailing wage laws. Compliance under this provision includes compliance with all provisions of the Richmond Municipal Code ("Municipal Code"), including Chapters 2.50, 2.52, 2.56, and 2.60, if applicable.

Contractor acknowledges that under § 2.60.070 of the Municipal Code ("Living Wage Ordinance"), Contractor shall promptly provide to City documents and information verifying its compliance with the Living Wage Ordinance. Also as prescribed in § 2.60.070, Contractor shall notify each of its affected employees with regards to the wages that are required to be paid pursuant to the Living Wage Ordinance.

Contractor shall comply with § 2.28.030 of the Municipal Code, obligating every Contractor or subcontractor under a contract or subcontract with the City for public work or for goods or for services to refrain from discriminatory employment or subcontracting practices on the basis of race, color, sex, sexual orientation, religious creed, national origin or ancestry of any employee, any applicant for employment or any potential subcontractor.

Contractor acknowledges that the City's Drug Free Workplace Policy, Violence in the Workplace Policy and the Policy Against Workplace Harassment, are available on the City's website at <http://www.ci.richmond.ca.us/workplacepolicies> . Contractor agrees to abide by the terms and conditions of said policies.

20. Limitations upon Subcontracting and Assignment. This Contract binds the heirs, successors, assigns and representatives of Contractor. The Contractor shall not enter into subcontracts for any work contemplated

under this Contract and shall not assign this Contract, nor any portion hereof or monies due or to become due, without the prior written consent of the City Council or its designee.

Contractor acknowledges that the services which Contractor shall provide under this Contract are unique, personal services which, except as otherwise provided herein, Contractor shall not assign or sublet to any other party without the prior written approval of City, which approval may be withheld in City's sole and absolute discretion. In the event that City, in writing, approves any assignment or subletting of this Contract or the retention of subcontractors by Contractor, Contractor shall provide to City upon request copies of each and every subcontract contract prior to the execution thereof by Contractor and subcontractor. Any assignment by Contractor of any or all of its rights under this Contract without first obtaining City's prior written consent shall be a default under this Contract.

The sale, assignment, transfer or other disposition of any of the issued and outstanding capital stock of Contractor (if applicable), or of the interest of any general partner or joint venturer or syndicate member if Contractor is a partnership or joint-venture or syndicate, which shall result in a change of control of Contractor, shall be deemed an assignment. For this purpose, control shall mean fifty percent or more of the voting power or twenty-five percent or more of the assets of the corporation, partnership or joint-venture.

21. Integration. This Contract constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes any previous oral or written agreement; provided, however, that correspondence or documents exchanged between Contractor and City may be used to assist in the interpretation of the Exhibits to this Contract.
22. Modifications and Amendments. This Contract may be modified or amended only by a change order or Contract Amendment executed by both parties and approved as to form by the City Attorney.
23. Conflicting Provisions. In the event of a conflict between these General Conditions and those of any Exhibit or attachment hereto, these General Conditions shall prevail; provided, however, that any Special Conditions as set forth in Exhibit E shall prevail over these General Conditions. In the event of a conflict between the terms and conditions of any two or more Exhibits or attachments hereto, those prepared by City shall prevail over those prepared by the Contractor, and the terms and conditions preferred by the City shall prevail over those preferred by the Contractor.
24. Non-exclusivity. Notwithstanding any provision herein to the contrary, the services provided by Contractor hereunder shall be non-exclusive, and

City reserves the right to employ other Contractors in connection with the project.

25. Exhibits. All Exhibits hereto are made a part hereof and incorporated herein by reference; provided, however, that any language in Exhibit A which does not pertain to the project description, proposal, scope of services, or method of compensation (as applicable) , or any corresponding responsibilities of City, shall be deemed extraneous to, and not a part of, this Contract.

26. Force Majeure. Neither party hereto shall be considered in default in the performance of its obligations hereunder to the extent that the performance of such an obligation is prevented or delayed by reason of acts of God, strikes, boycotts, lock-outs, inability to procure materials not related to the price thereof, failure of power, restrictive governmental laws and regulations enacted after the date of this Contract, riots, civil unrest, acts of terrorism, insurrection, war, declaration of a state or national emergency or other reasons of a like nature not within the reasonable control of such party.

27. Time of the Essence. Time is of the essence of this Contract. Contractor and City agree that any time period set forth in Exhibit A represents their best estimates with respect to completion dates and both Contractor and City acknowledge that departures from the schedule may occur. Therefore, both Contractor and City will use reasonable efforts to notify one another of changes to the schedule. Contractor shall not be responsible for performance delays caused by others, or delays beyond Contractor's control, and such delays shall extend the times for performance of Contractor's work.

28. Confidentiality. Contractor agrees to comply with, and to require its employees, agents and partners to comply with, all applicable State or Federal statutes or regulations respecting confidentially, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that:

All applications and records concerning any individual made or kept by Contractor or any public officer or agency in connection with the administration of or relating to services provided under this Contract will be confidential, and will not be open to examination for any purposes not directly connected with the administration of such service.

No person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service.

29. Third Parties. Nothing herein shall be interpreted as creating any rights or benefits in any third parties. For purposes hereof, transferees or assignees as permitted under this Contract shall not be considered "third parties."
30. Governing Law. This Contract shall be construed in accordance with the law of the State of California without regard to principles of conflicts of law. This Contract is made in Contra Costa County, California, and any action relating to this Contract shall be instituted and prosecuted in the courts of Contra Costa County, California.
31. Nonrenewal. Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased or renewed by the City under a new contract following expiration or termination of this Contract, and waives all rights or claims to notice or hearing respecting any failure by City to continue the purchase of all or any failure to continue purchase of all or any such services from Contractor.
32. Claims. Any claim by Contractor against City hereunder shall be subject to Government Code §§ 800 et seq. The claims presentation provisions of said Act are hereby modified such that the presentation of all claims hereunder to the City shall be waived if not made within six months after accrual of the cause of action.
33. Interpretation. This Contract shall be interpreted as if drafted by both parties.
34. Warranty. In the event that any product shall be provided to the City as part of this Contract, Contractor warrants as follows: Contractor possesses good title to the product and the right to transfer the product to City; the product shall be delivered to the City free from any security interest or other lien; the product meets any specifications contained herein; the product shall be free from material defects in materials and workmanship under normal use for a period of one (1) year from the date of delivery; and the product shall be fit for its intended purpose(s). Notwithstanding the foregoing, consumable and maintenance items (such as light bulbs and batteries) shall be warranted for a period of one hundred and eighty (180) days from the date of delivery. All repairs during the warranty period shall be promptly performed by Contractor, at Contractor's expense, including shipping.
35. Severability. In the event that any of the provisions or portions or applications thereof of this Contract are held to be unenforceable or invalid by any court of competent jurisdiction, City and Contractor shall negotiate an equitable adjustment in the provisions of the Contract with a view

toward effecting the purpose of this Contract, and the validity and enforceability of the remaining provisions or portions or applications thereof, shall not be affected thereby.

36. Authority. City warrants and represents that the signatory hereto (the Mayor of the City of Richmond or the City Manager) is duly authorized to enter into and execute this Contract on behalf of City. The party signing on behalf of Contractor warrants and represents that he or she is duly authorized to enter into and execute this Contract on behalf of Contractor, and shall be personally liable to City if he or she is not duly authorized to enter into and execute this Contract on behalf of Contractor.
37. Waiver. The waiver by City of any breach of any term or provision of this Contract shall not be construed as a waiver of any subsequent breach. Inspections or approvals, or statements by any officer, agent or employee of the City relating to the Contractor's performance, or payments therefore, or any combination of these acts, shall not relieve the Contractor's obligation to fulfill this Contract as prescribed; nor shall the City be thereby stopped from bringing any action for damages or enforcement arising from any failure to comply with any of the terms and conditions of this Contract.
38. Possessory Interest. If this Contract results in the Contractor having possession of, claim to or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue and Taxation Code 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest.
39. Performance and Final Acceptance.

Contractor represents that it is experienced, qualified, registered, licensed, equipped, organized and financed to perform the services under this Contract.

Contractor shall perform the services under this Contract with that degree of skill and judgment normally exercised by professional firms performing services of a similar nature in the State of California, and shall be responsible for the professional quality, technical accuracy and coordination of the services it performs under this Contract. In addition to the other rights and remedies which City may have, Contractor shall, at its own expense, correct any services which fail to meet the above standard.

City shall provide Contractor an opportunity to cure errors and omission which may be disclosed during the review of submittals, with no increase in the authorized Contract Payment Limit. Should Contractor fail to make necessary corrections in a timely manner, such corrections shall be made by the City and the cost thereof shall be charged to Contractor.

If warranted, City shall determine, and Contractor may request such determination, that Contractor has satisfactorily completed performance of this Contract. Upon such determination, City shall issue to Contractor a written Notice of Final Acceptance, after which Contractor shall not incur further costs under this Contract. Contractor shall respond to such Notice of Final Acceptance by executing and submitting to City a Release and Certificate of Final Payment.

40. Survival. The rights and obligations of the parties which by their nature survive termination or completion of the services covered by this Contract shall remain in full force and effect after termination or completion.

CONTRACTOR agrees to defend and indemnify the City of Richmond for any damage resulting to it from failure of either CONTRACTOR or any subcontractor to take out or maintain the required insurance policies. The fact that insurance is obtained by CONTRACTOR, and/or CONTRACTOR's subcontractors, will not be deemed to release or diminish the liability of CONTRACTOR, including, without limitation, liability under the indemnity provisions of this contract. Damages recoverable by CITY from CONTRACTOR or any third party will not be limited by the amount of the required insurance coverage.

Verification of Coverage

All original certificates and endorsements shall be received and approved by the City before work may begin. The City of Richmond reserves the right to require complete, certified copies of all required insurance policies including endorsements affecting the coverage at any time.

Original insurance certificates and required policy endorsements shall be mailed or delivered to the Designated Project Manager for the City of Richmond.

Should the CONTRACTOR cease to have insurance as required during this time, all work by the CONTRACTOR pursuant to this agreement shall cease until insurance acceptable to the City is provided. In the event that CONTRACTOR fails to comply with the City's insurance requirements, the City may take such action as it deems necessary to protect the City's interests. Such action may include but is not limited to termination of the contract, withholding of payments, or other actions as the City deems appropriate.

**ADDITIONAL INSURED
PRIMARY AND NON-CONTRIBUTORY
ENDORSEMENT FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Person or Organization:

A. Section II – WHO IS AN INSURED is amended to include:

- 4. Any public entity as an additional insured, and the officers, officials, employees, agents and/or volunteers of that public entity, as applicable, who may be named in the Schedule above, when you have agreed in a written contract or written agreement presently in effect or becoming effective during the term of this policy, that such public entity and/or its officers, officials, employees, agents and/or volunteers be added as an additional insured(s) on your policy, but only with respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” caused, in whole or in part, by:
 - a. Your negligent acts or omissions; or
 - b. The negligent acts or omissions of those acting on your behalf;

in the performance of your ongoing operations.

No such public entity or individual is an additional insured for liability arising out of the sole negligence by that public entity or its designated individuals. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

B. Section III – LIMITS OF INSURANCE is amended to include:

- 8. The limits of insurance applicable to the public entity and applicable individuals identified as an additional insured(s) pursuant to Provision A.4. above, are those specified in the written contract between you and that public entity, or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

C. With respect to the insurance provided to the additional insured(s), **Condition 4. Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

4. Other Insurance

a. Primary Insurance

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in **c.** below; or

A Head for Insurance. A Heart for Nonprofits.

POLICY NUMBER: 2020-10963

- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph **b.** below.

b. Excess Insurance

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE.**
 - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Methods of Sharing

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
