FINDING OF FACT: (brief summary of complaint and investigation)

On January 28, 2019, complainant Jamy Mosqueda filed a complaint with the CPRC alleging racially abusive treatment and unnecessary force. The complaint form includes no factual detail to support the allegations and seems to include the following entry in the section requesting the name of the officer: "any officer." The complaint also did not include either an email or telephone number for use in contacting the complainant.

The Investigative Officer found publicly available contact information for the complainant and sent emails, texts and FB messages to Ms. Mosqueda, none of which generated a response. Therefore, the complainant could not be interviewed. The Richmond Police Department had no records of an incident involving the complainant. Therefore, there were no facts available to support the allegations of the complaint.

Given this lack of evidence to support any of the allegations of the complaint, the made a finding of UNFOUNDED for each of complainant's allegations.
