NEW ISSUES — FULL BOOK-ENTRY

RATING: S&P: AA-/Stable
See "RATING" herein

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the City, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2017A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2017A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Series 2017A Bonds. See "TAX MATTERS."

$33,530,000
CITY OF RICHMOND, CALIFORNIA
WASTEWATER REVENUE BONDS, SERIES 2017A

Dated: Date of Delivery **Due: August 1, as shown on inside cover page**

The $33,530,000 principal amount of City of Richmond Wastewater Revenue Bonds, Series 2017A (the "Series 2017A Bonds") are being issued to provide funds to: (i) finance improvements as described herein (the "Project") to the City of Richmond (the "City") wastewater collection, treatment and disposal system (collectively, the "Enterprise"); (ii) refund all the City's outstanding Wastewater Revenue Refunding Bonds, Series 2006A; and (iii) pay certain costs associated with the issuance of the Series 2017A Bonds, as more fully described herein. See "Plan of Finance."

The Series 2017A Bonds are issued pursuant to the Wastewater Revenue Bond Indenture, dated as of October 1, 2006, as previously amended and supplemented, including as supplemented by the Third Supplemental Wastewater Revenue Bond Indenture, dated as of October 1, 2008, as amended by the First Amendment to Wastewater Revenue Bond Indenture, dated as of November 1, 2009, as amended and supplemented by the Fourth Supplemental Wastewater Revenue Bond Indenture, dated as of October 1, 2010, the Fifth Supplemental Wastewater Revenue Bond Indenture, dated as of July 1, 2017 and the Sixth Supplemental Wastewater Revenue Bond Indenture dated, as of August 1, 2017 (collectively, the "Indenture"), each by and between the City and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"). The principal of the Series 2017A Bonds is payable upon their respective stated maturities on August 1 of each year, as set forth on the inside cover page. Interest on the Series 2017A Bonds will be payable semiannually on August 1 and February 1 of each year, commencing February 1, 2018 (each, an "Interest Payment Date"). Interest on the Series 2017A Bonds is payable on each Interest Payment Date to the Owners of the Series 2017A Bonds as of the close of business on the Record Date in respect of such Interest Payment Date. "Record Date" means, with respect to the Series 2017A Bonds, the fifteenth day of the month preceding an Interest Payment Date.

The Series 2017A Bonds are being issued in fully registered form and shall be initially registered in the name of "Cede & Co.," as nominee of The Depository Trust Company. The Series 2017A Bonds shall mature, subject to prior redemption as provided in the Indenture, upon the terms and conditions hereinafter set forth. The Series 2017A Bonds shall bear interest at the rate determined; provided that any overdue principal shall bear interest at the rate borne by the Series 2017A Bonds on the date on which such principal became due and payable. Each Series 2017A Bond may be assigned by the Trustee a distinctive number or letter and number, and a record of the same shall be maintained by the Trustee. Registered ownership of the Series 2017A Bonds, or any portion thereof, may not thereafter be transferred except as set forth in in the Indenture. Individual purchases of ownership interests in the Series 2017A Bonds will be made in book-entry form only in denominations of $5,000 or any integral multiple thereof. See "The Series 2017A Bonds."

The Series 2017A Bonds are limited obligations of the City payable from Net Revenues, consisting primarily of Gross Revenues of the Enterprise (defined herein) after payment of Operating Expenses. The pledge of Net Revenues under the Indenture securing payment of the Series 2017A Bonds is on a parity with certain bonds outstanding under the Indenture and the regularly scheduled payments under a swap agreement entered into in 2009. The City's obligation to reimburse the Series 2008A Letter of Credit Bank for drawings under the Letter of Credit (as such terms are defined herein) is also secured by a pledge of Net Revenues on a parity with the Series 2017A Bonds. See "Security and Sources of Payment of the Series 2017A Bonds–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds." The City may issue additional Parity Obligations secured by a pledge of Net Revenues on a parity basis the Series 2017A Bonds.

The Series 2017A Bonds will be issued in book-entry form only, and will be initially issued and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Series 2017A Bonds. Purchasers will not receive certificates representing their interests in the Series 2017A Bonds. Payments of principal of and interest on the Series 2017A Bonds will be made by the Trustee to DTC for subsequent disbursement to DTC Participants who will remit such payments to the beneficial owners of the Series 2017A Bonds. See Appendix F–"DTC and the Book-Entry Only System."

The Series 2017A Bonds are subject to optional and mandatory redemption prior to their respective stated maturity dates. See "The Series 2017A Bonds–Redemption Provisions for the Series 2017A Bonds."

THE SERIES 2017A BONDS ARE REVENUE OBLIGATIONS OF THE CITY AND ARE PAYABLE AS TO BOTH PRINCIPAL AND INTEREST, AND ANY PREMIUM UPON REDEMPTION THEREOF, EXCLUSIVELY FROM NET REVENUES AND CERTAIN OTHER FUNDS PLEDGED UNDER THE INDENTURE. THE SERIES 2017A BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY. THE SERIES 2017A BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, OR A PLEDGE OF THE FAITH AND CREDIT OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE, EXCEPT TO THE EXTENT OF CERTAIN AMOUNTS HELD UNDER THE INDENTURE PLEDGED THEREFOR, SOLELY FROM NET REVENUES. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE SERIES 2017A BONDS. THE ISSUANCE OF THE SERIES 2017A BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE CITY, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATSOEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT.

This cover page contains certain information for general reference only it and is not intended to be a summary of the terms of this offering. An investment in the Series 2017A Bonds involves risk. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision, see "Certain Risks to Bondowners," as well as other factors discussed throughout this Official Statement.

The Series 2017A Bonds will be offered when, as and if issued by the City and received by the Underwriters, subject to the approval of legality by Orrick, Herrington & Sutcliffe LLP, Bond Counsel. Certain matters will be passed upon for the City by the City Attorney of the City of Richmond and by Schiff Hardin LLP, as Disclosure Counsel. Certain matters will be passed upon for the Underwriters by Jones Hall, A Professional Law Corporation, San Francisco, California. The Series 2017A Bonds, in book-entry form only, will be available for delivery through facilities of The Depository Trust Company in New York, New York on or about August 1, 2017.

The CUSIP numbers listed above are being provided solely for the convenience of bondholders and none of the City or the Underwriters makes any representation with respect to such numbers or undertake any responsibility for its accuracy. The CUSIP numbers are subject to being changed after the issuance of the Series 2017A Bonds as a result of various subsequent actions including, but not limited to, a refunding in whole or in part of the Series 2017A Bonds.

No Offering May Be Made Except by this Official Statement. No dealer, broker, salesperson or other person has been authorized by the City or the Underwriters to give any information or to make any representations other than those contained in this Official Statement and, if given or made, such other information or representations must not be relied upon as having been authorized by any of the foregoing.

No Unlawful, Sales, Solicitations, or Offers. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the Series 2017A Bonds by a person in any jurisdiction in which it is unlawful for such person to make such an offer, solicitation or sale.

Use of this Official Statement. This Official Statement is submitted in connection with the sale of the Series 2017A Bonds referred to in this Official Statement and may not be reproduced or used, in whole or in part, for any other purpose. This Official Statement is not to be construed as a contract with the purchasers of the Series 2017A Bonds. Statements contained in this Official Statement which involve estimates, forecasts or matters of opinion, whether or not expressly so described in this Official Statement, are intended solely as such and are not to be construed as representations of fact.

Effective Date. This Official Statement speaks only as of its date. The information and expressions of opinions herein are subject to change without notice, and neither delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City of the Enterprise since the date hereof. This Official Statement, including any supplement or amendment, is intended to be deposited with the Electronic Municipal Market Access site maintained by the Municipal Securities Rulemaking Board.

Preparation of this Official Statement. All descriptions and summaries of documents and statutes set forth do not purport to be comprehensive or definitive, and reference is made to each document and statute for complete details of all terms and conditions. All statements in this Official Statement are qualified in their entirety by reference to each such document and statute. Certain capitalized terms used but not defined in this Official Statement are defined in APPENDIX C–"SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE–Definitions."

The Underwriters have provided the following sentence for inclusion in this Official Statement: *The Underwriters have reviewed the information in this Official Statement pursuant to their responsibilities to investors under the federal securities laws, but the Underwriters do not guarantee the accuracy or completeness of such information.*

Stabilization of and Changes to Offering Prices. In connection with this offering, the Underwriters may overallot or effect transactions which stabilize or maintain the market price of the Series 2017A Bonds at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time. The Underwriters may offer and sell the Series 2017A Bonds to certain dealers and others at prices lower than the initial public offering prices or at yields higher than the initial public offering yields set forth on the inside cover page hereof and said initial offering prices or yields may be changed from time to time by the Underwriters.

The issuance and sale of the Series 2017A Bonds have not been registered under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended, and the Indenture has not been qualified under the Trust Indenture Act of 1939, as amended, in reliance upon exemptions provided thereunder by Sections 3(a)(2) and 3(a)(12), respectively, for the issuance and sale of municipal securities.

Website Information Not Incorporated by Reference. The City maintains a website. Unless specifically indicated otherwise, the information presented on that website is ***not*** incorporated by reference as part of this Official Statement and should not be relied upon in making investment decisions with respect to the Series 2017A Bonds.

Use of Estimates and Projections. Certain statements contained in this Official Statement reflect not historical facts but forecasts and "forward-looking statements." In this respect, the words "estimate," "project," "anticipate," "expect," "intend," "believe," "plan," "budget," and similar expressions are intended to identify forward-looking statements. Projections, forecasts, assumptions, expressions of opinions, estimates and other forward statements are not to be construed as representations of fact and are qualified in their entirety by the cautionary statements set forth in this Official Statement.

The achievement of certain results or other expectations contained in such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. The City does not plan to issue any updates or revisions to those forward-looking statements if or when its expectations or events, conditions or circumstances on which such statements are based occur or do not occur.

This Official Statement contains information concerning the ratings assigned to the Swap Counterparty (as defined herein). Such rating reflects only the view of the agency giving such rating and are provided for convenience of reference only. Such rating information has been obtained from sources believed to be reliable but has not been confirmed or re-verified by such rating agencies. Neither the City nor the Underwriters take any responsibility for the accuracy of such rating, gives any assurance that such rating will apply for any given period of time, or that such rating will not be revised downward or withdrawn if, in the judgment of the agency providing such rating, circumstances so warrant.

CITY OF RICHMOND, CALIFORNIA
WASTEWATER REVENUE BONDS
SERIES 2017A

CHANGES FROM THE PRELIMINARY OFFICIAL STATEMENT

This Official Statement contains changes from the Preliminary Official Statement dated July 7, 2017 to clarify the requirements for the issuance of Additional Bonds and Parity Debt. These changes are as follows: the text under the following captions were revised to read as set forth in this Official Statement: (i) "INTRODUCTION–Additional Bonds;" (ii) "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS–Additional Bonds and Parity Debt;" and (iii) APPENDIX C–"SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE–Issuance of Bonds and Parity Debt."

This Official Statement reflects, on the masthead page, the announced resignation of Councilmember McLaughlin after the date of the Preliminary Official Statement.

The discussions under the following captions were revised to reflect the remarketing of the Series 2008A Bonds described under the caption "PLAN OF FINANCE–Transactions Related to the Series 2008A Bonds:" (i) "INTRODUCTION–Outstanding Parity Obligations;" (ii) "PLAN OF FINANCE;" and (iii) "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds."

This Official Statement incorporates the actual scheduled debt service on the Series 2017A Bonds into the Debt Service Schedule and Table 10–"Historical and Projected Revenues, Operating Expenses and Debt Service Coverage," populates the table under the caption "ESTIMATED SOURCES AND USES OF FUNDS," and inserts information under the captions "THE SERIES 2017A BONDS–Redemption Provisions for the Series 2017A Bonds" and "UNDERWRITING."

The information with respect to Veolia set forth under the caption "THE WASTEWATER ENTERPRISE–Management of the Enterprise by Veolia–*Veolia*" was expanded. Other minor changes to the text of the Preliminary Official Statement were also made in this Official Statement. No changes were made to the information presented with respect to the Enterprise.

INTRODUCTION

This Introduction is only a brief description of and partial guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page through the appendices, and the documents summarized or described in this Official Statement. A full review should be made of the entire Official Statement. The offering of the Series 2017A Bonds to potential investors is made only by means of the entire Official Statement.

General

The purpose of this Official Statement, which includes the cover page through the appendices, is to set forth certain information concerning the City of Richmond (the "City") and its wastewater collection, treatment and disposal systems (collectively, the "Enterprise"), in connection with the sale of $33,530,000 principal amount of City of Richmond Wastewater Revenue Bonds, Series 2017A (the

"Series 2017A Bonds"). The Series 2017A Bonds are being issued pursuant to Chapter 13.56 of Article 13 of the Richmond Municipal Code (the "Bond Law") and the Wastewater Revenue Bond Indenture dated as of October 1, 2006, as previously amended and supplemented, including as supplemented by the Third Supplemental Wastewater Revenue Bond Indenture, dated as of October 1, 2008, as amended by the First Amendment to Wastewater Revenue Bond Indenture, dated as of November 1, 2009, as amended and supplemented by the Fourth Supplemental Wastewater Revenue Bond Indenture, dated as of October 1, 2010, the Fifth Supplemental Wastewater Revenue Bond Indenture, dated as of July 1, 2017 and the Sixth Supplemental Wastewater Revenue Bond Indenture, dated as of August 1, 2017 (collectively, the "Indenture"), each by and between the City and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee").

The Series 2017A Bonds are being issued in fully registered form and shall be initially registered in the name of "Cede & Co.," as nominee of The Depository Trust Company. The Series 2017A Bonds shall mature, subject to prior redemption as provided in the Indenture, upon the terms and conditions hereinafter set forth. The Series 2017A Bonds shall bear interest at the rate determined; provided that any overdue principal shall bear interest at the rate borne by the Series 2017A Bonds on the date on which such principal became due and payable. Each Series 2017A Bond may be assigned by the Trustee a distinctive number or letter and number, and a record of the same shall be maintained by the Trustee. Registered ownership of the Series 2017A Bonds, or any portion thereof, may not thereafter be transferred except as set forth in in the Indenture. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS."

Purpose

The Series 2017A Bonds are being issued to: (i) finance improvements as described in this Official Statement (the "Project") to the Enterprise; (ii) refund all the City's outstanding Wastewater Revenue Refunding Bonds, Series 2006A (the "Refunded Bonds"); and (iii) pay certain costs associated with the issuance of the Series 2017A Bonds, as more fully described herein. See "PLAN OF FINANCE" and "ESTIMATED SOURCES AND USES OF FUNDS."

The City

The City is located 16 miles northeast of the City and County of San Francisco, on the western shore of Contra Costa County along the San Francisco Bay and occupies 33.7 square miles of land area. The population of the City, as of January 1, 2017, is approximately 111,785. The City was incorporated in 1905 and adopted its charter in 1909.

Outstanding Parity Obligations

The pledge of Net Revenues under the Indenture securing payment of the Series 2017A Bonds is on a parity with a pledge of Net Revenues securing Prior Obligations, which, following issuance of the Series 2017A Bonds, will consist of $32,875,000 Outstanding principal amount of City of Richmond Variable Rate Wastewater Revenue Refunding Bonds, Series 2008A (the "Series 2008A Bonds") and $40,010,000 outstanding principal amount of City of Richmond Wastewater Revenue Bonds (Taxable Build America Bonds), Series 2010B (the "Taxable Series 2010B Bonds"). The Series 2017A Bonds, together with the Series 2008A Bonds and the Taxable Series 2010B Bonds, and any additional bonds that may be issued under the Indenture are collectively referred to as the "Bonds." The Series 2008A Bonds are supported by an irrevocable, direct-pay letter of credit issued by Barclays Bank PLC (the "Series 2008A Bonds Letter of Credit Bank"), pursuant to and subject to the terms of a Reimbursement Agreement, dated as of July 1, 2017, between the City and the Series 2008 Bonds Letter of Credit Bank. The City's obligation to reimburse the Series 2008 Bonds Letter of Credit Bank for drawings under the letter of credit (the "Series 2008A Bonds Letter of Credit Reimbursement Obligation") is also secured by

a pledge of Net Revenues on a parity with the Series 2008A Bonds and the Prior Obligations. See "PLAN OF FINANCE–Transactions Related to the Series 2008A Bonds." See also "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds–*Outstanding Bonds*."

The pledge of Net Revenues under the Indenture securing payment of the Series 2017A Bonds is also on a parity with a pledge of Net Revenues under an interest rate swap. In connection with the issuance of the City of Richmond Wastewater Revenue Bonds, Series 2006B (the "Series 2006B Bonds"), the City entered into an interest rate swap agreement with Bear Stearns Capital Markets, as predecessor to J.P. Morgan Chase & Co. This interest rate swap agreement was left in place when the Series 2008A Bonds were issued to refund the Series 2006B Bonds and the Series 2008A Bonds became associated with such interest rate swap. On November 19, 2009, the City entered into a new fixed payer swap agreement (the "2009 Swap Agreement") with the Royal Bank of Canada (the "Swap Provider") and the prior swap agreement was terminated. Any extraordinary termination payments payable to the Swap Provider are subordinate to the payment of principal of and interest on the Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds–*2009 Swap Agreement*." The 2009 Swap Agreement was recently amended as described under "PLAN OF FINANCE" and will remain in place.

Security and Sources of Payment for the Series 2017A Bonds

Pledge of Net Revenues of the Enterprise. The Series 2017A Bonds are limited obligations of the City payable from Net Revenues of the Enterprise, consisting of Gross Revenues remaining after payment of Operating Expenses (as such terms are defined under the caption "SECURITY AND SOURCES OF PAYMENTS FOR THE SERIES 2017A BONDS–Pledge of Net Revenues Under the Indenture") on a parity with the Series 2008A Bonds, the Taxable Series 2010B Bonds, the Series 2008A Bonds Letter of Credit Reimbursement Obligation and the 2009 Swap Agreement (as described above under "–Outstanding Parity Obligations"). The Series 2017A Bonds are not secured by a legal or equitable pledge of, or charge or lien upon, any property of the City or any of its income or receipts, except the Net Revenues.

THE SERIES 2017A BONDS ARE REVENUE OBLIGATIONS OF THE CITY AND ARE PAYABLE AS TO BOTH PRINCIPAL AND INTEREST, AND ANY PREMIUM UPON REDEMPTION THEREOF, EXCLUSIVELY FROM NET REVENUES AND CERTAIN OTHER FUNDS PLEDGED UNDER THE INDENTURE. THE SERIES 2017A BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY. THE SERIES 2017A BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, OR A PLEDGE OF THE FAITH AND CREDIT OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE, EXCEPT TO THE EXTENT OF CERTAIN AMOUNTS HELD UNDER THE INDENTURE PLEDGED THEREFOR, SOLELY FROM NET REVENUES. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE SERIES 2017A BONDS. THE ISSUANCE OF THE SERIES 2017A BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE CITY, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATSOEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT.

Additional Bonds

Upon the satisfaction of certain conditions, the Indenture authorizes the issuance of additional bonds ("Additional Bonds") and other indebtedness ("Parity Debt") payable on a parity with the Bonds, provided that, among other requirements, the Debt Service Coverage Ratio for the most recent Fiscal Year for which audited financial statements for the Enterprise are available (based on the Debt Service payable during the Bond Year which commenced in such Fiscal Year), calculated as of the date of sale of such additional Series of Bonds and including the Bonds and Parity Debt then Outstanding and such additional Series of Bonds, will not be less than 1.25:1.0. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS–Additional Bonds and Parity Debt."

Rate Covenant

The City covenants under the Indenture that it will at all times, while any bonds (including the Series 2017A Bonds) remain outstanding, fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Enterprise which are sufficient to yield Net Revenues in each Fiscal Year so that the ratio of Net Revenues to annual Debt Service during the Bond Year which commences in such Fiscal Year is not less than 1.25:1.0. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS–Rate Covenant." However, the City's ability to increase such rates, fees and charges is subject to the limitations imposed by Proposition 218. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS–Proposition 218" and "–Effect of Proposition 218 and of Possible General Limitations on Enforcement Remedies." The City has approved rate increases through Fiscal Year 2019-20. See "FINANCIAL MATTERS RELATING TO THE ENTERPRISE–Rates, Fees and Charges."

Continuing Disclosure

The City has covenanted to provide certain financial information and operating data relating to the Series 2017A Bonds by not later than 270 days following the end of the City's Fiscal Year (which currently is June 30) commencing with the report for Fiscal Year 2016-17 (the "Annual Report"), and to provide notices of the occurrence of certain enumerated events, if material. The Annual Report and notices of material events will be filed by means of the Electronic Municipal Market Access (EMMA) site maintained by the Municipal Securities Rulemaking Board. The specific nature of the information to be contained in the Annual Report or the notices of material events is contained within APPENDIX E–"FORM OF CONTINUING DISCLOSURE AGREEMENT."

Summaries Not Definitive

The summaries and references to all documents, statutes, reports and other instruments referred to herein do not purport to be complete, comprehensive or definitive, and each such summary or reference is qualified in its entirety by reference to each such document, statute, report or instrument. The capitalization of any word not conventionally capitalized or otherwise defined herein indicates that such word is defined in the Indenture and, as used herein, has the meaning given to it in the Indenture. Unless otherwise indicated, all financial and statistical information herein has been provided by the City.

All references to and summaries of the Indenture, the Series 2017A Bonds and the Bond Law referred to herein are qualified in their entirety by reference to the full text of such document, copies of which are available for inspection at the office of the Director of Finance of the City at 450 Civic Center Plaza, Richmond, California, and will be available from the Trustee upon request and payment of duplication costs. Forward looking statements in this Official Statement are subject to risks and uncertainties. Actual results may vary from forecasts or projections contained herein because events and circumstances do not occur as expected, and such variances may be material.

PLAN OF FINANCE

The net proceeds from the sale of the Series 2017A Bonds will be used to: (i) finance improvements to the Enterprise; (ii) refund all of the City's outstanding Wastewater Revenue Refunding Bonds, Series 2006A; and (iii) and pay certain costs associated with the issuance of the Series 2017A Bonds. The application of proceeds of the Series 2017A Bonds is described under "ESTIMATED SOURCES AND USES" below.

On July 12, 2017, the City undertook certain transactions related to the City's Variable Rate Wastewater Revenue Refunding Bonds, Series 2008A (the "Series 2008A Bonds"), including the substitution of the letter of credit supporting the Series 2008A Bonds and the remarketing of the Series 2008A Bonds. See "–Transactions Related to the Series 2008A Bonds" below.

The City recently amended the 2009 Swap Agreement as described under the caption "–Amendment of 2009 Swap Agreement" below.

Financing of Capital Improvements

A portion of the proceeds of the Series 2017A Bonds will be applied primarily to pay, or reimburse, the costs of certain improvements (the "Project") which comprise a portion of the City's Capital Improvement Plan. See "THE WASTEWATER ENTERPRISE–Capital Improvement Plan."

The City has identified a number of projects to renovate, rehabilitate and improve the sewer collection facilities of the Enterprise and comply with regulatory requirements as well as obligations of the City under the Settlement Agreement, which is described in "THE WASTEWATER ENTERPRISE–Regulatory Matters–*Prior Noncompliance*–Baykeepers Lawsuit." These projects are identified in the 2017-2022 Capital Improvement Program (the "2017-2022 CIP").

The City estimates that the total cost of these improvements over approximately five years will be approximately $63.3 million, with funding from proceeds from the issuance of the Series 2017A Bonds of $31,718,000, with additional funding from a combination of pay-as-you-go sources and proceeds of a California Clean Water State Revolving Fund loan ("State loan"). See "THE WASTEWATER ENTERPRISE–Capital Improvement Program."

Construction. Pursuant to the Management Agreement between the City and Veolia Water North America Operating Services, Inc. ("Veolia"), Veolia will be responsible for management of the Project. See "THE WASTEWATER ENTERPRISE–Management of the Enterprise by Veolia–*Summary of the Management Agreement*." The City expects to award contracts to the contractors submitting the lowest responsive bids.

Environmental and Other Approvals. Projects undertaken by the City, including the Project financed with the proceeds of the Series 2017A Bonds, are generally subject to the California Environmental Quality Act, as amended (Division 13 of the California Public Resources Code) ("CEQA"). Under CEQA, a public agency is required, following preparation of an initial assessment, to determine whether an environmental impact report (an "EIR"), a negative declaration or a mitigated negative declaration is required for a project. If there is substantial evidence that significant environmental effects may occur, an EIR is required to be prepared.

The City has obtained all necessary CEQA approvals for the Project. Any other approvals are ministerial and expected in due course.

Application of Proceeds of the Series 2017A Bonds; Plan of Refunding

A portion of the proceeds of the Series 2017A Bonds will be applied to refund all $7,120,000 outstanding principal amount of the City's Wastewater Revenue Refunding Bonds, Series 2006A (the "Refunded Bonds"). The Refunded Bonds are described in Table 1 below. The Refunded Bonds have been called for redemption on August 1, 2017, the date of delivery of the Series 2017A Bonds.

Table 1
Refunded Bonds
City of Richmond Wastewater Revenue Refunding Bonds, Series 2006A

Maturity Date (August 1)	Amount	Interest Rate	CUSIP No.† (764507)
2018	$1,315,000	4.000%	BR9
2019	1,365,000	4.000	BS7
2020	1,420,000	4.000	BT5
2021	1,480,000	4.125	BU2
2022	1,540,000	4.625	BV0
TOTAL	$7,120,000

Transactions Related to the Series 2008A Bonds

Prior to July 12, 2017, the Series 2008A Bonds were supported by an irrevocable, direct-pay letter of credit issued by MUFG Union Bank, N.A. On July 12, 2017, the Series 2008A Bonds were remarketed and are now supported by an irrevocable, direct-pay letter of credit issued by Barclays Bank PLC, pursuant to and subject to the terms of a Reimbursement Agreement, dated as of July 1, 2017, between the City and the Series 2008 Bonds Letter of Credit Bank. See "–Barclays Affiliates" below.

Barclays Affiliates. Certain entities affiliated with Barclays Capital Inc., one of the Underwriters of the Series 2017A Bonds, will engage in the transactions relating to the Series 2008A Bonds. The letter of credit supporting the Series 2008A Bonds will be provided by Barclays Bank PLC. Barclays Capital Inc. will become the remarketing agent for the Series 2008A Bonds.

Amendment of 2009 Swap Agreement

On May 30, 2017, the City entered into an amendment of the 2009 Swap Agreement, which represented an amendment of an interest rate swap initially entered into in 2006. Under the 2009 Swap Agreement, the City receives amounts expected to be approximately equal to the floating rate interest payments the City is obligated to make with respect to the Series 2008A Bonds in exchange for making fixed rate payments. Royal Bank of Canada as the Swap Provider is the swap counterparty.

The 2009 Swap Agreement contains certain provisions referencing ratings of obligations secured by Net Revenues of the Enterprise. Prior to the amendment described above, Moody's Investors Service, Inc. ("Moody's") was a referenced rating agency. In connection with the transactions described herein, S&P will be the sole rating agency providing ratings for Net Revenue obligations of the Enterprise and Moody's will no longer provide such ratings. Therefore, it became necessary to amend the 2009 Swap Agreement to remove the references to Moody's therein. The 2009 Swap Agreement will remain in place following remarketing of the Series 2008A Bonds.

See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds–*2009 Swap Agreement*."

ESTIMATED SOURCES AND USES OF FUNDS

The estimated sources and uses of funds with respect to the Series 2017A Bonds are as follows:

	Series 2017A Bonds
SOURCES:	
Principal Amount of Series 2017A Bonds	$33,530,000.00
Plus Original Issue Premium	5,905,633.80
TOTAL ESTIMATED SOURCES	$39,435,633.80
USES:	
Deposit to Project Fund	$31,718,000.00
Deposit to Redemption Account(1)	7,120,000.00
Costs of Issuance(2)	425,404.11
Underwriters' Discount	172,229.69
TOTAL ESTIMATED USES	$39,435,633.80

(1) For redemption of the Refunded Bonds. See "PLAN OF FINANCE–Application of Proceeds of the Series 2017A Bonds; Plan of Refunding."

(2) Includes legal, financing and consulting fees, rating agency fees, fees related to printing costs and other miscellaneous expenses related to the issuance of the Series 2017A Bonds and the other transactions described in "PLAN OF FINANCE."

THE SERIES 2017A BONDS

General

The Series 2017A Bonds are being issued in fully registered form, and when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). DTC will act as securities depository of the Series 2017A Bonds. Individual purchases of ownership interests in the Series 2017A Bonds will be made in book-entry form only in denominations of $5,000 or any integral multiple thereof.

The Series 2017A Bonds will be dated the date of their initial delivery and will bear interest at the rates and mature in the amounts and on the dates set forth on the inside cover page of this Official Statement. Interest on the Series 2017A Bonds is payable semiannually on February 1 and August 1 in each year, commencing February 1, 2018 (each, an "Interest Payment Date"), calculated on the basis of a 360-day year comprised of twelve 30 day months. Interest on the Series 2017A Bonds is payable on each Interest Payment Date to the Owners of the Series 2017A Bonds as of the close of business on the Record Date in respect of such Interest Payment Date. "Record Date" means, with respect to the Series 2017A Bonds, the fifteenth day of the month preceding an Interest Payment Date. Principal of and redemption premium, if any, and interest on the Series 2017A Bonds are payable by the Trustee to DTC, which is obligated in turn to remit such principal and interest to DTC Participants for subsequent disbursement to the Beneficial Owners of the Series 2017A Bonds. See APPENDIX F–"DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Redemption Provisions for the Series 2017A Bonds

Optional Redemption. The Series 2017A Bonds maturing on or before August 1, 2022 are not subject to redemption prior to their maturity dates. The Series 2017A Bonds maturing on August 1, 2042 and August 1, 2047 shall be subject to redemption prior to their respective stated maturities, at the option of the City, from any source of available funds, as a whole or in part on any date (by such maturities as may be specified by the City and by lot within a maturity) on or after August 1, 2027, at a Redemption Price equal to 100% of the principal amount of Series 2017A Bonds called for redemption, plus accrued interest to the date fixed for redemption, without premium.

Mandatory Sinking Account Redemption. The Trustee shall establish and maintain with the Principal Fund a Sinking Account for the Series 2017A Bonds maturing on August 1, 2042. The Series 2017A Bonds maturing on August 1, 2042 shall be redeemed (or paid at maturity, as the case may be), at a Redemption Price equal to 100% of the principal amount of Series 2017A Bonds called for redemption, plus accrued interest to the date fixed for redemption, without premium, by the application of mandatory Sinking Account installments in the amounts and upon the Sinking Account Payment Dates hereby established for the Series 2017A Bonds maturing on August 1, 2042, as follows:

Series 2017A
2042 Term Bond Sinking Account

Mandatory Sinking Account Payment Date (August 1)	Mandatory Sinking Account Installments
2038	$205,000
2039	315,000
2040	390,000
2041	3,170,000
2042†	3,335,000

† Maturity.

The Trustee shall establish and maintain with the Principal Fund a Sinking Account for the Series 2017A Bonds maturing on August 1, 2047. The Series 2017A Bonds maturing on August 1, 2047 shall be redeemed (or paid at maturity, as the case may be), at a Redemption Price equal to 100% of the principal amount of Series 2017A Bonds called for redemption, plus accrued interest to the date fixed for redemption, without premium, by the application of mandatory Sinking Account installments in the amounts and upon the Sinking Account Payment Dates hereby established for the Series 2017A Bonds maturing on August 1, 2047, as follows:

Series 2017A
2047 Term Bond Sinking Account

Mandatory Sinking Account Payment Date (August 1)	Mandatory Sinking Account Installments
2043	$3,510,000
2044	3,700,000
2045	3,895,000
2046	4,105,000
2047†	4,330,000

† Maturity.

Redemption Procedures for the Series 2017A Bonds

Selection of Series 2017A Bonds for Redemption. Whenever provision is made in the Indenture for the redemption of less than all of the Series 2017A Bonds, the City shall select the Series 2017A Bonds to be redeemed, from all Series 2017A Bonds not previously called for redemption, in authorized denominations, by lot in any manner which the City in its sole discretion shall deem appropriate. The City shall promptly notify the Trustee in writing of the Series 2017A Bonds so selected for redemption. On or prior to any redemption pursuant to the Indenture, the City shall provide the Trustee with a revised sinking fund schedule.

Notice of Redemption of Series 2017A Bonds. The City shall notify the Trustee at least 30 days prior to the redemption date for Series 2017A Bonds. Notice of redemption of any Series 2017A Bonds shall be mailed by the Trustee, not less than 20 nor more than 30 days prior to the redemption date, (i) to the respective Owners of any Series 2017A Bonds designated for redemption at their addresses appearing on the bond registration books of the Trustee by first-class mail, (ii) to the Securities Depositories by facsimile and by first-class mail, (iii) to the Information Services by first-class mail, and (iv) to the Rating Agency. Notice of redemption shall be given in the form and in accordance with the terms of the Indenture.

Any notice of optional redemption of the Series 2017A Bonds may be conditional and if any condition stated in the notice of redemption is not satisfied on or prior to the redemption date, said notice will be of no force and effect and the City will not redeem such Series 2017A Bonds. The Trustee will within a reasonable time thereafter give notice, to the persons and in the manner in which the notice of redemption was given, that such condition or conditions were not met and that the redemption was cancelled.

Partial Redemption of Series 2017A Bonds. Upon surrender of any Series 2017A Bond redeemed in part only, the City shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the City, a new Series 2017A Bond of authorized denominations, and of the same maturity, equal in aggregate principal amount to the unredeemed portion of the Series 2017A Bond surrendered.

Effect of Redemption of the Series 2017A Bonds. Notice of redemption having been duly given as aforesaid, and moneys for payment of the Redemption Price of, together with interest accrued to the redemption date on, all or a portion of the Series 2017A Bonds so called for redemption being held by the Trustee, on the redemption date designated in such notice, all or a portion of the Series 2017A Bonds so called for redemption shall become due and payable at the Redemption Price specified in such notice, together with interest accrued thereon to the date fixed for redemption, interest on the Series 2017A Bonds so called for redemption shall cease to accrue, said Series 2017A Bonds (or portions thereof) shall cease to be entitled to any benefit or security under the Indenture, and the Owners of said Series 2017A Bonds shall have no rights in respect thereof except to receive payment of said Redemption Price and accrued interest.

DEBT SERVICE SCHEDULE

The following table sets forth the scheduled annual debt service obligations in each Fiscal Year for the Outstanding Parity Debt and the Series 2017A Bonds. See Table 10 under the caption "FINANCIAL MATTERS RELATING TO THE ENTERPRISE–Historical and Projected Revenues, Operating Expenses, and Debt Service Coverage."

Period Ending	Outstanding Parity Debt[1][2]			Series 2017A Bonds[2]			Aggregate Debt
August 1	Principal	Interest[3]	Total[3]	Principal	Interest	Total	Service[3]
2017	$2,400,000	$4,090,573.53	$6,490,573.53	–	–	–	$6,490,573.53
2018	1,165,000	3,702,794.20	4,867,794.20	$1,220,000	$1,663,150.00	$2,883,150.00	7,750,944.20
2019	1,195,000	3,653,421.04	4,848,421.04	1,255,000	1,638,750.00	2,893,750.00	7,742,171.04
2020	1,230,000	3,602,774.50	4,832,774.50	1,305,000	1,588,550.00	2,893,550.00	7,726,324.50
2021	1,265,000	3,542,883.97	4,807,883.97	1,365,000	1,536,350.00	2,901,350.00	7,709,233.97
2022	1,310,000	3,476,710.58	4,786,710.58	1,430,000	1,468,100.00	2,898,100.00	7,684,810.58
2023	2,970,000	3,406,423.48	6,376,423.48	–	1,396,600.00	1,396,600.00	7,773,023.48
2024	3,085,000	3,272,443.39	6,357,443.39	–	1,396,600.00	1,396,600.00	7,754,043.39
2025	3,195,000	3,128,312.03	6,323,312.03	–	1,396,600.00	1,396,600.00	7,719,912.03
2026	3,315,000	2,984,050.00	6,299,050.00	–	1,396,600.00	1,396,600.00	7,695,650.00
2027	3,450,000	2,820,732.94	6,270,732.94	–	1,396,600.00	1,396,600.00	7,667,332.94
2028	3,590,000	2,652,049.40	6,242,049.40	–	1,396,600.00	1,396,600.00	7,638,649.40
2029	3,735,000	2,472,664.23	6,207,664.23	–	1,396,600.00	1,396,600.00	7,604,264.23
2030	3,880,000	2,289,759.18	6,169,759.18	–	1,396,600.00	1,396,600.00	7,566,359.18
2031	4,035,000	2,098,523.37	6,133,523.37	–	1,396,600.00	1,396,600.00	7,530,123.37
2032	4,200,000	1,895,956.99	6,095,956.99	–	1,396,600.00	1,396,600.00	7,492,556.99
2033	4,375,000	1,682,673.71	6,057,673.71	–	1,396,600.00	1,396,600.00	7,454,273.71
2034	4,550,000	1,462,758.49	6,012,758.49	–	1,396,600.00	1,396,600.00	7,409,358.49
2035	4,735,000	1,233,267.59	5,968,267.59	–	1,396,600.00	1,396,600.00	7,364,867.59

2047	–	–	–	4,330,000	227,325.00	4,557,325.00	4,557,325.00
TOTAL	$75,285,000	$56,193,251.36	$131,478,251.36	$33,530,000	$38,726,062.50	$72,256,062.50	$203,734,313.86

(1) Outstanding Parity Debt consists of the Series 2006A Bonds, the Series 2008A Bonds and the Taxable Series 2010B Bonds. See "SECURITY AND SOURCES OF PAYMENT OF THE SERIES 2017A BONDS–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds."

(2) The Series 2006A Bonds will be refunded in whole from proceeds of the Series 2017A Bonds.

(3) The Series 2008A Bonds bear interest at a variable rate. The interest amount stated is the amount payable by the City under the 2009 Swap Agreement rate equal to 3.897%. Interest on the Taxable Series 2010B Bonds is based on the actual interest without regard to the Subsidy Receipts. See "SECURITY AND SOURCES OF PAYMENT OF THE SERIES 2017A BONDS–Outstanding Parity Debt and Reserve Funds for Other Series of Bonds."

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017A BONDS

Pledge of Net Revenues Under the Indenture

The Bonds (including the Series 2017A Bonds) are revenue obligations of the City and are payable as to both principal, accreted value, and interest, and any premium upon redemption, exclusively from Net Revenues and from the other funds pledged under the Indenture. Net Revenues are pledged to secure the payment of the principal of, accreted value, redemption premium, if any, and interest on the Bonds and any Parity Debt in accordance with their terms, subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture. The Indenture pledges to secure the payment of the principal, accreted value and redemption premium, if any, and interest on the Bonds in accordance with their terms all amounts (including proceeds of the Bonds) held by the Trustee under the Indenture (except for amounts held in the Rebate Fund), subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein. Said pledge constitutes a first lien on the Net Revenues and amounts in such funds and will be valid and binding from and after delivery by the Trustee of the Bonds or Parity Debt, without any physical delivery thereof or further act. See "–Additional Bonds and Parity Debt."

The Net Revenues are pledged to the payment of Bonds and Parity Debt without priority or distinction of one over the other and the Net Revenues constitute a trust fund for the security and payment of the Bonds and Parity Debt; but nevertheless out of Net Revenues, certain amounts may be applied for other purposes as provided in the Indenture.

Out of Net Revenues, there shall be applied as set forth in the Indenture all sums required for the payment of the principal of (including any premium thereon) and interest on the Bonds and all Parity Debt, together with any reserve fund requirements with respect thereto. All remaining Net Revenues, after making the foregoing allocation, shall be available to the City for all lawful purposes of the Enterprise. The pledge of Net Revenues herein made shall be irrevocable until all of the Bonds and all Parity Debt are no longer outstanding.

The term *"Net Revenues"* is defined under the Indenture to mean, with respect to any period, the amount of the Gross Revenues received during such period *less* the amount of Operating Expenses becoming payable during such period.

The term *"Gross Revenues"* is defined under the Indenture to mean all gross income and revenue received by the City from the ownership and operation of the Enterprise, including (i) all fees and charges received by the City for the services of the Enterprise, (ii) all other income and revenue howsoever derived by the City from the ownership and operation of the Enterprise or arising from the Enterprise, (iii) all sums deposited, or required by the Indenture to be deposited, in the Wastewater Fund established under the Indenture including the Subsidy Receipts (defined below); and (iv) amounts transferred to the Wastewater Fund from the Rate Stabilization Fund pursuant to the Indenture; but excluding (a) the proceeds of any *ad valorem* property taxes received by the City to pay debt service on any outstanding obligations of the City, and (b) any contributed capital (other than connection fees).

The term *"Operating Expenses"* is defined under the Indenture to mean, for the then current fiscal year, the reasonable and necessary costs of maintaining and operating the Enterprise, calculated on the basis of generally accepted accounting principles, including (among other things) the reasonable expenses of management and repair and other expenses necessary to maintain and preserve the Enterprise in good repair and working order, and reasonable amounts for administration, overhead, insurance, taxes

(if any) and other similar costs, but excluding (a) depreciation, replacement and obsolescence charges or reserves therefor or other bookkeeping entries of a similar nature, and (b) Debt Service.

"*Parity Debt*" is defined under the Indenture to mean any indebtedness, installment sale obligation, lease obligation or other obligation of the City for borrowed money or certain designated payments under a Parity Public Finance Contract having an equal lien and charge upon the Net Revenues, and therefore payable on a parity with the Bonds (whether or not any Bonds are Outstanding).

THE SERIES 2017A BONDS ARE REVENUE OBLIGATIONS OF THE CITY AND ARE PAYABLE AS TO BOTH PRINCIPAL AND INTEREST, AND ANY PREMIUM UPON REDEMPTION THEREOF, EXCLUSIVELY FROM NET REVENUES AND CERTAIN OTHER FUNDS PLEDGED UNDER THE INDENTURE. THE SERIES 2017A BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY. THE SERIES 2017A BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, OR A PLEDGE OF THE FAITH AND CREDIT OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE, EXCEPT TO THE EXTENT OF CERTAIN AMOUNTS HELD UNDER THE INDENTURE PLEDGED THEREFOR, SOLELY FROM NET REVENUES. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE SERIES 2017A BONDS. THE ISSUANCE OF THE SERIES 2017A BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE CITY, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATSOEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT.

Outstanding Parity Debt and Reserve Funds for Other Series of Bonds

Outstanding Bonds. The pledge of Net Revenues under the Indenture securing payment of the Series 2017A Bonds and reimbursement of the Bank for draws on the Letter of Credit is on a parity with a pledge of Net Revenues securing Prior Obligations, which, following issuance of the Series 2017A Bonds, will consist of $32,875,000 outstanding principal amount of City of Richmond Variable Rate Wastewater Revenue Refunding Bonds, Series 2008A (the "Series 2008A Bonds") and $40,010,000 outstanding principal amount of City of Richmond Wastewater Revenue Bonds (Taxable Build America Bonds), Series 2010B (the "Taxable Series 2010B Bonds"). The Series 2017A Bonds, together with the Series 2008A Bonds and the Taxable Series 2010B Bonds, and any additional bonds that may be issued under the Indenture are collectively referred to as the "Bonds." The Series 2008A Bonds are supported by an irrevocable, direct-pay letter of credit issued by Barclays Bank PLC (the "Series 2008A Bonds Letter of Credit"), pursuant to and subject to the terms of a Reimbursement Agreement, dated as of July 1, 2017, between the City and the Series 2008 Bonds Letter of Credit Bank. See "PLAN OF FINANCE– Transactions Related to the Series 2008A Bonds."

The Taxable Series 2010B Bonds were issued as "Build America Bonds" under the provisions of the American Recovery and Reinvestment Act of 2009 (the "Recovery Act"), the interest on which is not excluded from gross income for federal income tax purposes but is exempt from State of California personal income taxes. The Recovery Act provided for a cash subsidy (the "Subsidy Receipts") from the United States Treasury equal to 35% of the interest payable on such Taxable Series 2010B Bonds. Subsidy Receipts constitute Gross Revenues, which are deposited into the Wastewater Fund for payment of principal of and interest on the Taxable Series 2010B Bonds. Beginning in 2013, the subsidy has been reduced in each year by varying sequestration percentages, ranging from a low of 6.8% in 2016 to a high

of 8.7% in 2013. The City is obligated to make all payments of principal and interest on the Taxable Series 2010B Bonds from Net Revenues whether or not it receives the Subsidy Receipts. See "CERTAIN RISKS TO BONDHOLDERS–Risks Related to Subsidy Receipts for the Taxable Series 2010B Bonds."

2009 Swap Agreement. In connection with the issuance of the City's Wastewater Revenue Bonds, Series 2006B (the "Series 2006B Bonds"), the City entered into an interest rate swap. This swap agreement was left in place when the Series 2008A Bonds were issued to refund all of the Outstanding Series 2006B Bonds.

On November 19, 2009, the City terminated the original swap agreement and entered into the 2009 Swap Agreement with the Swap Provider pursuant to an International Swaps and Derivatives Association Inc. Master Agreement, dated as of November 19, 2009 (the "Master Agreement") and a Confirmation under the Master Agreement, dated as of November 19, 2009 (collectively, the "2009 Swap Agreement"). The City entered into the 2009 Swap Agreement for the purpose of receiving amounts expected to be approximately equal to the floating rate interest payments the City was obligated to make with respect to the Series 2008B Bonds in exchange for making fixed rate payments.

On May 30, 2017, the City and the Swap Provider amended the 2009 Swap Agreement to remove Moody's as a referenced rating agency. See "PLAN OF FINANCE–Amendment of 2009 Swap Agreement."

Pursuant to the 2009 Swap Agreement, the Swap Provider pays the City an amount equal to 63.42% of USD-LIBOR-BBA plus 22 basis points, and the City pays the Swap Provider an amount equal to 3.897%, measured on a notional amount equal to the initial principal amount of the Series 2008A Bonds, which amount reduces simultaneously with the scheduled amortization of the Series 2008A Bonds. The obligations of the Swap Provider are not insured and there is no requirement for posting of collateral. The 2009 Swap Agreement terminates on August 1, 2037.

As of July 1, 2017, the payment obligations of the Swap Provider were rated "A1" by Moody's, "AA-" by Standard & Poor's and "AA" by Fitch and the market value of the 2009 Swap Agreement to the City was ($8,472,000).

The regularly scheduled swap payments are secured by the Net Revenues under the Indenture on a parity with the Bonds. Any extraordinary termination payments under the 2009 Swap Agreement payable to a Swap Provider are subordinate to the payment of principal of and interest on the Bonds. The 2009 Swap Agreement was recently amended as described under "PLAN OF FINANCE."

Reserve Funds for Other Series of Bonds. The Refunded Bonds are secured by the Parity Reserve Fund and the Taxable Series 2010B Bonds are secured by the Series 2010 Reserve Fund, which is established as a Series Reserve Fund. The Series 2017A Bonds are not secured by the Parity Reserve Fund or the Series 2010 Reserve Fund.

Flow of Funds

In order to carry out and effectuate the obligation of the City contained in the Indenture to pay the Bonds, so long as any Bonds are Outstanding, the City covenants and agrees in the Indenture that all Gross Revenues, when and as received, will be received, deposited and held by the City in the Wastewater Fund and will be accounted for through and held in trust in the Wastewater Fund, and the City shall have no beneficial right or interest in any of such moneys except only as provided in the Indenture. The City covenants and agrees to maintain the Wastewater Fund at all times so long as any Bonds shall be Outstanding under the Indenture. All Gross Revenues and Net Revenues, whether held by

the City or deposited with the Trustee, all as provided in the Indenture shall nevertheless be disbursed, allocated, and applied solely to the uses and purposes set forth in the Indenture.

All amounts in the Wastewater Fund required to pay Operating Expenses of the Enterprise will be applied for such purpose from time to time by the City. So long as any Bonds are Outstanding, the City will transfer the remaining money in the Wastewater Fund to the Trustee as required for deposit into the following respective funds (each of which the Trustee will establish, maintain and hold in trust for the benefit of the Owners of the Bonds) in the following amounts, in the following order of priority, the requirements of each such fund (including the making up of any deficiencies in any such fund resulting from lack of Net Revenues sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any deposit is made to any fund subsequent in priority; provided that on a parity with such deposits the Trustee may set aside or transfer amounts with respect to outstanding Parity Debt as provided in the proceedings for such Parity Debt (which will be proportionate in the event such amounts are insufficient to provide for all deposits required as of any date to be made with respect to the Bonds and such Parity Debt):

Interest Fund. The City will transfer to the Trustee and the Trustee will set aside in the Interest Fund on or before the third Business Day prior to each interest payment date an amount equal to the interest becoming due and payable on the Outstanding Bonds (excluding interest for which there are moneys on deposit in the Interest Fund from the proceeds of any Series of Bonds or other source to pay such interest).

Principal Fund; Sinking Accounts. The City will transfer to the Trustee and the Trustee will set aside in the Principal Fund on or before the third Business Day prior to each principal or mandatory sinking fund payment date an amount equal to (i) the amount of Bond Obligation becoming due and payable on the Outstanding Serial Bonds, plus (ii) the mandatory sinking fund payments to be paid into the respective Sinking Accounts for the Term Bonds; provided that if the City certifies to the Trustee that any principal payments are expected to be refunded on or prior to their respective due dates or paid from excess amounts on deposit in the Parity Reserve Fund or other bond reserve fund upon such payment, no amounts need be set aside towards such principal to be so refunded or paid. All of the aforesaid mandatory sinking fund payments will be made without priority of any payment into any one such Sinking Account over any other such payment.

Parity Reserve Fund and Reserve Funds for a Series of Bonds. Upon the occurrence of any deficiency in the Parity Reserve Fund established pursuant to the Indenture or such other Reserve Fund as shall secure a Series of Bonds issued under the Indenture as provided for in a Supplemental Indenture (a "Series Reserve Fund"), the City shall immediately transfer to the Trustee and the Trustee shall set aside in the Parity Reserve Fund, the Series Reserve Fund, or both Funds on a pro rata basis an amount equal to the aggregate amount of each unreplenished prior withdrawal from the Parity Reserve Fund or Series Reserve Fund until there is on deposit in the Parity Reserve Fund and the Series Reserve Funds amounts equal to the Reserve Fund Requirements as provided for in the Indenture, or, with respect to a Series Reserve Fund, as provided for in the Supplemental Indenture creating such Fund. Any amount transferred to the Trustee shall be applied first to pay reinstate any draws on any Credit Facility issued to support the Parity Reserve Fund on a pro rata basis. The Series 2017A Bonds are not secured by the Parity Reserve Fund or a Series Reserve Fund.

Net Revenues in the Wastewater Fund after the foregoing transfers described above, will be used and applied by the City toward the payment of fees and other amounts owed to any Applicable Credit Providers relating to Credit Facilities (including Credit Facility issued to support the Parity Reserve Fund), the payment of fees and other amounts owed to the providers of any Public Finance Contract Insurance Policies and the purchase of Bonds as and when and at such prices as it may determine.

Net Revenues in the Wastewater Fund after the foregoing transfers described above, will be used and applied by the City toward the payment of termination payments due under any Parity Public Finance Contracts.

Any Net Revenues remaining in the Wastewater Fund after the foregoing transfers described above, except as otherwise provided in a Supplemental Indenture, will be held free and clear of the Indenture by the City and it may use and apply such Net Revenues for any lawful purpose of the Enterprise.

If, two business days prior to any principal payment date, interest payment date or mandatory sinking fund redemption date, the amounts on deposit in the Interest Fund and Principal Fund, including the Sinking Accounts therein, are insufficient to make such payments, the Trustee will immediately notify the City, by telephone or facsimile machine, of such deficiency and direct that the City transfer the amount of such deficiency to the Trustee on such payment date. The City has covenanted and agreed to transfer to the Trustee from any Net Revenues in its possession the amount of such deficiency on the principal, interest or mandatory redemption date referenced in such notice.

No Reserve Fund

No reserve fund is established under the Indenture for the Series 2017A Bonds.

Rate Covenant

The City has covenanted that it will fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Enterprise during each Fiscal Year which (together with other funds accumulated from Gross Revenues and which are lawfully available to the City for payment of any of the following amounts during such Fiscal Year) are at least sufficient, after making allowances for contingencies and error in the estimates, and without regard to transfers from the Rate Stabilization Fund to pay the sum of the following amounts (i) all Operating Expenses estimated by the City to become due and payable in such Fiscal Year, (ii) the Debt Service on the Outstanding Bonds and any Parity Debt becoming due and payable during the Bond Year which commences in such Fiscal Year, (iii) all other payments required for compliance with the Indenture and the instruments to which any Parity Debt will have been issued; and (iv) all payments required to meet any other obligations of the City which are charges, liens, encumbrances upon or payable from the Gross Revenues or Net Revenues. In addition, the City has covenanted that it will fix, prescribe, revise and collect rates, fees and charges for the services and facilities furnished by the Enterprise during each Fiscal Year which are sufficient to yield Net Revenues (taking into account transfers from the Rate Stabilization Fund pursuant the Indenture, if any, applicable to such Fiscal Year) during such Fiscal Year equal to at least 1.25 times the amount determined pursuant to the preceding clause (ii) above. The City may make adjustments from time to time in such fees and charges and may make such classification thereof as it deems necessary, but shall not reduce such fees and charges below those then in effect unless the Gross Revenues from such reduced fees and charges will at all times be sufficient to meet the requirements described above. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS–Proposition 218" and "–Effect of Proposition 218 and of Possible General Limitations on Enforcement Remedies."

Additional Bonds and Parity Debt

The City may at any time issue additional Series of Bonds or Parity Debt payable from Net Revenues and secured by a lien and charge securing the pledge made under the Indenture equally and ratably with the Bonds previously issued, provided that, among other requirements, the Debt Service Coverage Ratio for the most recent Fiscal Year for which audited financial statements for the Enterprise are available (based on the Debt Service payable during the Bond Year which commenced in such Fiscal Year), calculated as of the date of sale of such additional Series of Bonds and including the Bonds and Parity Debt then Outstanding and such additional Series of Bonds, will not be less than 1.25:1.0. See APPENDIX C–"SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE–Issuance of Bonds and Parity Debt."

Rate Stabilization Fund

The City covenants under the Indenture to maintain and hold a Rate Stabilization Fund. The City may deposit Net Revenues or any other lawfully available funds in the Rate Stabilization Fund as the City may determine, provided, that deposits for each Fiscal Year may be made until (but not after) 120 days following the end of such Fiscal Year. The City may withdraw amounts from the Rate Stabilization Fund for inclusion in Gross Revenues for any Fiscal Year, but only until (but not after) 120 days after the end of such Fiscal Year. All interest earnings on deposits in the Rate Stabilization Fund shall be withdrawn and deposited in the Wastewater Fund and accounted for as Gross Revenues. Withdrawals from the Rate Stabilization Fund may be made at any time by the City for any lawful purpose of the Enterprise. See APPENDIX C–"SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE–Net Revenues."

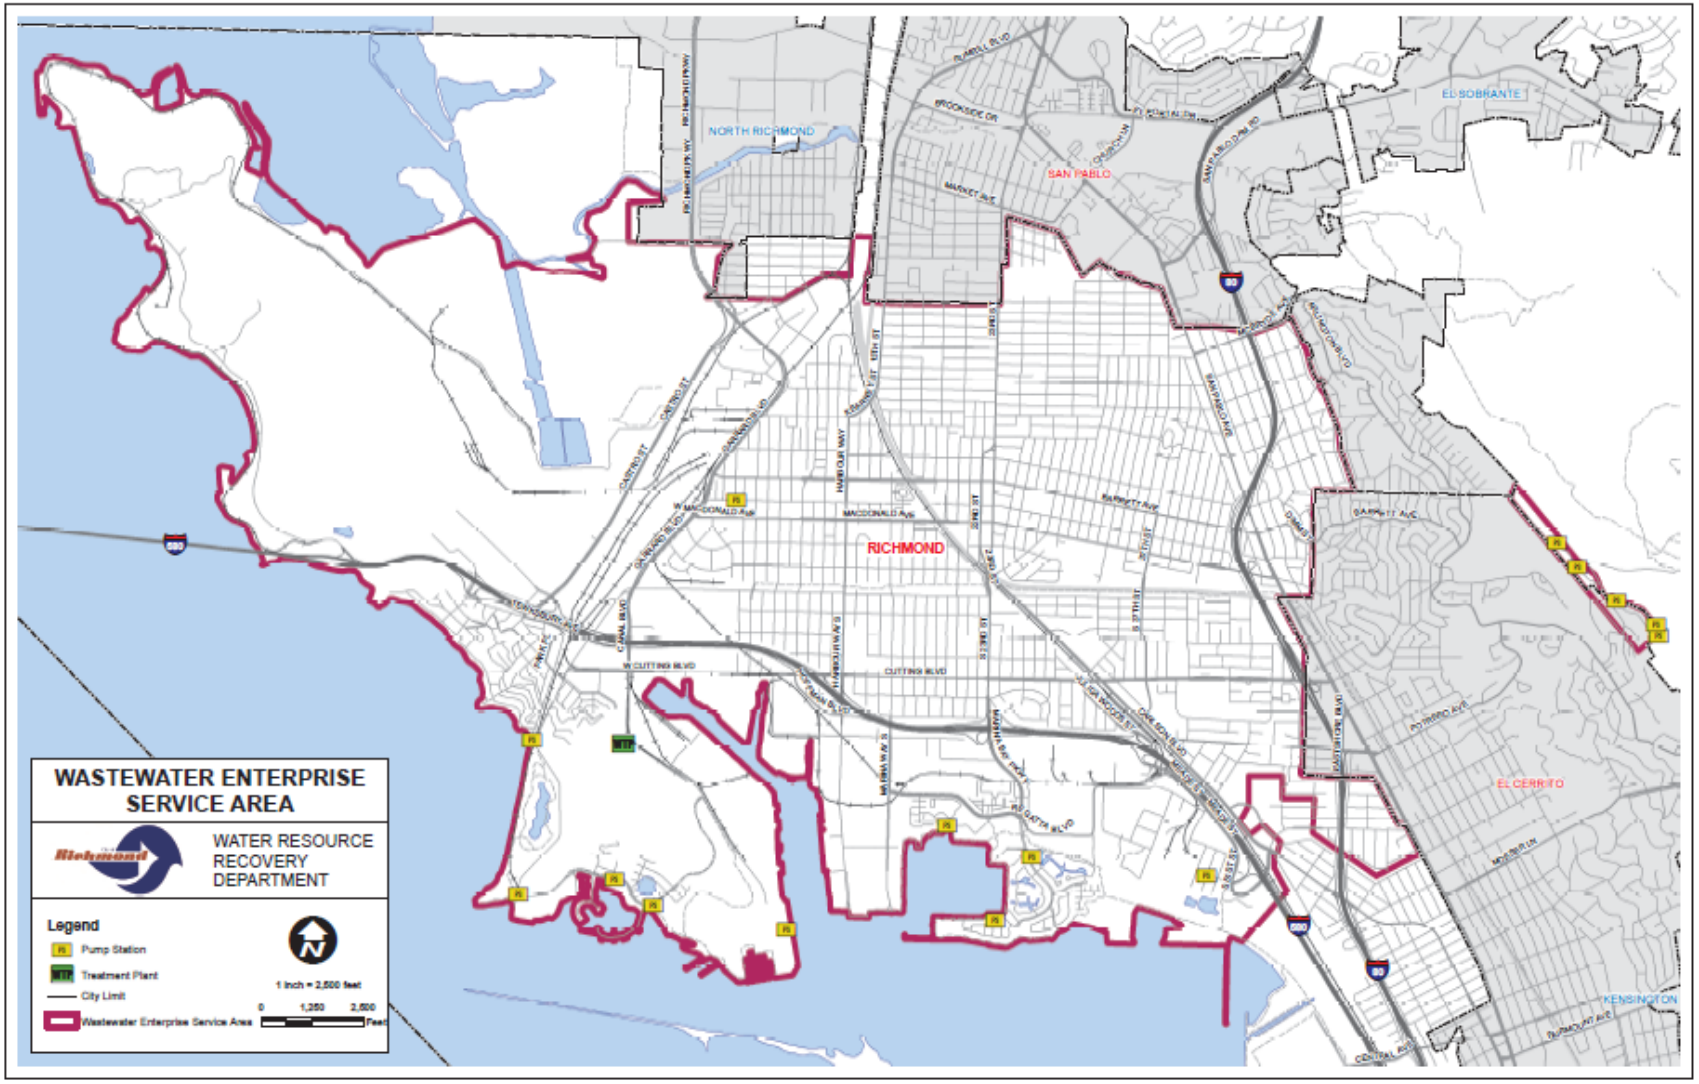
THE WASTEWATER ENTERPRISE

Overview

The Wastewater Enterprise (hereafter referred to as the "Enterprise") is one of three utilities maintained and operated by the City. The two other utilities are storm sewer and cable television. As of January 1, 2015, the Enterprise provided sewer services to approximately 18,246 of the 27,004 residential parcels located within the City and, in addition, services 1,346 industrial and commercial parcels located in the City.

The Enterprise is comprised of a sanitary sewer collection system (the "Collection System"), a wastewater treatment plant (the "Treatment Plant") and the disposal system. The Collection System consists of approximately 197 miles of sanitary sewer collection pipes and 13 wastewater lift stations. The Treatment Plant is located on an approximately 30-acre site in the southwest portion of the City at 601 Canal Boulevard. The current permitted capacities of the Treatment Plant are 16 million gallons per day ("mgd") average dry weather flow and 40 mgd peak wet weather flow. For a map showing the Treatment Plant and other facilities within the Enterprise, see Figure 1 on the following page.

Figure 1
Map Showing the Treatment Plant and Other Enterprise Facilities



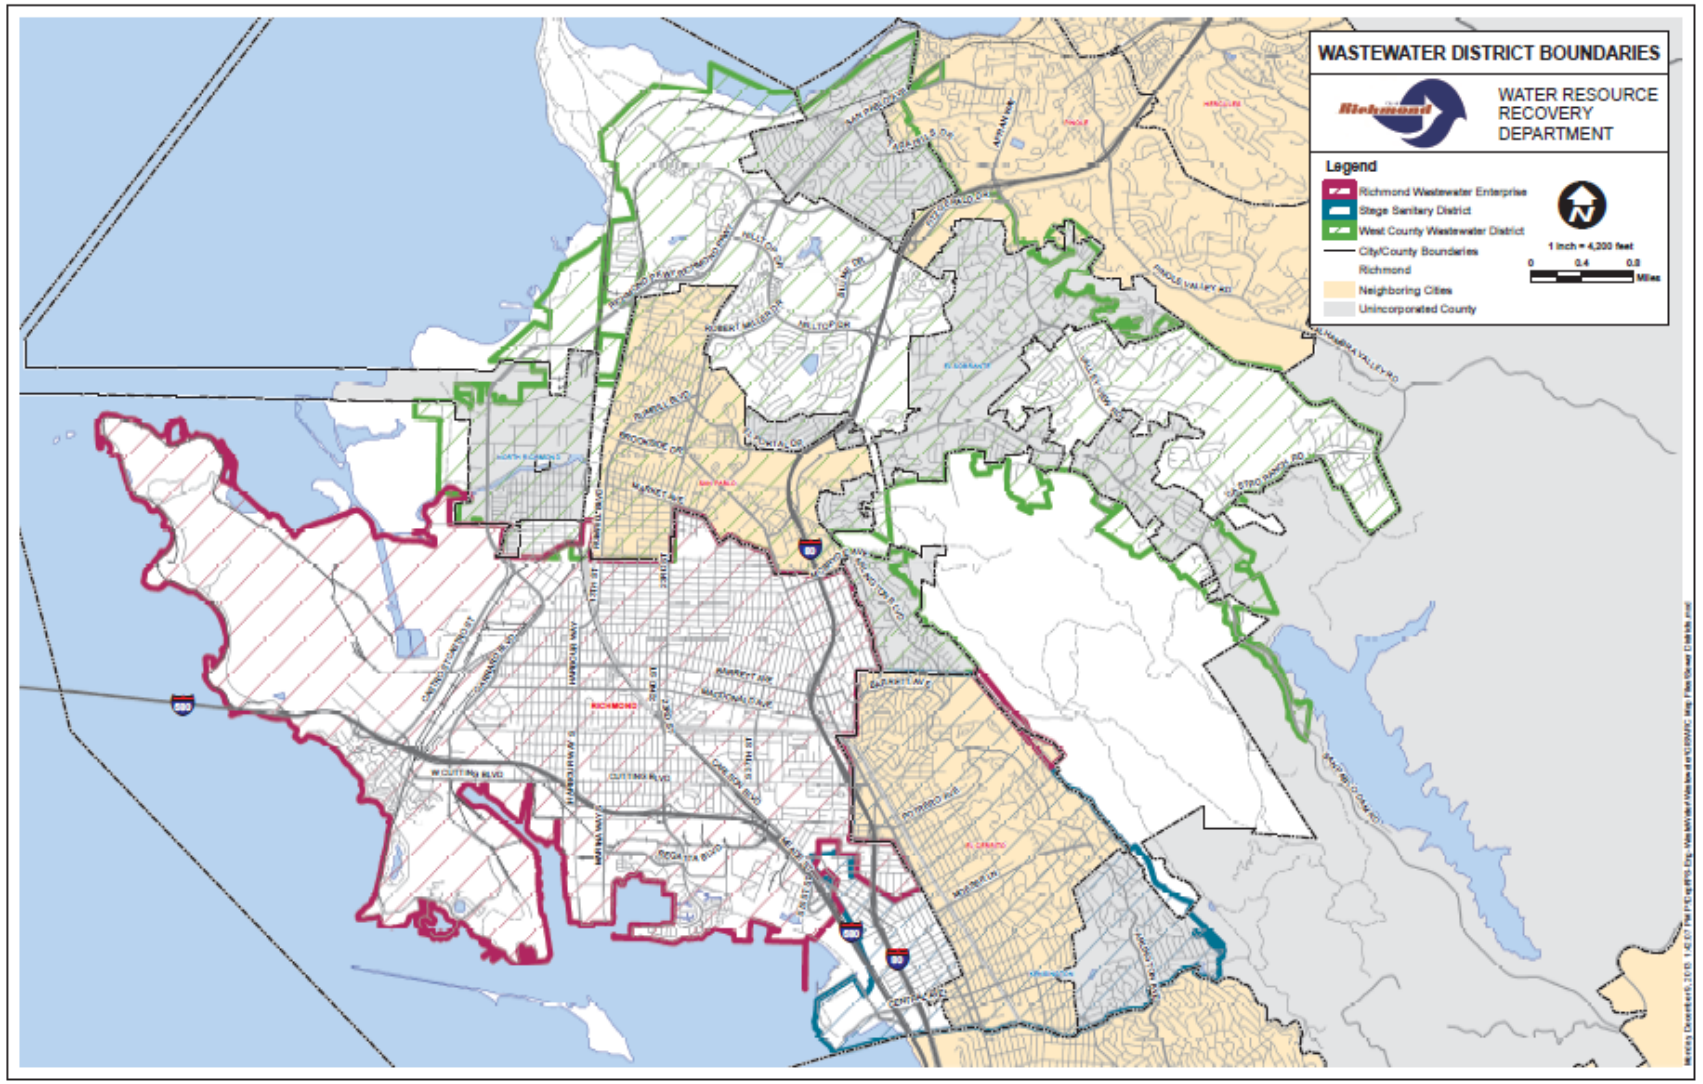
Service Area

The service area of the Enterprise coincides with the boundaries of the Richmond Municipal Sewer District No. 1 ("District No. 1"), which was created by the City in 1956. The service area of the Enterprise comprises approximately 14 square miles of the total approximately 33.7 square-mile land area of the City and corresponds to the original boundaries of the City as they existed in 1905. The Stege Sanitary District (the "Stege District") and the West County Wastewater District (the "West County District") provide sewer services to portions of the City that are not serviced by the Enterprise. These areas were originally outside the boundaries of the City and, since annexation of these areas to the City, have continued to be served by those districts. In 1977, the City, District No. 1 and the West County District formed the West County Agency, a joint powers agency, which constructed a 72-inch joint outfall pipe and other facilities jointly used by the City, District No. 1 and the West County District.

Figure 2 on the following page sets forth a map of the service area of the Enterprise.

(Remainder of this Page Intentionally Left Blank)

Figure 2
Map of the Service Area of the Enterprise



History

The Treatment Plant was initially constructed in 1953 as a primary treatment facility. In 1967 it was expanded to include secondary treatment. Smaller upgrade projects have been completed since that time, including the construction of a third circular clarifier in 1990. Wet weather diversion structures and various improvements, including expansion and modernization of the existing laboratory and construction of an emergency generator and fuel storage system, were added in the 1980s and early 1990s. Until 1999, the facilities of the Enterprise generally had an average age of 60 years, with many facilities nearing the end of their useful lives; the Treatment Plant had little automation and process control was mostly manual. However, beginning in 1999 major rehabilitation and renovation improvements to the Enterprise were undertaken and are continuing. See "–Capital Improvement Plan."

City Management

Key members of the City staff responsible for the operation and financial management of the Enterprise include the officials listed below. Substantially all operations of Enterprise are managed by Veolia. See "–Management of the Enterprise by Veolia" below.

William A. Lindsay, City Manager. Bill Lindsay began his professional career as a Consultant with Deloitte Haskins & Sells (now Deloitte Touche Tohmatsu) in their Management Advisory Services group. He then moved to the public sector as Finance Director/Assistant to the City Manager with the City of Hercules, California, as Administrative Services Director with the City of San Ramon, California, and then as City Manager for the City of Orinda, California for nine years. Mr. Lindsay has been the City Manager of Richmond since February 2005. He earned a bachelor's degree in Economics from Yale University and a master's degree in General Management from the University of California at Berkeley.

Belinda Warner, Director of Finance and Treasurer. Belinda Warner began her long professional career with the City in 2000, starting as an accountant, and then senior accountant, in the Finance Department, then moved to the Police Department in 2012 and progressing upwards to become Finance Manager for the Police Department beginning in 2014. She became Director of Finance for the City in March 2015. Ms. Warner earned a bachelor's degree from the University of Phoenix in 2000 and a masters of business administration from Golden Gate University in 2004.

Ryan Smith, Director of Water Resource Recovery. Ryan Smith began his professional career as a wastewater treatment plant operator-in-training with the City of Santa Rosa, and rapidly promoted to a senior level operator. He then accepted a similar position with the City of Petaluma for the construction and startup of the City's new treatment facility, as an operations supervisor with the Las Gallinas Valley Sanitary District, and then as an operations superintendent and plant manager for the City of San Mateo. Mr. Smith has been the wastewater department head since October 2015. He earned a bachelor's degree in Agriculture from the BioResource and Agricultural Engineering Department at the California Polytechnic State University in San Luis Obispo.

Management of the Enterprise by Veolia

Summary of the Management Agreement. In 2002, the City and Veolia Water North America Operating Services, Inc. ("Veolia") entered into the City of Richmond Wastewater Treatment Facility Capital Improvements, Operations, Maintenance and Management Agreement, as amended, (the "Management Agreement"), which provides, among other things, for Veolia to design and construct improvements to the Enterprise and to operate, maintain and manage the Treatment Plant during the 20-year term of the Management Agreement. The Management Agreement has been amended to provide for the operation, maintenance and repair of the sewer collection system and storm drainage system, the

preparation of sanitary sewer and storm drain master plans and completion of certain improvements to the pump stations pursuant to the Settlement Agreement. (See "–Regulatory Matters–*Prior Noncompliance*–Baykeepers Lawsuit"). Pursuant to the Management Agreement, the City provides all capital funding, at specified levels, and remains the owner of the Enterprise. Veolia designs, constructs and installs all capital improvements for the Enterprise and operates and maintains the Enterprise at guaranteed costs to the City (exclusive of pass-through costs such as utilities) for the contract term, subject to maximum and minimum total compensation amounts set forth in the Management Agreement. The initial term of the contract expires on May 14, 2022 with an option of the City to renew for up to two five-year periods and a mutual option to extend for an additional five-year period.

Veolia's responsibilities with respect to the sewer collection and storm drainage facilities include: (i) maintenance, including both emergency and scheduled maintenance; (ii) development and implementation of a capital improvement plan; and (iii) responsibility for all relevant customer service requirements related to operation of the collection system including response to routine and emergency calls and new service tap inspections. The City retains responsibility of enforcing its Industrial Pretreatment Program, perform all regulatory duties, sampling analysis and reporting associated with the collection system and perform long-term collection system and service area planning. Veolia's responsibilities with respect to capital improvements to the collection system facilities include development of a comprehensive capital improvement program for the collection system and provision of turn-key services to implement a comprehensive Sanitary Collection System rehabilitation program in compliance with the draft Capacity, Management, Operations & Maintenance ("CMOM") guidelines of the EPA. In the event that final CMOM guidelines differ materially from the preliminary guidelines issued by the EPA, the parties will treat such material difference as a "Change in Law" under the Management Agreement.

Operation of the treatment facilities is provided by Veolia using Veolia employees. Compliance with all regulatory requirements and a conditional effluent quality guarantee are provided by Veolia. Capital costs, permitting, and construction schedule are similarly guaranteed by Veolia. Future changes in laws and regulations (if any) are treated as a change in scope of services with Veolia permitted to obtain reimbursement for documented additional costs (capital or operational) necessary for compliance with the new regulations and requirements. Failure by Veolia to meet certain requirements of the contract may result in the imposition of liquidated damages by the City, subject to notice and cure provisions, in the manner and in the amount set forth in the Management Agreement.

In the Management Agreement, Veolia provides an effluent quality guaranty, subject to certain Uncontrollable Circumstances (as defined in the Management Agreement). The effluent quality guarantee requires that influent to the treatment plant be within the raw wastewater parameters of the Treatment Plant's design criteria and that the raw wastewater be free of hazardous and biologically toxic materials in quantities that exceed the maximums of the City's laboratory and industrial pre-treatment program and the NPDES permit. Uncontrollable Circumstances that limit Veolia's effluent guaranty include, among other things, acts of God, changes in law and labor disputes other than those of Veolia's employees but does not include changes in general economic conditions, the financial condition of the City, Veolia, or the Project Guarantor or the consequences of Veolia error. Except in the event of Uncontrollable Circumstances, failure by Veolia to satisfy applicable law with respect to effluent limits may result in the imposition of liquidated damages in the manner and in the amount set forth in the Management Agreement.

All disputes arising out of or relating to the Management Agreement are subject first to non-binding negotiation, and, if unsuccessful, non-binding mediation, as conditions precedent to the submission of the dispute to mandatory, binding arbitration.

The City covenants in the Management Agreement to fix, establish, and revise from time to time the rates and charges for the Enterprise as necessary to provide sufficient revenues to pay amounts due under the Management Agreement. Such amounts include the capital improvement costs described above. The City's obligation to pay Veolia the amounts as specified in the Management Agreement is a general, unsecured obligation and the City treats the payments to Veolia as Operating Expenses under the Indenture.

Veolia. Veolia Water North America Operating Services, Inc. ("Veolia") is a subsidiary of Veolia Environnement (the "Company"), a French public limited-liability company headquartered in Paris. The company has three core businesses, water management, waste management and energy services. The Company has over 163,000 employees worldwide, and manages over 2,900 wastewater treatment plants.

In North America, Veolia has 7,800 employees and serves 165 municipal clients. Representative Northern California local governments for which Veolia provides operations, maintenance and management ("OM&M") for wastewater treatment plant operations include Burlingame, Discovery Bay, Lathrop and Novato. Notable US engagements for which Veolia provides OM&M services for wastewater treatment include Milwaukee, where Veolia operates and maintains two water reclamation facilities with combined capacity of 660 MGD, the 320-mile collection system, biosolids production, and the 500 MG "Deep Tunnel" storage system. In Atlanta-Fulton County, Veolia operates and maintains the county's wastewater assets, including three treatment facilities, 30 wastewater pump stations and one grinder station, and also provides maintenance services for other water-related assets. Veolia also provides educational programming at the 10,000 square-foot Johns Creek Environmental Campus, promoting water and wastewater educational opportunities with an emphasis on educating children about the bioscience/life-science industry. Veolia provides large meter program/revenue enhancement for New York City in addition to optimizing day-to-day resources, helping provide $82 million in annually recurring savings and revenue enhancements.

Capital Improvement Program

Pursuant to the Management Agreement, Veolia is responsible for preparation of master plans for the Enterprise. Planning for the Enterprise addresses the Collection System, the Treatment Plant and the disposal system. (See "–Facilities Description" below.) For specific components of the plan, Veolia from time to time contracts with specialty engineering firms to assist in developing approaches to specific Enterprise components. Long-term planning includes recommendations for long-term projects that are anticipated to be needed through 2045, based on current understanding of anticipated Enterprise regulation and expected capacity needs.

In the framework of long-term master planning for the Enterprise, the City develops on an annual basis, five-year capital improvement plans for the development, construction, installation and financing of improvements to the Enterprise. The 2017-2022 CIP includes approximately $63.3 million in projects necessary to expand and upgrade the Enterprise to satisfy regulatory requirements, comply with Settlement Agreement, as well as meet current and future demand. See also "PLAN OF FINANCE." The projects in the 2017-2022 CIP consist of the following:

Table 2
City of Richmond
2017-2022 Capital Improvement Program Projects

CIP Project Description	Component	Estimated Cost†	Estimated Completion Date
13th Street Sewer Capacity	Collection	$7,800,000	Sept. 2019
23rd Street Sewer Replacement	Collection	2,800,000	Sept. 2019
Leachate Line Assessment and Repairs	Collection	1,250,000	Dec. 2018
Sanitary Sewer Manhole Rehabilitation	Collection	500,000	Dec. 2017
Critical Pipeline Rehabilitation	Collection	1,000,000	Dec. 2017
Lift Station Assessment	Collection	420,000	Dec. 2017
Cutting & Carlson, and Hoffman Sewer Capacity	Collection	7,168,380	Dec. 2020
Secondary Clarifier Rehabilitation	Treatment Plant	7,680,000	Oct. 2018
Thickener Facility	Treatment Plant	6,000,000	Nov. 2018
Sodium Bisulfite System Replacement	Treatment Plant	2,268,000	Dec. 2017
Rockslide Protection	Treatment Plant	1,500,000	Nov. 2018
Advance Primary Treatment	Treatment Plant	500,000	Oct. 2017
Grit/Screenings Facility, and Aeration System Upgrade	Treatment Plant	24,400,000	Dec. 2020
TOTAL		$63,286,380	

† Based upon engineering estimates for design and construction.
Source: City of Richmond.

Proceeds of the Series 2017A Bonds in the amount of approximately $31,718,000 will be applied to the 2017-2022 CIP projects, with the remaining funds derived from pay-as-you-go sources and a State loan. Such State loan is anticipated to be secured by a pledge and lien on Net Revenues on a parity with the Series 2017A Bonds and other Bonds.

Facilities Description

Overview. Operation of the wastewater collection, treatment and disposal systems is a 24-hour, seven days a week, 365-day a year activity. During Fiscal Year 2015-16, an average of 5.8 mgd average dry weather flow of wastewater originating from residential, commercial, industrial and institutional customers within the Service Area was treated at the Treatment Plant.

The City's Enterprise consists of three major components: the Collection System, the Treatment Plant and the Disposal System. In addition, the City operates a Pretreatment Program designed to reduce pollutant sources.

Collection System. The Collection System includes approximately 197 miles of collection pipes and is estimated to have an average age of 65 years. Most pipes are six inches in diameter. In addition, the collection system also includes 13 sewage pumping stations, which lift wastewater throughout the

sewer interceptors to the Treatment Plant. There are also two engineered overflow weirs (a control banner that permits measurement of water discharge) which discharge untreated water into the San Francisco Bay.

Pretreatment Program. The City has operated a pretreatment program (the "Pretreatment Program") to stop pollution from overloading or passing through the Treatment Plant since 1979. This program monitors industrial wastewater discharged into the sanitary sewage collection system, and issues up to approximately 75 permits to wastewater dischargers within District No. 1. As described under "–Service Area," because not all businesses within the City discharge to the Enterprise, pretreatment inspection to businesses in the southern portion of the City served by the Stege District are provided by the East Bay Municipal Utilities District.

For more than 30 years the Pretreatment Program has been involved with identification and reduction of pollutant sources both to the sanitary sewer and the storm drains from industrial commercial and residential activities. Of particular concern are heavy metals such as copper, mercury, nickel and selenium which mostly settle out in the sludge (*i.e.* biosolids). See also "–Regulatory Matters–*Disposal System.*" Keeping the metal content low enables the bio-solids to be used in a variety of ways. Currently, the bio-solids are used as a capping soil in a sanitary landfill. The Pretreatment Program is designed to keep the metal content in the biosolids low, resulting in more economic disposal options of the solids. The City is investigating available technologies to beneficially reuse the biosolids to offset energy demands at the Treatment Plant, as well as actively participating in the Bay Area Biosolids to Energy (BAB2E) Program, a coalition of Bay Area agencies, including the City, formed to create local sustainable solutions to biosolids management. Cyanide is also a priority pollutant, and the program is always vigilant of cyanide discharge to the sewer system. Grease in the sewers is also a major concern. Sewers blocked with grease can cause overflows which are expensive in terms of clean-up costs, damage to property, and fines if they cause overflows to the storm collection system.

Treatment Plant. The Treatment Plant provides primary and secondary treatment of raw wastewater that flows in from the collection system.

The 2013 NPDES Permit rates the peak capacity of the primary treatment facilities at the Treatment Plant at 40 mgd and the secondary treatment capacity at 16.0 mgd for average day maximum month flow and 20 mgd for peak hourly wet weather flow. The average annual dry weather flow at the Treatment Plant in 2016 was approximately 5.8 mgd. Wet weather flows sometimes exceed the peak capacity for secondary treatment at the Treatment Plant. The excess primary treated effluent is diverted around the biological treatment units to wet weather storage. Once storage is at capacity, excess primary-treated effluent is blended with secondary-treated effluent. The combined flow is then disinfected and dechlorinated prior to discharge to the San Francisco Bay. The stored wastewater is treated through the secondary treatment facilities after wet weather flows subside and there is capacity in those units. The blended effluent is required to meet secondary treatment discharge limits.

Preliminary Treatment. Preliminary treatment at the Treatment Plant consists of screening debris larger than one inch, and grit removal of heavy smaller particles such as rock and sand.

Primary Treatment. Primary treatment consists of primary sedimentation to remove floating material, oils and greases, sand and silt not removed in preliminary treatment and organic solids heavy enough to settle in water. In two primary treatment tanks, suspended material in the wastewater is allowed to settle out. The settled material (referred to as "primary sludge") is removed to digesters while the liquid effluent flows to the secondary treatment facilities.

Secondary Treatment. In secondary treatment, suspended and dissolved organic material is removed from the primary effluent by mixing it with biological organisms ("activated sludge") and aerating the combined liquid in the tank. The resulting effluent then flows into secondary clarifiers where the activated sludge is allowed to settle out. This resulting "secondary sludge" is either recirculated to the aeration tanks for continuous treatment of the primary effluent, or removed for process control, while the remaining secondary effluent is transported to the chlorine contact basin for disinfection.

Disinfection and Dechlorination. Secondary effluent is conveyed to chlorine contact tanks for disinfection, where liquid sodium hypochlorite is used as the disinfecting agent. Effluent is then dosed with liquid sodium bisulfite to dechlorinate the treatment plant effluent, and is then mixed with the West County District treated effluent in the confluence structure before being discharged to the San Francisco Bay.

Anaerobic Digestion. Primary and secondary sludges are pumped to two heated and mixed tanks called digesters. Under anaerobic conditions, bacteria break down organic solids and produce methane and carbon dioxide gases. The digester gas is flared and digested solids are transported, via a six-inch diameter pipeline constructed by the West County Agency, to the drying beds located at the West County District. See "*–Disposal System.*"

Power Source. The Treatment Plant purchases electrical energy power from Pacific Gas & Electric ("PG&E").

Disposal System. The combined outfall pipe, which transports treated secondary effluent from the West County District and the Enterprise to its discharge point, is jointly owned by the City (68% undivided interest) and the West County District (32% undivided interest). Effluent from the two entities meet at the confluence structure located west of the Treatment Plant. The combined effluent flows through the outfall pipe through the hills west of the Treatment Plant and then into a 1,000-foot-long, 72-inch outfall for discharge through a diffuser that extends 4,700 feet offshore of Point Richmond in the San Francisco Bay at a depth of 26 feet below mean lower water mark. The outfall risers are fitted with flexible rubber nozzles and marked by two navigation buoys in San Francisco Bay.

The anaerobically digested secondary sludge is currently pumped from the Treatment Plant through a six-inch, six-mile pipeline to sludge drying lagoons and beds located at and owned by the West County District plant. Dried sludge is disposed of at the West Contra Costa County Landfill. Piping from the Treatment Plant is glass lined and is cathodically protected.

On February 16, 2010, the City entered into an eight-year lease with the West County District for continued use of the sludge ponds through December 31, 2017. In December 2016, the City and West County District amended the lease which extends the agreement to year 2025 with updated terms. The City is also exploring alternative options to deal with sludge removal from the treatment plant. Preliminary estimates indicate that alternative facilities could cost approximately $19 million, but no firm estimates or course of action have been determined and the City Council has not been presented with any recommended option. However, Veolia is currently contracting with CH_2M, a global engineering firm, to perform a holistic biosolids and energy evaluation. Following this evaluation process, which is expected to be completed in fall, 2017, the City will be in a position to evaluate its options.

Customer Base

Set forth in Table 3 is the number of parcels served by the Enterprise and the total annual revenues (excluding connection fees) from parcels and total budgeted revenues for Fiscal Year 2012-13 through 2016-17.

Table 3

The principal wastewater customers in the City served by the Enterprise for Fiscal Year 2015-16 and estimated for Fiscal Year 2016-17 is set forth in Table 4. The largest user in the City accounts for approximately 0.82% of the Enterprise's estimated revenues for Fiscal Year 2016-17. The ten largest users of the Enterprise collectively accounted for approximately 4.22% of the Revenues of the Enterprise for such period.

Insurance on the Enterprise

The City maintains insurance with respect to the Enterprise which the City believes is reasonable for activities such as the Enterprise. For Fiscal Year 2016-17, the City maintains the following insurance coverages:

- General liability insurance (aggregate limit of $40 million) provided by the California Joint Powers Risk Management Authority, a joint powers authority. This coverage is subject to a self-insured retention of $500,000 per occurrence which is backed by a cash reserve fund determined annually by the City's actuary.

- Group purchased all-risk property damage insurance (aggregate limit of $1 billion per occurrence and $25 million per occurrence for flood), excluding coverage for earthquake damage, provided by a group of insurance companies rated "A" or better by A.M. Best, subject to a deductible of $5,000 per occurrence. This policy (excluding coverage for earthquake) provides blanket coverage for property of the City, and its affiliated organizations and agencies.

- Workers compensation insurance (aggregate limit of $50 million) provided by the California State Association of Counties-Excess Insurance Authority. This coverage is subject to a self-insured retention of $750,000 per occurrence and is backed by a cash reserve fund in an amount determined annually by the City's actuary.

Under the Indenture, the City is required to maintain insurance on the Enterprise as is usual and customary for wastewater treatment systems similar to the Enterprise, subject to certain limitations. See APPENDIX C–"SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE–Insurance." The City believes that the above-referenced policies currently meet customary standards. The City reviews its insurance coverage from time to time and may make changes in the future to its insurance coverage as permitted under the Indenture.

Regulatory Matters

The Enterprise meets all known current regulatory permit requirements for its facilities, and is in material compliance with the Porter-Cologne and Clean Water Acts (except as described below). This section summarizes the regulatory framework governing the Enterprise and its operations. The City is not aware of any environmental or regulatory issues that would adversely impact its ability to provide wastewater service as described in this Official Statement.

History and Background. In 1969, the State adopted the Porter-Cologne Water Quality Act (the "Porter-Cologne Act"), creating the State's current legal framework for the protection of water quality. This adoption was followed at the federal level by the Water Pollution Control Act Amendments of 1972 (the "Clean Water Act"). The Clean Water Act provided an aggressive timetable for eliminating pollution of the nation's waters and established the basic secondary treatment requirements that 85% of pollutants, as defined in administrative regulations, be removed from sanitary wastewater. The Clean Water Act also required the issuance of discharge permits on a nationwide basis and established a federal grant program for construction of publicly owned wastewater facilities, subsequently replaced in California by the State's revolving fund loan program. Although the U.S. Environmental Protection Agency (the "EPA") has ultimate responsibility for administering the Clean Water Act, many functions have been delegated to the State. The administration of the current loan program and enforcement of regulations are a joint undertaking of the State Water Resources Control Board, the nine Regional Water Quality Control Boards, and EPA Region IX. The operation of the Enterprise is governed by the San Francisco Bay Regional Water Quality Control Board (the "SF Bay RWQCB").

Federal and State Clean Water Act Permits. Each Regional Water Quality Control Board issues discharge permits under Section 402 of the Clean Water Act, which establishes the National Pollutant Discharge Elimination System ("NPDES") permit system. These permits, issued for a five-year period, are also wastewater discharge requirements for the purposes of the Porter-Cologne Act.

The City operates the Enterprise under NPDES Permit No. CA 0038539 (Order No. R2-2013-0016) issued by the SF Bay RWQCB in May 2013 and held by the West County Agency (a Joint Powers Agency whose members are (1) the West County District, (2) the City, and (3) the Richmond Municipal Sewer District No. 1), which also covers the wastewater discharges from the

Enterprise and the West County District. The current permit expires on June 30, 2018 and prescribes the effluent, receiving water, groundwater and pond disposal limitations for the Treatment Plant; requires additional testing, monitoring and limits for toxic substances; and requires the City to implement all feasible alternatives to reduce blending resulting from inflow and infiltration into the collection system. The City will file a Report of Waste Discharge before the December 31, 2017 deadline to commence the process for renewal of the permit.

Compliance Status

Current Status. The City is currently in compliance with all permits, laws and regulations necessary to operate the Enterprise. The City and the Enterprise have all environmental and other approvals necessary to complete the Project, other than ministerial approvals expected in the ordinary course of construction. See, however, "*–Prior Noncompliance*–Baykeeper Lawsuit," below.

Prior Noncompliance

General. The City has been cited in the past for violations of its NPDES permits. According to complaints filed by the SF Bay RWQCB, the City and the West County District have, at various times, discharged treated wastewater to the waters of the State that exceeded allowable effluent limitations for certain pollutants. According to these complaints, the violations were not serious, but were subject to mandatory minimum penalties. The mandatory minimum penalty for each violation to which a penalty applied is $3,000 per occurrence.

Baykeeper Lawsuit. In 2005, litigation was commenced against the City (*Baykeeper and West County Toxics Coalition v. City of Richmond, West County Wastewater District, Veolia Water North America Operating Services and West County Agency, Case No. C-05-03829 MMC)* (the "Baykeeper Lawsuit") alleging that the City, the West County Agency and Veolia violated the Clean Water Act, and the effluent limitations contained in prior NPDES permits.

The parties entered into two settlement agreements in 2006; one focused on the wastewater treatment plant and the other on the collection system and the reduction of SSOs. The second settlement agreement focused on prevention of sanitary sewer overflows ("SSOs") that had occurred from the collection systems of the Enterprise and the West County District. The settlement agreement pertaining to the SSOs was scheduled to terminate 10 years following the effective date thereof (the 45th day following receipt by the U.S. Department of Justice of the settlement agreement, i.e. December 9, 2016), with the City and Veolia agreeing to make improvements to the Enterprise to achieve reductions in maximum SSOs (expressed in overflow events in a year, with exceptions for storm years above design capacity).

Under the settlement agreement pertaining to the SSOs, the maximum SSOs permitted was reduced annually from 114 in 2007 to 10 in 2016. The City complied with the SSO limits from 2007 through 2013. In 2014, the parties extended the term of the settlement agreement pertaining to the SSOs from December 2016 to December 2017 to accommodate the extended construction schedule for the wet weather storage facility (the "WWSF") at the treatment plant. The City did not achieve the required SSO reductions in 2014, 2015, and 2016. Although the WWSF was completed in 2015, the physical state of existing collection lines and the heavy 2016-17 winter rains limited compliance.

While the City is currently out of compliance with the terms of the settlement agreement pertaining to the SSOs, the CIP is designed, in part, to satisfy the SSO reduction and other

requirements of said settlement agreement. See "–Capital Improvement Program" and "PLAN OF FINANCE." In addition, the City has initiated discussions with Baykeeper regarding an extension of the settlement agreement pertaining to SSOs to allow for additional time to achieve SSO reduction compliance.

Regulatory Trends. Regulatory developments at the State and Federal level, as well as ongoing permit reissuance activities, may increase operation costs and capital needs of the Enterprise and may have an effect on the Enterprise operations and its revenues. In the future, additional constituents of concern (possibly including pollutants such as ammonia, nutrients, endocrine disrupting chemicals, human-made chemical/products) will likely be identified, and additional effluent limits may be added for wastewater discharges into the San Francisco Bay, as water quality objectives are developed for new compounds and improved analytical techniques become available. Additional source control measures, public education and outreach, and additional or advanced treatment processes may be necessary to achieve compliance.

Other Regulatory Agencies with Jurisdiction Over the Wastewater Enterprise. Other regulatory agencies with approval or oversight responsibilities over the siting, construction or operational impacts of the Enterprise on air, water and natural resources include the Bay Area Air Quality Management District, the Bay Conservation and Development Commission, the California Coastal Commission, the State Lands Commission, the California Department of Public Health, the National Marine Fisheries Services, the United States Fish and Wildlife Service, the California Department of Fish and Wildlife, and the U.S. Army Corps of Engineers.

Other Laws Affecting the Wastewater Enterprise. As a public agency the actions of the City with respect to the Enterprise must be constituent with the California Environment Quality Act and, where federal approvals or funding is involved, the National Environmental Policy Act. The federal Clean Air Act and the California Clean Air Act of 1988 also regulate emissions from treatment facilities. The Enterprise's Treatment Plant meets present Bay Area Air Quality Management District standards. Other State or federal laws could have an impact on operations of, or construction of improvements to, the Enterprise.

FINANCIAL MATTERS RELATING TO THE ENTERPRISE

Billing and Collection Procedures

General. Sewer charges are collected by the County Treasurer-Tax Collector's office on the real property tax bill of each parcel owner. The City receives sewer service charge collections from the County in three installments with approximately 95% received in December and April and the balance received in June of each Fiscal Year. The amount of sewer service charges on each parcel constitutes a lien against that lot or parcel as of noon on the first Monday in March immediately preceding the date of levy of the charge. If any sewer service charge is delinquent, the City may in its discretion either sell the parcel or file a civil action to recover such charges. However, the City receives sewer charge revenue from the County without regard to delinquencies as described under the caption "*–Teeter Plan*" below.

Teeter Plan. The County and its political subdivisions operate under the Teeter Plan pursuant to provisions of Sections 4701-4717 of the California Revenue and Taxation Code. Under the Teeter Plan, the accounts of all political subdivisions that levy taxes on the County tax rolls are credited with 100% of their respective tax levies regardless of actual payments and delinquencies. The County Treasury's cash position (from taxes) is protected by a special fund ("The Teeter Plan-Tax Losses Reserve Fund") into

which all County-wide delinquent penalties are deposited. The County has used this method since Fiscal Year 1950-51.

Rates, Fees and Charges

The City's wastewater charge has two components: a sanitary system charge and a storm program charge. The sanitary system charge covers the costs of administering, monitoring, operating, maintaining, improving and retiring the capital debts of the Enterprise. ***The storm program was developed to pay for the costs of administering, monitoring, operating, maintaining and improving the storm sewer system throughout the City and is not included in Revenues pledged to pay the principal of and interest on the Bonds.*** In addition, the City charges fees for the issuance of permits, site visit inspections, site monitoring, sampling and testing, and laboratory charges for users covered by the City's wastewater permitting program.

Sewer Service Charges. Customers of the Enterprise are billed an annual sewer charge based on a user classification system.

Residential. Single unit residential users of the Enterprise are billed a flat annual charge per sewer service unit ("SSU"). Multifamily residential users are billed a slightly lower amount SSU.

Non-Residential. All non-residential users of the Enterprise (*i.e.* commercial and industrial users and schools) are billed annually based upon industrial waste unit ("IWU") plus strength charges per pound of the five-day biochemical oxygen demand in mg/L and pounds of total suspended solids ("TSS") in mg/L in the effluent. In addition, all non-residential users are billed for actual cost of monitoring charges.

Current Rates. To satisfy funding requirements for expansion, improvement, maintenance and operating the Enterprise on July 28, 2015, the City Council approved a multi-year rate ordinance that increased user charges by 6.8% per year for Fiscal Years 2015-16 through 2019-20, which became effective August 1, 2015.

Rates shown for single unit and multi-unit residences are flat rates per sewer service unit. Rates shown for commercial and industrial customers are minimum rates calculated based on metered usage per industrial waste unit, which is equal to a volume of industrial and domestic waste discharge of 1,000 cubic feet.

The City has covenanted in the Indenture to implement the capital expenditure program funded by Outstanding Bonds and to levy and collect rates and charges in conformance with the rate covenant in the Indenture. See "SECURITY AND SOURCE OF PAYMENT FOR THE SERIES 2017A BONDS–Rate Covenant." The City believes that the current rate structure is consistent with State law, which requires generally that wastewater charges be proportionate to the operation, maintenance and replacement costs associated with providing service for each discharger or class of dischargers.

Set forth below in Table 7 are the annual user charges for Fiscal Years 2014-15 through 2019-20 reflecting historic, current and adopted rates and charges.

Table 7
City of Richmond
Wastewater Enterprise
Annual User Rates and Charges
Fiscal Years 2014-15 through 2019-20

	Fiscal Year					
User Classification	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20
Single Unit Residential	$633.00	$676.00	$722.00	$771.00	$824.00	$880.00
Multi-Unit Residential	509.00	544.00	581.00	620.00	662.00	707.00
Commercial/Industrial Base Rate†	379.00	404.77	432.30	461.69	493.09	526.62
Biochemical Oxygen Demand per lb	0.975	1.04	1.11	1.19	1.27	1.35
Total Suspended Solids per lb	0.45	0.48	0.51	0.55	0.59	0.63
Industrial Waste Unit per each	45.92	49.04	52.38	55.94	59.74	63.81

† Charges shown are minimum charges and will vary depending upon the amount of wastewater discharge (measured per industrial waste unit), biochemical/oxygen/demand levels, total suspended solids content, and strength and volume of wastewater discharge.

Source: City of Richmond.

Connection Fees

In addition to user charges, the City imposes a connection fee upon each owner connecting a building sewer with the Enterprise on or after July 1, 1992. The fee is payable at the time of issuance of a permit by the City to connect to the sewer system. For residential premises the current connection fees are $3,205 for single-family residences and is $2,594 for multi-family units, which fees are payable for each sewer service unit to be connected to the sewer system. The connection fees are Revenues and, as such are a part of the Net Revenues pledged to the payment of the Series 2017A Bonds and any Parity Debt.

Basis of Accounting

The City reports operations on a fiscal year basis (currently July 1 through June 30). The City maintains the Enterprise as a separate enterprise fund for accounting purposes.

Sources of Funds; Operating Costs

The following Table 9 sets forth the Enterprise's audited summary of revenues and expenditures for Fiscal Years 2012-13 through 2015-16. For Fiscal Year 2015-16, of the approximately $19.8 million in sewer service charges received by the City, approximately $15.64 million was derived from residential parcels and $4.16 million came from industrial, commercial and other classifications.

Management's Discussion of Operating Results

Audited operating results for the Enterprise for the last four fiscal years (Fiscal Years 2012-13 through 2015-16) are set forth in Table 10. Over this period, operating revenues increased by an annual average of approximately 3.7%; over the same period, maintenance and operating expenses increased by an annual average of approximately 2.3%.

Budget Process

Based primarily on the prior year's expenditures, the annual Enterprise budget is developed by the Director of Water Resource Recovery for submission to the Finance Department and then the City Manager. Budgets for staffing levels, other operating costs, interfund transfers and capital expenditures are reviewed and approved by the City Council. The management of the Enterprise is held accountable for conformance to the approved budget.

Historical and Projected Revenues, Operating Expenses, and Debt Service Coverage

Table 10 presents historical and projected revenues, operating expenses and debt service coverage ratios for the period beginning in Fiscal Years 2012-13 through 2016-17 (historical) and 2017-18 through 2020-21 (projected). In preparing the projections, the City has made certain assumptions with respect to capital needs and the condition of the existing system and conditions that may occur in the future. While the City believes these assumptions are reasonable for the purpose of the projections, they are dependent upon future events, and actual conditions may differ from those assumed.

(1) Estimated.
(2) Projected revenues include adopted Sewer Service Charge rate increase of 6.8% per year through Fiscal Year 2019-20.
(3) Reflects sewer service charge revenue increases derived from connections resulting from new development within the Service Area. See APPENDIX A–"ECONOMIC, DEMOGRAPHIC AND CERTAIN FINANCIAL INFORMATION REGARDING THE CITY OF RICHMOND–DEMOGRAPHIC AND ECONOMIC INFORMATION–Recent Developments.
(4) Represents Subsidy Receipts relating to the Taxable Series 2010B Bonds, assuming sequestration reductions of 6.9% in each year for the Projected Fiscal Years.
(5) Projected connection fees reflect the City's projections for pending residential, commercial and industrial development in the Service Area.
(6) Includes maintenance costs, bond-related expenses (including letter of credit fees) and other expenses.
(7) Represents debt service on the Series 2006A Bonds (being refunded), the Series 2008A Bonds (based upon the 2009 Swap Agreement rate equal to 3.897%), the Series 2010A Bonds, and the Taxable Series 2010B Bonds. Excludes debt service on the Series 2006A Bonds after August 1, 2017.
(8) Assumes State loan from the State Water Resources Control Board approved in Spring of 2018 and construction is completed in Fiscal Year 2019-20. See "THE WASTEWATER ENTERPRISE–Capital Improvement Program."
(9) Includes projected State loan payment.
(10) Excludes Sewer Service Charges from new connections and Connection Fee revenue in calculation of debt service coverage.

CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS

Article XIII B

At the statewide special election of November 6, 1979, the voters approved an initiative entitled "Limitation of Government Appropriations" which added Article XIII B to the California Constitution. Under Article XIII B, state and local governmental entities have an annual "appropriations limit" which limits the ability to spend certain monies which are called "appropriations subject to limitation" (consisting of tax revenues, state subventions and certain other funds) in an amount higher than the "appropriations." The "base year" for establishing such appropriation limit is the 1978/79 fiscal year and the limit is to be adjusted annually to reflect changes in population and consumer prices. Adjustments in the appropriations limit of an entity may also be made if (i) the financial responsibility for a service is transferred to another public entity or to a private entity, (ii) the financial source for the provision of services is transferred from taxes to other revenues, or (iii) the voters of the entity approve a change in the limit for a period of time not to exceed four years.

Appropriations subject to Article XIII B generally include proceeds of taxes levied by the State or other entity of local government, exclusive of certain State subventions and refunds of taxes. "Proceeds of taxes" include, but are not limited to, all tax revenues and the proceeds to an entity of government from (i) regulatory licenses, user charges, and user fees (but only to the extent such proceeds exceed the cost of providing the service or regulation), and (ii) the investment of tax revenues. Article XIII B includes a requirement that if an entity's revenues in any year exceed the amounts permitted to be spent, the excess would have to be returned by revising tax rates or fee schedules over the subsequent two years.

Certain expenditures are excluded from the appropriations limit including payments of indebtedness existing or legally authorized as of January 1, 1979, or of bonded indebtedness thereafter approved by the voters and payments required to comply with court or federal mandates which without discretion required an expenditure for additional services or which unavoidably make the providing of existing services more costly.

The City believes that the sewer fees and charges it imposes for use of the Enterprise do not exceed the costs it reasonably bears in providing such services and therefore are not subject to the limits of Article XIII B.

Proposition 62

A statutory initiative ("Proposition 62") was adopted by the voters voting in the State at the November 4, 1986 general election which (1) requires that any tax for general governmental purposes imposed by local governmental entities be approved by resolution or ordinance adopted by two-thirds vote of the governmental agency's legislative body and by a majority of the electorate of the governmental entity, (2) requires that any special tax (defined as taxes levied for other than general governmental purposes) imposed by a local governmental entity be approved by a two-thirds vote of the voters within that jurisdiction, (3) restricts the use of revenues from a special tax to the purposes or for the service for which the special tax was imposed, (4) prohibits the imposition of *ad valorem* taxes on real property by local governmental entities except as permitted by Article XIII A, (5) prohibits the imposition of transaction taxes and sales taxes on the sale of real property by local governmental entities and (6) requires that any tax imposed by a local governmental entity on or after March 1, 1985 be ratified by a majority vote of the electorate within two years of the adoption of the initiative or be terminated by November 15, 1988.

Following its adoption by the voters, various provisions of Proposition 62 were declared unconstitutional at the appellate court level. On September 28, 1995, however, the California Supreme Court, in *Santa Clara County Local Transportation Authority v. Guardino* ("*Guardino*"), upheld the constitutionality of the portion of Proposition 62 requiring a two-thirds vote in order for a local government or City to impose a special tax, and, by implication, upheld a parallel provision requiring a majority vote in order for a local government or City to impose any general tax. *Guardino* did not address the question of whether or not it should be applied retroactively.

Following the Guardino decision upholding Proposition 62, several actions were filed challenging taxes imposed by public agencies since the adoption of Proposition 62. On December 15, 1997, the Court of Appeals for the State of California, Fourth Appellate District, in *McBrearty v. City of Brawley*, determined that (i) *Guardino* is to be applied retroactively to require voter approval of previously enacted taxes, and (ii) the three-year statute of limitations applicable to such taxes runs from the date of the *Guardino* decision (September 28, 1995). On June 4, 2001, the California Supreme Court released its decision in *Howard Jarvis Taxpayers Association v. City of La Habra, et al.* ("La Habra") holding (i) that a public agency's continued imposition and collection of a tax is an ongoing violation upon which the statute of limitations period begins anew with each collection and (ii) that, unless another statute or constitutional rule provided differently, the statute of limitations for challenges to taxes subject to Proposition 62 is three years. Accordingly, a challenge to a tax subject to Proposition 62 may only be made for those taxes received within three years of the date the action is brought.

Proposition 218

On November 5, 1996, the voters of the State approved Proposition 218, the so-called "Right to Vote on Taxes Act." Proposition 218 added Articles XIII C and XIII D to the State Constitution, which contain a number of provisions affecting the ability of local governments to levy and collect both existing and future taxes, assessments, fees and charges.

Article XIII C. Article XIII C removes limitations on the initiative power in matters of local taxes, assessments, fees and charges. In *Bighorn-Desert View Water Agency* v. *Beringson* ("Bighorn"), decided by the California Supreme Court on July 24, 2006, the petitioner sought to establish his right to reduce a local water agency's water rates and fees and charges through use of the initiative power. In holding for the petitioner on this issue, the court stated that the absence of a restrictive definition of "fee" or "charge" in Article XIII C suggests that those terms include all levies that are ordinarily understood to be fees or charges, including all of the property-related fees and charges subject to Article XIII D.

Though the California Supreme Court did not arrive at an exact definition of such terms in Bighorn, it did determine that fees and charges that are fees and charges within the meaning of Article XIII D are necessarily fees and charges within the meaning of Article XIII C. See "*–Article XIII D.*" The Court held that Article XIII C authorizes the use of the initiative process to reduce water rate and other delivery charges but that it does not authorize use of the initiative power to impose a voter-approval requirement on future increases or new water delivery charges. The court declined to determine whether the initiative power is limited by other statutory provisions requiring that water service charges be set at a level that will pay system expenses and debt service since that issue was not before the court.

Consequently, the voters of the City could, by future initiative, seek to repeal or reduce any local tax, assessment, fee or charge, including the City's sewer service fees and charges of the Enterprise, which are the source of Net Revenues pledged to the payment of debt service on the Series 2017A Bonds and the other Bonds. Though the use of the initiative power is arguably limited in the case of levies directly pledged to bonded indebtedness, such as the fees and charges imposed by the Enterprise securing the Series 2017A Bonds and the other Bonds, there can be no assurance that the voters of the City will not

seek to approve an initiative which attempts to reduce the fees and charges imposed by the Enterprise securing the Series 2017A Bonds and the other Bonds.

Article XIII D. Article XIII D established procedural requirements for imposition of assessments, which are defined as any charge on real property for a special benefit conferred upon the real property. Standby charges are classified as assessments. Procedural requirements include the conducting of a public hearing and an election by mailed ballot, with notice to the record owner of each parcel subject to the assessment. The assessment may not be imposed if a majority of the ballots returned oppose the assessment, with each ballot weighted according to the proportional financial obligation of the affected parcel. The City does not currently impose standby charges or assessments for the Enterprise.

Article XIII D conditions the imposition or increase of any "fee" or "charge" upon there being no written majority protest after a required public hearing and voter approval for fees and charges other than for sewer, water or refuse collection services. Article XIII D defines "fee" or "charge" to mean levies (other than *ad valorem* or special taxes or assessments) imposed by a local government upon a parcel or upon a person as an incident of the ownership or tenancy of real property, including a user fee or charge for a "property-related service." One of the requirements of Article XIII D is that before a property related fee or charge may be imposed or increased, a public hearing upon the proposed fee or charge must be held and mailed notice sent to the record owner of each identified parcel of land upon which the fee or charge is proposed for imposition. In the public hearing if written protests of the proposed fee or charge are presented by a majority of the owners of affected identified parcel(s), an agency may not impose the fee or charge.

In *Richmond et al.* v. *Shasta Community Services District* ("Richmond"), the California Supreme Court held that a water connection fee was not a "property-related" fee and charge subject to Article XIII D. However, in the opinion the California Supreme Court suggested in dicta that fees for *ongoing* water service through an existing connection were "property related" fees and charges imposed on a person as an incident of property ownership. The court addressed this issue directly in the Bighorn case discussed above. In its decision, the court relied on its discussion in Richmond to reach the conclusion that fees and charges for ongoing water service through an existing connection are "property-related" fees and charges imposed on a person as an incident of property ownership for purposes of Article XIII D whether the fees and charges are calculated based on usage or are imposed as a fixed monthly fee.

The City has complied with the procedures required by Article XIII D in connection with the increase in the sewer fees and charges described under the caption "FINANCIAL MATTERS RELATING TO THE ENTERPRISE–Rates, Fees and Charges" herein.

In addition to the procedural requirements of Article XIII D, under Article XIII D, all property related fees and charges, including those which were in existence prior to the passage of Proposition 218 in November 1996, must meet the following substantive standards:

(1) Revenues derived from the fee or charge cannot exceed the funds required to provide the property related service.

(2) Revenues derived from the fee or charge must not be used for any purpose other than that for which the fee or charge was imposed.

(3) The amount of a fee or charge imposed upon any parcel or person as an incident of property ownership must not exceed the proportional cost of the service attributable to the parcel.

(4) No fee or charge may be imposed for a service unless that service is actually used by, or immediately available to, the owner of the property in question. Fees or charges based on potential or future use of a service are not permitted. Standby charges, whether characterized as charges or assessments, must be classified as assessments and cannot be imposed without compliance with Section 4 of Article XIII D (relating to assessments).

(5) No fee or charge may be imposed for general governmental services including, but not limited to, police, fire, ambulance or library services where the service is available to the public at large in substantially the same manner as it is to property owners.

The City believes that its rates comply with the foregoing standards.

Article XIII D provides that nothing in Proposition 218 will be construed to affect existing laws relating to the imposition of fees or charges as a condition of property development.

Further interpretation and application of Proposition 218 will ultimately be determined by the courts or through implementing legislation with respect to a number of the matters discussed above, and it is not possible at this time to predict with certainty the outcome of such determination or the nature or scope of any such legislation.

Effect of Proposition 218 and of Possible General Limitations on Enforcement Remedies

The ability of the City to comply with its covenants under the Indenture and to generate Net Revenues sufficient to pay the principal of and interest on the Series 2017A Bonds may be adversely affected by actions and events outside of the control of the City and may be adversely affected by actions taken (or not taken) under Article XIII C or Article XIII D by voters, property owners, taxpayers or payers of assessments, fees and charges. Furthermore, any remedies available to the owners of the Series 2017A Bonds upon the occurrence of an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay and could prove both expensive and time consuming to obtain. In addition to the possible limitations on the ability of the City to comply with its covenants under the Indenture, the rights and obligations under the Series 2017A Bonds and the Indenture may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against municipal utilities in the State of California.

Based on the foregoing, in the event the City fails to comply with its covenants under the Indenture, including its covenants to generate sufficient Net Revenues, as a consequence of the application of Article XIII C and Article XIII D, or to pay principal of or interest on the Series 2017A Bonds, there can be no assurance that available remedies will be adequate to fully protect the interests of the owners of the Series 2017A Bonds.

Future Initiatives

Articles XIII B, XIII C and XIII D and Proposition 62 were adopted as measures that qualified for the ballot pursuant to California's initiative process. From time to time other initiatives could be proposed and adopted affecting the City's Net Revenues or ability to increase sewer fees and charges.

CERTAIN RISKS TO BONDOWNERS

This section provides a general overview of certain risk factors which should be considered, in addition to the other matters set forth in this Official Statement, in evaluating an investment in the Series 2017A Bonds. This section is not meant to be a comprehensive or definitive discussion of the risks associated with an investment in the Series 2017A Bonds, and the order in which this information is presented does not necessarily reflect the relative importance of various risks. Potential investors in the Series 2017A Bonds are advised to consider the following factors, among others, and to review this entire Official Statement to obtain information essential to the making of an informed investment decision. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value and/or in the marketability of the Series 2017A Bonds. There can be no assurance that other risk factors not discussed herein will not become material in the future.

System Demand

There can be no assurance that the demand for sewer services of the Enterprise will occur as described in this Official Statement. Reduction in levels of demand on such services could require an increase in rates or charges in order to comply with the rate covenant in the Indenture.

System Expenses

There can be no assurance that the City's actual expenses will be consistent with the projections in this Official Statement. Increases in expenses including, but not limited to, personnel costs, regulatory compliance costs and changes in technology, could require an increase in rates or charges in order to comply with the rate covenant in the Indenture.

Risks Related to Subsidy Receipts for the Taxable Series 2010B Bonds

The Taxable Series 2010B Bonds were issued as "Build America Bonds" under the provisions of the American Recovery and Reinvestment Act of 2009, signed into law on February 1, 2009 (the "Recovery Act"), the interest on which is not excluded from gross income for federal income tax purposes but is exempt from State of California personal income taxes. The City receives the Subsidy Receipts with respect to the Taxable Series 2010B Bonds, which are Revenues under the Indenture. See "FINANCIAL MATTERS RELATING TO THE ENTERPRISE–Historical and Projected Revenues, Operating Expenses, and Debt Service Coverage."

Failure by the City to comply with certain requirements applicable to "Build America Bonds" may result in a delay or forfeiture of all or a portion of the Subsidy Receipts and may cause the obligations represented by the Taxable Series 2010B Bonds to cease to be treated as "qualified bonds" either prospectively from the date of determination of a failure to comply with the requirements or retroactively to the date of issuance of the Taxable Series 2010B Bonds. Should such an event occur the Taxable Series 2010B Bonds are subject to extraordinary optional redemption. Such circumstances could create an additional, or increased, obligation payable from Net Revenues.

In the past, the federal government has reduced the amount of the Subsidy Receipts through sequestration due to federal government's financial condition. The City can provide no assurance that Subsidy Receipts may not be reduced or eliminated in the future due to sequestration, federal legislation, amendments to the Tax Code, court decisions or any other reason.

Failure to receive the Subsidy Receipts, or a reduction in the amount thereof, could have an adverse effect on Net Revenues available to repay the Bonds. The City is obligated under the Indenture to make all payments of principal of and interest on the Bonds whether or not the City receives any Subsidy Receipts.

Limited Recourse on Default

If the City defaults on its obligation to pay principal or interest on the Series 2017A Bonds, the Owners of not less than a majority in aggregate amount of the Series 2017A Bonds at the time outstanding have the right to accelerate the principal of all Series 2017A Bonds then outstanding and the accrued interest thereon. However, in the event of a default and such acceleration there can be no assurance that the City will have sufficient funds to pay the accelerated principal and accrued interest from Net Revenues.

If at any time there is a deficiency in Net Revenues available to pay the principal and interest on the Series 2017A Bonds, available Net Revenues are required to be applied on a *pro rata* basis for such purposes and any amounts due with respect to Parity Debt, amounts required to replenish the Reserve Fund or any reserve fund established for Parity Obligations or Credit Facility Obligations, then under the Indenture.

Initiatives; Changes in Law

In recent years several initiative measures have been proposed or adopted which affect the ability of local governments to increase taxes and rates. Article XIII A, Article XIII B, Article XIII C, Article XIII D, and Proposition 218, were adopted as measures that qualified for the ballot through California's initiative process. From time to time, other initiative measures could be adopted, which may place further limitations on the ability of the State, the City or local districts to increase revenues or to increase appropriations which may affect the Net Revenues or the ability of the City to expend its revenues. There is no assurance that the electorate or the State Legislature will not at some future time approve additional limitations which could affect the ability of the City to implement rate increases which could reduce Net Revenues and adversely affect the security for the Series 2017A Bonds.

Statutory and Regulatory Impact

Laws and regulations governing collection, treatment and disposal of wastewater are enacted and promulgated by government agencies on the federal, State and local levels. Compliance with these laws and regulations may be costly, and, as more stringent standards are developed to protect the environment, these costs will likely increase. In addition, claims against the City for violations of regulations with respect to its facilities and services could be significant. Such claims are payable from Gross Revenues or from other legally available sources.

Although the City covenants in the Indenture to fix, prescribe and collect rates and charges for the services and facilities furnished by the Enterprise during each Fiscal Year sufficient to yield the debt service coverage not less than 1.25:1, no assurance can be given by the City that the cost of compliance with such laws and regulations will not materially adversely affect the ability of the City to generate sufficient Net Revenues in the amounts required by Indenture. Increasing regulatory standards could materially increase the cost to the City of providing wastewater services. See also "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS–Proposition 218" and "–Effect of Proposition 218 and of Possible General Limitations on Enforcement Remedies."

Seismic Risks

There are several geological faults in the greater San Francisco Bay Area that have the potential to cause serious earthquakes which could result in damage to buildings, roads, bridges, and property within the City.

The City, the Enterprise and the Bay Area are generally located in a zone 4 seismic hazard area. Seismic zones aid in identifying and characterizing certain geological conditions and the risk of seismic damage at a particular location, and are used in establishing building codes to minimize seismic damage. The five seismic zones are: zone 0 (no measurable damage), zone 1 (minor damage), zone 2 (moderate damage), zone 3 (major damage) and zone 4 (major damage and greater proximity than zone 3 to certain major fault systems).

The City is located in the Hayward Fault Zone. Past experiences, including the 1989 Loma Prieta earthquake on the San Andreas fault, with a magnitude of 7.1 on the Richter scale and with the epicenter located in Santa Cruz, approximately 65 miles south of the City, have resulted in minimal damage to the infrastructure and property within the City.

The nearest active fault to the City is the Hayward fault, which is a northwest-southeast trending fault approximately 3.7 miles to the east of the City. The West Napa fault lies approximately 17 miles to the northeast. The Concord-Green Valley fault lies approximately 18 miles to the east. The Rogers Creek fault lies approximately 15 miles to the north. The San Andreas fault lies approximately 14 miles to the west. The northern part of the Calaveras fault lies approximately 20 miles to the southeast. All of these faults are considered active.

It is possible that new geological faults could be discovered in the area and a significant earthquake along these or other faults is possible during the period that the Series 2017A Bonds will be outstanding which may cause a delay or suspension of receipt of Net Revenues from the Enterprise.

The Treatment Plant is partially located on landfill. During an earthquake, landfill areas are subject to liquefaction, which is the temporary change of a saturated soil or fill to a liquid with the loss of support strength for structures. Commercial properties, residential properties and infrastructure in this project area could sustain damage in a major seismic event from ground motion and liquefaction of underlying soils. This could result in a substantial reduction or suspension of Net Revenues.

In the event of significant earthquake damage to the Enterprise, there can be no assurance that Net Revenues will be sufficient to pay principal of and interest on the Bonds.

It is believed that the City is not at great risk of earthquake-triggered tsunamis due to natural attenuation across San Francisco Bay and Brooks Island near the City. If a tsunami did occur on the open ocean, it is expected that waves would dissipate as they moved through San Francisco Bay and past Angel Island and that the tidal flats would absorb much of the impact.

Climate Change

In March 2009, the California Climate Change Center released a draft paper, for informational purposes only, which was funded by the California Energy Commission, the California Environmental Protection Agency, the Metropolitan Transportation Commission, the California Department of Transportation and the California Ocean Protection Council. The title of the paper is "The Impacts of Sea-Level Rise on the California Coast." The paper posits that increases in sea level will be a significant consequence of climate change over the next century.

Local impacts of climate change are not definitive, but the City could experience changes to local and regional weather patterns; rising bay water levels; increased risk of flooding; changes in salinity and tidal patterns of San Francisco and San Pablo bays; coastal erosion; water restrictions; and vegetation changes. The San Francisco Bay Conservation and Development Commission identified several portions of the shoreline in the City which may be affected by sea level rise.

In 2005, the Governor signed Executive Order S-3-05 (the "Executive Order") setting the stage for multiple legislative actions to reduce greenhouse gas emissions ("GHG") to 80% below 1990 levels by 2050. The adoption of the California Global Warming Solutions Act of 2006 ("AB 32") and subsequent companion bills, including but not limited to the Sustainable Communities and Climate Protection Act of 2008 ("SB 375") that builds upon AB 32 to reduce GHG emissions by linking transportation funding to land use planning, demonstrate the commitment by the State to take action and reduce GHG to 1990 levels by 2020 and to 80% below 1990 levels by 2050. In 2008, the City Council adopted Resolution No. 108-08 committing to the GHG emissions targets established by AB 32.

In October 2016, the City adopted a Climate Action Plan (the "CAP") to serve as a roadmap for the reduction of GHG emissions, create local jobs, and prepare for the impacts of climate change on public health, infrastructure, ecosystems, and public spaces within the City. The CAP is a multi-objective plan that addresses environmental, social and economic issues related to climate change. The CAP builds on the goals and policies in the City's General Plan 2030 (the comprehensive framework adopted by the City Council in April 2012 for developing a healthy City and healthy neighborhoods) and other planning documents and policies, including the Health in All Policies Strategy (to further the City's efforts to build health equity through the reduction of local GHG emissions), to ensure that the City is prepared for the impacts of climate change, and to fulfill the requirements of AB 32 and SB 375.

Climate change concerns are leading to new laws and regulations at the federal, State and local levels. The City is unable to predict the impact such laws and regulations, if adopted, will have on Net Revenues. The effects, however, could be material.

Insurance

The Indenture obligates the City at all times to maintain with responsible insurers such insurance on the Enterprise as is customarily maintained with respect to works and properties of like character against accident to, loss of or damage to such works or properties. For a description of the required insurance coverage, see "THE WASTEWATER ENTERPRISE–Insurance on the Enterprise."

No Tax Pledge; No Recourse to City General Fund

The obligation of the City to pay the principal of and interest on the Series 2017A Bonds does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Neither the Series 2017A Bonds nor the obligation of the City to make payments on the Series 2017A Bonds constitutes a debt of the City, the State or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction.

Owners of the Series 2017A Bonds have no recourse to the City's General Fund for payment of amounts due with respect to the Series 2017A Bonds.

Changes in Law

There can be no assurance that the State Legislature will not at some future time enact legislation that will amend or create laws resulting in a reduction of Net Revenues securing or available to pay the Bonds. Similarly, the State electorate could adopt initiatives or the State Legislature could adopt legislation with the approval of the electorate amending the State Constitution which could have the effect of reducing moneys securing or available to pay the Bonds.

Loss of Tax Exemption

As discussed under the caption "TAX MATTERS," interest on the Series 2017A Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the Series 2017A Bonds were issued, as a result of future acts or omissions of the City in violation of their covenants in the Indenture. Should such an event of taxability occur, the Series 2017A Bonds are not subject to special redemption and will remain outstanding until maturity or until redeemed under other provisions set forth in the Indenture.

Secondary Markets and Prices

The Underwriters will not be obligated to repurchase any of the Series 2017A Bonds, and no representation is made concerning the existence of any secondary market for the Series 2017A Bonds. No assurance can be given that any secondary market will develop following the completion of the offering of the Series 2017A Bonds, and no assurance can be given that the initial offering prices for the Series 2017A Bonds will continue for any period of time.

TAX MATTERS

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the City ("Bond Counsel"), based on an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2017A Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from State of California personal income taxes. Bond Counsel is of the further opinion that interest on the Series 2017A Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Bond Counsel relating to the Series 2017A Bonds is set forth in Appendix D hereto.

To the extent the issue price of any maturity of the Series 2017A Bonds is less than the amount to be paid at maturity of such Series 2017A Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Series 2017A Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest on the Series 2017A Bonds which is excluded from gross income for federal income tax purposes and State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Series 2017A Bonds is the first price at which a substantial amount of such maturity of the Series 2017A Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Series 2017A Bonds accrues daily over the term to maturity of such Series 2017A Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to

the adjusted basis of such Series 2017A Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Series 2017A Bonds. Beneficial Owners of the Series 2017A Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Series 2017A Bonds with original issue discount, including the treatment of Beneficial Owners who do not purchase such Series 2017A Bonds in the original offering to the public at the first price at which a substantial amount of such Series 2017A Bonds is sold to the public.

The Series 2017A Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) ("Premium Bonds") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner's basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Series 2017A Bonds. The City has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Series 2017A Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Series 2017A Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Series 2017A Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Series 2017A Bonds may adversely affect the value of, or the tax status of interest on, the Series 2017A Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Series 2017A Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the amount, accrual or receipt of amounts treated as interest on, the Series 2017A Bonds may otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2017A Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Series 2017A Bonds. Prospective purchasers of the Series 2017A Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel is expected to express no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Series 2017A Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the City, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The City has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Series 2017A Bonds ends with the issuance of the Series 2017A Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the City or the Beneficial Owners regarding the tax-exempt status of the Series 2017A Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the City and their appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of Series 2017A Bonds is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2017A Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2017A Bonds, and may cause the City or the Beneficial Owners to incur significant expense.

NO MATERIAL LITIGATION

There is no action, suit or proceeding known to be pending or threatened, restraining or enjoining the City in the execution or delivery of, or in any way contesting or affecting the validity of, the Series 2017A Bonds. There is no litigation known to be pending, or to the knowledge of the City, threatened, questioning the existence of the City or the title of the officers of the City to their respective offices.

Lawsuits and claims against the City may exist which are incidental to the ordinary course of operations of the Enterprise. In the view of the City's management and the City Attorney, there is no litigation, present or pending, which will individually or in the aggregate materially impair the City's ability to service its indebtedness or to expend the proceeds for the purposes for which the Series 2017A Bonds are authorized or which will have a material adverse effect on the business operations of the Enterprise.

RATING

S&P Global Ratings, a business unit of Standard & Poor's Financial Ratings Services LLC ("Standard & Poor's") has assigned a rating of "AA-/Stable" to the Series 2017A Bonds.

The rating reflects only the views of Standard & Poor's and is not a recommendation to buy, sell or hold the Series 2017A Bonds. An explanation of the significance of the rating may be obtained from the rating agencies as follows: Standard & Poor's, 55 Water Street, New York, New York 10041. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if in the judgment of such rating agency circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Series 2017A Bonds.

UNDERWRITING

The Series 2017A Bonds are being purchased pursuant to a purchase contract between the City and Stifel, Nicolaus & Company, Incorporated and Barclays Capital Inc. (together, the "Underwriters"). The purchase contract provides that the Underwriters will purchase all of the Series 2017A Bonds if any are purchased. The obligation of the Underwriters to make such purchase is subject to certain terms and conditions set forth in the purchase contract.

The Underwriters may offer and sell the Series 2017A Bonds to certain dealers and others at prices or yields different than the initial public offering prices or yields. The offering prices or yields may be changed from time to time by the Underwriters.

The Underwriters purchased the Series 2017A Bonds at a price of $39,263,404.11 (which represents the principal amount of the Series 2017A Bonds plus an original issue premium in the amount of $5,905,633.80 and less an underwriters' discount in the amount of $172,229.69).

On July 12, 2017, Barclays Capital Inc., one of the Underwriters of the Series 2017A Bonds, and an affiliated entity, engaged in transactions relating to the Series 2008A Bonds. See "PLAN OF FINANCE– Transactions Related to the Series 2008A Bonds."

MUNICIPAL ADVISOR

The City has retained the services of Public Resources Advisory Group, Oakland, California as Municipal Advisor in connection with the sale of the Series 2017A Bonds. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement. Public Resources Advisory Group is an independent financial advisory firm and is not engaged in any underwriting, trading or investment activities. All of the fees of the Municipal Advisor with regard to the delivery of the Series 2017A Bonds are contingent upon the issuance and delivery of the Series 2017A Bonds.

APPROVAL OF LEGAL PROCEEDINGS

All legal matters incident to the authorization, issuance and sale of the Series 2017A Bonds are subject to the approval of Orrick, Herrington & Sutcliffe LLP, San Francisco, California, Bond Counsel. The form of approving opinion of Bond Counsel is included as Appendix D to this Official Statement and the approving opinion will be delivered with the Series 2017A Bonds. Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will be passed upon for the City by the City Attorney and by Schiff Hardin LLP, San Francisco, California, Disclosure Counsel, and for the Underwriters by Jones Hall, A Professional Law Corporation, San Francisco, California, Underwriters' Counsel. All of the fees of Bond Counsel, Disclosure Counsel and Underwriters' Counsel are contingent upon the issuance and delivery of the Series 2017A Bonds.

FINANCIAL STATEMENTS

Attached as Appendix B hereto is the City's Comprehensive Annual Financial Report for the Year Ended June 30, 2016, which includes financial statements for the City, including for the Enterprise, which have been audited by Maze & Associates, Accounting Corporation, certified public accountants. See APPENDIX B–"COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY FOR THE YEAR ENDED JUNE 30, 2016." Maze & Associates has not consented to the inclusion of its report in Appendix B and has not undertaken to update its report or to take any action intended or likely to elicit information concerning the accuracy, completeness or fairness of the statements made in this Official Statement.

CONTINUING DISCLOSURE

The City has covenanted for the benefit of the Series 2017A Bondholders to provide certain financial information and operating data relating to the Enterprise and the City by not later than 270 days after the end of the City's fiscal year (presently June 30) in each year commencing with the report for the 2016-17 Fiscal Year (the "Annual Report") and to provide notices of the occurrence of certain enumerated events, if material. The Annual Report and notices of material events will be filed by the City or the Dissemination Agent, if any, on behalf of the City through the Electronic Municipal Market Access Site maintained by the Municipal Securities Rulemaking Board. These covenants have been made in order to assist the Underwriters to comply with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Rule"). The specific nature of the information to be contained in the Annual Report or the notices of material events by the City is summarized in APPENDIX E–"FORM OF CONTINUING DISCLOSURE AGREEMENT."

In the past five years, the City did not fail to comply in any material respect with its obligations to file annual reports. However, prior to 2014, the City did fail on occasion to timely file annual reports by the 240th day or 270th day, as applicable, following the end of the Fiscal Year (the City had been making the filings by February 28 and March 31, as applicable, of each year which is a few days longer than 240 days and 270 days, respectively, after the June 30 Fiscal Year end and therefore resulted in the majority of the annual reports being filed a few days late). In January 2014, established procedures, including the appointment of Willdan Financial Services, as the Dissemination Agent for *all* City bond transactions who is required to determine each year the applicable filing date for the annual reports. In addition, the City designated the Finance Department Debt Analyst as the party responsible for monitoring and making the required filings. Since 2014, the City has timely complied with all of its annual report filing obligations.

In the past five years, the City did not fail to comply in any material respect with its obligations to make filings with respect to material events. The City did, however, inadvertently not make certain filings with respect to bond ratings changes arising from changes in the ratings of the applicable bond insurer. Such failures to file were remediated by subsequent filings.

The City undertakes continuing disclosure responsibilities for City bond issues and for bonds issued by the Richmond Joint Powers Financing Authority (the "Authority") with respect to which the City is the "obligated person" under the Rule. In addition, the relevant City staff undertakes these responsibilities for the Successor Agency to the Richmond Community Redevelopment Agency (the "Successor Agency") and its bond issues. The late filings of annual reports and certain inadvertent missed filings for ratings changes described above apply to certain Authority and Successor Agency bonds as well.

MISCELLANEOUS

References made herein to certain documents and reports are brief summaries thereof and do not purport to be complete or definitive and reference is hereby made to such documents and reports for a full and complete statement of the contents thereof.

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or registered owners of any of the Series 2017A Bonds. The delivery and distribution of this Official Statement have been duly authorized by the City.

APPENDIX A

ECONOMIC, DEMOGRAPHIC AND CERTAIN FINANCIAL INFORMATION REGARDING THE CITY OF RICHMOND

ECONOMIC AND DEMOGRAPHIC INFORMATION

Introduction

The demographic and economic information provided below has been collected from sources that the City has determined to be reliable. Because it is difficult to obtain complete and timely regional economic and demographic information, the City's economic condition may not be fully apparent in all of the publicly available regional economic statistics provided herein.

Recent Developments

The City's economy is recovering well from the prior economic recession, with strong job growth and increasing economic development activity. As of May 2017, the City's unemployment rate reached an historic low at 4.0%, below the rate of unemployment for both the State (4.2%) and the nation as a whole (4.3%). This robust job growth has been led in recent years by the strong regional Bay Area economy, and by a boom in warehousing and distribution facilities, for which the City is an ideal location. As part of the growing distribution network, the City has entered the cyber-economy, with internet-based companies including Amazon, Blue Apron, and Hello Fresh all locating facilities in the City. This growth is expected to continue in the near future, with approximately 1.2 million square feet of new warehouse and distribution capacity either under construction or going through the entitlement process as of June 2017. See "–Economy–*Industrial Activity*" below.

The residential development sector is also in a strong growth mode, with 1,981 new residential units either under construction or in the entitlement process as of June 2017.

Population

City residents account for approximately 10% of the population of the County. While the period from 1980 to 2000 was characterized by rapid population growth in both the City and the County, the last five years reflect a trend of slower growth. Table A-1 below shows the population of the City, the County and the State according to the U.S. Census for the years 2000 and 2010 and the California Department of Finance for 2013 through 2017.

Table A-1
City, County and State Population Statistics

Year	City of Richmond	Contra Costa County	State of California
2000†	99,216	948,816	33,873,086
2010	103,764	1,047,948	37,223,900
2013	105,715	1,076,429	37,984,138
2014	106,388	1,089,219	38,357,121
2015	109,568	1,111,143	38,907,642
2016	110,886	1,126,824	38,189,035
2017	111,785	1,139,513	39,523,613

† Census 2000 counts include changes from the Count Question Resolution program. Data may not match that published in Census 2000 reports.

Sources: U.S. Census Bureau (2000 and 2010), California Department of Finance, E-1: Population Estimates for Cities, Counties and the State, with Annual Percentage Change - January 1, 2010 through 2017 (May 2017).

Economy

Overview. The economy of the City includes oil refining operations, heavy and light manufacturing, distribution facilities, service industries, commercial centers, and a multi-terminal shipping port on San Francisco Bay. Richmond also serves as a government center for western portions of Contra Costa County.

The economy of the City has experienced growth in light industrial and high technology companies and new business parks that accommodate both light industrial and "office/flex" type commercial buildings. Growth in these sectors, and in the residential sector, is adding diversity to the City's historically heavy industrial base. At the same time, major manufacturers continue to upgrade their facilities, making major investments in modernization and expansion.

The City is continuing its efforts to attract developers, builders, manufacturers and commercial activity to all areas of the City. Economic development program efforts are being expanded to increase private sector investment and job creation in the City.

Industrial Activity. Historically, the City has been viewed as an industrial and distribution center, largely due to the visible presence of a major oil refinery, Chevron USA Richmond Refinery (the "Refinery"), and other major industries.

On July 29, 2014, the City Council approved certification of the final environmental impact report and applications submitted by Chevron Products Company for a Conditional Use Permit ("CUP") and Design Review Permit ("DRP"), as well as an Environmental and Community Investment Agreement (the "ECIA") to allow an approximately $1.0 billion replacement of the existing hydrogen plant, power plant, and reformer. The equipment is designed to improve the ability of the Refinery to process high-sulfur crude oil, reliability, energy efficiency, and add environmental controls. Pursuant to the ECIA, Chevron will invest $80 million dollars in the City over the next 10 years for community programs, including, but not limited to, competitive community grants, a scholarship program, community-based greenhouse gas reduction programs and a photovoltaic solar farm. Chevron made an initial payment to the City in the amount of $11 million in June 2015, and, in accordance with the agreement, has contributed $30 million of the total required amount through June 30, 2017. According to the terms of the ECIA, over a ten-year period, $35 million will be used to fund the "Richmond Promise," a college scholarship program established by the City Council for students graduating from public, charter, and private high schools located in the West Contra Costa Unified School District. The amount of $30 million will be utilized for community based greenhouse gas reduction programs; and the remaining $25 million will be spent on other community based programs. As part of the ECIA, Chevron will also finance the construction of a 12 megawatt solar power generating facility, with an estimated value of $10 million.

On April 8, 2015, the Contra Costa County Superior Court lifted the injunction that halted project construction of this project in 2009. In addition, the Bay Area Air Quality Management District reissued the authority-to-construct permit.

Chevron has submitted its engineering, procurement and construction plans, and has initiated field construction of the project. It is expected that the project will be completed by the end of 2018.

"High tech" light industrial firms, research and development companies, biotechnology, and business park developments are growing industrial sectors in the City. Biotechnology, medical instruments, and computer software in particular are emerging sectors in the City's economy.

A number of factors appear to be attracting the new high tech firms to the City:

- The ongoing development and leasing of light industrial/business park property at Hilltop and in the Marina District along Richmond's South Shoreline and the Richmond Parkway;
- Availability of fairly extensive vacant or underutilized land areas zoned for industrial use;
- Relatively lower land costs than elsewhere in the Bay Area;
- Richmond's central location in western Contra Costa County, within a short distance of San Francisco, Oakland, other East Bay cities and Marin County, and a relatively easy commute to the State's capitol, Sacramento;
- Proximity to the University of California at Berkeley, one of the major scientific universities and library systems in the world;
- Good access and transportation (two Interstate freeways Interstate 80 and Interest 580 are located within the city, the Richmond Parkway, Amtrak, the Bay Area Rapid Transit District (BART) System and AC Transit, as well as heavy rail and water transportation facilities, including Union Pacific and BNSF Railroads, Santa Fe western terminal, and the Port of Richmond); and
- Availability of affordable housing in a variety of neighborhoods, housing types and price ranges.

Biotechnology. Biotechnology companies located in the City include Analytical Scientific Instruments (ASI), Bio-Rad, Kaiser Laboratories, Coherent Integrated Optical Systems, Ekso Bionics, Onyx Pharmaceuticals, Sangamo Biosciences and Zygo Corporation Extreme Precision Optics.

The California Department of Public Health's (CDPH) Richmond Campus is a 29-acre property located in Richmond's Marina Bay. Employing more than 1,200 people, the 700,000-square-foot CDPH Richmond Campus is one of the largest employers in the area and has played a critical role in revitalizing Richmond's south shoreline.

Bio-Rad, a manufacturer of products for life science research and clinical diagnostics, first opened offices in Richmond in 1958. It currently leases 116,250 square feet of space in Richmond's Pinole Point Business Park near Atlas Road on the Richmond Parkway and has an additional facility in Richmond's south shoreline area.

ASI, a manufacturer of medical equipment instruments and components, purchased a building in the Hilltop area of the City and relocated from neighboring El Sobrante. ASI brought 25 existing employees with them and expects to hire 10 additional employees.

Coherent Integrated Optical Systems, a recognized leader in optical technologies, its products and precision optical capabilities enable high energy laser missions, fire control solutions, and stabilized tracking systems, operates in three buildings with a total of 6,910 square feet in the Hilltop area of the City.

Kaiser Laboratories handles more than 25,000 lab specimens daily in a 50,000 square foot facility located on Marina Way South in Richmond's Marina District.

Ekso Bionics, originally named Berkeley Bionics, was founded in Berkeley, California in 2005. Ekso, a pioneer in exoskeleton bionic devices that enhance and augment strength mobility and endurance of people with lower extremity paralysis or weakness, relocated to the City in April 2012 with 80 employees. Since inception Ekso Bionics has forged partnerships with world-class institutions like University of California Berkeley (UC Berkeley), received research grants from the Department of Defense and licensed technology to the Lockheed Martin Corporation.

Transcept Pharmaceuticals, a specialty pharmaceutical company focused on development and commercialization of proprietary products that address therapeutic needs in the field of neuroscience, is located in an approximately 12,757 square foot facility in the Point Richmond area of the City.

Sangamo Biosciences, a worldwide leader in the design and development of engineered zinc finger DNA-binding proteins for gene regulation and gene modification, is located in a 127,500 square foot facility in the Point Richmond area of the City.

Zygo Corporation Extreme Precision Optics, a global leader in the design and manufacture of advanced optical metrology systems and ultra-precise optical components and assemblies, is located in a 55,520 square foot facility in the Hilltop area of the City.

Green and High Technology. Green-technology companies located in the City include SunPower, Polymers Systems, Heliodyne, Alion, PAX Water, Advanced Home Energy, Intellergy and MBA.

SunPower Systems, an international leader in design and manufacturing and distributor of high efficiency solar electric technology; has been operating in the City since 2007. SunPower System occupies 175,000 square feet in the refurbished, historic 520,000 square foot Ford Point Building in the Marina District.

Heliodyne, a leading US manufacturer of solar water heating equipment, has been located in the City since 1976 and occupies 4,298 square feet in the Southern Gateway area of the City off of Interstate-580.

Dicon Fiberoptics ("Dicon"), a manufacturer of fiberoptic components, modules and test instruments, is located in an approximately 201,000 square foot corporate headquarters building, of which a portion is leased to the City to house the City's Police Department. An approximately 130,000 square foot research facility is located on an approximately 28-acre campus located in the Marina District of the City.

Future Development. Completion of the John T. Knox Freeway in the early 1990's (Interstate 580 extension from Interstate 80 at Albany to the Richmond/San Rafael Bridge) spurred new industrial and commercial development along the freeway corridor throughout the South Shoreline area of the City.

University of California, Richmond Field Station: The Richmond Field Station is a 136-acre site along Richmond's south shoreline owned by the University of California, Berkeley. In 2014 UC Berkeley and the Lawrence Berkeley National Laboratory (LBNL) jointly prepared a Long Range Development Plan (LRDP) and Program Environmental Impact Report for the Richmond Bay Campus to reflect joint development goals for the Richmond Field Station and Regatta properties. Approved in May 2014, the LRDP initially provided guidance for the development of over 5.4 million square feet of research and development facilities at the Richmond Field Station that would establish a "second campus" for UC Berkeley and LBNL. Although the plan was reimagined in late 2014 as the Berkeley Global Campus (BGC), which intended to establish a global college in partnership with foreign research institutions and private companies, this vision was indefinitely suspended in 2016. The LRDP may be amended as the University continues to explore options for the site that reflect new priorities around enrollment growth and housing.

Richmond Bay Specific Plan: The City was awarded a Priority Development Area Planning Grant from the Metropolitan Transportation Commission and the Association of Bay Area Governments to develop the Richmond South Shoreline Specific Plan for an approximately 220-acre area located in the City south of Interstate Highway 580 and will focus on ways the City can take advantage of the planned

BGC, Richmond Bay, future ferry service, and other area assets to create a sustainable shoreline district providing jobs, housing, transportation options, and opportunities for entertainment and recreation.

Richmond Ferry: At its March 5, 2015 meeting, the Water Transportation Authority ("WETA") Board of Directors approved a Cooperative Agreement with the Contra Costa Transportation Authority (the "CCTA") and the City for the CCTA to provide an operating subsidy for the proposed Richmond ferry service. The 10-year agreement will serve as the basis of future planning efforts to support and plan the Richmond ferry service. The City was selected for ferry service among other East Bay cities based on ridership projections and operating costs. WETA has approved funding to purchase two catamaran ferry vessels and to construct a Richmond ferry terminal on Richmond Bay Shoreline, at a cost of approximately $40-45 million. The contract for construction of the ferry terminal was approved in May 2017, and it is expected that the Richmond ferry service will be fully operational in fall of 2018.

Richmond Parkway: Development along the Richmond Parkway, which links the northern edge of the City (Interstate 80 at Hilltop) and the City's southwest corner (Interstate 580) and the Richmond San Rafael Bridge, opened up a large tract of industrially zoned area in the northwest area of the City. Recent and planned development includes:

- Ex Steelscape site currently under construction for the development of 700,000 distribution center.
- Whole Foods Distribution Center – 47,000 square foot distribution center with 95 employees.
- Restoration Hardware – 200,000 square foot distribution center with 20 employees.
- Amazon – 100,000 square foot regional "fulfillment" distribution center.
- Williams Sonoma, Inc. – 247,908 square foot distribution center with 15 current employees.

In 2015, Blue Apron opened an approximate 120,000 distribution center in Richmond's Marina area and now employs approximately 1,200 individuals.

As the economy continues to improve, the shoreline area of the City will be in stronger demand for residential and commercial development. As of June 2017, there are 1,981 new residential units, and approximately 1,200,000 square feet of new warehouse and distribution capacity either under construction or going through the entitlement process, including the following:

- Terminal #1 300-Unit Residential Community
- Nevin Avenue 289-Unit Affordable Apartments
- Bay Walk 208-Unit Mixed Use Live/Work Marina Way & Wright Avenue
- Hilltop Apartments 186 Units at Garrity Way & Hilltop Mall Road
- Richmond Central Ave Project 166 Affordable Apartments
- Garrity Way Apartments 98 Units
- Greenway Senior Apartments 80 Units (Under Construction)
- Mira Flores 80-Unit Affordable Senior Housing (former Oishi and Endo Nurseries at South 45th & Florida Avenue)
- Shea Homes/Bottoms Project 60-Unit Condominium
- Marina Way Virtual Development 60 Single-Family Homes
- The Point 27 Townhomes (Railroad Ave & E Richmond Avenue)
- Westridge Apartments Modernization and Expansion Aberdeen Way & Lancaster Drive in the Hilltop Area
- Life Long Medical Facility Harbor Way South & Bissell Avenue
- Hilltop Charter School
- West Contra Costa Family Justice Center

Employment

Table A-2 provides a listing of principal employers located in the City, as of Fiscal Year 2015-16.

Table A-2
Principal Employers in the City
Fiscal Year 2015-16

Employer Name	Product/Service	Estimated Number of Employees
Chevron Refinery	Oil Refinery/Research Facility	3,456

Personal Income

The United Department of Commerce, Bureau of Economic Analysis (the "BEA") produces economic accounts statistics that enable government and business decision-makers, researchers, and the public to follow and understand the performance of the national economy.

The BEA defines "personal income" as income received by persons from all sources, including income received from participation in production as well as from government and business transfer payments. Personal income represents the sum of compensation of employees (received), supplements to wages and salaries, proprietors' income with inventory valuation adjustment (IVA) and capital consumption adjustment (CCAdj), rental income of persons with CCAdj, personal income receipts on assets, and personal current transfer receipts, less contributions for government social insurance. Per capita personal income is calculated as the personal income divided by the resident population based upon the Census Bureau's annual midyear population estimates.

Table A-4 presents the latest available total personal income and per capita personal income for the City, the County, the State and the nation for the calendar years 2011 through 2015 (the most recent annual data available).

Living Wage Ordinance

In 2014, the City adopted a Minimum Wage Ordinance requiring that beginning January 1, 2015 (subject to certain exceptions), employees working within the geographic boundaries of the City be paid an hourly rate equal to $9.60, subject to a reduction equal to $1.50 per hour if the employer pays at least that amount per hour per employee towards an employee medical benefit plan. Thereafter, the minimum wage within the City will increase each January 1 until it reaches $13.00 per hour effective January 1, 2018. Beginning January 1, 2019, and each year thereafter, the City Minimum Wage will increase by the Consumer Price Index for Urban Wage Earners and Clerical Workers for the San Francisco-Oakland-San Jose, California Metropolitan Statistical Area, or any successor index published by the U.S. Department of Labor or its successor agency.

Construction Activity

Table A-5 sets forth a five-year summary of building permit valuations and new dwelling units within the City. See "–Recent Developments" above for a discussion of new development within the City.

Table A-5
City of Richmond
Building Permit Valuations
Calendar Years 2012 through 2016
($ in 000's)

	Residential							
	Single Family		Multifamily		Value of Alterations	Total Residential	Nonresidential	
Year	Units	Valuation	Units	Valuation	and Additions	Valuation	Valuation	Total†
2012	17	$3,841	27	$8,156	$5,876	$17,873	$31,813	$49,686
2013	2	650	0	0	9,917	10,567	59,349	69,916
2014	6	1,106	56	8,810	10,833	20,749	75,486	96,235

Community Facilities

Richmond area residents have access to modern health care facilities. The Richmond area has one general hospital, the Kaiser Hospital Facility, located in downtown Richmond. Richmond also has several convalescent hospitals. The Richmond area offers a variety of leisure, recreational and cultural resources, from boating, fishing and hiking, to live theater, golf, tennis and team athletics. Four regional parks are on the shoreline: Point Pinole, George Miller Jr./John T. Knox, Ferry Point, and Point Isabel. The City operates a public marina (775 boat berths at Marina Bay), four large community parks (Point Molate Beach Park, Hilltop Lakeshore Park, Nicholl Park, and Marina Park and Green), 25 neighborhood parks ranging in size from one to 22 acres, many play lots and mini parks, and seven community centers.

In addition, the City operates a disabled person's recreation center, a sports facility, two senior centers (Richmond Senior Center and Richmond Annex Senior Center), the Richmond Museum, the Richmond Municipal Auditorium, the Richmond Swim Center (Coach Randolf Pool), the Richmond

Plunge/Natatorium, the Washington Fieldhouse, the Veterans Memorial Auditorium, and the Richmond Public Library. The Richmond Art Center, a privately funded arts organization, is partly supported by the City of Richmond.

Also in Richmond are several private yacht harbors, golf and country clubs, and community theaters. Within 30-45 minutes by BART or car are the cultural resources of other cities in the East Bay and Bay Area, including Oakland, Berkeley and San Francisco.

East Bay Regional Park District ("EBRPD") maintains one regional park, four regional shorelines, and one regional preserve within Richmond. One additional parkland facility, the 214-acre Kennedy Grove Regional Recreation Area, is located in an unincorporated area of the County bordering on the City at the eastern end of El Sobrante Valley. The four regional shorelines presently owned and maintained by EBRPD represent a substantial portion of the City's shoreline. The regional shorelines and Wildcat Canyon Park are used not only by residents of the City but also by the general public within the Bay Area region.

Transportation

The City is a central transportation hub in the Bay Area, offering convenient access throughout the region and well into central California. The City's port facilities, railroads and proximity to international airports are complemented by a network of freeways and public transportation services.

Freeways. Existing and new highways have made travel to and through the City more efficient and convenient. Interstate 80, which passes through the City, is a direct route to Oakland, San Francisco, Vallejo, Fairfield and Sacramento. Interstate 580 provides continuous freeway access from Richmond's South Shoreline area to East Bay communities and to Marin County and is stimulating new commercial, industrial and residential development along Richmond's South Shoreline. Similarly, completion of the Richmond Parkway through North Richmond in 1996 improves vehicular access between Marin and communities to the north and east on Interstate 80, while opening major tracts of land along the City's north shoreline for new development.

Port and Rail. The City's deep water port is third largest in the State by annual tonnage, handling more than 20.8 million metric tons of general, liquid and dry bulk commodities each year. In 2009, the Port executed an agreement with American Honda Company whereby Honda agreed to import a minimum annual guarantee of 145,000 units per year through the Port for 15 years. These auto imports are processed for distribution by Auto Warehouse Company (AWC) on Port property. The Port also has an agreement with Subaru for processing of automobiles by AWC. The Port receives compensation from these auto imports in the form of both wharfage and temporary storage of autos.

The Port of Richmond contains seven City-owned terminals, five dry-docks and 11 privately owned terminals. Private terminals are responsible for almost 95% of the Port's annual tonnage. On-dock rail service is provided to many port terminals by the Burlington Northern Santa Fe ("BNSF") and the Union Pacific Southern Pacific railroads. The Port, together with the BNSF operations, serve as a highly developed international rail facility. The John T. Knox Freeway has enhanced truck access to the Port.

The Port handles a widely varied assortment of cargos, although over 90% of the annual tonnage is in liquid bulk cargo, most of which is shipped through the Chevron Terminal. Principal liquid bulk cargos are petroleum and petroleum products, chemicals and petrochemicals, coconut oil and other vegetable oils, tallow and molasses. Dry bulk commodities include coal, gypsum, iron, ore, cement, logs and various mineral products. Automobiles, agricultural vehicles, steel products, scrap metals, and other diversified break-bulk cargos are also a significant part of the Port's business.

Regional Airports. Oakland International Airport (approximately 18 miles from the City) and San Francisco International Airport (approximately 28 miles from the City) provide the City with world-wide passenger and freight service. In addition, Buchanan Field Airport, located in the City of Concord, in central Contra Costa County, is 25 miles to the east of the City and Byron Airport, located in the unincorporated community of Byron, also in central Contra Costa County, each provide general aviation services.

Public Transit. The public is served by the San Francisco Bay Area Rapid Transit System ("BART") with a station conveniently located in downtown Richmond; AMTRAK passenger train service is available from a station adjacent to the Richmond BART station; and AC Transit offers local bus service within the City, to other East Bay communities and to San Francisco.

Utilities

Utility services to the City are supplied by the following:

Electric power:	Pacific Gas & Electric Co. ("PG&E")
Natural gas:	PG&E
Telephone:	AT&T
Water:	East Bay Municipal Utility District ("EBMUD")
Sewer:	West County Wastewater District (WCWD), Richmond Municipal Sewer District No. 1, and Stege Sanitary District

Approximately 89% of the EBMUD water supply is from the Mokelumne River watershed stored at the 69.4 billion gallon capacity Pardee Dam in Ione, California. EBMUD is entitled to 325 million gallons per day under a contract with the State Water Resources Control Board, plus an additional 119 million gallons per day in a single dry year under a contract with the U.S. Water and Power Resources Service (formerly the U.S. Bureau of Reclamation).

On June 19, 2012, the City Council voted to join MCE (formerly Marin Clean Energy), a municipal energy provider (joint powers authority) that derives a minimum of 50% of its electricity from renewable sources.

Effective July 1, 2013, all City residents and businesses were automatically enrolled in the Green Light package offered by the MCE Community Choice Aggregation program unless they opted out of the program between April and June 2013. Although power is still be transmitted through existing PG&E lines, half of it comes from solar, wind, hydroelectric, and biogas (natural gas extracted from sewage systems or landfills rather than fossil fuels). City residents still receive their bills from PG&E.

MCE also offers customers the option of enrolling in the Deep Green package, which supplies 100% of electricity from renewable sources at rate increase of approximately one cent per kilowatt hour.

Education

The City comprises a portion of the attendance area of the West Contra Costa Unified School District, which comprises 38 elementary schools (20 of which are located in the City), seven middle and junior high schools, and eight senior high schools (four of which are located in the City), three continuation and alternative high schools, a district office school, and charter schools, college preparatory, and community day schools that had a total K-12 enrollment of approximately 30,973 students for Fiscal Year 2014-15. In addition, private schools operate in the City and several institutions of higher education are located near the City, including the University of California at Berkeley, Contra Costa College, Diablo Valley College, Los Medanos College, the California Maritime Academy,

California State University – East Bay, San Francisco State University, and the University of California at San Francisco.

CERTAIN FINANCIAL INFORMATION

Financial Policies and Practices

The information set forth below regarding the City's financial policies is provided primarily for general reference regarding the City. The Series 2017A Bonds are secured solely by a pledge of Net Revenues under the Indenture as described in the forepart of this Official Statement and Owners of the Series 2017A Bonds have no recourse to the City's General Fund for payment of amounts due with respect to the Series 2017A Bonds.

Financial Policies. The current financial policies of the City are summarized below. Copies of the Cash Reserve Policy, Debt Policy, Swap Policy and Investment Policy can be obtained from the City's website.

Cash Reserve Policy. In Fiscal Year 2004-05, the City Council adopted a policy to maintain structurally balanced budgets whereby one-time funds can be spent only on one-time uses and ongoing funds can be spent on ongoing (or one-time) uses and established a $10 million General Fund contingency reserve target.

Effective January 1, 2007, the City Council adopted a cash reserve policy (the "Cash Reserve Policy") that requires that the City maintain year-end contingency reserve balances in the General Fund, including CalPERS savings reserves but excluding departmental carryover, equal to a minimum of 7% of the next Fiscal Year's budgeted General Fund expenditures. City Council approval is required before any withdrawals are made from the cash reserve and the City Council has discretion to use the cash reserve *only* for emergencies and not for on-going expenses. The Cash Reserve Policy permits the cash reserve to be temporarily reduced in times of an emergency with approval by the City Council, but requires that the cash reserve be restored in accordance with a stabilization policy laying out the plans for restoration of the reserve, in order to allow the City to build up its capacity to handle future short-term economic downturns or emergencies without cutting services. As the City experiences net revenue gains in future years, the cash balance is required to grow back to 15% of total expenditures, following the stabilization policy. The City plans to reach the 15% target reserve level by retaining investment earnings, calculated on the principal balance of the reserve each Fiscal Year, in the reserve account until the target is reached, when funding is available. The contingency reserve is shown as a component of unassigned fund balance within the General Fund.

For Fiscal Year 2016-17, the cash reserve is estimated to be $11.7 million (equal to approximately 7.7% of General Fund expenditures). For Fiscal Year 2015-16, the cash reserve was $8.4 million (approximately 6.5% of General Fund expenditures) and for Fiscal Year 2014-15 was $9.9 million (approximately 6.8% of General Fund expenditures).

Debt Policy. In January 2006, the City Council adopted a debt management policy (the "Debt Policy") pertaining to financings under the jurisdiction of the City, the Richmond Housing Authority, the former Richmond Community Redevelopment Agency and the Richmond Joint Powers Financing Authority. The Debt Policy is intended to guide the Finance Department in its debt issuance and includes components such as the financing approval process, selection of the method of sale for various types of debt issues, general bond structuring parameters, selection of financing team members, permitted investments, on-going debt administration and post-issuance tax compliance procedures for tax-exempt bonds and Build America Bonds. The City's Debt Policy limits aggregate debt service payments funded

from General Fund sources to no more than 10% of General Fund revenues and sets forth detailed debt management and refunding practices. Payments on bonds that are tied to a specified revenue stream other than General Fund sources are not subject to this 10% limit. In addition, the Debt Policy requires that no more than 20% of the City's outstanding debt portfolio be comprised of unhedged short-term variable rate issues.

The City is in compliance with the Debt Policy.

Grant Management Policy. In May 2013, the City Council adopted a policy to establish an overall framework for the use and management of grant resources (the "Grant Management Policy"). This policy provides that: (i) aside from entitlement grants, the City should focus its efforts on securing grants for capital improvements; (ii) the City should only seek grants when sufficient staff resources are available to effectively administer the program in compliance with grant requirements and successfully perform the grant work scope and provide necessary matching requirements (both cash and in-kind matches); (iii) indirect costs of administering grant programs be recovered to the maximum extent feasible; (iv) operating departments will have the primary responsibility for seeking out grant opportunities, preparing the applications and managing grant thee programs after award; and (v) operating departments develop a simple system for tracking grant funding availability in their functional areas.

The City is in compliance with the Grant Management Policy.

Swap Policy. The City is authorized under California Government Code Section 5922 to enter into interest rate swaps to reduce the amount and duration of rate, spread, or similar risk when used in combination with the issuance of bonds. In May 2006, the City Council adopted a comprehensive interest rate swap policy (the "Swap Policy") to provide procedural direction to the City, the Richmond Housing Authority, the former Richmond Community Redevelopment Agency and the Richmond Joint Powers Finance Authority (the "Authority") regarding the utilization, execution, and management of interest rate swaps and related instruments (collectively, "interest rate swaps"). Periodically, but at least annually, the City reviews the Swap Policy and makes modifications as appropriate due to changes in the business environment or market conditions. The current Swap Policy was adopted on July 5, 2016.

The City is in compliance with the Swap Policy.

Pension Plans

Information regarding the City's pension plans and other post-employment benefits is provided primarily for general reference regarding the City. The Wastewater Treatment Plant, the most significant and labor-intensive asset within the Enterprise, is privately managed. See "THE WASTEWATER ENTERPRISE" within the body of this Official Statement. There are approximately seven full-time equivalent employees (out of a total of 817 employees) assigned to the Enterprise for which the City makes pension payments from Revenues of the Enterprise (such employees being under the Miscellaneous Plan discussed below). The unfunded pension liability related to the Enterprise is less than one percent of the total unfunded liability.

The City contributes to a multiple-employer defined benefit retirement plan ("PERF") administered by the California Public Employees' Retirement System ("CalPERS") as well as three separate City-administered, single-employer, defined-benefit pension plans – the General Pension Plan, the Police and Firemen's Pension Plan and the Garfield Pension Plan. **CalPERS does not manage any of the three separate City-administered pension plans.** For information regarding the three City-administered plans, see *"–City Administered Pension Plans*."

GASB Accounting Standards. In 2012, GASB approved two new standards, Statement No. 67, *Financial Reporting for Pension Plans (GASB 67)* and Statement No. 68, *Accounting and Financial Reporting for Pensions (GASB 68)*, with respect to pension accounting and financial reporting standards for state and local governments and calls for immediate recognition of more pension expense than was previously required. GASB 67 revises existing guidance for the financial reports of most pension plans and GASB 68 revises and establishes new financial reporting requirements for most governments that provide their employees with pension benefits. In 2014, GASB issued Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date (GASB 71)* to address an issue regarding application of the transition provision of GASB 68.

GASB 67. GASB 67, which is effective for fiscal years beginning after June 15, 2013, replaces the requirements of GASB 25 and GASB 50 as they relate to pension plans that are administered through trusts or similar arrangements meeting certain criteria. GASB 67 enhances note disclosures and required supplementary information for both defined benefit and defined contribution pension plans. GASB 67 also requires the presentation of new information about annual money-weighted rates of return in the notes to the financial statements and in 10-year required supplementary information schedules.

GASB 68. GASB 68, which is effective for fiscal years beginning after June 15, 2014, requires immediate recognition of annual service cost and interest on the pension liability and immediate recognition of the effect on the net pension liability of changes in benefit terms. Other components of pension expense will be recognized over a closed period that is determined by the average remaining service period of the plan members (both current and former employees, including retirees). These other components include the effects on the net pension liability of (i) changes in economic and demographic assumptions used to project benefits and (ii) differences between those assumptions and actual experience. Lastly, the effects on the net pension liability of differences between expected and actual investment returns will be recognized in pension expense over a closed five-year period.

GASB 71. GASB 71 amends paragraph 137 of GASB 68 to eliminate the source of potential significant understatement of restated beginning net position and expense in the first year of implementation of GASB 68 in the accrual-basis financial statements of employers and non-employer contributing entities.

During Fiscal Year 2014-15, the City implemented GASB 68 and GASB 71. The implementation of these standards required the City to make prior period adjustments. As a result, beginning net positions were restated. See Note 9–"Fund Balances and Net Position," Note 10–"California Public Employees' Retirement System Pension Plans," and Note 11–"Other City Pension Plans" of APPENDIX B–"COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY FOR THE YEAR ENDED JUNE 30, 2016."

Pension Reform. On January 1, 2013, the "*Public Employee Pension Reform Act of 2013*" ("PEPRA") took effect, which implemented lower defined-benefit formulas with higher retirement ages for new employees hired on or after that date and includes provisions to increase current employee contributions. Key changes to retirement plans affecting the City include: (i) permitting the employer and employee organization to mutually agree to any cost sharing agreement for pension benefits between January 1, 2013 and December 31, 2017, however, commencing January 1, 2018, the employer may unilaterally require employees to pay 50% of the total annual normal cost (i.e. the cost of service accrual for the upcoming Fiscal Year for active employees, in the absence of any surplus or unfunded liability, expressed as a percentage of payroll) up to an 8% contribution rate for Miscellaneous Plan employees and an 11% or 12% contribution rate for Safety Plan employees and employers are prohibited from paying any of the required employee contribution; (ii) eliminating the ability of an employer to provide better health benefits or health benefit vesting to non-represented employees than it does for represented employees; (iii) eliminating the ability of any public employee to purchase nonqualified service or "airtime," unless an official application was received by the system prior to January 1, 2013;

(iv) requiring the combined employer and employee contributions, in any fiscal year, to cover that year's normal cost; (v) requiring both current and future public officials and employees to forfeit pension and related benefits if they are convicted of a felony in carrying out official duties, in seeking an elected office or appointment, or in connection with obtaining salary or pension benefits, subject to certain requirements; (vi) limiting post retirement public employment by: (A) prohibiting working more than 960 hours or 120 days per year for any public employer; (B) requiring a 180-day "sit-out" period before a retiree could return to work except under certain circumstances; (C) requiring a one-year "sit-out" period for retirees who received either a golden handshake or some other employer incentive to retire; (D) prohibiting an individual receiving an industrial disability retirement from working for another public employer doing the same or substantially similar job; and (E) requiring a public retiree appointed to a full time State board or commission to suspend his or her retirement allowance and become a member of CalPERS; and (vii) requiring CalPERS (for plans it administers) to develop requirements for defining a significant increase in actuarial liability for a former employer due to excessive compensation paid by a subsequent public employer, and to develop a plan to assess the cost of that excess liability to the employer who paid the excessive compensation.

In addition to the above reforms, employees hired on or after January 1, 2013 are subject to: (i) a new benefit formula equal to 2% percent at 62 for Miscellaneous Plan employees with an early retirement age of 52 and a maximum benefit factor of 2.5% at 67 and for Safety Plan employees with a normal retirement age at 50 and a maximum retirement age at 57 with the defined benefit formula ranging from 1.426% at age 50 under the basic formula to 2.7% at age 57; (ii) a cap on pensionable salaries at the Social Security contribution and wage base of $110,100 (or 120% of that amount for employees not covered by Social Security), adjusted annually based on the CPI for All Urban Consumers; (iii) rules prohibiting a retirement board from administering, and a public employer from offering, a benefit replacement plan; (iv) a requirement that: (A) all public retirement systems in the State to adhere to the federal compensation limit when calculating retirement benefits for new members and (B) prohibit a public employer from making contributions to any qualified public retirement plan based on any portion of compensation that exceeds the limit; (iv) contributions equal to 50% of the total annual normal cost of pension benefits; (v) a requirement that compensation be defined as the normal rate of regular, recurring pay, excluding special bonuses, unplanned overtime, payouts for unused vacation or sick leave, and other special pay, provided that these requirements do not apply to the extent a system has adopted a more restrictive definition of compensation earnable; and (vi) a requirement that final compensation be defined as the highest average annual final compensation during a consecutive 36 month period, subject to the cap.

Costs for other post-employment benefits are not addressed in PEPRA. However, later retirement ages will help reduce such liabilities in the long-term.

The City is evaluating the impact this legislation will have on its near-term and long-term pension costs.

California Public Employees' Retirement System. *The following information concerning CalPERS and PERF has been obtained from publicly available information on the CalPERS and State Treasurer websites. The City believes such information to be reliable, however the City takes no responsibility as to the accuracy or completeness thereof and has not independently verified such information.*

CalPERS does not prepare department specific information for its members. The following information related to the City includes costs for all City departments, including those funded by the General Fund.

The City contributes to PERF, a multiple-employer, public employee, defined benefit, pension plan. PERF provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. CalPERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute and city ordinance. Copies of CalPERS' annual financial report may be obtained from their executive office: Lincoln Plaza North, 400 Q Street, Sacramento, California 95814.

The staff actuaries at CalPERS prepare annually an actuarial valuation which covers a Fiscal Year ending approximately 12 months before the actuarial valuation is prepared (thus, the actuarial valuation as of June 30, 2014 (the "CalPERS 2014 Actuarial Valuation") was delivered to the City in October 2015). The actuarial valuation expresses the City's required contribution rates in percentages of payroll, which percentages the City contributes in the Fiscal Year immediately following the Fiscal Year in which the actuarial valuation is prepared (thus, the City's contribution rates derived from the CalPERS 2014 Actuarial Valuation, are effective for the City's Fiscal Year 2016-17). CalPERS rules require the City to implement the actuary's recommended rates.

Benefits Provided. CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

Employees of the City hired on or before December 31, 2012 participate in the Miscellaneous Plan under the 2.7% at age 55 Benefit Formula or the Safety Plan under the 3.0% at age 50 (Police) or 3.0% at age 55 (Fire) Benefit Formula. The Pension Reform Act of 2013 (PEPRA), Assembly Bill 340, is applicable to employees to CalPERS and hired after December 31, 2012. Employees at the City hired on or after January 1, 2013 participate under the Miscellaneous Plan 2.0% at age 62 Benefit Formula or the 2.7% at age 57 (Police and Fire) Benefit Formula.

(Remainder of this Page Intentionally Left Blank)

The Plans' provisions and benefits in effect an June 30, 2016, are summarized as follows:

	Miscellaneous		
	Prior to	On or after	
Hire Date	January 1, 2013	January 1, 2013	
Benefit formula	2.7% at 55	2.0% at 62	
Benefit vesting schedule	5 years service	5 years service	
Benefit payments	Monthly for life	Monthly for life	
Retirement age	50 – 55	52 -67	
Monthly benefits, as a % of eligible compensation	2.0% to 2.7%	1.0% to 2.5%	
Required employee contribution rates	8%	6.75%	
Required employer contribution rates	22.070%	22.070%	
	Safety – Police	**Safety – Fire**	**Safety – Police and Fire**
	Prior to	On or after	On or after
Hire Date	January 1, 2013	January 1, 2013	January 1, 2013
Benefit formula	3.0% at age 50	3.0% at age 55	2.7% at age 57
Benefit vesting schedule	5 years service	5 years service	5 years service
Benefit payments	monthly for life	monthly for life	monthly for life
Retirement age	50	50 – 55	50 – 57
Monthly benefits, as a % of eligible compensation	3.00%	2.4% to 3.0%	2.0% to 2.7%
Required employee contribution rates	9.00%	9.00%	12.25%
Required employer contribution rates	30.264%	30.264%†	30.264%

† Effective July 1, 2015, Safety (Police and Fire) employees hired prior to January 1, 2013 pay 3% of the employer's required contribution. Therefore, the required employer contribution rate is 30.264% and required employee contribution rate is 12%.

Contributions. The California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined annually by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

(Remainder of this Page Intentionally Left Blank)

For Fiscal Year 2015-16, the actuarially determined contributions for the Miscellaneous Plan and the Safety Plan was $8,084,584 and $11,492,798, respectively. The Schedule of Contributions for Fiscal Years 2014-15 and 2015-16 for the Miscellaneous Plan and the Safety Plan is set forth in Table A-6A and A-6B, respectively.

Table A-6A
City of Richmond
Schedule of Contributions
Miscellaneous Plan
(CalPERS)

	Fiscal Year 2014-15†	Fiscal Year 2015-16
Actuarially determined contribution	$7,178,549	$8,084,584
Contributions in relation to the actuarially determined contributions	(7,178,549)	(8,084,584)
Contribution deficiency (excess)	–	–
Covered-employee payroll	$36,151,102	$36,638,889
Contributions as a percentage of covered-employee payroll	19.86%	22.07%
Notes to schedule		
Valuation date:	6/30/2012	6/30/2013

Methods and assumptions used to determine contribution rates

Actuarial cost method	Entry age normal
Amortization method	Level percentage of payroll, closed
Average remaining amortization period	24 years as of valuation date
Asset valuation method	15 year Smoothed Market value
Inflation	2.75%
Salary increases	Varies by Entry Age and Service
Investment rate of return	7.50%, net of pension plan investment and administrative expenses, includes inflation
Retirement age	The probability of Retirement are based on the 2010 CalPERS Experience Study for the period from 1997 to 2007.
Mortality Rate Table	The probabilities of mortality are based on the 2010 CalPERS Experience Study for the period from 1997 to 2007. Pre-retirement and Post-retirement morality rates include 5 years of projected mortality improvement using Scale AA published by the Society of Actuaries.

Net Pension Liability. The City's net pension liability for each Plan is measured as the total pension liability, less the pension plan's fiduciary net position. The net pension liability of each of the Plans is measured as of June 30, 2015, using the CalPERS 2014 Actuarial Valuation rolled forward to June 30, 2015 using standard update procedures.

Actuarial Assumptions. For the measurement period ended June 30, 2015, the total pension liabilities were determined by rolling forward the June 30, 2014 total pension liability. The June 30, 2015 total pension liabilities were based on the following actuarial methods and assumptions:

	Miscellaneous[1]	**Safety[1]**
Valuation Date	June 30, 2014	June 30, 2014
Measurement Date	June 30, 2015	June 30, 2015
Actuarial Cost Method	Entry-Age Normal Cost Method	Entry-Age Normal Cost Method
Actuarial Assumptions:		
Discount Rate	7.65%	7.65%
Inflation	2.75%	2.75%
Payroll Growth	3.0%	3.0%
Projected Salary Increase	3.2% - 12.2%[2]	3.4% - 20.0%[2]
Investment Rate of Return	7.65%[3]	7.65%[3]
Mortality	Derived using CalPERS Membership Data for all Funds[4]	Derived using CalPERS Membership Data for all Funds[4]
Post Retirement Benefit Increase	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter.	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter.

(1) Actuarial assumptions are the same for all benefit tiers.
(1) Depending on age, service and type of employment.
(2) Net of pension plan investment expenses, including inflation.
(3) The mortality table used was developed based on CalPERS' specific data. The table includes five years of mortality improvements using Society of Actuaries Scale AA. For more details on this table, please refer to the CalPERS 2010 experience study report available on CalPERS website.

Source: City of Richmond, Comprehensive Annual Financial Report for the Year Ended June 30, 2016.

All other actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period 1997 to 2011, including updates to salary increase, mortality and retirement rates. The Experience Study report can be found on the CalPERS website under Forms and Publications.

Discount Rate. The discount rate used to measure the total pension liability was 7.65% for each Plan. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. Therefore, the current 7.65% discount rate is adequate and the use of the municipal bond rate calculation is not necessary. The long term expected discount rate of 7.65% will be applied to all plans in the Public Employees Retirement Fund (PERF). The stress test results are presented in a detailed report that can be obtained from the CalPERS website under the GASB 68 section.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

For additional information regarding the CalPERS plans see Note 10–"California Public Employees' Retirement System Pension Plans" in APPENDIX B–"COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY FOR THE YEAR ENDED JUNE 30, 2016."

Employees Covered. As of the date of the CalPERS 2014 Actuarial Valuation and the June 30, 2015 measurement date, the following employees were covered by the benefit terms for each Plan:

	Miscellaneous		Safety	
	June 30, 2014	June 30, 2015	June 30, 2014	June 30, 2015
Inactive employees or beneficiaries currently receiving benefits	876	883	450	467
Inactive employees entitled to but not yet receiving benefits	489	503	77	76
Active employees	494	472	264	260
TOTAL	1,859	1,858	791	803

As of June 30, 2016, the City had 460 active members in the Miscellaneous Plan and 258 active employees in the Safety Plan.

Changes in Net Pension Liability. The changes in the Net Pension Liability for the Miscellaneous and the Safety Plan as of June 30, 2015 measurement date are set forth in Table A-7A and A-7B, respectively.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate. The following presents the net pension liability of the City for each Plan, calculated using the discount rate for each Plan, as well as what the City's net pension liability would be if it were calculated using a discount rate that is one-percentage point lower or one-percentage point higher than the current rate:

	Miscellaneous	**Safety**
1% Decrease	6.65%	6.65%
Net Pension Liability	$149,934,428	$203,757,842
Current Discount Rate	7.65%	7.65%
Net Pension Liability	$96,587,762	$131,528,691
1% Increase	8.65%	8.65%
Net Pension Liability	$52,188,541	$71,974,250

Source: City of Richmond, Comprehensive Annual Financial Report for the Year Ended June 30, 2016.

On December 20, 2016, CalPERS reduced its assumed rate of investment return to 7.0% from 7.5%. The lower discount rate assumption will force government contributions toward long-term liabilities to increase, but will lessen the risk of unanticipated contribution hikes in the future from adverse investment performance. Investment risk-taking needed to justify a discount rate above declining return expectations would translate to a heightened chance of investment losses, which could ultimately produce even higher contribution requirements.

CalPERS will phase-in its discount rate change to soften the immediate budgetary impact. The State's contribution requirements for the fiscal years ending June 30, 2018, 2019 and 2020 will be based on discount rates of 7.375%, 7.25% and 7.0%, respectively. The impact on contribution requirements for participating local governments, such as cities and school districts, will lag the State by one year.

City Administered Pension Plans. Additional information regarding the City Administered Pension Plans, including investment policies, net pension liability, expenses and financial statements is presented in see Note 11–"Other Pension Plans" in APPENDIX B–"COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY FOR THE YEAR ENDED JUNE 30, 2016."

General Pension Plan. The General Pension Plan funds retirement and other benefits payable to 36 retirees who are not covered by CalPERS. The General Pension Plan is closed to new membership, and all of its current members are retired. Benefits are funded from the assets of the General Pension Plan and from related investment earnings. The City is required under its charter to contribute the remaining amounts necessary to fund the General Pension Plan using the Entry Age Normal Cost actuarial cost method as specified by ordinance.

As of the June 30, 2016 actuarial valuation, the fair value of assets under the General Pension Plan was $2,581,820. Actuarial assumptions included a discount rate (net of investment expenses) of 3.00%. In computing the actuarial valuation, General Pension Plan assets were assumed to yield a 3.00%, inflation rate of 2.75%, and cost of living benefit increases of 5.00% annually.

For Fiscal Year 2015-16, the annual money-weighted rate of return on General Pension Plan investments, net of investment expenses, was 0.3%.

Police and Firemen's Pension Plan. The Police and Firemen's Pension Plan is a defined benefit pension plan covering the 98 police and fire personnel employed by the City prior to October 1964. The Police and Firemen's Pension Plan is closed to new members, and substantially all of its current members are retired. Funding for the Police and Firemen's Pension Plan is provided from the Pension Reserve Trust Fund. Employees eligible under the Police and Firemen's Pension Plan were vested after five years of service, and members were allowed normal retirement benefits after 25 or more continuous years of service. The City is required under its charter to contribute the remaining amounts necessary to fund the Police and Firemen's Pension Plan using the Entry Age Normal Cost actuarial cost method as specified by ordinance.

The City established the Secured Pension Override Special Reserve Fund, to which a portion of the proceeds of an *ad valorem* property tax override levied annually at the rate of 0.14% of the assessed value of all taxable property within the City and approved by the citizens of the City are credited, for the payment of benefits under the Police and Firemen's Pension Plan as well as other pre-1978 benefits approved for general safety and miscellaneous employees enrolled in CalPERS. In Fiscal Year 2015-16, the revenue received by the Police and Firemen's Pension Plan from the tax was $7,813,191, while benefits paid were $1,222,197.

As of the June 30, 2016 actuarial valuation, the fair value of assets under the Police and Firemen's Pension Plan was approximately $11,121,486. Actuarial assumptions included a discount rate (net of investment expenses) of 5.75%. In computing the actuarial valuation, Police and Firemen's Pension Plan assets were assumed to yield a 5.75% return, inflation rate of 2.75%, and a cost of living benefit increases were assumed at a rate of 3.00% annually (reflecting the terms of the most recent memoranda of understanding).

For Fiscal Year 2015-16, the annual money-weighted rate of return on Police and Firemen's Pension Plan assets, net of investment expenses, was (1.20%).

(Remainder of this Page Intentionally Left Blank)

The City's contributions to the Police and Firemen's Pension Plan for the last 10 Fiscal Years are presented below:

† Fiscal Year 2013-14 was the first year of implementation of the new financial reporting standards for pension plans. See *"–GASB Accounting Standards."*

Source: City of Richmond, Comprehensive Annual Financial Report for Year Ended June 30, 2016.

Garfield Pension Plan. Pursuant to a contractual agreement, the City maintains the Garfield Pension Plan to fund defined retirement and other benefits due to a retired Chief of Police of the City. Retirement, other benefits, and any continuation benefits to his surviving spouse receive the same cost-of-living increases as Safety Plan employees covered by CalPERS (*i.e.* cost of living increases of 2% per year, subject to CPI increase constraints, and purchasing power protection through the CalPERS Purchasing Power Protection Allowance). Mr. Garfield's surviving spouse receives 50% of the retiree's pension. The benefits are paid from the assets of the Garfield Pension Plan and from related investment earnings. In Fiscal Year 2015-16, the City contributed $102,140 to the Garfield Pension Plan. The beneficiary of the Garfield Pension Plan is not covered under the Police and Fireman's Pension Plan, the General Pension Plan or CalPERS.

As of the June 30, 2016 actuarial valuation, the fair value of assets under the Garfield Pension Plan was $173,059. Actuarial assumptions included a discount rate (net of investment expenses) of 3.00%. In computing the actuarial valuation, Garfield Pension Plan assets were assumed to yield a 3.00% investment return, inflation rate of 2.75%, and cost of living benefit payments were assumed to increase 2.75% annually. The City's annual payment toward amortization of the UAAL for Fiscal Year 2015-16 was $102,140 and for Fiscal Year 2016-17 is budgeted at $102,140, all of which is paid from the General Fund.

Actuarially Determined Contributions. As of June 30, 2015, the date of the most recent actuarial valuations, the actuarially determined contributions for each Plan were determined using the entry-age normal cost method and the assumptions in Note 11B in APPENDIX B–"COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY FOR THE YEAR ENDED JUNE 30, 2016.

For the Police and Firemen's Pension Plan, the City's contribution policy is to annually contribute an amount equal to (i) amortization of the unfunded liability as a level-dollar over a 10-year closed period as of July 1, 2013, plus (ii) future gains and losses amortized over the same period, but not less than five years. Over the past five years, the City contributed an average 77% of the Actuarially Determined Contribution.

For the General Pension Plan, the City's contribution policy is to annually contribute an amount equal to (i) amortization of the unfunded liability as a level-dollar over a 6-year closed period as of July 1, 2013, plus (ii) future gains and losses amortized over the same period, but not less than five years. Over the past five years, the City has contributed an average of 89% of the Actuarially Determined Contribution.

For the Garfield Pension Plan, the City's contribution policy is to annually contribute an amount equal to (i) amortization of the unfunded liability as a level-dollar over a 7-year closed period as of July 1, 2013, plus (ii) future gains and losses amortized over the same period, but not less than five years. Over the past five years, the City has contributed an average of 83% of the Actuarially Determined Contribution.

The Actually Determined Contribution and the actual contributions for each Plan for the year ended June 30, 2016 are presented below:

	Actuarially Determined Contribution	**Amount Contributed**	**Percent Contributed**
Police and Firemen's Pension Plan	$1,270,466	$1,222,197	96%
General Pension Plan	750,016	602,970	80
Garfield Pension Plan	79,987	102,140	129

Other Post-Employment Benefits

In addition to the retirement and pension benefits described above, the City provides post-employment medical and dental benefits ("OPEB Obligations"). In order to qualify for these benefits an employee must retire from the City and maintain enrollment in one of the City's eligible health plans. The City pays a portion of the CalPERS premiums for retirees and their dependents that vary by employment classification. In addition, certain eligibility rules and contribution requirements apply for future retirees, followed by current retirees as specified in City ordinances. For information regarding the eligibility rules and contribution requirements for each bargaining unit, see APPENDIX B– "COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY FOR THE YEAR ENDED JUNE 30, 2016– Note 12–Other Postemployment Benefits."

The City began pre-funding its OPEB Obligations by moving its ARC into a Retiree Benefit Trust Account beginning in Fiscal Year 2007-08. From Fiscal Year 2007-08 through 2009-10, the City included in its budgets the ARC as well as the normal cost, and the City had set aside $2.0 million in Fiscal Year 2005-06 to begin prefunding the liability. The City temporarily ceased pre-funding the plan in Fiscal Year 2009-10 due to severe financial constraint. For Fiscal Year 2015-16 and Fiscal Year 2016-17, the budgeted City contribution represents the normal cost. In addition, the City has included in six of its seven labor union agreements cost contributions by employees for OPEB obligations.

Table A-12
Post Employment Benefit Summary
Number of Participating Retirees

Fiscal Year	Number of Participating Retirees	City Contribution
2011-12	467	$2,975,933
2012-13	479	3,185,768
2013-14	491	3,296,802
2014-15	487	3,428,102
2015-16†	501	4,437,000

† Budgeted.

Funding Policy and Actuarial Assumptions. During Fiscal Year 2007-08, the City joined the Public Agencies Post-Retirement Health Care Plan, an agent multiple employer trust administered by Public Agency Retirement Services ("PARS"). The balance in the City's PARS trust account as of June 30, 2016 was $2,121,069. PARS issues a publicly available financial report that includes financial statements and required supplementary information. A copy of the PARS financial report may be obtained from the Public Agency Retirement Services, 4350 Von Karman Avenue, Suite 100, Newport Beach, California 92660.

The City's policy is to partially prefund these benefits by accumulating assets with PARS discussed above along with making pay-as-you-go payments pursuant to Resolution No. 52-06 dated as of June 27, 2006. In December 2014, the City adopted an additional funding policy to place into the PARS trust half of any one-time revenues and half of any year-end surplus in excess of the City's minimum reserve policy (7%) in an effort to pay down the unfunded liability. Although the City paid $1,782,535 to the PARS trust during fiscal year 2015-16 there was no surplus as defined above in fiscal years 2014-15 or 2015-16 to provide additional funding contributions. The Fiscal Year 2015-16 annual required contribution ("ARC") was determined as part of the July 1, 2015 actuarial valuation using the entry age normal actuarial cost method. This is a projected benefit cost method, which takes into account those

benefits that are expected to be earned in the future as well as those already accrued. The actuarial assumptions included (i) 3.75% investment rate of return, (ii) 3.00% projected annual salary increase, (iii) 2.75% (general) and 4.0% (CPI medical care), and (iv) health care cost inflation rates of 8.25-6.0% for 2016 to 2019, 5.30% for 2020 to 2052 and decreasing to an ultimate rate of 4.40% in 2076 and subsequent, and 4.0% for dental and vision. The actuarial methods and assumptions used include techniques that smooth the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets. Actuarial calculations reflect a long-term perspective and actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Actuarially determined amounts are subject to revision at least biannually as results are compared to past expectations and new estimates and made about the future. The City's OPEB unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll using a 30-year amortization period on a closed basis (24 years remaining at July 1, 2015). Subsequent changes are amortized over closed 15-year period.

Funding Progress and Funded Status. Generally accepted accounting principles permit contributions to be treated as OPEB assets and deducted from actuarial accrued liability when such contributions are placed in an irrevocable trust or equivalent arrangement. During the Fiscal Year ended June 30, 2016, the City contributed $3,612,753 to the plan for pay-as-you-go premiums and an additional $1,782,535 was contributed to the plan, which represented 7.4% of the $73,167,448 of covered payroll. As a result, the City recorded a Net OPEB Obligation, representing the difference between the ARC and actual contributions, as presented below:

	2011-12	**2012-13**	**2013-14**	**2014-15**	**2015-16**
Annual required contribution	$8,436,000	$9,229,000	$12,239,000	$13,268,000	$20,085,940
Interest on net OPEB obligation	368,000	654,000	859,000	1,170,000	1,465,342
Adjustment to annual required contribution	(753,000)	(1,297,000)	(1,671,000)	(2,357,000)	(3,256,100)
Annual OPEB cost	8,051,000	8,586,000	11,427,000	12,081,000	18,295,182
Contributions made:					
Pay as you go (premiums paid)	(2,975,933)	(3,181,867)	(3,317,828)	(3,367,557)	(3,612,753)
Paid to Trust	1,700,000	(849,022)	(1,991,260)	(521,540)	(1,782,535)
Implicit subsidy	–	–	–	–	(2,337,152)
Less Premiums Paid To Trust	–	–	3,296,802	–	–
Change in net OPEB obligations	6,775,067	4,555,111	9,414,714	8,191,903	10,562,742
Net OPEB obligation Beginning of Year June 30	10,139,000[1]	16,914,067[2]	21,469,178[3]	30,883,892[4]	39,075,795[5]
Net OPEB obligation End of Year (asset) June 30	$16,914,067[2]	$21,469,178[3]	$30,883,892[4]	$39,075,795[5]	$49,638,537[6]

(1) As of June 30, 2011. During Fiscal Year 2011-12, the City determined that the OPEB obligation had been understated in the amount of $6,010,260 due to premiums reimbursed in Fiscal years 2009-10 and 2010-11 being credited to the contributions in error, and the balance as of June 30, 2011 has been increased and restated in that amount.
(2) As of June 30, 2012.
(3) As of June 30, 2013.
(4) As of June 30, 2014.
(5) As of June 30, 2015.
(6) As of June 30, 2016.

Sources: City of Richmond, Comprehensive Annual Financial Reports for the Years Ended June 30, 2012 through June 30, 2016.

The actuarial accrued liability ("AAL") representing the present value of future benefits included in the actuarial study dated July 1, 2015 amounted to $196,378,960.

The Plan's annual required contributions and actual contributions for the last five Fiscal Years are set forth below:

Fiscal Year	Annual OPEB Cost	Actual Contribution	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation (Asset)
6/30/2012	$8,051,000	$2,975,933	37%	$16,914,067
6/30/2013	8,586,000	4,030,889	47	21,469,178
6/30/2014	11,427,000	2,012,286	18	30,883,892
6/30/2015	12,081,000	3,889,097	32	39,075,795
6/30/2016	18,295,182	7,732,440	42	49,638,537

Sources: City of Richmond, Comprehensive Annual Financial Report for the Years Ended June 30, 2013 through June 30, 2016.

The Schedule of Funding Progress (together with the required supplementary information presented in the CAFR) presents trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits. Trend data from the actuarial studies is presented below:

Actuarial Valuation Date	Actuarial Value of Assets (A)	Entry Age Actuarial Accrued Liability (B)	Overfunded (Underfunded) Actuarial Accrued Liability (A-B)	Funded Ratio (A/B)	Covered Payroll (C)	Overfunded (Underfunded) Actuarial Liability as Percentage of Covered Payroll [(A-B)/C]
7/1/2009	$6,813,000	82,883,000	(76,070,000)	8%	69,788,000	(109)%
7/1/2011	1,804,000	94,486,000	(92,682,000)	2	73,327,000	(128)
7/1/2013	986,000	126,447,000	(125,461,000)	1	71,393,000	(176)
7/1/2015	345,000	196,379,000	(196,034,000)	0	73,167,000	(268)

Risk Management

The City is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; general liability; errors and omissions; injuries to employees; natural disasters; and inverse condemnation. The City began self-insuring its workers' compensation in 1976. In July 2009, the City joined the City joined the California Joint Powers Risk Management Authority ("CJPRMA") for general liability and employment practices coverage. In April 2009, the City joined the California State Association of Counties Excess Insurance Authority ("CSAC EIA") for worker's compensation insurance. The City has chosen to establish a risk financing internal service funds where assets are accumulated for claim settlements associated with the above risks of loss up to certain limits. See also APPENDIX B-"COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE CITY OF RICHMOND FOR THE YEAR ENDED JUNE 30, 2016–Note 14–"Risk Management–Liability for Self-Insured Claims."

Excess coverage for the risk categories excluding inverse condemnation is provided by policies with various commercial insurance carriers. Current self-insurance, self-insured retention ("SIR") levels, deductibles and insurance company limits for Fiscal Year 2015-16 are as follows:

Type of Coverage	Self-Insurance/Deductible	Coverage Limit	Insurance Carrier
Difference in Conditions	Earthquake 10% pre-1970, 5% post-1970 of total insured value of building; minimum $100,000 All others: $25,000	$50,000,000 inclusive of deductible	Various
Crime/Employee Dishonesty	$10,000 per claim	$1,000,000 inclusive of deductible	National Union Fire Insurance Company of Pittsburgh, PA
Property	$10,000 per claim	$1,000,000,000 inclusive of deductible $25,000,000 limit for flood	Various
Boiler and Machinery	$5,000 per claim	$100,000,000 inclusive of deductible	Lexington
Port Liability	$25,000 per claim	$50,000,000 inclusive of deductible	Various
Special Events Program	N/A	$1,000,000 per occurrence; $2,000,000 aggregate	Evanston Insurance
Excess Workers Compensation	$750,000 per claim	Statutory limit	Various
Student Volunteer	N/A	$50,000 limit	Ace American
Pollution Liability – Policy 1	$250,000 per claim	$20,000,000 inclusive of deductible	Ace – Illinois Union
Pollution Liability – Policy 2	$75,000 per claim	$1,000,000 limit	Various
Cyber Liability	$100,000 per claim	$2,000,000 limit	Various

Source: City of Richmond, Comprehensive Annual Financial Report for the Year Ended June 30, 2016.

CJPRMA. The CJPRMA provides coverage against liability ($500,000 deductible with a coverage limit of $40 million) and employment practices ($500,000 deductible with a coverage limit of $10 million) under the terms of a joint-powers agreement with the City.

Once the City's self-insured retention is exhausted on each claim, CJPRMA becomes responsible for payment of future expenses related to the claim. The City paid contributions of $587,813 for the year ended June 30, 2016. Actual surpluses or losses are allocated to members based on an actuarial study and losses are allocated on the basis of each member's share of cash contributions.

Audited financial statements for the CJPRMA are available from CJPRMA, 3201 Doolan Road, Suite 285, Livermore, California 94551. Neither the City nor the Underwriters take any responsibility for the accuracy, completeness, or timeliness of such statements, and such statements are not incorporated herein by this reference.

CSAC EIA. CSAC EIA is a public entity risk pool of cities and counties within Northern California. The CSAC EIA provides workers' compensation coverage up to the California statutory limit, and the City retains a self-insured retention of $750,000. Loss contingency reserves established by the CSAC EIA are funded by contributions from member agencies. The City pays an annual contribution to the CSAC EIA, which includes its pro-rata share of excess insurance premiums, charges for pooled risk, claims adjusting and legal costs, and administrative and other costs to operate the risk pool. The City paid premiums in the amount of $278,774 for the year ended June 30, 2016. CSAC EIA provides insurance through the pool up to $10,000, beyond which group purchased commercial excess insurance is obtained. CSAC EIA has never made an additional assessment and is currently fully funded. No provision has been made on the financial statements of the City for liabilities related to possible additional assessments.

Audited financial statements for CSAC EIA are available from CSAC EIA, 75 Iron Point Circle, Suite 200, Folsom, California 95630. Neither the City nor the Underwriters take any responsibility for the accuracy, completeness, or timeliness of such statements, and such statements are not incorporated herein by this reference.

FINANCE DEPARTMENT

450 CIVIC CENTER PLAZA
RICHMOND, CA 94804
(510) 620-6740

February 23, 2017

Citizens of the City of Richmond
The Honorable Mayor and
Members of the City Council

We are pleased to present the Comprehensive Annual Financial Report (CAFR) of the City of Richmond, California (City). The Finance Department has prepared this report to present the financial position and the results of the City's operations for the fiscal year ended June 30, 2016, and the cash flows of its proprietary fund types for the year then ended. The basic financial statements and supporting schedules have been prepared in compliance with Article IV, Section 1(b)3 of the City Charter, with California Government Code Sections 25250 and 25253, and in accordance with generally accepted accounting principles (GAAP) for local governments as established by the Governmental Accounting Standards Board (GASB).

This report consists of management's representations concerning the finances of the City. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the City has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft or misuse, and to compile sufficient reliable information for the preparation of the City's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material aspects.

The City's financial statements have been audited by an independent auditing firm of licensed certified public accountants. The objective of the independent audit was to provide reasonable assurance that the financial statements of the City for the fiscal year ended June 30, 2016, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was reasonable basis for rendering an unqualified opinion on

the City's financial statements for the fiscal year ended June 30, 2016. The Independent Auditors' Report is presented as the first component of the Financial Section of this report.

Accounting standards require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City's MD&A can be found immediately following the report of the independent auditors.

The Reporting Entity and Its Services

The City has defined its reporting entity in accordance with generally accepted accounting principles that provide guidance for determining which governmental activities, organizations and functions should be included in the reporting entity. This CAFR presents information on the activities of the City and its component units.

As required by GAAP, these basic financial statements present the City and its component units, entities for which the City is considered to be financially accountable. Blended component units, although legally separate entities are, in substance, part of the City's operations and data from these units are combined with data of the City. Each blended component unit has a June 30 year-end. Discretely presented component units, on the other hand, are reported in a separate column in the basic financial statements to emphasize their legal separateness from the City. The City's three discretely presented component units are RHA Properties, RHA Housing Corporation and RHA RAD LLC.

The City's blended component units and assessment districts are as follows: the Richmond Housing Authority, the Richmond Joint Powers Financing Authority, the Richmond Neighborhood Stabilization Corporation, the Richmond Surplus Property Authority and Harbor Navigation, Country Club Vista and Atlas Interchange Special Assessment Districts. The City also has one inactive component unit, Richmond Parking Authority. Please see note 1 for a detailed discussion of the financial reporting entity.

Profile of the Government

The City of Richmond was chartered as a city in 1909, and is located 16 miles northeast of San Francisco, directly across San Francisco Bay. Richmond is on a peninsula separating San Francisco Bay (on the south) and San Pablo Bay (to the north), spanning 32 total miles of shoreline. The City's total area is 56.1 square miles, 33.8 of which is land area and 22.3 water area. Richmond is situated near major metropolitan cities and major new growth areas. San Francisco is within 35 minutes from Richmond by freeway; Oakland is 20 minutes; San Jose is approximately one hour's drive to the south and Sacramento, the state capitol, is approximately 90 minutes to the east. Central Marin County is 15 minutes from Richmond directly across the Richmond-San Rafael Bridge. Freeways provide direct access from Richmond to major new growth areas along Interstate 80 north and east to Vallejo, Fairfield

and Sacramento; along Interstate 680 in central Contra Costa County; and south along Interstate 880 to the San Jose area.

Richmond's population is 110,378. The population within a 30-mile radius of Richmond is over 3.7 million, and within a 70-mile radius is approximately 7.8 million. Richmond is located on the western shore of Contra Costa County, and is the largest city in the "West County" region consisting of five cities: Richmond, El Cerrito, San Pablo, Hercules and Pinole.

The City of Richmond provides a full range of municipal services, including police and fire protection, construction and maintenance of highways, streets and infrastructure, library services, storm water and municipal sewer systems, wastewater treatment facility and the administration of recreational activities and cultural events. The City also operates the Richmond Memorial Convention Center and the Port of Richmond.

The City Council is the governing body of the City and has six members elected at-large to alternating 4-year terms. The Mayor is elected at large and is a seventh member of the City Council. The City of Richmond is a Council-Manager form of government. The City Manager, appointed by the Mayor and Council, has administrative authority to manage administrative and fiscal operations of the City. In addition to the City Manager, the City Attorney, City Clerk and Investigative Appeals Officer are appointed by the Mayor and Council.

The mission of the City of Richmond is:

> *The City of Richmond provides services that enhance economic vitality, the environment and the quality of life of our community.*

Factors Affecting Financial Condition

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the City operates.

Local economy

The economy of the City of Richmond includes heavy and light manufacturing, distribution facilities, service industry, high-tech, bio-tech and medical technologies, retail centers and a multi-terminal shipping port on San Francisco Bay. Richmond also serves as a government center for western Contra Costa County. The Richmond economy is experiencing growth in light industrial and high technology companies, as well as retail. At the same time, the Port of Richmond has found success in the importation of automobiles.

A number of prime factors appear to be attracting new high-tech firms to Richmond:

- The ongoing development and leasing of light industrial/business park property at Hilltop and along the relatively new I-580 freeway along Richmond's South Shoreline evidence that an active market for this kind of space exists in the Richmond area;

- Availability of fairly extensive vacant or under-utilized land areas zoned for industrial use;

- Relatively lower land costs than most of the Bay Area;

- Richmond's central location in western Contra Costa County; within a short distance of San Francisco, Oakland, other East Bay cities and Marin County, and a relatively easy commute to and from the State's capitol, Sacramento;

- Proximity to the University of California, Berkeley, one of the major scientific universities and library systems in the world;

- Good access and transportation (Richmond has two Interstate freeways as well as good rail and water transportation facilities, including Southern Pacific and Santa Fe Railroads, Santa Fe western terminal and the Port of Richmond and the Richmond Transit Village featuring an inter-modal station providing easy access to Bay Area Rapid Transit (BART, Amtrak and buses); and

- Availability of relatively affordable housing for employees in a variety of neighborhoods, housing types and price ranges.

Small business firms, with 20 or fewer employees, comprise a very high percentage of Richmond businesses. The City played a major role in building capacity to service this group by establishing the West Contra Costa Business Development Center, which is located in Richmond's historical Downtown. The Center supports the Richmond Main Street Initiative, provides small business loans through a revolving loan fund and a façade improvement program.

Public policy decisions have been made that will improve the quality and quantity of the technical workforce ready to meet the challenges of the technological labor market. The Richmond area policy makers are working as a team to accomplish the common goal of retaining components of the current economic base and creating an economic environment that will attract and retain new businesses in growth industries. Some of the special programs and projects that have been created to accomplish this goal are as follows:

Richmond Enterprise Zone: This City of Richmond program offers businesses within its boundaries the opportunity to reduce their state business income taxes through a variety of tax credits. Most commercial and industrial areas of the City are within the Enterprise zone. Incentives include: a Hiring Tax Credit, Sales and Use Tax Credit, Business Expense Deduction for Real Property, Net Operating Loss Carry-over, Net Interest Deduction for Lenders and Employer Tax Credit for hiring Low-Income Employees.

Workforce Investment Board: The Richmond Workforce Investment Board (WIB) is the official oversight and policy-making body for federally-funded employer services and employment and training programs in Richmond. The mission of the Richmond WIB is to oversee the articulation and implementation of comprehensive workforce development strategies, policies and performance outcomes of the City of Richmond's integrated service delivery system.

Significant Events and Accomplishments

The City of Richmond is committed to providing excellent municipal services to its diverse residents and visitors. Highlights of the City's activities and accomplishments for the fiscal year ended June 30, 2016 include the following:

Finance

- The National Procurement Institute (NPI) has awarded the City of Richmond its Achievement of Excellence in Procurement Award for the 6th consecutive year. The award recognizes organizational excellence in procurement by public and non-profit organizations. The judging criteria are designed to measure innovation, professionalism, e-procurement, productivity, and leadership attributes of the agency's procurement function, as calculated by standardized criteria.

Recreation

- The City of Richmond's impact volunteering program, Richmond-Excellence Serving our Community (ESC), has been selected for the second time to serve as a Global Youth Service Day Lead Agency to mobilize Richmond youth to lead volunteer service projects that help meet community needs. The campaign of Youth Service America (YSA) and the largest youth service event in the world, Global Youth Service Day (GYSD), celebrates and mobilizes millions of children and youth who improve their communities each day of the year through service.

- The City of Richmond Recreation Department was selected as a 2015 California Park & Recreation Society (CPRS) Award of Excellence recipient for the Richmond Swim Center. The CPRS awards program recognizes outstanding achievement in the areas of facility design, park planning, marketing and communication, and community improvement and programming through demonstrating the CREAM (challenge, resourcefulness, execution, accomplishments, and mission) principles. This acknowledgement is particularly rewarding because of the partnership between the West Contra Costa Unified School District, which provided funding and construction oversight, and the Richmond Recreation and Public Works Departments, which provided design input and assisted in project management.

Library

- The Richmond Tool Library is a free service that will provide community members with building, landscaping, and artistic tools to be self-sufficient, take agency over their neighborhoods, and build a more sustainable Richmond.

Employment and Training

- The RichmondBUILD Academy began its 30th cohort on April 18th. Over twelve weeks, students received intensive job training in construction and valuable certifications in CPR/First Aide, OSHA 10, HAZ Whopper 40, Confined Spaces, and Traffic. Their graduation was June 30th. As a result of their training, RichmondBUILD graduates are eligible for direct entry in the respective unions for Carpenters, Laborers, Dry Wall/Lathers, and Iron Workers.

Public Safety

- The Richmond Fire Department's Youth Academy was in its 22nd year of ensuring that the next generation understands the value of service, commitment, and giving back to community. This session continued to mentor and develop future leaders by establishing the importance of academic achievement, goal-setting, and personal and mutual accountability as the foundations of a better and safer Richmond.

Strategic Support

- Received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada (GFOA) for the fiscal year ending June 30, 2015.
- Received the Distinguished Budget Presentation Award for fiscal year 2015-16 from the Government Finance Officers Association (GFOA).
- Received the California Society of Municipal Finance Officers (CSMFO) Operating Budget Excellence Award and Capital Budgeting Excellence Award the fiscal year 2015-16.

Long-Term Financial Plan

- One of the City Council's most important goals is to receive and review a five-year projection of operating revenues for budget planning purposes. To this end, the City Council approved a memorandum of understanding with the National Resource Network (NRN), which is a core component of the Obama Administration's Strong Cities, Strong Communities (SC2) initiative that provides technical assistance to help cities develop the tools and strategies they need to grow their economies. One of the projects undertaken through the agreement with NRN was to work with Public Financial Management, Inc. (PFM), an NRN partner, to develop a financial model for the City organization. In December of 2015, the Council was presented with a five-year projection by PFM. Since then, there have been two additional presentations. The City continues to update its five-year plan as changes occur and inform the Council.
- Adhered to the Debt Policy which reflects general debt service cannot exceed 10% of General Fund Revenue.
- As part of its effort to address unfunded OPEB liabilities, the City Council, in December 2014, adopted a policy to place into its OPEB trust an amount equal to one-half of any one-time, non-operating revenues, and one-half of any year-end surplus in excess of the City's unfunded liability for retired employee health costs.

AWARDS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City for its comprehensive annual financial report for the fiscal year ended June 30, 2015. In order to be awarded a Certificate of Achievement, a government must submit a published comprehensive annual financial report which substantially complies with GFOA's Certificate program requirements. A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

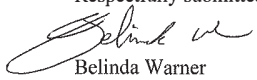
ACKNOWLEDGEMENTS

The preparation of this CAFR represents the culmination of a concerted team effort by the entire staff of the Finance Department. They should be commended for their professionalism, dedication, efficiency, and their personal commitment and determination demonstrated through long days of focused attention to produce this exemplary document.

In addition, staff in all City departments should be recognized for responding so positively to the requests for detailed information that accompanies each annual audit. The role of Maze & Associates, Certified Public Accountants, should also be acknowledged as a significant contribution to a fine product.

Finally, we wish to express our sincere appreciation to the Mayor and City Council for providing policy direction and a firm foundation of support for the pursuit of excellence in all realms of professional endeavors.

Respectfully submitted,



Belinda Warner
Finance Director/Treasurer

MAZE & ASSOCIATES

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council
City of Richmond, California

Report on Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Richmond as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the component unit financial statements of RHA Properties, RHA Housing Corporation and RHA RAD LLC, which collectively represent 2.57%, 8.99% and 0.06% of the assets, net position and revenues, respectively, of the primary government. We did not audit the component unit financial statements of the Richmond Housing Authority (Authority), which is both a major fund and 16.72%, 47.22% and 22.14% of the assets, net position and revenues, respectively, of the business-type activities. These component unit financial statements were audited by other auditors, whose reports thereon have been furnished to us, and our opinion, insofar as it relates to the amounts included for these entities, is based solely on the report of these other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the report of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City as of June 30, 2016, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matters

General Fund Cash and Fund Balance and Other Fund Cash Balances

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate continuation of the City as a going concern. However, as of June 30, 2016, the General Fund's unrestricted cash balance represented approximately fifteen days of General Fund expenditures, unassigned fund balance represents available fund balance and equates to approximately twenty-eight days of General Fund expenditures, and revenues exceeded expenditures and other financing uses in fiscal year 2016 by $.7 million. In addition, the Richmond Housing Authority Enterprise Fund, Port of Richmond Enterprise Fund, other Non-Major Enterprise Funds and Non-Major Governmental Funds had borrowed $38.6 million from the General Fund and other funds. As a result of the interfund borrowing, City-wide, the City has a total of only $58.6 million of unrestricted cash as of June 30, 2016, a decline of 22% over the last six fiscal years. If deficit spending continues, it reduces the likelihood that the City will be able to continue as a going concern.

The emphasis of this matter does not constitute a modification to our opinions.

Implementation of New Governmental Accounting Standards Board Pronouncements

Management adopted the provisions of Governmental Accounting Standards Board Statement No. 72, *Fair Value Measurement and Application*, which became effective during the year ended June 30, 2016 as discussed in Note 2J to the financial statements.

Management early-implemented the provisions of Governmental Accounting Standards Board Statement No. 82, *Pension Issues – An Amendment of GASB Statements No. 67, No. 68, and No. 73*, during the year ended June 30, 2016 as noted in the Pension-Related Required Supplementary Information.

The emphasis of these matters does not constitute a modification to our opinions.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and other Required Supplementary Information as listed in the Table of Contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements as a whole. The Introductory Section, Supplemental Information, and Statistical Section as listed in the Table of Contents are presented for purposes of additional analysis and are not required parts of the basic financial statements.

The Supplemental Information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplemental Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The Introductory and Statistical Sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 23, 2017, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2016

This narrative overview and analysis of the City of Richmond's (the "City") Basic Financial Statements for the fiscal year ended June 30, 2016. We encourage readers to consider the information presented here in conjunction with the accompanying transmittal letter, basic financial statements and notes to the financial statements.

FINANCIAL HIGHLIGHTS

- The liabilities and deferred inflows of resources of the City exceeded its assets and deferred outflows of resources at the close of the most recent fiscal year by $161.3 million (net deficit). Of this amount, $79.3 million is restricted for specific purposes (restricted net position); $291.7 million is the net investment in capital assets and $532.4 million represents a deficit in unrestricted net position.

- The City's total net position decreased by $20 million from a deficit $141.3 million during the fiscal year. This decrease is attributed to a $3.1 million and $16.9 million decrease in governmental and business-type activities, respectively. The change in net position for governmental activities represents a 1.5% decline from prior year. Expenses exceeded revenues by $1.8 million in addition to special items related to a $1.4 million net adjustment to terminate the City's Civic Center swaption and basis swap and assets transferred from Successor Agency. The change in net position for business-type activities represents a 34.4% decrease from prior year that is primarily due to the transfer of $14.5 million of capital assets to the City's discretely presented component unit RHA RAD LLC.

- At June 30, 2016, the City's unrestricted net deficit (government and business-type activities) totaled $532.4 million, a $34.0 million or 6.8% decrease from prior year due to an increase in long-term liabilities such as debt and pension and post-employment benefits promised to current and former employees. The unrestricted net deficits represent the net unfunded liabilities of the government. Overtime, increases and decreases in this account will allow the reader to determine if the City's condition is improving or deteriorating. The City funds the majority of these costs on a pay as you go basis. Restricted net position for governmental and business-type activities increased by a net $15.3 million to $79.3 million.

- The Net Pension Liability of $239.1 million, representing an accounting measure of the City's unfunded pension obligation, increased by $29.8 million from $209.3 million. The City reports $49.6 million in other post-employment benefit (OPEB) liability for this fiscal year which is an increase of $10.5 million from the $39.1 million liability reported in the prior year. The increase represents the current year change in net OPEB obligation and was the result of actuarially required contributions exceeding actual contributions.

OVERVIEW OF FINANCIAL STATEMENTS

The City's basic financial statements are comprised of government-wide financial statements, fund financial statements, and notes to the financial statements. This report also contains other required supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to private-sector business.

The *Statement of Net Position* presents information on all of the City's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference between the four reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *Statement of Activities* presents information showing how the government's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and grants, governmental activities, and business-type activities, which are intended to recover all or a significant portion of their costs through user fees and charges. The City's activities include five blended component units which consist of the Richmond Housing Authority, Richmond Joint Powers Financing Authority, Richmond Neighborhood Stabilization Corporation, Richmond Surplus Property Authority and Richmond Parking Authority. Although legally separate, the City is financially accountable for the activities of these entities which are therefore shown as blended as part of the primary government.

RHA Properties, RHA Housing Corporation and RHA RAD LLC are discretely presented component units of the City that are legally separate reporting entities but are important because the City is financially accountable for them.

The government-wide financial statements can be found on pages 20-23 of the financial report.

Fund Financial Statements

Fund Financial statements are designed to report information about the groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds – Governmental funds focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in determining what financial resources are available in the near future to finance the City's programs.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund Balance Sheet and the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate the comparison between governmental funds and governmental activities.

The City has 19 governmental funds, of which five are considered major funds for presentation purposes. Each major fund is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances. The City's five major funds are the General Fund, Cost Recovery Special Revenue Fund, the Community Development and Loan Programs Special Revenue Fund, Environmental and Community Investment Agreement Special Revenue Fund ("ECIA") and Civic Center Debt Service Fund. The basic governmental fund financial statements can be found on pages 26 through 32 of the financial report. Data from the other fourteen governmental funds are combined into a single, aggregated presentation and separately on pages 34 through 36 of the financial report.

Proprietary Funds – Proprietary funds of the City are two types: (1) enterprise funds; and (2) internal service funds. The City maintains six enterprise funds that provide the same type of information as the government-wide financial statements, only in more detail. The City maintains four internal service funds to account for its vehicle operations, risk management program, police telecommunications and compensated absences. The proprietary funds financial statements can be found on pages 34 through 36.

Fiduciary Funds – Fiduciary funds are used to account for resources held for the benefit of third parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The fiduciary funds for the City consist of Pension Trust Funds, Pt. Molate Private-Purpose Trust Fund, Successor Agency to the Richmond Community Redevelopment Agency Private-Purpose Trust Fund and Agency Funds. The fiduciary funds financial statements for these funds can be found on pages 38 through through 39.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 41 through 159 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Government-wide Net Position

Comparative financial information is presented below to provide the reader with highlights of changes from the prior year.

City of Richmond's Net Position
June 30, 2016 and 2015
(in thousands)

Governmental Activities

Governmental activities decreased the City's net position by $3.1 million accounting for 15.6% of the City's total decrease in net position of $20 million. Total expenses of $221 million exceeded revenues of $218.6 million by $2.4 million. Revenues increased $24.3 million or 12.5% from prior year primarily due to $14 million increases in property and sales taxes within the City as well as the receipt of $12.9 million grant funding for the ECIA program. Expenses increased $10.8 million or 5.1% from prior year primarily in general government and public safety expenses. The City incurred a net of $16.3 million expense in terminating swap agreements associated with the 2009 Lease Revenue Bonds that was offset by a $15 million transfer of assets from the Successor Agency.

Business Type Activities

Business-type activities decreased the City's net position by $16.9 million. Key factors contributing to the decrease in business-type activities are as follows:

- The Richmond Housing Authority's ("RHA") net position decreased by $15.7 million primarily due to a $14.5 million transfer to RHA RAD LLC to finance capital asset purchase resulting in the $15.7 million negative change in net position. RHA's operating loss of $24.5 million improved $1.6 million, or 6.1% from prior year due to decreases in depreciation expense and salaries and benefits. The operating loss is partially offset by grant funding of $21.9 million, which declined only $200 thousand from the prior year.

- The Port of Richmond ("Port") reported operating income of $1.8 million. During the year, the Port incurred $2.9 million of interest expense which resulted in a $539 thousand decrease in net position.

- The Municipal Sewer fund reported operating income of approximately $8 million, there were $7.8 million of non-operating expenses the majority of which represented interest and swap expenses incurred on various Wastewater Debt issues, offset by $801 thousand in federal subsidies received to reduce interest costs associated with Richmond Wastewater Revenue Bonds, Series 10B, resulting in a $1 million change in net position.

- Other Enterprise funds had a combined $1.6 million decline in net position. The majority of the decline, $1.3 million, is attributed to the Cable TV fund that experienced increased salaries and benefits in addition to transferring of $500 thousand to the General Fund.

Net Program (Expenses) Revenues

Comparisons of the cost of services by function for the City's government-wide activities are shown in the preceding tables, along with the revenues used to cover the net expenses.

The following table details the net program costs for each of the governmental activities functions:

Expenses and Program Revenues

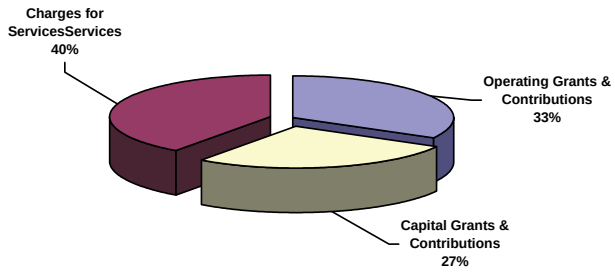
Governmental Activities

Functions	Expenses	Program Revenues	Net (Expenses) Revenues
General government	$ 32,197,941	$ 15,513,357	$ (16,684,584)
Public safety	107,380,286	8,783,898	(98,596,388)
Public works	44,410,102	22,504,743	(21,905,359)
Community development	5,003,045	14,344,895	9,341,850
Cultural and recreational	11,021,226	2,030,861	(8,990,365)
Housing and redevelopment	2,051,898	1,268,085	(783,813)
Interest on long-term debt	18,902,831	-	(18,902,831)
Total	$ 220,967,329	$ 64,445,839	$ (156,521,490)

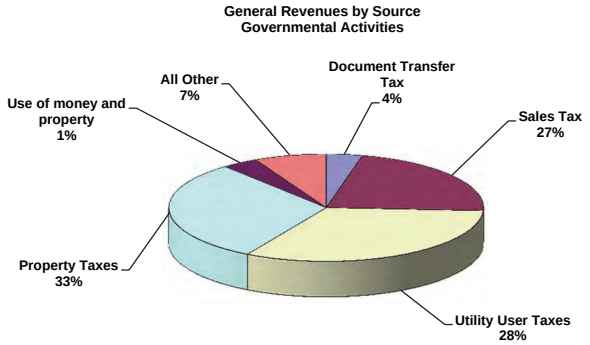
Total governmental activities expenses of $221 million were offset by $64.4 million in program revenues in fiscal year 2016. These expenses do not include capital outlays, which are reflected in the City's capital assets. Program revenues are derived directly from the program itself or from parties outside the reporting government's taxpayers or citizenry. They reduce the net cost of the function to be financed from the government's general revenues. During the fiscal year, the net costs funded by the City's general revenues were $156.5 million.

As reflected in the pie chart below, 40% of the governmental program revenues came from Charges for Services, which includes licenses and permits and fees, fines, forfeitures and penalties, and several other revenues. The remaining 60% percent of governmental program revenues come from Operating Grants and Capital Grants Contributions which include restricted revenues such as Gas Tax, Transportation and Sales Tax, and Federal/State Grants.

Program Revenues by Source
Governmental Activities



General revenues are all other revenues not categorized as program revenues and include property taxes, sales taxes, utility users' tax, documentary transfer taxes, investment earnings, grants and contributions not related to specific programs and other miscellaneous general revenues. Total general revenues from governmental activities were $154.1 million in fiscal year 2016. The three largest components of general revenues received were Property Taxes-current collections of $51.3 million, Utility User Taxes of $43.4 million and Sales Taxes of $40.9 million. The following table details the City's general revenues by source.

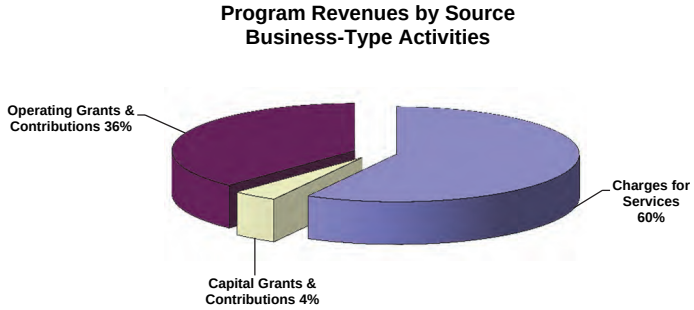


The following table details net program costs for business-type activities:

Expenses and Program Revenues
Business-type Activities

	Expenses	Program Revenues	Net (Expenses) Revenues
Business-type Activities			
Richmond Housing Authority	$ 26,385,133	$ 25,156,898	$ (1,228,235)
Port of Richmond	11,132,997	10,581,419	(551,578)
Richmond Marina	237,129	517,108	279,979
Municipal Sewer	16,446,626	20,559,316	4,112,690
Storm Sewer	2,465,929	1,966,537	(499,392)
Cable TV	2,114,436	1,320,486	(793,950)
Total	$ 58,782,250	$ 60,101,764	$ 1,319,514

Richmond Marina and Municipal Sewer generated net revenues of $280 thousand and $4.1 million, respectively. However, the remaining business-type activities were not able to generate enough user fees sufficient to cover operating costs by $3.1 million. As reflected in the pie chart below, 60% of the business-type program revenues came from Charges for Services and the remaining 40% were derived from Operating and Capital Grants.



FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financial capacity.

At the end of the fiscal year, the City's governmental funds reported total fund balances of $69.8 million, an increase of $9.4 million, or 15.5% from prior year. Financial highlights for the City's major funds are discussed below:

General Fund The General Fund is the primary operating fund of the City. It is used to report the financial results of the daily operations of the City. The major revenue sources are utility users' tax, sales tax and property taxes. The major expenditures are salaries and administrative expenses. The City's general fund revenues and expenditures both grew by 2.3% or $3.4 million and $3.2 million, respectively. This increase is primarily due to the continuing growth in the City's assessed valuation of properties within the City which allowed the City to expand public safety services to its citizens.

At the end of the current fiscal year, the total fund balance increased by $716 thousand from the prior year to $29.4 million. General Fund reported an unassigned fund balance of $11.0 million, an increase of $1.1 million from prior year.

Cost Recovery This fund was established to record the receipt and use of monies for services provided to the public and developers. Cost recovery fund balance decreased $632 thousand, or 7.3% from prior year. Revenue increases of $985 thousand were not sufficient to offset the $3.1 million increase in expenditures primarily due to a pavement rehabilitation project funded by state grants. However, the deficit was partially reduced by a $2.2 million Solid Waste JPA reimbursement that is restricted for specific purposes.

Community Development and Loan Programs This fund was established to account for the receipt of Community Development Block Grant, HOME Investment Partnership Program and Neighborhood Stabilization Program grant monies and the use of the grants. In conjunction with the dissolution of the Redevelopment Agency, this fund also accounts for the low and moderate income housing activities of the City as Housing Successor to the former Redevelopment Agency's low and moderate income housing activities. As of June 30, 2016, fund balance is $24.1 million which represents a $492 thousand, or 2% increase from prior year.

Environmental and Community Investment Agreement This fund was established to account for funding received from Chevron in conjunction with the Chevron Modernization Project Environmental and Community Investment Agreement which funds various projects and programs within the City of Richmond. The City has received a total of $13 million and has spent approximately $2 million on various projects within the City. As of June 30, 2016, fund balance is $11 million, which is restricted for use on projects under the agreement.

Civic Center Debt Service This fund was established to account for debt service on the Civic Center Lease Revenue Bonds. Fund balance decreased by $3.3 million during the year due to the City's partial funding of debt service payments through charges for services, subsidies and remaining Civic Center Swaption proceeds received in the prior year.

Proprietary Funds:

The City's proprietary funds are enterprise and internal service funds. Proprietary funds provide the same type of information found in the government-wide financial statements but in more detail.

The City's major enterprise funds are the Richmond Housing Authority, Port of Richmond, and Municipal Sewer.

Richmond Housing Authority The Richmond Housing Authority ("RHA") was established to administer funds provided by the Department of Housing and Urban Development (HUD) to assist low-income families in obtaining decent, safe and sanitary housing. RHA'S net position declined $15.7 million to $23.2 million at June 30, 2016. Of the $23.2 million, $21.2 million is invested in capital assets, net of related debt and $2 million is unrestricted. The majority of the $15.7 million decline is attributed to a $14.5 million transfer to RHA's discretely presented component unit, RHA RAD LLC, to finance the sale of assets.

The Port of Richmond The Port of Richmond ("Port") is a public enterprise established by the City of Richmond and is administered as a department of the City. Operations include the marine terminal facilities and commercial property rentals. The Port's net position decreased by $539 thousand, or 7.5% to $7.1 million. The decrease is partially attributed to increased dredging and oil spill maintenance expenses.

Municipal Sewer Fund This fund is used to account for a variety of sewer service-related revenues and expenses. Municipal Sewer's net position increased $1 million, or 4.8% to $20.9 million at June 30, 2016.

GENERAL FUND BUDGETARY HIGHLIGHTS

The adopted budget, excluding transfers, bond premium and proceeds from sale of property, reflected $143.2 million in estimated revenues and $140.8 million in appropriations.

Budget adjustments reflect extensive analysis and updates arising from the Mid-Year Revenue and Expenditure Review, and Council approved amendments that occurred during the fiscal year.

The final amended budget included a $1.1 million increase in estimated revenue and a $1.6 million decrease in appropriations. Actual revenues of $143.4 million were $791 thousand less than the adjusted operating revenue budget, a variance of 0.6 percent. Key elements of variances in revenues are discussed as follows:

Actual property taxes totaled $33.2 million which is $225 thousand less than expected. The City did not receive an expected payment from the County related to Successor Agency Surplus Payment of $273 thousand because of implementation of Senate Bill 107 which diverted Successor Agency Surplus revenue to the Pension Tax Override Fund rather than the General Fund.

Actual sales tax totaled $40.9 million which is $601 thousand less than expected. The shortfall stemmed from significant decreases in the Business To Business Sales Tax category, the third most important category making up 16.7% of the regular sales tax revenue. It decreased by 22.4% year-over-year. This category includes the segments of Energy Sales, Light Industry and Chemical Products. The decrease is primarily attributed to the drop in oil prices.

The utility user tax is a tax imposed on various utilities and is usually collected from customers through their utility bills. The original budget was increased $100 thousand from $43.9 million to $44.0 million to adjust for the updated UUT cap provision. Actual revenue of $43.4 million was $600 thousand less than expected as a result of a lower than expected UUT from Telecommunications. The main factor is the higher usage of prepaid cellular phones, which were previously exempt from UUT, and the decrease of landlines and monthly cellular plans. Beginning January 1, 2016, a prepaid mobile telephone services (MTS) surcharge was imposed on purchasers of prepaid MTS as a percentage of the sales price of each retail transaction involving prepaid wireless cards/service in this state. Even with this new revenue stream, the decrease in telecommunications UUT could not be mitigated.

Actual other tax revenue of $11.6 million is $573 thousand more than the final budget. This is the result of collecting $2.0 million more than originally budgeted in Transfer Tax on sale of properties in Richmond.

The final adjusted appropriations totaled $139.2 million, a decrease of $1.6 million from the original adopted budget appropriation of $140.8 million. The adopted budget appropriation was reduced due to reductions in salary and benefits to account for vacancy savings in both sworn and non-sworn classifications; and other operating savings. Actual operating expenditures of $138.9 million were $348 thousand less than final appropriations.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

The City's investment in capital assets for its governmental and business-type activities as of June 30, 2016 amounted to $493.9 million, net of accumulated depreciation. This investment in capital assets includes land, buildings, improvements, machinery and equipment, infrastructure and construction in progress is illustrated below:

Capital Assets by Type

	Governmental activities		Business-type activities		Total	
	2016	2015	2016	2015	2016	2015
Land	$ 24,369,421	$ 14,428,675	$ 7,195,986	$ 8,231,777	$ 31,565,407	$ 22,660,452
Construction in Progress	78,644,050	56,394,914	23,250,473	28,577,142	101,894,523	84,972,056
Building and improvements	117,304,401	120,905,968	31,378,761	39,309,887	148,683,162	160,215,855
Machinery and equipment	10,078,226	12,241,846	5,171,749	5,401,541	15,249,975	17,643,387
Infrastructure	89,424,240	104,386,469	107,128,090	108,283,040	196,552,330	212,669,509
Total Capital assets	$ 319,820,338	$ 308,357,872	$ 174,125,059	$ 189,803,387	$ 493,945,397	$ 498,161,259

The City's infrastructure assets are recorded at historical cost in the government-wide financial statements.

Some of the City's major capital asset events during the year are detailed below:

- $15 million in capital assets were transferred to the City from the Successor Agency as part of the approved Long Range Property Management Plan consisting of $9.6 million of various land parcels and $5.3 million construction in progress related to Lucretia Edwards Park, Marina Bay Trails and Marina Waterfront Esplanades.
- $10.4 million in construction in progress were transferred from Successor Agency for the Moody Underpass and MetroWalk/Transit Village associated with Moody Underpass.
- Richmond Housing Authority transferred capital assets with a carrying value of $14.4 million to RHA RAD LLC as part of the Rental Assistance Demonstration project.

Additional information about the City's capital assets can be found in Note 6 on pages 71 through 73 in the financial statements.

Debt Administration

Long Term Debt – The City's total debt outstanding at June 30, 2016 increased $10.3 million from $397.6 million to $407.9 million.

Outstanding Debt
June 30

	Governmental Activities		Business-type Activities		Total	
	2016	2015	2016	2015	2016	2015
Revenue bonds			$ 84,637,983	$ 86,867,520	$ 84,637,983	$ 86,867,520

Capital leases	7,944,891	9,295,123			7,944,891	9,295,123
Total outstanding debt	$ 280,377,609	$ 265,879,160	$ 127,475,985	$ 131,713,319	$ 407,853,594	$ 397,592,479

The City does not have any general obligation bonds as of June 30, 2016.

On December 23, 2015, the City received an updated issuer credit rating from S&P affirming the BBB+ issuer credit rating and removing the ratings from CreditWatch and noting that the outlook is stable.

For more detailed information on the City's long-term debt see Note 7 on pages 74 through 102.

Economic Factors, Next Year's Budget and Inflation Rates

The City's economic base continues to grow after years of recession. Property values assessed by the County as of January 1, 2016 have increased by 5.8% over the prior year. Sales Tax is expected to stay about the same in FY2016-17 as compared to the previous year. As of June 30, 2016, unemployment in Richmond stands at 5.6%, slightly improved from 5.8% a year ago.

The City of Richmond is in contract with Terminal One Development, LCC to sell an approximately 10-acre site for development purposes at a price of $10 million. The developer has paid the City $500,000 in a non-refundable deposit, with the balance of $9.5 million due following granting of all entitlements and close of escrow. Following City Council certification of the environmental impact report (EIR) for the project in July 2016, a lawsuit was filed that challenged certification of the EIR. A settlement was reached by all parties to this lawsuit in November 2016, which allows the project entitlement process to proceed. Close of escrow on the real estate sale by the City to Terminal One Development, LLC, including the transfer of the $9.5 million balance due from the developer to the City, is anticipated in October 2017.

The City continues to closely monitor revenue and expenditures through monthly variance reports to assure adherence to budget controls. Simultaneously, position control is strictly enforced, ensuring that any employee hired is moving into a funded position. The City continues to work with National Resource Network's financial forecast model in planning, upcoming labor negotiations and addressing pension and Other Post-Employment Benefits (OPEB) funding. Additionally, the City continues to analyze the structural integrity of all funds and identify additional cost reductions and efficiencies.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the City's finances for all of its citizens, taxpayers, customers, investors and creditors. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the City of Richmond, Finance Department, 450 Civic Center Plaza, Richmond, CA 94804. Alternatively, you may send your inquiries via e-mail to Finance@ci.richmond.ca.us.

CITY OF RICHMOND
JUNE 30, 2016

STATEMENT OF NET POSITION AND STATEMENT OF ACTIVITIES

The purpose of the Statement of Net Position and the Statement of Activities is to summarize the entire City's financial activities and financial position.

The Statement of Net Position reports the difference between the City's total assets and deferred outflows of resources and the City's total liabilities and deferred inflows of resources, including all the City's capital assets and all its long-term debt. The Statement of Net Position focuses the reader on the composition of the City's net position, by subtracting total liabilities and deferred inflows of resources from total assets and deferred outflows of resources and summarizes the financial position of all the City's Governmental Activities in a single column, and the financial position of all the City's Business-Type Activities in a single column; these columns are followed by a Total column that presents the financial position of the entire City.

The City's Governmental Activities include the activities of its General Fund, along with all its Special Revenue, Capital Projects and Debt Service Funds. Since the City's Internal Service Funds primarily service these Funds, their activities are consolidated with Governmental Activities, after eliminating inter-fund transactions and balances. The City's Business Type Activities include all its Enterprise Fund activities and any portion of the Internal Service Fund balances that service Enterprise Funds. Fiduciary activity is excluded.

The Statement of Activities reports increases and decreases in the City's net position. It is also prepared on the full accrual basis, which means it includes all the City's revenues and all its expenses, regardless of when cash changes hands. This differs from the "modified accrual" basis used in the Fund financial statements, which reflect only current assets, current liabilities, deferred outflows/inflows of resources, available revenues and measurable expenditures.

Both these Statements include the financial activities of the City, Richmond Joint Powers Finance Authority, City of Richmond Housing Authority, Richmond Neighborhood Stabilization Corporation and Richmond Surplus Property Authority, which are legally separate but are component units of the City because they are controlled by the City, which is financially accountable for the activities of these entities. The balances and the activities of the discretely presented component units of the RHA Properties, RHA Housing Corporation and RHA RAD LLC are included in these Statements as separate columns.

FUND FINANCIAL STATEMENTS

Major funds are defined generally as having significant activities or balances in the current year.

The funds described below were determined to be Major Funds by the City in fiscal 2016. Individual non-major funds may be found in the Supplemental section.

GENERAL FUND

The General Fund is used for all the general revenues of the City not specifically levied or collected for other City funds and the related expenditures. The General Fund accounts for all financial resources of a governmental unit which are not accounted for in another fund.

COST RECOVERY SPECIAL REVENUE FUND

The Cost Recovery Special Revenue Fund records the receipt and use of monies for services provided to the public and developers.

COMMUNITY DEVELOPMENT AND LOAN PROGRAMS FUND

The Community Development and Loan Programs Special Revenue Fund accounts for the receipt of Community Development Block Grant, HOME Investment Partnership Program, and Neighborhood Stabilization Program grant monies and the use of the grants. The Fund also accounts for the low and moderate income housing activities of the City as Housing Successor to the former Redevelopment Agency, and activities related to the City's loan from the California Department of Toxic Substances Control for the Miraflores Remediation project. The grants and loan programs are to be used to provide, within the City of Richmond, new affordable housing, improve existing housing conditions, assist homeless and disabled with housing, and to expand economic opportunities in business, and employment for low and moderate income residents.

ENVIRONMENTAL AND COMMUNITY INVESTMENT AGREEMENT (ECIA) SPECIAL REVENUE FUND

The Environmental and Community Investment Agreement (ECIA) Special Revenue Fund accounts for funding received from Chevron in conjunction with the Chevron Modernization Project Environmental and Community Investment Agreement to fund various projects and programs within the City of Richmond.

CIVIC CENTER DEBT SERVICE FUND

The Civic Center Debt Service Fund accounts for principal and interest payments on the Civic Center project Lease Revenue Bonds.

CITY OF RICHMOND
Reconciliation of the
GOVERNMENTAL FUNDS -- BALANCE SHEET
with the
STATEMENT OF NET POSITION
JUNE 30, 2016

Total fund balances reported on the governmental funds balance sheet	$69,757,626
Amounts reported for Governmental Activities in the Statement of Net Position are different from those reported in the Governmental Funds above because of the following:	
CAPITAL ASSETS	
Capital assets used in Governmental Activities are not current assets or financial resources and therefore are not reported in the Governmental Funds.	319,820,338
ALLOCATION OF INTERNAL SERVICE FUND NET POSITION	
Internal service funds are not governmental funds. However, they are used by management to charge the costs of certain activities, such as insurance and central services and maintenance to individual governmental funds. The net current position of the Internal Service Funds are therefore included in Governmental Activities in the following line items in the Statement of Net Position.	
Cash and investments	8,113,708
Accounts receivable	443,216
Interest receivable	14,371
Loans receivable	550,000
Due from other funds	20,524,924
Advances to other funds	2,213,421
Accounts payable, accrued liabilities and interest payable	(239,733)
Due to other funds	(1,388,415)
Compensated absences	(230,682)
Unearned revenue	(1,289,239)
Claims payable	(39,403,229)
ACCRUAL OF NON-CURRENT REVENUES AND EXPENSES	
Revenues which are unavailable on the Fund Balance Sheets because they are not available currently are taken into revenue in the Statement of Activities.	21,596,791
LONG TERM ASSETS AND LIABILITIES	
The assets and liabilities below are not due and payable in the current period and therefore are not reported in the Funds:	
Interest payable	(3,466,568)
Long-term debt	(280,377,609)
Derivative instrument at fair value - liability	(40,847,992)
Net pension liability and deferred outflows/inflows related to pensions	(224,087,438)
Net OPEB obligation	(49,638,537)
Governmental activities portion of compensated absences	(12,431,156)
NET POSITION OF GOVERNMENTAL ACTIVITIES	($210,366,203)

CITY OF RICHMOND
Reconciliation of the
NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS
with the
STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED JUNE 30, 2016

The schedule below reconciles the Net Changes in Fund Balances reported on the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balance, which measures only changes in current assets and current liabilities on the modified accrual basis, with the Change in Net Position of Governmental Activities reported in the Statement of Activities, which is prepared on the full accrual basis.

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS	$9,382,851
Amounts reported for governmental activities in the Statement of Activities are different because of the following:	
CAPITAL ASSETS TRANSACTIONS	
Governmental Funds include capital outlays in departmental expenditures. However, in the Statement of Activities the cost of those assets is capitalized and allocated over their estimated useful lives and reported as depreciation expense.	
The capital outlay expenditures are therefore added back to fund balance	7,424,260
Depreciation expense is deducted from the fund balance	
(Depreciation expense is net of internal service fund depreciation of $1,998,280 which has already been allocated to serviced funds)	(19,355,437)
Retirements of capital assets are deducted from the fund balance	
(Retirements are net of internal service fund retirements of $11,175 which has already been allocated to serviced funds)	(16,120)
Capital contributions from developers and the Successor Agency are added to fund balance	10,410,645
Transfers to Internal Services Funds are deducted from fund balance	(264,695)
Assets transferred from Successor Agency are added to fund balance	14,968,712
LONG TERM DEBT PROCEEDS AND PAYMENTS	
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of bond principal is an expenditure in the governmental funds, but in the Statement of Net Position the repayment reduces long-term liabilities.	
Repayment of debt principal is added back to fund balance	21,381,738
Capital appreciation bonds accretion is deducted from fund balance	(4,895,860)
Interest accruals on debt are deducted from fund balance	(1,543,516)
Proceeds from debt issuance is deducted from fund balance	(28,390,000)
Bond issuance premium is deducted from fund balance	(1,393,619)
ACCRUAL OF NON-CURRENT ITEMS	
The amounts below included in the Statement of Activities do not provide or (require) the use of current financial resources and therefore are not reported as revenue or expenditures in governmental funds (net change):	
Interest payable	64,102
Unavailable revenue	341,768
Derivative instrument at fair value - liability	800,885
Compensated absences	479,894
Net pension liability and deferred outflows/inflows related to pensions	6,743,950
Net OPEB obligation	(10,562,742)
ALLOCATION OF INTERNAL SERVICE FUND ACTIVITY	
Internal Service Funds are used by management to charge the costs of certain activities, such as equipment acquisition, maintenance, and insurance to individual funds. The portion of the net revenue (expense) of these Internal Service Funds arising out of their transactions with governmental funds is reported with governmental activities, because they service those activities.	
Change in Net Position - All Internal Service Funds	(8,705,689)
CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	($3,128,873)

See accompanying notes to financial statements

CITY OF RICHMOND
JUNE 30, 2016

MAJOR PROPRIETARY FUNDS

Proprietary funds account for City operations financed and operated in a manner similar to a private business enterprise. The intent of the City is that the cost of providing goods and services be financed primarily through user charges.

The concept of major funds established by GASB Statement 34 extends to Proprietary Funds. The City has identified the funds below as major proprietary funds in fiscal 2016.

GASB 34 does not provide for the disclosure of budget vs. actual comparisons regarding proprietary funds that are major funds.

RICHMOND HOUSING AUTHORITY

This fund accounts for all funds provided by the Department of Housing and Urban Development (HUD) to assist low income families in obtaining decent, safe and sanitary housing.

PORT OF RICHMOND

This fund accounts for all financial transactions relating to the City-owned marine terminal facilities and commercial property rentals.

MUNICIPAL SEWER

This fund accounts for all financial transactions relating to the City's Wastewater Collection and Treatment. Services are on a user charge basis to residents and business owners located in Richmond.

FIDUCIARY FUNDS

Fiduciary funds are presented separately from the Government-wide and Fund financial statements.

Trust funds are used to account for assets held by the City as a trustee agent for individuals, private organizations, or other governments.

Agency funds are used to account for assets held by the City as an agent for individuals, private organizations, and other governments.

The financial activities of Trust and Agency funds are excluded from the City-wide financial statements, but are presented in separate Fiduciary Fund financial statements.

NOTE 1 - ORGANIZATION AND DEFINITION OF REPORTING ENTITY

The City was incorporated in 1905 under the laws of the State of California and adopted its charter in 1909. The City operates under a Council-Manager form of government and provides the following services to its citizens as authorized by its charter: police and fire protection, planning and community development, streets and roads, parks and recreation, sewage treatment, drainage and capital projects. In addition, the City has a port, marina, municipal and storm sewer enterprises, a housing authority, a joint powers financing authority, and a parking authority which is inactive.

The accompanying basic financial statements present the financial activity of the City, which is the primary government presented, along with the financial activities of its component units, which are entities for which the City is financially accountable. Although they are separate legal entities, *blended* component units are in substance part of the City's operations and are reported as an integral part of the City's financial statements. The discretely presented component unit, on the other hand, is reported in a separate column in the basic financial statements to emphasize it is legally separate from the government.

A. PRIMARY GOVERNMENT

The financial statements of the primary government of the City include the activities of the City as well as the Richmond Housing Authority, the Richmond Joint Powers Financing Authority, the Richmond Neighborhood Stabilization Corporation, the Richmond Parking Authority and the Richmond Surplus Property Authority all of which are controlled by and dependent on the City. While these are separate legal entities, their financial activities are integral to those of the City. Their financial activities have been aggregated and merged (termed "blended") with those of the primary government of the City in the accompanying financial statements.

Blended Component Units:

Richmond Housing Authority (Housing Authority) - Formed in 1941 as a separate legal entity under the provisions of the Housing Act of 1937, the Housing Authority was established to use funds provided by the Department of Housing and Urban Development (HUD) to rehabilitate local deteriorated housing and to subsidize low-income families in obtaining decent, safe, and sanitary housing needs.

Although the Housing Authority is a separate legal entity, it is an integral part of the City. The City exercises significant financial and management control over the Housing Authority and members of City Council serve as the governing board of the Housing Authority. The financial statements of the Housing Authority are included in the City's basic financial statements as an enterprise fund. Separate financial statements for the Housing Authority may be obtained by contacting the Richmond Housing Authority, 330 24th Street, Richmond, California 94804.

Richmond Joint Powers Financing Authority (JPFA) - A joint exercise of powers authority formed on December 1, 1989, by and between the City and the former Redevelopment Agency, the JPFA was created to assist the City, the Redevelopment Agency, and other local public agencies in financing and refinancing capital improvements and working capital pursuant to the Marks-Roos Local Bond Pooling Act of 1985. The JPFA is authorized to purchase obligations of the City, Redevelopment Agency, and other local public agencies.

NOTE 1 - ORGANIZATION AND DEFINITION OF REPORTING ENTITY (Continued)

Although the JPFA is a separate legal entity, it is an integral part of the City. The City exercises significant financial and management control over the JPFA and the members of the City Council serve as the Board of Directors. The operations of the JPFA are included in the City's basic financial statements as a debt service fund. Separate financial statements for the JPFA may be obtained by contacting the Office of Finance, City of Richmond, 450 Civic Center Plaza, Richmond, California 94804.

Richmond Neighborhood Stabilization Corporation (RNSC) – A California nonprofit public benefit Corporation formed in July 2009 by the City and the former Redevelopment Agency under the laws of the State of California. The Corporation was organized for the purpose of administering and operating the City's Neighborhood Stabilization Program (NSP), which includes purchasing, developing, financing, rehabilitating, land banking and/or demolishing blighted properties and foreclosed or abandoned properties utilizing the NSP funds or other public and private funding sources, and assisting the City and the Agency in providing affordable home ownership opportunities for households of low and moderate income by facilitating the financing necessary for the sale and resale of deed-restricted affordable ownership units to low and moderate income households at affordable costs, and other similar functions.

The Corporation is governed by a board of directors consisting of the City Manager, the Finance Director, and five other City and Housing Authority Directors. Although the RNSC is a separate legal entity, it is an integral part of the City. The City exercises significant financial and management control over the RNSC and members of the Board of Directors are appointed by City Council and City management has operational responsibility for the RNSC. The operations of the RNSC are included in the City's basic financial statements as a special revenue fund. Separate financial statements for the RNSC may be obtained by contacting the Office of Finance, City of Richmond, 450 Civic Center Plaza, Richmond, California 94804.

Richmond Surplus Property Authority – Formed to become the owner of certain property declared surplus by the U.S. Government, the Authority is a separate legal entity but it is an integral part of the City. The City exercises significant financial and management control over the Authority and members of the City Council serve as the governing board of the Authority. The Authority was reactivated in fiscal year 2011 to facilitate certain Port of Richmond transactions. The financial activities of the Authority are included in the Port of Richmond Enterprise Fund. Separate financial statements are not issued for the Authority.

Richmond Parking Authority (Parking Authority) - Formed in 1975 pursuant to the provisions of California statutes for the purpose of financing the construction of off-street parking facilities. Although the Parking Authority is a separate legal entity, it is an integral part of the City. The City exercises significant financial and management control over the Parking Authority and members of the City Council serve as the governing board of the Parking Authority. The Parking Authority is inactive.

NOTE 1 - ORGANIZATION AND DEFINITION OF REPORTING ENTITY (Continued)

B. DISCRETELY PRESENTED COMPONENT UNITS

RHA Properties – A joint powers agreement between the City and the Housing Authority formed in 2004 for the purpose of owning and managing the operations of an affordable housing residential complex known as The Hilltop at Westridge Apartments in the City, dedicated to the needs of elderly persons. The City and the Housing Authority funded the acquisition of this complex through the issuance of debt. The City and Housing Authority exercise significant financial and management control over RHA Properties and appoint members of the Board of Directors, however RHA Properties manages its own programs separate from the City or the Housing Authority. Therefore, the financial activities of RHA Properties are discretely presented in the RHA Properties Component Unit column of the Statement of Net Position and the Statement of Activities.

RHA Housing Corporation– RHA Housing Corporation was incorporated and registered on January 26, 2004 as a California nonprofit public benefit corporation to benefit and support the RHA with respect to the Easter Hill development. RHA Housing Corporation entered into RAD Conversion redevelopment activities and it acts as the sole and managing member of RHA RAD LLC. The Corporation's fiscal year ends on December 31, 2016. The City and Housing Authority exercise significant financial and management control over RHA Housing Corporation and appoint members of the Board of Directors, however RHA Housing Corporation manages its own programs separate from the City or the Housing Authority. Therefore, the financial activities of RHA Housing Corporation are discretely presented in the RHA Housing Corporation Component Unit column of the Statement of Net Position and the Statement of Activities. Separate financial statements for RHA Housing Corporation may be obtained by contacting the Richmond Housing Authority, 330 24th Street, Richmond, California 94804.

RHA RAD LLC - A California limited liability company was formed on July 11, 2013 by RHA Housing Corporation, the sole and managing member. The Company is operated exclusively to further the tax exempt charitable purposes of the sole and managing member to provide affordable housing for low-income persons where no adequate housing exists for such persons, and to own and operate housing for the benefit of low-income persons who are in need of affordable, decent, safe and sanitary housing and related services, where an inadequate supply of housing exists for such persons. The City and Housing Authority exercise significant financial and management control over RHA RAD LLC and RHA Housing Corporation is the sole member of RHA RAD LLC, however RHA RAD LLC manages its own programs separate from the City or the Housing Authority. Therefore, the financial activities of RHA RAD LLC are discretely presented in the RHA RAD LLC Component Unit column of the Statement of Net Position and the Statement of Activities. Separate financial statements for RHA RAD LLC may be obtained by contacting the Richmond Housing Authority, 330 24th Street, Richmond, California 94804.

In order for the Authority to proceed in its participation into the RAD Program as discussed in Note 16L, RHA RAD LLC shall act as the managing general partner of RHA RAD Housing Partnership LP.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of the City of Richmond have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental agencies. The Governmental Accounting Standards Boards (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The City's significant accounting policies are described below.

A. Basis of Accounting and Measurement Focus

The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for in a separate set of self-balancing accounts that comprise its assets, liabilities, deferred outflows/inflows of resources, fund equity, revenues, and expenditures or expenses. City resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

Government-Wide Financial Statements - The Government-Wide Financial Statements include a Statement of Net Position and a Statement of Activities. These statements present summaries of Governmental and Business-Type Activities for the City accompanied by a total column. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties. Fiduciary activities of the City are not included in these statements; they are presented separately.

The Statement of Activities presents a comparison between direct expenses and program revenues for each segment of the business-type activities of the City and for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs, (b) grants and contributions that are restricted to meeting the operational needs of a particular program and (c) fees, grants and contributions that are restricted to financing the acquisition or construction of capital assets. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

The Government-wide financial statements are presented on an *"economic resources"* measurement focus and the accrual basis of accounting. Accordingly, all of the City's assets, deferred outflows/inflows of resources and liabilities, including capital assets as well as infrastructure assets and long-term liabilities, are included in the Statement of Net Position. The Statement of Activities presents all the City's revenues, expenses and other changes in Net Position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

All internal balances in the Statement of Net Position have been eliminated except those representing balances between the governmental activities and the business-type activities, which are presented as internal balances and eliminated in the total column. In the Statement of Activities, internal service fund transactions have been eliminated. However, transactions between governmental and business-type activities have not been eliminated.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Governmental Fund Financial Statements - Governmental Fund Financial Statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances for all major governmental funds and in the aggregate for all non-major funds. An accompanying schedule is presented to reconcile and explain the differences in net position as presented in these statements to the net position presented in the Government-Wide financial statements.

All governmental funds are accounted for on the *"current financial resources"* measurement focus and the modified accrual basis of accounting. Accordingly, only current assets and current liabilities are included on the Balance Sheets. The Statement of Revenues, Expenditures and Changes in Fund Balances presents increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period. Accordingly, revenues are recorded when received such as business licenses and fines and penalties in cash, except that revenues subject to accrual (generally sixty days after the fiscal year-end) are recognized when due. The primary revenue sources which have been treated as susceptible to accrual by the City are property taxes, sales taxes, transient occupancy taxes, franchise taxes, certain other intergovernmental revenues, and earnings on investments. Expenditures are recorded in the accounting period in which the related fund liability is incurred also generally sixty days after the fiscal year end.

Reconciliations of the Fund Financial Statements to the Government-Wide Financial Statements are provided to explain the differences between the two approaches.

Proprietary Fund Financial Statements - Proprietary Fund Financial Statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Fund Net Position, and a Statement of Cash Flows for each major proprietary fund and in the aggregate for all non-major funds. A column representing internal service funds is also presented in these statements. However, internal service balances and activities have been combined with the governmental activities in the Government-Wide Financial Statements.

Proprietary funds are accounted for using the *"economic resources"* measurement focus and the accrual basis of accounting. Accordingly, all assets, liabilities and deferred outflows/inflows of resources (whether current or non-current) are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Fund Net Position presents increases (revenues) and decreases (expenses) in total net position.

Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred, regardless of when cash changes hands.

Operating revenues in the proprietary funds are those revenues that are generated from the primary operations of the fund. All other revenues are reported as non-operating revenues. Operating expenses are those expenses that are essential to the primary operations of the fund. All other expenses are reported as non-operating expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fiduciary Fund Financial Statements and Statement of Changes in Net Position - Fiduciary Fund Financial Statements include a Statement of Fiduciary Net Position, and a Statement of Changes in Fiduciary Net Position. The City's Fiduciary funds represent Pension Trust funds, Private-Purpose Trust funds and Agency funds. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. Pension Trust funds and Private-Purpose Trust funds are accounted for on an economic resources measurement focus under the accrual basis of accounting.

B. Major Funds

Major funds are defined as funds that have either assets, liabilities, revenues or expenditures/expenses equal to ten percent of their fund-type total and five percent of the grand total. The General Fund is always a major fund. The City may also select other funds it believes should be presented as major funds.

The City reported the following major governmental funds in the accompanying financial statements:

General Fund – The General Fund is used for all the general revenues of the City not specifically levied or collected for other City funds and the related expenditures. The General Fund accounts for all financial resources of a governmental unit which are not accounted for in another fund.

Cost Recovery Special Revenue Fund – The Cost Recovery Special Revenue Fund records the receipt and use of monies for services provided to the public and developers.

Community Development and Loan Programs Special Revenue Fund – The Community Development and Loan Programs Special Revenue Fund accounts for the receipt of Community Development Block Grant, HOME Investment Partnership Program, and Neighborhood Stabilization Program grant monies and the use of the grants. The Fund also accounts for the low and moderate income housing activities of the City as Housing Successor to the former Redevelopment Agency, and activities related to the City's loan from the California Department of Toxic Substances Control for the Miraflores Remediation project. The grants and loan programs are to be used to provide, within the City of Richmond, new affordable housing, improve existing housing conditions, assist homeless and disabled with housing, and to expand economic opportunities in business, and employment for low and moderate income residents.

Environmental and Community Investment Agreement Special Revenue Fund – The Environmental and Community Investment Agreement Special Revenue Fund accounts for funding received from Chevron in conjunction with the Chevron Modernization Project Environmental and Community Investment Agreement to fund various projects and programs within the City of Richmond.

Civic Center Debt Service Fund - The Civic Center Debt Service Fund accounts for principal and interest payments on the Civic Center project Lease Revenue Bonds.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The City reported the following major enterprise funds in the accompanying financial statements:

Richmond Housing Authority – This fund accounts for all funds provided by the Department of Housing and Urban Development (HUD) to assist low income families in obtaining decent, safe and sanitary housing.

Port of Richmond – This fund accounts for all financial transactions relating to the City-owned marine terminal facilities and commercial property rentals.

Municipal Sewer – This fund accounts for all financial transactions relating to the City's Wastewater Collection and Treatment. Services are on a user charge basis to residents and business owners located in Richmond.

The City also reports the following fund types:

Internal Service Funds. The funds account for insurance reserves, equipment services and replacement and police telecommunications, all of which are provided to other departments on a cost-reimbursement basis.

Trust Funds. The Pension Trust Funds account for assets held by the City as an Agent for various functions. The General Pension, Police and Fireman's and Garfield Pension Funds account for the accumulation of resources to be used for retiree pension payments at appropriate amounts and times in the future. The Pt. Molate Private-Purpose Trust Fund is used to account for assets held by the City as an agent for the U.S. Navy and a private developer for the cleanup of Point Molate as discussed in Note 16H. The Successor Agency to the Richmond Community Redevelopment Agency Private-Purpose Trust Fund was established as of February 1, 2012 to account for the activities of the Successor Agency to the former Richmond Community Redevelopment Agency as discussed in Note 17. The financial activities of the Trust Funds are excluded from the Government-wide financial statements, but are presented in the separate Fiduciary Fund financial statements.

Agency Funds. These funds are used to account for assets held by the City as an agent for individuals, private organizations, and other governments, including special assessment districts within the City and non-public organizations. The financial activities of these funds are excluded from the government-wide financial statement, but are presented in separate Fiduciary Fund financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Prepaids and Supplies

Certain payments to vendors reflect costs applicable to future fiscal years and are recorded as prepaid items in both government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed, rather than when purchased. Prepaid items in governmental funds are equally offset by nonspendable fund balance which indicates that they do not constitute available spendable resources even though they are a component of net current assets.

Supplies are valued at cost using the weighted average method. Supplies of the governmental funds consist of expendable supplies held for consumption. The cost is recorded as an expenditure in the governmental funds at the time individual inventory items are consumed rather than when purchased. Reported governmental fund inventories are equally offset by nonspendable fund balance which indicates that they do not constitute available spendable resources even though they are a component of net current assets.

D. Compensated Absences

Compensated absences comprise unused vacation and certain other compensated time off, which are accrued and charged to expense as earned. Governmental funds include only amounts that have matured, while their long-term liabilities are recorded in the Statement of Net Position.

Changes in compensated absence liabilities for the fiscal year were as follows:

	Governmental Activities	Business-Type Activities	Total
Beginning Balance	$13,173,255	$536,426	$13,709,681
Additions	32,934,122	672,627	33,606,749
Payments	(33,445,539)	(631,149)	(34,076,688)
Ending Balance	$12,661,838	$577,904	$13,239,742
Current Portion	$6,660,018	$90,150	$6,750,168

The long-term portion of governmental activities compensated absences is liquidated primarily by the General Fund. Compensated absences for business-type activities are liquidated by the fund that has recorded the liability.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Property Tax Levy, Collection and Maximum Rates

The State of California's Constitution limits the combined maximum property tax rate on any given property to one percent of its assessed value except for voter approved incremental property taxes. Assessed value equals purchase price and may be adjusted by no more than two percent per year unless the property is modified, sold, or transferred. The State Legislature distributes property tax receipts from among the counties, cities, school districts, and other districts.

Contra Costa County assesses properties and bills for and collects property taxes as follows:

	Secured	Unsecured
Valuation/lien dates	January 1	March 1
Levied dates	July 1	July 1
Due dates	50% on November 1 50% on February 1	July 1
Delinquent as of	December 10 (for November) April 10 (for February)	August 31

The term "unsecured" refers to taxes on personal property other than land and buildings. These taxes are secured by liens on the property being taxed. Property taxes levied are recorded as revenue in the fiscal year of levy.

F. Expenditures in Excess of Appropriations

The following funds incurred departmental expenditures in excess of appropriations.

Fund/Department	Excess of Expenditures Over Appropriations
General Fund	
General Government	$1,574,323
Debt Service- Principal	31,077
Cost Recovery Special Revenue Fund	
Public Safety	419,255
Environmental and Community Investment Agreement Special Revenue Fund	
Public Works	16,715
Civic Center Debt Service Fund	
Interest and fiscal charges	212,862
Swap termination payment	1,497,954
Paratransit Operations Special Revenue Fund	
General Government	288,554
Public Safety Special Revenue Fund	
Public Safety	158,902

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position or balance sheet report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then. The City has one item that qualifies for reporting in this category, the deferred charge on refunding reported in the statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The City also has deferred outflows of resources related to pensions as discussed in Notes 10 and 11.

In addition to liabilities, the statement of financial position or balance sheet report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position or fund balance that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The City has one item, which arises only under a modified accrual basis of accounting, which qualifies for reporting in this category. Accordingly, the item, unavailable revenue, is only reported in the governmental funds balance sheet. The governmental funds report unavailable revenues from three sources: loans receivable, grants receivable and interest on interfund advances. See Note 8 for further discussion. The City also has deferred inflows of resources related to pensions as discussed in Notes 10 and 11. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

H. Bond Issuance Costs, Original Issue Discounts and Premiums and Deferred Charge on Refunding

For proprietary fund types, bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Any differences between proprietary refunded debt and the debt issued to refund it, called a deferred charge on refunding, is amortized over the remaining life of either the refunded debt or the refunding debt, whichever is shorter. The deferred charge on refunding is reported as a deferred inflow or outflow of resources, as applicable. Bond issuance costs, other than prepaid insurance, are expensed in the year incurred.

I. Property Held for Resale

Property held for resale is accounted for at the lower of cost or net realizable value or agreed upon sales price if a disposition agreement has been made with a developer.

The City received five properties for resale in fiscal year 2013 with a book value of $573,822 from the acceptance of a deed in lieu of foreclosure on the property related to developer defaults on prior loans under the Richmond Neighborhood Stabilization loan program discussed in Note 5. These properties were rehabilitated during fiscal years 2014 and 2015 increasing the carrying value by a total of $749,716 and $39,303, respectively. In fiscal year 2014, the City received an additional four properties with a carrying value of $648,238. Six properties have been sold as of June 30, 2016, the remaining three properties held for resale had a book value of $665,139 as of that date.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 inputs are inputs – other than quoted prices included within level 1 – that are observable for an asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for an asset or liability.

If the fair value of an asset or liability is measured using inputs from more than one level of the fair value hierarchy, the measurement is considered to be based on the lowest priority level input that is significant to the entire measurement.

K. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

L. New Funds

The City established the Compensated Absences Internal Service Fund to account for sick, vacation and compensatory time leave payouts related to employee retirements.

The Richmond Promise Agency Fund was established to account for assets belonging to the Richmond Promise non-profit organization held as agent by the City.

NOTE 3 - CASH AND INVESTMENTS

A. Investments and Cash Deposits

The City maintains a cash and investment pool of cash balances and authorized investments of all funds except for funds required to be held by fiscal agents under the provisions of bond indentures, which the City Treasurer invests to enhance interest earnings. The pooled interest earned is allocated to the funds based on average month-end cash and investment balances in these funds.

NOTE 3 - CASH AND INVESTMENTS (Continued)

The City and its fiscal agents invest in individual investments and in investment pools. Individual investments are evidenced by specific identifiable pieces of paper called *securities instruments*, or by an electronic entry registering the owner in the records of the institution issuing the security, called the *book entry* system. Individual investments are generally made by the City's fiscal agents as required under its debt issues. In order to maximize security, the City employs the Trust Department of a bank as the custodian of all City managed investments, regardless of their form.

All investments are stated at fair value. Market value is used as fair value for all securities.

The California Government Code requires California banks and savings and loan associations to secure the City's cash deposits by pledging securities as collateral. This Code states that collateral pledged in this manner shall have the effect of perfecting a security interest in such collateral superior to those of a general creditor. Thus, collateral for cash deposits is considered to be held in the City's name. The market value of pledged securities must equal at least 110% of the City's cash deposits. California law also allows institutions to secure City deposits by pledging first trust deed mortgage notes having a value of 150% of the City's total cash deposits. The City may waive collateral requirements for cash deposits which are fully insured up to $250,000 by the Federal Deposit Insurance Corporation. The City, however, has not waived the collateralization requirements.

B. Cash, Cash Equivalents and Investments

For purposes of reporting cash flows, the City considers each fund's share in the cash and investments pool and restricted cash and investments to be cash and cash equivalents.

C. Classification

Cash and investments are classified in the financial statements as shown below at June 30, 2016:

Cash and investments	$58,608,073
Restricted cash and investments	25,482,047
Total Primary Government cash and investments	84,090,120
Cash and investments	27,726
Total Discrete Component Unit cash and investments	27,726
Cash and investments in Fiduciary Funds (Separate Statement)	
Cash and investments	15,955,822
Restricted cash and investments	38,683,630
Investments in reassessment bonds	11,370,000
Total Fiduciary Funds cash and investments	66,009,452
Total cash and investments	$150,127,298

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 3 - CASH AND INVESTMENTS (Continued)

D. Investments Authorized by the California Government Code and the City's Investment Policy

Under the provisions of the City's Investment Policy, and in accordance with California Government Code, the following investments are authorized:

Authorized Investment Type	Maximum Maturity	Minimum Credit Quality	Maximum Percentage of Portfolio		Maximum Investment In One Issuer
U.S. Treasury Bills, Bonds and Notes	5 years	A	None		None
Obligations issued by United States Government or its Agencies	5 years		None		None
Treasury bonds and notes issued by the State of California or any local agency with California	5 years	A	None		None
Commercial Paper	270 days	A	10%	**(A)**	10%
Negotiable Certificates of Deposit	5 years	A	30%		None
Medium Term Corporate Notes	5 years	A	30%		None
Money Market Mutual Funds	N/A	Top rating category	15%		None
California Local Agency Investment Fund	N/A		None		$50 Mil
Government Sponsored Investment Pools (CalTrust)	N/A		N/A		None
Collateralized Time Deposits	5 years		30%		10%

(A): City may invest an additional 15% or a total of 20% of City surplus money, only if dollar-weighted average maturity of the entire amount does not exceed 31 days.

Prohibited Investments

Under the City's Investment Policy, the City imposed restrictions on investments. The City cannot invest in any funds in inverse floaters, range notes, or interest only Separate Trading of Registered Interest and Principal of Securities (STRIPS) that are derived from a pool of mortgages. In any security that could result in zero interest accrual if held to maturity (other than money market mutual funds).

NOTE 3 - CASH AND INVESTMENTS (Continued)

E. Investments Authorized by the California Government Code and the Housing Authority's Investment Policy

The California Government Code allows the Authority to invest in the following; provided approved percentages and maturities are not exceeded. The table below also identifies certain provisions of the California Government Code:

Authorized Investment Type	Maximum Maturity	Maximum Specified Percentage of Portfolio	Minimum Credit Quality
Local Agency Bonds	5 years	None	None
U.S. Treasury obligations	5 years	None	None
State of California obligations	5 years	None	None
CA Local Agency obligations	5 years	None	None
U.S. Agencies	5 years	None	None
Banker's Acceptances	180 days	40%	A1/P1
Commercial Paper - select agencies	270 days	40%	A1/P1
Commercial Paper - other agencies	270 days	25%	None
Negotiable Certificates of Deposit	5 years	30%	None
Repurchase Agreements	1 year	None	None
Reverse Repurchase Agreements and Securities Lending Agreements	92 days	20%	None
Medium Term Corporate Notes	5 years	30%	A
Mutual Funds	N/A	20%	Multiple
Money Market Mutual Funds	N/A	20%	Multiple
Collateralized Bank Deposits	5 years	None	None
Mortgage Pass-Through Securities	5 years	20%	AA
Time Deposits	5 years	None	None
County Pooled Investment Funds	N/A	None	None
California Local Agency Investment Fund	N/A	None	None

There are no restrictions on the maximum amount invested in each security type or maximum that can be invested in any one issuer.

The Authority does not have reverse repurchase agreements.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 3 - CASH AND INVESTMENTS (Continued)

F. Investments Authorized by Debt Issues and Lease Agreements

Under the terms of the City's and Agency's and debt issues and lease agreements, the City and Agency are subject to various restrictions in the type, maturity and credit ratings of investments of the unspent proceeds of these issues. These restrictions are generally no more restrictive than those listed above regarding investment of the City's and Agency's funds. In addition, some bond indentures authorize investments in guaranteed investment contracts and investment agreements with maturity dates that coincide with the applicable debt maturities. At June 30, 2016, the City and Agency were in compliance with the terms of all these restrictions.

G. Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Normally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways the City manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Information about the sensitivity of the fair values of the City's investments (including investments held by bond trustees) to market interest rate fluctuations is provided by the following table that shows the distribution of the City's investments by maturity or earliest call date:

	Remaining Maturity (in Months)				
	12 months or Less	13 to 24 Months	25 to 60 Months	More than 60 months	Total
Primary Government:					
Federal Agency Securities	$6,004,740	$8,000,300	$3,026,400		$17,031,440
U.S. Treasury Bills	515,020				515,020
California Local Agency Investment Fund	22,621,817				22,621,817
CalTrust Short Term Fund	14,101,923				14,101,923
CalTrust Medium Term Fund	81,419				81,419
Certificates of Deposit- Negotiable		755,361			755,361
Money Market Mutual Funds (U.S. Securities)	138,039				138,039
Held by Trustee:					
Money Market Mutual Funds (U.S. Securities)	46,468,677				46,468,677
Investment Agreement				$1,039,778	1,039,778
Guaranteed Investment Contracts			564,000	625,001	1,189,001
Reassessment Bonds	1,050,000	1,097,500	3,840,000	5,382,500	11,370,000
Total Investments	$90,981,635	$9,853,161	$7,430,400	$7,047,279	115,312,475
Cash in Banks and on hand - *Primary Government*					34,787,097
Cash in Banks - RHA Housing Corporation					27,726
Total Cash and Investments					$150,127,298

NOTE 3 - CASH AND INVESTMENTS (Continued)

The City is a participant in the Local Agency Investment Fund (LAIF) that is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. The City reports its investment in LAIF at the fair value amount provided by LAIF, which is the same as the value of the pool share. The balance is available for withdrawal on demand, and is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. Included in LAIF's investment portfolio are collateralized mortgage obligations, mortgage-backed securities, other asset-backed securities, loans to certain state funds, and floating rate securities issued by federal agencies, government-sponsored enterprises, United States Treasury Notes and Bills, and corporations. At June 30, 2016, these investments matured in an average of 167 days.

The City is a participant in the Short-Term Fund and Medium-Term Fund of the Investment Trust of California (CalTrust), a joint powers authority and public agency established by its members under the provisions of Section 6509.7 of the California Government Code. Members and participants are limited to California public agencies. CalTrust is governed by a Board of Trustees of seven Trustees, at least seventy-five percent of whom are from the participating agencies. The City reports its investment in CalTrust at the fair value amount provided by CalTrust, which is the same as the value of the pool shares. The balance is available for withdrawal on demand, and is based on the accounting records maintained by CalTrust. Included in CalTrust's investment portfolio are: United States Treasury Notes, Bills, Bonds or Certificates of Indebtedness; registered state warrants or treasury notes or bonds; California local agency bonds, notes, warrants or other indebtedness; federal agency or United States government-sponsored enterprise obligations; bankers acceptances; commercial paper; negotiable certificates of deposit; repurchase agreements; medium-term notes; money market mutual funds; notes, bonds or other obligation secured by a first priority security interest in securities authorized under Government Code Section 53651; and mortgage passthrough securities, collateralized mortgage obligations, and other asset – backed securities. CalTrust's Short-Term Fund has a target portfolio duration of 0 to 2 years and CalTrust's Medium-Term Fund has a target portfolio duration of 0 to 4 years. At June 30, 2016 the Short-Term Fund investments matured in an average of 409 days and the Medium-Term Fund investments matured in an average of 752 days.

Money market funds and mutual funds are available for withdrawal on demand and as of June 30, 2016 have an average maturity from 4 to 48 days.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 3 - CASH AND INVESTMENTS (Continued)

H. Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the actual rating as of June 30, 2016 for each investment type:

Investment Type	AAAm	AAf	AA+	Total
Federal Agency Securities			$17,031,440	$17,031,440
Money Market Mutual Funds (U.S. Securities)	$46,468,677			46,468,677
CalTrust Short Term Fund		$14,101,923		14,101,923
Totals	$46,468,677	$14,101,923	$17,031,440	77,602,040
Exempt From Rating:				
U.S. Treasury Bills				515,020
Not Rated:				
California Local Agency Investment Fund				22,621,817
Investment Agreement				1,039,778
Guaranteed Investment Contracts				1,189,001
Certificates of Deposit - Negotiable				755,361
Money Market Mutual Funds (U.S. Securities)				138,039
CalTrust Medium Term Fund				81,419
Reassessment Bonds				11,370,000
Total Investments				115,312,475
Cash in Banks and On Hand				34,814,823
Total Cash and Investments				$150,127,298

I. Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. As of June 30, 2016, the book value of the City's cash with banks and petty cash was $34,787,097 and the associated bank balances were $43,758,063. Of the City's bank balances of $43,758,063 as of June 30, 2016, $790,467 was exposed to custodial credit risk, because it was not collateralized beyond the FDIC insurance limit as discussed in note 3A above.

NOTE 3 - CASH AND INVESTMENTS (Continued)

J. Fair Value Hierarchy

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure fair value of the assets. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The following is a summary of the fair value hierarchy of the fair value of investments of the City as of June 30, 2016:

Investment Type	Level 1	Level 2	Total
Investments Measured at Fair Value:			
Federal Agency Securities		$17,031,440	$17,031,440
U.S. Treasury Bills	$515,020		515,020
California Local Agency Investment Fund		22,621,817	22,621,817
CalTrust Short Term Fund		14,101,923	14,101,923
CalTrust Medium Term Fund		81,419	81,419
Certificates of Deposit - Negotiable		755,361	755,361
Total Investments Measured at Fair Value	$515,020	$54,591,960	55,106,980
Investments Measured at Amortized Cost:			
Money Market Funds			138,039
Held by Trustee:			
Investment Agreement			1,039,778
Guaranteed Investment Contracts			1,189,001
Reassessment Bonds			11,370,000
Money Market Funds			46,468,677
Total Investments			$115,312,475

U.S. Treasury Bills, classified in Level 1 of the fair value hierarchy, are valued based on quoted prices in active markets for identical assets. Federal agency securities and negotiable certificates of deposit, classified in Level 2 of the fair value hierarchy, are valued using matrix pricing techniques maintained by various pricing vendors. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices. These prices are obtained from various pricing sources by our custodian bank. The Local Agency Investment Fund are classified in Level 2 is valued based on the fair value factor provided by the Treasurer of the State of California, which is calculated as the fair value divided by the amortized cost of the investment pool. The investments in CalTrust, classified in Level 2 of the fair value hierarchy, are valued based on the fair value factor provided by CalTrust, which is calculated as the average cost to net asset value per share of the Fund. At June 30, 2016, the fair value approximated the City's cost. Fair value is defined as the quoted market value on the last trading day of the period.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 3 - CASH AND INVESTMENTS (Continued)

K. Concentration of Credit Risk

Investments in the securities of any individual issuer, other than U. S. Treasury securities, mutual funds, and external investment pools that represent 5% or more of total Government-wide investments are as follows at June 30, 2016:

Issuer	Type of Investments	Amount
Federal National Mortgage Association	Federal Agency Securities	$5,994,510
Federal Home Loan Mortgage Corporation	Federal Agency Securities	4,997,300

Significant investments in the securities of any individual issuers, other than U. S. Treasury securities, in Fiduciary Funds at June 30, 2016 were as follows:

Fiduciary Funds	Issuer	Type of Investment	Amount
Agency Funds:			
2006 A&B Reassessment District	City of Richmond JPFA	Municipal Bonds	$8,415,000
JPFA Reassessment	City of Richmond JPFA	Municipal Bonds	2,955,000

NOTE 4 - INTERFUND TRANSACTIONS

A. Current Interfund Balances

Current interfund balances arise in the normal course of business and represent short-term borrowings occurring as a result of expenditures which are paid prior to the receipt of revenues. These balances are expected to be repaid shortly after the end of the fiscal year when revenues are received. Current amounts due from one fund to another at June 30, 2016 were as follows:

Due From Other Funds	Due To Other Funds	Amount
General Fund	Richmond Housing Authority Enterprise Fund	$119,442
Internal Service Fund	Cost Recovery Special Revenue Fund	7,393,526
	Community Development and Loan Programs Special Revenue Fund	1,455,710
	Civic Center Debt Service Fund	1,453,842
	Richmond Housing Authority Enterprise Fund	2,002,638
	Port of Richmond Enterprise Fund	2,990,374
	Non Major Governmental Funds	2,005,338
	Non Major Enterprise Fund	1,835,081
	Internal Service Fund	1,388,415
	Total	$20,644,366

NOTE 4 - INTERFUND TRANSACTIONS (Continued)

B. Long-Term Interfund Advances

At June 30, 2016 the funds below had made advances which were not expected to be repaid within the next year.

Fund Receiving Advance	Fund Making Advance	Amount of Advance
Richmond Housing Authority Enterprise Fund	Community Development and Loan Programs Special Revenue Fund	$174,067
	Municipal Sewer Enterprise Fund	901,396
	Non Major Enterprise Fund	167,451
Port of Richmond Enterprise Fund	General Fund	14,480,730
Non Major Enterprise Fund	Internal Service Funds	2,213,421
	Total	$17,937,065

In fiscal 2007, the former Redevelopment Agency advanced $174,067 to the Richmond Housing Authority Enterprise Fund, collateralized by a deed of trust on the Westridge at Hilltop Apartments, to assist the Authority with its lease payments for the 2003 A-S Multifamily Housing Revenue Bonds. The loan bears interest of 3%. In fiscal 2012, the advance receivable was transferred to the City as Housing Successor to the former Redevelopment Agency and is recorded in the Community Development and Loan Programs Special Revenue Fund.

In fiscal years 2007 through 2014, the General Fund and the Municipal Sewer and Storm Sewer Enterprise Funds made advances to the Richmond Housing Authority Enterprise Fund for police, sewer, and other services as well as the Housing Authority's employee payroll. The advance repayment terms were amended in April 2010 and the advance bears no interest and was payable in 135 monthly installments of $30,000 and one final installment of $22,446 on or before August 1, 2021. On June 28, 2011 the agreement was amended to make the monthly payments $50,000 for the remaining 71 payments, starting July 1, 2011, and one final installment of $36,634. However, in lieu of monthly payments, repayment may be in a lump sum on August 1, 2021. During fiscal year 2013, $6,600,000 of the advance was assumed by RHA Properties and is classified as a loan receivable, as discussed in Note 5, and the remaining balance of the interfund advance as of June 30, 2016 is $1,068,847.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 4 - INTERFUND TRANSACTIONS (Continued)

In fiscal 2006 the General Fund established repayment terms for its advance of $17,139,855 to the Port of Richmond Enterprise Fund to assist the Port with various lease transactions and other projects. The advance did not bear interest for the first three years; the next five years it bore an interest rate of 4%, with the balance payable on or before June 30, 2015. The advance repayment terms were amended in October 2013, effective June 30, 2013, to convert the accrued unpaid interest of $745,119 to principal and reduce the advance balance by $842,877, and the advance no longer bears interest. Annual principal payments of $150,000 are due beginning June 30, 2014 through June 30, 2066, with a final principal payment of $32,593 due on June 30, 2067, and in addition to those payments, the annual berthing cost of the vessel Red Oak Victory at the Port that is to be paid by the General Fund will instead offset and reduce the principal balance of the advance based on an established rental schedule. Historical rental payments from August 2004 to June 30, 2012 totaling $842,877 were applied to the principal balance of the loan as of June 30, 2013. Another provision of the amended agreement provides that upon the sale of any Port property, including Terminal One and Terminal Four, the proceeds from the sale are to be used to repay and reduce the principal balance of the advance. The balance of the advance as of June 30, 2016 is $14,480,730.

In fiscal 2008 the General Fund advanced $1,758,342 to the Storm Sewer Enterprise Fund for the purpose of providing a clean storm sewer system and street sweeping activities. In fiscal year 2009 the advance was moved to the Insurance Reserves Internal Service Fund. The advance bears interest of 4.34% and is payable as follows: Semi-annual principal and interest payments in the amount of $52,460 are to be made April 30 and December 31 of each year commencing in December 2009 until December 2038. The final interest payment of $52,298 and the outstanding principal balance is due April 30, 2039. The Storm Sewer Enterprise Fund did not make the required payments during fiscal years 2015 or 2016, therefore unpaid interest of $146,982 was added to the balance of the loan. The balance of the advance and accrued interest as of June 30, 2016 is $2,213,421.

C. Transfers Between Funds

With Council approval, resources may be transferred from one City fund to another. The purpose of the majority of the transfers is to move General Fund resources to provide an annual subsidy to the Cost Recovery Fund and other non-major governmental funds, as well fund debt service, pension costs and capital projects. Transfers between funds during the fiscal year ended June 30, 2016 were as follows:

Fund Receiving Transfers	Fund Making Transfers	Amount Transferred
General Fund	Non Major Governmental Funds	$2,590,044
	Non Major Enterprise Funds	500,000
Cost Recovery Fund	General Fund	3,623,129
	Non Major Governmental Funds	100,678
	Non Major Enterprise Funds	100,000
Community Development and Loan Programs Fund	General Fund	147,593
Civic Center Debt Service Fund	General Fund	1,235,584
Non Major Governmental Funds	General Fund	1,401,258
	Non Major Governmental Funds	2,425,880
Internal Service Funds	General Fund	567,040
	Total Interfund Transfers	$12,691,206

NOTE 4 - INTERFUND TRANSACTIONS (Continued)

None of these transfers were unusual or non-recurring in nature, except for the transfer from the Secured Pension Override Special Revenue Fund to the General Fund in the amount of $1,635,842 to fund current year pension contributions to PERS, which is included in transfers from Non-Major Governmental Funds.

D. Internal Balances

Internal balances are presented in the Government-wide financial statements only. They represent the net interfund receivables and payables remaining after the elimination of all such balances within governmental and business-type activities.

CITY OF RICHMOND

Miraflores Loan	1,208,258
Subtotal - CDBG, HOME, EDA and CALHome Loans	14,264,709
Housing Successor Loans:	
Rental Rehabilitation Loans	20,000
The Carquinez Project	1,152,510
Creely Avenue Housing Rehabilitation Loan (Arbors)	2,004,284
Lillie Mae Jones Project Loan	2,156,081
Miraflores Loan	471,044
MacDonald Place Senior Housing	4,078,511
Heritage Park Development	115,291
Silent Second Mortgage Loans	1,849,161
Chesley Avenue Mutual Housing Development	4,741,492
Easter Hill Project	4,957,921
Infill Phase II Loan	159,305
RHA RAD Project Loan	1,070,522
Subtotal - Housing Successor Loans	22,776,122
RHA Properties Loans	2,500,000
Total Notes and Loans Receivable	$42,315,696

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

CalTrans Loan

The total of $566,389 consists of two loans from the City of Richmond to Richmond Neighborhood Housing Services. These are pass-through loans from CalTrans for the construction of 27 new homes located in North Richmond.

Police Chief Loan

Under the Resolution Number 169-05, the City made a long-term loan of $150,000, and a short-term loan of $50,000, for a total loan amount of $200,000, to finance the acquisition of the Police Chief's personal residence located within the City of Richmond. The loan is secured by a deed of trust on the property. The loan is due upon sale of the property, within eighteen months after the Police Chief's employment with the City terminates, or fifteen years from the date of the loan, whichever occurs first. The Police Chief left the City in January 2016, and although he continues to make the scheduled loan payments under the terms of the agreement the loan is due in July 2017. The loan bears a variable interest rate from the date of disbursement until repaid in full at an amount equal to the average annual interest rate of the California State Treasurer's Office Local Agency Investment Fund, adjusted effective as of each annual anniversary date of the close of escrow of the Property purchased by the Police Chief. The short-term loan of $50,000 was repaid during fiscal year 2006.

Groundwork Richmond

On May 10, 2013 the City entered into an agreement to loan $9,995 in cash flow assistance to Groundwork Richmond. Groundwork Richmond is a local non-profit organization dedicated to helping the City of Richmond reach its goals for improving the outdoor environment, and to engaging local residents in specific outdoor improvement projects. The loan bears interest of 1.42% and was due on December 31, 2013. The loan was amended in December 2014 to extend the repayment date to June 30, 2015 and the loan was again amended in December 2015 to extend the repayment date to June 30, 2017.

RHA RAD Project

In December 2014, the General Fund loaned $700,000 to the Richmond Housing Authority Enterprise Fund for predevelopment costs related to the Triangle Court and Friendship Manor Rental Assistance Demonstration (RAD) Projects.

In December 2015, the loan agreement was replaced and the City entered into an amended agreement to loan $5,400,000 to the RHA Housing Corporation for the furtherance of the development of the RAD Projects as discussed in Note 16L. Funding for the loan is as follows: $1,162,000 from the City's General Fund, $3,138,000 will come from the Community Development and Loan Programs Fund and $1,100,000 from the Housing Successor funds. RHA Housing Corporation assigned the loan agreement and associated obligations to RHA RAD Housing Partners L.P. on December 22, 2015 upon closing of the financing for the rehabilitation of the RAD projects. See Note 16L for additional information related to the RAD projects. The loan is secured by a leasehold deed of trust, assignment of rents and security agreement. The loan bears simple interest of 1% and the loan is repayable from residual receipts, as defined in the loan agreement, starting May 1 of the year after issuance of the Certificate of Completion, and unpaid principal and accrued interest is due December 1, 2070. As noted above, $700,000 of the General Fund loan was disbursed in December 2014. As of June 30, 2016, $1,070,522 of the funds had been drawn down from the Housing Successor.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

Richmond Neighborhood Stabilization Loans

The Richmond Neighborhood Stabilization Corporation (RNSC) operates a residential rehabilitation loan program financed by Department of Housing and Urban Development grants that have passed through the City under its Neighborhood Stabilization Program (NSP1) and additional allocation under the third round of funding referred to as (NSP3). The program provides affordable home ownership opportunities for households of low and moderate income by facilitating the development financing necessary for the purchase, rehabilitation, and resale of deed-restricted affordable ownership units. During fiscal year 2014, the City foreclosed on seven of the loans with a carrying value of $780,153 and reacquired the properties which have been recorded as property held for resale as discussed in Note 2I. As of June 30, 2016, the total balance of outstanding loans for NSP1 was $895,384 and no NSP3 loans had been issued. Loans are payable upon the resale of improved properties.

East Bay Center for the Performing Arts

On June 12, 2009 the former Redevelopment Agency entered into an agreement to loan $2,500,000 to the East Bay Center (Center) for the Performing Arts to fund renovations to the Winters Building. The East Bay Center for the Performing Arts is a California nonprofit public benefit corporation that offers programs and training in theater, music and dance. The loan bore interest of 3% per year and repayments of accrued interest was due in quarterly installments. The Center made a payment of $1,100,000 prior to January 31, 2012. Due to the dissolution of the Redevelopment Agency effective January 31, 2012 as discussed in Note 18, the balance of the loan was evaluated and it was determined that although the Redevelopment Agency implemented and administered the loan, the Insurance Internal Service Fund had funded the loan via an interfund advance and therefore the interfund advance was repaid in fiscal year 2012 by transferring the loan receivable to the Insurance Internal Service Fund. The agreement with the Center was amended on June 27, 2012, to reduce the interest rate to 0% and extend the repayment of the remaining $1,400,000 to June 30, 2016.

On February 18, 2014, the agreement was amended a second time to extend the maturity date of the loan to June 30, 2018 and to provide an annual grant from the City in the amount of $200,000 for the next five years beginning in June 2014. The annual grant will be used to reduce the balance of the loan each fiscal year.

Mechanics Bank Loans

Loans are amortized home improvement loans to low and moderate income borrowers and are repaid at 3% per annum. CDBG loan contracts are forwarded to Mechanics Bank for servicing.

Deferred Loans

Deferred loans are granted to low and moderate income families to assist them in purchasing their homes. Emergency repair loans not exceeding $10,000 funded by the HOME Investment Partnership Program (HIPP) are provided to low income families in Richmond to assist them in rehabilitating their existing housing units. These loans are required to be repaid over a period of 15 years to 30 years.

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

Home Improvement Program Loans

"Silent second" mortgage loans are provided to low and moderate income first time homebuyers as gap financing to provide the minimum amount needed to close the gap between the primary lender's requirements and the borrower's ability to pay down payments or closing costs.

Home improvement program loans include amortized loans to assist low income families in Richmond in the improvement of their homes. The interest rates for these loans range from 0% to 3% and are payable over a period of 15 to 30 years.

Rental Rehabilitation Loans

Rental Rehabilitation Loans help make rental units affordable to low and very low income housing families. Loans assist private and non-profit owners in purchasing and rehabilitating existing multifamily housing units.

Scattered Site Infill Housing Development (Infill Phase II)

Under a loan agreement dated September 30, 2010, the City loaned Community Housing Development Corporation of North Richmond $1,198,013 to fund construction of 36 townhomes to be made available for very-low and low income households. Funding for the loan was as follows: $602,556 in HOME funds, $266,000 in CDBG funds and $329,457 in CDBG-R. Although the developer has not drawn down all of the proceeds from the HOME funds portion of the loan, the Department of Housing and Urban Development (HUD) has indicated that future drawdowns will not be reimbursed by the grantor. The current funding was for predevelopment activities in conjunction with the construction and development of the townhomes. The loan is secured by a deed of trust on the property. The outstanding balance of the loan bears simple interest at the rate of 3% per year. The payment of principal and interest is deferred and due at the end of the term due September 30, 2065. As of June 30, 2016, $1,265,733 had been drawn down on the loan.

The Carquinez Project

Under a loan agreement dated November 14, 2008, the former Redevelopment Agency loaned Carquinez Associates, L.P. $1,000,000 to fund rehabilitation of a five story building, with 36 apartments housing low-income seniors. On August 23, 2010 the agreement was amended to provide the Developer with a total amount of $1,301,000. Funding for the loan is as follows: $1,152,510 funded by Series 2007 Bonds and $148,900 funded by CDBG. Repayments on the loan are to be made from residual receipts as defined in the agreement. The loan does not bear interest and the unpaid principal balance is due in November 2043. With the dissolution of the Redevelopment Agency as discussed in Note 17, the City agreed to become the successor to the Redevelopment Agency's housing activities and as a result City, as Housing Successor, assumed the loans receivable of the Redevelopment Agency's Low and Moderate Income Housing Fund, including the balance of the Carquinez loan as of February 1, 2012.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

Creely Avenue Housing Rehabilitation (Arbors)

On September 15, 2006, the former Redevelopment Agency and the City loaned Arbors Preservation Limited Partnership the amount of $2,558,557, to construct extremely low, very low and low income rental housing units and a new community room on Creely Avenue. On October 31, 2008, the loan was amended to provide the developer a total loan amount of $3,208,113. Funding for the loan is as follows: $2,026,612 in HOME funds, $97,397 in CDBG funds and $1,594,057 in 2007 Series B bond funds. Although the developer has not drawn down all of the proceeds from the HOME funds portion of the loan, the Department of Housing and Urban Development (HUD) has indicated that future drawdowns will not be reimbursed by the grantor. The loan bears simple interest at the rate of 3% per year. All unpaid principal and interest on the loan is due on April 29, 2063. With the dissolution of the Redevelopment Agency as discussed in Note 17, the City agreed to become the successor to the Redevelopment Agency's housing activities and as a result the City, as Housing Successor, assumed the loans receivable of the Redevelopment Agency's Low and Moderate Income Housing Fund, including the balance of the Arbors loan as of February 1, 2012.

Lillie Mae Jones Project

On January 19, 2010, the former Redevelopment Agency and the City entered into an agreement with Lillie Mae Jones Plaza, L.P. and the Community Housing Development Corporation of North Richmond to loan $3,119,000 to construct and provide 26 housing units to very low and low income households. Funding for the loan is as follows: $1,081,291 in HOME funds, $84,000 in Section 108 funds and $1,953,709 in 2007 Series B bonds. Although the developer has not drawn down all of the proceeds of the HOME funds portion of the loan, HUD has indicated that future drawdowns will not be reimbursed by the grantor. The loan bears an interest rate of 3% per year and repayments on the loan are to be made from residual receipts as defined in the agreement. All unpaid principal and accrued interest is due in January 2065. The agreement was amended in November 2011, due to securing a $293,884 loan from County of Contra Costa with Mental Health Services Act, which specifies that two units are required to be available to and occupied by Mental Health Services Act Eligible Tenants pursuant to the County Regulatory Agreement with Lillie Mae Jones Plaza, L.P. With the dissolution of the Redevelopment Agency as discussed in Note 17, the City agreed to become the successor to the Redevelopment Agency's housing activities and as a result the City, as Housing Successor, assumed the loans receivable of the Redevelopment Agency's Low and Moderate Income Housing Fund, including the balance of the Lillie Mae Jones loan as of February 1, 2012. As of June 30, 2016, Lillie Mae Jones has drawn down $3,111,038.

Nevin Court Homeowner Development Project

In May 2005, the City entered into an agreement with Community Housing and Development Corporation of North Richmond (Development), in the original amount of $227,000 to construct and develop 10 single family homes for low and moderate income households. The agreement was amended in November 2008, to increase the loan to $377,000. In fiscal year 2010, the Development drew down $343,839, and the outstanding balance of the loan is $457,327, which includes accrued interest of $113,488. The loan bears interest of 3% per year and the unpaid balance is due in November 2063.

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

EDA Loans

The Agency's Revolving Loan Fund (RLF) is a community based program with the goal of fostering local economic growth through the creation and retention of employment opportunities for Richmond residents and complementing community and individual development initiatives. With the dissolution of the Redevelopment Agency as discussed in Note 17, the EDA loan program that was funded with grant funds from the Economic Development Administration is now administered by the City effective February 1, 2012.

CALHome Program

The CALHome loan program provides housing assistance to Richmond residents to assist with first-time homeowner down payments or rehabilitation projects for owner-occupied homes. The loans are secured by deeds of trust on the properties. Principal and interest on the loans are deferred for 30 years, unless otherwise specified in the promissory note. With the dissolution of the Redevelopment Agency as discussed in Note 17, the CALHome loan program that was funded with grant funds is now administered by the City effective February 1, 2012.

Miraflores Loan

Under an amended loan agreement dated June 21, 2011, the City agreed to loan Community Housing Development Corporation of North Richmond and Eden Housing, Inc., $1,465,000 to fund the construction of 110 senior housing units for low and moderate income residents. Funding for the loan is as follows: $449,000 in CDBG funds, $925,000 in HOME funds, and $91,000 Redevelopment Agency Low and Moderate Income Housing Fund funds. Although the developer has not drawn down all of the proceeds of the HOME funds portion of the loan, HUD has indicated that future drawdowns will not be reimbursed by the grantor. With the dissolution of the Redevelopment Agency as discussed in Note 17, the portion of the Miraflores loan that was funded by the Redevelopment Agency's Low and Moderate Income Housing Fund was assumed by the City as Housing Successor. The loan does not bear interest and the unpaid principal balance was due September 22, 2015, unless it was converted to a permanent loan. The loan was converted into a permanent loan on June 25, 2015. As of June 30, 2016, $1,679,302 of the loan had been drawn down.

Housing Successor Loans

With the dissolution of the Redevelopment Agency as discussed in Note 17, the City agreed to become the successor to the Redevelopment Agency's housing activities and as a result City, as Housing Successor, assumed the loans receivable of the Redevelopment Agency's Low and Moderate Income Housing Fund, including the balance of certain loans discussed above and all of the loans below as of February 1, 2012.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

MacDonald Place Senior Housing

On June 26, 2007, the former Redevelopment Agency agreed to loan MacDonald Housing Partners, L.P., and Richmond Labor and Love Community Development Corporation the amount of $4,720,000, to construct senior housing units, a management office, small meeting rooms and ancillary retail use, and a separate space for community services. The loan's principal is due 57 years from the date of disbursement. The loan bears simple of interest of 2% per year payable from any residual receipts available from the prior calendar year with an additional 1% per year, but only to the extent that funds are available to pay such contingent interest from the Agency's share of residual receipts, as defined in the agreement.

Heritage Park Development

In 1999, the former Redevelopment Agency loaned Hilltop Group, LP a total of $500,000, collateralized by deeds of trust and bearing interest at an effective rate of 1½% starting September 2004. The loans were used to finance the development of the Heritage Park Development in the City. Monthly installments of interest and principal in the total amount of $3,115 are payable through September 1, 2019.

Silent Second Mortgage Loans

Loans were provided to qualifying individuals for the difference between the amount received by the individuals who qualified for low and moderate income housing loans and the amount needed to purchase the homes. The loans are to be forgiven in the future if the property owners do not sell or refinance the property.

Chesley Avenue Mutual Housing Development

On December 1, 2003, the former Redevelopment Agency loaned Chesley Avenue Limited Partnership the amount of $4,741,492, to construct very low and low income housing units. The loan's principal is due in 2058; interest is payable starting May 1, 2006, at the rate of 2% per annum or in the amount of 95% of any residual receipts remaining from the prior year, whichever is less.

Easter Hill Project

The loan from the former Redevelopment Agency to Easter Hill Development, L.P. is providing financial assistance in the development of the Easter Hill Project. The Easter Hill Project consists of single and multifamily home components. Easter Hill Development, L.P. shall use the loan to pay for predevelopment, acquisition and construction costs. The outstanding balance of the loan bears simple interest at the rate of 2% per year. Repayments on the loan are to be made from residual receipts as defined in the agreement. All unpaid principal and accrued interest on the loan is due February 1, 2069.

NOTE 5 - NOTES AND LOANS RECEIVABLE (Continued)

RHA Properties Loans

In fiscal years 2007 through 2014, the General Fund made advances to the Richmond Housing Authority Enterprise Fund for police, sewer, and other services as well as the Housing Authority's employee payroll, as discussed in Note 4B, and RHA Properties assumed a portion of that advance during fiscal year 2013, which is now classified as a loan receivable.

On May 1, 2013, a Memorandum of Understanding (MOU) was reached between the Housing Authority and RHA Properties, which states that the RHA Properties shall provide resources derived from the sale proceeds of Westridge at Hilltop Apartments to pay a financial sanction imposed by the Office of the Inspector General (OIG) in an amount no less than $2,257,799 to the Housing Authority and to retire the outstanding debt owed to the General Fund by the Housing Authority in an amount no less than $6,600,000 upon disposition of Westridge at Hilltop Apartments by RHA Properties. Using the proceeds from the sale of Westridge at Hilltop Apartments, RHA Properties paid back to the City $7,717,728 of assumed debt during the fiscal year 2013-2014. Included in the repayment was the OIG Sanction debt of the $2,257,799, was fully repaid as of June 30, 2014.

As of June 30, 2014, the Housing Authority had invested $1,000,000 in start-up contributions and had advanced $966,183 to RHA Properties, which was used for debt service and operating expenses. The entire amount was repaid by RHA Properties from the proceeds of the disposition of the Westridge at Hilltop Apartments.

At June 30, 2014, total debt owed to the City of Richmond by the Authority was $3,687,450, out of which $2,500,000 was assumed by RHA Properties on behalf of the Authority, $1,187,450 remained with the Authority, which is included in the long term interfund advances in Note 4B.

Included in the $2,500,000 assumed by the RHA Properties was $1,359,929 of new debt owed by the Authority to the City of Richmond, which represented retroactive charges the City of Richmond billed during fiscal year 2013-2014 for the services the City had provided to the Authority prior to fiscal year 2013-2014. The entire amount of debt assumed by the RHA Properties is expected to be repaid from a $2,500,000 repair reserve fund held in an escrow account from the sale of Westridge. This fund was released to RHA Properties in August 2016.

The total balance of the General Fund loan receivable from RHA Properties as of June 30, 2016 is $2,500,000.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 6 - CAPITAL ASSETS

A. Policies

Capital assets are valued at historical cost or at estimated fair value on the date donated. If actual historical costs are not available, assets have been valued at approximate historical cost. The City's policy is to capitalize assets costing at least $5,000, and the Housing Authority's policy is to capitalize assets costing at least $1,000. Depreciation is recorded on a straight-line basis over the following estimated useful lives:

Improvements other than buildings	20 years
Buildings and building improvements	20 - 50 years
Vehicles	3 – 10 years
Infrastructure	25 - 50 years
Machinery and equipment	3 – 20 years

Infrastructure includes streets systems, parks and recreation lands and improvement systems, storm water collection systems, and buildings combined with site amenities such as parking and landscaped areas used by the City in the conduct of its business. Each major infrastructure system is divided into subsystems. For example, the street system includes pavement, curbs and gutters, sidewalks, medians, streetlights, traffic control devices such as signs, signals and pavement markings, landscaping and land. In the case of the initial capitalization of general infrastructure assets reported by governmental activities, the City chose to include all such items regardless of their acquisition date or amount.

Net interest costs incurred during the construction of capital assets for the business-type and proprietary funds are capitalized as part of the asset's cost.

NOTE 6 - CAPITAL ASSETS (Continued)

B. Current Year Activity

The following is a summary of capital assets for governmental activities:

	Balance at June 30, 2015	Additions	Retirements	Tranfers	Transfers from the Successor Agency	Balance at June 30, 2016
Governmental activities						
Capital assets not being depreciated:						
Land	$14,428,675			$300,278	$9,640,468	$24,369,421
Construction in progress	56,394,914	$17,528,925		(608,033)	5,328,244	78,644,050
Total capital assets not being depreciated	70,823,589	17,528,925		(307,755)	14,968,712	103,013,471

Business-type activity capital assets, net	$189,803,387	($1,320,073)	($14,358,255)	$174,125,059

As discussed in Note 16L, the Richmond Housing Authority transferred capital assets with a carrying value of $14,358,255 to the RHA RAD LLC during fiscal year 2016.

Business-type activities depreciation expenses for capital assets allocated to each program for the year ended June 30, 2016 were as follows:

Business-Type Activities	
Richmond Housing Authority	$1,621,696
Port of Richmond	3,510,058
Municipal Sewer	1,644,674
Richmond Marina	85,196
Storm Sewer	929,867
Cable TV	22,691
Total Business-Type Activities	$7,814,182

NOTE 7 – LONG-TERM DEBT OBLIGATIONS

Government-Wide Financial Statements – Long-term debt is reported as liabilities of the appropriate governmental or business-type activity.

Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable premium or discount. Issuance costs are expensed in the year incurred.

Fund Financial Statements – Proprietary fund financial statements report long-term debt under the same principles as the City-wide financial statements. Governmental fund financial statements do not present long-term debt.

Governmental funds report bond premiums, discounts and issuance costs in the year the debt is issued. Bond proceeds are reported as other financing sources net of premium or discount. Issuance costs are reported as debt service expenditures.

A. Governmental Activities

Following is a summary of governmental activities long-term debt transactions during the fiscal year ended June 30, 2016:

	Balance July 01, 2015	Additions (A)	Retirements (B)	Balance June 30, 2016	Due Within One Year	Due in More than One Year
Bonds payable	$243,613,224	$34,679,479	($8,003,545)	$270,289,158	$9,110,000	$261,179,158
Loans payable	12,970,813	1,543,516	(12,370,769)	2,143,560	146,727	1,996,833
Capital leases	9,295,123		(1,350,232)	7,944,891	1,062,525	6,882,366
Total	$265,879,160	$36,222,995	($21,724,546)	$280,377,609	$10,319,252	$270,058,357

(A) Additions to bonds payable include bond accretion for capital appreciation bonds totaling $4,895,860, new bonds payable in the amount of $28,390,000, and a new bond premium of $1,393,619. Additions to loans payable includes interest accrual of $1,543,516.

(B) Retirements of loans payable include the principal and accrued interest of the interest rate swaption - embedded loan due to the swap termination in the amount of $12,232,829.

NOTE 7 – LONG-TERM DEBT OBLIGATIONS (Continued)

Bonds Payable

Bonds payable at June 30, 2016 consisted of the following:

	Net
Pension Obligation Bonds - 1999 Series A	$9,580,000
Pension Funding Bond Series 2005	145,490,539
JPFA Lease Revenue Refunding Bonds - 2009	85,435,000
JPFA Lease Revenue Bonds - 2016	29,783,619
Total	$270,289,158

1999 Series A City of Richmond Taxable Limited Obligation Pension Bonds – Original Issue $36,280,000

The bonds were issued to fund a portion of the unfunded accrued actuarial liability in the City's pension plans together with the prepayment of certain pension benefit costs of the Beneficiaries and to pay the costs of issuance associated with the issuance of the bonds. Interest rates vary from 6.37% to a maximum of 7.39% and are payable semiannually on February 1, and August 1. The term bonds consist of $8,960,000 due August 1, 2020 with an interest rate of 7.57% and $3,435,000 due August 1, 2029 with an interest rate of 7.62%. The bonds are payable from certain pension tax override revenues received by the City from a special tax pursuant to City Council Ordinance 9-99 adopted by the City Council on March 30, 1999. Principal and interest paid for the current fiscal year and total pension tax override revenues were $2,413,430 and $7,813,191 respectively.

The annual debt service requirements on the bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$1,570,000	$667,499	$2,237,499
2018	1,520,000	550,543	2,070,543
2019	1,375,000	440,967	1,815,967
2020	885,000	355,426	1,240,426
2021	795,000	291,838	1,086,838
2022-2026	2,700,000	730,759	3,430,759
2027-2030	735,000	84,013	819,013
Total	$9,580,000	$3,121,045	$12,701,045

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

2005 Taxable Pension Funding Bonds – Original Issue $114,995,133

These Bonds were issued to prepay the unfunded liability of the Miscellaneous and Safety pension plans provided through the California Public Employees' Retirement System (See Note 10). The Bonds consist of three series as shown below:

						Index Rate Conversion Data		
Bond Type & Series	Initial Interest Rate	Less: Credit Adjust-ment	Adjusted Interest Rate	Maturity Date	Original Principal Amount	Full Accretion Date	Adjusted Subsequent Interest Rate	Adjusted Maturity Value
Current Interest - 2005A	5.9350%	-0.1000%	5.8350%	8/1/13	$26,530,000	n/a	n/a	n/a
Convertible Auction Rate Securities, Capital Appreciation Bonds -								
2005B-1	6.2550%	-0.1000%	6.1550%	8/1/23	47,061,960	8/1/13	1 month LIBOR + 1.4%	$66,058,000
2005B-2	6.5650%	-0.1000%	6.4650%	8/1/34	41,403,173	8/1/23	1 month LIBOR + 1.4%	127,968,000
					$114,995,133			$194,026,000

Credit Adjustment - The Bonds were issued on November 1, 2005 in a private placement at the initial interest rates. Included in the Indenture were provisions which adjust the initial interest rates on each series based on the City's meeting certain conditions. As a result of the City issuing its June 30, 2005 financial statements and receiving an upgraded credit rating of A3 by Moody's by May 1, 2006, the initial interest rates were reduced by 1/10th of one percent.

Current Interest Bonds - The Series 2005A Bonds were fully repaid during fiscal year 2015.

Capital Appreciation Bonds - The Series 2005B-1 Bonds and 2005B-2 Bonds are capital appreciation bonds, which means no interest is paid until the Adjusted Maturity Value is reached on the Full Accretion Date. Capital appreciation bonds are issued at a deep discount which then "accretes" over time. The discount on these bonds represented as the effective interest rate on each series is shown above.

Mandatory Index Rate Conversion – On the respective Full Accretion Date, the Series 2005B-1 or 2005B-2 Bonds convert from Capital Appreciation Bonds to Index Rate Bonds. From that date forward, the Bonds bear interest at a rate based on the 1 month LIBOR index plus 1.4%. This rate fluctuates according to the market conditions is limited to 17 percent per year. Following the applicable Full Accretion Date, interest on the converted bond series is due semiannually each February 1 and August 1. The Series 2005B-1 Bonds are due in annual installments from 2014 to 2023 ranging from $4,468,000 to $11,593,000. The 2005B-2 Bonds are due in annual installments from 2024 to 2034 ranging from $6,466,000 to $18,538,000.

Optional Auction Rate Conversion – On the respective Full Accretion Date, the 2005B-1 and the 2005B-2 Bonds may be converted to Auction Rate Bonds provided that certain conversion requirements are met. Auction rates fluctuate according to the market conditions is limited to a maximum 17 percent per year and a minimum of 80 percent of the LIBOR index rate. The Series 2005B-1 Bonds did not convert to auction rate bonds, and were instead converted to index rate bonds, as discussed above.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Swap Agreements - The City entered into two interest rate swap agreements related to the 2005B-1 and 2005B-2 Bonds. The interest rate swap related to the 2005B-1 Bonds became effective August 1, 2013 while the 2005B-2 Bonds does not become effective until August 1, 2023, in the same amount as the outstanding principal balances of the Bonds on that date. The combination of the variable rate bonds and a floating swap rate will create synthetic fixed-rate debt for the City. The synthetic fixed rate for the 2005B-1 Bonds was 6.913% at June 30, 2016. Because neither the variable rate nor the swap rates are effective for the 2005B-2 Bonds as of June 30, 2016 the initial bond interest rates discussed above are used for disclosure purposes.

At June 30, 2016, the Bonds consisted of the following:

	Maturity Value	Accretion/ Amortization	Unamortized Premium (Discount)	Net
Capital appreciation bonds	$194,026,000	$4,895,860	($53,431,321)	$145,490,539

The annual debt service requirements are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$5,660,000	$6,578,844	$12,238,844
2018	6,653,000	6,124,636	12,777,636
2019	7,720,000	5,597,091	13,317,091
2020	8,366,000	5,022,463	13,388,463
2021	9,458,000	4,374,913	13,832,913
2022-2026	41,354,000	13,346,922	54,700,922
2027-2031	47,351,000	8,177,872	55,528,872
2032-2035	67,464,000	2,063,759	69,527,759
Total	$194,026,000	$51,286,500	$245,312,500

Richmond Joint Powers Financing Authority Lease Revenue Refunding Bonds, Series 2009 – Original Issue - $89,795,000

On November 10, 2009, the Authority issued Series 2009 Lease Revenue Refunding Bonds in the amount of $89,795,000. The proceeds from the Bonds were used to refund and retire the outstanding principal amount of the Authority's 2007 Lease Revenue Bonds. The 2007 Bonds were used to finance a portion of the costs of the new Civic Center Project, and to refund a portion of the 1995A Joint Powers Financing Authority Revenue Refunding Bonds and the remaining principal amount of the 2001A Joint Powers Financing Authority Lease Revenue Bonds. The 2007 Bonds were also used to refund the remaining 1996 Port Terminal Lease Revenue Bonds. The 1995 A Bonds were called in November 2007 and the 2001 A Bonds were called in February 2011.

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

The Series 2009 Bonds in the principal amount of $85,435,000 have been recorded as governmental activities debt, and the business-type activities portion was fully repaid in fiscal year 2016 as discussed in Note 7B below.

The Bonds bear interest rates that range from 3.50% to 5.875%. Principal payments are due annually on August 1 through 2038 and semi-annual interest payments are due August 1 and February 1 commencing on February 1, 2010.

In connection with the issuance of the 2007 Lease Revenue Bonds, the Authority entered into a swap agreement for $101,420,000, the entire amount of the Bonds. On November 10, 2009, in connection with the issuance of the Series 2009 Bonds, the Authority terminated the original swap agreement and entered into an amended swap agreement effective December 1, 2009 for $85,360,000. The amended agreement required the Authority to make and receive payments based on variable interest rates. The Authority made payments based on a variable interest rate equal to 100% of SIFMA plus a fixed percentage of 0.56% and the Authority received variable rate interest payments equal to 68% of 1-month LIBOR from the swap counterparty. Floating rate payments were due semi-annually on August 1 and February 1 commencing on February 1, 2010.

On February 1, 2016, the interest rate swap agreement related to the 2009 Lease Revenue Refunding Bonds was terminated with the issuance of the Series 2016 Lease Revenue Bonds discussed below.

The annual debt service requirements on the Series 2009 Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$1,880,000	$5,340,030	$7,220,030
2018	1,970,000	5,237,835	7,207,835
2019	2,080,000	5,125,472	7,205,472
2020	2,190,000	5,006,882	7,196,882
2021	2,315,000	4,878,996	7,193,996
2022-2026	13,780,000	22,040,207	35,820,207
2027-2031	19,130,000	16,859,537	35,989,537
2032-2036	28,135,000	9,227,611	37,362,611
2037-2038	13,955,000	882,707	14,837,707
Total	$85,435,000	$74,599,277	$160,034,277

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Richmond Joint Powers Financing Authority Lease Revenue Bonds, Series 2016 – Original Issue - $28,390,000

On February 1, 2016, the Authority issued Series 2016 Lease Revenue Bonds in the amount of $28,390,000. The proceeds from the Bonds were used to pay the obligations of the City related to the termination of the interest rate swap agreement and the option on swap agreement (swaption) related to the Authority's Series 2009 Lease Revenue Refunding Bonds and to pay the costs associated with the issuance of the Series 2016 Bonds. On February 3, 2016 the interest rate swap agreement and the swaption related to the Series 2009 Bonds were terminated with a swap termination payment of $28,554,000.

The Bonds bear interest rates of 4.00% to 5.50%. Principal payments are due annually on November 1 through 2037 and semi-annual interest payments are due May 1 and November 1 commencing on May 1, 2016.

At June 30, 2016, the 2016 Bonds consisted of the following:

Bonds outstanding	$28,390,000
Unamortized premium	1,393,619
Total	$29,783,619

The annual debt service requirements are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017		$1,343,375	$1,343,375
2018		1,343,375	1,343,375
2019		1,343,375	1,343,375
2020	$235,000	1,337,206	1,572,206
2021	1,015,000	1,304,394	2,319,394
2022-2026	6,310,000	5,572,277	11,882,277
2027-2031	8,270,000	3,565,676	11,835,676
2032-2036	9,035,000	1,608,900	10,643,900
2037-2038	3,525,000	140,497	3,665,497
Total	$28,390,000	$17,559,075	$45,949,075

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Interest Rate Swap and Swaption Agreements

The City entered into interest swap agreements in connection with the 2005B-1 Taxable Pension Funding Bonds and the 2009 Lease Revenue Refunding Bonds. The transaction allows the City to create a synthetic fixed rate or a synthetic variable rate on the Bonds, protecting it against increases and decreases in short-term interest rates. The various risks associated with the swap agreements are disclosed below. For the swap agreement pertaining to the 2005B-2 Taxable Pension Funding Bonds, the disclosure is included below, but the swap agreement does not become effective until August 1, 2023. In February 2016, the interest rate swap agreement relating to the 2009 Lease Revenue Bonds was terminated using proceeds from the 2016 Lease Revenue Bonds.

The City entered into an option on swap agreement (swaption) in connection with the anticipated refunding of the 2009 Lease Revenue Refunding Bonds. In February 2016, the swaption was terminated using proceeds from the 2016 Series Lease Revenue Bonds. See further discussion of the swaption in the loans payable section of Note 7A below.

On May 13, 2015, Moody's Investor Services ("Moody's") downgraded the City's issuer rating from "A1" to "Baa1" and the rating on its 1999 Taxable Limited Obligation Pension Bonds from "A2" to "Baa2". In addition, the City and its Wastewater Enterprise bonds were placed under review for possible downgrades. On August 4, 2015, Moody's further downgraded the City's issuer rating from "Baa1" to "Ba1" and its rating on the City's Taxable Pension Obligation Bonds and 1999 Taxable Limited Obligation Pension Bonds ("POB's) from "Baa2". In addition, Moody's downgraded its rating on the City's Wastewater Revenue Bonds, Series 2006A to "Baa2" from "A2". On September 1, 2015, Standard and Poor's Rating Services ("S&P") lowered the City's Issuer Credit Rating from "AA-" to "BBB+" placing the City on CreditWatch. Other credit ratings downgrades included S&P's assigned underlying rating (SPUR) for the Wastewater Enterprise Fund that was lowered from "A+" to "BBB".

Moody's downgrade of the City's issuer rating to "Ba1" resulted in allowing the counterparty, JPMorgan Chase Bank, NA ("JPM") to declare an Additional Termination Event (ATE) with the interest rate swaps the City entered in conjunction with the 2005 Taxable POBs (2007 Swaps). This means that JPM could exercise a right to terminate the 2007 Swaps and demand immediate payment of an approximately $31.5 million settlement amount that represented the present value of the City's expected future performance obligations under the 2007 Swaps at the time of the ATE. The City entered into a restructuring of certain of its obligations through the issuance by the Richmond Joint Powers Financing Authority of Lease Revenue Bonds Series 2016A (tax-exempt) to fund the cost of terminating the Civic Center Swaps relating to the Richmond Joint Powers Financing Authority Series 2009 Civic Center Lease Revenue Bonds held by Royal Bank of Canada (RBC). RBC simultaneously entered into a novation of the 2007 Swaps with JPM. By terminating the Civic Center Swaps, the City reduced RBC's credit exposure to the City sufficiently to allow RBC to accept the additional credit exposure associated with stepping into JPM's position in the 2007 swaps through novation. Contemporaneous with the novation from JPM to RBC, RBC and the City amended and restated the 2007 Swaps, including eliminating the existence of the ATE by removing reference to a Moody's rating in the ATE provisions, reducing the Standard & Poor's rating threshold for a future ATE to BBB- from BBB and providing a mandatory early termination of the 2007 Swaps in 2023. The early termination will require the City to either refund or restructure the 2007 Swap at that date if a termination payment is due at the time. In addition, terminating the Civic Center Swaps eliminated the risk of an ATE with respect to the Civic Center Swaps, which require the City to maintain its Issuer Credit Rating at the current level of BBB+ to avoid an ATE.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

On August 4, 2015, the City received an updated issuer credit rating from S&P affirming the BBB+ issuer credit rating and removing the ratings from CreditWatch and noting that the outlook is stable, and the City's issuer credit rating from S&P was BBB+ as of June 30, 2016.

Terms. The terms, including the counterparty credit ratings of the outstanding swaps, as of June 30, 2016, are included below. The swap agreements contain scheduled reductions to the outstanding notional amount on an annual basis.

Pay-Fixed, Receive-Variable Swap Agreements

For the following Pay-Fixed, Receive-Variable swap agreements, the City owes interest calculated at a fixed rate to the counterparty of the swaps. In return, the counterparty owes the City interest based on a variable rate that *approximates* the rate required by the Bonds. Debt principal is not exchanged; it is only the basis on which the swap receipts and payments are calculated.

Pay-Fixed, Receive-Variable

Outstanding Notional Amount	Effective Date	Counterparty	Long-Term Credit Rating (S&P/Moody's/Fitch)	Fixed Rate Paid	Variable Rate Received	Fair Value at June 30, 2016	Termination Date
2005B-1 Taxable Pension Funding Bonds							
$66,068,745	8/1/2013	JPMorgan Chase Bank N.A.	A+/Aa3/AA-	5.712%	100% of USD- 3 Month LIBOR	($12,386,732)	8/1/2023
2005B-2 Taxable Pension Funding Bonds							
$127,990,254	8/1/2023	JPMorgan Chase Bank N.A.	A+/Aa3/AA-	5.730%	100% of USD-3 Month LIBOR	($28,461,260)	8/1/2034

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Fair value. Fair value of the swaps take into consideration the prevailing interest rate environment, the specific terms and conditions of each transaction and any upfront payments that may have been received. Fair value was estimated using the zero-coupon discounting method. This method calculates the future payments required by the swaps, assuming that the current forward rates implied by the LIBOR swap yield curve are the market's best estimate of future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for a hypothetical zero-coupon rate bond due on the date of each future net settlement on the swap. The swaps are classified in Level 2 of the fair value hierarchy, using a market approach that considers observable swap rates commonly quoted for the full term of the swaps.

As of June 30, 2016, the fair value for the each of the outstanding swaps was in favor of the respective counterparties. The fair value represents the maximum loss that would be recognized at the reporting date if the counterparty failed to perform as contracted. The City has accounted for the change in fair value of each of the ineffective hedges as noted below:

	Changes in Fair Value		Fair value at June 30, 2016	
	Classification	Amount	Classification	Amount
Governmental Activities				
Pay-Fixed, Receive-Variable				
2005B-1 Taxable Pension Funding Bonds	Investment revenue	$929,268	Investment	($12,386,732)
2005B-2 Taxable Pension Funding Bonds	Investment revenue	(13,097,260)	Investment	(28,461,260)
Civic Center Refunding Swaption Agreement	Investment revenue	3,512,877 **(A)**		0
Pay-Variable, Receive-Variable				
2009 Lease Revenue Refunding Bonds	Investment revenue	9,456,000 **(A)**		0
Totals		$800,885		($40,847,992)

(A) Civic Center Refunding Swaption Agreement and the 2009 Lease Revenue Bonds swap were terminated using proceeds from the 2016 Lease Revenue Bonds in February 2016. The change in fair value used fair value as of January 27, 2016, the closest available to the termination date.

Credit risk. The fair values of the swaps represent the City's credit exposure to the counterparties. As of June 30, 2016, the City was not exposed to credit risk on the outstanding swaps because the swaps had negative fair values. However, if *interest* rates change and the fair value of the swaps were to become positive, the City would be exposed to credit risk.

Interest rate risk. The City will be exposed to interest rate risk for the Pay-Fixed, Receive-Variable swaps only if the counterparty to the swaps defaults or if the swaps are terminated. As the SIFMA Municipal Swap Index Rate increases or the LIBOR decreases, the City's net payment on the swap increases.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Basis risk. Basis risk is the risk that the interest rate paid by the City on the underlying variable rate bonds to the *bondholders* temporarily differs from the variable swap rate received from the counterparty. The City bears basis risk on the Pay-Fixed, Receive-Variable swaps. The swaps have basis risk since the City receives a percentage of the LIBOR Index to offset the actual variable bond rate the City pays on the underlying Bonds. The City is exposed to basis risk should the floating rate that it receives on a swap be less than the actual variable rate the City pays on the bonds. Depending on the magnitude and duration of any basis risk shortfall, the expected cost of the basis risk may vary.

A portion of this basis risk is tax risk. The City is exposed to tax risk when the relationship between the taxable LIBOR based swap and tax-exempt variable rate bond changes as a result of a reduction in federal and state income tax rates. Should the relationship between LIBOR and the underlying tax-exempt variable rate bonds converge the City is exposed to this basis risk.

Termination risk. The City may terminate if the other party fails to perform under the terms of the contract. The City will be exposed to variable rates if the counterparties to the swap contracts default or if the swap contracts are terminated. A termination of the swap contracts may also result in the City's making or receiving a termination payment based on market interest rates at the time of the termination. If at the time of termination the swaps have a negative fair value, the City would be liable to the counterparty for a payment equal to the swap's fair value.

Swap payments and associated debt. Using rates as of June 30, 2016, debt service requirements of the City's outstanding fixed rate 2005 Taxable Pension Funding Bonds and net swap payments, assuming current interest rates remain the same for their term, are as follows. The 2005B-2 Bond is not included in the table, because the swap is not effective until August 1, 2023. As rates vary, net swap payments will vary.

2005 Taxable Pension Funding Bonds

For the Years	Variable-Rate Bonds		Interest Rate	
Ending June 30,	Principal	Interest	Swap, Net (A)	Total
2017	$5,660,000	$3,498,595	$3,080,249	$12,238,844
2018	6,653,000	3,376,868	2,747,768	12,777,636
2019	7,720,000	3,235,487	2,361,604	13,317,091
2020	8,366,000	3,081,488	1,940,975	13,388,463
2021	9,458,000	2,907,945	1,466,968	13,832,913
2022-2026	41,354,000	12,003,128	1,343,794	54,700,922
2027-2031	47,351,000	8,177,872		55,528,872
2032-2035	67,464,000	2,063,759		69,527,759
Total	$194,026,000	$38,345,142	$12,941,358	$245,312,500

(A) Includes only the 2005 B-1, because the 2005 B-2 is not effective until August 1, 2023.

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Loans Payable

Loans payable at June 30, 2016 consisted of the following:

CalTrans Home Loans	$477,074
California Energy Commission Loan #1	498,207
California Energy Commission Loan #2	1,168,279
	$2,143,560

CalTrans Home Loans – Original Amount $1,467,160

The City has a loan from CalTrans which it used to purchase 43 homes in 1991. These homes were resold to Richmond Neighborhood Housing Services in order to provide housing to very low, and low and moderate income persons. Interest on the loan is computed annually based upon the average rate of return by the Pooled Money Investment Board for the past five years. Payment of principal and interest for 16 of the homes is made in quarterly payments over a 40 year period. Payment of principal and interest for 27 of the homes is deferred at least for the period that each home was committed by CalTrans to be used as affordable housing, which varies from seven to ten years. When the payments mature for the 27 homes, the City has the option to either make the full payment of principal and interest to CalTrans or execute a promissory note to pay the balance in quarterly payments over thirty to thirty-three years.

California Energy Commission Phase 1 – Original Amount $621,558

On April 22, 2013, the City entered into a loan agreement with the California Energy Commission in the amount of $621,558. The purpose of the loan is to provide funding for the replacement of street lighting with new LED lights. The loan bears a 3% interest rate and is due in semi-annual payments in December and June through December 2025.

The annual debt service requirements on the loan are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$46,061	$14,605	$60,666
2018	47,453	13,213	60,666
2019	48,888	11,778	60,666
2020	50,338	10,328	60,666
2021	51,886	8,779	60,665
2022-2026	253,581	19,411	272,992
Total	$498,207	$78,114	$576,321

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

California Energy Commission Phase 2 – Original Amount $1,239,036

During fiscal year 2015, the City entered into a loan agreement with the California Energy Commission in the amount of $1,239,036. The purpose of the loan is to provide funding for the replacement of street lighting with new LED lights. The loan bears interest at 1% and is due in semi-annual payments in December and June through June 2030.

The annual debt service requirements on the loan are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$78,150	$11,488	$89,638
2018	78,933	10,705	89,638
2019	79,724	9,914	89,638
2020	80,499	9,139	89,638
2021	81,331	8,308	89,639
2022-2026	419,032	29,158	448,190
2027-2030	350,610	7,944	358,554
Total	$1,168,279	$86,656	$1,254,935

Option on Interest Rate Swap Agreement (Swaption)

On July 9, 2014 the Richmond Joint Powers Financing Authority entered into an option to enter a swap at a future date (swaption) agreement with the Royal Bank of Canada (RBC). The swaption counterparty, RBC, is the holder of the option and has the right, but not the obligation, to place the City into a pay-fixed, receive variable swap in the future. Upon entering into the swaption, the City received an up-front payment from RBC. The majority of the payment was a result of the option being in-the-money at inception, which means the written option has intrinsic value as the swaption's fixed rate is greater than the at-the-market rate. The remainder of the up-front payment reflects the time value that RBC pays for holding the option. To the City, the time value portion of the payment represents deferred investment revenue. This transaction was reported as a hybrid instrument. The intrinsic value of the swaption was considered a borrowing for financial reporting purposes and was treated as a liability or loan payable in the government-wide financial statements. Interest is accreted to the balance of the liability from inception through the swaption's exercise date. Thereafter, assuming the swaption was exercised, there would have been level amortization payments attributed to the borrowing. The other element of the hybrid instrument was measured at fair value. Fair value changes are reported within the investment revenue classification as noted in the Interest Rate Swaps section above.

The City entered into the swaption to effect a refunding of the Richmond Joint Powers Financing Authority Civic Center Project Lease Revenue Bonds, Series 2009, in order to realize substantial debt service savings. The Bonds are subject to early redemption on or after August 1, 2019, however due to the market's interest rates in July 2014, if the Authority refunded the bonds, the negative arbitrage associated with an advanced refunding would offset the potential debt service savings. The swaption agreement allowed the Authority to capture the estimated savings of the future refunding without issuing refunding bonds until a later date.

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

The swaption agreement was issued in the notional amount of $77,315,000 and the City received an upfront payment in the amount of $10,659,909, which represented the embedded loan payable, and incurred costs of issuance that resulted in a net cash payment of $9,386,000.

On February 1, 2016, the swaption was terminated with the issuance of the Series 2016 Bonds.

Interest of $1,543,516 accreted on the embedded loan during fiscal year 2016 and the balance of the loan as of February 1, 2016, the date of termination, was $12,232,829.

Capital Leases

Capital leases payable at June 30, 2016 consisted of the following:

Qualified Energy Conservation Lease	$757,717
JPFA Recovery Zone Economic Development Lease	911,716
Holman Capital Corporation Lease #2	534,132
Holman Capital Corporation Lease #3	212,648
Holman Capital Corporation Lease #4	1,472,162
Street Light Capital Lease	4,056,516
Total	$7,944,891

Qualified Energy Conservation Lease – Original Amount $1,052,526

On December 22, 2010 the City entered into a capital lease with Bank of America in the amount of $1,052,526 to finance the purchase and installation of energy conservation equipment at various City-owned buildings. The City received an allocation of the national Qualified Energy Conservation Bond which includes a direct subsidy from the United States Treasury for the interest payable on the bonds under the Hiring Incentives to Restore Employment Act (HIRE Act). The subsidy will be payable on or about the date that the City makes its debt service payments and is equal to 59.79% of the interest payable on the lease. The subsidy received in fiscal year 2016 was $15,567. The lease bears interest at a rate of 6.79% and principal and interest payments are due semi-annually each June 15 and December 15 commencing on December 15, 2011 through 2026.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS

Richmond Joint Powers Financing Authority Recovery Zone Economic Development Lease – Original Amount $1,316,000

On December 22, 2010 the Authority entered into a capital lease with Bank of America in the amount of $1,316,000 to finance the improvements to three of the City's fire stations and a senior center. The City agreed to lease the three fire stations to the Authority in exchange for lease payments in the amount of the debt. The Authority received the lease proceeds under an allocation of the National Recovery Zone Economic Development Bonds under the American Recovery and Reinvestment Act of 2009, which includes a direct subsidy from the United States Treasury for the interest payable on the Bonds. The lease subsidy will be payable on or about the date that the Authority makes its debt service payments and is equal to 45% of the interest payable on the lease upon filing of a request by the Authority. The total subsidy received in fiscal year 2016 was $26,481. The lease bears interest at a rate of 6.50% and principal and interest payments on the lease are due semi-annually each June 15 and December 15, commencing on June 15, 2011, through 2026.

The annual debt service requirements on the capital lease are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$82,169	$57,938	$140,107
2018	85,133	52,549	137,682

2020	91,385	41,182	132,567
2021	94,681	35,189	129,870
2022-2026	470,145	78,202	548,347
Total	$911,716	$312,026	$1,223,742

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Holman Capital Corporation Lease #1– Police and Fire Radios – Original Amount $2,711,743

On November 30, 2011, the City entered into a capital lease agreement with Holman Capital Corporation to finance police and fire department radios. The lease bears an interest rate of 2.47%. Principal and interest payments on the lease are due semi-annually on each May 31 and November 30 commencing on November 30, 2011 through 2015. The loan balance was fully repaid during the year ended June 30, 2016.

Holman Capital Corporation Lease #2 – Equipment – Original Amount $2,854,454

On June 1, 2012, the City entered into a capital lease agreement with Holman Capital Corporation to refinance two SunTrust leases for the acquisition of street sweeping vehicles and trucks, fire vehicles and related equipment and various other vehicles. The lease bears interest rates that range from 2.21% to 3.06%. Principal and interest payments on the lease are due semi-annually on each June 26 and December 26 commencing on June 26, 2012 through 2017.

The annual debt service requirements on the capital lease are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$353,378	$13,661	$367,039
2018	180,754	2,766	183,520
Total	$534,132	$16,427	$550,559

Holman Capital Corporation Lease #3 – Mall Directional Signs - Original Amount $502,500

On June 1, 2012, the City entered into a capital lease agreement with Holman Capital Corporation to finance the purchase of mall directional signs. The lease bears an interest rate of 3.35%. Principal and interest payments on the lease are due semi-annually on each June 26 and December 26 commencing on June 26, 2012 through 2019.

2027	83,346	1,063	84,409
Total	$4,056,516	$604,059	$4,660,575

B. Business-Type Activities

The following is a summary of long-term debt of business-type activities during the fiscal year ended June 30, 2016:

	Balance July 01, 2015	Additions (A)	Retirements	Balance June 30, 2016	Due Within One Year	Due in More than One Year
Bonds payable	$128,852,130		($4,859,272)	$123,992,858	$38,020,000	$85,972,858
Notes and Loans payable	2,861,189	$700,000	(78,062)	3,483,127	81,574	3,401,553
Total	$131,713,319	$700,000	($4,937,334)	$127,475,985	$38,101,574	$89,374,411

(A) Additions to loans payable include the transfer of an advance to long-term debt.

Bonds payable at June 30, 2016 consisted of the following:

Wastewater Revenue Bonds Series 2006A	$9,978,480
Wastewater Refunding Revenue Bonds 2008A	32,755,860
2009A Point Potrero Lease Revenue Bonds	26,672,598
2009B Point Potrero Lease Revenue Bonds	12,682,277
Wastewater Revenue Bonds Series 2010A	1,101,173
Wastewater Revenue Bonds Series 2010B	40,802,470
Total	$123,992,858

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Wastewater Revenue Refunding Bonds Series 2006A and 2006B – Original Issue $48,830,000

On October 17, 2006 the City issued $16,570,000 of Wastewater Revenue Bonds, Series 2006A and $32,260,000 of Wastewater Revenue Bonds, Series 2006B to refund the remaining $38,516,264 principal amount of the Wastewater Revenue Bonds, Series 1999 and to fund certain capital costs of the City's Wastewater Enterprise. Net proceeds were used to purchase U.S. government securities placed in an irrevocable trust to provide all the future debt service payments for the 1999 Wastewater Bonds. The outstanding defeased bonds were called during the fiscal year ended June 30, 2010. During the fiscal year ended June 30, 2009, the City issued $33,015,000 of Wastewater Revenue Refunding Bonds, Series 2008A to refund the 2006B Bonds.

At June 30, 2016, the Bonds consisted of the following:

Bonds outstanding:	$9,590,000
Unamortized premium	388,480
Net	$9,978,480

Principal and interest payments are due semi-annually on February 1 and August 1 of each year through August 2022 for the Series 2006A bonds. The annual debt service requirements on the 2006A Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$1,205,000	$377,000	$1,582,000
2018	1,265,000	321,575	1,586,575
2019	1,315,000	269,975	1,584,975
2020	1,365,000	216,375	1,581,375
2021	1,420,000	160,675	1,580,675
2022-2023	3,020,000	137,363	3,157,363
Total	$9,590,000	$1,482,963	$11,072,963

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Richmond Variable Rate Wastewater Revenue Refunding Bonds, Series 2008 A – Original Issue $33,015,000

On October 17, 2008 the City issued Series 2008A Wastewater Revenue Refunding Bonds in the amount of $33,015,000. The proceeds from the Bonds were used to refund the City's 2006B Wastewater Revenue Bonds. The 2008A Bonds were issued as variable rate Bonds. The rate fluctuates according to the market conditions, but is capped at 12%. Along with the issuance, the City entered into an irrevocable, direct-pay letter of credit issued by Union Bank of California in order to remarket the bonds at lower interest rates. The Union Bank letter of credit is valid through April 21, 2017, therefore the Bonds are reported as due in one year. The City originally entered into a 31-year interest rate swap agreement for the entire amount of the 2006B Bonds, and the City continued this interest rate swap agreement after the redemption of the 2006B Bonds, and the 2008A Bonds are associated with the interest rate swap agreement, but the notional amount of the swap is based on the 2006B Bonds. The combination of the variable rate bonds and a floating rate swap creates a synthetic fixed-rate debt for the City. The synthetic fixed rate for the Bonds was 3.820% at June 30, 2016.

At June 30, 2016, the Bonds consisted of the following:

Bonds outstanding	$32,915,000
Unamortized discount	(159,140)
Net	$32,755,860

The annual debt service requirements on the Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$32,915,000	$1,506,677	$34,421,677
2018		1,093,581	1,093,581
2019		1,093,581	1,093,581
2020		1,093,581	1,093,581
2021		1,093,581	1,093,581
2022-2026		5,130,610	5,130,610
2027-2031		3,640,920	3,640,920
2032-2036		1,766,984	1,766,984
2037-2039		94,409	94,409
Total	$32,915,000	$16,513,924	$49,428,924

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Richmond Joint Powers Financing Authority Lease Revenue Refunding Bonds, Series 2009 – Port Refunding Bonds Original Issue $2,673,455

On November 10, 2009, the Authority issued Series 2009 Lease Revenue Refunding Bonds in the amount of $89,795,000 as discussed in Note 7A above. The proceeds from the Bonds were used to refund the Authority's entire outstanding principal amount of its 2007 Lease Revenue Bonds. A portion of the proceeds from the 2007 Bonds were used to refund the remaining $3,865,000 principal amount of the 1996 Port Terminal Lease Revenue Bonds. The 1996 Bonds were called in March 2008. The Port of Richmond Enterprise Fund's Portion of the Refunding Bonds was fully repaid during the fiscal year ended June 30, 2016.

In connection with the issuance of the 2007 Lease Revenue Bonds, the Authority entered into a swap agreement for $101,420,000, the entire amount of the Bonds. On November 10, 2009, in connection with the issuance of the Series 2009 Bonds, the Authority terminated the original swap agreement and entered into an amended swap agreement effective December 1, 2009 for a notional amount of $85,360,000. The amended agreement requires the Authority to make and receive payments based on variable interest rates. The Authority will make payments based on a variable interest rate equal to 100% of SIFMA plus a fixed percentage of 0.56% and the Authority will receive variable rate interest payments equal to 68% of 1-month LIBOR from the swap counterparty. Floating rate payments were made semi-annually on August 1 and February 1 commencing on February 1, 2010. On February 3, 2016, the interest rate swap agreement was terminated as discussed in Note 7A above.

Interest Rate Swap Agreements

On November 19, 2009, the City terminated the swap agreement associated with the 2006B Wastewater Revenue Refunding Bonds discussed above by using the proceeds from a swap agreement that is based on the $32,260,000 notional amount of the 2006B Bonds. In connection with the 2009 swap agreement, the City received an up-front payment in the amount of $4,431,618 that was used to make the termination payment on the prior swap agreement. The fixed rate payments to the counterparty will be due semi-annually on August 1 and February 1, commencing February 1, 2010. The variable payments from the counterparty will be due on a monthly basis on the last business day of each month commencing December 31, 2009. The transaction allows the City to create a synthetic fixed rate on the 2008A Bonds, protecting it against increases in short-term interest rates. The terms, fair value and credit risk of the swap agreement are disclosed below.

The City also entered into a swap agreement associated with the 2009 Lease Revenue Refunding Bonds, for which the terms and risks are disclosed in Note 7A above. On February 3, 2016, the swap agreement was terminated with the issuance of the Series 2016 Lease Revenue Bonds. Only disclosure related to the change in the fair value of the 2009 Lease Revenue Bonds is included below.

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Terms. The terms, including the counterparty credit rating of the outstanding 2006B Bonds swap, as of June 30, 2016, are included below. The swap agreement contains scheduled reductions to the outstanding notional amount on an annual basis.

Outstanding Notional Amount	Effective Date	Counterparty	Long-Term Credit Rating (S&P/Moody's/Fitch)	Fixed Rate Paid	Variable Rate Received	Fair Value at June 30, 2016	Termination Date
$32,260,000	11/23/2009	Royal Bank of Canada	AA-/Aa3/AA	3.897%	63.42% of USD-1 Month LIBOR plus 22 basis points	($12,182,683)	8/1/2037

Based on the swap agreement, the City owes interest calculated at a fixed rate to the counterparty of the swap. In return, the counterparty owes the City interest based on the variable rate that *approximates* the rate required by the Bonds. Debt principal is not exchanged; the outstanding notional amount of the swap is the basis on which the swap receipts and payments are calculated.

Fair value. Fair value of the swaps take into consideration the prevailing interest rate environment, the specific terms and conditions of each transaction and any upfront payments that may have been received. Fair value was estimated using the zero-coupon discounting method. This method calculates the future payments required by the swap, assuming that the current forward rates implied by the LIBOR swap yield curve are the market's best estimate of future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for a hypothetical zero-coupon rate bond due on the date of each future net settlement on the swap. The swaps are classified as Level 2 of the fair value hierarchy, using a market approach that considers observable swap rates commonly quoted for the full term of the swaps.

As of June 30, 2016, the fair value for the each of the outstanding swaps were in favor of the respective counterparties. The fair value represents the maximum loss that would be recognized at the reporting date if the counterparty failed to perform as contracted. The City has accounted for the change in fair value of each of the ineffective hedges as noted below:

	Changes in Fair Value		Fair value at June 30, 2016	
	Classification	Amount	Classification	Amount
Business-Type Activities				
Pay-Fixed, Receive-Variable				
2006B Wastewater Bonds	Investment revenue	($3,190,683)	Investment	($12,182,683)
Pay-Variable, Receive-Variable				
2009 Lease Revenue Refunding Bonds	Investment revenue	12,292 **(A)**	Investment	0
Totals		($3,178,391)		($12,182,683)

(A) The 2009 Lease Revenue Refunding Bonds swap agreement was terminated with the issuance of the 2016 Lease Revenue Bonds in February 2016. The change in fair value is as of January 27, 2016, the closest available to the termination date.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Credit risk. As of June 30, 2016, the City was not exposed to credit risk on the outstanding swaps because the swaps had a negative fair value. However, if interest rates increase and the fair value of the swaps were to become positive, the City would be exposed to credit risk. The City will be exposed to interest rate risk only if the counterparty to the swap defaults or if the swap is terminated.

Basis risk. Basis risk is the risk that the interest rate paid by the City on the underlying variable rate bonds to the *bondholders* temporarily differs from the variable swap rate received from the counterparty. The City bears basis risk on the swap. The swap has basis risk since the City receives a percentage of the LIBOR Index to offset the actual variable bond rate the City pays on the underlying Bonds. The City is exposed to basis risk should the floating rate that it receives on a swap be less than the actual variable rate the City pays on the bonds. Depending on the magnitude and duration of any basis risk shortfall, the expected cost of the basis risk may vary.

A portion of this basis risk is tax risk. The City is exposed to tax risk when the relationship between the taxable LIBOR based swap and tax-exempt variable rate bond changes as a result of a reduction in federal and state income tax rates. Should the relationship between LIBOR and the underlying tax-exempt variable rate bonds converge the City is exposed to this basis risk.

Termination risk. The City may terminate if the other party fails to perform under the terms of the contract. The City will be exposed to variable rates if the counterparty to the swap contract defaults or if the swap contract is terminated. A termination of the swap contract may also result in the City's making or receiving a termination payment based on market interest rates at the time of the termination. If at the time of termination the swap has a negative fair value, the City would be liable to the counterparty for a payment equal to the swap's fair value.

Rollover Risk. Rollover risk is the risk that the swap associated with a debt issue matures or may be terminated prior to the maturity of the associated debt. When the swap terminates or a termination option is exercised by the counterparty, the City will be re-exposed to the risks being hedged by the swap. The swap based on the 2006B Wastewater Bonds, associated with the 2008A Wastewater Revenue Bonds, exposes the City to rollover risk because the swap terminates on August 1, 2037 while the 2008A Wastewater Revenue Bonds mature on August 1, 2038.

Swap payments and associated debt. Using rates as of June 30, 2016, debt service requirements of the City's outstanding variable-rate Bonds and net swap payments, assuming current interest rates remain the same for their term are as follows. As rates vary, variable-rate bond *interest payments* and net swap payments will vary. These payments below are included in the Debt Service Requirements above:

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

For the Years	Variable-Rate Bonds		Interest Rate	
Ending June 30,	Principal	Interest	Swap, Net	Total
2017	$32,915,000	$413,096	$1,093,581	$34,421,677
2018			1,093,581	1,093,581
2019			1,093,581	1,093,581
2020			1,093,581	1,093,581
2021			1,093,581	1,093,581
2022-2026			5,130,610	5,130,610
2027-2031			3,640,920	3,640,920
2032-2036			1,766,984	1,766,984
2037-2039			94,409	94,409
Total	$32,915,000	$413,096	$16,100,828	$49,428,924

Richmond Joint Powers Financing Authority Point Potrero Lease Revenue Bonds, Series 2009A and 2009B – Original Issue Series 2009A ($26,830,000), Series 2009B ($20,820,000)

On July 13, 2009, the Authority issued Series 2009A and Series 2009B Point Potrero Lease Revenue Bonds in the amounts of $26,830,000 and $20,820,000, respectively. The proceeds from the Bonds were used for the construction of an automobile warehousing and distribution facility, including rail improvements, to be located at the Point Potrero Terminal at the Port of Richmond. The facility began operations in April 2010. The Bonds bear interest rates that range from 6.25% to 8.50%. Principal payments are due annually on July 1 and semi-annual interest payments are due July 1 and January 1 commencing on January 1, 2010 through 2025 for the Series 2009A and through 2020 for the Series 2009B Bonds.

At June 30, 2016 the Series 2009A Bonds consisted of:

Bonds outstanding	$26,830,000
Unamortized discount	(157,402)
Net	$26,672,598

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

The annual debt service requirements on the 2009A Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017		$1,676,875	$1,676,875
2018		1,676,875	1,676,875
2019		1,676,875	1,676,875
2020		1,676,875	1,676,875
2021	$3,905,000	1,554,844	5,459,844
2022-2025	22,925,000	3,393,281	26,318,281
Total	$26,830,000	$11,655,625	$38,485,625

At June 30, 2016 the Series 2009B Bonds consisted of:

Bonds outstanding	$12,815,000
Unamortized discount	(132,723)
Net	$12,682,277

The annual debt service requirements on the 2009B Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$2,830,000	$956,838	$3,786,838
2018	3,065,000	709,419	3,774,419
2019	3,320,000	441,419	3,761,419
2020	3,600,000	151,031	3,751,031
Total	$12,815,000	$2,258,707	$15,073,707

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

Richmond Wastewater Revenue Bonds, Series 2010A and Richmond Wastewater Revenue Bonds Taxable Build America Bonds, Series 2010B– Original Issues $3,110,000 and $41,125,000

On October 7, 2010 the City issued Series 2010A Wastewater Revenue Bonds in the amount of $3,110,000. The proceeds from the Bonds were used to finance improvements to the City's wastewater collection, treatment and disposal system. Principal payments are due annually on August 1. Interest rates on the Bonds range from 3% to 4% and payments are due semiannually on August 1 and February 1 beginning February 1, 2011. The Bonds mature on August 1, 2016. At June 30, 2016 the Series 2010A Bonds consisted of:

Bonds outstanding	$1,070,000
Unamortized premium	31,173
Net	$1,101,173

The annual debt service requirements on the 2010A Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$1,070,000	$21,400	$1,091,400

On October 7, 2010 the City also issued Series 2010B Wastewater Revenue Bonds Taxable Build America Bonds in the amount of $41,125,000. The proceeds of these Bonds will be used in conjunction with the 2010A Bonds for the projects listed above. The taxable 2010B Bonds were sold as "Build America Bonds" pursuant to the American Recovery and Reinvestment Act of 2009. The interest on Build America Bonds is not tax-exempt and therefore the bonds carry a higher interest rate. However, this higher interest rate will be offset by a subsidy payable by the United States Treasury equal to 35% of the interest payable on the Bonds. The subsidy will be payable on or about the date that the City makes its debt service payments and the total subsidy received in fiscal year 2016 was $801,453. Principal payments on the Bonds will be made annually on August 1. The Bonds bear interest of rates that range from 3.757% to 6.461% and payments are due semiannually on August 1 and February 1 beginning February 1, 2011. The Bonds mature on August 1, 2040.

At June 30, 2016 the Series 2010B Bonds consisted of:

Bonds outstanding	$41,125,000
Unamortized discount	(322,530)
Net	$40,802,470

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

The annual debt service requirements on the 2010B Bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017		$2,463,546	$2,463,546
2018	$1,115,000	2,442,601	3,557,601
2019	1,145,000	2,397,359	3,542,359
2020	1,175,000	2,347,247	3,522,247
2021	1,210,000	2,293,638	3,503,638
2022-2026	6,665,000	10,454,991	17,119,991
2027-2031	8,005,000	8,328,448	16,333,448
2032-2036	9,790,000	5,516,724	15,306,724
2037-2041	12,020,000	2,005,172	14,025,172
Total	$41,125,000	$38,249,726	$79,374,726

Pledge of Wastewater Revenues

The City has pledged future wastewater customer revenues, net of specified operating expenses, to repay the 2006A, 2008A, 2010A and 2010B Bonds through 2041. The Municipal Sewer Enterprise Fund's total principal and interest remaining to be paid on the bonds is $140,968,013. The Municipal Sewer Enterprise Fund's principal and interest paid for the current year and total customer net revenues were $6,593,375 and $9,889,640, respectively.

Notes and Loans Payable

Notes and loans payable at June 30, 2016, consisted of the following:

California Department of Boating and Waterways	$2,783,127
RHA RAD Housing Partners L.P. Promissory Note	700,000
Total	$3,483,127

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

California Department of Boating and Waterways

The City has three loan agreements with the California Department of Boating and Waterways for total borrowings of $9,427,000. Proceeds from the loans were used to finance marina construction projects. The loans bear interest at rates ranging from 4.5% to 7.9% and are due in annual installments through August 2042. The total amount outstanding at June 30, 2016 was $2,783,127.

The annual debt service requirements on these loans are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$81,574	$125,241	$206,815
2018	85,246	121,570	206,816
2019	89,081	117,734	206,815
2020	93,090	113,725	206,815
2021	97,279	109,536	206,815
2022-2026	556,132	477,943	1,034,075
2027-2031	693,042	341,033	1,034,075
2032-2036	640,873	182,112	822,985
2037-2041	438,941	52,647	491,588
2042-2043	7,869	534	8,403
Total	$2,783,127	$1,642,075	$4,425,202

RHA RAD Housing Partners, LP Promissory Note

On December 17, 2014, the Housing Authority's Component Unit, RHA Housing Corporation, entered into an agreement with the City and promised to pay a principal amount of $700,000, plus accrued interest. The proceeds of the Note were then loaned from RHA Housing Corporation to the Housing Authority to finance acquisitions and development of the properties undergoing rehabilitation work in conjunction with a RAD conversion (Friendship Manor/Triangle Court). On December 22, 2015, the official closing of the RAD conversion took place, at which time the Note was assigned to a newly created entity, RHA RAD Housing Partners, L.P. The Note payable to the City was assigned from RHA Corporation to RHA RAD Housing Partners, L.P. along with a note receivable from the Housing Authority. The principle balance shall bear 1% simple interest. The term of the Note shall expire fifty-five years after. The balance of the promissory note at June 30, 2016 was $700,000.

In fiscal year 2015, the City had advanced the $700,000 to the Richmond Housing Authority Enterprise Fund, however, in fiscal year 2016 that loan was assigned to RHA RAD Housing Partners L.P. as discussed in Note 5. Therefore, the Richmond Housing Authority Enterprise Fund now owes this amount to RHA RAD Housing Partners L.P. and the interfund advance was converted to long-term debt in fiscal year 2016.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

C. Business-Type Activities – RHA Properties

The following is a summary of RHA Properties long-term debt activities during the fiscal year ended June 30, 2016:

	Balance July 01, 2015	Additions	Retirements	Balance June 30, 2016	Due Within One Year
Loans payable	$2,500,000			$2,500,000	$2,500,000

Loans Payable

In fiscal years 2007 through 2014, the General Fund made advances to the Richmond Housing Authority Enterprise Fund for police, sewer, and other services as well as the Housing Authority's employee payroll, as discussed in Note 4B, and RHA Properties assumed a portion of that advance during fiscal years 2013 and 2014, which is reported as a loan payable.

On May 1, 2013, a Memorandum of Understanding (MOU) was reached between the Housing Authority and RHA Properties, which states that the RHA Properties shall provide resources derived from the sale proceeds of the Westridge at Hilltop Apartments to pay a financial sanction imposed by the Office of the Inspector General (OIG) in an amount no less than $2,257,799 to the Housing Authority and to retire the outstanding debt owed to the General Fund by the Housing Authority in an amount no less than $6,600,000. Upon disposition of the Westridge at Hilltop Apartments, RHA Properties had paid back to the City $7,717,728 of assumed debt during fiscal year 2013-2014. Included in the repayment was the OIG Sanction debt of $2,257,799, which had been fully repaid as of June 30, 2014.

As of June 30, 2013, the Housing Authority had invested $1,000,000 in start-up contributions and had advanced $966,183 to RHA Properties, which was used for debt service and operating expenses. The entire amount was repaid by RHA Properties from the proceeds of the disposition of the Westridge at Hilltop Apartments.

At June 30, 2016, total debt owed to the City by the Authority related to the above activity was $5,571,485, of which $2,500,000 was assumed by RHA Properties on behalf of the Authority in fiscal year 2014; $3,071,485 remains with the Authority. Included in the $2,500,000 assumed by the RHA Properties was $1,359,929 of new debt owed by the Authority to the City, which represents retroactive charges the City billed during fiscal year 2013-2014 for the services the City had provided to the Authority prior to fiscal year 2013-2014. The entire amount of debt assumed by the RHA Properties is expected to be repaid from the $2,500,000 of repair reserve fund withheld in the escrow account associated with the sale of the Westridge at Hilltop Apartments when the fund is released to RHA Properties.

NOTE 7 - LONG-TERM DEBT OBLIGATIONS (Continued)

D. Special Assessment Debt Without City Commitment

Special assessment districts have been established in various parts of the City to provide improvements to properties located in those districts. Properties in these districts are assessed for the cost of improvements; these assessments are payable solely by property owners over the term of the debt issued to finance these improvements. The City is not legally or morally obligated to pay these debts or be the purchaser of last resort of any foreclosed properties in these special assessment districts, nor is it obligated to advance City funds to repay these debts in the event of default by any of these districts. At June 30, 2016, the balances of these Districts' outstanding debt were as follows:

Harbor Navigation Improvement District	$200,000
Richmond JPFA Reassessment Revenue Refunding Bonds, Series 2006A (including Series 2006AT)	7,420,000
Richmond JPFA Reassessment Revenue Refunding Bonds, Series 2006B	1,500,000
Richmond JPFA Reassessment Revenue Refunding Bonds, Series 2011A	2,955,000

E. Conduit Debt

The City has assisted private-sector entities by sponsoring their issuance of debt for purposes the City deems to be in the public interest. These debt issues are secured solely by the property financed by the debt. The City is not legally or morally obligated to pay these debts or be the purchaser of last resort of any foreclosed properties secured by these debts, nor is it obligated to advance City funds to repay these debts in the event of default by any of these issuers. At June 30, 2016, the balances of these issuers' outstanding debt were as follows:

Richmond Community Foundation, Richmond Housing Rehabilitation Program, Social Impact Bonds, Taxable Series 2015A	$3,000,000

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 8 - UNAVAILABLE REVENUE AND UNEARNED REVENUE

At June 30, 2016, the following unavailable revenues were recorded in the Fund Financial Statements because the funds were not available to finance expenditures of the current period:

	Loans Receivable	Grants Receivable	Total
General Fund	$483,019	$274,860	$757,879
Cost Recovery Special Revenue Fund		3,231,766	3,231,766
Community Development and Loan Programs Special Revenue Fund	15,869,463	2,640	15,872,103
Non-Major Governmental Funds	895,384	839,659	1,735,043
Total	$17,247,866	$4,348,925	$21,596,791

At June 30, 2016, the following unearned revenues were recorded in the City-wide financial statements on the Statement of Net Position:

	CAD Fees Enhancement	Prepaid Rent	Developer Fees & Other	Total
General Fund		$3,652,098	$647,288	$4,299,386
Cost Recovery Special Revenue Fund			1,513,086	1,513,086
Community Development and Loan Programs Special Revenue Fund			9,750	9,750
Civic Center Debt Service Fund		3,113,580		3,113,580
Non-Major Governmental Funds			887,766	887,766
Port of Richmond Enterprise Fund			500,000	500,000
Municipal Sewer Enterprise Fund			9,000	9,000
Internal Service Funds	$1,289,239			1,289,239
Total	$1,289,239	$6,765,678	$3,566,890	$11,621,807

NOTE 9 - FUND BALANCES AND NET POSITION

A. *Net Position*

In the City-wide financial statements, Net Position is classified as follows:

Net Investment in Capital Assets – This amount consists of capital assets net of accumulated depreciation plus deferred outflows of resources associated with the refunding of related capital debt, reduced by outstanding debt that was used for the acquisition, construction, or improvement of these capital assets.

Restricted Net Position – This amount is restricted by external creditors, grantors, contributors, laws or regulations of other governments. In addition net position restricted for pension benefits are restricted as a result of enabling legislation.

Unrestricted Net Position – This amount is all net position that do not meet the definition of "net investment in capital assets" or "restricted net position."

When an expense is incurred for purposes for which both restricted and unrestricted net position are available, the City's policy is to apply restricted net position first.

B. *Fund Balances*

Governmental fund balances represent the net current assets of each fund. Net current assets generally represent a fund's cash and receivables, less its liabilities.

The City's fund balances are classified based on spending constraints imposed on the use of resources. For programs with multiple funding sources, the City prioritizes and expends funds in the following order: Restricted, Committed, Assigned, and Unassigned. Each category in the following hierarchy is ranked according to the degree of spending constraint:

Nonspendable represents balances set aside to indicate items do not represent available, spendable resources even though they are a component of assets. Fund balances required to be maintained intact, such as Permanent Funds, and assets not expected to be converted to cash, such as prepaids, interfund advances and notes receivable are included. However, if proceeds realized from the sale or collection of nonspendable assets are restricted, committed or assigned, then nonspendable amounts are required to be presented as a component of the applicable category.

Restricted fund balances have external restrictions imposed by creditors, grantors, contributors, laws, regulations, or enabling legislation which requires the resources to be used only for a specific purpose.

Committed fund balances have constraints imposed by formal action of the City Council which may be altered only by the same formal action of the City Council. The highest level of formal action of the City Council is an Ordinance.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 9 - FUND BALANCES AND NET POSITION (Continued)

Assigned fund balances are amounts constrained by the City's intent to be used for a specific purpose, but are neither restricted nor committed. Intent is expressed by the City Council or its designee, the Finance Director, and may be changed at the discretion of the City Council or its designee, during the budget approval process or via budget amendments in accordance with the City's adopted budget policy. This category includes encumbrances; nonspendables, when it is the City's intent to use proceeds or collections for a specific purpose, and residual fund balances, if any, of Special Revenue, Capital Projects and Debt Service Funds which have not been restricted or committed.

Unassigned fund balance represents residual amounts that have not been restricted, committed, or assigned. This includes the residual general fund balance and residual fund deficits, if any, of other governmental funds.

Detailed classifications of the City's fund balances, as of June 30, 2016, are below:

		Special Revenue			Debt Service		
Fund Balance Classifications	General Fund	Cost Recovery	Community Development and Loan Programs	Environmental and Community Investment Agreement	Civic Center Debt Service	Other Governmental Funds	Total
Nonspendable:							
Items not in spendable form:							
Prepaids, supplies and other assets	$577,477					$550	$578,027
Loans receivable	3,346,462						3,346,462
Advance to other funds	14,480,730						14,480,730
Total Nonspendable Fund Balances	18,404,669					550	18,405,219
Restricted for:							
Street Improvement Projects						2,319,867	2,319,867
Employment and Training Programs						1,266,952	1,266,952
Public Safety Grant Programs (Police and Fire)						311,540	311,540
Lighting and Landscaping						973,922	973,922
Pension Obligations						2,468,263	2,468,263
Housing and Community Development			$24,147,170			560,588	24,707,758
Debt Service						7,827,246	7,827,246
Community Development Projects				$11,032,150			11,032,150
Other Capital Projects						2,844,549	2,844,549
Total Restricted Fund Balances			24,147,170	11,032,150		18,572,927	53,752,247
Assigned to:							
Other Capital Projects						431,867	431,867
Other Contracts	4,460						4,460
Total Assigned Fund Balances	4,460					431,867	436,327
Unassigned:							
General Fund	10,988,266						10,988,266
Other Governmental Fund Deficit Residuals		($9,278,322)			($3,627,374)	(918,737)	(13,824,433)
Total Unassigned Fund Balances	10,988,266	(9,278,322)			(3,627,374)	(918,737)	(2,836,167)
Total Fund Balances (Deficits)	$29,397,395	($9,278,322)	$24,147,170	$11,032,150	($3,627,374)	$18,086,607	$69,757,626

NOTE 9 - FUND BALANCES AND NET POSITION (Continued)

C. Contingency Reserve Policy

In fiscal year 2016, the City Council updated the fund balance policy to require the City to maintain a year-end contingency reserve balance of a minimum of 7% of the next year's budgeted General Fund expenditures. This is the minimum needed to maintain the City's creditworthiness and to adequately provide for economic and legislative uncertainties, cash flow needs and contingencies. City Council approval is required before any cash can be withdrawn from the reserve fund. The Council shall have the discretion to use the reserve for one time emergencies only and not to be used for ongoing expenses. At the time of City Council approval of any use of reserves, a Stabilization Policy laying out the plans for restoration of reserves must be simultaneously put in place with the Council's approval. The City's cash reserve as of June 30, 2016, which is a component of unassigned fund balance of the General Fund, is $5.9 million, which is approximately 4.1% of fiscal year 2016-17 budgeted General Fund expenditures. As the City experiences net revenue gains in future years, the cash balance must grow back to 7% of total expenditures, following the stabilization policy, in order to allow the City to build up its capacity to handle future short term economic downturns or emergencies without cutting services.

D. Deficit Fund Balances and Accumulated Deficits

At June 30, 2016, the following funds had deficit fund balance or deficit net position, which will be eliminated by future revenues:

Major Funds:	
Cost Recovery Special Revenue Fund	$9,278,322
Civic Center Debt Service Fund	3,627,374
Non Major Governmental Funds:	
Paratransit Operations Special Revenue Fund	825,324
Developer Impact Fees Special Revenue Fund	93,413
Non Major Enterprise Funds:	
Storm Sewer	2,610,616
Cable TV	1,689,535
Internal Service Fund:	
Insurance Reserves	12,797,568
Compensated Absences	1,388,415
Private-Purpose Trust Fund:	
Successor Agency to the Richmond Community Redevelopment Agency	67,642,836

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS

NOTE 10 – CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM PENSION PLANS

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Plans and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by the California Public Employees' Retirement System (CalPERS) Financial Office. For this purpose, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms. Investments are reported at fair value.

A. General Information about the CalPERS Pension Plan

Plan Descriptions – All qualified permanent and probationary employees are eligible to participate in the City's separate Safety (police and fire) and Miscellaneous (all other) Plans, agent multiple-employer defined benefit pension plans administered by CalPERS, which acts as a common investment and administrative agent for its participating member employers. Benefit provisions under the Plans are established by State statute and City resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Benefits Provided – CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

The City's employees hired on or before December 31, 2012 participate in the Miscellaneous Plan under the 2.7% @ 55 Benefit Formula or the Safety Plan under the 3.0% @ 50 (Police) or 3.0% @ 55 (Fire) Benefit Formula. The Pension Reform Act of 2013 (PEPRA), Assembly Bill 340, is applicable to employees new to CalPERS and hired after December 31, 2012. The City's employees hired on or after January 1, 2013 participate under the Miscellaneous Plan 2.0% @ 62 Benefit Formula or the 2.7% @ 57 (Police and Fire) Benefit Formula.

NOTE 10 – CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM PENSION PLANS (Continued)

The Plans' provisions and benefits in effect at June 30, 2016, are summarized as follows:

	Miscellaneous	
Hire date	Prior to January 1, 2013	On or after January 1, 2013
Benefit formula	2.7% @ 55	2.0% @ 62
Benefit vesting schedule	5 years service	5 years service
Benefit payments	monthly for life	monthly for life
Retirement age	50 - 55	52 - 67
Monthly benefits, as a % of eligible compensation	2.0% to 2.7%	1.0% to 2.5%
Required employee contribution rates	8.00%	6.75%
Required employer contribution rates	22.070%	22.070%

	Safety - Police	Safety - Fire	Safety - Police and Fire
Hire date	Prior to January 1, 2013	Prior to January 1, 2013	On or after January 1, 2013
Benefit formula	3.0% @ 50	3.0% @ 55	2.7% @ 57
Benefit vesting schedule	5 years service	5 years service	5 years service
Benefit payments	monthly for life	monthly for life	monthly for life
Retirement age	50	50 - 55	50 - 57
Monthly benefits, as a % of eligible compensation	3.00%	2.4% to 3.0%	2.0% to 2.7%
Required employee contribution rates	9.00%*	9.00%*	12.25%
Required employer contribution rates	33.264%*	33.264%*	33.264%

* Effective July 1, 2015, Safety (Police and Fire) employees hired prior to January 1, 2013 pay 3% of the employer's required contribution. Therefore, the required employer contribution rate is 30.264% and required employee contribution rate is 12%.

Employees Covered – As of the June 30, 2014 actuarial valuation date and the June 30, 2015 measurement date, the following employees were covered by the benefit terms for each Plan:

	Miscellaneous		Safety	
	June 30, 2014	June 30, 2015	June 30, 2014	June 30, 2015
Inactive employees or beneficiaries currently receiving benefits	876	883	450	467
Inactive employees entitled to but not yet receiving benefits	489	503	77	76
Active employees	494	472	264	260
Total	1,859	1,858	791	803

As of June 30, 2016, the City had 460 active employees in the Miscellaneous Plan and 258 active employees in the Safety Plan.

Contributions – Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 10 – CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM PENSION PLANS (Continued)

B. Net Pension Liability

The City's net pension liability for each Plan is measured as the total pension liability, less the pension plan's fiduciary net position. The net pension liability of each of the Plans is measured as of June 30, 2015, using an annual actuarial valuation as of June 30, 2014 rolled forward to June 30, 2015 using standard update procedures. A summary of principal assumptions and methods used to determine the net pension liability is shown below.

Actuarial Assumptions – For the measurement period ended June 30, 2015, the total pension liabilities were determined by rolling forward the June 30, 2014 total pension liability. The June 30, 2015 total pension liabilities were based on the following actuarial methods and assumptions:

	Miscellaneous (1)	Safety (1)
Valuation Date	June 30, 2014	June 30, 2014
Measurement Date	June 30, 2015	June 30, 2015
Actuarial Cost Method	Entry-Age Normal Cost Method	Entry-Age Normal Cost Method
Actuarial Assumptions:		
Discount Rate	7.65%	7.65%
Inflation	2.75%	2.75%
Payroll Growth	3.0%	3.0%
Projected Salary Increase	3.2% - 12.2% (2)	3.4% - 20.0% (2)
Investment Rate of Return	7.65% (3)	7.65% (3)
Mortality	Derived using CalPers Membership Data for all Funds (4)	Derived using CalPers Membership Data for all Funds (4)
Post Retirement Benefit Increase	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter	Contract COLA up to 2.75% until Purchasing Power Protection Allowance Floor on Purchasing Power applies, 2.75% thereafter

(1) Actuarial assumptions are the same for all benefit tiers
(2) Depending on age, service and type of employment
(3) Net of pension plan investment expenses, including inflation
(4) The mortality table used was developed based on CalPERS' specific data. The table includes 5 years of mortality improvements using Society of Actuaries Scale AA. For more details on this table, please refer to the CalPERS 2010 experience study report available on CalPERS website.

All other actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period 1997 to 2011, including updates to salary increase, mortality and retirement rates. The Experience Study report can be found on the CalPERS website under Forms and Publications.

Change of Assumptions – GASB 68, paragraph 68 states that the long long-term expected rate of return should be determined net of pension plan investment expense, but without reduction for pension plan administrative expense. The discount rate of 7.50% used for the June 30, 2014 measurement date was net of administrative expenses. The discount rate of 7.65% used for the June 30, 2015 measurement date is without reduction of pension plan administrative expense. All other assumptions for the June 30, 2014 measurement date were the same as those used for the June 30, 2015 measurement date.

NOTE 10 – CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM PENSION PLANS (Continued)

Discount Rate – The discount rate used to measure the total pension liability was 7.65% for each Plan. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. Therefore, the current 7.65% discount rate is adequate and the use of the municipal bond rate calculation is not necessary. The long term expected discount rate of 7.65% is applied to all plans in the Public Employees Retirement Fund (PERF). The stress test results are presented in a detailed report that can be obtained from the CalPERS website under the GASB 68 section.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Such cash flows were developed assuming that both members and employers will make their required contributions on time and as scheduled in all future years. Using historical returns of all the funds' asset classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11-60 years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equivalent to the single equivalent rate calculated above and rounded down to the nearest one quarter of one percent.

The table below reflects the long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. These geometric rates of return are net of administrative expenses.

Asset Class	New Strategic Allocation	Real Return Years 1 - 10(a)	Real Return Years 11+(b)
Global Equity	51.0%	5.25%	5.71%
Global Fixed Income	19.0%	0.99%	2.43%
Inflation Sensitive	6.0%	0.45%	3.36%
Private Equity	10.0%	6.83%	6.95%
Real Estate	10.0%	4.50%	5.13%
Infrastructure and Forestland	2.0%	4.50%	5.09%
Liquidity	2.0%	-0.55%	-1.05%
Total	100.0%		

(a) An expected inflation of 2.5% used for this period.
(b) An expected inflation of 3.0% used for this period.

C. Changes in the Net Pension Liability

The changes in the Net Pension Liability as of the June 30, 2015 Measurement Date for each Plan follows:

Miscellaneous Plan:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
Balance at June 30, 2014	$430,968,811	$343,397,537	$87,571,274
Changes in the year:			
Service cost	7,446,410		7,446,410
Interest on the total pension liability	31,414,256		31,414,256
Differences between actual and expected experience	(5,280,549)		(5,280,549)
Changes in assumptions	(7,116,200)		(7,116,200)
Changes in benefit terms			
Plan to plan resource movement		(6,885)	6,885
Contribution - employer		7,189,716	(7,189,716)
Contribution - employee		3,141,565	(3,141,565)
Net investment income		7,502,958	(7,502,958)
Administrative expenses		(379,925)	379,925
Benefit payments, including refunds of employee contributions	(23,302,793)	(23,302,793)	
Net changes	3,161,124	(5,855,364)	9,016,488
Balance at June 30, 2015	$434,129,935	$337,542,173	$96,587,762

Safety Plan:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
Balance at June 30, 2014	$539,798,444	$429,405,680	$110,392,764
Changes in the year:			
Service cost	10,142,245		10,142,245
Interest on the total pension liability	40,142,006		40,142,006
Differences between actual and expected experience	3,799,388		3,799,388
Changes in assumptions	(9,563,090)		(9,563,090)
Changes in benefit terms			
Plan to plan resource movement		3,476	(3,476)
Contribution - employer		10,652,641	(10,652,641)
Contribution - employee		3,797,568	(3,797,568)
Net investment income		9,408,186	(9,408,186)
Administrative expenses		(477,249)	477,249
Benefit payments, including refunds of employee contributions	(28,747,508)	(28,747,508)	
Net changes	15,773,041	(5,362,886)	21,135,927
Balance at June 30, 2015	$555,571,485	$424,042,794	$131,528,691
Totals - Miscellaneous and Safety Plans	**$989,701,420**	**$761,584,967**	**$228,116,453**

NOTE 10 – CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM PENSION PLANS (Continued)

Sensitivity of the Net Pension Liability to Changes in the Discount Rate – The following presents the net pension liability of the City for each Plan, calculated using the discount rate for each Plan, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	Miscellaneous	Safety
1% Decrease	6.65%	6.65%
Net Pension Liability	$149,934,428	$203,757,842
Current Discount Rate	7.65%	7.65%
Net Pension Liability	$96,587,762	$131,528,691
1% Increase	8.65%	8.65%
Net Pension Liability	$52,188,541	$71,974,250

Pension Plan Fiduciary Net Position – Detailed information about each pension plan's fiduciary net position is available in the separately issued CalPERS financial reports.

D. Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions

For the year ended June 30, 2016, the City recognized pension expense of $13,099,772. At June 30, 2016, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Pension contributions subsequent to measurement date	$19,577,382	
Differences between Expected and Actual Experience	2,772,526	($2,984,658)
Changes of Assumptions		(11,000,671)
Net Differences between Projected and Actual Earnings on Pension Plan Investments		(7,222,633)
Total	$22,349,908	($21,207,962)

$19,577,382 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2017. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year Ended June 30	Annual Amortization
2017	($12,085,599)
2018	(8,312,675)
2019	(6,228,383)
2020	8,191,221
2021	0
Thereafter	0

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 11 – OTHER CITY PENSION PLANS

A. Plan Descriptions and Funding Policies

The City administers three single-employer pension plans which are funded entirely by City contributions. These are the General Pension Plan, Police and Firemen's Pension Plan, and Garfield Pension Plan (collectively, the "Plans"). The General Pension Plan, a defined benefit pension plan, covers seventeen former City employees (or their beneficiaries) not covered by CalPERS, all of whom have retired. The Police and Firemen's Pension Plan, a defined benefit pension plan, covers forty-four retired police and fire personnel (or their beneficiaries) employed prior to October 1964. The Garfield Pension Plan is a defined benefit pension plan established for a retired police chief. The Plans provide retirement, disability, and death benefits based on the employee's years of service, age and final compensation. Benefit provisions for the Plans are established by City Ordinance. No separate financial statements are issued for the Plans.

The City established the Secured Pension Override Special Revenue Fund to which proceeds of a special incremental property tax levy voted by the citizens of the City of Richmond are credited for the payment of benefits under the City's pension plans. The incremental property tax revenue received for the year ended June 30, 2016 was $7,813,191, and the City used the funds to pay the General Pension Plan and the Police and Firemen's Pension Plan contributions of $73,592 and $1,222,197, respectively.

General Pension Plan – Retirement and other benefits are paid from the assets of the Plan and from related investment earnings. The City is required under its charter to contribute the remaining amounts necessary to fund the Plan using the entry age-normal actuarial method as specified by Ordinance. Management of the Plan is vested in the General Pension Board which consists of seven members:, the Mayor, City Manager, Director of Finance, two members appointed by the Mayor, with the concurrence of five members of the City Council, each of whom shall be and remain a resident of the City in order to be a member of the Board and serve a term of five years, and two members to be elected every five years by secret ballot vote of the rank and file of Plan employees and of Plan employees who have retired and are receiving pensions from the Plan. Four members of the General Pension Board are to be concurred in by four members.

The Plan is closed to new members. Retirement benefits for Plan members are calculated as one-half of the average annual salary attached to the position held by the retiree during the three years prior to the date of retirement. Surviving spouses receive 100% of the retiree's pension. Benefit terms provide for annual cost-of-living adjustments to each member's retirement allowance subsequent to the member's retirement date. The annual adjustments are an automatic increase of 2% per year. City Council may grant additional increases of up to 3% per year to bring the total increase in a given year to 5%.

Police and Firemen's Pension Plan – Funding for the Plan is provided from the Secured Pension Override Special Revenue Fund. Employees were vested after five years of service. Members of the Plan are allowed normal retirement benefits after 25 or more continuous years of service. The City is required under its charter to contribute the remaining amounts necessary to fund the Plan using the entry age-normal actuarial method as specified by Ordinance. Management of the Plan is vested in the Pension Board which consists of seven members: the Mayor, City Manager, Director of Finance, two members appointed by the Mayor, with the concurrence of four members of the City Council, each of whom shall be and remain a resident of the City in order to be a member of the Board and serve a term of five years, one representative of the Police Department and one representative of the Fire Department.

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

The Plan is closed to new members. Retirement benefits for Plan members are calculated as one-half of the annual salary attached to the rank or position held by the retiree one year prior to the date of retirement. Surviving spouses receive 100% of the retiree's pension. Benefit terms provide for annual cost-of-living adjustments to each member's retirement allowance subsequent to the member's retirement date. The annual adjustments are an increase each year for changes in the salary attached to the retiree's rank in the year before retirement.

Garfield Pension Plan – Retirement and other benefits are paid from the assets of the Plan and from related investment earnings. Plan provisions have been established and may be amended upon agreement between the City and Mr. Garfield. Management of the Plan is vested in the City Council.

Mr. Garfield's pension and any continuation to his spouse receive the same cost-of-living increases as the City's police employees covered by CalPERS. (CalPERS cost-of-living increases include a 2% per year increase, subject to CPI increase constraints, and purchasing power protection through the CalPERS Purchasing Power Protection Allowance.) Mr. Garfield's surviving spouse receives 50% of the retiree's pension.

B. Significant Accounting Policies

City contributions for all plans are recognized when due and the City has made a formal commitment to provide contributions. Benefit payments and refunds are recognized when due and payable in accordance with the terms of the Plan. Administrative costs for all plans, except the investment management fees of the Police and Fireman's Pension Plan, are paid by the City's General Fund. The investment management fees are financed through investment earnings. Assets are valued at fair value based on available market information obtained from independent sources.

C. Pension Plan Assets

At June 30, 2016 the pension plans reported assets available for benefits as shown below. For actuarial purposes, the value of the Plans' assets were determined to be fair value.

City of Richmond Investment Pool	$2,581,820
Local Agency Investment Fund (Garfield Plan)	173,059
Wellington Trust Company Fund (Police and Firemen's Plan)	11,121,486
Interest receivable	2
Assets available for benefits at June 30, 2016	$13,876,367

The City of Richmond Investment Pool, classified in Level 2 of the fair value hierarchy, is valued using each Plan's share of the investment pool. The California Local Agency Investment Fund (LAIF), classified in Level 2 of the fair value hierarchy, is valued using the fair value factor provided by the Treasurer of the State of California, which is calculated as the fair value divided by the amortized cost of the investment pool. The Wellington Trust Company Fund investments, classified in Level 2 of the fair value hierarchy, are valued using the market approach, which uses prices and other information generated from market transactions, which typically includes securities priced with unadjusted market quotes, evaluated bids, market multiples, and trade information, and also generally includes short term securities valued at amortized cost which approximates market value. Fair value is defined as the quoted market value on the last trading day of the period.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

Investment Policies

The General Pension and Police and Firemen's Pension Plans' policies in regard to the allocation of invested assets is established and may be amended by Resolution of the respective Boards. The Plans allow investments in the following:

(a) In investments which are authorized by General law for savings banks.

(b) In investments other than those specified in subdivision (a) hereof, including, but not limited to, corporate bonds and securities, common stocks, preferred stocks, investments in real estate and investment trusts, provided that the total amount invested pursuant to this subdivision shall not exceed fifty percent (50%) of the total amount of funds invested pursuant to this section, and provided further that the following conditions are met:

(1) Any stocks or other corporate securities, in which funds are invested, except stocks of banks, insurance companies or mutual funds, shall be registered on a national securities exchange as provided by the Federal Securities Exchange Act.
(2) The total amount invested in common and preferred stocks shall not exceed at cost at the time of purchase twenty-five percent of the total amount invested pursuant to this section.
(3) The total amount invested in the common and preferred stocks of any one company shall not exceed at cost of the time of purchase two percent of the total amount invested pursuant to this section and shall not exceed five percent of the outstanding preferred or common stock of that company.
(4) No funds shall be invested in the common stocks of any company unless it has paid cash dividends on such stocks in eight of the ten years immediately preceding its purchase by the Board.
(5) No funds shall be invested in the stocks or other securities of any company other than a bank or insurance company unless it has assets of at least one hundred million dollars ($100,000,000), or in the stocks or other securities of a bank or insurance company unless it has assets of at least fifty million dollars ($50,000,000).
(6) The total amount invested in real estate and other than real estate owned by or leased to the City of Richmond, which amount may include land, buildings, land and buildings or real estate loans, shall not exceed twenty-five percent of the total amount invested pursuant to this section and such investments shall be restricted to first trust deeds which are insured by the Federal Housing Administration or which are guaranteed by the Veterans Administration.

The Garfield Pension Plan does not have a separate investment policy, therefore it uses the City's investment policy.

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

Interest, Credit and Concentration Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Normally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The City invests in equities which may be drawn down as needed, subject to terms of the underlying trust agreement. The investments held in the Pension Trust Funds all mature in less than one year.

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. As of June 30, 2016 the investments in the Pension Trust Funds were not rated.

Concentration risk states that significant investments in the securities of any individual issuers, other than U. S. Treasury securities or mutual funds, are required to be disclosed when they exceeds five percent of the total pension investments. Only the Police and Fire Pension Plan had investment concentration risk and such investments were as follows at June 30, 2016:

Issuer	Type of Investment	Amount
CIF II Core Bond Series 1 Equity	Equity Fund	$3,923,862
CIF Research Equity	Equity Fund	2,256,060
CIF Opportunistic Investment Allocation Equity	Equity Fund	1,677,734
CIF International Research Equity	Equity Fund	1,606,261
CIF Global Contrarian Equity	Equity Fund	1,097,285
CIF Small Cap Quant Equity	Equity Fund	560,284

Rate of Return

For the year ended June 30, 2016, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, for the Police and Firemen's, General Pension and Garfield Pension Plans was -1.2%, 0.3% and 0.4%, respectively. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

D. Net Pension Liability of the Plans

The components of the net pension liability of the City for each of the Plans is the total pension liability, less each Plan's fiduciary net position.

Actuarial Assumptions. The total pension liability as of June 30, 2016 was determined based on June 30, 2015 actuarial valuations, rolled forward to June 30, 2016 using standard update procedures. The following actuarial assumptions applied to all periods included in the measurement:

	Police and Firemen's Plan	General Pension Plan	Garfield Pension Plan
Discount rate, net of investment expenses	5.75%	3.00%	3.00%
Expected return on plan assets	5.75%	3.00%	3.00%
Inflation rate	2.75%	2.75%	2.75%
Cost-of-living increases	3% per year	5% per year	2% per year
Actuarial cost method	Entry age normal	Entry age normal	Entry age normal
Salary increases	N/A	N/A	N/A

Mortality rates were based on the California PERS Mortality Table in its 2014 experience study (based on CalPERS 2001-2011 experience).

Discount Rates. The discount rates used to measure the total pension liability for the Police and Firemen's Pension Plan, General Pension Plan and Garfield Pension Plan were 5.75%, 3.00%, and 3.00%, respectively, as of June 30, 2015 and 2016.

For the Police and Firemen's Pension Plan, based on the 5 previous years the City has on average contributed 77% of the Actuarially Determined Contribution (ADC). A sufficiency test was performed including: (1) expected benefit payments for all future years; (2) assuming that 77% of the ADC is contributed to the Plan in future years; (3) assuming that future contribution losses are amortized according to the Plan's funding policy; (4) using the Plan's assumed investment return before the projected asset depletion (if any); and (5) using a 20-year AA tax-exempt general obligation municipal bond index rate of 2.85% (using as a municipal bond rate source the Bond Buyer GO 20-Year Municipal Bond Index as of June 30, 2016) after the projected asset depletion. Based on these parameters, plan assets are projected to be sufficient to pay all future benefits until a deminimus amount of estimated future benefits remain. Therefore, the Plan's long-term expected rate of return of 5.75% was used as the discount rate.

Based on the 5 previous years the City has on average contributed 89% and 83% of the Actuarially Determined Contribution (ADC) for the General Pension Plan and Garfield Pension Plan, respectively. A sufficiency test was performed including: (1) expected benefit payments for all future years; (2) assuming that 89% of the ADC is contributed to the General Pension Plan and 83% of the ADC is contributed to the Garfield Pension Plan in future years; (3) assuming that future contribution losses are amortized according to the Plans' funding policies; (4) using the Plans' assumed investment return before the projected asset depletion (if any); and (5) using a 20-year AA tax-exempt general obligation municipal bond index rate of 2.85% (using as a municipal bond rate source the Bond Buyer GO 20-Year Municipal Bond Index as of June 30, 2016) after the projected asset depletion. Based on these parameters, each of the Plan's assets are projected to be sufficient to pay all future benefits until a deminimus amount of estimated future benefits remain. Therefore, the long-term expected rate of return of 3.00% was used as the discount rate for each of these Plans.

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

The long-term expected rate of return on pension plan investments was determined for each Plan using a building-block method in which best-estimates of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These asset class estimates are combined to produce the portfolio long-term expected rate of return by weighting the expected future real rates of return by the current asset allocation percentage (or target allocation, if available) and by adding expected inflation (2.75%). All results are then rounded to the nearest quarter percentage point.

The best-estimate of expected future real rates of return were developed by aggregating data from several published capital market assumption surveys and deriving a single best-estimate based on the average survey values. These capital market assumptions reflect both historical market experience as well as diverse views regarding anticipated future returns. The expected inflation assumption was developed based on an analysis of historical experience blended with forward-looking expectations available in market data.

Best-estimates of geometric real and nominal rates of return for each major asset class included in the Plans' asset allocation as of the measurement date are summarized below:

Asset Class	Allocation at Measurement Date	Long-Term Expected Real Rate of Return	Long-Term Expected Nominal Rate of Return
Police and Firemen's Plan:			
Domestic Equity	52%	5.58%	8.33%
International Equity	0%	5.71%	8.46%
Fixed Income	36%	2.27%	5.02%
Real Estate and Alternatives	0%	4.44%	7.19%
Cash and Equivalents	12%	0.84%	3.59%
Total	100%		6.91%
Reduced for assumed investment expense			(0.64%)
Total (weighted avg, rounded to 1/4%)			6.25% **(1)**
General Pension Plan:			
Domestic Equity	0%	5.58%	8.33%
International Equity	0%	5.71%	8.46%
Fixed Income	0%	2.27%	5.02%
Real Estate and Alternatives	0%	4.44%	7.19%
Cash and Equivalents	100%	0.84%	3.59%
Total	100%		3.58%
Reduced for assumed investment expense			(0.50%)
Total (weighted avg, rounded to 1/4%)			3.00%
Garfield Pension Plan:			
Domestic Equity	0%	5.58%	8.33%
International Equity	0%	5.71%	8.46%
Fixed Income	0%	2.27%	5.02%
Real Estate and Alternatives	0%	4.44%	7.19%
Cash and Equivalents	100%	0.84%	3.59%
Total	100%		3.58%
Reduced for assumed investment expense			(0.50%)
Total (weighted avg, rounded to 1/4%)			3.00%

(1) The preliminary return for the Police and Firemen's Plan of 6.25% was then reduced by 50 basis points to 5.75% in order to reflect the effect of expected investment expense.

E. Changes in the Net Pension Liability of Each Plan

The net pension liability of each Plan is measured as of June 30, 2016 as follows:

Police and Firemen's Plan:	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
Balance at June 30, 2015	$22,684,864	$14,716,878	$7,967,986
Changes in the year:			
Service cost			
Interest on the total pension liability	1,214,089		1,214,089
Differences between actual and expected experience			
Changes in assumptions			
Changes in benefit terms			
Contribution - employer		1,222,197	(1,222,197)
Contribution - employee			
Net investment income		(165,490)	165,490
Administrative expenses			
Benefit payments, including refunds of employee contributions	(3,140,552)	(3,140,552)	
Net changes	(1,926,463)	(2,083,845)	157,382
Balance at June 30, 2016	$20,758,401	$12,633,033	$8,125,368
Plan fiduciary net position as a percentage of the total pension liability			60.9%

General Pension Plan:	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
Balance at June 30, 2015	$3,899,557	$975,637	$2,923,920
Changes in the year:			
Service cost			
Interest on the total pension liability	107,632		107,632
Differences between actual and expected experience			
Changes in assumptions			
Changes in benefit terms			
Contribution - employer		602,970	(602,970)
Contribution - employee			
Net investment income		2,255	(2,255)
Administrative expenses			
Benefit payments, including refunds of employee contributions	(623,662)	(623,662)	
Net changes	(516,030)	(18,437)	(497,593)
Balance at June 30, 2016	$3,383,527	$957,200	$2,426,327
Plan fiduciary net position as a percentage of the total pension liability			28.3%

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

Garfield Pension Plan:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
Balance at June 30, 2015	$765,834	$273,721	$492,113
Changes in the year:			
Service cost			
Interest on the total pension liability	21,615		21,615
Differences between actual and expected experience			
Changes in assumptions			
Changes in benefit terms			
Contribution - employer		102,140	(102,140)
Contribution - employee			
Net investment income		933	(933)
Administrative expenses			
Benefit payments, including refunds of employee contributions	(90,660)	(90,660)	
Net changes	(69,045)	12,413	(81,458)
Balance at June 30, 2016	$696,789	$286,134	$410,655
Plan fiduciary net position as a percentage of the total pension liability			41.1%
Totals - Other City Pension Plans	**$24,838,717**	**$13,876,367**	**$10,962,350**

Sensitivity of the Net Pension Liability to Changes in the Discount Rate. The following presents the net pension liability of the City for each of the Plans, calculated using the discount rate as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	Police and Firemen's Plan	General Pension Plan	Garfield Pension Plan
1% Decrease	4.75%	2.00%	2.00%
Net Pension Liability	$9,302,210	$2,594,892	$448,485
Current Discount Rate	5.75%	3.00%	3.00%
Net Pension Liability	$8,125,368	$2,426,327	$410,655
1% Increase	6.75%	4.00%	4.00%
Net Pension Liability	$7,064,265	$2,272,529	$376,132

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

F. Actuarially Determined Contributions

As of June 30, 2015, the date of the most recent actuarial valuations, the actuarially determined contributions for each Plan were determined using the entry-age normal cost method and the assumptions in Note 11B above.

For the Police and Firemen's Pension Plan, the City's contribution policy is to annually contribute an amount equal to (1) amortization of the unfunded liability as a level-dollar over a 10-year closed period as of July 1, 2013, plus (2) future gains and losses amortized over the same period, but not less than five years. Over the past five years, the City has contributed an average of 77% of the Actuarially Determined Contribution.

For the General Pension Plan, the City's contribution policy is to annually contribute an amount equal to (1) amortization of the unfunded liability as a level-dollar over a 6-year closed period as of July 1, 2013, plus (2) future gains and losses amortized over the same period, but not less than five years. Over the past five years, the City has contributed an average of 89% of the Actuarially Determined Contribution.

For the Garfield Pension Plan, the City's contribution policy is to annually contribute an amount equal to (1) amortization of the unfunded liability as a level-dollar over a 7-year closed period as of July 1, 2013, plus (2) future gains and losses amortized over the same period, but not less than five years. Over the past five years, the City has contributed an average of 83% of the Actuarially Determined Contribution.

The Actuarially Determined Contribution and the actual contributions for each Plan for the year ended June 30, 2016 are presented below:

	Actuarially Determined Contribution	Amount Contributed	Percent Contributed
Police and Firemen's Pension Plan	$1,270,466	$1,222,197	96%
General Pension Plan	750,016	602,970	80%
Garfield Pension Plan	78,987	102,140	129%

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

G. Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions

For the year ended June 30, 2016, the City recognized pension expense for each of the Plans as follows:

	Pension Expense
Police and Firemen's Plan	$773,284
General Pension Plan	97,766
Garfield Pension Plan	17,736
Total	$888,786

At June 30, 2016, the City reported deferred outflows of resources and deferred inflows of resources related to pensions for these Plans from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Pension contributions subsequent to measurement date	-	-
Differences between Expected and Actual Experience	-	-
Changes of Assumptions	-	-
Net Differences between Projected and Actual Earnings on Pension Plan Investments	$1,195,427	-
Total	$1,195,427	$0

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year Ended June 30	Annual Amortization
2017	$335,018
2018	335,018
2019	335,017
2020	190,374

H. Plan Financial Statements

The Statement of Net Position for the Plans at June 30, 2016 follows:

	Police and Fireman's Pension	General Pension	Garfield Pension
ASSETS			
Pension plan cash and investments:			
City of Richmond Investment Pool	$1,511,546	$957,200	$113,074
Local Agency Investment Fund			173,059
Mutual Fund Investments	11,121,486		
Interest receivable	1		1
Total Assets	12,633,033	957,200	286,134
NET POSITION			
Restricted for employees' pension benefits	$12,633,033	$957,200	$286,134

The Statement of Changes in Plan Net Position for the year ended June 30, 2016 follows:

	Police and Fireman's Pension	General Pension	Garfield Pension
ADDITIONS			
Net investment income:			
Net increase (decrease) in the fair value of investments	($391,119)	($108)	
Interest income	310,348	2,363	$942
Investment management fees	(84,719)		(9)
Contribution from the City	1,222,197	602,970	102,140
Total Additions	1,056,707	605,225	103,073
DEDUCTIONS			
Pension benefits	3,140,552	623,662	90,660
Total Deductions	3,140,552	623,662	90,660
Net Increase (Decrease)	(2,083,845)	(18,437)	12,413
NET POSITION RESTRICTED FOR PENSIONS			
Beginning of year	14,716,878	975,637	273,721
End of year	$12,633,033	$957,200	$286,134

NOTE 11 – OTHER CITY PENSION PLANS (Continued)

I. PARS Defined Contribution Plan

Effective July 1, 2014, the City contracted with the Public Agency Retirement System (PARS), to sponsor a Section PARS 457 FICA Alternative Retirement Plan created in accordance with IRC Sections 3121(b)(7)(F) and 457(b), which is a qualified defined contribution pension plan covering all eligible part-time, seasonal and temporary employees of the City on that date and hired thereafter.

The Plan requires these employees to contribute 6.2% and the City to contribute 1.3% of the employees pay plus administration costs. The City's required contributions of $20,216 and the employees' required contributions of $96,414 were made during the fiscal year ending June 30, 2016.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 12– OTHER POSTEMPLOYMENT BENEFITS

A. Plan Provisions

In order to qualify for postemployment medical and dental benefits an employee must retire from the City and maintain enrollment in one of the City's eligible health plans. The City pays a portion of the CalPERS premiums for retirees and their dependents that vary by employment classification. In addition, the following eligibility rules and contribution requirements apply for future retirees, followed by current retirees:

Plan Provisions for Future Retirees

Classification	Eligibility (Age/Service Years)	Monthly Premium Paid by City Before/After Medicare
SEIU Local 1021	Service Retirement: 50/20, 51/18, 52/16, 53/14, 54/12, 55/10 Disability Retirement: any age/10	Retiree only or surviving spouse: the lesser of $435 and medical premium Retiree +1 or more: the lesser of $567 and medical premium Plus PEMHCA Minimum: $125 Retired after 7/1/1995: Reimbursement allowed towards non-PERS plans
IFPTE, Miscellaneous Executive Management, City Council	Service Retirement: Same as SEIU	Retiree only or surviving spouse: the lesser of $435 and medical premium Retiree +1 or more: the lesser of $567 and medical premium Plus PEMHCA Minimum: $125
Fire Local 188	35/15	Percentage of premium (medical premium minus PEMHCA minimum) for retiree/dependents/surviving spouse up to premium for coverage. Percentage is 90%, increased to 100% after 27 years of service. Total City contribution, excluding PEMHCA minimum, is capped at Kaiser non-Medicare eligible premium for coverage selected. Plus PEMHCA minimum: $125
Fire Management and Fire Executive Management	35/15	Percentage of premium (medical premium minus PEMHCA minimum) for retiree/dependents/surviving spouse up to premium for coverage. Percentage is 80%, increased to 90% after 15 years of service and 100% after 25 years of service. Total City contribution, excluding PEMHCA minimum, is capped at Kaiser non-Medicare eligible premium for coverage selected. Plus PEMHCA minimum: $125
Richmond Police Officer Association (RPOA)	10 years of service Service includes non City service Minimum 5 years City Service	Lesser of: percentage of premium for retiree/dependents/surviving spouse times medical premium minus PEMHCA minimum or percentage of premium for retiree/dependents/surviving spouse but no more than $827 per month, minus dental and vision premiums. Percentage is 50%, increased to 90% after 15 years of service, and 100% after 25 years of service Plus PEMHCA Minimum: $125 City also pays 100% of dental and vision premiums.
Police Widows	Death in line of duty	Full premium of medical, dental and vision
Police Management and Police Executive Management	50/20, 51/18, 52/16, 53/14, 54/12, 55/10 Service includes non City service Minimum 5 years City Service	Percentage of premium (medical premium minus PEMHCA minimum) for retiree/dependents/surviving spouse up to Kaiser (Pre Medicare) and 2nd highest premium plan (post Medicare). Percentage is 65%, increased to 75% after 20 years of service, and 100% after 25 years of service.

NOTE 12 - OTHER POSTEMPLOYMENT BENEFITS (Continued)

Plan Provisions for Current Retirees

Classification	Subgroup	Monthly Premium Reimbursement Before/After Medicare Eligibility
SEIU Local 1021	Retired July 1, 2007 or later	Same as future retirees
	Retired prior to July 1, 2007	Same as future retirees, but caps are: Retiree only or surviving spouse: $224/$182 Retiree +1 or more: $344/$284
IFPTE, Miscellaneous Executive Management	Retired July 1, 2007 or later	Same as future retirees
	Retired November 5, 1999 to June 30, 2007	Same as future retirees, but caps are: Retiree only or surviving spouse: $224/$182 Retiree +1 or more: $344/$284
	Retired before November 5, 1999	Same as future retirees, but caps are: Retiree only or surviving spouse: $124/$82 Retiree +1 or more: $244/$184
Fire Local 188		Same as future retirees
Fire Management	Retire on or after 7/1/2006	Same as future retirees
	Retire before 7/1/2006	Same as future retirees, but caps are: Percentage of premium for retiree/dependents/surviving spouse up to Kaiser non-Medicare eligible premium for coverage selected. Percentage is 90%, increased to 100% after 27 years of service.

NOTE 12 - OTHER POSTEMPLOYMENT BENEFITS (Continued)

Plan Provisions for Current Retirees (Continued)

Classification	Subgroup	Monthly Premium Reimbursement Before/After Medicare Eligibility
Richmond Police Officer Association (RPOA)	Retire on or after 7/1/2008	Same as future retirees
	Retired between 7/1/2004 and 6/30/2008	Same as future retirees, but: Reimbursement capped at $614
	Retired between 7/1/1997 and 6/30/2004	Same as future retirees, but: Reimbursement capped at $550
	Retired between 7/1/1994 and 6/30/1997	Percentage of premium (medical premium minus PEMHCA minimum) for retiree/dependents/surviving spouse including dental and vision. Percentage is 65% for 10-19 years of service, increased to 75% after 20 years of service, and 100% after 27 years of service Premium paid for dental and vision. Plus PEMHCA minimum
	Retired before 7/1/1994	Percentage of premium (medical premium minus PEMHCA minimum) for retiree/dependents/surviving spouse including dental and vision. Percentage is 65% for 10-19 years of service, increased to 75% after 20 years of service, and 100% after 27 years of service Reimbursement, excluding the PEMHCA minimum, capped at $210 for single coverage and $300 for 2-party coverage Premium paid for dental and vision. Plus PEMHCA minimum
Police Management and Police Executive Management	Retired on or after 7/1/2008	Same as future retirees
	Retired between 1/1/1995 [(1)] and 6/30/2008	Percentage of premium (medical premium minus PEMHCA minimum) for retiree/dependents/surviving spouse. Percentage is 65% for 10-19 years of service, increased to 75% after 20 years of service, and 100% after 27 years of service. Retired after 1/1/2007 - Reimbursement capped at Kaiser premium, excluding the PEMHCA minimum, for pre-Medicare and 2nd highest premium plan for post-Medicare for coverage selected Retired before 1/1/2007 - Reimbursement capped at 2nd highest premium plan, excluding the PEMHCA minimum, for coverage selected Retired after 7/1/1995: Reimbursement allowed towards non-PERS plans Plus PEMHCA minimum: $125

[(1)] Although the City did provide medical premium benefits with single and 2-party caps for Police Management that retired prior to January 1, 1995, of June 30, 2016 there were no retirees receiving such benefits.

NOTE 12 - OTHER POSTEMPLOYMENT BENEFITS (Continued)

For retirees eligible to continue health benefits, but failing to meet the criterion in the tables above, the City pays the Public Employees Medical and Hospital Care Act (PEMHCA) minimum, which is $125 in 2016.

B. Funding Policy and Actuarial Assumptions

During the year ended June 30, 2008, the City joined the Public Agencies Post-Retirement Health Care Plan, an agent multiple employer trust administered by Public Agency Retirement Services (PARS). The balance in the City's PARS trust account as of June 30, 2016 was $2,121,069. PARS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained from Public Agency Retirement Services, 4350 Von Karman Avenue, Suite 100, Newport Beach, CA, 92660.

The City's policy is to partially prefund these benefits by accumulating assets with PARS discussed above along with making pay-as-you-go payments pursuant to Resolution No. 52-06 of June 27, 2006. In December 2014, the City adopted an additional funding policy to place into the PARS trust half of any one-time revenues and half of any year-end surplus in excess of the City's minimum reserve policy (7%) in an effort to pay down the unfunded liability. Although the City paid $1,782,535 to the PARS trust during fiscal year 2016, there was no surplus as defined above in fiscal years 2015 or 2016 to provide additional funding contributions. The fiscal year 2016 annual required contribution (ARC) was determined as part of a July 1, 2015 actuarial valuation using the entry age normal actuarial cost method. This is a projected benefit cost method, which takes into account those benefits that are expected to be earned in the future as well as those already accrued. The actuarial assumptions included (a) 3.75% investment rate of return, (b) 3.0% projected annual salary increase (c) inflation rate of 2.75% (general) and 4.0% (CPI medical care), and (d) health care cost trend rates for medical of 8.25-6.0% for 2016 to 2019, 5.30% for 2020 to 2052 and decreasing to an ultimate rate of 4.40% in 2076 and subsequent, and 4.0% for dental and vision. The actuarial methods and assumptions used include techniques that smooth the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets. Actuarial calculations reflect a long-term perspective and actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Actuarially determined amounts are subject to revision at least biannually as results are compared to past expectations and new estimates are made about the future. The City's OPEB unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll using a 30 year amortization period on a closed basis (24 years remaining at July 1, 2015). Subsequent changes are amortized over a closed 15-year period.

Changes of assumptions since the prior actuarial valuation were:

- To comply with newly revised Actuarial Standard of Practice No. 6 (ASOP 6), the July 1, 2015 actuarial valuation includes an implicit subsidy liability. This liability was not calculated in prior reports because of the former "community rating" exemption for employers participating in large pooled health plans like CalPERS. When premiums for retirees are determined using a blend of active employee and retiree experience, it creates an implicit subsidy to the retirees, since retiree healthcare costs are generally higher than active employees. ASOP 6 effectively requires most public agencies to calculate an implicit subsidy liability whenever their retirees participate in the group medical plans, but only pay the same premiums as active employees. ASOP 6 is effective for all actuarial valuations with a measurement date on or after March 31, 2015.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 12 - OTHER POSTEMPLOYMENT BENEFITS (Continued)

- The discount rate was changed from 4.00% to 3.75% based on updated expectations of long·term returns on trust and general City assets.
- Healthcare, dental and vision trend rates were reset to reflect updated cost increase expectations.
- The assumed future CPI Medical Care increase rate was changed from 4.50% to 4.00% to reflect updated increase expectations.
- Retirement, disability, mortality and salary increase rates were updated from the rates used in the CalPERS 1997·2007 Experience Study for Miscellaneous, Police and Fire Public Agencies to rates used in the 6/30/2014 CalPERS Public Agency Miscellaneous, Police and Fire actuarial valuations.
- The percent of current retirees under age 65 currently waiving coverage assumed to elect coverage at age 65 changed from 20% to 0% to reflect updated expectations based on recent plan experience.
- The payroll growth assumption was changed from 3.25% to 3.00% to be consistent with the assumptions used in the 2014 CalPERS actuarial valuations.
- The general inflation assumption was changed from 3.00% to 2.75% to reflect updated historical analysis and forward-looking market expectations.

C. Funding Progress and Funded Status

Generally accepted accounting principles permit contributions to be treated as OPEB assets and deducted from the Actuarial Accrued Liability when such contributions are placed in an irrevocable trust or equivalent arrangement. During the fiscal year ended June 30, 2016, the City contributed $3,612,753 to the Plan for pay-as-you-go premiums and an additional $1,782,535 was contributed to the Plan, which in total represented 7.4% of the $73,167,448 of covered payroll. As a result, the City has recorded the Net OPEB Obligation, representing the difference between the ARC and actual contributions, as presented below:

Annual required contribution	$20,085,940
Interest on net OPEB obligation	1,465,342
Adjustment to annual required contribution	(3,256,100)
Annual OPEB cost	18,295,182
Contributions made:	
Pay as you go (premiums paid)	(3,612,753)
Paid to trust	(1,782,535)
Implicit subsidy	(2,337,152)
Change in net OPEB obligation	10,562,742
Net OPEB obligation June 30, 2015	39,075,795
Net OPEB obligation June 30, 2016	$49,638,537

The actuarial accrued liability (AAL) representing the present value of future benefits, included in the actuarial study dated July 1, 2015, amounted to $196,378,960.

NOTE 12 - OTHER POSTEMPLOYMENT BENEFITS (Continued)

The Plan's annual required contributions and actual contributions for the fiscal year are set forth below:

Fiscal Year	Annual OPEB Cost	Actual Contribution	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation (Asset)
6/30/2014	$11,427,000	$2,012,286	18%	$30,883,892
6/30/2015	12,081,000	3,889,097	32%	39,075,795
6/30/2016	18,295,182	7,732,440	42%	49,638,537

The Schedule of Funding Progress below and the required supplementary information immediately following the notes to the financial statements presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits. Trend data from the actuarial studies is presented below:

Actuarial Valuation Date	Actuarial Value of Assets (A)	Entry Age Actuarial Accrued Liability (B)	Overfunded (Underfunded) Actuarial Accrued Liability (A - B)	Funded Ratio (A/B)	Covered Payroll (C)	Overfunded (Underfunded) Actuarial Liability as Percentage of Covered Payroll [(A - B)/C]
7/1/2015	$345,000	$196,379,000	($196,034,000)	0.2%	$73,167,000	-268%

NOTE 13 – DEFERRED COMPENSATION PLAN

City employees may defer a portion of their compensation under a City sponsored deferred compensation plan created in accordance with Internal Revenue Code Section 457. Under this plan, participants are not taxed on the deferred portion of their compensation until distributed to them; distributions may be made only at termination, retirement, death or in an emergency as defined by the plan.

The laws governing deferred compensation plan assets require plan assets to be held by a Trust for the exclusive benefit of plan participants and their beneficiaries. Since the assets held under this plan are not the City's property and are not subject to claims by general creditors of the City, they have been excluded from these financial statements.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 14 - RISK MANAGEMENT

The City is exposed to various risks of loss related to theft of, damage to, and destruction of assets; general liability; errors and omissions; injuries to employees; natural disasters; and inverse condemnation. The City began self-insuring its workers' compensation in 1976. In July 2009 the City joined the California Joint Powers Risk Management Authority (CJPRMA) for general liability and employment practices coverage. In April 2009 the City joined the California State Association of Counties Excess Insurance Authority (CSAC EIA) for worker's compensation insurance. The City has chosen to establish a risk financing internal service fund where assets are accumulated for claim settlements and expenses associated with the above risks of loss up to certain limits.

Excess coverage for the risk categories excluding inverse condemnation is provided by policies with various commercial insurance carriers. Self-insurance and insurance company lSimits are as follows:

Type of Coverage	Self-Insurance / Deductible	Coverage Limit	Insurance Carrier
Difference in Conditions	Earthquake: 10% pre-1970, 5% post-1970 of total insured value of each building; minimum $100,000 All others: $25,000	$50,000,000 inclusive of deductible	Various
Crime/Employee Dishonesty	$10,000 per claim	$1,000,000 inclusive of deductible	National Union Fire Insurance Company of Pittsburgh, PA
Property	$10,000 per claim	$1,000,000,000 inclusive of deductible $25,000,000 limit for flood	Various
Boiler and Machinery	$5,000 per claim	$100,000,000 inclusive of deductible	Lexington
Port Liability	$25,000 per claim	$50,000,000 inclusive of deductible	Various
Special Events Program	N/A	$1,000,000 per occurrence; $2,000,000 aggregate	Evanston Insurance
Excess Workers' Compensation	$750,000 per claim	Statutory limit	Various
Student Volunteer	N/A	$50,000 limit	Ace American
Pollution Liability - Policy 1	$250,000 per claim	$20,000,000 inclusive of deductible	Ace - Illinois Union
Pollution Liability - Policy 2	$75,000 per claim	$1,000,000 limit	Various
Cyber Liability	$100,000 per claim	$2,000,000 limit	Various

NOTE 14 - RISK MANAGEMENT (Continued)

CJPRMA

The CJPRMA provides coverage against the following types of loss risks under the terms of a joint powers agreement with the City as follows:

Type of Coverage (Deductible)	Coverage Limits
Liability ($500,000)	$40,000,000
Employment Practices ($500,000)	10,000,000

Once the self-insured retention is exhausted on each claim, CJPRMA becomes responsible for payment of future expenses related to the claim. The City paid contributions of $587,813 for the year ended June 30, 2016. Actual surpluses or losses are shared according to a formula developed from overall loss costs and spread to member entities on a percentage basis after a retrospective rating.

Audited financial statements for the CJPRMA are available from CJPRMA, 3201 Doolan Road, Suite 285, Livermore, CA 94551.

CSAC-EIA

CSAC-EIA is a public entity risk pool of cities and counties within California. The CSAC-EIA provides workers' compensation coverage up to the statutory limit and the City retains a self-insured retention of $750,000. Loss contingency reserves established by the CSAC-EIA are funded by contributions from member agencies. The City pays an annual contribution to the CSAC-EIA, which includes its pro-rata share of excess insurance premiums, charges for pooled risk, claims adjusting and legal costs, and administrative and other costs to operate the risk pool. The City paid contributions of $278,774 for the year ended June 30, 2016. CSAC-EIA provides insurance through the pool up to a certain level, beyond which group purchased commercial excess insurance is obtained. CSAC-EIA is currently fully funded. No provision has been made on these financial statements for liabilities related to possible additional assessments.

Audited financial statements for CSAC-EIA are available from CSAC-EIA, 75 Iron Point Circle, Suite 200, Folsom, CA 95630.

Housing Authority Insurance Group

The Housing Authority is exposed to various risks of loss related to torts: theft, damage, and destruction of assets; errors and omissions; injuries to employees and natural disaster. The Authority joined together with other entities and participates in the Housing Authority Insurance Group, a public entity risk pool currently operating as a common risk management and insurance program for its member entities. The purpose of the Housing Authority Insurance Group is to spread the adverse effects of losses among the member entities and to purchase excess insurance as a group, thereby reducing its cost. The Authority pays annual premiums to Housing Authority Insurance Group for its property damage insurance as follows:

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 14 - RISK MANAGEMENT (Continued)

Property	Building and Personal Property Premium	Annual Premium	Deductible
Triangle Court	$13,170	$13,543	$25,000
Nevin Plaza (#1)	4,769	4,886	25,000
Friendship Manor	5,438	5,664	25,000
Hacienda	10,365	10,365	25,000
Nystrom Village	16,922	17,443	25,000
Administration Office	639	639	25,000

All of the Housing Authority properties are included in the general liability coverage under the CJPRMA program.

Liability for Self Insured Claims

The City records a liability to reflect an actuarial estimate of ultimate uninsured losses for both general liability claims (including property damage claims) and workers' compensation claims. The estimated liability for workers' compensation claims and general liability claims is based on case reserves and include amounts for claims incurred but not reported (IBNR), and is recorded in the Insurance Reserves Internal Service Fund. At June 30, 2016, the estimated claims payable of $39,403,229, consisting of reserves for both reported and IBNR losses, as well as allocated loss adjustment expenses, have been recorded in the Insurance Reserves Internal Service Fund. The claims payable are reported at their present value using expected future investment yield assumptions of 3% and an 80% confidence level. The undiscounted claims totaled $43,868,000 at June 30, 2016. Changes in the claims liabilities for the years ended June 30, 2016 and 2015 were as follows:

	2016	2015
Claims liabilities, beginning of year	$29,583,740	$25,697,150
Current year claims	9,802,000	8,931,978
Change in prior year claims	8,480,693	4,661,085
Claim payments	(5,232,866)	(5,969,331)
Legal, administrative and other expenses	(3,230,338)	(3,737,142)
Claims liabilities, end of year	$39,403,229	$29,583,740
Claims liabilities, due in one year	$13,331,213	$7,919,524

For the years ended June 30, 2016, 2015 and 2014 the amount of settlements did not exceed insurance coverage.

NOTE 15 – SEGMENT INFORMATION FOR ENTERPRISE FUNDS

The City's non-major enterprise funds include the following:

- Richmond Marina Fund – Marina operations and maintenance, including berth rentals and use of marina facilities.
- Storm Sewer Fund – Storm sewer management and urban runoff control.
- Cable TV Fund – Administration and enforcement of the franchise agreements with two cable television systems, management of a municipal cable channel, departmental video services, media and public information, and telecommunications planning.

Fiscal 2016 condensed financial information for the Richmond Marina Enterprise Fund is as follows:

Condensed Statement of Net Position

Assets:	
Current assets	$3,525,793
Capital assets	1,608,325
Total assets	5,134,118
Liabilities:	
Current liabilities	277,797
Long-term liabilities	2,701,553
Total liabilities	2,979,350
Net position:	
Net investment in capital assets	(1,174,802)
Unrestricted	3,329,570
Total net position	$2,154,768

Condensed Statement of Revenues, Expenses and Changes in Net Position

Operating revenues:

Beginning cash and investments	3,262,392
Ending cash and investments	$3,452,446

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 16 - COMMITMENTS AND CONTINGENCIES

A. Lease and Construction Commitments

The Police Department occupies leased premises owned by DiCon Fiberoptics, Inc. The City's original lease was a three year lease which expired on December 31, 2009, and it had an option to renew for five (5) one year periods until December 31, 2014. In October 2014, the City and DiCon Fiberoptics, Inc. entered into a new five year lease extension with the term commencing January 1, 2015 through December 31, 2019, with an option to renew for five (5) one year periods until December 31, 2024. The lease calls for minimum monthly lease payments of $100,573.

The City's future commitments under construction and other projects totaled approximately $60.1 million at June 30, 2016 for various projects.

B. Litigation

The City is involved in various claims and litigation resulting from its normal operations. The ultimate outcome of these matters is not presently determinable. In City management's opinion these matters will not have a significant adverse effect on the City's or RHA Properties' financial position, with two potential exceptions noted below:

In March 2012, a developer and an associated entity filed a complaint in federal court against the United States of America, two individuals, and the City contending breach of contract related to a Land Disposition Agreement (LDA) between the developer and the City for the development of City-owned property for a specific use. The developer and associated entity seek damages of $30 million as well as lost profits of over $750 million. The City disputes the allegations and contends that the LDA did not commit the developer or the City to develop the property for the specific use and that the developer's right to move forward with the development was subject to various federal approvals. The City received a favorable judgement on the matter, but an appeal by the developer and associated entity is pending. The City had filed a separate lawsuit in state court against the developer seeking declaratory relief that the City did not breach the LDA, but that lawsuit was stayed by the state court judge pending resolution of the federal action. The City may be negatively impacted should the court rule in favor of the developer and associated entity, however any such impact cannot be determined at this time.

C. Grant Programs

The City participates in several federal and State grant programs. These programs are subject to further examination by the grantors and the amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time, except as noted under Grant Programs – Disallowed Costs below.

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

D. Grant Programs – Disallowed Costs

HOME and CDBG Programs

During fiscal year 2013, the City was subject to two separate monitoring visits by the Department of Housing and Urban Development (HUD) of the City's HOME investment partnership (HOME) and Community Development Block Grant (CDBG) activities. In its reports, HUD listed thirteen findings covering various activities performed over a six year period applicable to the programs and disallowed costs approximating $2.4 million. The City prepared responses to the findings, including assembling and providing additional documentation to HUD as well as performing numerous corrective actions and meetings to negotiate settlements with HUD. In July 2016, HUD determined the City's repayment obligation to be $366,063, $786,597, and $1,807,490 for CDBG-R, CDBG and HOME, respectively. The City could request a Voluntary Grant Reduction in the amount of $1,807,409 in unspent HOME funds to be applied toward the obligation, however, if the City elected to make this request, all remaining obligations would be due within 90 days. Alternatively, the City could request a repayment plan with installments over a three-year period. In lieu of making payments to HUD for the return of the ineligible costs, in August 2016, the City requested a Voluntary Grant Reduction of $1,807,409 in unspent HOME funds to be applied toward the obligation. The City also requested a Voluntary Grant Reduction in the amount of $85,000 in unspent CDBG funds to be used towards the $786,597 CDBG repayment obligation. Finally, the City requested a payment plan with installments over three years for the remaining CDBG and CDBG-R funds. In December 2016, the City accepted HUD's repayment terms regarding the treatment of the ineligible costs for the CDBG repayment obligation of $786,597, which is payable in two equal installments in fiscal years 2018 and 2019. The CDBG-R repayment obligation of $366,063 is due on or before March 30, 2017. As of February 2017, the City has not received approval from HUD regarding the treatment of the HOME ineligible costs and the ultimate method of repayment cannot be determined at this time.

Neighborhood Stabilization Program (NSP1)

During fiscal year 2014, the City was subject to a monitoring visit from the Office of Inspector General of the City's Neighborhood Stabilization Program (NSP1) and received notification in October 2014 from HUD that it was demanding the repayment of $914,090 for ineligible expenses. In lieu of making a payment to HUD for the return of the ineligible costs, in November 2014, the City requested a grant reduction of $595,863 in unspent NSP1 funds to be applied towards the finding. In addition, the City requested approval to use the proceeds from income generated from the pending sale of certain NSP1 properties to make up the $318,227 difference. Given that the NSP1 is governed by CDBG regulations, the City believes that HUD's Voluntary Grant Reductions in Lieu of Repayment for Ineligible CDBG and HOME Activities "Program" applies to NSP1. In July 2016, HUD notified the City that it could make a request for a Voluntary Grant Reduction of $595,863 in unspent NSP1 funds to be applied towards the NSP1 repayment obligation. If the request was made, the remaining $318,227 would be due within 90 days. In August 2016, the City made a second request for the approval of a Voluntary Grant Reduction of $595,863 in unspent NSP1 funds and for the remaining $318,227 to be paid using the proceeds from income generated from the sale of NSP1 properties. In December 2016, the City accepted HUD's repayment terms regarding the treatment of the ineligible costs of $318,227, which are due in two payments in fiscal year 2017 ($62,645) and fiscal year 2018 ($255,762).

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

Environmental Protection Agency Program (EPA)

In May 2014, the City received notification from the U.S. Environmental Protection Agency (EPA) that due to four findings included the fiscal year 2012 Single Audit related to four separate grant programs, the EPA is questioning as unsupported $1,200,000 in grant expenditures. The notification requires the City to either confirm that the corrective actions to resolve the Single Audit findings were implemented or to repay the grant funds to the EPA. City staff submitted a response to the notification, providing the required documentation and objecting to the claim. The matter is still pending with the EPA as of February 2017, and the final amount of disallowed costs, if any, cannot be determined at this time.

HOME and Neighborhood Stabilization Program (NSP3)

During fiscal year 2015, the City was subject to monitoring visits by the Department of Housing and Urban Development (HUD) of the City's HOME investment partnership (HOME) and Neighborhood Stabilization Program (NSP3) activities. In its reports, HUD listed three findings (two HOME findings and one NSP3 finding). The findings require the City to repay $1,089,613 of expended grant funds on the Filbert Phase 2 activity, which is not a HOME eligible activity, and to repay $23,070 for expenses disbursed by the City prior to the completion of the required environmental review. The City prepared responses to the findings, including assembling and providing additional documentation to HUD as well as performing numerous corrective actions and meetings to negotiate settlements with HUD. The negotiations are still in process as of February 2017, and the final amount of disallowed costs cannot be determined at this time.

Housing and Urban Development

On June 3, 2016, the Office of the Inspector General issued a report in response to an allegation that the Authority allowed the City to use HUD funds and Authority assets and that the City charged the Authority for rent and services at an unreasonable price. The report concluded that the allegations held merit and the Authority misspent $2.2 million in HUD funds and had $994,910 in unsupported costs due to a lack of independence between the Authority and the City along with a weak internal control environment. The OIG recommended that the Director of the San Francisco Office of Public Housing that monitors the Authority, require the Authority to repay $2.1 million for ineligible use of HUD funds along with $53,347 for duplicate charges, and $60,000 for a City initiated management audit. In addition, it was suggested the Authority be required to provide additional support for $80,890 of the Executive Director's salary spent on activities, $180,000 spent on office rent, determine proper use of former maintenance building property, and develop and implement financial policies and procedures for the current operating environment. Further, it was recommended that HUD work with the Authority to improve control and accountability including HUD receivership and separating the Authority finances from the City. The Authority is contesting several of the conclusions made by the OIG and is seeking legal counsel with regards to further actions necessary. OIG's report is subject to HUD and the Departmental Enforcement Center Revisions and evaluations. Authority management strongly believes in its response made to OIG that the Authority's actions were proper and agreed to in advance by HUD. As of February 2017, the amount of ineligible costs cannot be determined at this time.

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

E. Housing Authority – Easter Hill Project

The Authority participates in a number of federally assisted grant programs, principal of which are the Section 8 Housing Assistance and the HOPE VI Revitalization Grant. It is possible that at some future date, it may be determined that the Authority is not in compliance with applicable grant requirements. The amounts, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time, although the Authority does not expect such disallowed amounts, if any, to materially affect the financial statements.

In June 2000, the Richmond Housing Authority received a $35 million grant (HOPE VI Grant) from the U.S. Department of Housing and Urban Development ("HUD") for the revitalization of the former Easter Hill Public Housing Project. The original Easter Hill site, owned by the Richmond Housing Authority, included 300 units on 21 acres in the Cortez/Stege neighborhood of Richmond.

The California Tax Credit Committee, City of Richmond, Bank of America, Silicon Valley, Federal Home Loan Bank, California Housing Finance Agency, the Richmond Housing Authority along with the $35 million dollar HUD grant financed this $120 million revitalization effort. Physical costs are estimated to be approximately $108 million and life services, relocation, acquisition, administrative and other costs are estimated to be approximately $12 million. The physical development includes approximately 320 rental and homeownership units to replace the 300 rental units originally at the site and 273 remaining units at the time of grant approval. Amenities at the revitalized site include a pool and a 5,000 square feet community room with facilities for an after school program, computer center, gymnasium and conference room.

In addition, pursuant to the same agreement, the Authority is entitled to receive reimbursement for certain costs it has incurred in development of these projects. Upon completion of the project, the Authority recorded $14,276,909, representing reimbursement from the developer which had been recorded in the accompanying financial statements as due from developer. The balance outstanding as of June 30, 2016 is $11,221,743.

In 2002, the Authority chose the development team of McCormack Baron Salazar, Inc. and Em Johnson Interest, Inc. to develop the site. Em Johnson Interest has developed the 82 homeownership units affordable to low, moderate and market rate buyers. McCormack Baron was charged with the development of 300 rental units, affordable to households 60% or below the area median income for Contra Costa County.

Thus far, all new construction rental units at the former Easter Hill site have been developed. Thirty-six rehab rental units at the site are underway. The remaining 202 rental units at the site have been leased. Similarly, all 82 homeownership units at the former Easter Hill and Cortez sites have been constructed. With the exception of one unit at the Cortez site, all homeownership units have been sold.

Due to the City Council's action to not allow the Authority to retain the Fire Training site originally anticipated for phase III of the project, the third phase is being revised to include the Authority's Nystrom Village and Hacienda Public Housing sites. This will include the demolition and reconstruction of the 252 rental units presently existing at the two sites. As the proposal and conceptual plans are being developed, the final financial and construction plans are not determined at this time.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

F. Disposition of Westridge at Hilltop Apartments

On May 24, 2013, RHA Properties entered into a Purchase & Sale Agreement (PSA) with Menlo Capital Group, LLC (the Buyer) for the disposition of Westridge at Hilltop Apartments for a price of $40 million. Upon closure of the disposition on April 15, 2014, title of all capital assets was transferred from RHA Properties to Menlo Westridge Affordable Partners, LP. The gain from the capital assets sale, after charges and costs associated with the sale, was $12,703,208. According to the sales agreement, at June 30, 2016, $2,500,000 of sales proceeds were withheld in an escrow account as a repair reserve fund held by the Buyer to be used for repairs within 18 months after closing.

The Buyer, at its sole and absolute discretion will hire third party contractors to implement such repairs. Once the repairs are complete, the Buyer is to submit third part audited and certified invoices to escrow for immediate reimbursement to the Buyer or payment to contractors for such repairs at the Buyer's option. All repairs and reimbursement of repairs from the Repair Reserve Fund Holdback are subject to the Buyer's sole and absolute discretion. RHA Properties has made demands to return the $2,500,000 based on the passage of 18 months from the closing date of the sale.

Pursuant to the Holdback Agreement, the funds held in escrow were only available to the Buyer within 18 months of closing, which has expired. Management of RHA Properties is of the opinion that they are in a very good position and can expect to collect the $2,500,000. A lawsuit was filed by the Authority/RHA Properties against the buyer of Westridge at Hilltop Apartments to release the funds and according to the Attorney acting on behalf of RHA Properties, the case is moving along as expected. The repair reserve fund was released to RHA Properties in August 2016.

G. RHA Properties – Status of Operations

RHA Properties having sold Westridge at Hilltop Apartments is at the point of being an entity with no activity. It is idle and available to be used in the future. Management currently has no further plans for the entity.

H. Point Molate – Pollution Remediation

In September 2008, the City entered into an Early Transfer Cooperative Agreement (ETCA) with the United States Department of the Navy the (Navy) to facilitate the transfer of 41 acres of property that was formerly the Naval Fuel Depot Point Molate (Point Molate). The ETCA identifies certain known pollution issues with the property, and the Navy is the responsible party. However, under the provisions of the ETCA, the Navy advanced $28 million to the City representing the estimated cost of cleanup, and the City committed to manage the project. Any pollution found that was not caused by the Navy's use of the land is to be paid by the City, however, as of June 30, 2016, no additional pollution has been identified.

The City also entered into an agreement in September 2008 with a Developer to sell approximately 134 acres of land located the Point Molate along with the 41 acres of which the Navy is to transfer to the City. The Developer is to complete the cleanup on behalf of the City in accordance with the requirements of the ETCA. The City committed to pass-through the funds received from the Navy to the Developer.

In April 2010, the City and Developer entered into an agreement to establish a fiscal agent escrow account to maintain the funds held for the remediation of Point Molate. The funds advanced by the Navy are to be held in escrow with a fiscal agent and the agent is responsible for disbursing funds to the Developer as costs are incurred. The terms of the agreement are effective until a certificate of completion is issued for the remediation of the property.

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

Under the terms of the agreements with the Navy and the Developer, the City does not retain responsibility for the cleanup of the known pollution. The City is merely acting as a pass-thru of the grant funds from the Navy to the Developer and the activities for the project are reported in the Pt. Molate Private-Purpose Trust Fund.

I. Other – Major Taxpayer

In fiscal year 2009, a major business license taxpayer filed a complaint challenging the legality of Measure T, a voter initiative that took effect on January 1, 2009. Measure T amended the City's business license tax calculation for manufacturers. Although the City believed Measure T to be lawful, the court ruled on December 17, 2009 that the tax was unconstitutional. The court ruled in favor of the business license taxpayer awarding a refund of the $20.5 million Measure T taxes paid. The City filed an appeal, however in May 2010 the taxpayer and the City entered into a settlement agreement in order to achieve certainty in the tax revenue that the City will receive from the taxpayer over the next 15 years. The agreement provides for annual payments from the taxpayer ranging from $4 million to $13 million starting July 1, 2011, with payments totaling $114 million. In addition, the agreement incorporated the prior settlement of a dispute over fiscal year 2006, 2007 and 2008 utility user's taxes totaling $28 million that was paid in four installments beginning in fiscal year 2009. Payments totaling $61 million were received under the settlement agreements in fiscal years 2011 through 2016.

In fiscal year 2015, the City entered into an Environmental Community Investment Agreement (ECIA) with the same taxpayer that provides for funding to the City and other community agencies totaling $80 million over the next ten years. During fiscal year 2016, the City received $8 million that is restricted for use on pre-approved projects, and the City has received $12 million to date.

J. Police Communications Systems

The City administers a program to provide records management and dispatch services to participating local agencies. The participating agencies, which include the City, are responsible for maintenance and system enhancements. The City is required to account for the enhancement in a separate account which is shown in the Police Telecommunications Internal Service Fund as unearned revenue as of June 30, 2016.

K. Department of Toxic Substance Control (DTSC) Settlements

During the fiscal year ended June 30, 2015 the City entered into a settlement agreement with DTSC for the Drew Middle and South Property Richmond Parkway Site. The City disputed the amount of operations and maintenance costs charged by DTSC for the remediation of affected soil at the property. The settlement agreement stipulates that the City will pay DTSC a total of $31,365 for charges that occurred during fiscal years 1996 through 2013. Monthly installment payments will be made over 24 consecutive months with the first payment due December 15, 2014.

During the fiscal year ended June 30, 2015 the City entered into a settlement agreement with DTSC for the Richmond Parkway Site. The City disputed the amount of operations and maintenance costs charged by DTSC for the remediation of affected soil at the property. The settlement agreement stipulates that the City will pay DTSC a total of $24,476 for charges that occurred during fiscal years 1996 through 2013. Monthly installment payments will be made over 24 consecutive months with the first payment due December 15, 2014.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

The outstanding liabilities payable at year-end related to these settlement agreements were deemed immaterial for presentation purposes.

L. Housing Authority Rental Assistance Demonstration

RHA Rental Assistance Demonstration ("RAD") Program conversion of the Friendship Manor and Triangle Court public housing sites occurred during the 2016 calendar year (includes both the 2015 and 2016 fiscal years). Starting in December 2015, 156 units of Public Housing will convert to non-profit ownership with Section 8-Project Based Voucher rental subsidy on two separate properties; all 156 units, except for three units (two are reserved for onsite managers and one for a manager's office), will be used to house low-income residents.

On October 8, 2015, the Department of Housing and Urban Development (HUD) issued and executed the RAD Conversion Commitment (RCC) which represents the agreed upon and approved terms of the RAD conversion transaction.

On November 18, 2015, California Tax Credit Allocation Committee made a preliminary reservation of federal tax credits in the amount of $1,228,999 accommodated upon executing Tax-Exempt Bond Project to raise funding in the amount of $36.7 million, the approximate estimated cost of the RAD project; of which $16.5 million shall be provided by a third-party Tax Credit investor.

The Authority has partnered with the John Stewart Company and The Richman Group to form a Limited Partnership, RHA RAD Housing Partners L.P., that will complete the conversion, manage the property and own the buildings. The Authority will relinquish the land via a long term ground lease.

In furtherance of the finances provided by the Authority, the City of Richmond loaned $1,770,522 to RHA RAD Housing Partners L.P. as a portion of a $5.4 million loan that will be repaid in 55 years and accrues interest at a rate of 1%. The loan was initially signed with RHA Housing Corporation and then it was transferred and reassigned to RHA RAD Housing Partners L.P., as discussed in Note 5.

After the property is placed in service and receives approval of the 8609 documents from the State of California, the Authority will split a developer fee of $2.5 million with its general partner John Stewart Company (70%/30%). The project will not be placed in service until approximately April 2017, so the majority of the fee will not be received until that time.

RHA RAD Housing Partners L.P. will also receive $732,557 in Public Housing and Capital Improvement funds throughout the January 1, 2016 – December 31, 2016 calendar year to cover the RAD Housing Assistance Program (HAP) Voucher commitments of subsidy for the low income housing units at the two developments. The terms of this requirement are consistent with Notice 2012-32 of the Rental Assistance Demonstration program which requires RAD conversions that close after November 30th of the calendar year to be funded out of Public Housing and Capital Fund Programs until the next calendar year, at which time the Developments will be funded with Section 8 Housing Choice RAD Vouchers.

In a transaction related to the RAD project, the Richmond Housing Authority sold capital assets to RHA RAD Housing Partners LP with a carrying value of $14,358,255 in return for two loans receivable in the amounts of $8,891,500 and $5,618,500. These loans are to be repaid in 55 years and bear annual interest rates of 2.82%. The sale of the capital assets, along with the difference between the loans receivable of $14,510,000 and the carrying value of the capital assets, have been recorded as a special item in the Statement of Activities.

NOTE 16 - COMMITMENTS AND CONTINGENCIES (Continued)

M. State Gas Tax Audit

The State Controller's Office completed an audit of the City's use of gas tax funds for the period July 1, 2006 through June 30, 2004 and in its July 2016 report indicated that the City had charged unallowable debt service payments to the Gas Tax Special Revenue Fund totaling $1,861,769. Although City staff disputed the disallowed costs, the State Controller's Office did not reverse its position and in the response to the audit finding included in that report, management agreed to repay the disallowed costs over six years beginning in fiscal year 2018. Subsequent to that response, City staff discovered that a September 1992 judgment in favor of the City authorized the use of gas tax revenues to fund the debt service disallowed by the State. The City again disputed the disallowed costs to the State Controller's Office in February 2017. Although the State Controller's Office would not accept the debt service as an allowable expense, they did indicate that the City could replace the debt service with prior eligible street-related expenditures that had been incurred in funds other than the Gas Tax Special Revenue Fund. Therefore, the City determined that it had incurred eligible street repaving costs in the General Capital Improvement Capital Projects Fund in fiscal year 2011 in excess of the ineligible costs above and had reclassified those costs to replace the prior year debt service expenditures in the Gas Tax Special Revenue Fund as instructed by the State Controller's Office.

N. Other Commitments and Contingencies

The Authority and its component units RHA Housing Corporation and RHA RAD LLC entered into several arrangements including a Co-Guarantor Contribution Agreement with third parties as participants in a tax credit bonds project to accommodate the required funding to convert two properties from a conventional public housing project to a rental assistance demonstration program, as discussed in Note 16L.

O. Encumbrances

The City uses an encumbrance system as an extension of normal budgetary accounting for governmental funds. Under this system, purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of applicable appropriations. Encumbrances outstanding at year-end are recorded as restricted, committed or assigned fund balance, depending on the classification of the resources to be used to liquidate the encumbrance, since they do not constitute expenditures or liabilities. Outstanding encumbrances at year-end are automatically reappropriated for the following year. Unencumbered and unexpended appropriations lapse at year-end. Encumbrances outstanding as of June 30, 2016 were as listed below:

	Amount
General Fund	$4,460
Cost Recovery Special Revenue Fund	544,630
Community Development and Loan Programs Special Revenue Fund	692,222
Environmental and Community Investment Agreement (ECIA) Special Revenue Fund	35,536
Non-Major Governmental Funds	1,668,071
	$2,944,919

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES

A. Redevelopment Dissolution

In an effort to balance its budget, the State of California adopted ABx1 26 on June 28, 2011, amended by AB1484 on June 27, 2012, which suspended all new redevelopment activities except for limited specified activities as of that date and dissolved redevelopment agencies on January 31, 2012.

The suspension provisions prohibit all redevelopment agencies from a wide range of activities, including incurring new indebtedness or obligations, entering into or modifying agreements or contracts, acquiring or disposing of real property, taking actions to adopt or amend redevelopment plans and other similar actions, except actions required by law or to carry out existing enforceable obligations, as defined in ABx1 26.

ABx1 26 and AB1484 created three regulatory authorities, the Successor Agency Oversight Board, State Controller and Department of Finance (DOF), to review former Agency's asset transfers, obligation payments and wind down activities. ABx1 26 specifically directs the State Controller to review the activities of all redevelopment agencies to determine whether an asset transfer between an agency and any public agency occurred on or after January 1, 2011. If an asset transfer did occur and the public agency that received the asset is not contractually committed to a third party for the expenditure or encumbrance of the asset, the legislation purports to require the State Controller to order the asset returned to the Redevelopment Agency or, on or after February 1, 2012, to the Successor Agency. The State Controller's Office completed its asset transfer review in November 2013 and the State ordered the return of certain assets to the Successor Agency to the Redevelopment Agency. The City complied with certain aspects of the State's order during fiscal year 2013 by returning applicable capital assets to the Successor Agency and the Oversight Board retroactively approved other prior transfers to the City and the State has indicated that no further action is necessary. The State also ordered the return of assets previously transferred to the City as Housing Successor totaling $16,460,848, because the transfer of the housing assets had not been approved by the Oversight Board. The Oversight Board adopted a Resolution on February 25, 2014 retroactively approving the transfer of the loans to the Housing Successor.

Effective January 31, 2012, the Redevelopment Agency was dissolved. Certain assets of the Redevelopment Agency Low and Moderate Income Housing Fund were distributed to a Housing Successor; and the remaining Redevelopment Agency assets and liabilities were distributed to a Successor Agency.

Under the provisions of AB 1484, the City can elect to become the Housing Successor and retain the housing assets. The City elected to become the Housing Successor and on February 1, 2012, certain housing assets were transferred to the City's Low and Moderate Income Housing Fund which is included in the Community Development and Loan Programs Special Revenue Fund. The activities of the Housing Successor are reported in the Low and Moderate Income Housing Asset Fund as the City has control of those assets, which may be used in accordance with the low and moderate income housing provisions of California Redevelopment Law.

The City also elected to become the Successor Agency and on February 1, 2012 the Redevelopment Agency's remaining assets were distributed to and liabilities were assumed by the Successor Agency. ABx1 26 requires the establishment of an Oversight Board to oversee the activities of the Successor Agency and one was established in April 2012. The activities of the Successor Agency are subject to review and approval of the Oversight Board, which is comprised of seven members, including one member of City Council and one former Redevelopment Agency employee appointed by the Mayor.

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

AB1484 required the Successor Agency to complete two due diligence reviews – one for the low and moderate income housing assets of the Successor Agency (Housing DDR), and a second for all other balances of the Successor Agency (Non-housing DDR). The due diligence reviews were to calculate the balance of unencumbered balances as of June 30, 2012 available to be remitted to the County for disbursement to taxing entities. The Successor Agency submitted both due diligence reviews to the State Department of Finance for review and approval. The Department of Finance approved the Housing DDR, after making an adjustment, and the Successor Agency remitted the unencumbered balance of $4,067,242 to the County in November 2014. The Department of Finance approved the Non-housing DDR in December 2014, and no funds were required to be remitted to the County. The Successor Agency received a Finding of Completion on December 9, 2014.

The activities of the Successor Agency are reported in the Successor Agency to the Richmond Community Redevelopment Agency Private-Purpose Trust Fund as the activities are under the control of the Oversight Board. The City provides administrative services to the Successor Agency to wind down the affairs of the former Redevelopment Agency.

Cash and investments of the Successor Agency as of June 30, 2016 are discussed in Note 3 above. Information presented in the following footnotes represents other assets and liabilities of the Successor Agency as of June 30, 2016.

B. Loans Receivable

The Successor Agency assumed non-housing loans receivable of the Redevelopment Agency as of February 1, 2012. The Redevelopment Agency engaged in programs designed to encourage economic development. Under these programs, grants or loans were provided under favorable terms to developers who agreed to expend these funds in accordance with the Agency's terms.

Ford Assembly Building Loan

Under a loan agreement dated November 22, 2004 between the Redevelopment Agency and Ford Point LLC, the Redevelopment Agency agreed to loan $3,000,000 to fund improvements to the Ford Assembly Building, collateralized by a Deed of Trust. The Redevelopment Agency funded the loan in fiscal 2006 with proceeds from the Section 108 HUD loan discussed in Note 7. The loan's principal is due in August 2025. Interest is payable starting August 2006 at a variable rate based on the 90-day LIBOR rate plus 70 basis points; adjusted quarterly. The interest rate converts to a fixed rate in accordance with the terms of the agreement after the Section 108 loan is sold by HUD. The developer repaid $143,000 of the loan in fiscal year 2010, $147,000 in fiscal year 2011, $150,000 in fiscal year 2012, $154,000 in fiscal year 2013, $158,000 in fiscal year 2014, $162,000 in fiscal 2015 and $166,000 in fiscal 2016 and the balance of the loan was $1,920,000 as of June 30, 2016.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

C. Capital Assets

The Successor Agency assumed the non-housing capital assets of the Redevelopment Agency as of February 1, 2012. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Contributed capital assets are valued at their estimated fair market value on the date contributed. The Successor Agency's policy is to capitalize all assets with costs exceeding certain minimum thresholds and with useful lives exceeding two years.

All capital assets with limited useful lives are depreciated over their estimated useful lives. The purpose of depreciation is to spread the cost of capital assets equitably among all users over the life of these assets. The amount charged to depreciation expense each year represents that year's pro rata share of the cost of capital assets.

Depreciation of all capital assets is charged as an expense against operations each year and the total amount of depreciation taken over the years, called accumulated depreciation, is reported on the balance sheet as a reduction in the book value of capital assets.

Depreciation is provided using the straight line method, which means the cost of the asset is divided by its expected useful life in years and the result is charged to expense each year until the asset is fully depreciated. The Successor Agency has assigned the useful lives and capitalization thresholds listed below to capital assets.

Improvements other than buildings	20 years
Buildings and building improvements	50 years
Vehicles	3 – 10 years
Infrastructure	25 - 50 years
Machinery and equipment	3 – 20 years

Capital assets recorded at June 30 comprise:

	Balance at June 30, 2015	Additions	Retirements	Transfers to the City	Balance at June 30, 2016
Capital assets not being depreciated:					
Land and land improvements	$17,603,162		($1,703,888)	($9,640,468)	$6,258,806
Construction in Progress	5,328,244			(5,328,244)	
Total capital assets not being depreciated	22,931,406		(1,703,888)	(14,968,712)	6,258,806
Capital assets being depreciated:					
Machinery and equipment	120,448			(120,448)	
Less accumulated depreciation for:					
Machinery and equipment	(112,053)	($8,395)		120,448	
Capital assets being depreciated, net	8,395	(8,395)			
Capital assets, net	$22,939,801	($8,395)	($1,703,888)	($14,968,712)	$6,258,806

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

Pursuant to the terms of the Long Range Property Management Plan, the Successor Agency transferred capital assets with a carrying value of $14,968,712 to the City.

D. Long-term Obligations

The following is a summary of long-term debt transactions during the fiscal year ended June 30, 2016:

	Balance July 01, 2015	(A) Additions	Retirements	Balance June 30, 2016	Due Within One Year	Due in More than One Year
Bonds payable	$77,847,743	$1,069,131	($5,781,567)	$73,135,307	$5,565,000	$67,570,307
Loans payable	24,135,000		(790,000)	23,345,000	830,000	22,515,000
Notes payable	15,482,536		(478,933)	15,003,603	490,191	14,513,412
Total	$117,465,279	$1,069,131	($7,050,500)	$111,483,910	$6,885,191	$104,598,719

(A) Includes bond accretion for capital appreciation bonds totaling $1,069,131.

Bonds Payable

Bonds payable at June 30, 2016 consisted of the following:

	Net
Harbour Tax Allocation Refunding Bonds - 1998 Series A	$7,745,586
Subordinate Tax Allocation Bonds - 2007 Series B	11,610,455
Subordinate Tax Allocation Refunding Bonds - 2010 Series A	27,640,000
Successor Agency of RCRA Refunding Bonds - 2014 Series A & B	26,139,266
Total	$73,135,307

1998 Harbour Redevelopment Project Tax Allocation Refunding Bonds Series A – Original Issue $21,862,779

The bonds were issued by the Agency to refinance a portion of the 1991 Harbour Redevelopment Project Tax Allocation Refunding Bonds, refinance certain loans from the City to the Agency, which were used by the City to finance certain publicly owned capital projects, finance certain redevelopment activities within the Harbour Redevelopment Project Area, fund a reserve account and pay certain costs of issuance of the 1998 bonds. The bonds mature annually through 2023, in amounts ranging from $50,000 to $1,130,000. Interest rates vary from 3.5% to a maximum of 5.2% and are payable semiannually on January 1 and July 1. The bonds are secured by a pledge of tax revenues derived from taxable property within the Harbour Project Area. On March 27, 2014, the Agency issued the Successor Agency to the Richmond Community Redevelopment Agency Refunding Bonds 2014 Series A & B which resulted in the defeasance of the outstanding balance of the current interest portion of the bonds in the amount of $9,180,000, as discussed below.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

At June 30, 2016, the Bonds consisted of the following:

	Value	Accretion/ Amortization	Unamortized Premium (Discount)	Net
Capital appreciation bonds	$9,200,000	$384,156	($1,838,570)	$7,745,586

The annual debt service requirements on the bonds are as follows:

For the Years Ending June 30,	Principal
2017	$1,150,000
2018	1,150,000
2019	1,150,000
2020	1,150,000
2021	1,150,000
2022-2024	3,450,000
Total	$9,200,000

Richmond Community Redevelopment Agency Subordinate Tax Allocation Bonds Series 2007A and Series B - Original Issue Series A $65,400,000, Series B $9,772,622

On July 12, 2007 the Redevelopment Agency issued Series 2007A Subordinate Tax Allocation Bonds in the amount of $65,400,000. The proceeds from the Bonds were used to pay the amount of $22,000,000 to the City to assist with the financing of the Civic Center Project, and to fund other Redevelopment Agency projects.

The 2007A Subordinate Tax Allocation Bonds were issued as variable auction rate bonds with interest calculated every thirty-five days, however, the Agency entered into a 29-year interest rate swap agreement for the entire amount of its 2007A Subordinate Tax Allocation Bonds. In fiscal year 2010 the Agency experienced a significant decline in tax increment revenue. In order to bring debt service in line with current revenues and maintain compliance with the required 1.4:1 tax increment to debt service coverage ratio, the Agency suspended a number of projects originally funded by the 2007A Bonds and applied approximately $36 million of the unspent 2007A proceeds and other available funds along with the proceeds from the issuance of the Subordinate Tax Allocation Refunding Bonds, Series 2010A to refund the outstanding balance of the 2007A Bonds. As part of the issuance of the 2010A Bonds, the interest rate swap agreement associated with the 2007A Bonds was amended and restated as discussed with the Series 2010A Bonds below.

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

On July 12, 2007 the Redevelopment Agency issued Series 2007B Housing Set-Aside Subordinate Tax Allocation Capital Appreciation Bonds in the amount of $9,772,622 at interest rates ranging from 5.57% to 6.40%. The proceeds from the 2007B Bonds will be used to finance certain low and moderate income housing activities of the Redevelopment Agency. The 2007B Bonds mature annually through 2037, in amounts ranging from $465,000 to $2,020,000. The 2007B Bonds are secured by a pledge of subordinated housing and non-housing tax revenues.

At June 30, 2016, the 2007B Bonds consisted of the following:

	Maturity Value	Accretion/ Amortization	Unamortized Premium (Discount)	Net
Capital appreciation bonds	$20,855,000	$684,975	($9,929,520)	$11,610,455

The annual debt service requirements on the 2007B Bonds are as follows:

For the Years Ending June 30,	Principal
2017	
2018	$935,000
2019	990,000
2020	1,040,000
2021	1,415,000
2022-2026	5,665,000
2027-2031	5,800,000
2032-2036	4,175,000
2037	835,000
Total	$20,855,000

2010 Subordinate Tax Allocation Refunding Bonds Series A – Original Issue $33,740,000

The 2010A Bonds were issued on March 31, 2010 by the Agency. The proceeds of the 2010A Bonds were used to refund all of the outstanding Series 2007A Subordinate Tax Allocation Bonds. Interest rates range from 3.00% to 6.125% and are payable semiannually on March 1 and September 1. The 2010A Bonds mature annually through 2037 and are secured by a pledge of certain tax increment revenues derived from taxable property within the Merged Project Area.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

In connection with the issuance of the Series 2007A Subordinate Tax Allocation Bonds, the Agency entered into a swap agreement for $65,400,000, the entire amount of the 2007 A Bonds. With the issuance of the 2010A Bonds, the Agency amended and restated the swap agreement. The amended agreement requires the Agency to make and receive payments based on variable interest rates. The Agency will make payments based on a variable interest rate equal to 100% of SIFMA plus a fixed percentage of 0.83% and the Agency will receive variable rate interest payments equal to 68% of 1-month LIBOR from the swap counterparty. With the issuance of the 2014 Successor Agency to the Richmond Redevelopment Agency Refunding Bonds, the Successor Agency amended the swap agreement to subordinate the termination payment provisions of the swap agreement to the debt service on the 2014 Bonds.

The annual debt service requirements on the bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$1,165,000	$2,019,455	$3,184,455
2018	1,240,000	1,946,446	3,186,446
2019	1,325,000	1,864,331	3,189,331
2020	1,015,000	1,785,745	2,800,745
2021	1,270,000	1,688,909	2,958,909
2022-2026	6,980,000	7,029,013	14,009,013
2027-2031	9,610,000	3,371,633	12,981,633
2032-2036	4,020,000	1,291,900	5,311,900
2037	1,015,000	34,735	1,049,735
Total	$27,640,000	$21,032,167	$48,672,167

Interest Rate Swap Agreement

The Agency entered into an interest swap agreement in connection with the 2010A Subordinate Tax Allocation Refunding Bonds. The transaction allows the Agency to create a synthetic variable rate on the Bonds. The terms, fair value and credit risk of the swap agreement are disclosed below.

Terms. The terms, including the counterparty credit rating of the outstanding swap, as of June 30, 2016 are included below. The swap agreement contains scheduled reductions to the outstanding notional amount.

Outstanding Notional Amount	Effective Date	Counterparty	Long-Term Credit Rating (S&P/Moody's/Fitch)	Variable Rate Paid	Variable Rate Received	Fair Value at June 30, 2016	Termination Date
$52,000,000	7/12/2007	Royal Bank of Canada	AA-/Aa3/AA	SIFMA Municipal Swap Index	68% of USD-1 Month LIBOR	($5,332,800)	9/1/2036

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

Based on the swap agreement, the Agency owes interest calculated at a variable rate to the counterparty of the swap, and in return, the counterparty owes the Agency interest based on a variable rate. Debt principal is not exchanged; the outstanding notional amount of the swap is the basis on which the swap receipts and payments are calculated.

Fair value. Fair value of the swap takes into consideration the prevailing interest rate environment, the specific terms and conditions of each transaction and any upfront payments that may have been received. Fair value was estimated using the zero-coupon discounting method. This method calculates the future payments required by the swap, assuming that the current forward rates implied by the LIBOR swap yield curve are the market's best estimate of future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for a hypothetical zero-coupon rate bond due on the date of each future net settlement on the swap. The swap is classified as Level 2 of the fair value hierarchy, using a market approach that considers the observable swap rates commonly quoted for the full term of the swap. As of June 30, 2016, the fair value of the swap was in favor of the counterparty.

The fair value represents the maximum loss that would be recognized at the reporting date if the counterparty failed to perform as contracted. The Agency has accounted for the change in fair value of the ineffective hedge as noted below:

	Changes in Fair Value		Fair value at June 30, 2016	
	Classification	Amount	Classification	Amount
Pay-Variable, Receive-Variable				
2010A Subordinate Tax Allocation Refunding Bonds	Investment revenue	($11,141,800)	Investment	($5,332,800)

Credit risk. As of June 30, 2016, the Agency was not exposed to credit risk on the outstanding swap because the swap had a negative fair value. However, if *interest* rates increase and the fair value of the swap were to become positive, the Agency would be exposed to credit risk. The Agency will be exposed to interest rate risk only if the counterparty to the swap defaults or if the swap is terminated.

Interest rate risk. The swap increases the Agency's exposure to variable interest rates. As the SIFMA Municipal Swap Index Rate increases or the LIBOR decreases, the Agency's net payment on the swap increases.

Basis risk. Basis risk is the risk that the interest rate paid by the Agency on the underlying fixed rate bonds to the *bondholders* temporarily differs from the variable swap rate received from the counterparty. The Agency bears basis risk on the swap. The swap has basis risk since the Agency receives a percentage of the LIBOR Index to offset the fixed bond rate the Agency pays on the underlying Bonds. The Agency is exposed to basis risk should the floating rate that it receives on a swap be less than the fixed rate the Agency pays on the bonds. Depending on the magnitude and duration of any basis risk shortfall, the expected cost of the basis risk may vary.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

A portion of this basis risk is tax risk. The Agency is exposed to tax risk when the relationship between the taxable LIBOR based swap and tax-exempt fixed rate bond changes as a result of a reduction in federal and state income tax rates. Should the relationship between LIBOR and the underlying tax-exempt fixed rate bonds converge the Agency is exposed to this basis risk.

Termination risk. The Agency may terminate if the other party fails to perform under the terms of the contract. The Agency will be exposed to variable rates if the counterparty to the swap contract defaults or if the swap contract is terminated. A termination of the swap contract may also result in the Agency's making or receiving a termination payment based on market interest rates at the time of the termination. If at the time of termination the swap has a negative fair value, the Agency would be liable to the counterparty for a payment equal to the swap's fair value.

Swap payments and associated debt. Using rates as of June 30, 2016, debt service requirements of the Agency's outstanding fixed rate Bonds and net swap payments assuming current interest rates remain the same for their term, are as follows. As rates vary, fixed rate bond *interest* payments and net swap payments will vary. These payments below are included in the Debt Service Requirements above:

For the Years	Fixed-Rate Bonds		Interest Rate	
Ending June 30,	Principal	Interest	Swap, Net	Total

Successor Agency to the Richmond Community Redevelopment Agency Refunding Bonds 2014 Series A & B – Original Issue Amounts $25,795,000 and $1,655,000, respectively

The 2014 A & B Bonds were issued on March 27, 2014 by the Successor Agency to the Richmond Community Redevelopment Agency. The proceeds of the Bonds, together with other available funds, were used to refund and defease the outstanding balance of the current interest portion of the 1998 Harbour Redevelopment Project Tax Allocation Refunding Bonds Series A, and the outstanding balances of the Richmond Joint Powers Financing Authority Tax Allocation Revenue Bonds Series 2000 A & B and Richmond Joint Powers Financing Authority Tax Allocation Revenue Bonds Series 2003A. Interest rates range from 1.40% to 5.00% and is payable semiannually on March 1 and September 1. The 2014A Bonds mature annually on each September 1 through 2025 while the 2014B Bonds mature annually on each September 1 through 2018. Both Bonds are secured by a pledge of Redevelopment Property Tax Trust Fund revenues. The outstanding balances of the defeased debt as of June 30, 2016 were as follows:

Harbour Tax Allocation Refunding Bonds - 1998 Series A	$7,700,000
JPFA Tax Allocation Revenue Bonds - 2000 Series A & B	8,395,000
JPFA Tax Allocation Revenue Bonds - 2003 Series A	12,205,000
	$28,300,000

At June 30, 2016, the 2014 A & B Bonds consisted of the following:

Bonds outstanding:	$24,305,000
Unamortized premium	1,834,266
Net	$26,139,266

The annual debt service requirements on the A & B bonds are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$3,250,000	$1,027,195	$4,277,195
2018	3,375,000	903,144	4,278,144
2019	3,505,000	771,512	4,276,512
2020	1,775,000	659,375	2,434,375
2021	1,870,000	568,250	2,438,250
2022-2026	10,530,000	1,336,000	11,866,000
Total	$24,305,000	$5,265,476	$29,570,476

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

Loans Payable

The Richmond Joint Powers Financing Authority (Authority) has issued the Bonds listed below to assist in financing the Agency's operations. The Authority has retained reserve amounts required under the respective Bond indentures and loaned the net proceeds of these Bond issues to the Agency. The Authority is responsible for paying principal and interest on the Bonds; the Agency is responsible for making payments to the Authority in the amounts shown below.

The outstanding balances of loans payable to the Authority at June 30, 2016 came from the Bond issues listed below:

JPFA Tax Allocation Revenue Bonds - 2003 Series B	$9,155,000
JPFA Tax Allocation Revenue Bonds - 2004 Series A & B	14,190,000
Total	$23,345,000

Loan from the Authority dated August 1, 2003

In 2003, the Authority issued 2003 Tax Allocation Revenue Bonds Series A and Series B in the original amount of $28,580,000. The net proceeds of the bond issue were loaned to the Agency to provide funding for certain capital improvements and to repay the City of Richmond $18,000,000 in partial payment of prior obligations. Under the terms of the loan agreement between the Agency and the Authority dated August 1, 2003, repayment of the loan is being made from certain tax increment revenues derived from taxable property within the Post-2004 Limit Area pledged by the Agency for the purpose of loan repayment. On March 27, 2014, the Agency issued the Successor Agency to the Richmond Community Redevelopment Agency Refunding Bonds 2014 Series A & B which resulted in the refunding and defeasance of the outstanding balance of the 2003 Series A Bonds in the amount of $12,910,000, as discussed above.

The annual debt service requirements on the 2003 Series B loan as of June 30, 2016 are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$525,000	$554,035	$1,079,035
2018	555,000	522,391	1,077,391
2019	590,000	488,842	1,078,842
2020	735,000	448,403	1,183,403
2021	785,000	400,523	1,185,523
2022-2026	5,965,000	1,094,154	7,059,154
Total	$9,155,000	$3,508,348	$12,663,348

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

Loan from the Authority dated October 1, 2004

In 2004, the Authority issued the 2004 Tax Allocation Revenue Bonds Series A and Series B in the original amounts of $15,000,000 and $2,000,000, respectively. The net proceeds of the bond issue were loaned to the Agency to provide funding for certain capital improvements, low/moderate income housing and to repay the City of Richmond $6,367,031 in prior obligations. Under the terms of the loan agreement between the Agency and the Authority dated August 1, 2003, repayment of the loan is being made from certain subordinate housing and non-housing tax increment revenues derived from the taxable property within the Merged Project Area pledged by the Agency for the purpose of loan repayment.

The annual debt service requirements for these loans as of June 30, 2016 are as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$305,000	$737,664	$1,042,664
2018	320,000	722,711	1,042,711
2019	335,000	707,050	1,042,050
2020	3,105,000	620,564	3,725,564
2021	680,000	525,014	1,205,014
2022-2026	4,090,000	2,011,442	6,101,442
2027	5,355,000	145,106	5,500,106
Total	$14,190,000	$5,469,551	$19,659,551

Pledge of Redevelopment Tax Increment Revenues

The Bond issues and loans payable to the Authority discussed above consist of senior and parity obligations secured by future tax increment revenues. The pledge of all future tax increment revenues (housing and non-housing revenue) ends upon repayment of $140,620,542 remaining debt service on the Bonds and loans which is scheduled to occur in 2027.

With the dissolution of the Redevelopment Agency discussed above, Tax Increment is no longer distributed, and instead the Successor Agency receives payments from the County's Redevelopment Property Tax Trust Fund (RPTTF) that are to be used to fund debt service on the Bonds, with no distinction between housing and non-housing revenues. In addition, under the provisions of the laws dissolving the Redevelopment Agency, the Successor Agency only receives the funds necessary to fulfill its approved obligations. Total property taxes available for distribution to the Successor Agency and other taxing entities for fiscal year 2016 calculated by the County Auditor–Controller were $22,309,990. The total received by the Successor Agency for fiscal year 2016 debt service and other enforceable obligations was $19,953,198 and debt service was $10,661,960.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 17– REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

Notes Payable

HUD Section 108 Loans	$3,722,000
SERAF Loan	11,281,603
Total	$15,003,603

HUD Section 108 – Original Amount $3,000,000

In fiscal 2004, the Agency entered into a Disposition and Development Agreement to receive a Section 108 loan from the Department of Housing and Urban Development to finance costs related to the Ford Assembly Building project. Interest is payable quarterly and the interest rate is fixed at 2.58% or, in specific conditions, adjusted to the latest LIBOR Rate. The principal payments are due annually from 2009 through 2026 as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017	$171,000	$91,422	$262,422
2018	175,000	83,602	258,602
2019	180,000	75,454	255,454
2020	184,000	66,816	250,816
2021	189,000	57,648	246,648
2022-2026	1,021,000	136,360	1,157,360
Total	$1,920,000	$511,302	$2,431,302

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

HUD Section 108 – Original Amount $3,500,000

In fiscal 2006, the City received a Section 108 loan from the Department of Housing and Urban Development to finance costs related to the North Richmond-Iron Triangle project. The loan proceeds were given to the Agency for the project, therefore the Agency is responsible for the repayment of the loan. Interest is payable quarterly and the interest rate is fixed at 2.58% or, in specific conditions, adjusted to the latest LIBOR Rate. During the fiscal year ended June 30, 2015, the City received CDBG grant funds from HUD in the amount of $1,092,323 for the partial repayment of the loan, which were transferred to the Agency to retire that portion of the loan. The payment included $998,000 in principal and $104,323 in interest. The principal payments are due annually from 2012 through 2026 as follows:

For the Years Ending June 30,	Principal	Interest	Total
2017		$46,491	$46,491
2018		46,491	46,491
2019		46,491	46,491
2020	$102,000	44,079	146,079
2021	250,000	37,948	287,948
2022-2026	1,450,000	82,841	1,532,841
Total	$1,802,000	$304,341	$2,106,341

SERAF Loan

The State of California adopted AB26 4X in July 2009 which directs that a portion of the incremental property taxes received by the redevelopment agencies, be paid instead to the County supplemental educational revenue augmentation fund (SERAF) in fiscal years 2010 and 2011. The Agency did not have the resources to make these payments and instead was able to enter into a structured payment plan agreement with the State Department of Finance that allows the payments to the County to be made over a ten year period. The loan bears interest at a rate of 2%. Payments of principal and interest are due on an annual basis, commencing May 10, 2014.

For the Years Ending June 30,	Principal	Interest	Total
2017	$319,191	$225,632	$544,823
2018	325,575	219,248	544,823
2019	332,087	212,737	544,824
2020	338,728	206,095	544,823
2021	9,966,022		9,966,022
Total	$11,281,603	$863,712	$12,145,315

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

Debt Without Agency or City Commitment

A special assessment district has been established in an area of the Agency to provide improvements to properties located in that district. Properties in the district are assessed for the cost of improvements; these assessments are payable solely by property owners over the term of the debt issued to finance these improvements. The Agency is not legally or morally obligated to pay these debts or be the purchaser of last resort of any foreclosed properties in these special assessment districts, nor is it obligated to advance Agency funds to repay these debts in the event of default.

One District, Marina Westshore Community Facilities District No. 1998-1, had issued Community Facilities District No. 1998-1 Special Tax Bonds which had a remaining balance outstanding of $2,860,000 at June 30, 2016.

Conduit Debt

The Agency has assisted private-sector entities by sponsoring their issuance of debt for purposes the Agency deems to be in the public interest. These debt issues are secured solely by the property financed by the debt. The Agency is not legally or morally obligated to pay these debts or be the purchaser of last resort of any foreclosed properties secured by these debts, nor is it obligated to advance Agency funds to repay these debts in the event of default by any of these issuers. At June 30, 2016, the balances of these issuers' outstanding debts were as follows:

Baycliff Apartment Project, 2004 Revenue Bonds	$26,490,000
Crescent Park Apartment Project, 2007 Series A & Series A-T Revenue Bonds	27,104,008

E. Commitments and Contingencies

State Approval of Enforceable Obligations

The Successor Agency prepares a Recognized Obligation Payment Schedule (ROPS) annually that contains all proposed expenditures for the subsequent twelve-month period. The ROPS is subject to the review and approval of the Oversight Board as well as the State Department of Finance. Although the State Department of Finance may not question items included on the ROPS in one period, they may question the same items in a future period and disallow associated activities. The amount, if any, of current obligations that may be denied by the State Department of Finance cannot be determined at this time. The City expects such amounts, if any, to be immaterial.

Miraflores – Pollution Remediation

The City, through the former Redevelopment Agency, has undertaken a known pollution remediation project at the Miraflores Housing Development site. The Successor Agency assumed the administration of the project as of February 1, 2012. Clean up of the 14 acre former flower nursery site, located at South 45th Street and Wall Avenue, will provide future residential and open space land. The remediation phase of the Miraflores project was completed during the fiscal year ended June 30, 2015.

NOTE 17 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (Continued)

At the time the original Remedial Action Plan was prepared, the original cost of the preferred alternative remediation was estimated to be $3,200,000. As of June 30, 2015, the estimate had increased to $13.6 million. During the fiscal year ended June 30, 2016, the Agency decreased the remediation estimate to $13.4 million. The Agency spent $13.2 million in pollution remediation costs since the project's inception through June 30, 2016, leaving a remaining estimated pollution liability of $232,000 at June 30, 2016 for ongoing monitoring costs. The Successor Agency has recorded this amount as an accrued liability in the Statement of Fiduciary Net Position, however this obligation is an estimate and is subject to changes resulting from price increases or reductions, technology, or changes in applicable laws or regulations.

Marina Bay – Pollution Remediation

The Successor Agency owns a group of land tracts collectively referenced as the "Nine Deed Restricted Properties." The Successor Agency is named as a responsible party at these sites under a Voluntary Cleanup Agreement with the State Department of Toxic Substances Control (DTSC) to conduct pollution monitoring and remediation. These nine properties sit within the larger Marina Bay development site. A Remediation Action Plan (RAP) was prepared for Marina Bay in 1993, and included references to each of the Deed Restricted Properties. Eight of the nine deed restricted properties are subject to an Operations & Maintenance (O&M) Plan. The O&M Plans require annual inspections of the cap material and reporting of the findings to DTSC. The O&M Plans also require that a five-year review report be prepared and submitted to DTSC. The five-year review reports describe the inspection and maintenance activities that were performed over the previous five years. The annual monitoring costs are estimated at $8,700, with the five year review estimated at $45,000. The monitoring costs over a five year period are estimated at $88,500.

The RAP was subsequently amended in 2008 to address Area T, one of the Nine Deed Restricted Properties. The amended RAP subjects the site to groundwater sampling, analysis, and remediation. The approximate annual costs for the existing groundwater sampling, analysis and remediation program is approximately $49,500. The known pollution at this site is a layer of petroleum hydrocarbons above groundwater and petroleum hydrocarbons dissolved in groundwater. Active remediation has been conducted since September 2008 by the former Redevelopment Agency and now by the Successor Agency. DTSC requested that the Successor Agency submit a work plan describing the methods to enhance the recovery of free product and dissolved petroleum hydrocarbons at Area T. The Successor Agency submitted a Work Plan for Enhancement of Groundwater Remediation Program to DTSC in March 2015 (Work Plan). DTSC approved the Work Plan in April 2015. The cost to implement the enhanced groundwater remediation program is estimated at $115,000. This preliminary estimate has not been accrued as a liability in the Successor Agency's Statement of Fiduciary Net Position. This estimate is subject to change as the draft work plan moves through the regulatory review process. This estimate is also subject to change from price increases or reductions, technology, and changes in applicable laws or regulations.

CITY OF RICHMOND
NOTES TO BASIC FINANCIAL STATEMENTS
For the Year Ended June 30, 2016

NOTE 18 – SUBSEQUENT EVENTS

A. CalPERS Discount Rate

In December 2016, CalPERS' Board of Directors voted to lower the discount rate used in its actuarial valuations from 7.5% to 7.0% over three fiscal years, beginning in fiscal year 2018. The change in the discount rate will affect the contribution rates for employers beginning in fiscal year 2019, and result in increases to employers' normal costs and unfunded actuarial liabilities.

B. Terminal One Land Sale

The City is in contract with Terminal One Development, LCC, to sell an approximately 10-acre site for development purposes at a price of $10 million. The developer has paid the City $500,000 in a non-refundable deposit, with the balance of $9.5 million due following the granting of all entitlements and close of escrow. Following City Council certification of the environmental impact report (EIR) for the project in July 2016, a lawsuit was filed that challenged certification of the EIR. A settlement was reached by all parties to this lawsuit in November 2016, which allows the project entitlement process to proceed. Close of escrow on the real estate sale by the City to Terminal One Development, LLC, including the transfer of the $9.5 million balance due from the developer to the City, is anticipated in October 2017.

NOTES TO BUDGETARY COMPARISON SCHEDULES

Budgets and Budgetary Accounting

The City adopts a budget annually to be effective July 1, for the ensuing fiscal year. Budgeted expenditures are adopted through the passage of a resolution. This resolution constitutes the maximum authorized expenditures for the fiscal year and cannot legally be exceeded except by subsequent amendments of the budget by the City Council.

The City uses an encumbrance system as an extension of normal budgetary accounting for the General Fund, special revenue funds, and capital projects funds. Under this system, purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of applicable appropriations. Encumbrances outstanding at year-end are recorded as reservations of fund balance since they do not constitute expenditures or liabilities. Outstanding encumbrances at year-end are reappropriated for the following year. Unencumbered and unexpended appropriations lapse at year-end.

An operating budget is adopted each fiscal year on a basis consistent with Generally Accepted Accounting Principles (GAAP) for the General Fund, certain Special Revenue Funds (State Gas Tax, General Purpose, Paratransit Operations, Public Safety, Cost Recovery, Lighting and Landscaping Districts, Developer Impact Fees, Community Development and Loan Programs, and Richmond Neighborhood Stabilization Corporation) and certain debt service funds (2005 Pension Obligation Bonds, General Debt Service and Civic Center Debt Service). Public hearings are conducted on the proposed budgets to review all appropriations and sources of financing. Capital projects funds are budgeted on a project length basis and are therefore not comparable on an annual basis.

Expenditures are controlled at the fund level for all budgeted departments within the City. This is the level at which expenditures may not legally exceed appropriations. Budgeted amounts for the Statement of Revenues, Expenditures and Changes in Fund Balances-Budget and Actual include budget amendments approved by City Council.

Measurement Date	**6/30/2014**	**6/30/2015**
Total Pension Liability		
Service Cost	$ 7,816,868	$ 7,446,410
Interest	30,597,498	31,414,256
Differences between expected and actual experience		(5,280,549)
Changes in assumptions		(7,116,200)
Changes in benefits		
Benefit payments, including refunds of employee contributions	(23,007,539)	(23,302,793)
Net change in total pension liability	15,406,827	3,161,124
Total pension liability - beginning	415,561,984	430,968,811
Total pension liability - ending (a)	$ 430,968,811	$ 434,129,935
Plan fiduciary net position		
Contributions - employer	$ 6,661,038	$ 7,189,716
Contributions - employee	3,195,699	3,141,565
Net investment income (1)	51,867,728	7,502,958
Plan to plan resource movement		(6,885)
Administrative expense		(379,925)
Benefit payments, including refunds of employee contributions	(23,007,539)	(23,302,793)
Net change in plan fiduciary net position	38,716,926	(5,855,364)
Plan fiduciary net position - beginning	304,680,611	343,397,537
Plan fiduciary net position - ending (b)	$ 343,397,537	$ 337,542,173
Net pension liability - ending (a)-(b)	$ 87,571,274	$ 96,587,762
Plan fiduciary net position as a percentage of the total pension liability	79.68%	77.75%
Covered payroll	$ 37,210,225	$ 36,151,102
Net pension liability as percentage of covered payroll	235.34%	267.18%

Notes to Schedule:

(1) Net of administrative expense in 2014.

Benefit changes. The figures above do not include any liability impact that may have resulted from plan changes which occurred after the actuarial valuation date. This applies for voluntary benefit changes as well as any offers of Two Years Additional Service Credit (a.k.a. Golden Handshakes).

Changes in assumptions. GASB 68, paragraph 68 states that the long long-term expected rate of return should be determined net of pension plan investment expense, but without reduction for pension plan administrative expense. The discount rate of 7.50% used for the June 30, 2014 measurement date was net of administrative expenses. The discount rate of 7.65% used for the June 30, 2015 measurement date is without reduction of pension plan administrative expense. All other assumptions for the June 30, 2014 measurement date were the same as those used for the June 30, 2015 measurement date.

* - Fiscal year 2015 was the 1st year of implementation.

SCHEDULE OF CONTRIBUTIONS

Fiscal Year Ended June 30	**2015**	**2016**
Actuarially determined contribution	$ 7,178,549	$ 8,084,584
Contributions in relation to the actuarially determined contributions	(7,178,549)	(8,084,584)
Contribution deficiency (excess)	$ -	$ -
Covered payroll	$ 36,151,102	$ 36,638,889
Contributions as a percentage of covered payroll	19.86%	22.07%
Notes to Schedule		
Valuation date:	6/30/2012	6/30/2013

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry age normal
Amortization method	Level percentage of payroll, closed
Average remaining amortization period	24 years as of valuation date
Asset valuation method	15 year Smoothed Market value
Inflation	2.75%
Salary increases	Varies by Entry Age and Service
Investment rate of return	7.50%, net of pension plan investment and administrative expenses, includes inflation
Retirement age	The probability of Retirement are based on the 2010 CalPERS Experience Study for the period from 1997 to 2007.
Mortality Rate Table	The probabilities of mortality are based on the 2010 CalPERS Experience Study for the period from 1997 to 2007. Pre-retirement and Post-retirement mortality rates include 5 years of projected mortality improvement using Scale AA published by the Society of Actuaries.

* - Fiscal year 2015 was the 1st year of implementation.

SCHEDULE OF CONTRIBUTIONS (Continued)

Notes to Schedule:

	Police and Firemen's Plan	General Pension Plan	Garfield Pension Plan
Actuarially determined contribution rates are calculated as of the end of the fiscal year in which contributions are reported.			
Methods and assumptions used to determine contribution rates:			
Actuarial cost method	Entry age normal cost	Entry age normal cost	Entry age normal cost
Amortization method	**Investment Gains & Losses:** Straight-line amortization over a closed 5-year period. **Effects of Assumptions Changes and Experience Gains and Losses:** Straight-line amortization over a closed period equal to the average of the expected remaining service lives of all members that are provided with pensions through the pension plan. Since the plan no longer has active members, the effects of assumption changes and experience gains and losses are recognized immediately.		
Remaining amortization period	5 years	5 years	5 years
Asset valuation method	Market value of assets	Market value of assets	Market value of assets
Inflation	2.75%	2.75%	2.75%
Salary increases used to estimate future increases to pensions	N/A	N/A	N/A
Discount rate, net of investment expenses	5.75%	3.00%	3.00%
Retirement age	Closed to new members	Closed to new members	Closed to new members
Mortality	California PERS Mortality Table in its 2014 experience study (based on CalPERS 2001 - 2011 experience)		

SCHEDULE OF INVESTMENT RETURNS

Last 10 Fiscal Years *

Annual money-weighted rate of return, net of investment expense	2014	2015	2016
Police and Fireman's Plan	3.90%	2.40%	-1.20%
General Pension Plan	0.10%	0.30%	0.30%
Garfield Pension Plan	0.40%	0.30%	0.40%

* Fiscal year 2014 was the 1st year of implementation.

OTHER POST-EMPLOYMENT BENEFITS PLAN SCHEDULES

SCHEDULE OF CONTRIBUTIONS

The Plan's annual required contributions and actual contributions for the last three fiscal years are set forth below:

Fiscal Year	Annual OPEB Cost	Actual Contribution	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation (Asset)
6/30/2014	$11,427,000	$2,012,286	18%	$30,883,892
6/30/2015	12,081,000	3,889,097	32%	39,075,795
6/30/2016	18,295,182	7,732,440	42%	49,638,537

SCHEDULE OF FUNDING PROGRESS

The Schedule of Funding Progress below presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits. Trend data from the actuarial studies is presented below:

Actuarial Valuation Date	Actuarial Value of Assets (A)	Entry Age Actuarial Accrued Liability (B)	Overfunded (Underfunded) Actuarial Accrued Liability (A - B)	Funded Ratio (A/B)	Covered Payroll (C)	Overfunded (Underfunded) Actuarial Liability as Percentage of Covered Payroll [(A - B)/C]
7/1/2011	$1,804,000	$94,486,000	($92,682,000)	1.9%	$72,327,000	-128%
7/1/2013	986,000	126,447,000	(125,461,000)	0.8%	71,393,000	-176%
7/1/2015	345,000	196,379,000	(196,034,000)	0.2%	73,167,000	-268%

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

State Gas Tax Fund accounts for the subventions received from state gas taxes under the provision of the Streets and Highways Code. State gas taxes are restricted to uses for street construction activities including location of underground utilities, geotechnical work relating to identification of soil and groundwater contamination, materials sampling and testing.

General Purpose Fund accounts for other restricted monies that are to be used for the specific purposes for which the funds were set up.

Paratransit Operations Fund accounts for monies used to provide subsidized, accessible transportation to the seniors and disabled residents of the City of Richmond and the adjacent unincorporated areas of West Contra Costa County.

Employment & Training Fund is a fund set up to plan, administer and operate job training programs for the adult and youth residents of Richmond.

Public Safety Fund records the receipt and use of grant monies under the Local Law Enforcements Block Grant Program, Office of Traffic Safety Grants, OES Grants, FEMA Grants and various other grants.

Lighting and Landscaping Districts Fund was set up to account for maintenance services in the nature of landscaping, lighting, cleaning provided to the Hilltop parking lot area, the Marina Way Development area, and the Marina Bay area.

Developer Impact Fees Fund is used to account for monies received from fees levied by the City on new commercial and residential projects. These funds will be used to mitigate the additional public safety and infrastructure costs resulting from these development projects.

Secured Pension Override Fund – The Secured Pension Override Fund records the receipt of Pension Tax override collected through property taxes for payment of pension contributions.

Richmond Neighborhood Stabilization Corporation Fund - The Richmond Neighborhood Stabilization Corporation Special Revenue Fund accounts for the activities of the Corporation.

NON-MAJOR GOVERNMENTAL FUNDS (Continued)

DEBT SERVICE FUNDS

2005 Pension Obligation Bonds Debt Service Fund receives transfers from the General Fund and the Pension Tax Override Fund, and pays the debt service on the 2005 Pension Obligation Bonds.

General Debt Service Fund accounts for monies received in connection with the 1995A and the 1999 Series A Pension Obligation Bonds and the related payments on such debt. The 1995 Series A bonds were to refinance the cost of capital improvements, and the 1999 Series A bonds were issued to find a portion of the unfunded accrued actuarial liability in the Pension Fund.

CAPITAL PROJECTS FUNDS

General Capital Improvement Fund accounts for monies designated for capital improvement projects.

Measure C/J Fund was set up when the voters of Contra Costa County approved Measure C providing for the creation of the Contra Costa County Transportation Authority. The half-cent transportation sales tax was renewed under Measure J, effective April 1, 2009. The Authority collects one-half of one percent sales and use tax. Twenty percent of this tax is allocated to the City of Richmond to be used for the improvement of local transportation, including streets and roads in accordance with Measure C and Measure J compliance.

Harbor Navigation Fund records the expenses relating to the construction of certain public improvements relating to the Port of Richmond consisting of dredging and deepening of the Richmond Harbor.

NON-MAJOR ENTERPRISE FUNDS

Richmond Marina Fund records revenues collected from berth rentals and the use of the marina facilities. The fund also records expenses incurred for the operation of the facility and for the payment of the loan from the California Department of Boating and Waterways.

Storm Sewer Fund records the revenues from storm water fees and transfers from operations reserves. It also records the expenses of maintaining a clean storm sewer system so that the City is in compliance with the federally mandated Storm Water Pollution Prevention Program.

Cable TV Fund was set up for the administration and enforcement of the franchise agreements with two cable television systems, management of municipal cable channel, departmental video services, media and public information, and telecommunications planning. The fund records revenue received from franchise fees and indirect charges to other funds and administration expenses incurred in operating the system.

INTERNAL SERVICE FUNDS

Internal Service Funds are used to finance and account for special activities and services performed by a designated department for other departments in the City on a cost reimbursement basis.

The concept of major funds introduced by GASB Statement 34 does not extend to internal service funds because they do not do business with outside parties. GASB Statement 34 requires that for the Statement of Activities, the net revenues or expenses of each internal service fund be eliminated by netting them against the operations of the other City departments which generated them. The remaining balance sheet items are consolidated with these same funds in the Statement of Net Position.

However, internal service funds are still presented separately in the Fund financial statements, including the funds below.

Insurance Reserves Fund is used to report activities related to employee's claims due to industrial injuries and activities related to general claims against the City for damages incurred.

Equipment Services and Replacement Fund is used to report activities related to maintenance and replacement of City vehicles.

Police Telecommunications Fund is used to report activities related to CAD dispatch, RMS records maintenance, and 800 MHz equipment expense.

Compensated Absences Fund is used to account for sick, vacation and compensatory time leave payouts related to employee retirements.

TRUST FUNDS

TRUST FUNDS are used to account for assets held by the City as a trustee agent for individuals, private organizations, and other governments. These funds include the following:

PENSION TRUST FUNDS

General Pension Fund records the activity of the General Pension Plan, a defined benefit pension plan that covers 28 former City employees not covered by PERS, all of whom have retired.

Police and Fireman's Pension Fund records the activity of the Police and Fireman's Pension Plan, a defined benefit pension plan that covers 75 police and fire personnel employed prior to October 1964.

Garfield Pension Fund records the activity of the Garfield Pension Plan, a defined contribution pension plan that was set up for a retired police chief.

PRIVATE-PURPOSE TRUST FUNDS

Pt. Molate Fund is used to account for assets held by the City as an agent for the U.S. Navy and a private developer for the cleanup of Point Molate.

Successor Agency to the Richmond Community Redevelopment Agency Fund accounts for the activities of the Successor Agency to the former Redevelopment Agency.

AGENCY FUNDS

AGENCY FUNDS account for assets held by the City as an agent for individuals, governmental entities, and non-public organizations. These funds include the following:

Special Assessment Fund accounts for the monies collected and disbursed for land-based debt, where the City is not obligated for the debt.

General Agency Fund accounts for assets held by the City as an agent for individuals, private organizations, and other governments.

Johnson Library Fund accounts for nonexpendable trust funds to be used to provide funding for special library projects.

Senior Center Fund accounts for assets held by the City in an agent capacity for programs benefiting the senior citizens residing within the City.

JPFA Reassessment Fund receives secured tax payments (from assessment rolls), and makes payments on the JPFA Revenue Reassessment Bonds Series 2003-1.

Payroll Benefits Fund accounts for accumulation of monies relating to employee and employer payroll liabilities.

2006 A&B Reassessment District Fund receives payments of principal and interest on prior assessment bonds, and makes payments on the JPFA Reassessment Revenue Bonds Series A and B.

Richmond Promise Fund accounts for assets belonging to the Richmond Promise non-profit organization held as an agent by the City.

STATISTICAL SECTION

This part of the City's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health. In contrast to the financial section, the statistical section information is not subject to independent audit.

Financial Trends
These schedules contain trend information to help the reader understand how the City's financial performance and wellbeing have changed over time:

1. Net Position by Component
2. Changes in Net Position
3. Fund Balances of Governmental Funds
4. Changes in Fund Balance of Governmental Funds

Revenue Capacity
These schedules contain information to help the reader assess the City's most significant local revenue source, the property tax:

1. Assessed and Estimated Actual Value of Taxable Property
2. Property Tax Rates, All Overlapping Governments
3. Principal Property Tax Payers
4. Property Tax Levies and Collections
5. Utility Users Tax Collections
6. Utility Users Tax Direct Rates
7. Top Ten Utility Users Taxpayers

Debt Capacity
These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future:

1. Ratio of Outstanding Debt by Type
2. Revenue Bond Coverage – 1999, 2006, 2008, 2010A & 2010B Wastewater Revenue Bonds
3. Revenue Bond Coverage – 1996, 1999, 2004, 2007 and 2009 Port Terminal Lease Revenue Bonds, Note and Point Potrero Lease Revenue Bonds.
4. Bonded Debt Pledged Revenue Coverage –Tax Allocation Bonds
5. General Bonded Debt – Pension Obligation Bonds
6. Computation of Direct and Overlapping Debt
7. Computation of Legal Bonded Debt Margin

Demographic and Economic Information
These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place:

1. Demographic and Economic Statistics
2. Principal Employers

Operating Information
These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs:

1. Full-Time Equivalent City Government Employees by Function
2. Operating Indicators by Function/Program
3. Capital Asset Statistics by Function/Program

Sources
Unless otherwise noted, the information in these schedules is derived from the Annual Financial Reports for the relevant year.

(a) The change in total fund balance for the General Fund and other governmental funds is explained in Management's Discussion and Analysis.
(b) The City implemented the provisions of GASB Statement 54 in fiscal year 2010, and years prior to 2009 have not been restated to conform with the new regulations.
(c) Balance was restated in fiscal year 2014. Years prior to 2013 have not been restated.

[1] Assessed value (full cash value) of taxable property represents all property within the City. For the fiscal year 1981-82 and thereafter, the assessed value is 100% of the full cash value in accordance with State legislation. The maximum tax rate is 1% of the full cash value or $1/$100 of the assessed value, excluding the tax rate for debt service.

[2] Exemptions are summarized as follows:
(a) Homeowners' exemption arises from Article XIII(25) which reimburses local governments for revenues lost through the homeowners' exemption in Article XIII(3)(k).
(b) Other exemptions are revenues lost to the City because of provisions of California Constitution, Article XIII(3).

[3] Tax increments are allocations made to the Redevelopment Agency under authority of California Constitution, Article XVI.

[4] California cities do not set their own direct tax rate. The state constitution establishes the rate at 1% and allocates a portion of that amount, by an annual calculation, to all the taxing entities within a tax rate area. The City of Richmond encompasses more than 92 tax rate areas.
See Property Tax Rates statistics for additional information.

NOTES:

(1) In 1978, California voters passed Proposition 13 which set the property tax rate at a 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of any voter approved bonds.

(2) Voter approved debt.

(3) Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all city property owners.

(4) City's Share of 1% Levy is based on the City's share of the general fund tax rate area with the largest next taxable value within the City. ERAF general fund tax shifts may not be included in tax ratio figures.

(5) RDA rate is based on the largest RDA tax rate area (TRA) and includes only rate(s) from indebtedness adopted prior to 1989 per California state statute. RDA direct and overlapping rates are applied only to the incremental property values.

(6) Total Direct Rate is the weighted average of all individual direct rates applied by the government preparing the statistical section information and excludes revenues derived from aircraft. Beginning in 2013/14 the Total Direct Rate no longer includes revenue generated from the former redevelopment tax rate areas. Challenges to recognized enforceable obligations are assumed to have been resolved during 2012/13. For the purposes the rates reported, residual revenue is assumed to be distributed to the City in the same proportions as general fund revenue.

NET COMBINED TOTAL DEBT			$956,190,229

(1) The percentage of overlapping debt applicable to the city is estimated using taxable assessed property value. Applicable percentages were estimated by determining the portion of the overlapping district's assessed value that is within the boundaries of the city divided by the district's total taxable assessed value.

(2) Excludes tax and revenue anticipation notes, enterprise revenue, mortgage revenue and tax allocation bonds and non-bonded capital lease obligations.

2014	368,446,575	0	368,446,575	0.00%
2015	440,390,400	0	440,390,400	0.00%
2016	480,061,088	0	480,061,088	0.00%

NOTE:

(a) California Government Code, Section 43605 sets the debt limit at 15%. The Code section was enacted prior to the change in basing assessed value to full market value when it was previously 25% of market value. Thus, the limit shown as 3.75% is one-fourth the limit to account for the adjustment of showing assessed valuation at full cash value.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

The following is a brief summary of certain provisions of the Indenture. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full terms of the Indenture. Reference is directed to the Indenture for the complete text thereof. Copies of the Indenture are available from the City Clerk of the City of Richmond.

Definitions

"**Accreted Value**" means, with respect to any Capital Appreciation Indebtedness, the principal amount thereof plus the interest accrued thereon, compounded at the interest rate thereon on each date as specified therein.

"**Annual Debt Service**" means, for any Bond Year, the aggregate amount of principal and interest on all Bonds and Parity Debt becoming due and payable during such Bond Year calculated using the principles and assumptions set forth under the definition of Debt Service.

"**Applicable Credit Provider**" means the Credit Provider providing a Credit Facility for a particular Series of Bonds.

"**Average Annual Debt Service**" means, as of any date of calculation, an amount equal to (i) the Annual Debt Service remaining to be paid on all Bonds and Parity Debt on the date of calculation, divided by (ii) the number of Bond Years (or partial years) commencing with the Bond Year of the date of calculation to and including the Bond Year which includes the first date on which none of such Bonds or Parity Debt remains Outstanding. Such interest and principal will be calculated on the assumption that no Bonds or Parity Debt at the date of calculation will cease to be Outstanding except by reason of the payment when due of each principal installment (including mandatory sinking account payments).

"**Balloon Indebtedness**" means any Series of Bonds or Parity Debt 50% or more of the principal of which matures or is payable on the same date and which is not required by the instrument pursuant to which such Bonds or Parity Debt were issued to be amortized by payment or redemption prior to such date.

"**Bond Obligation**" means, as of any given date of calculation, (1) with respect to any Current Interest Indebtedness, the principal amount thereof, and (2) with respect to any Capital Appreciation Indebtedness, the Accreted Value thereof.

"**Bond Year**" means the period beginning on July 1 of each year and ending on the next succeeding June 30, or any other twelve-month period thereafter selected and designated as the official fiscal year period of the City which designation will be provided to the Trustee in a Certificate of the City.

"**Bonds**" means the City of Richmond, California Wastewater Revenue Bonds authorized by, and at any time Outstanding pursuant to, the Indenture, including Credit Provider Bonds.

"**Business Day**" means any day other than (1) a Saturday, Sunday, or a day on which banking institutions in the State or the State of New York or California are authorized or obligated by law or executive order to be closed, and (2) for purposes of payments and other actions relating to Bonds secured by a letter of credit or supported by a liquidity facility, a day upon which commercial banks in the city in

which is located the office of the issuing bank at which demands for payment under such letter of credit or liquidity facility are to be presented are authorized or obligated by law or executive order to be closed.

"**Capital Appreciation Indebtedness**" means Bonds and Parity Debt on which interest is compounded and paid less frequently than annually.

"**Certificate**," "**Statement**," "**Request**," "**Requisition**" or "**Order**" of the City mean, respectively, a written certificate, statement, request, requisition or order signed in the name of the City by its City Manager, Finance Director or any other person authorized by the City Manager or Finance Director to execute such instruments. Any such instrument and supporting opinions or representations, if any, may, but need not, be combined in a single instrument with any other instrument, opinion or representation, and the two or more so combined will be read and construed as a single instrument. If and to the extent required by the Indenture, certificates and opinions will include the statements provided for in the Indenture.

"**Charter**" means the City Charter of the City, as amended from time to time.

"**City**" means the City of Richmond, California.

"**City Council**" means the City Council of the City or any other legislative body of the City thereafter provided for pursuant to law.

"**Code**" means the Internal Revenue Code of 1986, as amended, and the regulations issued thereunder.

"**Continuing Disclosure Agreement**" means any Continuing Disclosure Agreement executed and delivered by the City relating to any Series of Bonds.

"**Corporate Trust Office**" or "corporate trust office" means the corporate trust office of the Trustee at 400 South Hope Street, Suite 500, Los Angeles, California 90071, Attention: Corporate Trust Services, or such other or additional offices as may be designated by the Trustee.

"**Credit Agreement**" means, with respect to a Credit Facility, the agreement among the City, and the Applicable Credit Provider, as originally executed or as it may from time to time be replaced, supplemented or amended in accordance with the provisions of the Indenture, providing for the issuance of the Credit Facility and the reimbursement of the Credit Provider for drawings thereunder, and any subsequent agreement pursuant to which a substitute Credit Facility is provided, together with any related pledge agreement, security agreement or other security document.

"**Credit Facility**" means any letter of credit, guarantee, standby purchase agreement, bond insurance or other support arrangement or security or any combination of the foregoing, if any, provided by the Credit Provider pursuant to any Supplemental Indenture.

"**Credit Provider**" means the issuer or other provider of a Credit Facility with respect any series of the Bonds as provided for in any Supplemental Indenture, and the respective successors and assigns of the business thereof and any surviving, resulting or transferee entity with or into which it may be consolidated or merged or to which it may transfer all or substantially all of its business.

"**Credit Provider Bonds**" means any Bonds purchased pursuant to a Credit Facility as provided in any Supplemental Indenture for so long as such Bonds are held by or for the account of, or are pledged to, the Applicable Credit Provider in accordance with such Supplemental Indenture.

"**Current Interest Indebtedness**" means Bonds and Parity Debt on which interest is paid at least annually.

"**Debt Service**" means, during any period of computation, the amount of principal and interest becoming due and payable on all Bonds and Parity Debt for such period, determined by totaling the following amounts:

(a) The Bond Obligation of all Outstanding Serial Bonds and all Parity Debt coming due and payable by their terms in such period;

(b) The minimum Bond Obligation of all Outstanding Term Bonds and all Parity Debt scheduled to be redeemed by operation of mandatory sinking fund deposits in such period, together with any premium thereon; and

(c) The interest which would be due during such period on the aggregate principal amount of Bonds and Parity Debt which would be Outstanding in such period if the Bonds or Parity Debt are retired as scheduled, but deducting and excluding from such aggregate amount the amount of Bonds or Parity Debt no longer Outstanding;

provided, that for the purposes of determining compliance with the requirements for issuance of additional Bonds or Parity Debt, the rate covenant contained in the Indenture and the amount of the Reserve Fund Requirement, the following provisions apply:

(i) Generally. Except as otherwise provided in subparagraph (ii) below with respect to Variable Interest Rate Indebtedness, in subparagraph (iii) below with respect to Bonds or Parity Debt with respect to which a Public Finance Contract is in force, and in subparagraph (iv) below with respect to Balloon Indebtedness, interest on any Bond or Parity Debt will be calculated based on the actual amount of interest that is payable under such Bond or Parity Debt;

(ii) Interest on Variable Interest Rate Indebtedness. Interest deemed to be payable on any Variable Interest Rate Indebtedness for periods when the actual interest rate can be determined will be the actual Variable Interest Rates and for periods when the actual interest rate cannot yet be determined will be calculated on the assumption that the interest rate on such Variable Interest Rate Indebtedness would be equal to (a) the average rate that accrued on such Variable Interest Rate Indebtedness over the preceding twelve (12) months, or (b) if the Variable Interest Rate Indebtedness has not been accruing interest at a variable rate for twelve (12) months, the average interest rate that accrued on any outstanding Variable Interest Rate Indebtedness for which interest is computed on substantially the same basis during the preceding twelve (12) month period, or (c) if no such comparable Variable Interest Rate Indebtedness was outstanding during the twelve (12) months preceding the date of calculation, then (x) if the interest on such Variable Interest Rate Indebtedness is excluded from gross income for purposes of Federal income taxation, 90% of the average rate of interest for The Bond Buyer Revenue Bond Index over the preceding twelve (12) months, or, if that index is no longer published, an interest rate equal to 80% of the yield for outstanding United States Treasury Bonds having an equivalent maturity as the Variable Rate Interest Indebtedness, or if there are no such Treasury Bonds having equivalent maturities, 80% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets, and (y) if interest on such Variable Interest Rate Indebtedness is not excluded from gross income for purposes of Federal income taxation, 110% of the yield

for outstanding United States Treasury Bonds having an equivalent maturity as the Variable Rate Interest Indebtedness, or if there are no such United States Treasury Bonds having equivalent maturities, 110% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets;

(iii) Interest on Bonds or Parity Debt With Respect to Which a Public Finance Contract Is in Force. Interest deemed to be payable on any Bonds or Parity Debt with respect to which a Public Finance Contract is in force will be based on the net economic effect on the City expected to be produced by the terms of such Bonds or Parity Debt and such Public Finance Contract, including but not limited to the effects that (a) such Bonds or Parity Debt would, but for such Public Finance Contract, be treated as an obligation bearing interest at a Variable Interest Rate instead will be treated as an obligation bearing interest at a fixed interest rate, and (b) such Bonds or Parity Debt would, but for such Public Finance Contract, be treated as an obligation bearing interest at a fixed interest rate instead will be treated as an obligation bearing interest at a Variable Interest Rate; and accordingly, the amount of interest deemed to be payable on any Bonds or Parity Debt with respect to which a Public Finance Contract is in force will be an amount equal to the amount of interest that would be payable at the rate or rates stated in such Bonds or Parity Debt plus the Public Finance Contract Payments minus the Public Finance Contract Receipts, and for the purpose of calculating as nearly as practicable the Public Finance Contract Receipts and the Public Finance Contract Payments under such Bonds or Parity Debt, the following assumptions will be made:

(1) City Obligated to Pay Net Variable Payments. If a Public Finance Contract has been entered into by the City with respect to Bonds or Parity Debt resulting in the payment of a net variable interest rate with respect to such Bonds or Parity Debt and Public Finance Contract by the City, the interest rate on such Bonds or Parity Debt for future periods when the actual interest rate cannot yet be determined will be assumed (but only during the period the Public Finance Contract is in effect) to be equal to the sum of (x) the fixed rate or rates stated in such Bonds or Parity Debt, minus (y) the fixed rate paid by the Qualified Counterparty to the City, plus (z) the lesser of (A) the interest rate cap, if any, provided by a Qualified Counterparty with respect to such Public Finance Contract (but only during the period that such interest rate cap is in effect) and (B) the applicable Variable Interest Rate calculated in accordance with subparagraph (ii) above; and

(2) City Obligated to Pay Net Fixed Payments. If a Public Finance Contract has been entered into by the City with respect to Bonds or Parity Debt resulting in the payment of a net fixed interest rate with respect to such Bonds or Parity Debt and Public Finance Contract by the City, the interest on such Bonds or Parity Debt will be included in the calculation of Debt Service (but only during the period the Public Finance Contract is in effect) by including for each Bond Year or twelve (12) calendar month period an amount equal to the amount of interest payable at the fixed interest rate pursuant to such Public Finance Contract;

(iv) Interest on Balloon Indebtedness. If any outstanding Bonds or Parity Debt constitute Balloon Indebtedness (and such Bonds or Parity Debt do not constitute Short-Term Indebtedness excluded from the calculation of the Debt Service pursuant to clause (v), below) or if Bonds or Parity Debt proposed to be incurred would constitute

Balloon Indebtedness (and such Bonds or Parity Debt would not constitute Short-Term Indebtedness excluded from the calculation of the Debt Service pursuant to clause (v), below), then such Balloon Indebtedness will be treated as if the principal amount of such Bonds or Parity Debt were amortized from the date originally incurred in substantially equal installments of principal and interest over a term of thirty (30) years; provided, however, that the full principal amount of such Balloon Indebtedness will be included in making such calculation if such principal amount is due within ninety (90) days of the date such calculation is being made); and, if interest accrues under such Balloon Indebtedness at other than a fixed rate, the interest rate used for such computation will be (x) if the interest on such Bonds or Parity Debt is excluded from gross income for purposes of Federal income taxation, 90% of the average rate of interest for The Bond Buyer Revenue Bond Index over the preceding twelve (12) months, or if that index is no longer published, an interest rate equal to 80% of the yield for outstanding United States Treasury Bonds having an equivalent maturity as the Bonds or Parity Debt on the date incurred, or if there are no such United States Treasury Bonds having equivalent maturities, 80% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets, and (y) if the interest on such Bonds or Parity Debt is not excluded from gross income for purposes of Federal income taxation, the rate equal to 110% of the yield for outstanding United States Treasury Bonds having an equivalent maturity as the Balloon Indebtedness, or, if there are no such United States Treasury Bonds having equivalent maturities, 110% of the lowest prevailing prime rate of any of the five largest commercial banks in the United States, ranked by assets;

(v) Exclusion of Certain Short-Term Indebtedness. If any outstanding Bonds or Parity Debt constitute Short-Term Indebtedness or if the Bonds or Parity Debt proposed to be issued would constitute Short-Term Indebtedness, and such Short-Term Indebtedness are or will be payable only out of Net Revenues of the Fiscal Year in which such Short-Term Indebtedness are incurred, then such Short-Term Indebtedness will be disregarded and not included in calculating Debt Service;

(vi) Credit for Accrued and Capitalized Interest. If amounts constituting accrued interest or capitalized interest have been deposited with a trustee for such Bonds or Parity Debt, then the interest payable from such amounts with respect to such Bonds or Parity Debt will be disregarded and not included in calculating Debt Service.

"**Debt Service Coverage Ratio**" means, for any period, the ratio determined by dividing Net Revenues by Debt Service for such period.

"**Defeasance Securities**" means:

(1) Cash (insured at all times by the Federal Deposit Insurance Corporation),

(2) Obligations of, or obligations guaranteed as to principal and interest by, the U.S. or any agency or instrumentality thereof, when such obligations are backed by the full faith and credit of the U.S. including:

- U.S. treasury obligations
- All direct or fully guaranteed obligations
- Farmers Home Administration
- General Services Administration
- Guaranteed Title XI financing

- Government National Mortgage Association (GNMA)
- State and Local Government Series

Any security used for defeasance must provide for the timely payment of principal and interest and cannot be callable or prepayable prior to maturity or earlier redemption of the rated debt (excluding securities that do not have a fixed par value and/or whose terms do not promise a fixed dollar amount at maturity or call date). Any reinvestment of any security used for defeasance must be reinvested in Defeasance Securities.

"**Enterprise**" means any and all facilities of the City for the disposal or reuse of wastewater, including sewage treatment plants, intercepting and collecting sewers, outfall sewers, force mains, pumping stations, ejector stations, pipes, valves, machinery and all other appurtenances necessary, useful or convenient for the collection, treatment, purification or disposal of sewage, and any necessary lands, rights or way and other real or personal property useful in connection therewith.

"**Event of Default**" means any of the events specified as such in the Indenture as described under the caption "Events of Default" below.

"**Fiscal Year**" means the period beginning on July 1 of each year and ending on the next succeeding June 30, or any other twelve-month period thereafter selected and designated as the official fiscal year period of the City which designation shall be provided to the Trustee in a Certificate of the City.

"**Generally Accepted Accounting Principles Applicable to Governments**" means generally accepted accounting principles applicable to governments as promulgated by the Governmental Accounting Standards Board or its successor.

"**Gross Revenues**" means all gross income and revenue received by the City from the ownership and operation of the Enterprise, including (a) all fees and charges received by the City for the services of the Enterprise, (b) all other income and revenue howsoever derived by the City from the ownership and operation of the Enterprise or arising from the Enterprise, (c) all sums deposited, or required under the Indenture to be deposited, in the Wastewater Fund, including Subsidy Receipts, and (d) amounts transferred to the Wastewater Fund from the Rate Stabilization Fund pursuant to the Indenture; but excluding (x) the proceeds of any ad valorem property taxes received by the City to pay debt service on any outstanding obligations of the City, and (y) any contributed capital (other than connection fees)

"**Indenture**" means the Master Indenture, as originally executed and as it may from time to time be supplemented or amended by any Supplemental Indenture delivered pursuant to the provisions thereof.

"**Independent Accountant**" means any accountant or firm of such accountants appointed and paid by the City, and who, or each of whom-

(a) is in fact independent and not under domination of the City;

(b) does not have any substantial interest, direct or indirect, with the City; and

(c) is not connected with the City as an officer or employee of the City, but who may be regularly retained to make annual or other audits of the books of or reports to the City.

"**Information Services**" means national information services that disseminate securities redemption notices; or, in accordance with then current guidelines of the Securities and Exchange

Commission, such other services providing information with respect to called bonds, or no such services as the City may designate in a written request delivered to the Trustee.

"Interest Fund" means the fund by that name established with the Trustee pursuant to the Indenture.

"**Interest Payment Date**" means, with respect to the Series 2017A Bonds, each February 1 and August 1, commencing February 1, 2018.

"**Investment Securities**" means the following:

(A)(1) Cash (insured at all times by the Federal Deposit Insurance Corporation),

(2) Obligations of, or obligations guaranteed as to principal and interest by, the U.S. or any agency or instrumentality thereof, when such obligations are backed by the full faith and credit of the U.S. including:

- U.S. treasury obligations
- All direct or fully guaranteed obligations
- Farmers Home Administration
- General Services Administration
- Guaranteed Title XI financing
- Government National Mortgage Association (GNMA)
- State and Local Government Series

Any security used for defeasance must provide for the timely payment of principal and interest and cannot be callable or prepayable prior to maturity or earlier redemption of the rated debt (excluding securities that do not have a fixed par value and/or whose terms do not promise a fixed dollar amount at maturity or call date).

(B)(1) Obligations of any of the following federal agencies which obligations represent the full faith and credit of the United States of America, including:

-Export-Import Bank
-Rural Economic Community Development Administration
-U.S. Maritime Administration
-Small Business Administration
-U.S. Department of Housing & Urban Development (PHAs)
-Federal Housing Administration
-Federal Financing Bank

(2) Direct obligations of any of the following federal agencies which obligations are not fully guaranteed by the full faith and credit of the United States of America:

-Senior debt obligations issued by the Federal National Mortgage Association (FNMA) or Federal Home Loan Mortgage Corporation (FHLMC).
-Obligations of the Resolution Funding Corporation (REFCORP)
-Senior debt obligations of the Federal Home Loan Bank System
-Senior debt obligations of other Government Sponsored Agencies approved by the Applicable Credit Provider

(3) U.S. dollar denominated deposit accounts, federal funds and bankers' acceptances with domestic commercial banks which have a rating on their short term certificates of deposit on the date of purchase of "P-1" by Moody's and "A-1" or "A-1+" by S&P and maturing not more than 360 calendar days after the date of purchase. (Ratings on holding companies are not considered as the rating of the bank);

(4) Commercial paper which is rated at the time of purchase in the single highest classification, "P-1" by Moody's and "A-1+" by S&P and which matures not more than 270 calendar days after the date of purchase;

(5) Investments in a money market fund rated "AAAm" or "AAAm-G" or better by S&P;

(6) Pre-refunded Municipal Obligations defined as follows: any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; and

(A) which are rated, based on an irrevocable escrow account or fund (the "escrow"), in the highest rating category of Moody's or S&P or any successors thereto; or

(B) (i) which are fully secured as to principal and interest and redemption premium, if any, by an escrow consisting only of cash or obligations described in paragraph A(2) above, which escrow may be applied only to the payment of such principal of and interest and redemption premium, if any, on such bonds or other obligations on the maturity date or dates thereof or the specified redemption date or dates pursuant to such irrevocable instructions, as appropriate, and (ii) which escrow is sufficient, as verified by a nationally recognized independent certified public accountant, to pay principal of and interest and redemption premium, if any, on the bonds or other obligations described in this paragraph on the maturity date or dates specified in the irrevocable instructions referred to above, as appropriate;

(7) Municipal Obligations rated "Aaa/AAA" or general obligations of States with a rating of "A2/A" or higher by both Moody's and S&P.

(8) Investment Agreements approved in writing by the Applicable Credit Provider (supported by appropriate opinions of counsel); and

(9) other forms of investments (including repurchase agreements) approved in writing by the Applicable Credit Provider.

(C) The value of the above investments shall be determined as follows:

a) For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued at fair market value. The Trustee shall determine the fair market value based on accepted industry standards and from accepted industry providers. Accepted industry providers shall include but are not limited to pricing services provided by Financial Times Interactive Data Corporation, Merrill Lynch, Citigroup Global Markets Inc., Bear Stearns, or Lehman Brothers.

b) As to certificates of deposit and bankers' acceptances: the face amount thereof, plus. accrued interest thereon; and

c) As to any investment not specified above: the value thereof established by prior agreement among the Issuer, the Trustee, and the Applicable Credit Provider.

"**Master Indenture**" means the Indenture, dated as of October 1, 2006, by and between the City and the Trustee.

"**Maximum Annual Debt Service**" means the greatest amount of principal and interest becoming due and payable on all Bonds and Parity Debt in the Bond Year in which the calculation is made or any subsequent Bond Year using the principles and assumptions set forth under the definition of Debt Service.

"**Moody's**" means Moody's Investors Service, a corporation duly organized and existing under and by virtue of the laws of the State of Delaware, and its successors and assigns, except that if such corporation will be dissolved or liquidated or will no longer perform the functions of a securities rating agency, then the term "Moody's" will be deemed to refer to any other nationally recognized securities rating agency selected by the City.

"**Net Revenues**" means, with respect to any period, the amount of Gross Revenues received during such period less the amount of Operating Expenses becoming payable during such period.

"**Opinion of Bond Counsel**" means a written opinion of a law firm of national standing in the field of public finance selected by the City.

"**Outstanding**," when used as of any particular time with reference to Bonds, means (subject to the provisions of the Indenture) all Bonds theretofore, or thereupon being, authenticated and delivered by the Trustee under the Indenture except (1) Bonds theretofore cancelled by the Trustee or surrendered to the Trustee for cancellation; (2) Bonds with respect to which all liability of the City will have been discharged in accordance with the Indenture, including Bonds (or portions of Bonds) for which money has been set aside for the payment of the interest, principal or Redemption Price due as provided in the Indenture; and (3) Bonds for the transfer or exchange of or in lieu of or in substitution for which other Bonds will have been authenticated and delivered by the Trustee pursuant to the Indenture.

"**Owner**" or "**Bondholder**" or "**Bondowner**," whenever used in the Indenture with respect to a Bond, means the person in whose name such Bond is registered.

"**Parity Debt**" means any indebtedness, installment sale obligation, lease obligation or other obligation of the City for borrowed money or certain designated payments under a Parity Public Finance Contract having an equal lien and charge upon the Net Revenues, therefore payable on a parity with the Bonds (whether or not any Bonds are Outstanding).

"**Parity Public Finance Contract**" means a Public Finance Contract which is designated as Parity Debt.

"**Parity Reserve Fund**" means the fund by that name established with the Trustee pursuant to the Indenture.

"**Person**" means an individual, a corporation, a partnership, a trust, an unincorporated organization or a government or any agency or political subdivision thereof.

"**Principal Fund**" means the fund by that name established with the Trustee pursuant to the Indenture.

"**Public Finance Contract**" means a written agreement for the purpose of managing or reducing the City's exposure to fluctuations in interest rates or for any other interest rate, investment, asset or liability managing purposes, entered into either on a current or forward basis by the City and a Qualified Counterparty as authorized under any applicable laws of the State in connection with, or incidental to, the issuance of Bonds or Parity Debt, that provides for an exchange of payments based on interest rates, ceilings or floors on such payments, options on such payments or any combination thereof, or any similar device.

"**Public Finance Contract Insurance Policy**" means a surety bond or insurance policy issued by an insurance company for the account of the City, as principal, and for the benefit of such insurance company, as beneficiary, relating to a Public Finance Contract.

"**Public Finance Contract Payments**" means the regularly scheduled amounts periodically required to be paid by the City (excluding termination payments) to all Qualified Counterparties under all Parity Public Finance Contracts.

"**Public Finance Contract Receipts**" means the amounts periodically required to be paid by all Qualified Counterparties to the City under all Parity Public Finance Contracts.

"**Qualified Counterparty**" means a party (other than the City or a party related to the City) who is the other party to a Public Finance Contract and (1) (A) who is rated at least "A2" from Moody's and "A" from Standard & Poor's, or (B) whose senior debt obligations are rated at least "A2" from Moody's and "A" from Standard & Poor's, or guaranteed by an entity so rated, or (C) whose obligations under the Public Finance Contract are guaranteed for the entire term of the Public Finance Contract by a bond insurer or other institution which has been assigned a credit rating at least equal to "A2" from Moody's and "A" from Standard & Poor's, or (D) whose obligations under the Public Finance Contract are collateralized in such a manner as to obtain a rating at least equal to the ratings assigned by each of the Rating Agencies to the Bonds or Parity Debt to which such Public Finance Contract relates, and (2) who is otherwise qualified to act as the other party to a Public Finance Contract under all applicable laws of the State.

"**Rate Stabilization Fund**" means the fund by that name established and maintained by the City pursuant to the Indenture.

"**Rating Agency**" means S&P Global Ratings ("S&P"), or in the event that S&P no longer maintains a rating on the Series 2017A Bonds, any other nationally recognized rating agency then maintaining a rating on such Series 2017A Bonds.

"**Rating Category**" means (i) with respect to any long-term rating category, all ratings designated by a particular letter or combination of letters, without regard to any numerical modifier, plus or minus sign or other modifier and (ii) with respect to any short-term or commercial paper rating category, all ratings designated by a particular letter or combination of letters and taking into account any numerical modifier, but not any plus or minus sign or other modifier.

"**Rebate Fund**" means the fund by that name established with the Trustee pursuant to the Indenture.

"Record Date" means, with respect to the Series 2017A Bonds, the fifteenth day of the month preceding an Interest Payment Date.

"**Redemption Fund**" means the fund by that name established with the Trustee pursuant to the Indenture.

"**Redemption Price**" means, with respect to any Bond (or portion thereof) the Bond Obligation of such Bond (or portion thereof) plus the applicable premium, if any, payable upon redemption thereof pursuant to the provisions of such Bond and the Indenture.

"**Reserve Fund Requirement**" means, as of any date of determination and excluding any Parity Debt for which no reserve fund is to be maintained or for which a separate reserve fund is to be maintained, the lesser of (a) the Maximum Annual Debt Service on all Bonds and Parity Debt to be secured by the Parity Reserve Fund, or (b) one hundred twenty-five percent (125%) of the Average Annual Debt Service on all Bonds and Parity Debt to be secured by the Parity Reserve Fund; provided that in no event shall the deposit to the Parity Reserve Fund with respect to any Series of Bonds or Parity Debt to be secured by the Parity Reserve Fund be an amount greater than ten percent (10%) of the initial offering price to the public of each Series of Bonds and any Parity Debt to be secured by the Parity Reserve Fund as determined under the Code, all as computed and determined by the City and specified in writing to the Trustee.

"**Serial Bonds**" means Bonds, maturing in specified years, for which no mandatory sinking fund payments are provided.

"**Series**" whenever used in the Indenture with respect to Bonds, means all of the Bonds designated as being of the same series, authenticated and delivered in a simultaneous transaction, regardless of variations in maturity, interest rate, redemption and other provisions, and any Bonds thereafter authenticated and delivered upon transfer or exchange or in lieu of or in substitution for (but not to refund) such Bonds as provided in the Indenture.

"**Series 2017A Bonds**" means the City of Richmond, California Wastewater Revenue Bonds, Series 2017A Bonds, as described in the Sixth Supplemental Indenture.

"**Series 2017A Continuing Disclosure Agreement**" means that certain Continuing Disclosure Agreement entered into by the City, the Trustee and Willdan Financial Services, as dissemination agent, on the date of issuance and delivery of the Series 2017A Bonds, as originally executed and as it may be amended or supplemented from time to time in accordance with the terms thereof.

"**Series 2017A Costs of Issuance Fund**" means the fund by that name established pursuant to the Sixth Supplemental Indenture.

"**Series 2017A Project Fund**" means the fund by that name established pursuant to the Sixth Supplemental Indenture.

"**Short-Term Indebtedness**" means Bonds or Parity Debt having an original maturity of less than or equal to one year and which are not renewable at the option of the City for a term greater than one year beyond the date of original incurrence.

"**Standard & Poor's**" means Standard & Poor's, a corporation duly organized and existing under and by virtue of the laws of the State of New York, and its successors and assigns, except that if such corporation will be dissolved or liquidated or will no longer perform the functions of a securities rating agency, then the term "Standard & Poor's" will be deemed to refer to any other nationally recognized securities rating agency selected by the City.

"**State**" means the State of California

"**Sixth Supplemental Indenture**" means the Sixth Supplemental Wastewater Revenue Bond Indenture, dated as of August 1, 2017, by and between the City and the Trustee.

"**Supplemental Indenture**" means any indenture thereafter duly executed and delivered, supplementing, modifying or amending the Indenture, but only if and to the extent that such Supplemental Indenture is specifically authorized under the Indenture.

"**Tax Certificate**" means the Tax Certificate delivered by the City at the time of issuance and delivery of any Series of Bonds, as the same may be amended or supplemented in accordance with its terms.

"**Term Bonds**" means Bonds payable at or before their specified maturity date or dates from mandatory sinking fund payments established for that purpose and calculated to retire such Bonds on or before their specified maturity date or dates.

"**Trustee**" means The Bank of New York Mellon Trust Company, N.A., acting as trustee under the Indenture, or its successor, as Trustee, as provided in the Indenture.

"**Variable Interest Rate**" means any variable interest rate or rates to be paid under any Bonds or Parity Debt, the method of computing which variable interest rate will be as specified in the Supplemental Indenture providing for the issuance of the applicable Bonds or the instrument providing for the issuance of the Parity Debt, which Supplemental Indenture or other instrument will also specify either (i) the payment period or periods or time or manner of determining such period or periods or time for which each value of such variable interest rate will remain in effect, and (ii) the time or times based upon which any change in such variable interest rate will become effective, and which variable interest rate may, without limitation, be based on the interest rate on certain bonds or may be based on interest rate, currency, commodity or other indices.

"**Variable Interest Rate Indebtedness**" means, for any period of time, any Bonds or Parity Debt that bear a Variable Interest Rate during such period, except that no Bonds or Parity Debt will be treated as a Variable Interest Rate Indebtedness if the net economic effect of a Public Finance Contract with respect to any particular Bonds or Parity Debt is to produce obligations that bear interest at a fixed interest rate, and any Bonds or Parity Debt with respect to which a Public Finance Contract is in force will be treated as a Variable Interest Rate Indebtedness if the net economic effect of the Public Finance Contract is to produce obligations that bear interest at a Variable Interest Rate.

"**Wastewater Fund**" means the existing fund by that name established and held by the City with respect to the Enterprise.

Issuance of Bonds and Parity Debt

Issuance of Bonds. The City may by Supplemental Indenture establish one or more Series of Bonds payable from Net Revenues and secured by the pledge made under the Indenture equally and ratably with Bonds previously issued, and the City may issue, and the Trustee may authenticate and deliver to the purchasers thereof, Bonds of any Series so established, in such principal amount as will be determined by the City, but only, with respect to each Series of Bonds, upon compliance by the City with the provisions of the Indenture described under the caption "Issuance of Bonds and Parity Debt–Proceedings for Issuance of Additional Series of Bonds" (except any Series of Bonds delivered under a Supplemental Indenture of even date therewith may be issued upon compliance by the City with the

requirements of provision (c) of the Indenture described under the caption "Issuance of Bonds and Parity Debt–Proceedings for Issuance of Additional Series of Bonds" and without further condition) and any additional requirements set forth in said Supplemental Indenture and subject to the following specific conditions, which are thereby made conditions precedent to the issuance of any such additional Series of Bonds:

(a) no Event of Default shall have occurred and then be continuing;

(b) the aggregate principal amount of Bonds issued thereunder shall not exceed any limitation imposed by law or otherwise;

(c) there shall be deposited in the Parity Reserve Fund an amount of money so as to increase the amount on deposit therein to the Reserve Fund Requirement; and

(d) As demonstrated in a Certificate of the City delivered to the Trustee, either (i) the Debt Service Coverage Ratio for the most recent Fiscal Year for which audited financial statements for the Enterprise are available (based on the Debt Service payable during the Bond Year which commenced in such Fiscal Year), calculated as of the date of sale of such additional Series of Bonds and including the Bonds and Parity Debt then Outstanding and such additional Series of Bonds, will not be less than 1.25:1.0; provided that in calculating the Debt Service Coverage Ratio:

(1) if rates, fees and charges fixed and prescribed for the Enterprise in effect on the date upon which such additional Series of Bonds will become Outstanding will be greater than those in effect during the most recent Fiscal Year for which audited financial statements are available, then the Net Revenues for said Fiscal Year may be augmented by 100% of the estimated increase in Net Revenues computed to accrue to the Enterprise in the first twelve months during which such rates, fees and charges will be in effect; and

(2) Net Revenues may be augmented by 100% of the projected increase in annual Net Revenues to be provided by additional facilities under construction (financed from any source) or to be acquired with the proceeds of the additional Series of Bonds then being issued;

or (ii):

(1) the Debt Service Coverage Ratio for the most recent Fiscal Year for which audited financial statements are available (based on the Debt Service payable during the Bond Year which commenced in such Fiscal Year), including the Bonds and Parity Debt then Outstanding but not such additional Series of Bonds, was at least equal to 1.25:1.0; and

(2) the Debt Service Coverage Ratio for each of the three (3) full Fiscal Years (based on the Debt Service payable during the Bond Year which commenced in each such Fiscal Year) beginning with the first full Fiscal Year in which such additional Series of Bonds are issued (or, if later, the first full Fiscal Year in which less than ten percent (10%) of the interest coming due on such additional Series of Bonds is to be paid from the proceeds of such additional Series of Bonds) is projected (based on approved rates, fees and charges) to be at least equal to 1.25:1.0.

Proceedings for Issuance of Additional Series of Bonds. Whenever the City shall determine to issue a Series of Bonds pursuant to the provisions of the Indenture described under the caption "Issuance of Bonds and Parity Debt–Issuance of Bonds," the City shall authorize the execution of a Supplemental Indenture specifying the principal amount, and prescribing the form or forms of Bonds of such additional Series and providing the terms, conditions, distinctive designation, denominations, date, maturity date or dates, interest rate or rates (or the manner of determining the same), redemption provisions and place or places of payment of principal, Accreted Value or Redemption Price, if any, of and interest on such Bonds, and any other provisions respecting the Bonds of such Series not inconsistent with the terms of the Indenture.

Before such additional Series of Bonds shall be issued and delivered, the City shall file the following documents with the Trustee (upon which documents the Trustee may conclusively rely in determining whether the conditions precedent to the issuance of such Series of Bonds have been satisfied):

(a) an executed copy of the Supplemental Indenture authorizing such Series;

(b) a Certificate of the City stating that no Event of Default has occurred and is then continuing;

(c) an Opinion of Bond Counsel to the effect that the execution of the Supplemental Indenture has been duly authorized by the City in accordance with the Indenture; that such Series, when duly executed by the City and authenticated and delivered by the Trustee, will be valid and binding limited obligations of the City, and that upon the delivery of such Series the aggregate principal amount of Bonds then Outstanding will not exceed the amount permitted by law or otherwise; and

(d) the Certificate of the City required by provision (d) of the Indenture described under the caption "Issuance of Bonds and Parity Debt–Issuance of Bonds."

Issuance of Refunding Bonds. Notwithstanding any provisions in the Indenture, there will be no limitation on the ability of the City to issue any Bonds at any time to refund any outstanding Bonds or Parity Debt; provided, however, that the Maximum Annual Debt Service with respect to any such refunding Bonds will not exceed 1.10 times the Maximum Annual Debt Service with respect to the Bonds or Parity Debt being refunded.

Limitations on the Issuance of Obligations. The City will not, so long as any of the Bonds are Outstanding, issue any obligations or securities, howsoever denominated, payable in whole or in part from Net Revenues, except the following:

(a) Bonds of any Series authorized pursuant to the Indenture as described under the captions "Issuance of Bonds and Parity Debt-Issuance of Bonds" and "Issuance of Bonds and Parity Debt-Proceedings for Issuance of Additional Series of Bonds" above;

(b) refunding Bonds authorized pursuant to the Indenture as described under "Issuance of Refunding Bonds" above.

(c) Parity Debt payable on a parity with the Bonds and which will have, when issued, an equal lien and charge upon the Net Revenues, provided that the following conditions to the issuance of such Parity Debt are satisfied:

(1) such Parity Debt has been duly and legally authorized for any lawful purpose;

(2) no Event of Default shall have occurred and then be continuing, as evidenced in a Certificate of the City filed with the Trustee;

(3) unless such Parity Debt is for the refunding purposes, the City will have obtained and placed on file with the Trustee a Certificate of the City that (on the basis of calculations as of the date of delivery of such Parity Debt) the requirements of provision (d) of the Indenture as described under the caption "Issuance of Bonds and Parity Debt–Issuance of Bonds" with respect to additional Bonds have been met with respect to such Parity Debt;

(4) the City will have filed with the Trustee an Opinion of Bond Counsel to the effect that such Parity Debt has been duly authorized in accordance with law and constitutes a valid and binding obligation of the City payable from Net Revenues on a parity with the Bonds; and

(5) the Trustee will be designated as paying agent or trustee for such Parity Debt and the City will deliver to the Trustee a transcript of the proceedings providing for the issuance of such Parity Debt (but the Trustee will not be responsible for the validity or sufficiency of such proceedings or such Parity Debt); or

(d) Obligations which are junior and subordinate to the payment of the principal, Accreted Value, premium, interest and reserve fund requirements for the Bonds and all Parity Debt and which subordinated obligations are payable as to principal, Accreted Value, premium, interest and reserve fund requirements, if any, only out of Net Revenues, after the prior payment of all amounts then required to be paid under the Indenture from Net Revenues, for principal, Accreted Value, premium, interest and reserve fund requirements for the Bonds and all Parity Debt, as the same become due and payable and at the times and in the manner as required in the Indenture.

Net Revenues

Application of Interest Fund. All amounts in the Interest Fund will be used and withdrawn by the Trustee solely for the purpose of paying interest on the Bonds as it will become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to the Indenture). In addition if so directed by the City, the Trustee may deposit into the Interest Fund, Public Finance Contract Receipts of the City and may pay from the Interest Fund, Public Finance Contract Payments on behalf of the City.

Application of Principal Fund. (A) All amounts in the Principal Fund will be used and withdrawn by the Trustee solely for the purposes of paying the Bond Obligation of the Bonds when due and payable, except that all amounts in the Sinking Accounts will be used and withdrawn by the Trustee solely to purchase or redeem or pay at maturity Term Bonds, as provided in the Indenture.

(B) The Trustee will establish and maintain within the Principal Fund a separate sinking account for the Term Bonds of each Series and maturity. On or before the Business Day prior to any date upon which a mandatory sinking fund payment is due, the Trustee will transfer the amount of such mandatory sinking fund payment (being the principal thereof, in the case of Current Interest Bonds and the Accreted Value, in the case of Capital Appreciation Bonds from the Principal Fund to the applicable

Sinking Account. With respect to each Sinking Account, on each mandatory sinking fund payment date established for such Sinking Account, the Trustee will apply the mandatory sinking fund payment required on that date to the redemption of Term Bonds of such Series and maturity for which such Sinking Account was established, in the manner provided in the Supplemental Indenture pursuant to which such Series of Bonds was created; provided that, at any time prior to giving such notice of such redemption, the Trustee will, upon receipt of a Request of the City, apply moneys in such Sinking Account to the purchase of Term Bonds of such Series and maturity at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Fund) as is directed by the City, except that the purchase price (excluding accrued interest, in the case of Current Interest Bonds) will not exceed the principal amount or Accreted Value thereof. If the Trustee has purchased Term Bonds of such Series and maturity with moneys in such Sinking Account, or purchased or redeemed Term Bonds of such Series and maturity at any time from the Redemption Fund and allocable to said mandatory sinking fund payment, or if the City has purchased or otherwise acquired Term Bonds and deposited such Term Bonds with the Trustee, such Term Bonds so purchased or deposited or redeemed by the Trustee or the City will be applied, to the extent of the full principal amount thereof, to reduce said mandatory sinking fund payment. All Term Bonds so purchased or deposited as described in the Indenture will be cancelled and destroyed by the Trustee. Any amounts remaining in a Sinking Account when all of the Term Bonds for which such account was established are no longer Outstanding will be withdrawn by the Trustee and transferred to the City to be deposited in the Wastewater Fund. All Term Bonds so purchased will be allocated first to the next succeeding mandatory sinking fund payment for such Series and maturity of Term Bonds, then as a credit against such future mandatory sinking fund payment for such Series and maturity of Term Bonds as may be specified in a Request of the City. All Term Bonds redeemed from the Redemption Fund will be credited to such future mandatory sinking fund payment for such Series and maturity of Term Bonds as may be specified in a Request of the City.

Application of Redemption Fund. The Trustee will establish, maintain and hold in trust a special fund designated as the "Redemption Fund" when required. All moneys deposited by the City with the Trustee for the purpose of redeeming Bonds of any Series pursuant to optional redemption or special mandatory redemption provisions applicable to such Series of Bonds will, unless otherwise directed by the City, be deposited in the Redemption Fund. All amounts deposited in the Redemption Fund will be used and withdrawn by the Trustee solely for the purpose of redeeming Bonds of such Series, in the manner, at the times and upon the terms and conditions specified in the Supplemental Indenture pursuant to which such Series of Bonds was created; provided that, at any time prior to giving notice of such redemption, the Trustee will, upon receipt of a Request of the City, apply such amounts to the purchase of Bonds of such Series at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding, in the case of Current Interest Bonds, accrued interest, which is payable from the Interest Account) as is directed by the City, except that the purchase price (exclusive of such accrued interest) may not exceed the Redemption Price then applicable to such Bonds. All Term Bonds purchased or redeemed from the Redemption Fund will be allocated to mandatory sinking fund payments applicable to such Series and maturity of Term Bonds as may be specified in a Request of the City.

Parity Reserve Fund. (A) The Trustee will establish and maintain and hold in trust so long as Bonds or Parity Debt to be secured thereby remain outstanding, a special fund designated as the "Parity Reserve Fund." Amounts on deposit in the Parity Reserve Fund are pledged to the payment of the Bonds and any Parity Debt to be secured by the Parity Reserve Fund and will be applied only for such purposes as permitted in the Indenture. The Trustee will deposit in the Parity Reserve Fund, upon the direction of the City, the Reserve Fund Requirement and such other amounts transferred to the Trustee by the City pursuant to the Indenture. No deposit need be made in the Parity Reserve Fund so long as there will be on deposit therein a sum equal to at least the amount to be on deposit therein as described in this paragraph. Whenever the amount on deposit in the Parity Reserve Fund is less than the Reserve Fund

Requirement, notice thereof will be provided by the City to the insurer of the Bonds, if any, and such amount will be increased by the City to the Reserve Fund Requirement as described in this paragraph not later than twelve months thereafter. Moneys on deposit in the Parity Reserve Fund (including all amounts that may be obtained from letters of credit and surety bonds and insurance policies, as provided below, on deposit in the Parity Reserve Fund) will be transferred by the Trustee to the Principal Fund and Interest Fund to pay principal of and interest on the Bonds on any interest payment date in the event amounts on deposit therein are insufficient for such purposes. The Trustee will also, from such amounts on deposit in the Parity Reserve Fund, transfer or cause to be transferred to any applicable debt service fund for any Parity Debt to be secured by the Parity Reserve Fund, without preference or priority between transfers made pursuant to this sentence and the preceding sentence, and in the event of any insufficiency of such moneys ratably without discrimination or preference, that sum or sums, if any, equal to the amount required to be deposited therein pursuant to the documents under which any such Parity Debt to be secured by the Parity Reserve Fund is issued or incurred. Amounts on deposit in the Parity Reserve Fund in excess of the Reserve Fund Requirement will, at the written Request of the City, be withdrawn from the Parity Reserve Fund and transferred to the City.

(B) The City may provide for all or any part of the Reserve Fund Requirement by delivering to the Trustee an irrevocable letter of credit issued by a financial institution having unsecured debt obligations rated in one of the two highest Rating Categories of Moody's and Standard & Poor's, securing an amount, together with moneys, Investment Securities or surety bonds or insurance policies (as described in the succeeding paragraph under this caption "Net Revenues–Parity Reserve Fund" on deposit in the Parity Reserve Fund, equal to the Reserve Fund Requirement. Such letter of credit will have an original term of no less than three (3) years or, if less, the final maturity of the Bonds and such letter of credit will provide by its terms that it may be drawn upon as provided in the Indenture. At least one year prior to the stated expiration of such letter of credit, the City will either (i) deliver a replacement letter of credit, (ii) deliver an extension of the letter of credit for at least an additional year or, if less, the maturity of the Bonds or (iii) deliver to the Trustee a surety bond or an insurance policy satisfying the requirements described in the succeeding paragraph under this caption "Net Revenues–Parity Reserve Fund". Upon delivery of such replacement letter of credit, extended letter of credit, or surety bond or insurance policy, the Trustee will deliver the then effective letter of credit to or upon the order of the City. If the City fails to deposit a replacement letter of credit, extended letter of credit, surety bond or insurance policy with the Trustee, the City will immediately commence to make monthly deposits with the Trustee so that an amount equal to the Reserve Fund Requirement will be on deposit in the Parity Reserve Fund no later than the stated expiration date of the letter of credit. If an amount equal to the Reserve Fund Requirement, calculated as of the date following the expiration of the letter of credit, is not on deposit in the Parity Reserve Fund one week prior to the stated expiration date of the letter of credit (excluding from such determination the letter of credit), the Trustee will draw on the letter of credit to fund the amount of any such deficiency in the Parity Reserve Fund.

(C) The City may also provide for all or any part of the Parity Reserve Fund by delivering to the Trustee a surety bond or an insurance policy securing an amount, together with moneys, Investment Securities or letters of credit on deposit in the Parity Reserve Fund, equal to the Reserve Fund Requirement. Such surety bond or insurance policy will be issued by an insurance company whose unsecured debt obligations (or obligations secured by such insurance company's insurance policies) are rated in one of the two highest Rating Categories of Moody's and Standard & Poor's. Such surety bond or insurance policy will have a term of no less than the final maturity of the Bonds. In the event that such surety bond or insurance policy for any reason lapses or expires, the City will immediately implement the actions described in clause (i) or (iii) of the immediately preceding paragraph under this caption "Net Revenues–Parity Reserve Fund" above or make the required deposits to the Parity Reserve Fund. Repayment of any draw under any such surety bond or insurance policy, and any expenses and accrued interest related to such draw (collectively the "Policy Costs") will commence in the first month following

each such draw, and will be paid at the time specified in the first paragraph under this caption "Net Revenues–Parity Reserve Fund" above in an amount not less than one-twelfth (1/12th) of the aggregate of the Policy Costs related to such draw. If and to the extent that cash has also been deposited in the Parity Reserve Fund, all such cash will be used (including investments purchased with such cash, which will be liquidated and the proceeds thereof applied as required under the Indenture) prior to any drawing under surety bond or insurance policy, and repayment of any Policy Costs will be made prior to any replenishment of any such cash amounts. If the City fails to repay any Policy Costs in accordance with the Indenture, the insurance company issuing such surety bond or insurance policy will be entitled to exercise any and all remedies available at law or under the Indenture other than (i) an acceleration of the interest on or principal of the Bonds as provided in the Indenture or (ii) any other remedy that would adversely affect Bondholders. The Trustee will ascertain the necessity for a claim upon any surety bond or insurance policy provided pursuant to the provisions of the Indenture described under this caption "Net Revenues–Parity Reserve Fund" and provide notice to the insurance company issuing such bond or policy in accordance with the terms and conditions of such bond or insurance policy not less than two (2) Business Days prior to any interest payment date upon which such a claim should be paid.

(D) In the event of any deficiency in the Principal Fund or Interest Fund for the payment of principal and interest payments for the Bonds pursuant to clause (A) above, the Trustee will, after first applying all cash and Investment Securities held in the Parity Reserve Fund to pay the Bond Obligation of, any mandatory sinking fund payments with respect to, and interest on, the Bonds when due, on a pro rata basis with respect to the portion of the Parity Reserve Fund held in the form of letters of credit and amounts held in the form of surety bonds and insurance policies (calculated by reference to the maximum amounts of such letters of credit and surety bonds and insurance policies), draw under each letter of credit or surety bond or insurance policy issued with respect to the Parity Reserve Fund, in a timely manner and pursuant to the terms of such letter of credit or surety bond or insurance policy to the extent necessary in order to obtain sufficient funds on or prior to the date such funds are needed to pay the Bond Obligation of, any mandatory sinking fund payments with respect to, and interest on, the Bonds when due. In the event that the Trustee has written notice from the City or any Bondholder that any payment of principal of, or interest on, a Bond has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee, pursuant to and provided that the terms of the letter of credit or surety bond or insurance policy, if any, credited to the Parity Reserve Fund so provide, will so notify the issuer thereof and draw on such letter of credit or surety bond or insurance policy to the lesser of the extent required or the maximum amount of such letter of credit or surety bond or insurance policy in order to pay to such Bondholder the principal of and interest so recovered. All amounts in the Parity Reserve Fund (other than amounts that may be obtained from letters of credit and surety bonds and insurance policies on deposit in the Parity Reserve Fund) may be used and withdrawn by the Trustee, if so directed by the City, for the payment or redemption of all Bonds then Outstanding, or for the payment of the final principal and interest payments of the Bonds.

Investment of Moneys in Funds and Accounts. All moneys in any of the funds and accounts held by the Trustee and established pursuant to the Indenture will be invested, as directed by the City, solely in Investment Securities; provided, however, that Investment Securities (other than those described in clauses (B)(8) or (B)(9) of the definition thereof) purchased with moneys held by the Trustee in the Parity Reserve Fund will have an average weighted term to maturity not greater than five years. All Investment Securities will, as directed by the City in writing or by telephone, promptly confirmed in writing, be acquired subject to the limitations as to maturities set forth in the Indenture and such additional limitations or requirements consistent with the foregoing as may be established by Request of the City. The Trustee may conclusively rely upon any investment direction from the City as a certification to the Trustee that such investment constitutes an Investment Security. If and to the extent the Trustee does not receive investment instructions from the City with respect to the moneys in the funds and accounts held

by the Trustee pursuant to the Indenture, such moneys will be invested in Investment Securities described in clause (B)(5) of the definition thereof and the Trustee will thereupon request investment instructions from the City for such moneys.

Unless otherwise provided in the Indenture or in a Supplemental Indenture, all interest, profits and other income received from the investment of moneys in any fund or account, other than the Rebate Fund, will be transferred by the Trustee to the City for deposit in the Wastewater Fund when received. All interest, profits and other income received from the investment of moneys in the Rebate Fund will be deposited in the Rebate Fund, except as otherwise provided in the Indenture. Notwithstanding anything to the contrary contained in the Indenture, an amount of interest received with respect to any Investment Security equal to the amount of accrued interest, if any, paid as part of the purchase price of such Investment Security will be credited to the fund or account from which such accrued interest was paid.

The Trustee may commingle any of the funds or accounts established pursuant to the Indenture into a separate fund or funds for investment purposes only, provided that all funds or accounts held by the Trustee under the Indenture will be accounted for separately as required by the Indenture. The Trustee may act as principal or agent in the making or disposing of any investment and, with the prior written consent of the City, may impose its customary charge therefor. The Trustee may sell or present for redemption, any Investment Securities so purchased whenever it will be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such Investment Security is credited, and the Trustee will not be liable or responsible for any loss resulting from such investment.

The Trustee may make any investments under the Indenture through its own bond or investment department or trust investment department, or those of its parent or any affiliate.

The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee under the Indenture.

Covenants

Pursuant to the Indenture, the City has covenanted as follows:

Punctual Payment. The City will punctually pay or cause to be paid the principal, Accreted Value or Redemption Price of and interest on all the Bonds, in strict conformity with the terms of the Bonds and of the Indenture, according to the true intent and meaning thereof, and will punctually pay or cause to be paid all mandatory sinking fund payments, but in each case only out of Net Revenues, as provided in the Indenture.

Operation of Enterprise in Efficient and Economical Manner. The City covenants and agrees to operate the Enterprise in an efficient and economical manner and to operate, maintain and preserve the Enterprise in good repair and working order.

Waiver of Laws. The City will not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension law now or at any time thereafter in force that may affect the covenants and agreements contained in the Indenture or in the Bonds, and all benefit or advantage of any such law or laws is expressly waived by the City to the extent permitted by law.

Further Assurances. The City will make, execute and deliver any and all such instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the

performance of the Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in the Indenture.

Discharge of Claims. The City covenants that in order to fully preserve and protect the priority and security of the Bonds, the City will pay from the Gross Revenues and discharge all lawful claims for labor, materials and supplies furnished for or in connection with Enterprise which, if unpaid, may become a lien or charge upon the Gross Revenues or the Net Revenues prior or superior to the lien of the Bonds and impair the security of the Bonds. The City will also pay from the Gross Revenues all taxes and assessments or other governmental charges lawfully levied or assessed upon or in respect of the Enterprise or upon any part thereof or upon any of the Gross Revenues or the Net Revenues therefrom.

Against Sale, Eminent Domain. Except as provided in the Indenture or in any documents relating to Parity Debt, the City covenants that the property, facilities and improvements of the Enterprise will not be mortgaged or otherwise encumbered, sold, leased, pledged, any charge placed thereon, or disposed of as a whole or substantially as a whole unless: (a) the City will cause to be filed with the Trustee written evidence from each Rating Agency that such sale or other disposition will not cause a reduction or withdrawal of the rating then assigned to the Bonds by each such Rating Agency; (b) such sale or other disposition will be so arranged as to provide for a continuance of payments into the Wastewater Fund sufficient in amount to permit payment therefrom of the principal, Accreted Value and interest on and premiums, if any, due upon the call and redemption. thereof, of the Outstanding Bonds, and also to provide for such payments into the funds as are required under the terms of the Indenture and any Supplemental Indenture; and (c) the City will have filed with the Trustee an opinion of nationally-recognized bond counsel to the effect that such sale or other disposition will not adversely affect the exemption from federal income taxation of interest on the Bonds. The City further covenants that the Net Revenues or any other funds pledged or otherwise made available to secure payment of the principal, Accreted Value and interest on the Outstanding Bonds will not be mortgaged, encumbered, sold, leased, pledged, any charge placed thereon, or disposed of or used except as authorized by the terms of the Indenture. The City further covenants that it will not enter into any agreement which impairs the operation of the Enterprise or any part of it necessary to secure adequate Net Revenues to pay the principal, Accreted Value and interest of the Bonds or which otherwise would impair the rights of the Bond Owners with respect to the Net Revenues. If any substantial part of the Enterprise is sold the payment therefor will either be used for the acquisition and/or construction of improvements and extensions of the Enterprise or will be deposited with the Trustee and will be used to redeem the Outstanding Bonds and Parity Debt in respective amounts and on the respective dates identified by the City in writing.

The City covenants that any amounts received as awards as a result of the taking of all or any part of the Enterprise by the lawful exercise of eminent domain, if and to the extent that such right can be exercised against such property of the City, will either (a) be used for the acquisition and or construction of improvements and extension of the Enterprise, or (b) be deposited with the Trustee (in an amount required to redeem the maximum amount of Outstanding Bonds and Parity Debt) to be used to pay or redeem the Outstanding Bonds and Parity Debt in respective amounts and on the respective dates identified by the City in writing.

Insurance. The City covenants that it will at all times maintain with responsible insurers all such insurance on the Enterprise as is customarily maintained with respect to works and properties of like character against accident to, loss of or damage to such works or properties. If any useful part of the Enterprise is damaged or destroyed, such part will be restored to use. The money collected from insurance against accident to or destruction of the physical Enterprise will either (a) be used for repairing or rebuilding the damaged or destroyed Enterprise, and to the extent not so applied will be deposited with the Trustee (in an amount required to redeem the maximum amount of Outstanding Bonds and Parity

Debt) to be used to pay or redeem the Outstanding Bonds and Parity Debt in respective amounts and on the respective dates identified by the City in writing.

Any such insurance will be in the form of policies or contracts for insurance with insurers of good standing and will be payable to the City, or may in the form of self-insurance by the City. The City will establish such fund or funds or reserves as are necessary to provide for its share of any such self-insurance. The City will file or cause to be filed with the Trustee, annually within one hundred twenty (120) days after the close of each Fiscal Year, a Certificate of the City (a) stating that the City is then in compliance with the requirements of the Indenture described under this caption "Covenants–Insurance", and (b) stating whether during the preceding Bond Year any loss has been incurred with respect to the Enterprise and, it so, the amount of insurance proceeds, including the proceeds of any self-insurance fund covering such loss and specifying the reasonable and necessary costs of repair, reconstruction or replacement thereof.

Records and Accounts. The City covenants that it will keep proper books of record and accounts of the Enterprise, separate from all other records and accounts, in which complete and correct entries will be made of all transactions relating to the Enterprise. Said books will, upon reasonable request, be subject to the inspection of the Owners of not less than ten percent (10%) of the Outstanding Bonds or their representatives authorized in writing.

The City covenants that it will cause the books and accounts of the Enterprise to be audited annually by an Independent Accountant and will make available for inspection by the Bond Owners at the Trust Office of the Trustee, upon reasonable request, a copy of the report of such Independent Accountant.

No Priority for Additional Obligations. The City covenants that no additional bonds, notes or other indebtedness will be issued or incurred having any priority in payment of principal, Accreted Value or interest out of the Net Revenues over the Bonds. Nothing in the Indenture will prohibit or impair the authority of the City to issue bonds or other obligations which are unsecured or which are secured by a lien on Net Revenues which is subordinate to the lien established under the Indenture, upon such terms and in such principal amount as the City may determine.

Tax Covenants. In the Indenture, the City covenants with the Owners of the Bonds that, notwithstanding any other provisions of the Indenture, it will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds under Section 103 of the Code. The City will not, directly or indirectly, use or permit the use of proceeds of the Bonds or any of the property financed or refinanced with proceeds of the Bonds, or any portion thereof, by any person other than a governmental unit (as such term is used in Section 141 of the Code), in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of interest on the Bonds.

Events of Default and Remedies of Bondholders

Events of Default. The following events will be Events of Default under the Indenture:

(a) default in the due and punctual payment of the principal, Accreted Value or Redemption Price of any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise in the amounts and at the times provided therefor;

(b) default in the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable;

(c) failure by the City to observe or perform any covenant, condition, agreement or provision in the Indenture on its part to be observed or performed, other than as referred to in (a) or (b) under this caption "Events of Default and Remedies of Bondholders-Events of Default", for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, has been given to the City by the Trustee; except that, if such failure can be remedied but not within such thirty (30) day period and if the City has taken all action reasonably possible to remedy such failure within such thirty (30) day period, such failure shall not become an Event of Default for so long as the City shall diligently proceed to remedy the same in accordance with and subject to any directions or limitations of time established by the Trustee or any insurer of the Bonds;

(d) default by the City under any agreement governing any Parity Debt and the continuance of such default beyond the therein stated grace period, if any, with respect to such default;

(e) the filing by the City of a petition in voluntary bankruptcy for the composition of its affairs or for its corporate reorganization under any state or federal bankruptcy or insolvency law, or an assignment by the City for the benefit of creditors, or the admission by the City in writing to its insolvency or inability to pay debts as they mature, or the consent by the City in writing to the appointment of a trustee or receiver for itself;

(f) the entering by a court of competent jurisdiction of an order, judgment or decree declaring the City insolvent, or adjudging it bankrupt, or appointing a trustee or receiver of the City, or approving a petition filed against the City seeking reorganization of the City under any applicable law or statute of the United States of America or any state thereof, and such order, judgment or decree shall not be vacated or set aside or stayed within sixty (60) days from the date of the entry thereof; or

(g) the assumption, under the provisions of any other law for the relief or aid of debtors, by any court of competent jurisdiction of custody or control of the City or of the Net Revenues and such custody or control shall not be terminated within sixty (60) days from the date of assumption of such custody or control.

Application of Net Revenues and Other Funds After Default; Acceleration. If an Event of Default shall occur and be continuing, the City shall immediately transfer to the Trustee all Net Revenues held by it and received thereafter and the Trustee shall apply all Net Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of the Indenture (except as otherwise provided in the Indenture) as follows and in the following order:

(1) To the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners of the Bonds and Parity Debt, including the costs and expenses of the Trustee and the Bondholders in declaring such Event of Default, and payment of reasonable fees and expenses of the Trustee (including reasonable fees and disbursements of its counsel and other agents) incurred in and about the performance of its powers and duties under the Indenture;

(2) To the payment of the whole amount of Bond Obligation then due on the Bonds and Parity Debt (upon presentation of the Bonds and Parity Debt to be paid, and stamping thereon of the payment if only partially paid, or surrender thereof if fully paid) subject to the provisions of

the Indenture, with interest on such Bond Obligation at the rate or rates of interest borne by the respective Bonds and Parity Debt, to the payment to the persons entitled thereto of all installments of interest then due and the unpaid principal or Redemption Price of any Bonds and Parity Debt which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, with interest on the overdue Bond Obligation and Parity Debt at the rate borne by the respective Bonds and Parity Debt, and, if the amount available shall not be sufficient to pay in full all the Bonds and Parity Debt due on any date, together with such interest, then to the payment thereof ratably, according to the amounts of principal or interest or Accreted Value (plus accrued interest) due on such date to the persons entitled thereto, without any discrimination or preference.

(3) To the payment of the payment of fees and other amounts owed to any Credit Providers relating to Credit Facilities and any providers of any Public Finance Contract Insurance Policies.

In each and every such case during the continuance of such Event of Default (and subject to any rights granted to any insurer of the Bonds with respect to the enforcement of remedies upon an Event of Default pursuant to a Supplemental Indenture), the Owners of not less than a majority in aggregate amount of Bond Obligation of the Bonds at the time Outstanding shall be entitled, upon notice in writing to the City, to declare the principal of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, including accrued interest to the date of such payment, anything in the Indenture or in the Bonds contained to the contrary notwithstanding.

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, the City shall pay to or shall deposit with the Trustee a sum sufficient to pay all principal on such Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, and the reasonable fees and expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Owners of not less than a majority in aggregate amount of Bond Obligation of the Bonds at the time Outstanding, by written notice to the City and to the Trustee, may, on behalf of the Owners of all the Bonds, rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Trustee to Represent Bondholders. The Trustee is irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, the Indenture and applicable provisions of any other law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the Bondholders, the Trustee in its discretion may, and upon the written request of the Owners of not less than twenty-five percent (25%) in aggregate amount of Bond Obligation of the Bonds then Outstanding, and upon being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained in the Indenture, or in aid of the execution of any power in the Indenture granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in such Owners under the Indenture or any other law;

and upon instituting such proceeding, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Net Revenues, and other assets pledged under the Indenture, pending such proceedings. All rights of action under the Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of the Indenture.

Bondholders' Direction of Proceedings. Anything in the Indenture to the contrary notwithstanding, the Owners of a majority in aggregate amount of Bond Obligation of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee and upon furnishing the Trustee with indemnification satisfactory to it, to direct the method of conducting all remedial proceedings taken by the Trustee under the Indenture, provided that such direction shall not be otherwise than in accordance with law and the provisions of the Indenture, that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders or holders of Parity Debt not parties to such direction.

Limitation on Bondholders' Right to Sue. No Owner of any Bond shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under the Indenture or any other applicable law with respect to such Bond, unless (1) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (2) the Owners of not less than twenty-five percent (25%) in aggregate amount of Bond Obligation of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers granted in the Indenture or to institute such suit, action or proceeding in its own name; (3) such Owner or said Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (4) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee; and (5) the Trustee shall not have received contrary directions from the Owners of a majority in aggregate amount of Bond Obligation of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy under the Indenture or under law; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Indenture or other applicable law with respect to the Bonds, except in the manner provided in the Indenture, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner provided in the Indenture and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of the Indenture.

Absolute Obligation of the City. Nothing in any other provision of the Indenture or in the Bonds contained shall affect or impair the obligation of the City, which is absolute and unconditional, to pay the principal, Accreted Value or Redemption Price of and interest on the Bonds to the respective Owners of the Bonds at their respective due dates therefor or upon call for redemption, as provided in the Indenture, but only out of the Net Revenues and other assets pledged in the Indenture therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

Termination of Proceedings. In case any proceedings taken by the Trustee or any one or more Bondholders on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Bondholders, then in every such case the City, the Trustee and the Bondholders, subject to any determination in such proceedings, shall be restored to their former positions and rights under the Indenture, severally and respectively, and all rights, remedies, powers and duties of the City, the Trustee and the Bondholders shall continue as though no such proceedings had been taken.

Remedies Not Exclusive. No remedy conferred in the Indenture upon or reserved to the Trustee or to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given under the Indenture or now or thereafter existing at law or in equity or otherwise.

No Waiver of Default. No delay or omission of the Trustee or of any Owner of the Bonds to exercise any right or power arising upon the occurrence of any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by the Indenture to the Trustee or to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient.

The Trustee

Appointment; Duties, Immunities and Liabilities of Trustee. The Bank of New York Mellon Trust Company, N.A., is appointed as Trustee under the Indenture and accepts the trust imposed upon it as Trustee under the Indenture and to perform all the functions and duties of the Trustee under the Indenture, subject to the terms and conditions set forth in the Indenture. The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in the Indenture and no implied covenants shall be read into the Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by the Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it is a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company will be eligible under the Indenture, will be the successor to such Trustee without the execution or filing of any paper or any further act, anything in the Indenture to the contrary notwithstanding.

Liability of Trustee. (A) The recitals of facts in the Indenture and in the Bonds contained will be taken as statements of the City, and the Trustee assumes no responsibility for the correctness of the same (other than the certificate of authentication of the Trustee on each Bond), and makes no representations as to the validity or sufficiency of the Indenture or of the Bonds or of any Investment Security, as to the sufficiency of the Net Revenues, or the priority of the lien of the Indenture thereon, or as to the financial or technical feasibility of the Enterprise and will not incur any responsibility in respect of any such matter, other than in connection with the duties or obligations expressly in the Indenture or in the Bonds assigned to or imposed upon it. The Trustee will, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee will not be liable in connection with the performance of its duties under the Indenture, except for its own negligence, willful misconduct or breach of the express terms and conditions of the Indenture. The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in

any action which any Owner of a Bond may be entitled to take, with like effect as if the Trustee was not the Trustee under the Indenture. The Trustee may in good faith hold any other form of indebtedness of the City, own, accept or negotiate any drafts, bills of exchange, acceptances or obligations of the City and make disbursements for the City and enter into any commercial or business arrangement therewith, without limitation.

(B) The Trustee will not be liable for any error of judgment made in good faith by a responsible officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts. The Trustee may execute any of the trusts or powers of the Indenture and perform the duties required of it under the Indenture by or through attorneys, agents, or receivers, and will be entitled to advice of counsel concerning all matters of trust and its duty under the Indenture, but the Trustee will be answerable for the negligence or misconduct of any such attorney, agent, or receiver selected by it; provided, however, that the Trustee will not be answerable for the negligence or misconduct of any attorney or certified public accountant selected by it with due care.

(C) The Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than twenty-five percent (25%) in aggregate amount of Bond Obligation of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under the Indenture.

(D) The Trustee is under no obligation to exercise any of the rights or powers vested in it by the Indenture at the request, order or direction of any of the Bondholders pursuant to the provisions of the Indenture, including, without limitation, the provisions of the Indenture (other than acceleration as provided in the Indenture under the caption "Events of Default and Remedies of Bondholders-Application of Net Revenues and Other Funds After Default; Acceleration"), unless such Bondholders have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

(E) No provision of the Indenture will require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance or exercise of any of its duties under the Indenture.

(F) The Trustee is not to be deemed to have knowledge of and is not to be required to take any action with respect to, any Event of Default (other than an Event of Default described under (a) or (b) under the paragraph "Events of Default" above) or event which would, with the giving of notice, the passage of time or both, constitute an Event of Default, unless the Trustee has actual knowledge of such event or has been notified in writing of such event by the City, the Owners of twenty-five percent (25%) in aggregate amount of Bond Obligation of the Bonds at the time Outstanding or the Applicable Credit Provider. Without limiting the generality of the foregoing, the Trustee shall not be required to ascertain, monitor or inquire as to the performance or observance by the City of the terms, conditions, covenants or agreements set forth in the Indenture (including, without limitation, the covenants of the City set forth in the Indenture), other than the covenants of the City to make payments with respect to the Bonds when due as set forth in the Indenture and to file with the Trustee when due, such reports and certifications as the City is required to file with the Trustee under the Indenture.

(G) No permissive power, right or remedy conferred upon the Trustee under the Indenture will be construed to impose a duty to exercise such power, right or remedy.

(H) The Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order,

bond, debenture, coupon or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the City, personally or by agent or attorney.

(I) The Trustee will not be responsible for:

(1) the application or handling by the City of any Net Revenues or other moneys transferred to or pursuant to any Requisition or Request of the City in accordance with the terms and conditions of the Indenture;

(2) the application and handling by the City of any other fund or account designated to be held by the City under the Indenture;

(3) any error or omission by the City in making any computation or giving any instruction pursuant to the Indenture and may rely conclusively on any computations or instructions furnished to it by the City in connection with the requirements of the Indenture and the Tax Certificate; or

(4) the construction, operation or maintenance of the Enterprise by the City.

(J) Whether or not therein expressly so provided, every provision of the Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee will be subject to the provisions of the Indenture described under this caption "The Trustee".

(K) The Trustee will have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

Modification or Amendment of the Indenture

Amendments Permitted. (A)(1) The Indenture and the rights and obligations of the City, the Owners of the Bonds and the Trustee may be modified or amended from time to time and at any time by a Supplemental Indenture, which the City and the Trustee may enter into with the written consent of the Owners of a majority in aggregate amount of Bond Obligation of the Bonds (or, if such Supplemental Indenture is only applicable to a Series of Bonds, such Series of Bonds) then Outstanding has been filed with the Trustee; provided that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any particular maturity remain Outstanding, the consent of the Owners of such Bonds will not be required and such Bonds will not be deemed to be Outstanding for the purpose of any calculation of Bonds Outstanding described under this caption "Modification or Amendment of the Indenture".

(2) For any Series of Bonds for which there is a letter of credit or policy of bond insurance in place securing such Series of Bonds, the written consents of each provider of a letter of credit or a policy of bond insurance, as well as the consent of any provider of a liquidity facility then in effect if the rights and security of such provider will be materially adversely affected, for such Series of Bonds filed with the Trustee shall be accepted in lieu of consent of the Owners of such Series of Bonds and shall be deemed to be the consent of all of the Owners of such Series of Bonds for purposes of satisfying the requirements described in the preceding paragraph, provided that, for all Outstanding Bonds of such Series that are insured by a policy or policies of municipal bond insurance, at the time such consent is given the provider of such policy or policies of municipal bond insurance will be a financial institution or association having

unsecured debt obligations rated, or insuring or securing other debt obligations rated on the basis of such insurance, in one of the two highest Rating Categories of Moody's or Standard & Poor's.

(3) No such modification or amendment will (a) extend the fixed maturity of any Bond, or reduce the amount of principal thereof, or extend the time of payment or reduce the amount of any mandatory sinking fund payment provided for the payment of any Bond, or reduce the rate of interest thereon, or extend the time of payment of interest thereon, or reduce any premium payable upon the redemption thereof exclusively, without the consent of the Owner of each Bond so affected, or (b) reduce the aforesaid percentage of Bond Obligation the consent of the Owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Net Revenues and other assets pledged under the Indenture prior to or on a parity with the lien created by the Indenture, or deprive the Owners of the Bonds of the lien created by the Indenture on such Net Revenues and other assets (in each case, except as expressly provided in the Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It will not be necessary for the consent of the Bondholders to approve the particular form of any Supplemental Indenture, but it will be sufficient if such consent will approve the substance thereof. Promptly after the execution and delivery by the Trustee and the City of any Supplemental Indenture under the provisions of the Indenture described under this caption "Modification or Amendment of the Indenture-Amendments Permitted", the Trustee will mail a notice, setting forth in general terms the substance of such Supplemental Indenture to the Owners of the Bonds at the addresses shown on the registration books of the Trustee. Any failure to give such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such Supplemental Indenture.

(4) A copy of each Supplemental Indenture entered into by the City and the Trustee pursuant to the provisions described under this caption "Modification or Amendment of the Indenture-Amendments Permitted" will be sent by the City to Moody's and Standard & Poor's.

(B) The Indenture and the rights and obligations of the City, of the Trustee and of the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the City may adopt without the consent of any Bondholders but only to the extent permitted by law and only for any one or more of the following purposes:

(1) to add to the covenants and agreements of the City in the Indenture contained other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power reserved in the Indenture to or conferred upon the City;

(2) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in the Indenture, or in regard to matters or questions arising under the Indenture, as the City may deem necessary or desirable, and which will not materially and adversely affect the interests of the Owners of the Bonds;

(3) to modify, amend or supplement the Indenture in such manner as to permit the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, or any similar federal statute thereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said Act or similar federal statute, and which will not materially and adversely affect the interests of the Owners of the Bonds;

(4) to make modifications or adjustments necessary, appropriate or desirable to provide for the issuance of Variable Rate Indebtedness, Capital Appreciation Indebtedness or

Parity Debt with such interest rate, payment, maturity and other terms as the City may deem desirable; subject to the provisions of the Indenture;

(5) to provide for the issuance of Bonds in book-entry form or bearer form, provided that no such provision will materially and adversely affect the interests of the Owners of the Bonds;

(6) if the City agrees in a Supplemental Indenture to maintain the exclusion of interest on a Series of Bonds from gross income for purposes of federal income taxation, to make such provisions as are necessary or appropriate to ensure such exclusion;

(7) to provide for the issuance of an additional Series of Bonds pursuant to provisions of the Indenture; and

(8) for any other purpose that does not materially and adversely affect the interests of the Owners of the Bonds.

Defeasance

Discharge of Indenture. Bonds of any Series or a portion thereof may be paid by the City in any of the following ways:

(a) by paying or causing to be paid the Bond Obligation of and interest on such Outstanding Bonds, as and when the same become due and payable;

(b) by depositing with the Trustee, an escrow agent or other fiduciary, in trust, at or before maturity, money or securities in the necessary amount and subject to the conditions as described under the caption "Defeasance-Deposit of Moneys or Securities with Trustee" to pay or redeem such Outstanding Bonds; or

(c) by delivering to the Trustee, for cancellation by it, such Outstanding Bonds.

If the City pays all Series for which any Bonds are Outstanding and also pay or cause to be paid all other sums payable under the Indenture by the City, as well as any amounts due and owing under any Credit Agreement then in effect, then and in that case (but subject to any additional requirements in connection therewith as may be imposed by any insurer of the Bonds and set forth in a Supplemental Indenture), at the election of the City (evidenced by a Certificate of the City filed with the Trustee signifying the intention of the City to discharge all such indebtedness and the Indenture), and notwithstanding that any Bonds have not been surrendered for payment, the Indenture and the pledge of Net Revenues and other assets made under the Indenture and all covenants, agreements and other obligations of the City under the Indenture will cease, terminate, become void and be completely discharged and satisfied. In such event, upon Request of the City, the Trustee will cause an accounting for such period or periods as may be requested by the City to be prepared and filed with the City and will execute and deliver to the City all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee will pay over, transfer, assign or deliver to the City all moneys or securities or other property held by it pursuant to the Indenture which, as evidenced by a verification report, upon which the Trustee may conclusively rely, from a firm of certified public accountants, are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

Discharge of Liability on Bonds. Upon the deposit with the Trustee, escrow agent or other fiduciary, in trust, at or before maturity, of money or securities in the necessary amount and subject to the

conditions as described under the caption "Defeasance-Deposit of Moneys or Securities with Trustee" to pay or redeem any Outstanding Bond (whether upon or prior to its maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed prior to maturity, notice of such redemption has been given as in the Indenture provided or provision satisfactory to the Trustee have been made for the giving of such notice, then (but subject to any additional requirements with respect thereto as may be imposed by any insurer of the Bonds and set forth in a Supplemental Indenture) all liability of the City in respect of such Bond will cease, terminate and be completely discharged, provided that the Owner thereof will thereafter be entitled to the payment of the principal, Accreted Value and premium, if any, and interest on the Bonds, and the City will remain liable for such payment, but only out of such money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of the Indenture and the continuing duties of the Trustee under the Indenture.

The City may at any time surrender to the Trustee for cancellation by it any Bonds previously issued and delivered, which the City may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, will be deemed to be paid and retired.

Deposit of Money or Securities With Trustee. Whenever in the Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds and accounts established pursuant to the Indenture and will be:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as in the Indenture provided or provision satisfactory to the Trustee has been made for the giving of such notice, the amount to be deposited or held will be the principal amount, Accreted Value or Redemption Price of such Bonds and all unpaid interest thereon to the redemption date; or

(b) Defeasance Securities, the principal of and interest on which when due will, in the opinion of an independent certified public accountant delivered to the Trustee (upon which opinion the Trustee may conclusively rely), provide money sufficient to pay the principal, Accreted Value or Redemption Price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Bonds to be paid or redeemed, as such principal, Accreted Value or Redemption Price and interest become due, provided that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as in the Indenture provided or provision satisfactory to the Trustee has been made for the giving of such notice;

provided, in each case, that the Trustee has been irrevocably instructed (by the terms of the Indenture or by Request of the City) to apply such money to the payment of such principal, Accreted Value or Redemption Price and interest with respect to such Bonds.

Miscellaneous

Liability of City Limited to Net Revenues. Notwithstanding anything in the Indenture or in the Bonds contained, the City will not be required to advance any moneys derived from any source other than the Net Revenues and other assets pledged under the Indenture for any of the purposes in the Indenture mentioned, whether for the payment of the principal, Accreted Value or Redemption Price of or interest on the Bonds or for any other purpose of the Indenture.

The Bonds are special, limited obligations of the City. The Bonds will not be deemed to constitute a debt or liability of the City, the State of California or of any political subdivision thereof within the meaning of any constitutional or statutory provision, or a pledge of the faith and credit of the City, the State of California or of any political subdivision thereof, but will be payable, except to the extent of certain amounts held under the Indenture pledged therefor, solely from Net Revenues. Neither the faith and credit nor the taxing power of the City, the State of California or of any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The issuance of the Bonds will not directly or indirectly or contingently obligate the City, the State of California or any political subdivision thereof to levy or to pledge any form of taxation whatsoever therefor or to make any appropriation for their payment.

The 2017A Bonds

Establishment and Application of Series 2017A Costs of Issuance Fund. The Trustee shall establish, maintain and hold in trust a separate fund designated as the "Series 2017A Costs of Issuance Fund," until such time as required under the Sixth Supplemental Indenture. The Trustee shall deposit to the Series 2017A Costs of Issuance Fund the amounts specified in the provisions of the Indenture regarding the Application of Proceeds of the Series 2017A Bonds. All money in the Series 2017A Costs of Issuance Fund shall be used and withdrawn by the Trustee to pay the Costs of Issuance of the Series 2017A Bonds upon receipt of Requisition(s) of the City filed with the Trustee, each of which shall be sequentially numbered and shall state the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. At the date designated in the Sixth Supplemental Indenture or upon the earlier Request of the City, any remaining balance in the Series 2017A Costs of Issuance Fund shall be transferred to the Series 2017A Project Fund.

Establishment and Application of the Series 2017A Project Fund. The Trustee shall establish, maintain and hold in trust a separate fund designated as the "Series 2017A Project Fund." All money in the Series 2017A Project Fund shall be disbursed, upon the Request of the City, for the payment of the costs of the design, acquisition and construction of capital improvements to the Enterprise as determined by the City and the incidental costs and expenses related thereto (including reimbursement to the City for any such costs or expenses paid by it). Each such Request of the City shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

When the design, acquisition and construction of all capital improvements determined by the City to be funded from the Series 2017A Project Fund have been completed (as evidenced by a Certificate of the City filed with the Trustee), the Trustee shall transfer any balance remaining in the Series 2017A Project Fund for deposit in the Wastewater Fund, unless the City provides an opinion of counsel to the effect that another use of such moneys will not cause the interest represented by the Series 2017A Bonds to be included in the gross income of the Owners thereof for federal income tax purposes, in which case such money may be expended by the City as provided in such opinion.

*Terms of Series 2017A Bonds Subject to the Indenture***.** Except as in the Sixth Supplemental Indenture expressly provided, every term and condition contained in the Indenture shall apply to the Sixth Supplemental Indenture and to the Series 2017A Bonds with the same force and effect as if the same were therein set forth at length, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to the Sixth Supplemental Indenture.

The Sixth Supplemental Indenture and all the terms and provisions therein contained shall form part of the Indenture as fully and with the same effect as if all such terms and provisions had been set

forth in the Indenture. The Indenture is thereby ratified and confirmed and shall continue in full force and effect in accordance with the terms and provisions thereof, as supplemented and amended thereby.

Continuing Disclosure. Under the Sixth Supplemental Indenture, the City covenants and agrees to comply with the Series 2017A Continuing Disclosure Agreement as it may from time to time thereafter be amended or supplemented. Notwithstanding any other provision of the Indenture, failure of the City to comply with the requirements of the Series 2017A Continuing Disclosure Agreement, as it may from time to time thereafter be amended or supplemented, shall not be considered an Event of Default and the Trustee shall have no right to accelerate amounts due under the Indenture as a result thereof; provided, however, that the Trustee and the Owners of not less than 25% in principal amount of the Outstanding Series 2017A Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations in this paragraph with respect to the Series 2017A Continuing Disclosure Agreement.

APPENDIX D

PROPOSED FORM OF OPINION OF BOND COUNSEL

[Date of Issuance]

City of Richmond
Richmond, California

City of Richmond, California
Wastewater Revenue Bonds, Series 2017A
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to the City of Richmond, California (the "Issuer") in connection with the issuance of $33,530,000 aggregate principal amount of City of Richmond, California Wastewater Revenue Bonds, Series 2017A (the "Bonds"), issued pursuant to Charter of the City of Richmond and Chapter 13.56 of Article 13 of the Richmond Municipal Code (the "Bond Law") and pursuant to the Master Indenture dated as of October 1, 2006, as previously supplemented and amended (the "Master Indenture"), and as supplemented by a Sixth Supplemental Indenture dated as of August 1, 2017 (the "Sixth Supplemental Indenture" and collectively with the Master Indenture, the "Indenture") between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Indenture, the Tax Certificate, dated the date hereof (the "Tax Certificate"), certificates of the Issuer, the Trustee, and others, opinions of counsel to the Issuer and the Trustee and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Issuer. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Bonds to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Bonds, the Indenture and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent

conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against a municipal corporation and chartered city in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the assets described in or as subject to the lien of the Indenture or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such assets. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Bonds constitute the valid and binding special, limited obligations of the Issuer.

2. The Indenture has been duly executed and delivered by, and constitutes the valid and binding obligation of, the Issuer. The Indenture creates a valid pledge, to secure the payment of the principal of and interest on the Bonds, of the Net Revenues and any other amounts held by the Trustee in any fund or account established pursuant to the Indenture, except the Rebate Fund, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture.

3. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. Interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that it is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Interest on the Bonds is exempt from State of California personal income taxes. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

APPENDIX E

FORM OF CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the "Disclosure Agreement") is executed and delivered by the City of Richmond (the "City"), The Bank of New York Mellon Trust Company, N.A., as successor trustee (the "Trustee") and Willdan Financial Services, as dissemination agent (the "Dissemination Agent") in connection with the issuance by the City of $33,530,000 principal amount of City of Richmond Wastewater Revenue Bonds, Series 2017A (the "Series 2017A Bonds"). The Series 2017A Bonds are being issued pursuant to the terms of an Indenture of Trust, dated as of October 1, 2006 (the "Master Indenture"), as previously amended and supplemented, including as supplemented by the Third Supplemental Wastewater Revenue Bond Indenture, dated as of October 1, 2008, as amended by the First Amendment to Wastewater Revenue Bond Indenture, dated as of November 1, 2009, as amended and supplemented by the Fourth Supplemental Wastewater Revenue Bond Indenture, dated as of October 1, 2010, and the Fifth Supplemental Wastewater Revenue Bond Indenture, dated as of July 1, 2017 and the Sixth Supplemental Wastewater Revenue Bond Indenture, dated as of August 1, 2017 (collectively, the Indenture"), each by and between the City and the Trustee. The City, the Trustee and the Dissemination Agent hereby covenant and agree as follows:

SECTION 1. Purpose of this Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the City, the Trustee and Dissemination Agent for the benefit of the Owners and Beneficial Owners of the Series 2017A Bonds and in order to assist the Participating Underwriters (as defined below) in complying with the Rule (as defined below).

SECTION 2. Definitions. In addition to the definitions set forth in the Indenture, which apply to any capitalized term used in this Disclosure Agreement unless otherwise defined in this Section 2, the following capitalized terms have the following meanings:

"Annual Report" means any Annual Report of the City provided pursuant to, and as described in, Section 3 and Section 4 of this Disclosure Agreement.

"*Beneficial Owner"* means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Series 2017A Bonds (including persons holding Series 2017A Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Series 2017A Bonds for federal income tax purposes.

"*Commission"* means the Securities and Exchange Commission.

"*Disclosure Representative"* means the Director of Finance of the City or any designee, or such other officer of employee as the City may designate in writing to the Trustee and the Dissemination Agent from time to time.

"*Dissemination Agent"* means initially Willdan Financial Services, or any successor Dissemination Agent designated in writing by the City and which has filed a written acceptance of such designation with the City and the Trustee.

"*MSRB"* shall mean the Municipal Securities Rulemaking Board or any other entity designated or authorized by the Securities and Exchange Commission to receive reports pursuant to the Rule. Until otherwise designated by the MSRB or the Securities and Exchange Commission, filings with the MSRB are to be made through the Electronic Municipal Market Access (EMMA) website of the MSRB, currently located at http://emma.msrb.org.

"*Official Statement*" means the Official Statement dated July 19, 2017 relating to the Series 2017A Bonds.

"*Participating Underwriters*" collectively means the original underwriters of the Series 2017A Bonds are required to comply with the Rule in connection with the offering of the Series 2017A Bonds.

"*Repository*" means the Electronic Municipal Market Access website maintained by the MSRB at http://emma.msrb.org or any other entity designated or authorized by the Commission to receive reports pursuant to the Rule.

"*Rule*" means paragraph (b) (5) of Rule 15c2-12 adopted by the Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

"*Specified Events*" means any of the events listed in Section 5(a) of this Disclosure Agreement.

SECTION 3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent to, not later than two hundred seventy (270) days after the end of the City's Fiscal Year (currently June 30), commencing with the report for the City's Fiscal Year ended June 30, 2017, provide to the Repository copies of an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Agreement. The Annual Report shall be submitted in electronic format, accompanied by such identifying information as is prescribed by the Repository, and may include by reference other information as provided in Section 4 of this Disclosure Agreement; provided that the audited financial statements of the City may be submitted separately from the balance of such Annual Report and later than the date required above for the filing of such Annual Report if they are not available by that date. If the City's Fiscal Year changes, the City shall give notice of such change in the same manner as for a Listed Event under Section 5(c).

(b) Not later than fifteen (15) Business Days prior to the date specified in Section 3(a) for providing each Annual Report to the Repository, the City shall provide such Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent); provided, however, that the City may distribute the Annual Report to the Repository itself after providing written notice to the Dissemination Agent. If by said date, the Trustee and the Dissemination Agent has not received a copy of the Annual Report, the Dissemination Agent shall notify the City of such failure to receive the Annual Report.

(c) If the City is unable to provide to the Dissemination Agent an Annual Report by the date required in Section 3(a), the Dissemination Agent is irrevocably instructed to file a notice, in electronic format, to the Repository in substantially the form attached hereto as Exhibit A.

(d) The Dissemination Agent shall file a report with the City certifying that the Annual Report has been provided pursuant to this Disclosure Agreement and stating the date it was provided.

SECTION 4. Content of Annual Reports. The Annual Report of the City shall contain or incorporate by reference the following:

(a) The audited financial statements of the City, for the Fiscal Year most recently ended, prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the City's audited financial statements are not available by the time the Annual Reports are required to be filed pursuant to Section 3(a) of this Disclosure Agreement, the Annual Reports shall contain unaudited

financial statements in a format similar to the financial statements contained in the final official statement relating to the Series 2017A Bonds, and the audited financial statements shall be filed in the same manner as the Annual Reports when they become available.

(b) Unless otherwise provided in the audited financial statements filed on or prior to the annual filing deadline for Annual Reports provided for in Section 3(a), financial information and operating data with respect to the City and the Wastewater Enterprise for preceding Fiscal Year, substantially similar to that provided in the tables and charts in the statement, as follows:

(i) A maturity schedule for the outstanding Series 2017A Bonds, and a listing of Series 2017A Bonds redeemed prior to maturity during the prior Fiscal Year.

(ii) Information for the preceding Fiscal Year to update the following tables presented in the Official Statement:

(A) Table 3–Customers Served and Total Revenues;

(B) Table 4–Principal Wastewater Customers;

(C) Table 5–Average Monthly Dry Weather Flow;

(D) Table 6–Average Monthly Wet Weather Flow; and

(E) Table 10–Summary of Revenues, Expenses and Changes in Net Assets;

Any or all of the items listed above may be included by specific reference to other documents, including official statements or other disclosure documents of debt issues of the City or related public entities, which have been filed with the Repository or the Commission. If the document included by reference is a final official statement, it must be available from the Repository. The City shall clearly identify each such other document so included by reference.

The contents, presentation and format of the Annual Reports may be modified from time to time as determined in the judgment of the City to conform to changes in accounting or disclosure principles or practices and legal requirements followed by or applicable to the City or to reflect changes in the business, structure, operations, legal form of the City or any mergers, consolidations, acquisitions or dispositions made by or affecting the City; provided that any such modifications shall comply with the requirements of the Rule.

SECTION 5. Reporting of Specified Events.

(a) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Series 2017A Bonds:

(i) Principal and interest payment delinquencies on the Series 2017A Bonds;

(ii) Non-payment related defaults, if material;

(iii) Unscheduled draws on debt service reserves reflecting financial difficulties;

(iv) Unscheduled draws on credit enhancements reflecting financial difficulties;

(v) Substitution of credit or liquidity providers, or their failure to perform;

(vi) Adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed (Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Series 2017A Bonds;

(vii) Modifications to rights of the Series 2017A Bondholders, if material;

(viii) Bond calls other than mandatory sinking fund redemptions;

(ix) Defeasances;

(x) Release, substitution, or sale of property, if any, securing repayment of the Series 2017A Bonds, if material; and

(xi) Rating changes.

(xii) Bankruptcy, insolvency, receivership or similar event of the City or other obligated person.

(xiii) The consummation of a merger, consolidation, or acquisition involving the City or an obligated person, or the sale of all or substantially all of the assets of the Successor Agency or an obligated person (other than in the ordinary course of business), the entry into a definitive agreement to undertake such an action, or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.

(xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) The Trustee shall, promptly upon obtaining actual knowledge at its principal corporate trust office as specified in Section 12 hereof of the occurrence of any of the Listed Events, contact the Disclosure Representative, inform such person of the event, and request that the City promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to Section (5); *provided*, that failure by the Trustee to so notify the Disclosure Representative and make such request shall not relieve the City of its duty to report Listed Events as required in this Section 5. For the purpose of this Disclosure Agreement "actual knowledge" means actual knowledge at the corporate trust office of the Trustee by an officer of the Trustee with responsibility for matters related to the administration of the Indenture.

(c) Wherever the City obtains knowledge of the occurrence of Listed Event, whether due to a notice form the Trustee or pursuant to Section 5(b) or otherwise, the city shall as soon as possible determine if such event would be material under applicable federal securities laws.

(d) If the City determines that knowledge of the occurrence of a Listed Event would be material under applicable federal securities laws, the City shall promptly file, or cause to be filed a notice of such event with the MSRB. Notwithstanding the foregoing, notice of Specified Event described in Sections 5(a)(viii) and (ix) need not be given under this subsection any earlier than when the notice, if any, of the underlying event is given to Owners of affected Series 2017A Bonds pursuant to the Indenture.

(e) If in response to a request under Section 5(b), the City determines that the Listed Event would not be material under applicable federal securities laws, the City shall so notify the Trustee in writing and instruct the Dissemination Agent not to report the occurrence.

(f) If the Dissemination Agent has been instructed by the City to report the occurrence of a Specified Event, the Dissemination Agent shall file a notice of such occurrence with the MSRB. Notwithstanding the foregoing, notice of Specified Events described in Section 5(a)(viii) and (ix) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to Holders of affected Series 2017A Bonds pursuant to the Indenture.

(e) The Dissemination Agent may conclusively rely on an opinion of counsel that the City's instructions to the Dissemination Agent under this Section 5 comply with the requirements of the Rule.

SECTION 6. Termination of Reporting Obligation. The obligations of the City under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Series 2017A Bonds. If such termination occurs prior to the final maturity of the Series 2017 Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(c).

SECTION 7. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing sixty (60) days written notice to the City. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to this Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the City shall be the Dissemination Agent.

The initial Dissemination Agent shall be Willdan Financial Services.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the City may amend this Disclosure Agreement (and the Trustee and the Dissemination Agent shall consent to any amendment so requested by the City provided such amendment does not impose any greater duties, or risk of liability on the Trustee, as the case may be) and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 3(a), Section 4, or Section 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2017A Bonds, or the type of business conducted;

(b) The undertakings, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2017A Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Series 2017A Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners of the Series 2017A Bonds, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Series 2017A Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the City shall describe such amendment in its next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(c), and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, including the information then contained in the City's official statements or other disclosure documents relating to debt issuances, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Specified Event, in addition to that which is required by this Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Specified Event in addition to that which is specifically required by the Disclosure Agreement, the City shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Specified Event.

SECTION 10. Default. In the event of a failure of the City to comply with any provision of this Disclosure Agreement, the Trustee may (and upon written request of at least 25% aggregate principal amount of Outstanding Series 2017A Bonds, with indemnification satisfactory to the Trustee, shall) or any Owner or Beneficial Owner of the Series 2017A Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City, the Trustee or the Dissemination Agent, as the Case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Series 2017A Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the City, the Trustee or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance and no person or entity shall be entitled to recover monetary damages under this Disclosure Agreement.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent and the Trustee shall have only such duties as are specifically set forth in this Disclosure Agreement, and the City agrees, to the extent permitted by law, to indemnify and save the Dissemination Agent and the Trustee, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the City under this Section 11 shall survive resignation or removal of the Dissemination Agent and payment of the Series 2017A Bonds.

SECTION 12. Notices. Any notices or communications to or among any of the parties to this Disclosure Agreement may be given as follows:

To the City:	City of Richmond Richmond City Hall 450 Civic Center Plaza Richmond, California 94804 Attention: Finance Director Telephone: 510-620-6512 Fax: 510-620-6542
If to the Trustee:	The Bank of New York Mellon Trust Company, N.A. 400 South Hope Street, Suite 500 Los Angeles, California 90071 Attention: Corporate Trust Services Phone: 213-630-6400 Fax: 213-630-6480
If to the Dissemination Agent:	Willdan Financial Services 27368 Via Industria, Suite 200 Temecula, California 92590 Attention: Manager Phone: 951-587-3500 Fax: 951-587-3510

SECTION 13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriters, the Owners and Beneficial Owners from time to time of the Series 2017A Bonds, and shall create no rights in any other person or entity.

SECTION 14. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The information in this Appendix F concerning The Depository Trust Company, New York, New York ("DTC") and DTC's book-entry system has been obtained from DTC and the City takes no responsibility for the completeness or accuracy thereof. The City cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest or principal with respect to the Series 2017A Bonds, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Series 2017A Bonds, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series 2017A Bonds, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2017A Bonds. The Series 2017A Bonds will be issued as fully-registered securities in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2017A Bond will be issued for the maturity and CUSIP number of the Series 2017A Bonds, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2017A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017A Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2017A Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017A Bonds are to be accomplished by entries made on

the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2017A Bonds, except in the event that use of the book-entry system for the Series 2017A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2017A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2017A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2017A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2017A Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Indenture. For example, Beneficial Owners of the Series 2017A Bonds may wish to ascertain that the nominee holding the Series 2017A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices will be sent to DTC. If less than all of the Series 2017A Bonds within an issue are being redeemed. DTC's practice is to determine by lot the amount of the interest of each Direct Participant in each issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2017A Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2017A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2017A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions and dividend payments (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2017A Bonds purchased or tendered, through its Participant, to Remarketing Agent, and shall effect delivery of such Series 2017A Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2017A Bonds, on DTC's records, to Remarketing Agent. The requirement for physical delivery of the Series 2017A Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2017A Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered the Series 2017A Bonds to Remarketing Agent's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2017A Bonds at any time, by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2017A Bonds certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2017A Bonds certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.
