FINDING OF FACT: (brief summary of complaint and investigation)

Complainant, Alexander Medrano, filed a complaint through his attorney, Rachel Lorber, alleging unreasonable and excessive force by RPD officers using a canine. The complaint was filed 87 days past the 120-day deadline established by the Ordinance authorizing the CPRC to investigate complaints. Medrano was incarcerated, yet represented by legal counsel during the entire time that the CPRC deadline was passing.

The Commission found that there was no “excusable neglect” in the failure to file this complaint 87 days past the statutory deadline. The Commission further found that the October 12, 2023, complaint was outside its jurisdiction under the CPRC ordinance.

FINDING:

No Jurisdiction.
