Officer Involved Shooting 300 block Carlson Blvd.

On Tuesday, February 4, 2025, at 8:13 p.m., officers from the Richmond Police Department responded to the 2700 block of Main Ave in an attempt to locate a wanted subject. The subject was wanted on a probation violation warrant related to domestic violence charges.

Officers located the wanted subject on the Union Pacific Railroad right of way just west of the 300 block of Carlson Blvd. The subject refused to cooperate with officers, and a standoff ensued. Officers spent approximately 32 minutes attempting to de-escalate the situation and reach a peaceful resolution. At approximately 8:53 p.m., an officer-involved shooting occurred, and the wanted subject sustained fatal injuries.

The Contra Costa Law Enforcement Involved Fatal Protocol, a set of guidelines and procedures followed in cases of officer-involved fatalities, was invoked, and the Contra Costa District Attorney's Office responded to investigate.

Investigators are currently on the scene, and the investigation is in its early stages.

We are committed to a thorough, transparent investigation. As more information becomes available, we will post updated press releases on the Richmond Police Department website:
