## Keller Beach Sanitary Sewer Project Community Technical Meeting (Hybrid Format)

Monday, November 17, 2025

1:30 – 3:00 pm

Point Richmond Community Center  
139 Washington Ave, Richmond, CA 94801  
Virtual (Zoom [link](#))

### Meeting Objectives:

- Provide a focused forum for community members to share technical recommendations and proposals related to the Study.
- Provide an overview of the Keller Beach Sanitary Sewer (KBSS) Feasibility Study, including its current status.
- Review and discuss alternatives that BKF Engineers is currently considering for the Study. Invite feedback from community members on these alternatives and additional ideas for alternatives that should be considered.
- Discuss next steps including the January public workshop.
